Commercial terms and conditions:

These terms and conditions ("Terms") are incorporated into and govern any contract for the sale of goods (the "Products") by AethLabs ("Seller") to the buyer of those products ("Buyer"), including any transaction entered into pursuant to a Quotation issued by Seller or other writing that incorporates these Terms (the "Quotation").

1. The sale of any Product shall be governed solely and exclusively by these Terms. Buyer is deemed to accept these Application of Terms Terms unconditionally and to waive its own general terms and conditions of purchase, whether set forth in a Buyer purchase order ("PO") or any other document issued or referenced by Buyer (collectively, "Buyer Documentation"), and regardless of whether such PO is described as conditional or includes separate terms and conditions. No modification or supplementation of, or addition to, these Terms shall result from the issuance, receipt, acknowledgment or acceptance by Seller of any Buyer Documentation.

2. Buyer shall not cancel, suspend or modify any PO after Seller's receipt thereof. Seller shall have the right, at its Acceptance of PO's discretion, to accept or reject any PO, in whole or in part, by written notice to Buyer or shipment of Products, provided that acceptance by shipment shall only be deemed acceptance of the part of the PO to which that shipment relates. The terms and conditions of that sales contract shall be limited to the quantity of Products and delivery date specified in a PO (to the extent accepted by Seller) and shall be governed exclusively by these Terms.

3. The contract price shall be Seller's current published list price. Unless agreed otherwise in writing, all Price; Payment; Taxes; Delivery prices are exclusive of any and all taxes (except only taxes levied against Seller's income), without reference to market price fluctuations or prices charged to other Seller customers. Buyer agrees to pay such taxes unless Buyer has provided Seller with an exemption resale certificate in the appropriate form for the relevant jurisdiction. Unless agreed otherwise in writing, terms of payment shall be net thirty (30) days after invoice date. Any increase in accessory charges of the sale, such as transportation and insurance charges, customs duties and taxes, before arrival at the destination of the Products shall be for the account of Buyer. If Seller is not satisfied with Buyer's financial accountability, Seller may require payment in cash before delivery. Buyer shall pay interest on all invoices not paid within the terms of payment at the
