If a member is unable to attend a meeting his/her opinion on the project on the agenda may be submitted in writing to the Chairperson of the Committee before the date of the meeting or decision. The decision of the committee is taken by majority vote. If Chairperson is absent he/she can nominate a person from the Institute Ethics Committee to chair.

Procedures:

A quorum is required for all meetings (7 members out of 15 make a quorum). Approval of a project is made by consensus of members present at the meeting. The members can voluntarily withdraw from membership of Institute Ethics Committee after giving due justification and permission of appointing authority. In case a member is absent from Institute Ethics Committee meeting, the following is considered: Since the projects are circulated prior to two weeks of Institute Ethics Committee meeting, if no objection / comments are obtained from that member, they are considered to be approved by that member. Serious Adverse Effects should be reported to Institute Ethics Committee within 24 hours and to DCGI within 10 working days. Efforts are made to ensure that individuals or communities invited for research are selected in such a way that the burdens and benefits of the research are equally distributed. These vulnerable populations include:

- a. Racial inequalities

The chairman appoints a member to write the minutes of the meetings: It is the Member-Secretary who writes the minutes. Minutes are circulated to the Chairperson and after his approval, the comment letters to applicants may be dispatched after the signature of Member-Secretary of the Institute Ethics Committee. After the meeting, the approval of the members of the Institute Ethics Committees obtained on the same day of the meeting.
