3. Analysis of ABO antibody titer in healthy blood donors
4. Assessment of ABO antibody titre and coagulation factors level after mixing and dilution with normal saline of A and B blood group donor plasma
5. Clinical and serological characterization of autoimmune hemolytic anemia
6. Evaluation of effect of early use of Cryoprecipitate on blood components usage in severely bleeding trauma patients
7. Prospective observational study to assess the prevalence of platelet refractoriness and its reasons in patients receiving multiple platelet transfusions
8. Reappraisal of the concept of massive transfusion in trauma patients presenting with hemorrhagic shock
9. Retrospective analysis of differences in red blood cell usage across different gender, age groups and specialties in a tertiary care hospital

#### *Completed*

1. In vitro and in vivo assessment of platelets stored in pas at 22°C and 4°C: a pilot study.

2. Prospective observational study of transfusion practices in severely injured trauma patients in emergency department at level 1 trauma center
3. Prospective observational study to analyze incidence of different errors in analytical stage of transfusion chain
4. The outcomes of leukoreduced and non-leukoreduced blood component transfusion in patients undergoing cardiac surgery
5. To study the clinical and neurophysiological outcomes after using platelet rich plasma in acute peripheral nerve injury repair, Plastic Surgery, JPNATC, AIIMS

## **Collaborative projects**

### ***Ongoing***

1. H1-MR Spectroscopy based evaluation of metabolic abnormalities in anterior cingulate cortex, hippocampus and amygdala in treatment naïve patients with unipolar and bipolar depression and its relationship with peripheral glutaminase, Psychiatry
2. Probing the biology of Toll-like receptor and Interleukin-1 Receptor in peripheral blood mononuclear cells of healthy donors using novel small molecule inhibitor, Biotechnology
3. A randomized control trial for evaluation of effects of leukoreduced bloodtransfusion on infection risk in severely injured trauma patients, Critical and intensive Care, Laboratory Medicine, Emergency Medicine, Surgery, JPNATC and Anesthesiology, Pain Medicine and Critical Care, AIIMS
4. Evaluation of effect of early use of Cryoprecipitate on blood components usage in severely bleeding trauma patients, Laboratory Medicine, Emergency Medicine, Surgery, JPNATC
5. Complement factor H (CFH)-related protein 1 (CFHR1) and its role in maintenance of immunological tolerance, Regional Center for Biotechnology, Faridabad

## **PUBLICATIONS**

**Journals: 3**

**Abstracts: 7**

## **PATIENT CARE**

The following facilities are available in the department

- Autologous blood donation
- Autologous platelet donation
- Voluntary blood donation camp facility
- Apheresis procedures (SDP, TPE, PBSC)
- Automated blood grouping and serology
- Automated infectious markers testing
- 100% blood component preparation
- Irregular antibody identification
- Antibody screening
- Antibody titers
- Leucodepleted blood/components
- Irradiation facility
- ID-NAT testing of all donated units of three blood banks of AIIMS
  - (a) Apheresis: SDAP collection, TPE, PBSC, LDL apheresis and granulocyte harvesting. Registry created of voluntary SDP donors to support hemato-oncology patients.
  - (b) Community services/camps etc.:
    - Main blood bank organized total 115 voluntary donation camps in Delhi NCR and collected over 11000 units.
    - Carrying out motivational and educative programme for donors in rural areas in association with CHC Ballabgarh.
    - Main blood bank became a mother blood bank of blood storage centre at NCI Jhajjar providing blood components for use of cancer patients.

## **AWARDS, HONOURS AND SIGNIFICANT EVENTS**

Second Prize for poster on Institute day 2019; Award of excellence from State Blood Transfusion Council for voluntary donation work 14<sup>th</sup> June 2019; ICMR International Travel Grant To Dr Romesh Jain (SR); Creating a record for collecting highest number of blood units in a single day by an Institute during “Mega Blood Donation Event” on 27 February 2020.

**Dr Poonam Coshic** was Member SBTC; Member Blood Cell-NHM Division for finalizing guidelines of Blood storage Centres

**Dr Gopal Patidar** was member of reviewing and analysis of reports of donor reaction submitted a Donor-Vigil software under National Blood Donor Hemovigilance Programme, India.

## 9.41. Transplant Immunology and Immunogenetics

### Professor and Head

DK Mitra

### Assistant Professor

Uma Kanga

Rakesh Kumar Deepak

### Scientist II

Sunil Kumar

Lata Kumari

### Scientist I

Sanjeev Goswami

Sonia Verma

### EDUCATION

During the year 2019-20, our department trained 27 students/doctors from various hospitals and institutions from India and abroad. These candidates received training on laboratory techniques in Transplant Immunology, Immunogenetics-HLA testing, post-transplant monitoring and other immunological investigations for immune deficiency.

**Short-term training-AIIMS (1-2 weeks):** The Department provided short term training to the Junior residents from Pathology (5), Laboratory Medicine (3) and Senior Residents (DM Students) of Nephrology (1), Hematology (6), Biochemistry (3), Medical Oncology (3), Transfusion Medicine (3), Pediatrics (2) from AIIMS.

**Long-term training-National (6 months):** One candidate received Long-term training.

### Continuing Medical Education (CME)

During the year, the faculty and scientists of the department participated and delivered several lectures in National and International conferences. Our department regularly provides training on various cell culture assays, including flowcytometry based assays to students and visiting trainees. Our department coordinates a national level Quality Control exercise for DNA based typing of HLA genes for assessment of Quality of testing by other HLA laboratories in India. The Faculty also delivered special lectures in departments of Biotechnology and Pathology, AIIMS as part of the academic curriculum of these departments. Faculty/Scientists delivered lectures to MD/DM residents from Pediatrics, Hematology, Anatomy, Nephrology, Biochemistry, Medical Oncology, Pathology and Laboratory Medicine. Several lectures on Transplant Immunology were also delivered to Nursing students of the institute.

### Lectures delivered

**Uma Kanga: 10                      Rakesh Kumar Deepak: 1                      Lata Kumari: 1**  
**Sanjeev Goswami: 1**

### Uma Kanga

1. Clinical relevance of Donor Specific Antibodies: Impact on Transplant outcome, Federation of Clinical Immunology Societies conference - FOCIS 2019, 18-21 June 2019, Boston, USA
2. Defining the immunological risk: New Tools in the Armamentarium, Transplant Update 2020, 7-8 March 2020, Hyderabad
3. Genetic propensity to Nasopharyngeal carcinoma in Nagas from North East India, 33rd European Immunogenetics and Histocompatibility Conference, 8-11 May 2019, Lisbon
4. Hematopoietic Stem Cell Transplantation: Genetic Matching and Donor Selection, International Symposium on Basic and Translation Immunology (BATI 2020), 5-7 March 2020, Kasaragod, Kerala
5. HLA matching Strategies for Transplantation; Technology Advancements and Strategies, Transplant Immunology Pre-Conference Workshop-Congress of the Asian Society of Transplantation CAST 2019, 29 September to 2 October 2019, NOIDA, UP
6. Immunomodulation by HLA-G: variability of expression impacts Renal Transplant Outcome, 17th International Congress of Immunology, 19-23 October 2019, Beijing, China
7. Organ and Stem Cell Transplantation: Need for State of the Art Transplant Immunology Laboratories, National Medical Laboratories professional week, 17-18 July 2019, New Delhi

8. Post Transplant Donor Specific Antibody Monitoring, Solid Organ Transplantation Congress of the Asian Society of Transplantation CAST 2019, 29 September to 2 October 2019, NOIDA, UP
9. Predictors of Transplant outcome: alloimmunity and significance of antibodies, 46th Annual Meeting of Indian Immunology Society, 14-16 November 2019, Mumbai
10. Technical Advancements in HLA typing: Challenges and future directions, World Immunology Day and 'Immunology Update', 29-30 April 2019, Chandigarh

#### **Rakesh Kumar Deepak**

1. A Flow Cytometry based T cell proliferation assay to discriminate metal implant induced Hypersensitivity and Toxicity in Arthroplasty patients, 10th International Conference on Immunology & Immunogenetics, 2-3 December 2019, London, United Kingdom

#### **Lata Kumari**

1. Role of cytokine in pathogenesis of loosening of prosthesis in total knee and hip replacement, 10th International Conference on Immunology & Immunogenetics, 2-3 December 2019, London, United Kingdom

#### **Sanjeev Goswami**

1. Preformed natural/non-HLA antibodies are associated with early rejection in kidney transplant, 17th International Congress of Immunology (IUIS 2019), 19-23 October 2019, Beijing, China

### **RESEARCH**

#### **Funded projects**

##### ***Ongoing***

1. Development of a Remote Healthcare Delivery System: Early Diagnosis, Therapy, follow-up and Preventive Care for NCDs (cardio-pulmonary), DK Mitra, IMPRINT (HRD+ICMR), 3 years, 2017-20, Rs 64.85 lakhs
2. Evaluation of donor specific antibodies (DSA), HLA typing and major histocompatibility complex (MHC) in the outcome of post heart transplant rejection status: Clinicopathological study, Rakesh Deepak, AIIMS, 2 years, 2019-21, Rs 10 lakhs
3. Functionalization and Validation of a Cloud based Integrated Medical Device (IMD): Delivery of Specialized diagnostic, therapeutic & follow up care to the remote underserved population, DK Mitra, Azure Software, 1 year, 2019-20, Rs 16.44 lakhs
4. Genome wide transcription analyses in DR Mtb: Identification and Immunomodulation of novel targets, DK Mitra, DBT, 3 years, 2018-21, Rs 148 lakhs
5. Genomic analysis of HLA and non-HLA genes and humoral profile of Type 1 Diabetes Mellitus in the population of North East India, Uma Kanga, DBT (BCIL), 3 years, 2017-20, Rs 127.8 lakhs
6. Identification of novel biomarkers for prediction of Renal Allograft Rejection, Uma Kanga, AIIMS-THSTI, 1 year, 2019-2020, Rs 5 lakhs
7. Immunogenetic correlates of Dengue infection: Analysis of HLA and KIR genes in North Indian Population, Uma Kanga, AIIMS, 1 year, 2019-2020, Rs 5 lakhs
8. Impact of host T cell response on expression and function of drug efflux pumps: Relevance to drug resistant TB, DK Mitra, ICMR, 42 months, 2014-18, Rs 78.5 lakhs
9. In Silico Trial for Tuberculosis Vaccine Development (STriTuVaD), European Commission Horizon 2020, DK Mitra, DBT, 5 years, 2018-23, Rs 500 lakhs
10. Islet-antibody negative type 1 diabetes (type 1B) in north Indians: clinical implications and pathogenesis, Uma Kanga, ICMR, 3 years, 2019-2022, Rs 56 lakhs
11. Multivalent leishmania vaccine development, DK Mitra, BIRAC DBT, 3 years, 2015-19, Rs 397.57 lakhs
12. NKT cell subsets: Impact on Mycobacterium tuberculosis specific effectors T cell responses, DK Mitra, ICMR, 3 years, 2017-20, Rs 70.26 lakhs
13. Studies to delineate the Immunoregulatory role of PD-L1/PD-1 pathway and exploring it as a potential tool for vaccination strategies against Visceral Leishmaniasis, DK Mitra, DST, 3 years, 2018-21, Rs 70 lakhs
14. To study the relevance of Treg cells and immune suppressive milieu in patients with gall bladder cancer, Lata Kumari, AIIMS, 2 years, 2019-21, Rs 10 lakhs

### Completed

1. Killer Immunoglobulin Receptor-Human Leukocyte Antigen (KIR-HLA) interactions: Significance in Hematopoietic Stem Cell Transplantation, Uma Kanga, AIIMS, 2 years, 2017-19, Rs 4 lakhs
2. Inphase polymorphism analysis of the HLA minigenome and its application of Next Generation Sequencing (Japanese Society for Promotion of Science), Uma Kanga, DST-JSPS Indo-Japanese, 2 years, 2016-18, Rs 6.8 lakhs

### Departmental projects

#### Ongoing

1. Chronic Atherosclerosis Disease: Integrated analysis of stage-specific alterations in gene expression and miRNA profile of atherosclerotic plaques and correlation with plasma-derived extracellular vesicles in circulation
2. Clinical relevance of non-classical HLA, MICA and NKG2 receptors in HSCT
3. Development of cost effective inhouse assays for HLA diagnostic services
4. Establishment of heterogeneity in genetic markers: potential use in transplant monitoring
5. Genomic diversity of HLA genes in Kashmiri population – advantage of NGS technology
6. Identification of microRNA signature linked to AA and response to immunosuppressive therapy
7. Identification of Signatures for predicting rejection in Renal Transplantation
8. Immune reconstitution following haematopoietic stem cell transplantation.
9. Impact of checkpoint inhibitors on suppressed state of immunity in tuberculosis
10. NKT Cells in Tuberculosis: Impact on Protective T cell response.
11. Phenotypic and functional characterization of various T cell subsets in sarcoidosis.

### Collaborative projects

1. Development of a Remote Healthcare Delivery System: Early Diagnosis, Therapy, follow-up and Preventive Care for NCDs (cardio-pulmonary), IIT, Kharagpur, IIT-Mumbai
2. Evaluation of novel forensic exhibits and informativity of Y-STR markers in chimerism situation, Forensic Medicine
3. Functionalization and Validation of a Cloud based Integrated Medical Device (IMD): Delivery of Specialized diagnostic, therapeutic & follow up care to the remote underserved population, Azure Software
4. Genetic Propensity to Nasopharyngeal Carcinoma in Nagas from North East India, Naga Hospital and Authority, Nagaland
5. Genomic analysis of HLA and Non-HLA genes and humoral profile of Type 1 Diabetes Mellitus in the population of North East India, Dept of Anatomy, Tezpur Medical College
6. Multivalent Leishmania vaccine development, Zydus Cadila
7. Potential role of HLA-G mediated immunomodulation by tissue specific human mesenchymal stem cell (hMSCs), Stem Cell Facility
8. The Role of HLA antigens in primary IgAN in Indian patients: a case control study, Nephrology

### HIGHLIGHTS

- Dr Nikhil Vasdev, Consultant Urological Surgeon, Hertfordshire and Bedfordshire Urological Cancer Centre, Department of Urology, Lister Hospital (East and North Herts NHS Trust), Watford General Hospital (West Herts NHS Trust), UK visited the department and took a ward round and delivered a lecture on 'Status of robotic radical cystectomy' on 2 January 2020.
- The 4th Sarinder Man Singh Memorial Oration in Urology was delivered by Dr Ashok K Hemal, Director, Robotic Urologic Surgery and Minimally Invasive Surgery, Wake Forest Baptist Health Medical Center, Winston Salem, North Carolina, USA on 27 January 2020 at AIIMS, New Delhi.
- The department shifted OPD and Minor OT to 4th floor, A wing in new RAK OPD building w.e.f. 16 March 2020.

**Picture: Dr Nikhil Vasdev's visit in the department.**

### EDUCATION

The faculty of the department participated in and delivered lectures in continuing medical education programs, symposia, national and International conferences during the year. The senior faculty members are examiners for NBE and MCh Urology in various universities. The faculty of the department took active part in restructuring and reframing the curriculum for MCh and DNB training courses in Urology of other upcoming institutes. The faculty of the department is actively engaged in development of various Indian guidelines under aegis of Urological Society of India.

The Department delivered lectures for undergraduate and nursing students (BSc and MSc). The faculty is actively involved in curriculum revision for undergraduates. The department trains 11 postgraduates for the degree of MCh in

Urology over a 3-year period. Post MCh Fellowship training is available for sub-specialties including minimally invasive urology, uro-oncology, reconstructive urology and urogynecology. Two candidates successfully completed the ‘minimally invasive urology’ fellowship course, becoming the first set of fellows to pass out from the department in December 2019. The renal transplant program in the department has got held back due to operational reasons.

Faculty of the department have actively taken part in development of various modules of skill sets for students, which is a step forward towards e-learning. Faculty also took lectures for the SET facility towards their faculty development program. Training of interns and MBBS students for urethral catheterization: male and female on mannequin pelvis was done in the SET Facility and has been incorporated into their regular curriculum. Training on Skill Simulators (URO/PERC Mentor) is a part of regular curriculum of residents training.

The department also had two trainees from Afghanistan for short term observership.

1. Laproscopic Instruments in Urology 1st Midterm CUE of North Zone Urological Society of India, 6 April 2020, Dehradun
2. Panelist: Right treatment for the right patient at right time in mRCC Symposium on metastatic RCC organised by Pfizer, 19 April 2019, New Delhi
3. Moderator for TURP module session Uroweb series, Olympus Training Centre, 27 August 2019, Gurgaon
4. Steps of TURP lecture and Moderator for TURP module session Uro MET –Resident course conducted by Urological Society of India at Olympus training centre, 31 August-1 September 2019, Gurgaon
5. Moderator for Expert Group Meeting (Urogenital) Extra-pulmonary TB Module Development’ 13 September and 23 October 2019, New Delhi
6. Video presentation on Complications in Lap/robotic urology-oncology case (Adrenal Surgery) Masterclass in Uro-oncology and Live Operative Minimally Invasive Surgery Workshop, 21-22 September 2019, New Delhi

7. Panelist in metastatic Renal Cell Carcinoma: Challenges in India, Advanced RCC and metastatic RCC: Management CME, 25 September 2019, New Delhi
8. Tips and tricks in RIRS: How I do it Best of AUA 2019 Annual meeting, 28-29 September 2019, New Delhi
9. Anatomy of Urostomy IASGCON Stoma Workshop, 12 October 2019, New Delhi
10. Step by step video presentation on Laparoscopic transperitoneal nephrectomy 37th World congress of Endourology October 29- November 2, 2019 Abu Dhabi / United Arab Emirates
11. How to prepare SOPs for preparation of e SET modules Content development workshop-2 December 5 2019 New Delhi
12. Steps of TURP lecture and Moderator for TURP module session
13. Uro MET –Consultant course conducted by Urological society of India USI at Olympus training centre, 28-29 December 2019, Gurgaon
14. Moderated Mentored TURP Skill lab 53rd Annual Conference of Urological Society of India, 23-24 January 2020, Kochi
15. HPV in Ca Penis: Impact on staging 2nd World Congress on Cancer, 6 February 2020, Jaipur

### **Rishi Nayyar**

1. Robotic pyeloplasty: challenging scenarios, Robotics in Urology: current and future trends, 23-24 August 2019, Rishikesh
2. Moderator/Subject expert (Genitourinary TB) Expert group meeting on extra-pulmonary TB module development in collaboration with WHO-SEARO and CTD (MoH&FW), 13 September and 23 October 2019, New Delhi
3. Approach to a patient with hematuria National Continuing Medical Education Programme in Surgery, 26 September 2019, New Delhi
4. Urodynamics and urogynecology, Pre-congress urogynecology workshop of 41st annual conference of AOGD, 26 September 2019, New Delhi
5. Management of Total incontinence after TURP/HoLEP: When to do? What to do? Best of AUA, 28-29 September 2019, New Delhi
6. Panelist: LUTS in a young man Best of AUA, 28-29 September 2019, New Delhi
7. Panelist: Current diagnosis and management of SUI 41st annual conference of AOGD, 29 September 2019, New Delhi
8. Chaired Moderated video session (Minimally invasive surgery), 39th SIU Congress, 17-20 October 2019, Athens, Greece
9. Landmark trials in Urology: Infections NZUSICON 2019, 15-17 November 2019, Greater Noida
10. Redo female urethral strictures and pelvic fracture associated urethral stricture reconstruction, USI-INUS Neuro-urology session at USICON 2020, 23-26 January 2020, Kochi
11. Panelist: Spinal lesions – Interactive case discussion USI-INUS Neuro-urology session at USICON 2020, 23-26 January 2020, Kochi
12. Panelist: Male LUTS Urodynamics and functional Urology at USICON 2020, 23-26 January 2019, Kochi
13. Semi-live surgery demonstration: Lap sigmoid vaginoplasty UAUCON 2020, 1 March 2020, Orchha
14. Panelist; UTI's in females and pregnancy, UAUCON 2020, 1 March 2020, Orchha

### **Brusabhanu Nayak**

1. Panelist in right treatment for right patient at right time in mRCC, Symposium on metastatic RCC by Pfizer, 19 April 2019, New Delhi
2. Advances in the management of Hormone sensitive prostate cancer Uro-oncology Workshop YUWACON 2019, 3-4 August 2019, Ghaziabad
3. Anterior urethral stricture in uncircumcised men: Local skin 17th UAA Congress 2019, 7-10 August 2019, New Delhi
4. Genetic testing in prostate cancer: Clinical implication in early detection, localized disease and CRPC USI-AUA Board review course, 16-18 August 2019, New Delhi
5. Moderator for live robotic radical cystectomy session International workshop on Robotics in urology: current & future trends, 23-24 August 2019, Rishikesh
6. Panelist in metastatic RCC challenges in India Advanced and metastatic RCC management CME, 25 September 2019, New Delhi

7. Oligometastatic bladder cancer: Should we be aggressive USI -2020 Annual meeting, 23-26 January 2020, Kochi

### Sanjay Kumar

1. Stoma types and its care 7th Annual general meeting of the Ostomy Society along with 29th annual general meeting of Indian Ostomy Society, 3 November 2019, New Delhi

### Oral papers/posters presented

1. Dadhwal R, Jain S, Seth A, Bal CS. Primary well differentiated neuroendocrine tumor of urinary bladder – a rare case report, NZUSICON, 15-17 November 2019, Greater Noida (**Best Free Poster session 6 at NZUSICON 2019 – 2<sup>nd</sup> prize**)
2. Dadhwal R, Nayyar R, Kapil A, Pandey RM. Intra-Urethral Flora and Post-Cystoscopy Urinary Tract Infection in Males - A Clinical Study, USICON, 23-26 January 2020, Kochi
3. Dadhwal R, Nayyar R, Singh P, Nayak B, Kumar R, Seth A. A Large Contemporary Experience of Renal Tumors in Young Adults and Adolescents: Clinico-Pathological Profile and Long Term Survival Patterns, 39th Congress of Societe Internationale d'Urologie, 17-20 October 2019, Athens, Greece
4. Garg H, Kaushal S, Nayak B, Singh P, Ramteke P, Sarangi J. Carcinoid tumor masquerading as testicular tumor, 39th Congress of Societe Internationale d'Urologie, 17-20 October 2019, Athens, Greece
5. Garg H, Kumar M, Gupta N, Sharma A, Kaushal S, Kumar R, et al. Glucose-regulated protein 78 (GRP78) in renal cell carcinoma: A novel biomarker for predicting tumor behavior, NZUSICON, 15-17 November 2019, Greater Noida (**Best Research Paper- Marudhara Jodhpur Prize session at NZUSICON 2019 – 1<sup>st</sup> prize**)
6. Garg H, Kumar S, Kaushal S, Seth A. Isolated Immunoglobulin G4 related disease masquerading as a testicular malignancy, NZUSICON, 15-17 November 2019, Greater Noida (**Best Free Poster session 3 at NZUSICON 2019 – 1<sup>st</sup> prize**)
7. Garg H, Nayak B, Seth A, Kumar A, Singh P, Nayyar R, et al. Survival analysis and predictors of long term outcomes following radical nephrectomy with inferior vena cava thrombectomy in renal cell carcinoma, USICON, 23-26 January 2020, Kochi
8. Garg H, Nayak B, Singh P, Seth A, Nayyar R. Outcomes of radical nephrectomy with inferior vena cava thrombectomy in the management of renal cell carcinoma, 39th Congress of Societe Internationale d'Urologie, 17-20 October 2019, Athens, Greece
9. Garg H, Singh P, Nayak B, Kaushal S, Seth A. Cystitis cystica: knowing the nature of unknown voiding dysfunction, NZUSICON, 15-17 November 2019, Greater Noida (**Best Poster in CMC Ludhiana Poster Session at NZUSICON 2019 – 1<sup>st</sup> prize**)
10. Garg H, Singh P, Nayak B, Kaushal S. Cystitis Cystica: Knowing the Nature of Unknown Voiding Dysfunction, 39th Congress of Societe Internationale d'Urologie, 17-20 October 2019, Athens, Greece
11. Goel R, Jain S, Seth A, Kaushal S. Gentle giant cystic pheochromocytoma. A silent entity with high surgical risks. A rare case report with review of the literature, NZUSICON, 15-17 November 2019, Greater Noida (**Best Free Poster session 6 at NZUSICON 2019 – 1<sup>st</sup> prize**)
12. Goel R, Seth A, Jain S BK. Polyoma virus associated urothelial malignancy of the graft kidney posing an immunological and surgical challenge. A highlight into intra-operative difficulties and brief review of the literature, 39th Congress of Societe Internationale d'Urologie, 17-20 October 2019, Athens, Greece
13. Goel R, Seth A, Jain S BK. Polyoma Virus associated urothelial malignancy of the graft kidney posing an immunological and surgical challenge. A Highlight into intra-operative difficulties and brief review of the literature, USICON, 23-26 January 2020, Kochi

## RESEARCH

### Funded projects

#### *Ongoing*

1. Clinical value of patient-specific three-dimensional printing of kidney before partial nephrectomy: Quantitative and qualitative assessments, Rishi Nayyar, AIIMS, 2 years, 2018-20, Rs 5 lakhs
2. Clinico-genetic prognostic signatures for development of metastatic Castration Resistant Prostate Cancer, Prabhjot Singh, ICMR, 3 year, 2019-2022, Rs 100 lakhs
3. Environmental exposure of heavy metals, toxic elements and its impact on renal cell carcinoma induction and progression, Brusabhnanu Nayak, ICMR, 3 years, 2019-2022, Rs 43.05 lakhs
4. Identification of Potential Molecular markers (PRL3 phosphatase, CAV2, LAMA4 and GRP78) in Renal Cell Carcinoma (RCC): Predicting tumour behaviour, Manoj Kumar, AIIMS, 2 years, 2019-2021, Rs 5 lakhs per year
5. The Role of 68Ga-PSMA-PET/CT Scan as a Staging Modality in Prostate Cancer, Sanjay Kumar, ICMR, 3 years, 2019-2022, Rs 48.85 lakhs
6. To evaluate the role of seminal miRNA's and inflammatory markers in cases of suspected prostate cancer and correlate with mpMRI and biopsy findings, Siddharth Jain, AIIMS, 1 year, 2019-2020, Rs 5 lakhs

### **Completed**

1. A multicenter, prospective, longitudinal registry of patients with prostate cancer in Asia, Amllesh Seth/Prabhjot Singh, Jansen, 3 years, 2016-2019, Rs 14 lakhs
2. Human papillomavirus status in penile carcinoma in Indian patients: Incidence, type distribution and correlation with Clinico-pathological staging, Prabhjot Singh, AIIMS, 3 year, 2016-2019, Rs 9.5 lakhs
3. Identification of Glucose related protein 78 (GRP78) as a biomarker for tumor behavior in patients of renal cell carcinoma (RCC), Manoj Kumar, AIIMS, 2 years, 2017-2019, Rs 10 lakhs
4. The prognostic role of circulating tumor cells (CTC) & CXCR1 expression in tumor tissue in patients with metastatic clear cell RCC: A prospective observational longitudinal cohort study, Brusabhanu Nayak, AIIMS, 2 years, 2018-2020, Rs 8.5 lakhs

### **Departmental projects**

#### **Ongoing**

1. Evaluation of seminal biomarkers for the diagnosis of obstruction as the cause of azoospermia in infertile men
2. Long-term outcomes of RARP
3. Long-term sexual and incontinence outcomes in patients undergoing VVF repair
4. Prospective study to evaluate the etiology of Voiding Lower tract symptoms in young male patients
5. Radiological anthropometric assessment of various bolster positions for PCNL
6. Randomized controlled trial to compare standard Mitomycin, HIVEC and BCG for intermediate risk bladder cancer
7. Role of mp MRI using VIRAD (Version 1) in predicting the stage and grade of disease in carcinoma urinary bladder
8. Role of redo/extended medical expulsive therapy in patients of ureteric calculus
9. Role of urethral povidone-iodine instillation before catheterization in routine urological surgery
10. Unilateral versus bilateral vasoepididymal anastomosis: prospective randomized trial

#### **Completed**

1. Clinicopathological profile of renal tumors in pediatric, adolescent and young adult population
2. Cold cup versus loop biopsy for restaging of cancer bladder during TURBT
3. Comparison of electrocautery versus ultrasonic shears in laparoscopic nephrectomy
4. Does intra-urethral flora have a role in post-procedural incidence of urinary tract infection in healthy males undergoing endourological procedure—a clinical study

### **Collaborative projects**

#### **Ongoing**

1. A prospective randomized control trial to compare the efficacy of darifenacin versus mirabegron for treatment of overactive bladder, Obstetrics and Gynaecology
2. Characterization of Renal Cell Carcinoma with Dual Energy Computed Tomography and Multiparametric Magnetic Resonance Imaging and Correlation with Histopathology, Radiology
3. Clinico-microbiological profile and outcome of patients with Urosepsis, Microbiology
4. Evaluation of incontinence in patients undergoing bariatric surgery, Surgery
5. Hemodynamic profile in the perioperative period in patients undergoing pheochromocytoma and paraganglioma surgery with and without low dose diltiazem infusion, Anaesthesiology
6. Incidence of various urogynecological problems in post-partum patients and its relation to the mode of delivery, Obstetrics and Gynaecology
7. In-vitro urinary and serum NMR based metabolomics in prostate cancer, NMR
8. Molecular profiling and phenotype-genotype correlation of patients with pheochromocytoma/paraganglioma: Deciphering implications in management and prognostication, Pathology
9. Preoperative intravascular volume status measured by inferior vena cava collapsibility index in patients with Pheochromocytoma and paraganglioma undergoing surgical tumor removal: a prospective observational cohort study, Anaesthesia
10. Role of Gene Xpert urine in GUTB patients, Medicine
11. Role of In-bore MR guided Biopsy in detection of Prostate Cancer, NMR

12. Study of Association of Methylenetetrahydrofolate Reductase (MTHFR) Polymorphisms in Infertile Men, Anatomy
13. Telomere status and DNA repair mechanisms in idiopathic male infertility, Anatomy
14. Ultrasound Guided Erector Spinae Plane Block for Postoperative Analgesia in Patients undergoing Percutaneous Nephrolithotomy – A double-blinded, randomized controlled trial, Anesthesia

### **Completed**

1. Comparison of 18f-fluoromethylcholine and 68ga-PSMA PET/CT in restaging of patients with adenocarcinoma prostate, Nuclear Medicine
2. Comparison of 68Ga-PSMA PET/CT and 18F-NaF PET/CT for detection of bone metastases in high risk prostate cancer patients, Nuclear Medicine
3. Comparison of urodynamic study and vaginal pessary test to unmask occult SUI in patients undergoing vaginal surgery for uterine prolapse, Obstetrics and Gynaecology
4. Use of PET-CT with Gallium-68 Labeled Prostate Specific Membrane Antigen in the Diagnosis and Follow-up of Patients with Prostate Cancer, Nuclear Medicine

## Community services/camps

1. Several health talk shows on Doordarshan (Amlesh Seth)
2. Participated in Health camp at Naudera, Pratapgarh, UP, 7 December 2019 (Prabhjot Singh)
3. Good evening India-Health talk on Urological diseases: prevention and general treatment measures, DD National, 2 May 2019 (Rishi Nayyar)
4. Participated in medical camp at Leh, Ladakh, 30 September to 4 October 2019 (Brusabhanu Nayak)

## AWARDS, HONOURS AND SIGNIFICANT EVENTS

### Residents

- 'USI Olympus Travel Fellowship Award' 2020, for Harshit Garg from USI
- 'DUSCON Achiever's Award' 2019, for Rohit Dadhwal and Harshit Garg from NZUSI
- 'SIU Resident Scholarship 2019' for Dr Harshit Garg from SIU

**Professor Amlesh Seth** is Executive council member—World Uro-Oncology forum; President-North Zone Chapter Urology Society of India; Chairman—Committee of ICMR for Standard Treatment Workflows in Urology; Chairman- Urology Expert Group for consultation on Health Benefit Packages with NHA under PM JAY; Member- Subject Expert Committee on Urology and Reproduction under DCGI; Interviewed by Rajya Sabha TV for their special series called "Eureka" for encouraging young students in the field of science, technology and research; Invited Lecturer- SIU at Athens Greece, October 2019; Invited Lecturer- EAU at Amsterdam, Netherlands, March 2020.

**Professor Rajeev Kumar** participated in Pinnamaneni Venkateswara Rao Oration, Urological Society of India (2020), SIU Lecture, USANZ Annual Scientific Meeting, April 2019, Brisbane, Australia; is Faculty for workshops on Scientific medical writing: (a) Scientific medical writing: Pre-conference workshop, IPHACON, AIIMS New Delhi, 28 February 2020 and (b) Workshop on Peer Review, Indian Pedodontics Society, AIIMS, New Delhi: 19 May, 2019. He is also Associate Dean (Academics), AIIMS, New Delhi; Co-Chair Scientific Committee and Member, Board of Directors, *Société Internationale d'Urologie*; Chairman Scientific Committee and Co-opt executive member, *Urological Association of Asia*; Chief editor, *Indian Journal of Urology*; Associate editor, *National Medical Journal of India*; International consulting editor, *Journal of Urology*; Editorial board member, *Indian Journal of Medical Research*; Editorial board member, *Journal of Endourology*; Executive member, *British Journal of Urology International*; Associate editor, *International Journal of Urology*; Editorial board member, *Investigative and Clinical Urology*; Editorial board member, *Asian Journal of Urology*; Secretary, *World Association of Medical Editors (WAME)*; Honorary secretary, *Indian Association of Medical Journal Editors*

**Dr Prabhjot Singh** was awarded Achiever's award 2019 from Delhi Urological Society, December 2019; Panel member as subject expert (Urology) for development of modules for diagnosis and management of extra-pulmonary TB; Certificate of appreciation for academic contributions to the SET facility, at AIIMS, New Delhi, Jan 2020

**Dr Rishi Nayyar** is certified as 'Robotic console surgeon' by Intuitive surgical, USA; Best moderated e-poster (MP02: Basic science/Infections) at 39th Congress of SIU at Athens, Greece, October 2019; Panel member as subject expert (Urology) for development of modules for diagnosis and management of extra-pulmonary TB; First description of 'Nayyar's Smiley bladder sign and Stalagnate in bladder', November 2019; First description of 'Nayyar's tubed Bladder flap repair', December 2019; First retroperitoneoscopic partial nephrectomy at AIIMS, New Delhi ; First robotic retroperitoneoscopic partial nephrectomy at AIIMS, New Delhi; Achiever's award 2019 from Delhi Urological Society, December 2019; Certificate of appreciation for academic contributions to the SET facility, at AIIMS, New Delhi, January 2020; Certificate of Appreciation in the 1st International Cartoon Contest on Liver Health Awareness, ILBS, 2019; Awarded Scroll of honour for being a Mentor in 'UroEducation and UROMET' for ISU-USI, January 2020; Awarded MIUC International Fellowship 2020 by USI (to be presented at USICON 2021); Co-opted member and subject expert (Urology) for DTAB under DGHS, Office of DCGI; Semi-Live Surgical Demonstration of 'Lap sigmoid Vaginoplasty' at UAUCON, Orchha, March 2020; Core Faculty for the Board of Education of Urological Society of India UROMET program; Faculty for the SET (Skill-e Learning-Telemedicine) Facility; Member of the Subject Expert Committee (SEC) (Reproductive and Urology) under DGHSs, Office of DCGI (India); Editorial committee member, *Indian Journal of Urology*.

**Dr Brusabhanu Nayak** was awarded 2020 JUA Asian Scholarship; Certificate of appreciation for academic contributions to the SET facility, at AIIMS, New Delhi, January 2020

## VISITING SCIENTISTS

1. Dr Nikhil Vasdev, Consultant Urological Surgeon, UK.
2. Dr Ashok K Hemal, Director, Robotic Urologic Surgery and Minimally Invasive Surgery, Wake Forest Baptist Health Medical Center, Winston Salem, North Carolina, USA.

**HIGHLIGHTS**

**Cardiology**

During this year the Department catered to nearly 1,40,000 outpatient visits. Over 35,000 patients underwent echocardiography and about 3000 diagnostic cardiac catheterizations were performed. More than 3000 patients underwent interventional procedures including angioplasty, device implantations and balloon valvoplasties.

During this period, the Department participated in several research projects studying patients across a wide spectrum of cardiac disease. Important publications relating to STEMI, hypertension, heart failure, rheumatic heart disease, and congenital heart disease were published in high-impact scientific journals. We organized major cardiology meetings including CSI National Conference 2019 and India Live 2020. The faculty of the Department are part of major cardiology journals including Heart Asia, Indian Heart Journal, Annals of Pediatric Cardiology and JPCVS. Various faculty members were part of important committees.

In addition to patient care, research and teaching, the department was involved in a major way in furthering the academic discourse in cardiology in the country. Faculty members from the Department have been elected to executive positions in the national and regional cardiology bodies and have helped refocus on the academic agenda.

**Cardiothoracic and Vascular Surgery**

The entire spectrum of patients encompassing the field of Cardiothoracic and Vascular surgery and comprising surgery for congenital heart defects, acquired cardiovascular diseases were catered to in the outpatient clinic, three days a week and the aortic clinic two days a week. With the department of Cardiology, more than 10,500 patients were treated on an inpatient basis and close to 200,000 patients were attended to in the outpatient services. More than 3500 patients suffering from all types of congenital and acquired cardiac defects underwent surgery with results comparable to the best centres in the world. Another focus was on research, publications and collaboration with national and international centres. The departmental faculty delivered 55 invited lectures and had more than 25 plus publications in peer reviewed national and international journals. In the field of intensive care, the department conducted several seminars and guest lectures. Four workshops including 1 wet lab were conducted encompassing lung transplantation and other topics. The department and

intensive care team were actively involved in the field of infection control practices and developed post-cardiac surgery ICU care protocols. The department was actively involved in the longest run VV ECMO (92 days) unsuccessfully in a 120-kg female patient with ARDS following H1N1 pneumonia in Pulmonary Medicine ICU, a first in India. The physiotherapy unit of the department was actively involved in organizing many physiotherapy workshops and was actively involved in the conduct of funded and collaborative projects.

### **Cardiac Anaesthesiology**

The Faculty and Residents from the department were awarded during National and International Conferences. All Professors and Additional Professors were examiners for DM Cardiac Anaesthesia, MD Anesthesia and DNB Anaesthesia courses all over India. The department has been a pioneer in starting a Fellowship in Pediatric Cardiac Anaesthesia and was sanctioned to start Fellowship in Vascular Anaesthesia soon. All faculty in the department are Editors, Editorial board/ Review members of various national and international Cardiac Anaesthesia, Anaesthesia and Echocardiography journals. Dr Poonam Malhotra has completed her term as President of IACTA (non-elected), is continuing as President of SCA-Delhi and NCR Branch (non-elected) and became Past President of ECMO Society of India (non-elected). She is Editor-in-chief of Journal of Cardiac Critical Care (JCCC).

### **Cardiac Biochemistry**

The department caters to inpatients and outpatients of cardiothoracic center. For several investigations done in the department, patients are referred from other departments as well as other institutions. Quality of analysis is being ensured in the department through participation in several EQAS programs. The department is active in research as evidenced by seven extramural grants as chief investigator and many collaborative projects involving several departments. Two students are currently pursuing PhD and faculty from cardiac biochemistry is involved in five other PhD theses as co-guide. Faculty of the department is involved as technical advisory committee member for a nutrition survey being conducted by UNICEF and health ministry. The faculty from the department is also part of the technical advisory committee for Andhra Pradesh government for a project on chronic kidney disease. This is in addition to being an expert member of project review committee for ICMR in the area of non-communicable diseases and endocrinology.

### **Cardiac Nuclear Medicine**

Nuclear Medicine in Cardiothoracic Centre is equipped with a Dual Head SPECT-CT Gamma Camera on which diagnostic nuclear cardiological procedures are performed. The unit is also actively involved in teaching and research work. Postgraduate students in Nuclear Medicine MD and MSc are trained on rotational basis in nuclear cardiology procedures. The unit is involved in thesis or research work of 8 DM, MD, PhD and MSc students where nuclear cardiology is part of their research work. Myocardial SPECT studies with Tc99m-labeled tracers and PET studies with F-18 FDG are routinely performed. We started the use of other PET radiotracers such as Gallium-68 DOTANOC for cardiac sarcoidosis, cardiac infective and inflammatory pathologies. We have assessed the feasibility of F-18 FDOPA for evaluation of cardiac sympathetic innervations. Recently we started imaging for detection of cardiac amyloidosis using Tc99m PYP. The unit is involved in an international multi-center research project titled "International study on imaging in Cardio-Oncology Study (iCOS)", funded by International Atomic Energy Agency, Vienna, Austria. We have been collaborating with other departments in funded project, one of which is funded by International Atomic Energy Agency.

### **Cardiovascular Radiology and Endovascular Interventions**

The faculty of the department delivered lectures at various national and international scientific meetings. The department hosted observers from various places in India and abroad. They received training in various aspects of cardiovascular imaging and endovascular interventions. The faculty are members of editorial boards and reviewers for numerous scientific journals.

### **Stem Cell Facility**

The Department of Biotechnology (DBT), Government of India has extended its financial support in Phase II, for the next 3 years towards developing the Facility as a Centre of Excellence in Stem Cell Research. The Facility is currently engaged in 9 projects in collaboration with other departments of AIIMS and funded by DBT, ICMR, DST, IUSSTF, AIIMS, etc. 16 PhD researchers and 7 MD, DM students are registered for degree, along with a 4 Scientists and 1 DST-Young Scientist are currently recruited in government funded projects at the Facility. Research scholars from other reputed institutes of India such as IISER Mohali, IIT Delhi, IIT Guwahati, IIT Kharagpur, Delhi University-South Campus, IGIB, NII, THSTI, NBRC, ICPO have also been co-supervised in their PhD work. The facility has published 16 papers in high impact peer reviewed journals and presented at various scientific forums (meetings, conferences). Faculty is involved in several reputed international scientific organizations as a member of the editorial board committee in Scientific Reports (Nature publishing group), Translational Surgery, current Trends in Stem cells and Regenerative Medicine, Insights in Stem Cells, etc. Faculty is also an active member of various International & National bodies like International Society for Cellular

Therapy (ISCT), International Society for Stem Cell Research (ISSCR) and International Society of Biological Chemists, Indian Science Congress (ISC), Indian Immunology Society (IIS). The facility has initiated scientific collaborations with five international universities (University of Michigan, Bridgeport University, Indiana University and Purdue University, USA and Iran University of Medical Sciences, Iran).

### **Blood Transfusion Services**

The round-the-clock transfusion needs of patients admitted in the Centre by collecting, processing and providing safe and quality blood and blood components. The activities include both inhouse and outdoor blood collection, blood donor motivation and pre-donation and post-donation counseling, blood component preparation, various serological tests and special procedures like apheresis and therapeutic phlebotomy. Components such as packed red cells, plasma, fresh frozen plasma, platelet rich plasma, platelet concentrate, cryoprecipitate, leucodepleted red cells and platelets are available at all times. Facility for Apheresis procedures and autologous donation is available. Surplus plasma is being sent for plasma product fractionation. Blood components are subjected to irradiation for heart transplant patients.

Serological tests performed in the BTS include tests for blood grouping, screening for irregular antibodies, compatibility tests using latest technology like column agglutination and SPRCA assay. Every unit of blood collected is tested for transfusion transmissible infections like Hepatitis B, Hepatitis C, HIV-1 and 2, syphilis, Malaria. Automation is used in most of the laboratories in the department for better output and quality. Donor blood samples are also being subjected to NAT (Nucleic Acid Amplification test) screening as an additional screening test to detect HIV/HCV/HBV and thus improve blood safety. **Pneumatic Tube System** is available for transporting Patient blood samples and forms. Computerisation of the Blood Bank procedures through e-blood bank software module by NIC, for real time data generation and integration with the HIS is in place.

## **EDUCATION**

### **Cardiology**

Department of Cardiology is involved in the education and training of undergraduate, postgraduates. The daily academic activities include journal club, mortality meeting, cath conferences, short and long seminars, debates, clinical case discussion and spotters by faculty. The departmental faculty also organized ACLS training Courses for undergraduates, postgraduate and paramedics, short term/long term training and various innovative educational activities.

### **CMEs/Workshops/Symposia/National and International Conferences**

1. CSI 2019, 5-8 December 2019, New Delhi
2. India Live 2020, 27 February-3 March 2020, New Delhi
3. Arrhythmia and electrophysiology ISHR, 22 and 23 February 2020, New Delhi

### **Lectures delivered**

#### **VK Bahl**

1. Left main bifurcation: How I do it?, EuroPCR, 21-24 May 2019, Paris, France
2. Recent trials in interventional cardiology, CSI-STEMI, 1 and 2 June 2019, Kolkata
3. Debate: 2 stent strategy should be default in left main bifurcation angioplasty, Complex Coronary Conference, 13 June 2019, New York, USA
4. Interventional Trials of 2018 which will effect the way Cardiologists will Practice in 2019, 11th Asia Pacific Vascular Intervention Course (APVIC-XI), 28 June 2019, New Delhi
5. Debate: 2 stent strategy should be default in left main bifurcation angioplasty, Chip India, 2019, 13 July 2019, Chennai
6. Bifurcation angioplasty: Tips and tricks, C3 India, 18 August 2019, Chandigarh
7. Challenges and controversies of recent trials, CSI 2019, 6 December 2019, New Delhi
8. Moderator, Complex cases, ICI, 8-10 December 2019, Israel

#### **Anita Saxena**

1. Caring of patients with pulmonary hypertension: Beyond medical management, Symposium on Pediatric PAH, 13 April 2019, Mumbai
2. Newer aspects in management of congestive cardiac failure, CME SJ Hospital, 15 June 2019, New Delhi
3. Congestive heart failure, Indian Academy of Pediatrics CME, 14 July 2019, Jaipur
4. Shock in Children, Indian Academy of Pediatrics CME, 14 July 2019, Jaipur

5. Cyanotic Heart Disease in Adults: Case Studies, PCSI CME, 3 August 2019, Bengaluru
6. Rheumatic Fever and Rheumatic Heart Disease: How to suspect and approach and manage a case?, PCSI CME, 4 August 2019, Bengaluru
7. Evidence Based Management of Heart Failure in Children, Heart Failure (SfHFT) conference, 24 August 2019, Mumbai
8. Common outpatient challenges: Incidental murmurs, Chest pain, Pediatric Cardiology CME, 15 September 2019, Chandigarh
9. Clinical evaluation of the cardiovascular system: What every pediatrician should do?, Pediatric Cardiology CME, 15 September 2019, Chandigarh
10. Management of Patients with Pulmonary Hypertension: Beyond Pharmacological Treatment, Leh Symposium, 15 November 2019, New Delhi
11. How to Approach Pregnancy with Congenital Heart Disease: Cardiological Society of India Annual Conference, 7 December 2019, New Delhi
12. Clinical Differentiations of Tetralogy of Fallot from Other TOF Physiology, 12th Clinical Cardiology Update, 18 January 2020, Chennai
13. Cardiac Evaluation in Turner Syndrome, Symposium on Turner Syndrome, 19 January 2020, New Delhi
14. Coarctation of Aorta- How to plan and treat percutaneously? India Live 2020, 29 February 2020, New Delhi
15. Adult Congenital Heart Disease in India: Burden, Challenges and Opportunities:, Women Cardiac Care 2020, 7 March 2020, Ludhiana
16. Congenital Heart Disease and Pregnancy: Pertinent Issues: Women Cardiac Care 2020, 7 March 2020, Ludhiana

#### **SS Kothari**

1. Hemodynamics tracings, The Teaching Programme for Paediatric Cardiology Trainees, 2-4 August 2019, Bengaluru
2. How to present a case? 26th Annual Conference of the Indian College of Cardiology, 21 and 22 September 2019, Kochi
3. Oxygen and congenital heart disease, National Leh Symposium – 2019, 15 November 2019, New Delhi
4. Reversible Cardiomyopathies, Heart Failure Conclave, 24 November 2019, Ludhiana
5. Ethics & cardiology practice, 71st Annual Conference of Cardiological Society of India (CSICON 2020), 5-8 December 2019, New Delhi

#### **Sandeep Mishra**

1. Guideline directed medical therapy for heart failure, 2 Antiplatelets & anticoagulants in current practice, Society of Internal Medicine of Nepal, 3-5 May 2019, Kathmandu, Nepal
2. Calcific left main PCI, 2. Left main trifurcation PCI, SCAI 2019 Annual Meeting 19-22 May 2019, Las Vegas, USA
3. Cases where interventional imaging made a difference, K-Imaging, 6-9 June 2019, Ilsan, Korea
4. Complications in high risk PCI and how to prevent them? Thang Long ICC, 16-18 August 2019, Hanoi, Vietnam
5. How to prevent complications in cath lab? TCT 2019, 25-29 September 2019, San Francisco, USA
6. Moderator and Panelist, CCT 2019, 23-27 October 2019, Kobe, Japan
7. Scaffolds will Disappear Fourth Revolution or Failed Revolution, CHORUS Berlin, 13-15 December 2019, Berlin, Germany
8. How to get your paper published? 2. How to prevent complications in cath lab? 3. Anti-platelets and anti-coagulants in current practice 4. Nanotechnology in Cardiology 5. South Asian Diest and ASCVD, Bangla Cardio 2019, 19-21 December 2019, Dhaka, Bangladesh
9. Focus updates on new technologies: Drug-eluting balloons, bioresorbable scaffolds, Singapore Live 2020, 15-18 January 2020, Singapore
10. Can plastic heart replace organic heart? Scientific & Philosophical Conference, 31 January -2 February 2020, Chennai

#### **N Naik**

1. Antiplatelets and Anticoagulants for AF Patient undergoing PCI, 4th CSI Prevent Annual Meeting, 19 October 2019, Guwahati
2. The dynamic of QT interval and how to measure it, 12 Asia Pacific Hearth Rhythm Society Annual Meeting, 27 October 2019, Bangkok, Thailand

3. Enhancing CRT Response: What to Tinker and What not to Tamper, 11th Indian Heart Rhythm Society Annual Meeting, 15 November 2019, New Delhi
4. Digital Health Population Tools for Arrhythmia Detection and EP: Evidence of Wearables and Apps, Cardiological Society of India Annual Meeting, 5 December 2019, New Delhi

#### **Ambuj Roy**

1. Hypertension target: To SPRINT or not to SPRINT, SIMON- 14th International Conference, 2-4 May 2019, Nepal
2. The role of statins in heart failure, Heart Failure 2019-6th World Congress on Acute Heart Failure, 25-28 May 2019, Greece
3. ACEI or ARNI in Heart Failure, Cardiological Society of India -STEMI COUNCIL and STEMI INDIA Conference 2019, 31 May-2 June 2019, Kolkata
4. Preventing HF Epidemic: Recognizing & Managing the predecessors, Society for Heart failure and transplantation-7th Annual Meeting, 23-25 August 2019, Mumbai
5. Late Breaking Clinical Trials and Insights with Angiotensin Receptor Neprilsyn Inhibitors (Panel Commentator), Heart Failure Society of America- 23rd Annual Scientific Meeting, 13-16 September 2019, United State of America
6. a. HDL and Cardiovascular Diseases, b. CVD Prevention in 2019-Best use of Devices and mobile, Cardiological Society of India- 4th Cardiac Prevent 2019, 18-20 October 2019, Guwahati
7. Clinical evaluation of HFpEF, Heart Failure Conclave, 24th November 2019, Ludhiana
8. Hypertension Management, Training Program of I-TREC study, 3 December 2019, Chandigarh
9. Heart Failure: Removing Failure from Heart Failure Creating a National Strategy for Optimised Management, AIIMS Continuous Medical Education (CME)- First medical education program, 20-21 January 2020, Maldives
10. Management of asymptomatic severe LV dysfunction – what should I do / not do? Heart Failure Association of India – 2020 Conference, 8 and 9 February 2020, Bengaluru
11. Primary PCI for STEMI, ICMR STEMI Workshop for Punjab Medical Officers, 7 March 2020, Chandigarh

#### **S Ramakrishna**

1. Panel discussion on Post MI management, Cardiological Society of India -STEMI COUNCIL and STEMI INDIA Conference 2019, 31 May-2 June 2019, Kolkata
2. Approach and management of pulmonary hypertension, Society for Heart failure and transplantation- 7th Annual Meeting, 23-25 August 2019, Mumbai
3. Hemodynamic spotters, 26th Annual Conference of the Indian College of Cardiology, 21 and 22 September 2019, Kochi
4. PCSI registry – way forward, PCSI 2019, 11-13 October 2019, Atal Nagar
5. Prevention – Jeopardy 2020, 4th CSI Prevent Annual Meeting, 19 October 2019, Guwahati
6. Heart failure quiz, Heart Failure Conclave, 24 November 2019, Ludhiana
7. Data collection – ensuring uniformity, Cardiological Society of India Annual Meeting, 5-8 December 2019, New Delhi
8. Ticagrelor in ACS – Debate, Cardiological Society of India Annual Meeting, 5-8 December 2019, New Delhi
9. Faculty quiz – Jeopardy 2020, Cardiological Society of India Annual Meeting, 5-8 December 2019, New Delhi
10. Quiz for PG, Cardiological Society of India Annual Meeting, 5-8 December 2019, New Delhi
11. Cardiology trials that a PG should know, Cardiology Update, 7-9 February 2020, Mangalore
12. Clinical case discussions, PG Update (SPEED 2020), 15 and 16 February 2020, Bengaluru
13. India Live PG Quiz 2020, India Live 2020, 29 February 2020, New Delhi
14. Cardiac Biomarkers – What is new? ICMR STEMI Workshop for Punjab Medical Officers, 7 March 2020, Chandigarh

1. CHDs and its surgical repair, Birth defect symposium, 20 April 2019, New Delhi
2. Virtual cardiac dissection, Look Beyond 2019 – 1st Pediatric Cardiac Imaging symposium, 31 May-1 June 2019, Mumbai
3. Virtual Cardiac dissection of CT angiographic datasets, Annual Conference of Indian Academy of Cardiac Imaging (IACI), 27 and 28 September 2019, Jaipur
4. Hypertension in children, PCSI 2019, 11-13 October 2019, Atal Nagar

5. Virtual dissection in CHD, PCSI 2019, 11-13 October 2019, Atal Nagar
6. Virtual dissection and stereo virtual dissection, CSI 2019, 5-8 December 2019, New Delhi
7. Virtual dissection of CT Angiographic datasets, Back to basics 2020, 31 January-1 February 2020, Trivandrum
8. 3D printing versus virtual dissection: Which is ideal for surgeons? IACTSCON 2020, 6-9 February 2020, Ahmedabad

#### **Oral papers/posters presented**

1. Arvind B, Kothari SS, Sahu MK, Talwar S, Devagourou V, Hote MP, et al. Ivabradine versus Amiodarone for conversion of Junctional ectopic tachycardia to sinus rhythm in post-operative cardiac surgical patients – A Randomized, Open label, Non-inferiority trial, PCSI 2019, 11-13 October 2019, Atal Nagar
2. Gujral JS, Naik N, Sharma G, Parakh N, Gulati S. To study the prevalence of cardiac channelopathies in children aged 5-18 years undergoing treatment for epilepsy, 11th Asia Pacific Heart Rhythm Conference, 25 October 2019, Bangkok, Thailand
3. Gupta SK. CSI India innovation award 2019 – Virtual dissection and stereo virtual dissection, CSI 2019, 5-8 November 2019, New Delhi
4. Relan J, Gupta SK, Rajagopal R, Ramakrishnan S. Gulati GS, Sharma S, et al. Clarifying morphoanatomy of superior sinus venosus interatrial communication – A computed tomographic study of 100 patients, PCSI 2019, 11-13 October 2019, Atal Nagar

#### **Cardiothoracic and Vascular Surgery**

The Department was actively involved in the teaching of undergraduates, post-graduates, MCh students, MSc (Perfusion technology) students and nurses. Currently 27 students are pursuing MCh in CTVS, four are pursuing DM in cardiac surgical intensive care, two are pursuing fellowship in aortic surgery and six are pursuing MSc (Perfusion technology). 11 students have completed and passed in MCh in CTVS, one has completed and passed in the aortic fellowship and six have completed MSc perfusion in the said period. The Department imparted short term training to 17 postgraduates and six postdoctoral students from within AIIMS New Delhi, one from Jammu and Kashmir, one from Varanasi and six from outside India (two from UK, one from Australia and one from Nigeria).

#### **CMEs/Workshops/Symposia/National and International Conferences**

1. Lung transplant Cadaver Workshop-Hands on training, 20 April 2019, New Delhi
2. “ECMO workshop” conducted at 7th Annual Congress of the Society for Heart Failure and Transplantation (SFHFT2019), 23 August 2019, Mumbai
3. Cardio-pulmonary physiotherapy update in CTVS patients, 5 October 2019, New Delhi
4. Cardio-pulmonary physiotherapy update in CTVS patients at AIIMS, December 2019, New Delhi
5. CME on Cardio-pulmonary physiotherapy in Intensive care, 25 January 2020, New Delhi
6. Operative Workshop on “Ozaki Procedure”, 27 and 28 February 2020, New Delhi
7. Wetlab on “Ozaki Procedure”, 29 February 2020, New Delhi

#### **Lectures delivered**

##### **SK Choudhary**

1. Panelist for “Improving outcomes of birth defects, CME on “Birth Defects—From “Count to Care”, 20 April 2019, New Delhi
2. Acute Type A Dissection: Surgical Management, Techno-College and CME, Indian Association of Cardiovascular & Thoracic Surgeons, 25 and 26 May 2019, Rohtak
3. Moderated the session “TAVI Symposium: Clinical Evaluation”, Sentient Summit, 7–9 June 2019, Chennai
4. Moderated the session “TAVI Symposium: Access for TAVI, Sentient Summit, 7-9 June 2019, Chennai
5. Management of Acute Type A dissection: What should not be done? Annual Conference of Association of North Zone Cardiothoracic and Vascular Surgeons, 15-16 June 2019, Srinagar
6. 3D Health Care for Healthy Heart, 38th National Conference on Mind-Body-Medicine, 6-9 September 2019, Mt Abu
7. Moderated a session on “Aortic Valve Surgery”, 4th Annual Conference of Society of Minimally Invasive Cardiovascular and Thoracic Surgeons of India, 13-15 September 2019, Mumbai
8. Panelist in the session “MICS in Aortic Valve”, Society of Minimally Invasive Cardiovascular and Thoracic Surgeons of India, 13-15 September 2019, Mumbai

9. Trans pericardial Lung Surgery, 2nd Annual National Conference of Indian Society of Thoracic Surgeons, 18-19 January 2020, New Delhi
10. Moderated a session on “Surgical Techniques”, 2 Annual National Conference of Indian Society of Thoracic Surgeons, 18 and 19 January 2020, New Delhi
11. Simplified cerebral protection technique during arch surgery, 66th Annual Conference of Indian Association of Cardiovascular and Thoracic Surgeons, 6-9 February 2020, Ahmedabad
12. Panel discussion, Heart Team in CAD v/s Valve Disease, TAVR in Low and Medium Risk, Prosthesis Selection in Middle Age, Role of TAVI in India, Ross v/s Xenografts, 66th Annual conference of Indian Association of Cardiovascular and Thoracic Surgeons, 6-9 February 2020, Ahmedabad
13. Panel discussion, Scope of PMJAY in Management of CTVS patients, 66 Annual conference of Indian Association of Cardiovascular and Thoracic Surgeons, 6-9 February 2020, Ahmedabad
14. Moderator, Aortic Valve/Aorta and the heart team, 66th Annual Conference of Indian Association of Cardiovascular and Thoracic Surgeons, 6-9 February 2020, Ahmedabad
15. Moderator, Aortic aneurysm, 66th Annual Conference of Indian Association of Cardiovascular and Thoracic Surgeons, 6-9 February 2020, Ahmedabad
16. Moderator, Heart Valve Conclave, 11th National Conference on Percutaneous Cardiovascular Interventions-INDIA LIVE 2020, 28 February-1 March 2020, New Delhi

#### **V Devagourou**

1. Prosthetic Valve our armamentarium, CME UN Mehta Institute of Cardiology and Research center, Ahmedabad, 26-28 April 2019, Ahmedabad
2. PPM management, CME U N Mehta Institute of Cardiology and Research center, Ahmedabad, 26-28 April 2019, Ahmedabad
3. Management of TGA VSD LVOTO, IACTS Techno College of Cardiac CME, 25 and 26 May 2019, Rohtak
4. Anatomy of the Mitral Valve, Morphology Course MMM Chennai, 21 July 2019, Chennai
5. BarberioMarcial Technique for Truncus Arteriosus, PCSI-2019, Raipur, 11-13 October 2019, Raipur
6. Modified Ultrafiltration, PCSI-2019, 11-13 October 2019, Raipur
7. Rheumatic Mitral Valve Repair (Live in Box), 1st Bangaluru Live Valve Congress, 15-17 November 2019, Bengaluru
8. Pediatric mitral valve Repair, 17th International Congress of Management of Cardio Vascular Diseases, 22 and 23 November 2019, Kathmandu Nepal
9. Potts Shunt, 17th International Congress of Management of Cardio Vascular Diseases, 22 and 23 November 2019, Kathmandu Nepal
10. How to prevent SAM, 5th Amrita Heart Valve Conclave, 14 and 15 December 2019, Cochin
11. Mitral Valve Repair in Children, 66th IACTSCON, 6-9 February 2020, Ahmedabad

#### **Milind Hote**

1. Preservation of Donor Heart – From Basic science to Clinical studies, Heart Failure Conclave, 6 July 2019, Bengaluru
2. Conducted hands-on Wetlab training session: LVAD Implantation, CSI Heart failure conference 2019, 20 July 2019, Kochi
3. Chairperson For session titled – Role of Cytokine Adsorption Beyond Sepsis, AVATAR 2019, 8th Interventional Interactive Nephrology Conference, 21 July 2019, New Delhi
4. Steps in Donor Heart Harvest, 1st Multiorgan Harvest Workshop ORBO, 30 August 2019, New Delhi
5. Contraindications to Heart Retrieval from a Deceased Donor, NOTTO Training of Transplant Coordinators, 5 September 2019, New Delhi
6. Faculty for heart retrieval training (Organ Retrieval Workshop), 16th Congress of Asian Society of Transplantation, 29 September 2019, New Delhi
7. Difficult case scenario, Annual Meeting of Indian Society of Heart & Lung Transplantation, 2 October 2019, New Delhi

#### **Sachin Talwar**

1. Primary Fontan Operation in older patients, Citra Fontan Summit, 10 April 2019, Thiruvnathpuram
2. Senning operation in systemic venous anomalies, Annual Meeting of the Pediatric Cardiac Society of India, 14-17

October 2019, Raipur

3. Moderator, Annual Meeting of the Congenital heart Surgeon's society, 27 and 28 October 2019, Chicago, US
4. Transposition of arteries with pulmonary arterial hypertension, Summit on the arterial switch operation-A to Z, 28-30 November 2019, Bali, Indonesia
5. Keynote lecture on "arterial switch operation: What can we learn from the Indian experience", Summit on the arterial switch operation-A to Z, 28-30 November 2019, Bali, Indonesia
6. Cor-Triatriatum, TAPVC Summit, 14 and 15 December 2019, Hyderabad
7. Management of transposition of great arteries with regressed left ventricle, Annual Conference of the Moroccan Cardiovascular Society, 9-10 January 2020, Rabat, Morocco

### **P Rajashekar**

1. Panelist, Symposium on Cardiac MRI in Congenital Heart Diseases, 7 and 8 November 2019, New Delhi
2. Surgical Management strategies on Tetralogy of Fallot, 17th International Congress of Management of Cardio Vascular Diseases, 22 and 23 November 2019, Kathmandu, Nepal
3. Pulmonary Ultrasound in HF: A new kid in the block! 7th Annual Congress of the Society for Heart Failure and Transplantation (SfHFT2019), 24 and 25 August 2019, Mumbai
4. Maintenance of a potential brain dead organ donor, Transplant Coordinators Training Course organized by NOTTO, DGHS, MOH&FW, GOI, 3-7 September 2019, New Delhi
5. Donor Management protocols in the Indian context, Annual Meeting of Indian Society for Heart and Lung Transplantation (INSHLT) 2019, 1-2 October 2019, New Delhi
6. Cardiac Dysfunction while Weaning – New ways to Evaluate, North East Zone Critical Care Conference and Workshop, 8-10 November 2019, Shillong
7. Cardiac Output Monitoring, North East Zone Critical Care Conference and Workshop, 8-10 November 2019, Shillong
8. Development of an evidence based Antibiotic protocol for CTVS ICU at AIIMS, New Delhi, Infectious Diseases Educational Academia (InDEA) organized by Indian Medical Association, Mumbai, 17 November 2019, Bengaluru
9. Patient Ventilator Interactions, CME on Cardiopulmonary Physiotherapy, 25 January 2020, New Delhi

### **Manoj Kumar Sahu**

1. Various Approaches and associated Complications of Tracheostomy, Cardiopulmonary Physiotherapy CME, 25 January 2020, New Delhi
2. CMV infection post-transplant-immunological and long term prognosis, 6th Annual conference of Heart Failure association of India, 8-9 February 2020, Bengaluru
3. Maintenance & Transfusion therapy during ECMO, 26th Annual National Conference of Indian Society of Critical Care Medicine, 26-29 February 2020, Hyderabad
4. Cannulation – Hands On, circuit connection & maintenance, 26th Annual National Conference of Indian Society of Critical Care Medicine, 26-29 February 2020, Hyderabad
5. Discussion on Practical aspects of ECMO in ICU patient: When, which, why, how, 26th Annual National Conference of Indian Society of Critical Care Medicine, 26-29 February 2020, Hyderabad

### **Sarvesh Pal Singh**

1. Pulmonary Ultrasound in HF: A new kid in the block! 7th Annual Congress of the Society for Heart Failure and Transplantation (SfHFT2019), 24 and 25 August 2019, Mumbai
2. Maintenance of a potential brain dead organ donor, Transplant Coordinators Training course organized by NOTTO, DGHS, MOH&FW, GOI, 3-7 September 2019, New Delhi
3. Donor Management protocols in the Indian context, Annual Meeting of Indian Society for Heart and Lung Transplantation (INSHLT) 2019, 1 and 2 October 2019, New Delhi
4. Development of an evidence based Antibiotic protocol for CTVS ICU at AIIMS, New Delhi, Infectious Diseases Educational Academia (InDEA) organized by Indian Medical Association, Mumbai, 17 November 2019, Bengaluru
5. Patient Ventilator Interactions, CME on Cardiopulmonary Physiotherapy, 25 January 2020, New Delhi
6. CMV infection post-transplant-immunological and long term prognosis, 6th Annual Conference of Heart Failure Association of India, 8 and 9 February 2020, Bengaluru

### **Oral papers/posters presented**

1. Bipin C, Sahu MK, Singh SP, Rajashekar P, Talwar S, Choudhary SK. Peritoneal dialysis in Pediatric postoperative cardiac surgical patients, 26th Annual Conference of Indian Society of Critical Care Medicine, 26-29 February 2020, Hyderabad
2. Bipin C, Sahu MK, Singh SP, Rajashekar P, Talwar S, Choudhary SK. Effect of Vitamin D supplementation on the postoperative convalescence of pediatric cardiac surgical patients, 26th Annual Conference of Indian Society of Critical Care Medicine, 26-29 February 2020, Hyderabad

### **Cardiac Anaesthesiology**

- Six DM candidates including one sponsored and nine other MD-Junior resident doctors from Main Anesthesia department have undergone super specialty training in Cardiac-Thoracic-Anesthesia.
- Six MD candidates from Lady Harding Medical College and two from Kolkata were imparted short term training in the specialty of Cardiac-Anesthesia.
- Short term training imparted to four DM candidates from Shree Chitra Tirunal Institute, Trivandrum.

### **CME/Workshops/Symposia/National and International Conferences Organized**

1. Webinar on ECMO Simulator, 14 July 2019, New Delhi
2. CME on “3D Echocardiography”, 12 November 2019, New Delhi
3. 13th Quarterly Scientific Meeting - under the banner of SCA-Delhi & NCR Branch
4. Theme: Comprehensive Perioperative ECHO Workshop, 16 and 17 November 2019, Gurugram
5. National Hands-on workshop on Cardiac Critical Care and Ultrasound 8 December 2019, New Delhi
6. Transthoracic Echocardiography workshop, 28 December 2019, New Delhi

### **Lectures delivered**

#### **Sandeep Chauhan**

7. Cardiac Anaesthesia in India, British Association of Anaesthetists of Indian Origin, 3 October 2019, Leicester, UK
8. Can Echocardiographic Right Ventricular Function Parameters Predict Vasoactive Support Requirement After Tetralogy of Fallot Repair? Mayo Clinic CME and Conference on Cardiovascular Sciences, 23-28 February 2020, Cancun, Mexico

#### **Neeti Makhija**

1. Paravalvular Leak & Stuck Valve are better evaluated by 3D vs 2D echo in the evaluated, CME on 3D Echocardiography, 12 November 2019, New Delhi
2. Anaesthetic Management for Valvular Heart Surgeries, Refresher course for postgraduates held from University College of Medical Sciences and GTB Hospital, 21-27 December 2019, New Delhi
3. Challenges: Pediatric Cardiac Cath Intervention, 23rd National Conference of Indian Association of Cardiovascular and Thoracic Anesthesiologists 2020, 7-9 February 2020, Goa
4. Knowing LV diastolic function and its implications, 14th Annual Perioperative and Critical Care Transesophageal Echocardiography Workshop, 6-8 March 2020, Chandigarh

#### **Poonam Malhotra Kapoor**

1. Latest technology in cardiac output monitoring. 29th Annual Conference of Research Society of Anaesthesiology and clinical pharmacology, 26-28 April 2019, Rohtak
2. Point of Care Cardiac Ultrasound, 25th Worlds Congress of Echocardiography and Allied techniques, 17-19 May 2019, Lodz, Poland
3. Transesophageal echocardiography of the tricuspid valve, 25th Worlds Congress of Echocardiography and Allied techniques, 17-19 May 2019, Lodz, Poland
4. Intraoperative prosthetic valve mismatch, 25th Worlds Congress of Echocardiography and Allied techniques, 17-19 May 2019, Lodz, Poland
5. Perioperative goal directed therapy in CABG, 17 International Congress of Cardiothoracic and Vascular Anesthesia/13th Meeting of the Asian Society of Cardiothoracic Anesthesia and the 23rd Meeting of Korean Society of Cardiothoracic and Vascular Anesthesiologist, 6-8 June 2019, Seoul, Korea
6. Moderator, Postoperative Complications of Cardiac Surgery-Can we prevent them?, 17th International Congress of Cardiothoracic and Vascular Anesthesia/13th Meeting of the Asian Society of Cardiothoracic Anesthesia and the

- 23rd Meeting of Korean Society of Cardiothoracic and Vascular Anesthesiologist, 6-8 June 2019, Seoul, Korea
7. Thromboelastogram, 10th ECMO Training Course –ECMO India 2019, 9 June 2019, Mumbai
  8. 3D Transesophageal echo in OR, 3D Echo by Masters, 5 and 6 July 2019, New Delhi
  9. How to use 3D echo in clinical practice for better patient care, diagnosis and management, 3D Echo by Masters, 5 and 6 July 2019, New Delhi
  10. Pulmonary Hypertension for Incidental Surgery, ANAESTHESIA UPDATE 2019, 7 July 2019, New Delhi
  11. Point of Care of Ultrasound machine, Eastern India Echo and Imaging Conclave, known as EIEICO (2019), 27-28 July 2019, West Bengal
  12. Blood & Blood components during ECMO, ECMO Workshop, 24 and 25 August 2019, Ludhiana
  13. Managing Anticoagulation during ECMO, ECMO Workshop, 24 and 25 August 2019, Ludhiana
  14. Echocardiography in ECMO, 13th National & 4th International Transesophageal Echocardiography (IACTA-TEE) Workshop, 28 August-1 September 2019, Bengaluru
  15. Simulation in echocardiography, Organized PBLD Workshop, 13 National & 4th International Transesophageal Echocardiography (IACTA-TEE) Workshop, 28 August-1 September 2019, Bengaluru
  16. Clinical utility of POC viscoelastic testing in the management of cardiovascular bleeding-experience from AIIMS OPEN HOUSE: ROTEM: Necessity or LUXURY – Expert, CME at Jubilee Mission Medical College & Research Institute (JMMCRI), 18 September 2019, Thrissur
  17. ECHO on ECMO, Advanced International Pediatric Intensive Care Conference (AIPIC) 2019, 4 October 2019, New Delhi
  18. ECMO – Troubleshooting (Work station (in 4 rotatory batches), Advanced International Pediatric Intensive Care Conference (AIPIC) 2019, 4 October 2019, New Delhi
  19. Keynote Address, 14th Chennai Cardiac Anesthesia Update, 9 and 10 November 2019, Chennai
  20. 3D Echo exam of TRICUSPID VALVE, CME on 3D Echocardiography, 12 November 2019, New Delhi
  21. Prosthetic Valves: Types and Echo Assessment of the Newly Seated Valve, 8th Comprehensive TEE Workshop, 16 and 17 November 2019, Gurugram
  22. Updates on Transfusion strategy during ECMO-Latest recommendation on VV & VA
  23. ECMO, 2) Panelist for Panel Discussion – National Organization, Centralization of ECMO Program in India 3) Chaired Session On “Tutorials XIX Bailing out Catch 22 situation”, 4) ECMO education – it’s all Simulation?, 5) Different educational methodology, 6) Importance of Simulation, 7) Different simulation available for ECMO, ECMO INDIA 2019, 10th Annual National Conference, 13-15 December, Lucknow
  24. Strain and Speckle Tracking in Echo, 2nd Annual TEE Workshop, 18-20 January 2020, Kolkata
  25. TEE in Congenital Heart Disease, 2nd Annual TEE Workshop, 18-20 January 2020, Kolkata
  26. Intraoperative bleeding-ROTEM-Examples of goal directed protocols, IACTACON 2020, 7-9 February 2020, Goa
  27. Simulation training; DIC, HITT, Heparin resistance and platelets, 7th Annual SWAAC ELSO 2020 Conference, 20-22 February 2020, Johannesburg, South Africa
  28. Bleeding and clotting, 7th Annual SWAAC ELSO 2020 Conference, 20-22 February 2020, Johannesburg, South Africa
  29. ECMO, 7th Annual SWAAC ELSO 2020 Conference, 20-22 February 2020, Johannesburg, South Africa
  30. Clotting, 7th Annual SWAAC ELSO 2020 Conference, 20-22 February 2020, Johannesburg, South Africa
  31. Simulation training, 7th Annual SWAAC ELSO 2020 Conference, 20-22 February 2020, Johannesburg, South Africa
  32. Panel Discussion, Adult VV-ECMO & ECCO2R, 7th Annual SWAAC ELSO 2020 Conference, 20-22 February 2020, Johannesburg, South Africa
  33. Basic cardiopulmonary physiology of ECMO, ICU patient: When, which, why, how”, 26th Annual National Conference of Indian Society of Critical Care Medicine, 27 February 2020, Hyderabad
  34. Panel Discussion, Interactive clinical case: Discussion on Practical aspects of ECMO, ICU patient: when, which, why, how”, 26th Annual National Conference of Indian Society of Critical Care Medicine, 27 February 2020, Hyderabad
  35. Cardiac Transplant-Whom to enroll? Why, How and When?, 12th Annual Conference of WINCARS-WCC 2020 (Women Cardiac Care), 7 and 8 March 2020, Ludhiana

### **Minati Choudhury**

1. Yoga and meditation for cardiac surgical patients. Are we in the right track? International Yoga Day, 2 June 2019, New Delhi

2. Pediatric patient with cardiac murmur (Innocent/pathological) presenting for surgery, Annual Conference of Indian College of Anesthesiologist, 6-8 September 2019, New Delhi
3. ALCAPA and TOF: Echocardiography of a Rare Association, World Congress of Cardiology, 23 and 24 September 2019, Spain
4. Echo for Oncology patients, TTE Workshop, 28 December 2019, New Delhi
5. Which inotrope in pediatric cardiac surgical patients? IACTACON 2020, Date missing, Goa
6. Echo differentiation of Thrombus, pannus and abscess, 14th Perioperative & critical care TEE conference, 6-8 March 2020, Chandigarh

#### **Vishwas Malik**

1. Renal Angina in Cardiac Surgery, Annual meet of RSACP, April 2019, Rohtak
2. Strain and strain rate imaging, International conference of TEE, August 2019, Bengaluru
3. Pulmonary Arterial Hypertension in paediatric cardiac surgery, West Bengal Association of Cardiac Anaesthesia organised CME, October 2019, Chennai
4. Perioperative bleeding in Paediatric Cardiac Surgery, Moderator a panel discussion at Cardiac Anaesthesia update, November 2019 Kolkata
5. Science of Electric Velocimetry, Annual Conference of IACTA, February 2020, Goa

#### **Suruchi Hasija**

1. What do we need before proceeding for 3D TEE, 3D Echocardiography Ramalingaswami Board Room, AIIMS, 12 November 2019, New Delhi

#### **Arindam Choudhury**

1. USG guided Central venous catheter insertion, 5th International conference on health and medical sciences, 25-27 October 2019, Thimpu, Bhutan
2. USG guided pleural tap-Tricks and tips, 5th International Conference on Health and Medical Sciences, 25-27 October 2019, Thimpu, Bhutan

#### **Oral papers/posters presented**

1. Choudhury A. Coronary sinus blood flow estimated by transesophageal echocardiography correlates well with transit time flowmetry after coronary artery bypass grafting, EACTACON 2019,
2. Choudhury M. Correlation between thoracic fluid content (TFC), total leukocyte count (TLC) and C-reactive protein in patients undergoing pediatric cardiac surgery, WCCD, 23 and 24 September 2019, Barcelona, Spain
3. Makhija N, Kiran U, Kejriwal N, Sambhunath Das, Choudhary SK. Evaluation of the Effect of Rajyoga Meditation on Cognitive Correlates in Patients undergoing Surgical Repair for Congenital Heart Disease”, World Congress on Cardiology and Cardiovascular Disease, 23 and 24 September 2019, Barcelona, Spain
4. Makhija N, Kiran U. “Pseudoneurysm of Aorta Following Coronary Artery Bypass Graft Surgery – An Anaesthetic Challenge” as poster, World Congress on Cardiology and Cardiovascular Disease, 23 and 24 September 2019, Barcelona, Spain

#### **Cardiac Biochemistry**

- Guided 2 PhD students as chief guide and 5 as co-guide
- Chief guide for two MD student
- Co-guide for 10/DM MD thesis projects
- Member of doctoral committee for 5 PhD thesis

#### **CME/Workshops/Symposia/National and International Conferences Organized**

1. STA Compact test parameters (Basics principal and its clinical implication), Conference room, CNC, AIIMS, New Delhi, 6 August 2019, New Delhi

#### **Oral papers/posters presented:**

1. Tembhre, MK, Parihar AS, Sharma VK. Role of NETS in psoriasis, IADVL-DERMACON (Delhi state Chapter), 4 and 5 January 2020, New Delhi

### Cardiac Nuclear Medicine

No. of Postgraduate students: 40 (22 MD Nuclear Medicine students & 18 MSc Nuclear Medicine Technology students on rotational basis in Nuclear Cardiology)

No. of Thesis/research papers completed: 8

Moderator in Journal Club/Seminars/Intra-department lectures: 8

No. of new thesis started: 5

'On site' teaching of MD students while reporting clinical studies

#### **Lectures delivered**

##### **Chetan D Patel**

1. Cardio-Oncology, Nuclear Medicine Option, 1st Research Co-ordination Meeting on the International Study on Imaging in Cardio-Oncology (iCOS), 15-17 May 2019, International Atomic Energy Agency Vienna, Austria, Vienna, Austria
2. Emerging Role of Nuclear Medicine in HF, CSI National Heart Failure Congress, 20 and 21 July 2019, Kochi
3. Current trends and future application of Nuclear Imaging in HF, 12 Biennial Conference of Nuclear Cardiological Society of India, 5 and 6 October 2019, MIOT Hospital, Chennai

#### **Oral papers/poster presented**

1. Harish N, Bakhshi S, Patel C, Sharma A, Gupta RK, Sharma A, Thankarajan AS, Bal C, Kumar R. Diagnostic usefulness of FDG-PET/CT for detection & extent of Extra medullary disease in pediatric Acute Myeloid Leukemia, **SNMMI 2019 Annual Meeting**, 22–25 June 2019, Anaheim Convention Center, California, USA
2. Kaushik P, Patel C, Gulati G, Seth S, Parakh N, Kumar R, Comparison of 68Ga-DOTANOC PET/CT with cardiac MRI for imaging inflammation in cardiac sarcoidosis, 32nd Annual Congress of the European Association of Nuclear Medicine 2019, 12-16 October 2019, CCIB – Centre de Convencions Internacional de Barcelona, Barcelona, Spain
3. Kaushik P, Patel C, Kumar R, Gulati GS, Parakh N, Seth S. A comparison of Somatostatin receptor PET/CT and Myocardial perfusion SPECT with cardiac magnetic resonance imaging in cardiac sarcoidosis, **SNMMI 2019 Annual Meeting**, 22–25 June 2019, Anaheim Convention Center, California, USA
4. Kumar R, Harish N, Sharma A, Gupta RK, Sharma A, Patel C. Comparison of FDG PET/CT and CT in response assessment and prognosis of patients with extra medullary disease in acute myeloid leukemia, **SNMMI 2019 Annual Meeting**, 22–25 June 2019, Anaheim Convention Center, California, USA
5. Kumar R, Sharma A, Mohan A, Bhalla A, Pandey AK, Patel C. Role of metabolic tumor volume (MTV) and standardized uptake value (SUV) based parameters derived from whole body (WB) 18F-FDG PET/CT in prediction of overall survival (OS) in NSCLC, **SNMMI 2019 Annual Meeting**, 22–25 June 2019, Anaheim Convention Center, California, USA
6. Pandey AK, Kaushik P, Datta Gupta S, Sharma PD, Patel C, Bal CS Predicting good count image from low count image using machine learning algorithm, 50<sup>th</sup> Annual Conference of Society of Nuclear Medicine, 12-15 December 2019, Mumbai
7. Pandey AS, Vishali, Param Sharma, Patel C, Bal CS. Prognostic value of locally stationary wavelet field texture analysis using baseline F-18 FDG PET/CT images of Non-Small cell lung cancer (NSCLC) patients, **SNMMI 2019 Annual Meeting**, 22–25 June 2019, Anaheim Convention Center, California, USA
8. Sharma A, Mohan A, Bhalla A, Vishnubhatla S, Pandey AK, Patel C. Role of metabolic tumor volume (MTV) and standardized uptake value (SUV) based parameters derived from whole body (WB) 18F-FDG PET/CT in interim treatment response assessment of NSCLC, **SNMMI 2019 Annual Meeting**, 22 –25 June 2019, Anaheim Convention Center, California, USA
9. Sharma A, Pandey AK, Deepak, Sharma PD, Patel CD, Bal CS, Kumar R. Classification of good count and low count image using machine learning algorithm, 50th Annual Conference of Society of Nuclear Medicine, 12-15 December, 2019, Mumbai
10. Singh TP, Bakhshi S, Patel CD, Pandey AK, Batra A, Dhamija E. Role of 18-FDG positron emission tomography computed tomography in staging and early treatment response evaluation in patients of soft tissue sarcomas, 50th Annual Conference of Society of Nuclear Medicine, 12-15 December 2019, Mumbai
11. Somani S, Gupta P, Angamuthu M, Baghel V, Reddy KS, Patel CD. Effect of additional dietary intervention in reducing interfering infra-cardiac activity in patients undergoing Tc99 m-MIBI myocardial perfusion SPECT, 50th Annual Conference of Society of Nuclear Medicine, 12-15 December 2019, Mumbai
12. Thayumanavan T, Patel C, Bal C, Seth S, Roy A, Pandey AK. To assess the feasibility of fluorine-18 fluoro L-dihydroxyphenylalanine positron emission tomography-computed tomography for evaluation of cardiac

## **Cardiac Pathology**

### **Lectures delivered**

#### **Sudheer Kumar Arava**

1. Histopathology of atherosclerosis, ISAR, 3 August 2019, New Delhi
2. Panel discussion on ILD, AIIMS pulmonology course, 7 September 2019, New Delhi
3. Cardio live: Endomyocardial biopsy pathologists perspective, IN ISHLT, 1 and 2 October 2019, New Delhi
4. Thoracic masses, Pediatric radiology, 7–9 November 2019, New Delhi
5. Case presentation, ASI DSI, 15-17 November 2019, New Delhi
6. Breakfast session. Verrucous hyperplasia, APCON 2019, 2-4 December 2019, Chandigarh
7. CPC, AIIMS Pulmocrit, 7 and 8 March 2020, New Delhi

## **Cardiovascular Radiology and Endovascular Interventions**

### **Teaching**

#### **Extra-departmental**

Undergraduates: Lectures on basics of cardiovascular imaging and vascular interventions

Postgraduates: Cardiac Radiology quiz, moderating seminars in departments of allied specialties viz. Medicine, Surgery, Gastroenterology, Cardiology and Cardiothoracic Surgery

Clinico-radiology meetings with Department of Cardiology and CTVS.

Participation in Clinical Combined Rounds and Clinical Grand Rounds with Allied specialties

#### **Intra-departmental**

Daily case presentations

Weekly journal clubs and seminars

### **Training**

Training of junior and senior radiology residents, senior residents in Cardiology, CTVS and Cardiac Anaesthesia, and external observers in techniques of cardiovascular imaging and vascular interventions

### **CMEs/Workshops/Symposia/National and International Conferences**

1. Advanced Cardiovascular MR Workshop, 7 and 8 November 2019, Delhi

### **Lectures delivered**

#### **Sanjiv Sharma**

1. Endovascular repair of type B Aortic Dissection, IACTS Techno College Cardiac CME 2019, 25 and 26 May 2019, Haryana
2. Lectures on medical topics related to experience in interventional radiology, Annual Meeting of Chinese Society of (CSIR 2019) Interventional Radiology, 11-14 July 2019, China
3. Cardiac MRI in Heart Failure: Current Trends and Future Directions, 3rd CSI National Heart Failure Conference, 20 and 21 July 2019, Kerala
4. Symposium on stem Cell therapy Case based discussion on Endovascular treatment of DVT Complications of vascular Interventional Radiology Procedures, CME on Interventional Radiology (SIGT), 3 and 4 August 2019, Colombo, Sri Lanka
5. Recent Advances in Imaging Algorithms and Image Guided Management of Pulmonary Embolism, CME, 2019, 25 August 2019, Bengaluru
6. High-quality meta-analysis and Systematic reviews in IR, CIRSE 2019 (Annual Meeting of European Society of Cardiovascular and Interventional Radiology, 7-11 September 2019, Barcelona, Spain
7. Congenital and Structural Heart Disease-which view, how much and what flow rates? & Coronary Angiography-How to do it every time, 26th Annual Conference of the Indian Collage of Cardiology, 21 September 2019, Thriuvananthapuram
8. Panel Discussion and Q & A and MR imaging in CVD, 4 CSI Cardiac Prevent 2019, 20 October 2019, Guwahati
9. Role of image guided therapies in management of various disease states and their impact in clinical medicine & CME Program 2020 (Imaging guided therapies in imaging world countries, 20 and 21 January 2020, Male, Maldives

### **Priya Jagia**

1. Imaging before venous interventions, Structural Heart India and the vein workshop, 17 and 18 August 2019, New Delhi
2. Aortic Diseases: A Case Based Review, IRIA Resident Education Program, 23 August 2019, New Delhi
3. Paediatric Cardiac CT & MRI Workshop, Annual IACI Congress, 26 September 2019, Jaipur
4. CT imaging in acute aortic syndrome, Annual IACI Congress, 27 September 2019, Jaipur
5. Film Reading Quiz, Annual IACI Congress, 28 September 2019, Jaipur
6. Revascularization of the sole patent arch vessel in patients with non specific aortoarteritis, CIRSE-2019, 7-11 September 2019, Barcelona, Spain
7. Inflammatory Cardiomyopathies, UCL-AIIMS MRI Meet, November 2019, New Delhi
8. Acute chest imaging, SER Meeting, 25 November 2019, New Delhi
9. How to Read a CT scan: Read with the Masters: Live cases (Cardiac CT workshop)
10. Calcium Score Assessment: What does Zero calcium mean (Cardiac CT workshop)
11. Complications of IHD: Aneurysm versus pseudoaneurysm (Cardiac MRI workshop)
12. Annual meeting of Cardiology society of India CSI, 5 December 2019, New Delhi
13. Film reading session- Aortic pathologies, Delhi Imaging Update 2020 (By Delhi IRIA), 7-9 February 2020, New Delhi
14. Vascular Imaging, India Live 2020, 1 March 2020, New Delhi

### **Sanjeev Kumar**

1. Management strategies in acute aortic syndrome, CME of the society of emergency radiology, 28 April 2019, Varanasi
2. MAPCA's Embolisation, Annual Conference of Delhi ISVIR state branch, 28 July 2019, New Delhi
3. Current concepts and future directions in image guided therapy in DVT, CME in Interventional Radiology, 3 and 4 August 2019, Colombo, Sri Lanka
4. Image guided therapy for musculoskeletal diseases, CME in Interventional Radiology, 3 and 4 August 2019, Colombo, Sri Lanka
5. Radiation protection in cath lab, CME in Interventional Radiology, 3 and 4 August 2019, Colombo, Sri Lanka
6. DVT diagnosis and role of endovascular treatment in its management, Webinar -SER, 20 September 2019, New Delhi
7. Cardiac CT – Hardware, Software & Imaging Protocol, Imaging Today, 1 September 2019, New Delhi
8. Renovascular hypertension, AIIMS MAMC PGI, 15 November 2019, New Delhi
9. Newer protocol in acute chest pain, Annual Meeting of SER, 30 November 2019, New Delhi
10. Advancement in cardiovascular imaging technique and its impact on delivery of health care, Skill development initiative, 20 and 21 January 2020, Male, Maldives
11. Indigenous EVAR technique, LINC 2020, 29 January 2020, Leipzig, Germany
12. Challenges and solution in endovascular management of thoracic aortic injuries, LINC 2020, 30 January 2020, Leipzig, Germany
13. Triage of PVD patients into medical / endovascular and surgical treatment, 3rd Module ISVIR/Medanta CME, 22 February 2020, New Delhi
14. Endovascular treatment strategies of type b dissection and thoracic aortic aneurysm, Quarterly Delhi ISVIR CME, 23 February 2020, New Delhi

### **Oral papers/poster presented**

1. Ganga K, Goyal A, Ojha V, Jagia P, Sharma S, Kumar S. Poster-Sensitivity and specificity of T1 mapping in cardiac iron assessment, SCMR 23rd annual sessions 2020, Orlando, 14 February 2020, Orlando, USA
2. Ganga K, Ojha V, Goyal A, Jagia P, Sharma S, Kumar S. FAST MR (Fe Assessment and Surveillance in Thalassemia – MR) Feasibility of performing a large scale T2, MRI scanning program for thalassemia patients, ISMRM Co-Provided Workshop at SCMR 23rd Annual Sessions 2020, Orlando, 12 February 2020, Orlando, USA  
**(Oral paper- 1st prize)**

3. Ganga K, Ojha V, Kumar S, Jagia P, Sharma S. Sensitivity and specificity of T1 mapping in Liver iron assessment (Poster), SCMR 23rd Annual Scientific Sessions, 12 February 2020, Orlando, USA
4. Kumar S. Symptomatic Complicated Type B Dissection- Outcomes of Endovascular Repair, Impact on Aortic Remodeling, 6th Asia Pacific Congress of Interventional Oncology (APCIO) 2019, 4 October 2019, Kuala Lumpur, Malaysia
5. Malhi AS, Shaw M, Gulati GS, Kumar S, Chandrasekhar, Bhasin D, Khurana R. Title: Role of Cardiac MRI in Diagnosis in Patients of Cardiac Sarcoidosis Using T1 Mapping, T2 Mapping and Late Gadolinium Enhancement (LGE), RSNA 2019, 1-6 December 2019, Chicago USA
6. Ojha V, Ganga KP, Jagia P. TI scout sequence for cardiac amyloidosis, Indian Academy of Cardiac Imaging, Jaipur, 26 September 2019, Jaipur (**Oral paper- 1st prize**)
7. Ojha V, Ganga KP, Kumar S, Sharma S. Accuracy of greater curvature measurement in estimating the length of endograft in TEVAR: Comparison with manufacturer defined total endograft length, CIRSE 2019, 7 September 2019, Barcelona, Spain

## **Blood Transfusion Services**

### **Lectures delivered**

#### **Anjali Hazarika**

1. Resource person in framing guidelines for Blood Storage Units in India.by NHM, MoHFW, GOI, 3 April 2019, 4 June 2019, 18 June 2019
2. NABH Assessor Training Course for Blood Bank Accreditation by Quality Council of India, 22 -26 July 2019
3. Training Workshop for the Blood Bank officials of the Reporting Centres under Haemovigilance Programme of India at NIB, NOIDA, 8 and 9 August 2019
4. Panelist at CME on Safe Blood For All at MAX Super speciality Hospital, Saket, New Delhi, 30 September 2019
5. Panelist at CME of Asian Association of Transfusion Medicine on Donor Notification and Counselling, held in Gurgaon, Haryana, 15 February 2020
6. ABO Blood Grouping & Cross matching, External Quality assessment scheme, Training of Trainers in Strengthening of Blood Services by NIB & NHM, MoHFW, GOI, 12 June 2019, Noida
7. Equipment Maintenance and Use, Training of Trainers in Strengthening of Blood Services by NIB & NHM, MoHFW, GOI, 15 June 2019, 2 August 2019, 19 September 2019, 19 December 2019, 23 January 2020, 7 February 2020, 5 March 2020, Noida

#### **Gopal Kumar Patidar**

1. Blood Donor HvPI followed by Case studies, CME on Hemovigilance Program of India, 06 February 2020, Udaipur
2. Blood Donor HvPI followed by Case studies, CME on Hemovigilance Program of India, 11 February 2020, Jodhpur

### **Oral papers/posters presented**

## **RESEARCH**

### **Cardiology**

#### **Funded projects**

##### ***Ongoing***

1. A global registry to study the demographics, socioeconomic and clinical factors, etiologies, pathophysiology,

- management, barriers to outcomes of heart failure patients (G-CHF), Ambuj Roy, Population Health Research Institute, Canada, 7 years, 2016-2023, Rs 65 lakhs
2. A randomized controlled trial of influenza vaccine to prevent adverse vascular events (IVVE), Ambuj Roy, MRC (UK)/McMaster University, Canada, 4 years, 2016-2020, Rs 2.16 lakhs
  3. Assessment of HDL quality in Healthy Adult Indians and Impact of High Altitude A collaboration project with Defense Institute of Physiology & Allied Sciences, 3 years, 2017- 2019, Rs 51.23 lakhs
  4. Childhood and young adult predictors of myocardial structure and function at age 45 years in the New Delhi and Vellore Birth Cohorts, India, Ambuj Roy, British Heart Foundation, 4 years, 2016-2020, Rs 20 lakhs
  5. Developing and testing a Collaborative Quality Improvement initiative for prevention of cardiovascular disease in India (C-QIP study), Ambuj Roy, NIH, USA, 5 years, 2019-2024, Rs 10.05 lakhs
  6. Impact of Myocardial Scarring on Clinical Outcomes in Patients with Non ischemic Dilated Cardiomyopathy, Nitish Naik, ICMR, 3 years, 2019-2022, Rs 67.14 lakhs
  7. INVICTUS (*IN*vest/*g*ation of rheumat*ic* *CA*F Treatment *U*sing vitamin K antagonists, rivaroxaban or aspirin Studies), G Karthikeyan, Population Health Research Institute, Canada, 4 years, 2016-2020, Rs 16.7 Crores
  8. National Heart Failure Registry (NHF), Dr Ambuj Roy, Indian Council of Medical Research, 3 Years, 2018-2021, Rs 24 lakhs
  9. Prognostic role of proteomics and other biomarkers in heart failure, Sandeep Seth, DHR ICMR, 3 years, 2018-2020, Rs 79 lakhs
  10. Semaglutide effects on cardiovascular outcomes in people with overweight or obesity. (SELECT), Ambuj Roy, Novo Nordisk, 5 years, 2019-2024, Rs. 2 lakhs
  11. Semaglutide Effects on Heart Disease and Stroke in Patients With Overweight or Obesity (SELECT) Trial An international multicentric trial, Ambuj Roy, Novo Nordisk, 5 years, 2018- 2023, Rs 3.8 lakhs per patient (Total 20 patients)
  12. Value of Gated-SPECT MPI for Ischemia-Guided PCI of non-culprit vessels in STEMI Patients with Multivessel Disease after primary PCI, G Karthikeyan, International Atomic Energy Agency, 3 years, 2018-2020, Rs 13.5 lakhs
  13. Yoga for ICD patients: A Randomized Controlled Trial to evaluate the Efficacy of Yoga on Psychological and Arrhythmic outcomes in patients with Implantable Cardioverter Defibrillators, Nitish Naik, Ministry of AYUSH, 2 years, 2018-2020, Rs 26.08 lakhs
  14. Yoga life style changes in heart failure, Sandeep Seth, DST, 3 years, 2018-2020, Rs 46 lakhs
  15. Yoga-CaRe Trial. Effects of a yoga-based cardiac rehabilitation programme (Yoga-CaRe) on cardiovascular health: a clinical trial (India) and mechanistic study (UK). Ambuj Roy, A ICMR-MRC (UK) funded trial, 2014, Rs 24.06 lakhs

### **Completed**

1. Development of guidelines for management of common cardiac emergencies and related complications at district hospital intensive care units under NPCDS, Ambuj Roy, WHO, 7 months, 2019, Rs 6.15 lakhs
2. Pilot Study For Establishing Nationwide Network Of Registries On Management Of Acute Coronary Event (MACE Registries), Nitish Naik, ICMR, 4 years, 2015-2019, Rs 62.35 lakhs
3. Surgery compared to fibrinolytic therapy for left-sided valve thrombosis (SAFE-PVT), G Karthikeyan, ICMR, 2 years, 2017-2019, Rs 69 lakhs
4. To study the prevalence of rheumatic heart disease among adults 18-25 years age group in Ballabgarh block of Haryana using echocardiography with Doppler, Anita Saxena, DHR, 3 years, 2016–2019, Rs 38.83 lakhs

### **Departmental projects**

#### **Ongoing**

1. A prospective randomized comparison of incidence of atrial fibrillation and stroke in patients undergoing coronary artery bypass grafting with or without left atrial appendage ligation
2. Comparison of different anti-platelet drug regimens on platelet aggregation and urinary 11-dehydro-thromboxane B2 levels in stable ischemic heart disease patients
3. Effect of stellate ganglion block for cerebral vasospasm treatment following aneurysmal subarachnoid haemorrhage on cardiac rhythm: a holter-based study
4. Neurodevelopmental Outcomes in children with Cyanotic Congenital Heart Disease following Open Heart Surgery
5. Worsening of PAH with lung infection in infants with VSD

### **Completed**

1. Clarifying morphoanatomy of superior sinus venosus interatrial communication—a computed tomographic study of 100 patients
2. Fibrillin gene mutation and markers of inflammation in RSOV
3. Ivabradine versus Amiodarone for conversion of Junctional ectopic tachycardia to sinus rhythm in post-operative cardiac surgical patients – a Randomized, Open label, Non-inferiority trial
4. Prevalence of asymptomatic myocardial ischemia among patients with chronic kidney disease
5. Prevalence of cardiac channelopathies in children aged 5-18 years undergoing treatment for epilepsy
6. Streptococcal PCR in valve tissues of RHD

### **Collaborative projects**

1. A Population based prospective cohort study to unravel the causes of stroke and cognitive decline Neurology
2. Identification of delays and barriers to acute cardiac care in NCR. (Co-PI) Dept. of Community medicine, AIIMS, New Delhi
3. The Integrated Tracking, Referral, and Electronic Decision Support, and Care Coordination (I-TREC) Platform (Co-PI) Dept. of Endocrinology, AIIMS, New Delhi, Emory University, Atlanta, USA

### **Cardiac Thoracic Vascular Surgery**

#### **Funded projects**

##### **Ongoing**

1. An assessment of neurodevelopmental outcome with transposition of great arteries with intact ventricular septum who underwent primary arterial switch operation in infancy with integrated ECMO support compared to children who underwent surgery without integrated ECMO support
2. Analysis of outcome of Fontan procedure over Last 10 years and factors affecting them.
3. Assessment of Myocardial Mechanics in patients Undergoing Pericardiectomy For chronic Constrictive Pericarditis by 2D Speckled Tracking Echocardiography.
4. BNP as a predictor of Atrial Fibrillation in patients undergoing Off-Pump CABG patients- A prospective observational study
5. Clinical and radiological features of Type A Aortic Dissection A Retrospective Observational Study From 2009 – 2019
6. Clinicopathological study and long-term surgical results of right atrial mass
7. Comparing Biomarker levels and recovery of Ventricular function in patients undergoing operation to the heart (CABG) having unstable Angina Vs Stable Angina
8. Comparison of early outcomes of Mechanical versus Bioprosthetic Valve in Pulmonary Position in TOF and Corrected TOF
9. Detection of silent cardiac allograft vasculopathy with speckle tracking echocardiography in heart transplant recipients: a comparative study with conventional endomyocardial biopsy
10. Graft patency in patients undergoing CABG after Coronary Endarterectomy
11. Impact of age, LV Mass Index, thickness of IVS, direction of movement of IVS on early recovery: Morbidity and mortality in ASO in TGA
12. Long Term Fate of Neoaorta post arterial switch operation patients
13. Long Term Sequences Of Sinus Venosus ASD with rerooting Of Pulmonary Veins (UKC Modification)-Sinus Nodal Dysfunction and Pulmonary and Systemic Vein Obstruction
14. One Year Outcomes Following Orthotopic Heart Transplantation at a Tertiary Care Centre In India
15. Outcome of TAPVC repair done in last 10 Years in AIIMS
16. Outcome of Ventilator-associated pneumonia in children after cardiac Surgery – A Prospective observational study
17. Serum vitamin D Levels in Patients Undergoing CABG: Correlation with Sternal Healing after 2 months
18. Surgical outcome and perioperative management strategies of TAPVC Repair in children less than 2 years
19. Tracheostomy in paediatric surgery patients
20. Use of Allopurinol in Paediatric Cardiac Surgery

### **Completed**

1. A randomized open label controlled trial Comparing ST. Thomas and del Nido cardioplegia to study electrolyte abnormalities following Cardiopulmonary Bypass
2. A randomized open label-controlled trial to evaluate the effectiveness of Combined Conventional and Modified ultrafiltration over Conventional Ultrafiltration in Infants undergoing Congenital Heart Surgery
3. A study of effect of Hemodilution on adequacy of tissue Perfusion and Coagulopathy, in patients undergoing Tetralogy of Fallot repair
4. Acute Type A Dissection complicated by Stroke: Optimum Strategy?
5. Aneurysm of Sinus of Valsalva dissecting into interventricular septum
6. Assessment of Circle of Willis in Indian population.
7. Coarctation of aorta in adults
8. Comparative study of exercise performance after total correction with trans annular patch (TAP) versus non trans annular patch (Non-TAP) after repair of Tetralogy of Fallot
9. Comparison of Plasmalyte – A based Del Nido Cardioplegia solution in Paediatric patient undergoing Open Heart Surgery
10. Comparison of Pleural Effusion in Fenestrated and Non-Fenestrated Fontan- A Prospective Randomized Study
11. Delayed sternal closure in Pediatric Cardiac Surgical Patients
12. Demographic, clinical, and radiological profile of patients with Acute Type A dissection.
13. Early outcome of Ozaki procedure
14. Efficacy of Yoga based Cardiac Rehabilitation after Coronary Artery Bypass Surgery in Patients of Coronary Artery Disease with Moderate to Severe Left Ventricular Dysfunction- A Post Surgery Follow-up, a randomized Control Study
15. Genetic screening in patients with Bicuspid Aortic Valve
16. Histopathological study of extent of degenerative changes in ascending aorta of patients with bicuspid aortic valve
17. Management of coarctation of aorta with ascending aortic aneurysm.
18. Morphology of Sinus of Valsalva aneurysms in Indian patients
19. Mycobacterial Aortopathy: An institutional review of its presentation and management.
20. Neurological outcome of aortic arch replacement surgery without hypothermic circulatory arrest
21. Non-invasive assessment of hepatic fibrosis in post Fontan surgery patients
22. Oral sildenafil administration in patients undergoing extra cardiac Fontan procedure- A double blinded randomized study
23. Outcome of Cardiac ECMO in children undergoing corrective Cardiac Surgery
24. Outcome of post cardiac surgery patients with sepsis
25. Outcomes of Aortic valve replacement/ Bentall operation in cases of chronic severe Aortic Regurgitation with severe left ventricular dysfunction
26. Perfusion strategies for Mitral Valve Replacement surgery in patients of more than 50 years old
27. Perfusion Strategies in patients undergoing Coronary Artery Bypass Graft Surgery
28. Prevalence of Bicuspid Aortic Valve (BAV) and Ascending Aortic Dilatation in First Degree Relatives (FDR) of Patients with BAV
29. Surgical audit and outcome of patients who underwent Bentall's procedure with hemiarch procedure
30. Tetralogy of Fallot Repair in first decade of life: Perfusion strategies
31. The satisfaction levels of heart transplant recipients seeking post-transplant medical care at a tertiary care government hospital: A questionnaire based study
32. Trans-aortic mitral valve repair for functional MR in patients undergoing aortic root / valve procedure

### **Collaborative projects**

#### **Ongoing**

1. Comparative Proteomic analysis to discover novel plasma biomarkers for early detection, surveillance and prognostication of Atrial fibrillation in patients with Rheumatic heart disease, Cardiology, AIIMS and National Institute of Pathology

2. Early Enteral Feeding with supplemented mother's milk in post-operative Pediatric cardiac surgical patients: A randomized controlled trial Institute of Home Economics, Delhi University
3. Fabrication of biocompatible scaffolds for delivery of stem cells in myocardial infarct model – In search of an ideal cardiac patch, Stem Cell Facility
4. Identifying different stages of endothelial dysfunction in vitro and validating them in individuals exposed to cardiovascular risk factors, Biochemistry, AIIMS
5. Proteomic analysis of cardiac tissue of Rheumatic heart disease patients with Atrial Fibrillation to understand the pathophysiology and to identify candidate biomarkers for diagnostic and therapeutic applications, Cardiology, AIIMS and National Institute of Pathology, New Delhi
6. SAFE PHT – Randomised study to compare thrombolysis vs surgery in patients with prosthetic heart valve thrombosis, Cardiology
7. Study of plaque biology in CAD patients Cardiology and Institute of Genomics and Integrated Biology, New Delhi
8. Study of proteomics in rheumatic mitral valve tissue in patients undergoing mitral valve replacement. Cardiology

### **Cardiac Anaesthesiology**

#### **Funded projects**

##### ***Ongoing***

1. A single blind randomized controlled study to evaluate the effect of Rajyoga Meditation on Biochemical and cognitive co-relates of cardiac rehabilitation in patients of surgical repair of congenital heart disease, Usha Kiran, DST, 2 years, 2017-2019, Rs 23 lakhs
2. Bivalirudin anticoagulation in neonates and infants undergoing cardiac surgery, Suruchi Hasija, AIIMS, 2 years, 2019-2020, Rs 5 lakhs
3. Evaluation of efficacy of the point-of-care guided hemostatic management in cyanotic congenital cardiac surgery patients using AIIMS algorithm: A prospective randomized study, 2 years, Poonam Malhotra Kapoor, JCCC Research Grant, 2 years, 2018-2020, Rs 12 lakhs
4. Platelet aggregometry in cyanotic vs acyanotic paediatric patients, Poonam Malhotra Kapoor, JCCC Research Grant, 2 years, 2019-2021, Rs 15 lakhs

##### ***Completed***

1. Evaluation of coagulopathy on veno-arterial (VA) Extracorporeal Membrane Oxygenation (ECMO) using Platelet Aggregometry and Standard Tests, Poonam Malhotra Kapoor, JCCC Research Grant, 2 years, 2019

#### **Departmental projects**

##### ***Ongoing***

1. Comparison of haemodynamic and ABG parameters after transport of children on manual vs mechanical ventilation post cardiac surgery
2. Comparison of plasmalyte-a based del nido Cardioplegia solution with plain ringer Based del nido cardioplegia solution in Pediatric patients undergoing open heart Surgeries: A prospective double blind Randomized controlled trial
3. Comparison of thoracic fluid content in off pump and on pump coronary artery bypass graft surgery by impedance cardiometry
4. Effects of vasopressin infusion on early pleural effusions following the Fontan procedure-a double blind randomized clinical trial
5. Evaluation of blood loss in menstruating women undergoing cardiac surgery
6. Right atrial speckle tracking echocardiographic indices as a method for assessing pulmonary arterial pressures in patients with left sided valvular heart disease'
7. To assess the change in lung compliance during surgery and progressive change in pulmonary function of infants with congenital heart disease undergoing open heart surgical repair, over a period of one year

##### ***Completed***

1. Dexmedetomidine in prevention of atrial fibrillation in patient's undergoing valve surgery.
2. Induction effect of Anesthetic agents on ventricular function of congenital heart disease children by speckle tracking echocardiograph.
3. Osteopenin, RV function & clinical outcome intetrology of Fallots.

## **Collaborative projects**

### ***Ongoing***

1. Intraoperatively comparing 2D and 3D TEE to assess the prosthetic valve mismatch, University of Alabama at Birmingham, Alabama, USA

## **Cardiac Biochemistry**

### **Funded projects**

#### ***Ongoing***

1. Deciphering the mechanism of alarmin induced necroptosis and its role in immune homeostasis and inflammation in atherosclerosis, Manoj K Tembhe, DST-SERB (Early career research grant award), 3 years, 2017-2020, Rs 50 lakhs
2. Defining the role of Neutrophil Extracellular Traps (NETs) in immune regulation and inflammation, Manoj K Tembhe, AIIMS, 2 years, 2017-2019, Rs 8.5 lakhs
3. Double blind randomized control trial to study the effects of probiotic supplement, bacillus coagulans unique is and bacillus clausii on protein absorption, body composition, muscular strength, and immunity in resistance trained adult males. R Lakshmy, Unique Biotech, 20 months, 2016-2019, Rs 37 lakhs
4. Endothelial colony forming cells (ECFC) functionality in adults born small for gestational age as compared to those born appropriate for gestational age in the New Delhi Birth Cohort: A possible mechanism linking fetal growth restriction with adult chronic diseases, R Lakshmy, ICMR, 2 years, 2019-2021, Rs 35 lakhs
5. Estimating biomarkers in DBS for cardiovascular risk assessment in geriatric population, R Lakshmy, ICMR, 12 months, 2018-2019, Rs 28 lakhs
6. Proposal for engagement of All India Institute for Medical Sciences to serve as qc lab for comprehensive national nutrition survey, R Lakshmy, UNICEF, 2 years, 2016-2020, Rs 233.67 lakhs
7. To study the association of tetrahydrobiopterin (BH4) levels in endothelial progenitor cell (EPC) with the functional activity of EPC in coronary artery disease (CAD) patients, R Lakshmy, ICMR, 2 years, 2017-2019, Rs 39 lakhs

## **Departmental projects**

### ***Ongoing***

1. Assessment of ABO antibody titer and coagulation factor level after mixing and dilution with normal saline of A and B group donor plasma
2. Comparing biomarker levels and recovery of ventricular function in patients undergoing cabg, having unstable angina vs stable angina
3. Optimizing Blood Inventory in a Blood Bank at a Super-speciality Centre in India
4. Outcome of leuco-reduced and non leuco-reduced blood components transfused in patients undergoing cardiac surgery
5. Study of endothelial progenitor cell (EPC) tetrahydrobiopterin (BH4) levels and its association with EPC number and function in coronary artery disease (CAD) patients

## **Collaborative projects**

### ***Ongoing***

1. A Randomized Control Trial to assess the effectiveness of Nurse-Led Structured Telephonic Heart Failure Management Programme on selected health related outcome variables at 3 months. College of Nursing, AIIMS, New Delhi
2. A single blinded randomized control study to evaluate the effect of rajyoga meditation on biochemical and cognitive correlates of cardiac rehabilitation in patients of surgical repair for congenital heart disease. DBT funded, Cardiac Anesthesia, AIIMS
3. Association of Common Mental Disorders with Diabetes Mellitus-A Community based Case-control Study in north India Intramural, CCM, AIIMS
4. Cellular and molecular heterogeneity of normal superior and inferior parathyroid glands at different ages. Intramural, Pathology, AIIMS
5. Effect of Vitamin D supplementation on outcome in children undergoing open heart surgery: A Randomized Controlled Trial Intramural, CTVS, AIIMS
6. Elucidating the role of TNIP1, IL2B and NFKBIA and their target micro RNA in regulating the inflammation and skin homeostasis in psoriasis, Dermatology and Venereology
7. Evaluation of human Epididymis Protein 4 (HNE) in the diagnosis of ovarian cancer level in Laboratory Oncology

8. Intraoperative lung protective ventilation in peritonitis patients undergoing emergency laparotomy: A randomized controlled trial Intramural, Anesthesiology, AIIMS
9. Prevalence of Non-Alcoholic Fatty Liver Disease (NAFLD) and its association with cardio-metabolic disease risk factors in North India, ICMR funded, Endocrinology, AIIMS
10. Study of inner ear protein Otolin-1, Vitamin D and ionized calcium in circulation as a biomarker in non-Meniére's disease vertigo patients, Intramural, Otorhinolaryngology
11. Th2/Th17 inflammation modulating filaggrin expression and disease severity in children with moderate atopic dermatitis, Dermatology and Venereology
12. The modulation of insulin resistance and HDL quality by adipose tissue ABCA1 and metabolic status DST funded, Biochemistry, AIIMS

### ***Completed***

1. Defining miRNA signatures in vitiligo and skin pigmentation, (L'Oreal funded IADVL project)
2. Defining miRNA signatures in vitiligo and skin pigmentation, Dermatology and Venereology
3. Defining the role of genetic, epigenetic and immunological components involved in the pathogenesis of Alopecia areata, ICMR, New Delhi
4. Impact of supplementation of package of iron and folic acid (IFA) with Vitamin B12 on Hemoglobin Levels amongst Adolescent Girls (12-19 years), DBT funded, Human Nutrition Unit

### **Cardiac Nuclear Medicine**

#### **Funded projects**

##### ***Ongoing***

1. International study on imaging in Cardio-Oncology Study (iCOS), Dr Chetan D. Patel, International Atomic Energy Agency (IAEA), 5 years, September 2019 -ongoing, 1st year 2000 Euros

#### **Department projects**

##### ***Ongoing***

1. Design and methods of the YOGICAD study- A probe trial to evaluate the efficacy of yoga based cardiac rehabilitation in Post PCI patients
2. Non invasive tissue diagnosis – A comparison of the accuracy of parametric mapping on MRI with cardiac PET scan in determining the response to therapy in cardiac sarcoidosis
3. Role of F-18 FDG PET-CT in assessment of initial chemotherapy response in Pediatric Langerhan's cell histiocytosis
4. Role of Ga68-NOTA-MSA PET-CT in identifying vulnerable carotid plaques
5. Scintigraphic Image Restoration using Constrained least square filtering
6. Scintigraphic images Restoration using Richardson Lucy Algorithm
7. To assess the feasibility of Fluorine-18 Fluoro L-Dihydroxyphenylalanine (F-18 FDOPA) PET-CT for evaluation of cardiac sympathetic innervation in Heart Failure. Comparison with Carbon-11 Hydroxyephedrine (C-11 HED) PET-CT
8. To study the role of vascular function and pain sensitivity in microvascular angina

### ***Completed***

1. Interim treatment response evaluation of high grade lymphoma using texture analysis on F-18 FDG PET-CT
2. Comparison of 68Ga PSMA PET/CT and 18F Fluoride PET/CT in high risk prostate cancer
3. Comprehensive assessment of right ventricle function and pulmonary perfusion in patients
4. Effect of dietary intervention in reducing interfering infra-cardiac activity in patients undergoing Tc99m-MIBI Myocardial Perfusion SPECT
5. Optimisation and validation of input parameters for scintigraphic image deionising using Wavelet Transform
6. Prevalence of asymptomatic stress induced myocardial ischemia in patients with advanced CKD by stress myocardial perfusion scintigraphy
7. Role of F-18 FDG PET-CT in staging and early treatment response evaluation in patients of soft tissue sarcoma
8. Role of Ga68-DOTANOC PET/CT in Cardiac Sarcoidosis; Comparison with Cardiac MRI with Eisenmenger syndrome using multi-modality imaging

## **Collaborative projects**

### ***Ongoing***

1. Value of Gated-SPECT MPI for Ischemia-Guided PCI of non-culprit vessels in STEMI Patients with Multivessel Disease after primary PCI, Cardiology

## **Cardiac Pathology**

### **Funded projects**

#### ***Ongoing***

1. Immunohistochemical characterization of four common viruses in clinically suspected cases of viral myocarditis, Sudheer, AIIMS, 2 years, 2018-2019, Rs 10 lakhs
2. Sudden cardiac death; Histopathological and molecular study to identify the Cause, Sudheer, ICMR, 3 years, 2019-2021, Rs 69 lakhs

## **Collaborative projects**

### ***Ongoing***

1. Autologous non cultured dermal cell suspension transplantation in treatment of facial volume loss Dermatology
2. Comparative evaluation of MicroRNA profiling and cytokine profiling analysis in patients with Pulmonary Sarcoidosis and Mediastinal tuberculosis, Pulmonary Medicine
3. Detection of streptococcal bacterial DNA with polymerase chain reaction in excised valvular tissue of RHD patients
4. Development of a new formulation and packaging for reducing adverse effects and injection pain of Mycobacterium vaccine and its clinical trial in recalcitrant anogenital and extra-genital (common) warts, Dermatology
5. Exploring the phenotypic and functional role of  $\gamma\delta$  T cell subsets along with Pattern recognition receptors (PRRs) in the immunopathogenesis of Pemphigus Vulgaris, Pharmacology
6. Finding the correlation of toll like receptors (TLRs) with inflammation in patients with chronic heart failure, Cardiology, Safdarjung
7. Histopathological evaluation of surgically excised rheumatic heart valves
8. Study of cardiac markers, gross findings and histopathological Changes in heart in cases of suspected cardiac death, Forensic Medicine
9. Study of Sesamol in Bleomycin induced pulmonary toxicity in rat, Pharmacology
10. Sudden cardiac death in young: A histopathological and molecular study to identify the cause

### ***Completed***

1. A comparative study of efficacy and composition of various cell populations of extracted hair follicle outer root sheath cell suspension prepared using a single enzyme (trypsin) and multiple enzymes (trypsin, collagenase and dispase) for transplantation in vitiligo
2. Expression of Matrix Metalloproteinase-2, Matrix Metalloproteinase-9, Tissue Inhibitor Metalloproteinase-1, Tissue Inhibitor Metalloproteinase-2, Collagen I and IV Expression in Thoracic Aortic Aneurysms
3. Fibrillin 1 gene mutation and TGF beta in TAAA of non marfanoid individuals

## **Cardiovascular Radiology and Endovascular Interventions**

### **Funded projects**

#### ***Ongoing***

1. Evaluation of therapeutic angiogenesis induced by intramuscular autologous platelet rich plasma in non revascularisable critical limb ischemia due to peripheral artery disease, Sanjeev kumar, AIIMS, 2 years, 2019-2020, Rs 4.9 lakhs

## **Departmental projects**

### ***Ongoing***

1. “Non-invasive tissue diagnosis”- A comparison of the accuracy of parametric mapping on MRI with cardiac PET scan in determining the response to therapy in cardiac sarcoidosis
2. A cross sectional study to determine the role of P-31 MR Spectroscopy analysis of PCr-ATP ratio in differentiating Left Ventricular Hypertrophy and Hypertrophic Cardiomyopathy
3. A single center randomized control trial to compare the efficacy of radiofrequency ablation with that of ultrasound guided foam sclerotherapy (polidocanol) for incompetent perforators in patients with varicose vein

4. Comparison of the Left Ventricular strain, native T1 & T2 Mapping parameters in Patients with High normal blood pressure vs. Normotensive patients (Controls)
5. Comparison of the outcomes of concomitant truncal laser ablation and tributary foam sclerotherapy versus truncal laser ablation alone in patients with lower extremity venous reflux-A single centre randomized controlled trial
6. Detection of cardiac allograft vasculopathy with dual source computed tomography and MRI in heart transplant recipients: a comparative study with conventional coronary angiography and biopsy
7. Improving Maturation Rates of Haemodialysis Access Arterio-venous Fistula in Chronic Kidney Disease V Patients Using Autologous Adipose Tissue Derived Mesenchymal Stem Cells: A Double Blind, Randomised Placebo-Controlled Trial
8. Quantitative multivariate analysis of morphological features of the left atrium, left atrial appendage, pulmonary veins and epicardial fat in recurrence of atrial fibrillation after catheter ablation: A retrospective and prospective study
9. Safety and efficacy of genicular artery embolization in patients with moderate knee pain
10. Stent graft migration after thoracic endovascular repair (TEVAR) for thoracic aortic pseudoaneurysm and type B dissection

### ***Completed***

1. Comparison of non contrast MRA to contrast enhanced MRA in patient of PVD
2. Correlation of Epicardial Fat Volume with Severity of Coronary Artery Disease and Coronary Plaque Morphology
3. Derivation of nomograms for aortic and iliofemoral dimensions using multidetector computed tomography in the Indian population
4. Prognostic value of Decrease in Corrected Coronary Opacification in predicting Major Adverse Cardiovascular Events in Patients of Coronary Artery Disease
5. Quantification of Aortic Valve Calcification on Computed Tomography Angiography in patients of Aortic Stenosis
6. Renal morphological changes after successful renal angioplasty in young patients with uncontrolled hypertension due to Takayasu arteritis
7. Role of cardiac magnetic resonance imaging in identification of myocardial fibrosis and wall morphology in patients of nonischemic dilated cardiomyopathy
8. Role of cardiac MRI in diagnosis, prognosis and treatment response in patients of cardiac sarcoidosis using T1 mapping, T2 mapping and Late Gadolinium Enhancement (LGE)
9. Role of cardiac MRI in patients of nonspecific Aorto-arteritis and its value in prognostication and assessment of treatment response
10. Role of CEUS in activity in NSAA
11. Role of dual energy CT in tissue iron identification quantification in iron overload syndrome
12. Role of dual energy CT pulmonary perfusion in evaluation of chronic obstructive pulmonary artery disease and its value in assessing treatment outcome
13. Role of MDCT in the evaluation of systemic and pulmonary venous anomalies in heterotaxy syndrome

### **Collaborative projects**

#### ***Ongoing***

1. Applied novel statistical learning and modeling techniques on CT imaging features for prediction of growth of Stanford Type B Aortic Dissection and real options financial assessment of such health care technology, AIIMS-IIT Project
2. DE-CMR compared with FDG-PET for assessment of viability and prediction of functional improvement in patients with CAD and LV dysfunction, Cardiology
3. Impact of bariatric surgery in reduction of cardiovascular risk in morbid obesity. Surgery
4. Preparation and study of radiochromic film as radiation dosimeter for medical applications. Radiation Physics
5. Role of 68 Ga-DOTANOC PET/CT in cardiac sarcoidosis; comparison with cardiac MR, Nuclear Medicine

#### ***Completed***

1. Role of cardiac magnetic resonance imaging in identification of myocardial fibrosis and wall morphology in patients of nonischemic dilated cardiomyopathy, Cardiology

## **Stem Cell Facility**

### **Funded Projects**

#### ***Ongoing***

1. 3D Printed Tracheal Grafts For Regenerative Applications, Sujata Mohanty, AIIMS, 2 years, 2018-2021, Rs 5 lakhs
2. Bio fabrication of skin tissue substitutes using functionalized materials, Sujata Mohanty, DST, 2 years, 2018-2020, Rs 15 lakhs
3. DBT- Centre of Excellence for Stem Cell Research: Basic and Translational (Phase-II), Sujata Mohanty, DBT, 3 years, 2017-2020, Rs 298 lakhs
4. Development of a Carrier Dressing Capable of Supporting the Transfer of Melanocytes & Keratinocytes onto an in vitro Wound Bed Model, Sujata Mohanty, DBT, 3 years, 2017-2020, Rs 59.37 lakhs
5. Fabrication of Biocompatible Scaffolds for Delivery of Stem Cells in Myocardial Infarct Model: In Search of an Ideal Cardiac Patch, Sujata Mohanty, NER-DBT, 3 years, 2018-2021, Rs 28 lakhs
6. Immunomodulatory property of Human Mesenchymal Stem Cell: Assessment of their therapeutic potential in GvHD model, Sujata Mohanty, DST, 3 years, 2018-2021, Rs 42 lakhs
7. Indo-US joint Centre: Cellular Reprogramming in Regenerative Medicine, Sujata Mohanty, IUSSTF, 2 years, 2019-2021, Rs 35 lakhs
8. Strategies to enhance stem cell delivery to the retina using iron oxide nanoparticle, Sujata Mohanty, DBT, 3 years, 2018-2021, Rs 82 lakhs
9. Understanding the therapeutic role of adult stem cell derived exosome in combating virus induced neurodegenerative disease, Sujata Mohanty, DBT, 3 years, 2018-2021, Rs 22 lakhs

#### ***Completed***

1. 3D Bioprinting for patient-specific joint tissue constructs and in vitro model system, Dr. Sujata Mohanty, DST, 3 years, 2017-2020, Rs 30 lakhs
2. Comparing the vascularization potential of MSCs and MAPCs in monoculture and coculture systems with human OECs under normoxia and hypoxia, Dr Sujata Mohanty, DBT, 3 years, 2018-2020, Rs 46.26 lakhs
3. SOPs to Study Very small embryonic-like stem cells (VSELs) in various adult tissues, Dr Sujata Mohanty, ICMR, 1 years, 2017-2018, Rs 4 lakhs
4. Targeting Telomerase Reverse Transcriptase (TERT) gene to immortalize Peripheral Blood Mononuclear Cells of patients with coronary artery disease, Dr Sujata Mohanty, ICMR, 3 years, 2014-2017, Rs 56 lakhs

### **Departmental projects**

#### ***Ongoing***

1. Autologous Non-Cultured Dermal Cell Suspension Transplantation for Correction of Volume Loss
2. Comparative evaluation of cellular responses and osteogenic potential of undifferentiated mesenchymal stem cells induced by calcium-silicate based cements- A histochemical study
3. Detection and quantification of circulating tumour cells in oral cavity squamous cell carcinoma
4. Imaging and molecular characterization of differentiated thyroid cancer
5. Immunomodulatory Potential of Tissue Specific Human MSC through HLA-G and other soluble factors
6. In vitro and in vivo stabilization of endothelial tubes from HUVEC micro tissues using human bone marrow derived hMSCs and its application in bone tissue engineering
7. In-vitro studies to explore strategies for extended utilization of donor corneal tissues by harnessing their full clinical potential
8. Optical characterization of breast cancer
9. Role of micro RNA as biomarker in hepato-cellular carcinoma
10. To evaluate the role of tissue specific MSC derived exosomes in drug induced liver injury model

#### ***Completed***

1. A comparative study to assess the efficacy, viability and composition of various cell populations of extracted hair follicle outer root sheath cell suspensions (EHF ORS CS) prepared using a single enzyme (trypsin) and multiple enzymes (trypsin, collagenase and dispase) for transplantation in vitiligo
2. Molecular Characterization of Steve Johnson Syndrome and its Ocular Sequelae
3. Role of stem cell therapy to decrease pacing requirements in complete heart block

4. T cells subsets and their functions in aplastic anemia
5. To explore differentiation potential of bone marrow derived Mesenchymal stem cells into functional cardiomyocytes

### **Collaborative projects**

#### ***Ongoing***

1. A double-blind randomized trial of transplantation of cultured melanocytes from outer root sheath of plucked hair follicles vs. cultured melanocytes from epidermis, Dermatology
2. A Multi-center, Randomized, Double-blind, Placebo controlled Trial to Evaluate the effects of Intra Erythrocyte Dexamethasone Sodium Phosphate on Neurological Symptoms in Patients with Ataxia Telangiectasia, Pediatrics
3. Assessment of the effect of various storage media on viability, proliferative ability and differentiation potential of human periodontal ligament stem cells (hpdlsCs): An in-vitro study, CDER
4. Comparative evaluation of efficacy of conjunctival stem cell transplantation with cultivated oral mucosal epithelial transplantation in patients with bilateral cicatrizing ocular surface diseases (i.e. Stevens Johnson syndrome & Chemical burns), RP Centre
5. Evaluations of efficacy of therapeutic angiogenesis induced by intramuscular autologous platelet rich plasma in non revascularizable critical limb ischemia due to peripheral artery diseases, Cardiac Radiology
6. Generation of 3D breast tumor organoids as an invitro drug screening model, Medical Oncology
7. IUSSTF Reducing cancer mortality through cancer prevention, Gastroenterology
8. Solid Tumor targeting using Homing Peptide and Plasmonic Photothermal Technique, Surgery
9. Study of paracrine mechanism of autologous stem cell transplantation in stroke using bifunctional markers, Neurology
10. To evaluate the role of autologous BMSC for premature ovarian aging, Gynecology
11. To study efficacy of amniotic membrane as an alternative wound dressing in patients with post traumatic raw area admitted in trauma surgery unit, Trauma Surgery, JPNATC
12. Utilization of intra arterial injections of autologous bone-marrow derived mononuclear cells for treatment of spinal injury, Cardiac Radiology

#### ***Completed***

1. Comparison of autologous cultured limbal stem cells on amniotic membrane transplant versus limbal lenticule transplantation alone in the management total limbal stem cell deficiency due to ocular burns: A Randomized Controlled Clinical Trial, RP Centre
2. Evaluation of autologous bone marrow derived stem cells in dry age related macular degeneration, RP Centre

### **Blood Transfusion Services**

#### **Funded project**

#### ***Completed***

1. A Randomized Control Trial for evaluation of Transfusion Related Immuno-modulation in patients with meningioma, Gopal Kumar Patidar, AIIMS, 2 years, 2019–2020, Rs 10 lakhs

### **Departmental projects**

#### ***Ongoing***

1. A cost descriptive study in the treatment of Guillain barre syndrome and Myasthenia gravis patients at a tertiary level hospital
2. A Randomised Control Trial for Evaluation of Transfusion related Immuno-modulation in patients undergoing Neurosurgery
3. Analysis of ABO antibody titre in healthy blood donors
4. Assessment of ABO Antibody titre and Coagulation Factors level after mixing and dilution with Normal saline of A and B blood group donor plasma
5. Optimizing Blood Inventory Management at a Super-specialty Blood Centre in India- A Case Study
6. The outcomes of Leukoreduced and Non Leukoreduced Blood Component Transfusion in patients with Meningioma

### **Collaborative projects**

#### ***Ongoing***

1. Comparing the Vascularising potential of MSCs and MAPCs in monoculture and coculture systems with human OECs under normoxia and hypoxia, Stem Cell Facility

2. Complement factor H (CFH)-related protein 1 (CFHR1) and its role in maintenance of immunological tolerance". Regional Centre for Biotechnology, Faridabad
3. Development of diagnostic and experimental therapeutics using CRISPR-based technologies, Biochemistry
4. Effect of Hyperglycaemia on Macrophage Function in Pathophysiology of Pulmonary TB, Biochemistry
5. Evaluation of Mesenchymal Stem Cell derived exosomes on neutrophil-induced tissue damage in the animal models of liver and heart disease, Stem cell Facility
6. Exploring the potential of Exosomes derived from Endothelial Colony forming Cells (ECFC) primed with Mesenchymal Stromal Cells (MSCs) as a cell-free therapy for Cardio-vascular Diseases (CVDs), Cardiac Biochemistry, Stem Cell Facility
7. Host-Parasite interaction in Malaria, Biochemistry
8. Regulation of HIV Reservoirs through Autophagy, Biochemistry
9. Study the Potential Role of HLA-G mediated Immunomodulation by Tissue Specific Human Mesenchymal Stem Cells, Stem Cell Facility
10. Targeting Telomerase Reverse Transcriptase (TERT) gene to immortalize Peripheral Blood Mononuclear Cells of patients with coronary artery disease, Stem Cell Facility

### **Cardiothoracic and Vascular Surgery**

#### **Workload**

At the department of CTVS, one of the largest numbers of numbers of adult, aortic and paediatric cardiac surgery for congenital heart defects were performed in the country. Between 1 April 2019 to 31 March 2020, 3625 surgeries of all types were performed in the department. Along with Department of Cardiology (1,34,700) and CTVS (55,788), a total number of 1,90,488 new and follow patients were seen in the OPD. The number of indoor admissions was 10,939 (3064 in CTVS & 7875 in Cardiology).

#### **The facilities and infrastructure**

1. **Operating Rooms (OR's):** There are eight fully functional operating rooms in the Department of CTVS. Each one of these is equipped with all the necessary equipment required for performing the entire range of adult, aortic and paediatric cardiac surgery. These include state-of-the-art monitoring system and anesthesia station, NIRS, BIS, EEG, 3-D echocardiography, cell saver, CPB machines, vacuum assisted venous drainage, centrifugal pump, bronchoscope, and intra-operative neuromonitoring.
2. **ICU Beds:** The Department has 4 ICUs (54 beds) fully equipped with all advanced facilities for postoperative cardiovascular surgical care.
  - ICU-A: 16 Beds
  - ICU –B: 18 Beds
  - Neonatal ICU: 8 BedsCT-5 ICU: 12 Beds
3. **General Beds:** The bed strength in the wards is follows:
  - **CT-4 Ward:** 42 Beds + 2 Isolation beds
  - **CT-5 Ward:** 24 Beds (In addition, 12 beds in CT5 ICU as above) + 2 Isolation beds
  - **CT-6 Ward:** 12 Beds
4. **CN Tower (Private Ward):** Thirty-two (32) beds in private/paying ward, shared with Department of Cardiology
5. **Homograft Valve Bank:** The Department runs the most successful valve bank of the country. This ensures adequate supply of homografts to manage complex paediatric cardiac surgical problems.
6. **Supportive services:** Five cardiac catheterization labs including, advanced CT scan, MRI, nuclear medicine, ultrasound, and echocardiography lab, state of the art blood bank, and laboratory services.

### **Cardiac Anaesthesiology**

1. Advanced monitoring facilities (TEE, TTE, NIRS, NICO monitoring) for management of routine, emergency and high risk cardiac surgical patients belongs to all spectrum
2. Specialized cognitive rehabilitation programme for heart failure, heart transplant and LVAD patients
3. Routine stress management programme both for pre- and post-operative patients

4. Different community programme by the faculties
5. Special involvement with anesthesia for complex congenital heart surgery
6. Team member of heart failure treatment like heart transplant & LVAD
7. Transesophageal Echocardiography
8. Community Service- Charitable health camps and health education
9. Special involvement with anesthesia for complex congenital heart surgery and OPCAB
10. Team member of heart failure treatment like heart transplant & LVAD
11. Transesophageal Echocardiography
12. Community Service- Charitable health camps and health education

### **Cardiac Biochemistry**

The Cardiac Biochemistry laboratory offering state-of-the-art diagnostic test facilities in patient care services and the test facilities are catering to patients of CN Centre as well as to other departments of the Institutes and also serves as referral lab for outside patients. The Lab operates as combined centralized laboratory for CN Centre and offers blood biochemistry (Blood sugar (fasting, PP, Random), LFT, KFT), hematology (hemogram, PT/INR, ESR), lipid profile, hormone (T3, T4, TSH, Testosterone, FSH, LH, Prolactin, Renin, Aldosterone) and vitamin profile (Vitamin D, B12, folate), drug testing (Cyclosporin, Tacrolimus, anti-epileptic drug testing (valproic acid, Carbamazepine, phenytoin, Phenobarbital, digoxin)) and various other specialized tests (Iron profile (serum iron, UIBC, TIBC, ferritin, catecholamine)) in the centralized lab.

### **Annual Statement of approximate number of tests done in Centralised Lab CNC**

S. No.	Description	No. of Tests (Ward)	No. of Tests (OPD)
<b>Clinical Chemistry</b>			
1	Glucose	32400	45000
2	Urea	55000	45000
3	Creatinine	55000	46750

### **Cardiac Nuclear Medicine**

The Department routinely performs myocardial perfusion SPECT imaging which is an integral investigation in the diagnosis and management of patients with coronary artery disease. We also perform cardiac PET imaging with PET tracer F-18 FDG for assessment of myocardial viability and for cardiac infective pathologies. New diagnostic techniques for non-CAD indications are now performed like Gallium-68 DOTANOC and Tc99 m PYP for cardiac sarcoidosis and infiltrative/inflammatory pathologies, respectively. We have also assessed the feasibility of F-18 FDOPA for evaluation of cardiac sympathetic innervations and in an ongoing study evaluating its role in Heart failure patients. The department also performs radionuclide ventriculography for assessment of left ventricular function in CAD patients referred from the center and from IRCH for cardiac evaluation in patients receiving chemotherapy.

Total Number of patients investigated in Nuclear Cardiology

Myocardial perfusion study:	1795	RNV study:	563
Cardiac PET:	162	Misc. (V/Q scan, 1st pass):	218
Total studies performed: 2738			

### **Cardiac Pathology**

#### **Specimens**

Routine:	310 cases	Research:	163 cases
----------	-----------	-----------	-----------

**Other work**

Immunohistochemistry: 392 slides      H & E stain: 305 slides  
 Special stains: 102 slides      Cutting of blocks (unstained sections): 631 slides  
 Rapid processing of post-transplant biopsies: 29 cases

**Cardiovascular Radiology and Endovascular Interventions**

Facility	No. of Procedures	Facility	No. of Procedures
MRI	961	DSA/ Venogram	675
CT	6080	Doppler & Ultrasound	8543

**Stem Cell Facility**

## AWARDS, HONOURS AND SIGNIFICANT EVENTS

### Cardiology

**Professor VK Bahl** is Course director, India Live.

**Professor Anita Saxena** is President of National rheumatic heart consortium.

**Professor SS Kothari** has been in Ethics Sub-Committee of Medical Council of India (MCI)- 2019-2020; Member (Expert) – Drug Controller Govt. of India (DCGI)-2019-2020; Member of Standing Selection Committee meeting for selection of regular Faculty Posts, 21 October 2019, Puducherry.

**Professor Balram Bhargava** is DG, ICMR; Secretary, DHR.

**Professor KC Goswami** is President, Cardiological Society of India.

**Professor S Seth** is Editor in Chief, JPCS.

**Professor Sandeep Mishra** is Member, Internal Affairs Committee, SCAI; International Editor, Sri Lanka Journal of Cardiology; Editorial Board of European Medical Journal; Organizing Chair, SCAI 2019 Annual Meeting; International Examiner, National Academy of Medical Sciences.

**Professor Rakesh Yadav** is Treasurer, CSI Delhi branch; Editor, Indian Heart Journal.

**Professor G Karthikeyan** is Editor-in-Chief of *Heart Asia* which is one of the three heart journals published by the BMJ Group.

**Professor Ambuj Roy** is Member, Institute Body, JIPMER, Puducherry; Convener, Heart Failure Council, Cardiological Society of India (2018-2020); Member, Technical Expert Committee for National Program for Prevention and Control of

Cancer, Diabetes, CVD and Stroke (NPCDCS); Member, Task Force Committee of ICMR for Cardiovascular Research in India; Chairperson, Project Review Committee (Cardiovascular Diseases) of ICMR, New Delhi; Members of the Task Group on Health Services for Haryana Governance Reforms Authority; Facility Coordinator In-charge, Skill, e-Learning & Telemedicine (SET) Facility, AIIMS, New Delhi; Member, Institute Ethics Committee (Post Graduates) at All India Institute of Medical Sciences; Member, AIIMS Institute Ethics Committee- Subcommittee for Serious Adverse Events in clinical trials; Member, Managing Committee, CMET, AIIMS; Prof J P Das Oration at Indian College of Cardiology -26th Annual Conference 20 Sep 2019, Kochi-Looming Burden of Heart Failure in India: Can we Reduce it? Collaborator, Global Burden of Disease; Member of the GBD India Cardiovascular Disease Expert Group.

**Professor S Ramakrishnan** is Assistant editor of Annals of pediatric cardiology; Treasurer of national rheumatic heart consortium; Associate editor of JPCS.

**Dr Saurabh K Gupta** won Savitri Srivastava Imaging award PCSI 2019; CSI Indian innovation award 2019; IJMR Clinical image competition award 2019.

### **Cardiothoracic and vascular surgery**

**Professor SK Choudhary** was nominated as the member of American Association of Thoracic Surgeons; Conferred HonoraryDSc degree (Honoris Causa) by JRD University, Chitrakoot, December 2019; Awarded “Leadership Award (2019-20)” by Sambadh Health Foundation for outstanding contribution to the Tobacco Control Campaign in India. Delivered Dr Denton A Cooley Oration (Annual Oration of Sajja Heart Foundation), titled “Courage in Cardiovascular Research” on 22 August 2019, Hyderabad. Delivered Annual Oration at Deshbandhu College (Delhi University), New Delhi, titled “The Killer Number One” on 4 September 2019. Nominated as subject expert for selection of faculty in super specialty, Directorate of Research & Medical Education, Government of Punjab, 22 September 2019, Chandigarh. Nominated as subject expert for selection of faculty in super specialty, Janakpuri Super Speciality Hospital Society (Jsshs) Janakpuri, 4 March 2020, New Delhi. Nominated as an external examiner for MCh (CTVS) 16 March 2020 at Pt. B.D. Sharma University of Health Sciences, Rohtak. Nominated in Specialists Board in specialty of Cardiothoracic Surgery, National Board of Examinations. 2019. Nominated as expert to review the draft white paper on Electronic nicotine delivery systems (ENDS), also called electronic cigarettes, e-cigarettes, Indian Council of Medical Research, New Delhi. Nominated as member of “Standing Technical Committee”, DGHS, Government of India, 26 December 2019, New Delhi. Nominated as Chairperson of Expert Group to conduct inspection at SMS Hospital, Jaipur for Heart Transplantation facilities under Transplantation of Human Organs Act, 1995, November 2019. Nominated as a member in Expert group to conduct inspection of Indraprastha Apollo Hospital, New Delhi for Lung Transplantation facilities under Transplantation of Human organs act, 1995 by the DGHS, December 2019, New Delhi. Nominated as a member in Expert group to start robotic surgery program at National Institute of Thoracic and Respiratory Diseases, 12 February 2020, Mehrauli, New Delhi.

**Professor Sachin Talwar** was Governing Council Member of WSPCHS for 4 years. Editor, Congenital Section, Asian Cardiovascular annals Thoracic annals. Theory examiner, PGI Chandigarh, 24-27 April 2019. Theory examiner, KGMC Lucknow, April 2019. Expert for Selection / Promotion of Faculty Members at King George’s Medical University: 30 July 2019. Expert for Selection / Promotion of Faculty Members at SCTIMST Trivendrum 30 August 2019. Expert for Selection / Promotion of Faculty Members at PGI Chandigarh 23 August 2019. MCh examiner SCTIMST Trivendrum, 7 December 2019. Selected External expert for PhD viva-voce for Phd (computational fluid dynamics). Keynote lecture on “arterial switch operation: what can we learn from the Indian experience” at Summit on the arterial switch operation-A to Z, 27-29 November 2020, Bali, Indonesia.

### **Cardiac Anaesthesiology**

**Professor Neeti Makhija** chaired a session in the 14th Annual Perioperative and Critical Care Transesophageal Echocardiography Workshop from 6-8 March 2020 at PGIMER, Chandigarh on Pediatric Imaging that included the following topics: Assessing PAH in CHS and its implications–non invasive, Complex cardiac anomalies – single vs double ventricle repair, Pre op and Post op echo assessment of D- TGA, Congenital mitral valve abnormalities – Pre and post-op echo assessment; Chaired the session on workshop on Lung Isolation Techniques in The Airway -2020, The Airway Congress of Airway Management Foundation from 22.02.2020 to 23.02.2020 at New Delhi. Chaired the session in 23rd National Conference of Indian Association of Cardiovascular and Thoracic Anesthesiologists 2020 at Goa organized by the Mumbai Branch from 7 February 2020-9 February 2020 on “Paediatric Cardiac Intensive Care” that included the following topics: Ivabradin: New kid on the block in Congenital Hearts, How to plan peri-operative nutrition in children?, Near misses in Paediatric Cardiac Anaesthesia/ICU-My Experience, Approach to Post op Fever-Wait OR Escalate Antibiotics; Chaired the Session in the 8th Comprehensive Perioperative Echo Workshop on 16 November 2019 At Medanta, The Medicity, Gurgaon on “Decision Making in Valve Disease – II” which included the following lectures: Should the Tricuspid Be Repaired? On which Echo Criteria should you rely?, Aortic Regurgitation: Pitfalls in Assessment, Aortic Stenosis: Gradients Vs Valve Area?, Prosthetic Valves: Type and Echo Assessment of the Newly Seated Valve, Assessment of the Thoracic Aorta: TEE

and Epiaortic Views, TAVR: Imaging and beyond. These lectures were followed by Panel Discussion and interaction with Audience. Also mentored the participants in the Hands-on Sessions & Wet Lab: Porcine Heart Dissection.

**Professor Poonam Malhotra Kapoor** has completed her 1 year tenure as the President of IACTA ( non elected). Continuing as the President of SCA-Delhi and NCR Branch ( non elected). Continuing as Founding Secretary and Chairman Academics of “The Simulation Society”. She has become the Past President of ECMO Society of India (non elected). She has nominated as Senior member –The AAPI Global Resuscitation Ad hoc Committee (2019-20). Editor-In-Chief. Journal of Cardiac Critical Care, 3rd and 4th issues of JCCC 2019. Principal Editor of Book entitled “Hypertension: New Frontiers – textbook of Cardiology” Edited by Dr HK Chopra published by Jaypee Publishers. Received “Award of Honour –for Contribution in ECMO and Echocardiography” at CSI meeting held at EROS Hotel on 10 November 2019. She was Examiner for: DNB Cardiac Anaesthesia, Kolkata; DNB Cardiac Anaesthesia, Ahmedabad; DNB Cardiac Anaesthesia, SGRH, Delhi; FTEE examination conducted by IACTA at Bengaluru. She was content provider for online Fellowship in Cardiac critical care (FICCC), Fellowship in Advanced Echocardiography (FIAE) and Fellowship in Basic Echocardiography (FIBE) online Examination, conducted by The Simulation Society (TSS) and Journal of Cardiac Critical Care (JCCC). The Exams were online conducted by Tata Consultancy Services. Co-Editor: ISCCM Manual of RRT and ECMO in ICU (A Reference Book for Practicing Intensivists) Author: Editor: Rajesh Chandra Mishra, Co-Editors: Kanwalpreet Sodhi, KC Prakash, Poonam Malhotra Kapoor. Attended as Invited Faculty, 1st CytoSorb Advisory Board Meeting on Cardiovascular Surgeries, 22 May 2019, New Delhi. Editor in Chief – Journal of Cardiac Critical Care, Knowledge sharing Session on “Understanding Lifestyle Diseases”, 4 May 2019, New Delhi; Conducted ECMO workshop and hands-on Session, TSS-APVIC Vascular ECMO Course, 29 June 2019, New Delhi. Course Director to conduct Vascula ECMO Workshop, 11th Asia Pacific Vascular Intervention Course, 28-30 June 2019, New Delhi; Publishing Workshop Jointly by B.B. Dikshit Library, AIIMS and Wolters Kluwer, 11 July 2019, New Delhi.

**Professor Minati Choudhury** was awarded for the paper “Correlation between thoracic fluid content (TFC), total leukocyte count (TLC) and C-reactive protein in patients undergoing pediatric cardiac surgery. (Co investigators.... S Aggarwal, Devagourou V), At World congress of cardiology, Barcelona, Spain 23 and 24 September 2019.

**Devishree Das and Minati Choudhury** won Award for the paper.....” A case of Hedinger syndrome secondary to carcinoid tumor of ovary. 14th perioperative and critical care workshop, 6-8 March 2019, PGIMER, Chandigarh.

**Dr Arindam Choudhury** received Best paper award (First prize) by the European Association of Cardiothoracic Anaesthesiologists during their annual meeting in September 2019 at Ghent, Belgium for presenting the above mentioned paper. It was judged the best oral presentation out of all the international papers presented during the EACTACON 2019 (Abstract and the award certificate attached). Received Certificate of appreciation awarded for academic contribution to the SET facility programs by Director, AIIMS New Delhi during a faculty felicitation ceremony on November 2019.

### **Cardiac Biochemistry**

**Professor Lakshmy Ramakrishnan** chaired a session on “Pathology and epidemiology of atherosclerosis”, 5th Annual Conference of the Delhi Chapter of Indian Society of atherosclerosis research (ISAR-DCCON-2019), 3 August 2019, New Delhi; Member of technical advisory group constituted by Ministry of Health and Family Welfare for conducting Comprehensive national Nutrition Survey (CNNS); Expert member of project review committee of Indian Council of Medical Research in the area of Endocrinology; Also an expert member of ICMR in the area of Non Communicable Diseases; Expert member for the Task Force Project on “ICMR-India Diabetes [INDIAB] study for estimating prevalence of Diabetes and Pre- Diabetes in different states of India; Member of CKD project monitoring technical advisory committee constituted by Health and Family welfare ministry, Government of AP; Member of research area panel on diabetes at NCDIR, Bengaluru; Member of Expert Committee for Lab and Blood bank Equipment purchase in NHSRC; Member of expert group for preparation of revised GCLP guideline by ICMR; Examiner for 2 PhD thesis from Osmania University, Hyderabad; Member of research group committee for DBS study in NFHS 4 and 5; National editor, J of Practice of Cardiovascular Sciences; Reviewed articles for Therapeutic advances in Endocrinology and metabolism, International J of diabetes in developing countries, IJMR, Clinical chemistry and laboratory medicine, J of diabetes research.

### **Cardiac Nuclear Medicine**

**Dr Chetan Patel** was Chairperson in Nuclear Cardiology session, Panel discussion, 51st Annual Conference of Society of Nuclear Medicine, 12-14 December 2019, Mumbai. Reviewer for National and International Academic Journals. Vice President, Nuclear Cardiological Society of India; Member of Executive Committee, Society of Nuclear Medicine, India; Member of Executive Committee, Association of Nuclear Medicine Physicians of India; Subject expert for faculty interview 10 May at AIIMS, Jodhpur; Subject expert for faculty interview 8 September at AIIMS, Jodhpur; External examiner for MD Nuclear Medicine, at Sri Venkateshwara Institute of Medical Sciences, Tirupati on 1 May 2019; Reviewed thesis of MD Nuclear Medicine students, AIIMS, Rishikesh; Reviewed thesis of MD Nuclear Medicine students, TMH, Mumbai; Internal Examiner for MD Nuclear Medicine, MSc Nuclear Medicine Technology and DM Nuclear Medicine Therapy

Practical Examinations held in December 2019; Reviewer of Adhoc Extramural Proposal of ICMR; Member Store Purchase Committee of Center for Integrative Medicine & Research (CIMR); Chairman, Selection Committee for recruitments in research projects at CIMR; Chairman, Selection Committee for recruitment of core staff at CIMR under COE Scheme, AYUSH; Training: DM cardiology students: Dr Ashish Hota & Dr Tejvir Singh, NEIGRIHMS, Shillong- One month experience in Nuclear cardiology, AIIMS; Training: MD Nuclear Medicine students from Sri Venkateswara Institute of Medical Sciences, Tirupati.

### **Cardiovascular Radiology and Endovascular Interventions**

**Professor Sanjiv Sharma** was Reviewer for many national and international radiology and cardiology journals; President of society of emergency radiology.

**Dr Priya Jagia** was reviewer for many national and international radiology and cardiology journals.

**Dr Sanjeev Kumar** was Reviewer for many national and international radiology and cardiology journals; Nominated as Secretary of Delhi ISVIR; APCIO Young investigator Scholarship; Winner of ‘Clinical Images competition 2019’ under the IJMR Symposium.

### **Residents**

1. Dr Vineeta Ojha: CIRSE International Young Fellow Travel Award for CIRSE 2019.
2. Dr Rengarajan Rajagopal: First place in residents fellows quiz in CIRSE Annual Congress 2019.

### **Blood Transfusion Services**

**Dr Anjali Hazarika** chaired a scientific session during CME on Transfusion Medicine at AIIMS, New Delhi- 5 April 2019; Organized a Donor felicitation programme with an Awareness Walk on Voluntary Blood Donation On World Blood Donors Day, 14 June 2019; Technical Expert during “Review of Technical Specifications of Medical Devices required in Lab and Blood Banks”- at NHSRC, Munirka Delhi – 5 July 2019; Chaired scientific session of in CME on Thalassaemia by Thalassaemic Society of India- 18 August 2019; Chaired scientific session at BAHMC, Rohini during CME on “An update on Perinatal, Neonatal and Pediatric Transfusion Practices”, 31 August 2019; Observer during inspection of Blood Bank for NABH accreditation, 27 and 28 September 2019; Nominated as Nodal officer for Fire Safety, BB CNC – 29 September 2019; On occasion of National Voluntary Blood Donation Day, organized month long activities like inhouse and outdoor blood donation camps, Puppet shows and Nukkad Natak in collaboration with DSACS at CNC to create awareness about Voluntary blood donation-3 October - 3 November 2019; Technical expert-Meeting and demonstration of about Good Governance Mobile app for blood donors at IRCS - 9 January 2020; Technical expert during meeting at Health Ministers office in Nirman Bhavan for suggestions regarding improving availability and accessibility of Blood in Delhi,- 9 January 2020; Chaired a scientific session on “Immunohaematological case presentation in multiple transfused pts” during CME on “Current trends & Challenges Immunohaematology & Transfusion Medicine” in Deen Dayal Upadhyay Hospital, Delhi, 20 February 2020; Mega Blood Donation Camp by the 3 blood Banks of AIIMS with a single day collection of a record 3000 voluntary blood donation, 27 February 2020

### **VISITING SCIENTISTS**

#### **Cardiothoracic and Vascular Surgery**

1. Dr Kaushik Mandal, Hershey Medical Center, Hershey, USA
2. Dr Roberto Bortolomeo, University of Bologna, Bologna, Italy
3. Dr Sivakumar Sivalingum, National Heart Institute, Kuala Lumpur, Malaysia
4. Dr Catherine Sudarshan, Papworth hospital, Cambridge, UK

#### **Cardiovascular Radiology and Endovascular Interventions**

1. Dr ChantsalsurenGalbaatar, The intermed Hospital, Ulaanbaatar, Mangolia
2. Dr Khishigjargal Erdene, The intermed Hospital, Ulaanbaatar, Mangolia
3. Dr Mohammad Anwar Hossain, Department of Radiology and Imaging, Dhaka, Bangladesh
4. Dr Wahiduzzaman, National institute of Cardiovascular Diseases, Dhaka, Bangladesh
5. Dr Shikha Sood, Indira Gandhi Medical College, Shimla, Himachal Pradesh
6. Dr Harshit, Sree Chitra Tirunal Institute for Medical Sciences and Technology, Thiruvananthapuram, Kerala

#### **Stem Cell Facility**

1. Dr Chandan Sen, Indian University, Indianapolis, USA
2. Cato T Laurencin, University of Connecticut, Storrs, USA

## 10.2. Centre for Dental Education and Research

### Chief

OP Kharbanda  
(up to 29 February 2020)

Ritu Duggal  
(Orthodontics and Dentofacial Deformities)  
(from 1 March 2020)

### Professors

Ajoy Roychoudhury  
(Oral and Maxillofacial Surgery)  
Ongkila Bhutia  
(Oral and Maxillofacial Surgery)

Veena Jain  
(Prosthodontics)  
Vijay Prakash Mathur  
(Paediatric and Preventive Dentistry)

Ajay Logani  
(Conservative Dentistry and Endodontics)

### Additional Professors

Dalim Kumar Baidya  
(Anaesthesia)

Devlina Goswami  
(Anaesthesia)

### Associate Professors

Amrita Chawla  
(Conservative Dentistry and Endodontics)

Vijay Kumar  
(Conservative Dentistry and Endodontics)

Rahul Yadav  
(Oral and Maxillofacial Surgery)

Vilas Samrit  
(Orthodontics and Dentofacial Deformities)

Prabhat Kumar Chaudhari  
(Orthodontics and Dentofacial Deformities)

Kunaal Dhingra  
(Periodontics)

Kalpana Bansal  
(Paediatric and Preventive Dentistry)

Nitesh Tewari  
(Paediatric and Preventive Dentistry)

Dheeraj Kumar Koli  
(Prosthodontics)

Shalini Gupta  
(Oral Medicine)

Deepika Mishra  
(Oral Pathology and Microbiology)

Harsh Priya  
(Public Health Dentistry)

### Assistant Professors

Krushna Bhatt  
(Oral and Maxillofacial Surgery)

Aditi Nanda  
(Prosthodontics)

Rahul Morankar G  
(Paediatric and Preventive Dentistry)

Sidhartha Sharma  
(Conservative Dentistry and Endodontics)

Vikender Singh  
(Periodontics)

Anika Daing  
(Periodontics)

Bharathi M Purohit  
(Public Health Dentistry)

### Senior Administrative Officer

Smt. Renu Bhrdwaj

### Store Officer

Bhawani Singh

### Senior ANS, Officer

Alka Jhadhav

Neelam Sood

## HIGHLIGHTS

Centre for Dental Education and Research (CDER) has continued its leadership role in the region by being WHO Collaborating Centre for Oral Health Promotion since 2014 and discharging its functions as technical expert and for capacity building in neighboring countries. It is also a national leader and has been continuing as National Centre of Excellence for Implementation of National Oral Health Program for Ministry of Health and Family Welfare, Government of India. It helps the Government and ICMR in various policy matters, technical expertise, capacity building and quality control by conducting various events and the expertise of its faculty members.

The faculty of the department has organized 23 national conferences, workshops, symposia and hands-on programmes for faculty members and students of other dental and medical institutes in the country.

The faculty members are serving as office bearers and editors of prestigious professional organizations and journals, and have been delivering orations, keynote addresses and guest lectures across the world. The faculty have also received two awards and fellowships in international and six awards and fellowships at national events during this year. During this year a state-of-the-art cleft lip and palate clinic, and histopathology laboratory were inaugurated.

## EDUCATION

Centre for Dental Education and Research has been conducting postgraduate courses in Orthodontics, Prosthodontics, Conservative Dentistry & Endodontics, Oral & Maxillofacial surgery and Pediatric & Preventive Dentistry. This year the centre has enrolled PhD candidates in Orthodontics, Oral & Maxillofacial surgery and Pediatric & Preventive Dentistry. The Centre is also conducting the teaching programme for Dental Operating Room Assistant (DORA) and BSc Dental Hygiene Courses in collaboration with other departments in the Institute. The centre also continues to teach Undergraduate students (MBBS and BSc Hons. Nursing). Apart from this, short term trainees and observers have been visiting the centre.

### **CMEs/Workshops/Symposia/National and International Conferences Organized by the Centre**

1. How to Make Best of the Postgraduate Years, Symposium, 1-2 April 2019, CDER AIIMS, New Delhi
2. Hands on workshop on oral cancer screening, National Institute of Cancer Prevention and Research, 10 April 2019, Noida
3. Workshop on National Level Oral and Disease Burden Survey in India, 12 July 2019
4. CME on Laser-assisted tongue tie management, 16 July 2019, AIIMS, New Delhi
5. AOCMF Seminar—Advances in Orthognathic Surgery, New Delhi, India, 19 and 20 July 2019
6. NTPC Programme, 19-21 August 2019, AIIMS, New Delhi
7. Training Programme for KV School teachers, 2 batches, 26 August and 3 December 2019, CDER, AIIMS, New Delhi
8. Oral Healthcare Innovations Conference 2019, 16 September 2019, AIIMS, New Delhi
9. Faculty International: AOCMF Seminar Advances in Management of Temporomandibular Joint Reconstruction, Changsha, China, 20 and 21 September 2019
10. 1st AIIMS Periodontal & Peri-implant Plastic Surgery Symposium, 2 and 3 October 2019, New Delhi
11. Pre-conference Workshop of Cast Partial Denture – Clinical and Laboratory Steps, 47th Indian Prosthodontics Society Conferences, 29 November 2019, Raipur, India
12. Efficient Orthodontic Techniques for Best Facial Esthetics, 11 December 2019, AIIMS, New Delhi.
13. CME, Advances in Pediatric dentistry, 24 Dec 2019, AIIMS, New Delhi
14. Advancing Dental Research in India: National Brainstorming Meeting, 17 January 2020, New Delhi
15. Oral health promotion and oral cancer prevention for ORBO Nurses, AIIMS, New Delhi, 20 January 2020, AIIMS, New Delhi
16. Faculty International: AOCMF Lighthouse Course TMJ Surgery (with Human Anatomical Specimens), 26-28 January 2020, Leiden, Netherlands
17. Second TMJ Replacement live surgery and cadaver course, 16-18 February 2020, AIIMS, New Delhi
18. Training of Nursing Professionals on Oral Health Promotion under National Oral Health Programme, 18 February 2020, Centre for Dental Education and Research, AIIMS, New Delhi

### **Lectures delivered**

**OP Kharbanda: 9**

**Veena Jain: 2**

**Vijay Prakash Mathur: 13**

**Ritu Duggal: 3**

**Ongkila Bhutia: 3**

**Prabhat Kumar Choudhari: 1**

**Ajoy Roychoudhury: 10**

**Ajay Logani: 13**

**Vijay Kumar: 2**

**Amrita Chawla: 3**

**Kalpna Bansal: 2**

**Vikender Singh: 8**

**Devalina Goswami** (*Please see 9.1 Anaesthesiology*)

**Dalim Kumar Baidya** (*Please see 9.1 Anaesthesiology*)

**Deepika Mishra: 6**

**Aditi Nanda: 1**

**Sidhartha Sharma: 1**

**Dheeraj Kumar Koli: 3**

**Shalini Gupta: 7**

**Harsh Priya: 10**

**Nitesh Tewari: 12**

**Kunaal Dhingra: 2**

**Krushna V Bhatt: 1**

#### **OP Kharbanda**

1. Guest lecture, Indian Dental Association East Delhi Conference-EASTDENT 2019, 20 and 21 April 2019, New Delhi
2. Non-Compliance molar distalisation, Rendezvous COSG-2019: Expanding the Knowledge, 8 September 2019, Chandigarh
3. Cleft and Craniofacial Orthodontics challenges and solution, 10th International Conference of Orthodontics and Dentofacial Orthopaedics Association of Nepal (ODOAN), 13 and 14 September 2019, Lumbini, Nepal
4. Digital Orthodontics, North Zonal IOS PG Convention, 27-29 September 2019, Jamia Millia Islamia, New Delhi
5. Cleft is Just not a gap, 32nd Annual ISDR Conference 2019, 15-17 November 2019, Ahmedabad, Gujarat
6. Pre-Conference course, 3D workshop: Why go Digital in Orthodontics, 54th Indian Orthodontic Conference, 21-24 November 2019, Bhubaneswar, Orissa
7. Management of Complex Malocclusion in AIIMS four decades of experiences, INDOCLEFTCON 2020, 8 and 9 February 2020, New Delhi
8. 2020 Vision for m-Oral Health, 97th International Association of Dental Research (IADR) General Session, 19-22 June 2019, Vancouver, Canada
9. Oral presentation, 11th Asian Chief Dental Officers Meeting 2019 and WHO Side meeting, 24-26 October 2019, Myanmar

#### **Ritu Duggal**

1. Guest lecture, How to Make Best of the Postgraduate Years Symposium, 1 and 2 April 2019, CDER AIIMS, New Delhi
2. Guest Lecture, North Zone Orthodontic, PG Convention, 29 September 2019, Faculty of Dentistry, Jamia Millia Islamia, New Delhi
3. Diagnosis and case-selection for a functional appliance, Orthodontic Finish Line, an Orientation Programme for MDS Exam, 24 and 25 January 2020, Sri Aurobindo College of Dentistry, Indore, MP

#### **Ajoy Roychoudhury**

1. Concomitant TMJ and orthognathic surgery, Advances in Orthognathic Surgery, 19 July 2019, AIIMS, Delhi
2. Protocol for TMJ ankylosis treatment, Advances in Management of Temporomandibular Joint Reconstruction, 20 September 2019, Changsha, China
3. Total Temporomandibular Joint Replacement, Advances in Management of Temporomandibular Joint Reconstruction, 20 September 2019, Changsha, China
4. Total TMJ replacement, AOCMF Lighthouse Course—TMJ Surgery (with Human Anatomical Specimens), 16 January 2020, Leiden, Netherlands
5. Preauricular approach, AOCMF Lighthouse Course—TMJ Surgery (with Human Anatomical Specimens), 16 January 2020, Leiden, Netherlands
6. Interposition arthroplasty with temporalis, AOCMF Lighthouse Course- TMJ Surgery (with Human Anatomical Specimens), 16 January 2020, Leiden, Netherlands
7. Live surgery TMJ Replacement, 2nd TMJ Replacement live surgery and cadaver course, 16-18 February 2020, AIIMS, DELHI
8. Cadaver demonstration for TMJ replacement, 2nd TMJ Replacement live surgery and cadaver course, 16-18 February 2020, AIIMS, Delhi
9. Surgical outcomes and challenges in stock alloplastic total joint replacement in adult tempromandibular joint ankylosis, 24th International Conference on Oral & Maxillofacial Surgery 2019, 21-24 May 2019, Rio-de-Janeiro, Brazil
10. A retrospective study of pediatric mandibular fracture and its management. 24th International Conference on Oral & Maxillofacial Surgery 2019, 21-24 May 2019, Rio-de-Janeiro, Brazil

### **Veena Jain**

1. Rehabilitation of patients with dentinogenesis imperfect, 22nd IPS post graduate convention, 6-8 March 2020, Amrita School of Dentistry, Kochi, Kerala
2. Oral appliance therapy in obstructive sleep apnea, AIIMS Pulmocrit-2020, 5-6 March 2020, Department of pulmonary, critical care and sleep medicine AIIMS, New Delhi

### **Ongkila Bhutia**

1. Acute dental infection and maxillofacial injuries, 20 April 2019, AIIMS, New Delhi
2. Prevention of spread of Covid 19 among the HCW, CDER Staff, 3 March 2020, CDER, New Delhi
3. Complications of Total Alloplastic TMJ Replacement, 2nd AIMS Total TMJ REPLACEMENT live surgical workshop, 16 February 2020, AIIMS, New Delhi

### **Ajay Logani**

1. Regenerative Endodontics- India's contribution, 20th Asia Pacific Endodontic Conference, April 24-27, 2019, Istanbul, Turkey
2. A biologically oriented treatment protocol for posterior teeth exhibiting symptomatic irreversible pulpitis and associated apical periodontitis, 19th European Society of Endodontology Biennial Conference, 12-14 September 2019, Vienna, Austria
3. Management of traumatic dental injuries, 4th ISDT National symposium – Road map for Dental Traumatology, 22 April 2019, KM Shah Dental College, Vadodara
4. Trauma induced root resorption, 2nd congress of South Asian of Pediatric Dentistry and 3rd annual conference of Nepalese association of Pediatric Dentistry, 4-6 April 2019, Kathmandu, Nepal
5. Do we have alternative for root canal therapy in teeth with irreversible pulpitis? 2nd IACDE North Zonal Conference of post graduate student convention, 26-27 August 2019, KGMC, Lucknow
6. Management of viral hepatitis B – clinical case scenario, Viral Hepatitis in Dentistry: Spreading smiles: Not Hepatitis, 21 November 2019, New Delhi
7. Management of complex dental injuries. Hands on MTA barrier for non-vital teeth with open apex, Faculty training workshop, 13 December, Mangalore
8. Regenerative Endodontic: Application of “Cell homing concept” in management of traumatized immature non-vital permanent teeth, KSHEMA- ICRS STEMOCN- 2019- 3 Biennial National Conference, 15 December 2019, Mangalore
9. MTA Barrier- clinical techniques, 2nd ISDT National Conference, 19-21 December 2019, Chennai
10. Multiple lectures – Full Day, Endomathon, 22 September 2019, Chandigarh
11. Basic of traumatic injuries, 21st Century Endodontic Conclave, 9 February 2020, Patna,
12. Management of root fracture, ISDT symposium, 27 July 2019, CMC Ludhiana
13. Apex locators: a must have gadget in endodontic practice, Delhi Dental Show, 13 and 14 July 2019, IDA New Delhi

### **Vijay Prakash Mathur**

1. Symposium on scientific writing, 2nd Biennial Conference of South Asian Association of Pediatric Dentistry, 4-6 April 2019, Kathmandu, Nepal
2. Overview policies and carrier opportunities in sports dentistry, 4th National Symposium of Indian Society of Dental Traumatology, 6 May 2019, Vadodara
3. Soft tissue laser use- innovative uses for better treatment outcomes, 72nd Annual Session of American Academy of Pediatric Dentistry-2019, 23–26 May 2019, Chicago, USA
4. Oral health related quality of life tools for pre-school children's, 27th IAPD Congress, 2019, 3-7 July 2019, Cancun, Mexico
5. Latest clinical approaches on pediatrics: Age one visit, ADA FDI Annual World Dental Congress 2019, 4-8 September 2019, San Francisco, USA
6. Lessons learned in training tobacco cessation counseling to dental professionals, ADA FDI Annual World Dental Congress 2019, 4-8 September 2019, San Francisco, USA
7. Directions for research in early childhood caries, ADA FDI Annual World Dental Congress 2019, 4 – 8 September 2019, San Francisco, USA
8. Symposium on scientific writing, 41st ISPPD Conference-Pedovibes, 7-9 November 2019, Greater Noida
9. How to concise your thesis into a journal paper, 33rd Annual International Conference 2019, Indian Society for

Dental Research, 15-17 November 2019, Ahmedabad

10. Oral health inequalities in south Asian region, IADR Asia-Pacific Region (IADR-APR-2019), 28-30 November 2019, Brisbane, Australia
11. When trauma arrives: Critical decision making, 2nd Indian Society of Dental Traumatology, 19 – 21 December 2019, Chennai
12. Pre-conference course on scientific writing, 17th ISPPD National P.G Convention 2020, 14–16 February 2020, Jaipur
13. What do trauma guidelines say? 17th ISPPD National PG Convention 2020, 14–16 February 2020, Jaipur

#### **Prabhat Kumar Choudhari**

1. Minimum requisite instruments- maintenance and sterilization & Ideal Orthodontic study model and Analysis, “How to make best use of postgraduate years: A student teachers perspectives”, 1 and 2 April 2019, AIIMS, New Delhi

#### **Vijay Kumar**

1. Oral Health Care in Elderly: Need and Challenges, 19th Biennial Conference of Association of Gerontology (India), 17 and 18 August 2019, New Delhi
2. Role of Conservative Dentist in Management of Cleft Lip/Palate Patients, 34th IACDE 2019 National Endodontic Conference, 28 November -1 December 2019, Mumbai

#### **Amrita Chawla**

1. Post Minamata convention: Quest for evidence-based strategies for posterior teeth restoration, 4th Asia Pacific Regional Congress of the International Association for Dental Research organized, 28-30 November 2019, Brisbane Convention and Exhibition Centre, Australia
2. Cone beam computed tomography based diagnosis and treatment planning in Endodontics, 27th IES National Conference, 20-22 December 2019, New Delhi
3. Morphological Assessment of Mental Foramen: A CBCT based Retrospective Study, 4th Asia Pacific Regional Congress of the International Association for Dental Research, 28-30 November 2019, Brisbane Convention and Exhibition Centre, Australia

#### **Sidhartha Sharma**

1. Orthograde Mineral Trioxide Aggregate Barrier as a Retreatment Option for Failed Apicoectomised Permanent Teeth- A Case Series, 27th IES 2019 National Conference, 20-22 December 2019, New Delhi

#### **Nitesh Tewari**

1. Sports Dentistry Clinical Procedures, 4th National Symposium of Indian Society of Dental Traumatology, 6 May 2019, Vadodara
2. Adverse consequences of traumatic dental injuries in primary and permanent teeth: management strategies for predictive outcomes, 27th Conference of International Association of Pediatric Dentistry, 6 July 2019, Cancun, Mexico
3. Traumatic Dental Injuries: Evidence based guideline, International Research Colloquium Nagasaki University Dental Hospital, 23 August 2019, Nagasaki, Japan
4. Adverse consequences of Traumatic Dental Injuries in young permanent teeth, International CDE of Dental Trauma in Hokkaido University Dental Hospital, 8 September 2019, Sapporo, Japan
5. Waging War against trauma induced root resorptions: Clinical insights and futuristic research, 41st National Conference of Indian Society of Pedodontics and Preventive Dentistry, 8 November 2019, Greater Noida
6. Full day workshop and hands on course on Dental Traumatology, CDE program as part of Centenary celebrations of Dr R Ahmed Dental College, Kolkata, 14 November 2019, Kolkata, West Bengal
7. Trauma induced root resorptions: regenerative management, 42nd UP State IDA Conference, 7 December 2019, Meerut
8. Crown and Crown root fractures in primary teeth: guidelines and beyond, 2nd National Conference of Indian Society of Dental Traumatology, 21 December 2019, Chennai
9. Traumatic injuries in primary teeth, CDE program on Traumatic Dental Injuries organized, 24 December 2019, Faridabad
10. Dental Traumatology: How to tackle the trauma of dental trauma in MDS examinations, Pedo-Vista-Rapid Revision

Program, 9 January 2020, Navi Mumbai

11. Management of Tooth Avulsion: Critical insights and clinical tips, 73rd Indian Dental Conference, 25 January 2020, Kovalam
12. Long term consequences of primary tooth trauma as part of Symposium on traumatic injuries to primary teeth, 17th Post graduate convention of Indian Society of Pedodontics and Preventive Dentistry, 16 February 2020, Jaipur

#### **Kalpana Bansal**

1. New Paradigms in Caries Management Strategies in Primary Dentition, Second Congress of South Asian Association of Pediatric Dentistry and Third Annual Conference of Nepalese Association of Pediatric Dentistry, 4-6 April 2019, Kathmandu, Nepal
2. Evolving Paradigms in Caries Etiology”, Pedovibes – 41st ISPPD National Conference, 7-9 November 2019, Greater Noida

#### **Dheeraj Kumar Koli**

1. Prosthodontic Management of Cleft Lip and Palate, National Training Programme in Cleft and Craniofacial Orthodontics, 21 August 2019, AIIMS, Delhi
2. Masticatory efficiency and bite force changes in complete denture with or without soft liner, Science and Art Of Prosthetic Dentistry, ICP & EPA joint meeting, 4-7 September 2019, Amsterdam, Netherland
3. Immediate implant with root retention, 47th Indian prosthodontics society conference, 28 November to 1 December 2019, Raipur

#### **Kunaal Dhingra**

1. Microrobots for Growth Factors and Stem Cells Delivery in Periodontitis, 105th Annual Meeting of the American Academy of Periodontology, 2-5 November 2019, Chicago, USA
2. Applications of Nanotechnology in Dentistry, National Conference on Nano/Bio-Technology (NanoBioTech-2019), 19–21 December 2019, New Delhi

#### **Vikender Singh**

1. When tissue is the issue: Soft tissue considerations around implants, 3rd Annual meet of Indian Prosthodontic Society, Haryana Branch, 12 April 2019, Gurugram
2. Clinical Periodontics and Mucogingival Esthetics in Dental Practice, Indian Dental Association, Kurukshetra Branch, 27 July 2019, Kurukshetra
3. Panel Speaker in PERIO-DIABETES Symposium, Delhi-NCR ISP Study Group, 8 September 2019, New Delhi
4. Decision making for the treatment of gingival recession of single tooth, Decision making for the treatment of gingival recession of single tooth, 3 October 2019, AIIMS, New Delhi
5. Pathogenesis of Periodontal Disease, ISP Smeeksha 2020, 16 January 2020, DAV Dental College, Yamunanagar
6. Fundamental principles of Periodontal Plastic Surgery for Predictable Outcomes, 6th National Conference (Perioinsight 2020), 14 February 2020, Sumandeep Vidyapeeth University, Vadodara
7. Advances in Surgical Techniques and Biomaterials for Soft Tissue Augmentation, 6th National Conference (Perioinsight 2020), 15 February 2020, KM Shah Dental College and Hospital, Vadodara
8. A Statement and Analysis of Periodontal Health, Gingival Disease and Conditions, AGGREGATE: Workshop on Classification of Periodontal Diseases, 3 March 2020, SudgaRustagi College of Dental Sciences and Research, Faridabad

#### **Shalini Gupta**

1. Clinical presentation of OPMDs and management operational framework guidelines for oral screening, Enabling continuum of care for cancer Training of trainers organized by GoIMoHFW, 17-19 July 2019, New Delhi
2. Screening of Oral cancer and precancers, Training of Trainers for ASHA workers organized by NHSRC, 26 July 2019, NIHFW, New Delhi
3. Liver Diseases & its Oral Manifestation – Dentist’s Viewpoint, Viral Hepatitis in Dentistry: ‘Spreading Smiles; NOT Hepatitis’, 21 November 2019, ILBS, New Delhi
4. Liver Diseases & its Oral Manifestation – Dentist’s Viewpoint”, Viral Hepatitis in Dentistry: ‘Spreading Smiles; NOT Hepatitis’, 11 February 2020, Sharda University, Greater Noida
5. Oral Potentially Malignant Disorders (OPMDs): Pathophysiology, diagnosis and various types of OPMDs, NICPR -ECHO, Advanced Cancer Screening Training program in Oral cancer (ACSTP-O) for dentists and oral surgeons, 21 January 2020, NICPR ICMR, Noida

6. Common abnormalities of the oral cavity, NICPR- ECHO Cancer Screening Training Program for Medical Officers (CSTP-MO), 21 May, 17 July, 29 August, 3 – 12 September, 20 November 2019 and 23 January 2020, NICPR ICMR, Noida
7. Oral Cancer Screening & Common abnormalities of oral cavity, Hands-on workshop on screening for common cancers, 10 April, 7 November 2019 and 27 February 2020, NICPR ICMR, Noida

## RESEARCH

### Funded projects

#### *Ongoing*

1. A Prospective Pilot study to evaluate the clinical success of a Tooth Colored metal free Self-Curing Resin-based material as an alternate to silver amalgam for Class-II Posterior Restoration, Amrita Chawla, AIIMS, 2 years, 2017-2019, Rs 3.71 lakhs
2. A study validating the efficacy of a herbal mouthwash in reduction of plaque and gingivitis: An in vitro evaluation and a randomized controlled clinical trial, Vikender Singh, National Innovation Foundation, Govt. of India, 2 years, 2019-2021, Rs 30.47 lakhs
3. Analysis of the opinions and beliefs associated with the use of tobacco dentifrice among the Individuals attending a Dental Hospital, Harsh Priya, Self-Funded, 1 year, 2020-2021, Rs 0.05 lakhs
4. Association of Candida and antifungal therapy with pro-inflammatory cytokines in oral leukoplakia-A pilot study, Shalini Gupta, AIIMS, 2 years, 2018-2020, Rs 5 lakhs
5. Automatic diagnosis and monitoring for orthodontic invisible appliance cases using artificial neural network (ANN), OP Kharbanda/Prabhat, India-Taiwan S&T Cooperation Programme–Global Innovation & Technology Alliance (GITA), 2 years 10 months, 2018-2021, Rs 16.63 lakhs (India); NT\$ 600,000 (Taiwan)
6. Biomechanical evaluation of patient-specific alloplastic temporomandibular joint replacement among Indian population-Single Centre Prospective Observational Study, Ajoy Roychoudhury, IIT Mumbai, 2 years, 2019-20, Rs 25 lakhs
7. Building research capacity in India: Identifying barriers and enablers to oral health research, Kunaal Dhingra, International Association for Dental Research (IADR), USA, 3 years, 2017-20, Rs 26 lakhs

8. Cleft Lip and Palate anomaly in India: Clinical profile Risk factors and current status of treatment: A hospital-based study-Main phase, OP Kharbanda/Vilas Samrith, ICMR, 3 years, 2017-2020, Rs 316.69 lakhs
9. Clinical, Histomorphometric and 3-Dimensional Cone Beam Computed Tomographic Analysis of Autogenous Tooth Bone Graft Mixed with Injectable Platelet Rich Fibrin for Ridge Preservation, Vikender Singh, AIIMS, 2 years, 2019-2021, Rs 8.89 lakhs
10. Cluster randomized controlled superiority trial to evaluate the growth outcomes and jaw functions after interposition arthroplasty with constochondral graft versus gap arthroplasty in the management of temporomandibular ankylosis, Ajoy Roychoudhury, ICMR, 3 years, 2018-21, Rs 15.46 lakh
11. Comparative evaluation of Module for Sports Dental Injury Prevention (MSIP) and combination of MSIP with custom-fabricated mouth-guard for prevention of traumatic dental injuries in 10-18 years old Kabaddi Players of Delhi-NCR region in a sports season: a cluster randomized controlled trial, Nitesh Tewari, ICMR, 3 years, 2020-2023, Rs 42 lakhs
12. Cone Beam Computed Tomographic evaluation of two novel techniques as adjuncts for non surgical management of large periapical lesions of endodontic origin –Prospective randomized double blind controlled trial, Ajay Logani, ICMR, 3 years, 2016-20, Rs 30 lakhs
13. Development and laboratory testing of a Self-adhesive Stainless-steel dental splint Prototype, Ajay Logani, AIIMS-IIT Delhi collaborative fund, 2 years, 2020-2022, Rs 10 lakhs
14. Development and validation of Dental Trauma Awareness Tool for School Teachers, Nitesh Tewari, ICMR, 3 years, 2019-2022, Rs 15 lakhs
15. Development of e DantSeva, an Oral Health Website and Mobile Application, Harsh Priya, e Health Division, MoHFW, 1 year, 2018-2019, Rs 35.5 lakhs
16. Effect of systemic and local antibiotic therapies on clinical and patient reported outcomes in healthy, partially dentate patients undergoing dental implant placement- a preliminary study, Veena Jain, AIIMS, 2 years, 2016-2018, Rs 3.98 lakh
17. Effectiveness of a Cranberry Extract Mouth-rinse Vs a Sodium Fluoride Mouth Rinse on Microbial Counts in Caries Active Children- A Double Blind Randomized Controlled Trial, Kalpana Bansal, ICMR, 2 years, 2019-2021, Rs 27 lakhs
18. Effectiveness of an Oral Health Toolkit for Pediatric Oncology Patient against standard of care in the improvement of oral health status in 2-14 years old pediatric cancer patients, Harsh Priya, AIIMS, 2 years, 2018-2020, Rs 5 lakhs
19. Evaluation of inflammatory markers metalloproteinase-8 (MMP-8) and cathepsin- k (CTSK) levels in immediate loaded and delayed loaded dental implants: a randomized controlled trial and pilot study. Dheeraj Kumar Koli, AIIMS, 2 years, 2017-2020, Rs 7.5 lakhs
20. Explore the novel use of florescence based microendoscopy and Raman spectroscopy for detection of oral cancer and dysplasia, Deepika Mishra, AIIMS–IIT Delhi Collaborative Research Project, 1 year, 2019-2020, Rs 5 lakhs
21. Fabrication and in-vivo (rat model) evaluation of novel local drug delivery system based on polymer nanocomposite for treatment of periodontitis, Kunaal Dhingra, ICMR, New Delhi, 3 years, 2019-22, Rs 41 lakhs
22. Functional collagen nanoparticle impregnated silk nano-ceramic composite 3D matrices for flat bone regeneration, OP Kharbanda, DBT, 3 years, 2018-2021, Rs 9.86 lakhs
23. Low intensity pulsed ultrasound (LIPUS) as a therapeutic adjunct to enhance periodontal healing subsequent to luxation dental injuries, Vijay Kumar, AIIMS, Rs 3.86 lakhs
24. Maxillofacial Planning and simulation system, Ajoy Roychoudhury, Ministry of Electronics and Information technology, 3 years, 2016-19, Rs 131.93 lakhs
25. Molecular and immunological characterization of fibro-osseous lesions affecting oral and maxillofacial region, Deepika Mishra, AIIMS, 1 year, 2019-2020, Rs 5 lakhs
26. Retrospective study of oral pathology specimens: incisional vs excisional specimens and cytopathology vs histopathology, Deepika Mishra, Self, 1 year, 2019-2020

### **Completed**

1. Association between serological levels and genetic polymorphisms of VEGF A and C with clinicopathological characteristics in oral squamous cell carcinoma and oral submucous fibrosis - A pilot study, Shalini Gupta, AIIMS, 2 years, 2016-2018, Rs 9.99 lakhs
2. Effect of nonsurgical periodontal therapy on metallothionein expression and levels in serum, saliva and gingival crevicular fluid: An interventional study, Vikender Singh, AIIMS, 1.5 years, 2017-2019, Rs 4.59 lakhs
3. Effect of various tooth storage media on viability, proliferative ability and differentiation of human periodontal ligament stem cells- an in-vitro preliminary study, Nitesh Tiwari, AIIMS, 1 year, 2016-2017, Rs 4 lakhs

4. Etiology of oral cancer in Indian population younger than 30 years, Deepika Mishra, Self-funded, 2 years, 2016-2018
5. Genetic profiling of non-syndromic Pierre Robin Sequence patients by whole exome sequencing and microarray, Deepika Mishra, AIIMS, 1 year, 2016-2017, Rs 5 lakhs
6. In-vitro efficacy and safety evaluation of novel mucoadhesive silver nanoparticle based local drug delivery system for treatment of periodontitis, Kunaal Dhingra, AIIMS, 1 year, 2016-17, Rs 5 lakhs

## **Collaborative projects**

### ***Ongoing***

1. A Population based prospective cohort study to unravel the causes of stroke and cognitive decline: A cross cultural perspective, Neurology–Clinical Epidemiology
2. A prospective, active controlled, randomised, double blind, multicentre, phase III study to compare the safety and efficacy of biosimilar denosumab of Enzine Biosciences Limited Versus innovator denosumab in the treatment of postmenopausal osteoporosis, Orthopedics, Endocrinology, Radiology
3. A study of offset analgesia in Trigeminal Neuralgia, Physiology
4. Assessment of oral hygiene status in HIV positive patients: a cross sectional study
5. Cleft Lip and Palate anomaly in India: Clinical profile Risk factors and current status of treatment: A hospital-based study, Main Phase, Genetics and CSIR-IGIB
6. Clinical, histomorphometric and 3-Dimensional Cone Beam Tomographic analysis of Autogenous Tooth Bone Graft mixed with Injectable Platelet Rich Fibrin for ridge preservation, Periodontics, Oral Medicine and Radiology
7. Design and testing of orthodontic mini-screw embedded with sensors to detect inflammation – Phase I, Deptt. of Biomedical Engg, Indian Institute of Technology, New Delhi
8. Development of Flip Chart on Oral Health among other NCDs in SEARO, Centre for Community Medicine
9. Development of MOOCs on Oral Health and Oral Cancer, World Health Organisation
10. Development of Training Modules for MPWs, CHOs and ASHAs on Primary Oral Health Ca, National Health Systems Resource Centre, Govt. of India
11. Functional collagen nanoparticle impregnated silk nano ceramic composite 3D matrices for flat bone regeneration, IIT Guwahati
12. Incidence and risk factors of back pain after cesarean section: A prospective observational study, Gynaecology and Obstetrics
13. National Level Oral and Dental Disease Burden Survey in India—Concept and methodology, Ministry of Health and Family Welfare
14. Perioperative Music Therapy in Addition to standard treatment for the Improvement of Quality of Recovery after Anesthesia Following Maxillofacial Surgeries: A Randomized Controlled Study, Anaesthesia.
15. Role of human Heterogeneous Nuclear Ribonucleoprotein D (hnRNPD) in oral cancer, Biochemistry
16. Role of Negative Regulators of EGFR in Malignant Transformations of Oral Dysplasia, Biochemistry
17. To assess the potential ability of Cathepsin L and Cathepsin B as universal biomarkers of cancer, Biochemistry

### ***Completed***

1. A study to assess the effectiveness of a planned simulation teaching on the knowledge and skill of nurses working in critical care unit of AIIMS, College of Nursing
2. An exploratory study to assess the association between Nicotine Metabolite Ratio (NMR) and Smokeless Tobacco Use parameters, Psychiatry and NDDTC
3. Association between serological levels and genetic polymorphisms of VEGF A and C with clinicopathological characteristics in oral squamous cell carcinoma and oral submucous fibrosis - A pilot study, Biochemistry
4. Effect of repetitive Trans cranial Magnetic Stimulation on pain status, thermal sensitivity and motor activity in Myofascial Pain Dysfunction Syndrome, Physiology
5. Effect of various tooth storage media on viability, proliferative ability and differentiation of human periodontal ligament stem cells- an in-vitro preliminary study, Stem cell facility
6. Estimate the oral cancer conversion risk with long term follow up (10-15 years) of patients with precancerous lesions- leukoplakia, submucous fibrosis, lichen planus- among patients included in a ICMR tobacco task force project, General Surgery, NICPR, Noida
7. Interdisciplinary variations in spectrum of oral mucosal lesions, Dermatology
8. To assess the potential ability of Cathepsin L and Cathepsin B as universal biomarkers of cancer, Biochemistry

## Departmental projects

### Ongoing

1. A clinical study to compare the effect of two methods of forced eruption on alveolar bone width and height of permanent maxillary incisor tooth with complicated crown-root fracture
2. A preliminary study to evaluate the outcome of combination of non-surgical endodontics and vital pulp therapy for management of mature permanent molar teeth with symptomatic irreversible pulpitis and periapical rarefaction
3. A prospective study to evaluate improvement in posterior airway volume and lengthening of mandible in simultaneous release of Ankylosis and mandibular distraction.
4. A study to identify the risk factors and prevalence of oral cancer through screening among security personnel working at AIIMS, New Delhi.
5. Ambispective study to evaluate the fate of Costochondral Graft in TMJ ankylosis patients from January 2014 to April 2018
6. An observational cross-sectional analytical study to evaluate the effects of Anti-cancer therapy on developing dentition in long term survivors of childhood cancers
7. Assessment of inferior vena cava collapsibility index (IVCCI) and variation of carotid artery peak velocity (CAPV) as predictor of post-spinal hypotension
8. Association of intraoperative blood glucose variability with postoperative outcomes in emergency laparotomy
9. Change in food consumption pattern with calorie, sugar and fat labels: A Systematic Review
10. Comparative evaluation of color change in restorative material is due to common eatables consumed by Indian children
11. Comparative evaluation of different root surface biomodification methods in teeth with extraoral dry times more than 60 minutes
12. Comparative evaluation of simvastatin gel and diode laser in pulpotomy of primary molars
13. Comparative evaluation of two rehydration protocols in fragment reattachment
14. Comparison of 5 factor modified frailty index and ASA classification to predict morbidity and mortality in patients undergoing arthroplasty – A prospective observational study
15. Comparison of blind intubation success rates through AirQ and LMA Blockbuster in adult patients
16. Comparison of clinical efficacy of Intrathecal 0.75% isobaric ropivacaine with fentanyl versus clonidine as adjuvant in caesarean section: A prospective randomised controlled trial.
17. Comparison of efficacy of Mitek mini anchor suture technique with conventional technique for TMJ disc placcation procedure in Wilkes class III patients: A randomized controlled trial
18. Comparison of lactate clearance and neutrophil lymphocyte ratio as predictor of mortality in patients with sepsis
19. Comparison of opioid based anesthesia technique and opioid free anesthesia technique in patients undergoing laparotomy for gynecological malignancy: randomized controlled trial
20. Comparison of treatment outcomes subcondylar fracture of mandible, managed using one trapezoidal plate vs two nonparallel straight miniplate
21. Comparison of urinary and salivary metal levels in long term fixed appliance therapy: A prospective study
22. Correlation between Doppler derived carotid artery corrected flow time, pressure transducer derived radial artery flow time and pulse pressure variation: A prospective observational study
23. Designing, Development and in-vitro/ex-vivo Testing of a Prototype Flexible Pre-loaded Self-adhesive Stainless-steel Splint for Stabilisation of Traumatized Anterior Teeth: A Pilot Interventional Study
24. Effect of 940 nm diode laser irradiation and dentin bonding agent on permeability of furcation area in primary molars
25. Effect of addition of dexamethasone to ropivacaine for extra oral mandibular nerve block in patients undergoing mandibular surgeries under general anesthesia
26. Effect of E-Cigarette on Periodontal structures - Meta Analysis
27. Effect of incremental PEEP titration on postoperative lung atelectasis in adult patients undergoing elective major abdominal surgery: A randomized controlled trial
28. Effectiveness of a Training Package in assessing oral health knowledge, attitude, approach and actions change among School Teachers in India: An interventional study
29. Effectiveness of an oral health training program for nursing professionals in India: An interventional study
30. Evaluation and analysis of an oral health promoting website and mobile application

31. Evaluation of fit feasibility of TJR standard stock prosthesis in TMJ ankylosis patients of Indian population – ambispective observational study Investigator.
32. Evaluation of immediate skeletal and occlusal pattern changes and their influence on electromyographic activity of jaw muscles in growing patients treated with rapid maxillary expansion for posterior crossbite – A prospective clinical study
33. Evaluation of the effect of one versus two step technique on the outcome of mineral trioxide aggregate pulpotomy in mature permanent teeth with symptomatic irreversible pulpitis- A prospective clinical study
34. Evaluation of the success rate of one piece yttrium – stabilized zirconia root analogue (RAI) Dental Implants- A pilot study
35. Exploring the usage of ultrasonography in assessing mid palatal suture opening with hyrax appliance: A Pilot study
36. Feasibility of anterior temporalis muscle ultrasound as a method to assess muscle wasting in ICU
37. Feasibility of the International Caries Classification and Management System (ICCMS) protocol in a hospital-based setting
38. Interleukin 1B levels around orthodontic mini implants during direct loading
39. Oral health status of participants visiting a dental exhibition at a tertiary care center.
40. Orthodontic white spot lesion Index: a novel tool for assessment of white spot lesion induced in orthodontic patients.
41. Outcome of full pulpotomy performed with or without calcium silicate based cement in mature permanent teeth with mechanical pulp exposure - a split mouth study
42. Predictors of Intensive Care Unit Admission and Mortality In Acute Febrile Illness: A Prospective Observational Study
43. Prognostic significance of preoperative blood lactate and lactate clearance in patients undergoing emergency laparotomy for perforation peritonitis: A prospective observational study
44. Prognostic significance of red blood cell transfusion trigger in critically ill patients with sepsis and septic shock: prospective observational study
45. Prospective study for the evaluation of change in 3D airway volume and improvement in quality of life after distraction osteogenesis of mandible in obstructive sleep apnea (OSA) patients secondary to retrognathia in TMJ ankylosis
46. Prospective study to evaluate the stability after zygomatic osteotomy in patients with post traumatic residual deformity of Zygomatico Maxillary Complex
47. Randomized control trial: Comparative analysis of orbital volume in 3D model assisted mesh adaptation versus conventional technique in reconstruction of orbital floor fracture
48. Randomized controlled trial to evaluate the treatment outcomes of transparotid and transmasseteric anterior parotid approached to treat mandibular subcondylar fractures
49. Role of spot urine sodium in furosemide stress test in volume overloaded critically ill patients with acute kidney injury - A prospective study
50. Sternocleidomastoid and trapezius muscle activity before and after Twin block therapy in skeletal class II growing patients
51. The effect of inciso-cervical position of wire-composite splint on the mobility of the avulsed permanent tooth: A cadaveric model study
52. The Effect of Rapid maxillary expansion on hearing in patients having Cleft Palate with conductive Hearing loss – A Pilot Study.
53. The Effect of Sequentially locally Injected Platelet Rich Plasma on the rate of tooth movement during maxillary canine retraction.
54. The effect of sodium fluoride mouth rinse on surface morphology and elemental composition of orthodontic brackets in three different pH conditions- an in vitro study.
55. The levels of Matrix Metalloproteinase-9(MMP9) as a prognostic biomarker for the outcome of pulpotomy in mature permanent teeth with symptomatic irreversible pulpitis- A clinical prospective study
56. To evaluate and compare bite force and chewing efficiency in patients of TMJ amyloses treated by alloplastic total joint replacement, gap arthroplasty with normal individuals.
57. To evaluate neck muscle activity after mandibular postural changes in growing class II high angle patients with Twin Block therapy- An EMG study
58. To evaluate the applicability Artificial Intelligence (AI) for categorizing the radiographic periapical lesions based on the periapical apical index (PAI) scoring system- A method comparison study

59. Treatment outcome of composite restoration performed with either indirect pulp therapy or full pulpotomy in deep proximal carious lesion- A clinical study
60. Ultrasonography assessment of brachial artery reactivity as predictor of adverse outcome in patients undergoing emergency laparotomy for perforation peritonitis: Prospective observational study

### **Completed**

1. A 3D study of treatment changes following maxillary protraction protocol in growing class III patients using digital models
2. A comparative study to evaluate the crestal bone level around immediate implant placed using socket shield technique and conventional technique – A pilot study
3. A comparative study to evaluate the soft tissue and volumetric changes around immediate implants placed using socket shield technique and conventional technique – A pilot study
4. A prospective study to observe the influence of immediate functional versus non-functional loading of full coverage prosthesis on the outcome of non-surgical endodontic therapy (NSET) performed on posterior teeth with periapical pathology
5. Ambispective study to evaluate the fate of Costochondral Graft in TMJ ankylosis patients from January 2014 to April 2018
6. Assessment of single versus subsequent Micro osteoperforation stimulated expression of IL-1 $\beta$  levels during Orthodontic Tooth Movement – A pilot study
7. Carotid artery corrected flow time & respiratory variations of peak blood flow velocity for prediction of hypotension after induction of general anaesthesia in adult patients undergoing elective surgery: A prospective observational study
8. Comparison of efficacy of dexmedetomidine and clonidine infusions to produce hypotensive anesthesia in patients undergoing orthognathic surgery: A randomized controlled trial
9. Comparison of efficacy of Mitek mini anchor suture technique with conventional technique for TMJ disc placcation procedure in Wilkes class III patients—A randomized controlled trial
10. Comparison of intraocular pressure change with facemask vs laryngeal mask airway in anaesthetised children
11. Comparison of post extraction bleeding complication in patients taking oral anticoagulants, with and without bridging therapy: A pilot study
12. Effect of addition of dexamethasone to ropivacaine for extraoral mandibular nerve block in patients undergoing mandibular surgeries under general anaesthesia
13. Effect of dexmedetomidine on emergence delirium and recovery parameters after desflurane or sevoflurane anesthesia in children: A prospective double randomized study
14. Effect of systemic and local antibiotics therapies on clinical and patient reported outcomes in healthy, partially dentate patients undergoing dental implant placement – A preliminary study
15. Efficacy of decremental PEEP trial on postoperative oxygenation status in adult patients undergoing emergency laparotomy: A pilot randomized controlled trial
16. Efficacy of left ventricular outflow tract velocity time integral (LVOT VTI) and carotid artery VTI as predictor of volume responsiveness to passive leg raising (PLR) in sepsis and septic shock patients by correlation with Echocardiography guided stroke volume change (delta SV%) to PLR
17. Epidemiology and prognostic utility of cellular components of hematological system in sepsis
18. Evaluation of diaphragmatic muscle mass in patients receiving pressure regulated volume controlled ventilation and synchronized intermittent mandatory ventilation for acute respiratory failure: A randomized controlled trial
19. Evaluation of rank1 in gcf and rate of tooth movement during canine retraction assisted with low level laser therapy – A randomized control trial
20. Evaluation of the effect of prosthodontic rehabilitation on quality of life and psychological distress in maxillectomy patients: A preliminary study
21. Fentanyl versus Dexmeditomidine infusion in head and neck free flap surgery for comparison of hemodynamics and anesthetic requirements
22. Integrated Ultrasound Protocol in predicting Weaning Success and Extubation Failure: A Prospective Observational Study
23. Stress distribution pattern in two different types of removable partial dentures on the supporting structures - A 3D finite element analysis and a clinical study
24. The effect of locally injected platelet rich plasma on the rate of tooth movement during maxillary canine retraction – A Pilot study

25. The effect of mandibular single implant supported overdenture on residual ridge resorption
26. The effect of prosthodontic rehabilitation of completely edentulous geriatric patients with mild cognitive impairment on their memory process - A functional MRI based pilot study
27. The influence of the severity of periodontal disease on periapical healing after non-surgical endodontic therapy in teeth with concomitant endodontic periodontal lesions without communication – A prospective study
28. To assess the efficacy of local anesthetic wound infiltration in temporomandibular joint ankylosis surgery for control of post-operative pain: A randomized controlled trial
29. To compare the effect of l-prf or alloplastic graft material on crestal bone levels around immediate implant placed in mandibular molar region
30. To compare the functioning of delayed surgical obturate fabricated using conventional and vacuum formed method in maxillectomy patients: A randomized control study
31. To correlate the level of osteocalcin in peri-implant crevicular fluid with crestal bone loss at different time intervals in immediate and delayed loaded dental implants. A randomized control pilot study
32. To determine whether implementation of a new ICU delirium prevention bundle will reduce the incidence of delirium compared to standard of care protocol in mechanically ventilated patients
33. To study the efficacy of clonidine as an adjuvant to ropivacaine in ultrasound guided transversus abdominis plane block in adult renal transplant recipients – A double blinded randomised controlled trial

## **PUBLICATIONS**

**Journals: 33   Abstracts: 5   Chapters in Books: 1   Books: 1**

## **PATIENT CARE**

### **Orthodontics and Dentofacial Deformities**

During the year under review we have provided greater emphasis on Interdisciplinary treatment of patients with Cleft Lip and Palate and combined orthogenetic surgery patients suffering from facial deformities.

### **Oral and Maxillofacial Surgery**

The division is a pioneer and leader in TMJ replacement surgeries, Temporomandibular Joint Surgery, Craniofacial trauma and Orthognathic and Aesthetic Surgery of face. The division has been efficiently running Oral and Maxillofacial Surgery OPD and Inpatient services with Exodontia, simple and complicated, Oral and Maxillofacial Pathology, managing Maxillofacial Infections, Surgery for Obstructive sleep apnea, Trigeminal neuralgia Clinic and Osteodontokeratoplasty.

### **Prosthodontics**

We have been managing outpatient duties for dental rehabilitation of complete and partially edentulous patients. We are running specialty clinic on Oral and Maxillofacial Prosthodontics, implant dentistry and temporomandibular disorders. Different types of prosthesis which we are fabricating for the patients are Complete denture, Removable Partial Denture, Crown and Bridge work, Laminates, Occlusal splints, Implant supported Prosthesis (Removable & Fixed), and Maxillofacial Prosthesis (Extra oral/ Facial & Intra oral). At the department, we are running two labs to fabricate removable and fixed Prosthodontic appliances.

### **Conservative Dentistry and Endodontics**

The specialty clinic of Conservative Dentistry & Endodontics is held twice a week. A non-surgical and surgical endodontic retreatment clinic has been initiated and is held once a week.

### **Pedodontics and Preventive Dentistry**

Division of Pedodontics and Preventive Dentistry deals with diagnosis and treatment of oral and dental diseases in children up to 14 years of age and those with special healthcare needs. On an average the division carries out about 20,000 procedures in children which range from simple to advanced paediatric dentistry procedures. We stress upon holistic and interdisciplinary care of all our patients by collaborating with other medical and dental specialties. We follow preventive protocol in almost all the patients and perform simple procedures as restorations, extractions to complex procedures as deciduous and permanent endodontic treatments, stainless steel crowns, space maintainers, habit breaking appliances and minor surgeries. Full mouth rehabilitation in children with early childhood caries, having severely mutilated multiple carious teeth is frequently done. Our division is also one of the pioneers of starting use of soft tissue lasers for surgical and biostimulation procedures in Paediatric Dentistry in India.

### **Oral Medicine and Radiology**

The division has been running regular OPD and Specialty Clinics for oral ulcers every week. The division also provides radiological support and Cone-Beam Computed Tomography facility to other divisions at CDER.

### **Periodontics**

Various treatment procedures carried out in the division are conventional non-surgical and surgical periodontal therapy, periodontal plastic surgery, soft and hard tissue regenerative procedures, diode laser-assisted soft tissue excision and adjunctive pocket debridement procedures.

### **Public Health Dentistry**

The division has been supporting regular OPD services and community outreach for AIIMS, running tobacco-use cessation clinics in CDER, Oral Health Screening in collaboration with Department of Community Ophthalmology, RPC, AIIMS for Blind School Children and Oral Health Screening among Paediatric Oncology patients in collaboration with Division of Paediatric Oncology, Paediatrics Department, AIIMS.

### **COMMUNITY ACTIVITIES**

Undertaken school-based Pit and Fissure Sealant Programme, MoHFW.

### **AWARDS, HONOURS AND SIGNIFICANT EVENTS**

**Professor OP Kharbanda** delivered the prestigious Indian Orthodontic Society Oration during 54<sup>th</sup> Indian Orthodontic Conference at Bhubaneswar. He has also been appointed Chairman for the Pierre Fauchard Academy Oration at Kochi. He is on the International Editorial Board of British Journal of Orthodontics and Australian Orthodontic Journal. He has also served as Expert to ICMR to review the research projects in the field of Oral Health and postgraduate research grants. Prof. Kharbanda also served as Chairman to the Ethics Committee of Manav Rachna Dental College (MRDC) Faridabad.

**Professor Ritu Duggal** is a member of the Board of Research Study of the SGT University and Chairman to the Ethics Committee of SGT University Gurugram. She also served as expert to ICMR to review the research projects in the field of Oral Health and postgraduate research grants. She is on the Editorial Board of Indian Orthodontic Journal of Orthodontics. She was also invited as ‘Guest of Honor’ on the occasion of convocation at ITS Dental College, Greater Noida and invited as ‘Guest Speaker’ on the Orientation programme for postgraduates at SGT University Gurugram.

**Professor Ajoy Roychoudhury** has been Dental Council Inspector to verify the teaching, infrastructure facility of various dental colleges in India providing postgraduate education. He has also been in the committee of MOH&FW to review the decisions of Dental Council of India pertaining to recognition to various Dental Colleges in India. He has also served as an expert at selection committee at SGPGI Lucknow. He delivered the Tajuddin Oration lecture at the 5<sup>th</sup> Annual Conference of Association of Oral & Maxillofacial Surgeons of India. He is also a reviewer for indexed journals like British Journal of Oral and Maxillofacial Surgery, National Medical Journal of India, Dental Traumatology, National Journal of Oral and Maxillofacial Surgery.

**Professor Ongkila Bhutia** has been chairperson HICC (Hospital infection control committee) CDER. She was also nominated for Nodal Officer, Covid 19, CDER, AIIMS. She is also a member of Institutional anti-ragging squad of undergraduate girl’s hostel. She was the Scientific Chairperson and course faculty 2nd AIMS total TMJ replacement live surgical workshop and is a member of main screening committee from CDER for various faculty posts at the AIIMS.

**Professor Ajay Logani** was elected President of the Indian Society of Traumatology (2017-2020).

**Professor Vijay Prakash Mathur** is faculty coordinator for Clinical Research Unit, Research Section, AIIMS and is also serving as member of Institute Ethics Subcommittee for monitoring of adverse events in clinical trials. This is year he was re-elected as Vice President- Indian Society for Dental Research (IADR- India Division) (2019-2021) and Vice President - Indian Society for Dental Traumatology. He was also nominated as Hon. Treasurer- Indian Society of Pedodontics and Preventive Dentistry (2019-2021) and Scientific Editor- Journal of International College of Dentists (Section VI) (2019-2021). He continues to serve as of Editor in Chief - Journal of South Asian Association of Pediatric Dentistry (2018-2021).

**Dr Prabhat Kumar Chaudhari** received Fellow-Membership of World Federation of Orthodontists.

**Dr Nitesh Tewari** received the prestigious JO Andreasen Award for Best Poster in Dental Traumatology in 27<sup>th</sup> Conference of International Association of Pediatric Dentistry held in Cancun, Mexico.

**Dr Kalpana Bansal** received the Distinguished Woman’s award 2020 from Indian Society of Pedodontics and Preventive Dentistry.

**Dr Shalini Gupta** received commemoration and felicitation by NICPR ICMR for collaborative work done in development of Oral cancer screening national guidelines, framework, software application ECHO programme and conducting training

workshop for medical officers and dentists. She is also a member of the Project Advisory Committee (PAC) of the ICMR Task Force study titled 'Screening and early detection of cervical, breast and oral cancer in the Dibrugarh, Assam: a demonstration project in TATA Tea gardens' by ICMR. She is a technical expert for 'Oral cancer Screening APP development' by Ministry of Health and Family Welfare (MoHFW) a Non-Communicable Disease' Technical Advisory Group (NCD TAG) and an expert for Oral cancer screening in GoI MoHFW programme for the Cancer strengthening Project that piloted in 6 districts of India. She was also appointed as Chairperson of the Selection Committee for the Positions of Dentist (SC) and Dentist (OBC). In the project entitled "WHO FCTC Global Knowledge Hub on Smokeless Tobacco at NICPR. She is also a reviewer for Journal of Indian Society of Periodontology.

**Dr Kunaal Dhingra** was awarded the prestigious Membership MFDS RCPS (Glasg) of Faculty of Dental Surgery of the Royal College of Physicians and Surgeons of Glasgow, UK in 2019

**Dr Vikender Singh** was elected as Vice President of Dental Surgeons Association of India, Gurugram Branch in April, 2019. He is also a reviewer for the Journal of Indian Society of Periodontology and Frontiers in Dentistry.

**Dr Deepika Mishra** was awarded the best poster award in XXVIII Conference of Indian Association of Oral and Maxillofacial Pathologists held in Kerala, 2020 and best paper award at 18th National Triple O symposium and 4th International Oral Precancer and cancer congress held in Delhi March 2020. She also had the second best paper award at 18th National Triple O symposium and 4th International Oral Precancer and cancer congress. Dr Mishra is also a member of e-newsletter committee of the Research Section at AIIMS.

**Dr Harsh Priya** has served as an External Expert for Development of Training Modules for MPWs, CHOs and ASHAs on Primary Oral Health Care at the National Health Systems Resource Centre, Govt. of India. She was also elected as Councilor for the IADR e-Oral Health Network group for the year 2020-2022 for International Association of Dental Research (IADR).

#### **VISITING SCIENTIST**

1. Dr Kishan Gauba, Head, Department of Oral Health Sciences
2. Dr Rajeev Agarwal, Pediatrics Consultant, Agave Pediatrics, Arizona, USA, July 2019
3. Dr Shukan Parikh Kanuga, MS, Consultant Pediatric Dentist, USA, December 2019

## 10.3. Dr. BR Ambedkar Institute Rotary Cancer Hospital

### Professor and Chief

GK Rath  
(Radiation Oncology)

### Professors

Subhash Chander (Radiation Oncology)	Lalit Kumar (Medical Oncology)	Sidhartha Satpathy (Hospital Administration)	SVS Deo (Surgical Oncology)
Sanjay Thulkar (Radio Diagnosis)	Sushma Bhatnagar (Anaesthesiology)	Atul Sharma (Medical Oncology)	Sameer Bakshi (Medical Oncology)
Seema Mishra (Anaesthesiology)	DN Sharma (Radiation Oncology)	Suman Bhaskar (Radiation Oncology)	Pratik Kumar (Medical Physics)
Sushmita Pathy (Radiation Oncology)	Ritu Gupta (Laboratory Oncology)		

### Additional Professors

Haresh KP (Radiation Oncology)	Subhash Gupta (Radiation Oncology)	Sanjeev Kumar Gupta (Laboratory Oncology)	Anita Chopra (Laboratory Oncology)
Pranay Tanwar (Laboratory Oncology)	Rakesh Garg (Anaesthesiology)	Nishkarsh Gupta (Anaesthesiology)	Vinod Kumar (Anaesthesiology)
Sachitanand Jee Bharti (Anaesthesiology)	Chandershekhara SH (Radio Diagnosis)	Sunil Kumar (Surgical Oncology)	Major MD Ray (Surgical Oncology)
Amar Ranjan Singh (Laboratory Oncology)			

### Associate Professors

Ajay Kumar Gogia (Medical Oncology)	Ranjit Kumar Sahoo (Medical Oncology)	Prabhat Singh Malik (Medical Oncology)	Sameer Rastogi (Medical Oncology)
Rambha Pandey (Radiation Oncology)	Ahitagni Biswas (Radiation Oncology)	Ritesh Kumar (Radiation Oncology)	Mukesh Yadav (Radio Diagnosis)
Ekta Dhamija (Radio Diagnosis)

### HIGHLIGHTS

#### **Onco-Anaesthesia and Palliative Medicine**

The Department of Onco-Anaesthesia and Palliative Medicine has seven well trained faculties at Dr BRAIRCH (Dr Sushma Bhatnagar, Dr Seema Mishra, Dr Rakesh Garg, Dr Nishkarsh Gupta, Dr Vinod Kumar, Dr Sachidanand Jee Bharati, Dr Brajesh Kumar Ratre) and four faculties at NCI (Dr Anuja Pandit, Dr Saurabh Vig, Dr Balbir Kumar and Dr Shweta Bhopale). They provide services to anesthesiology, critical care, pain and palliative medicine. All of them are professionally qualified anesthesiologists and critical care physicians and have gained experience as palliative care personnel in the advanced cancer patients referred for pain and other symptom management.

The mission of our department is to provide state-of-art and comprehensive care for patients with cancer with both curative and palliative intent. It includes services for various diagnostic interventions, surgical procedures, pain and palliative procedures. The department provides round the clock services for acute and chronic pain management. The department has six bedded intensive care unit which provides care for critically ill patients and six bedded palliative care ward for palliative care of oncology patients. The department has its regular academic activities and also pursuing various research activities in the fields of Cancer Pain, Palliative Care and Perioperative Medicine for proposed benefits for the patient. The department has developed protocol and has structured SOPs for better patient management. The department organizes CMEs, conferences and workshops on regular basis.

#### **Delhi Cancer Registry**

The Delhi Cancer Registry (DCR) is a population based cancer registry which collects cancer patient's data from more than 172 government or private hospitals/centers and 250 nursing homes and vital statistics division of MCD and NDMC and reports the incidence of various cancers among Delhi urban residents. When the registry was established in 1988 it has registered 5854 new cancer cases and over the years the new cancer incidence has been increasing and in 2014 the registered incidence was 20446 cases. The common sites of cancer among Delhi males are lung, mouth, prostate, tongue and larynx and in females the common sites of cancer are breast, cervix, ovary, gallbladder and corpus uteri. The reports prepared by registry are being widely used by researchers, govt. organization etc.

#### **Laboratory Oncology**

Laboratory Oncology Molecular Unit organized a live hands-on demonstration of 1) automated nucleic acid isolation from a variety of starting materials and 2) Droplet digital PCR. Hands-on-training on Real time qPCR (November 2019) and Sanger Sequencer (September, 2019) was conducted for the technical staff and scientists of the department.

#### **Medical Oncology**

The department of Medical Oncology is known for its high-level academic program, busy clinical service (inpatients and out patients) and research activity. Its academic program PhD, DM and BMT Fellowship are very competitive and sought after. Department also attracts students from national science academies and universities for summer training. In addition to academic presence in various national and international scientific meetings, department faculty members are regularly invited as an expert member to various government funding agencies for review of research proposals and opinions. 'Cancer Genetics service' is the new initiative started in past two years and has already made its presence. Recently award of a big grant by ICMR to establish a 'Cancer Genetics Registry' is the testimony to this recognition. Other important achievements in the past one year are development of infrastructure in medical oncology lab, establishment of new lab services directly related to patients care as well as research and organising national level meetings. In addition to handling huge clinical

load here at the IRCH, faculty members are also providing their services and mentorship to newly established National Cancer Institute at Jhajjar. Publications in high impact journals, research grants and recognition of our scientists and faculty members by various agencies are witness to their quality contribution. Our department has successfully organized National Conference on “Emerging Trends in Translational Oncology” and “Onco-Emergency Submit 2019”. All this was possible with hard work, and sincere efforts put up by all the members of the department. Space crunch continues to be a limitation for clinical research staff and for the lab.

The number of patients treated in our department during 2019-2020:

1. Patients treated as in-patient	11290
2. Patients treated in day care facility	: 34435
3. Medical Procedures	6267
4. Outpatient chemotherapy	14680
5. Outpatient IV antibiotics	34190
6. Hematopoietic Stem Cell Transplantation	125

#### ***Aphaeresis lab (2019-2020)***

1. PBSC harvests	201
2. SDP apheresis	2818
3. Granulocyte apheresis	101
4. Hemogram	23868

#### **Medical Physics**

Medical Physics unit looks after radiation safety, radiation education, and radiation research and quality assurance of radiation emitting imaging and therapeutic equipment in about 15 departments of AIIMS including the department which uses radioactivity for laboratory investigations. It procures the mandatory licenses from Atomic Energy Regulatory Board. We carry out radiation protection surveys of radiation installation and radioactivity labs, along with periodic checks of radiation safety gadgets like lead apron, thyroid collar, lead goggles, lead viewing windows etc. and impart radiation safety training. We provide consultations in case of inadvertent exposure to pregnancy occurred during x-ray investigations. During 2019-2020 we carried out 4339 measurements, tests, experiments and radiation sterilization of blood bags for blood transfusion.

#### **Preventive Oncology**

Preventive Oncology unit-initiated cancer awareness programmes for patients and attendants visiting Dr BRAIRCH after joining of Dr Pallavi Shukla as Assistant Professor. We also started cancer awareness programmes for college students as a part of health promotion drive. Through interdepartmental and multicentric collaborations various research projects were started for understanding the epidemiology and genetics of cancers like gall bladder, cervical, breast, prostate and ovarian.

#### **Radiodiagnosis**

A new faculty member (Dr Krithika Rangarajan) joined the department as Assistant Professor. Apart from the patient care, research and teaching work at BRAIRCH, our faculty is taking care of day to day functioning of radiology department of National Cancer Institute, Jhajjar. Faculty members visit daily to NCI Jhajjar on rotation basis. They were also involved in procurement, installation and functioning of Ultrasonography, DSA, fluoroscopy machines as well as CT and MRI machines at NCI Jhajjar. The department held multidisciplinary discussions/ tumor boards specifically addressing gastrointestinal malignancies, lung cancer and sarcoma on Saturday and Wednesday (forenoon and afternoon), respectively at BRAIRCH and daily DMG meetings at NCI.

#### **Surgical Oncology**

The year 2019-2020 was eventful and productive academic year for the department with significant achievements in teaching, research and patient care domains. The department has expanded clinical services at NCI Jhajjar, initiated a number of collaborative research projects, and organized international and national conferences and workshops. All the faculty members of the department participated in the under graduate and post graduate teaching and structured training of 27 Senior Residents including 16 M.Ch student and 11 non-academic senior resident. The departmental faculty is involved in M.Ch teaching, training and guiding in their thesis work. The faculty acts as co-guide in thesis work of various department including Radiation Oncology, Medical Oncology, Biochemistry, Biotechnology, Geriatric Medicine etc. The department successfully organized a number of scientific conferences and workshops including AIIMS-UK Cadaver course on breast oncoplasty and reconstruction, MIS in colorectal cancer surgery video workshop and a high level multi-institutional meeting to standardize curriculum and training in surgical oncology along with Society of Surgical oncology, USA. The faculty participated in a number of national and international conferences by giving lecture, participating in panel discussion and presenting educational videos. The faculty and residents of the department have presented 22 papers in national and international conferences. The department is involved in 9 funded research projects and 12 departmental projects and 10 collaborative research projects. A total of 30 original articles were published by the faculty and residents. The faculty

and residents are participating in special cancer clinics for breast cancer, gastro intestinal cancer, head and neck cancer, gynecological cancer, bone and soft tissue tumors, thoracic cancer, Hepatobiliary-pancreatic cancer and genitourinary cancer. The department is providing major and minor operation facilities to patients of cancer. A total of 1374 complex major operations and 10493 diagnostic and therapeutic endoscopy procedures and minor cancer surgeries were performed during the year. Faculty participated in community services by giving advice to ostomats, giving talk in All India Radio, television and participating in cancer awareness camps organized by NGO's. The faculty members were involved as members of editorial boards, reviewer of research papers and members of National and International bodies. The faculty members acted as examiner for M.Ch Surgical Oncology and MS Surgery examinations of various medical colleges and institutions.

## EDUCATION

### Onco-Anaesthesia and Palliative Medicine

The Department is successfully running two academic courses: DM and MD First batch was admitted in January 2016. The Department also organizes certificate course in Palliative Care twice a year in the month of June and November and foundation course on palliative care once in a year in the month of March.

- Departmental Seminar Every Monday and Friday at 8-9 AM
- IRCH Seminar Every Thursday at 8.30-9.30 AM
- Tutorials Every Tuesday 3-5 PM
- Radio Conference Every Saturday at 9-10 AM
- Journal Club/Audit/Case discussion Every Saturday at 10-12 Noon.

### Laboratory Oncology

Laboratory Oncology provides specialized training on the laboratory aspects of Hemato-Oncopathology including but not limited to morphology, flow cytometry (including minimal residual studies), multiple myeloma diagnostics and advanced molecular biology testing and interpretations. The training is imparted to MD and DM resident doctors from Departments of Medical Oncology, Pathology, Hematology and Laboratory Medicine. The department also imparts short term training to medical professionals including faculty, students and technical staff from various medical colleges all over India.

### Medical Oncology

The department of Medical Oncology is running successfully the following programs

1. DM Program
2. PhD in Medical Oncology
3. BMT Fellowship
4. Summer internship/training

### Regular classes and seminars

- Departmental Faculty Seminar Every Monday at 8.30 AM-9.30 AM
- Journal Club/Case discussion Every Wednesday at 8.30 AM-9.30 AM
- IRCH Seminar Every Thursday at 8.30 AM -9.30 AM
- Molecular Oncology Class Every Tuesday at 2.00 PM-3.00 PM

### Departmental Projects

#### Ongoing

1. The role of the PARP – 1 &  $\beta$ - Catenin in cisplatin resistance in cervical cancer
2. Minimal Residual Disease in Multiple Myeloma
3. Stop Imatinib study in CML patients
4. Role of PARP1 and  $\gamma$ -Glutamyl Cysteine Synthetase (GCS) Inhibitors on cisplatin sensitivity and DNA Methylation in ovarian cancer
5. Gene expression profile & its correlation with mitochondrial energy metabolism in pediatric Acute myeloid leukemia
6. NRd vs UPd transduction therapy for newly diagnosed symptomatic Multiple Myeloma: A Phase 3, non-inferiority trial

### Medical Physics

Medical Physics Unit carried out teaching assignments regarding radiation physics of medical imaging, radiation protection during their operation, radiation dose measurement and quality assurance in medical imaging to the students of MD Radiology, MD Radiotherapy, MBBS, and BSc (Hons.) in Radiography and Nursing. At present 3 PhD students are carrying out their research work in the Department.

## **Preventive Oncology**

### **Teaching**

1. Intra-departmental seminars: 12
2. Lecture for DM students of IRCH: Breast cancer screening in India
3. Nursing Lecture: Early detection and screening of cancers
4. Development of IEC (Information, Education and Communication) material on common cancers
5. Development of module on chest X-Ray interpretation for undergraduate teaching at SET facility

### **Workshop/Events organized**

1. Celebrated “World cancer day” on 4 February 2020 by organizing a sensitization for nurses on their role in Oncology
2. “Tobacco cessation interventions in Oncology practice” for faculty members and residents in Oncology specialties on 11 March 2020

### **Surgical Oncology**

1. Undergraduate teaching: The faculty was involved in undergraduate teaching by giving didactic lectures and by participating/ moderating seminars on oncological topics
2. Post graduate teaching: The faculty was involved in teaching and training of 16 MCh surgical oncology students and 11 surgical oncology senior residents, DM medical oncology residents and MD radiotherapy junior residents by giving didactic lectures, moderating seminars, journal clubs etc. & clinical teaching during ward rounds and in special cancer clinics of IRCH. The faculty acted as guide and co-guide for M.Ch Surgical oncology, DM medical oncology, MD radio diagnosis, MD radiation oncology thesis projects and PhD projects from various dept. of BRA- IRCH & AIIMS. The faculty was also involved in teaching & training of dental surgery residents and M.Ch Gynecology Oncology trainees on rotation
3. Para clinical teaching/training: The faculty was involved in the teaching of the M.Sc. nursing oncology students

## **CME /Workshop/Symposia/National and International Conference**

### **Onco-Anesthesia and Palliative Medicine**

1. IAPCON, 2020, 14-16 February 2020, Guwahati, Assam
2. Palliative Care Training Programme for cancer treatment centers in India, 12-16 January 2019, 15-19 January 2020, Delhi
3. 17th Foundation Course on Palliative Care, March and November 2019, Dr BRAIRCH, AIIMS, New Delhi
4. IAPC Certificate course in Palliative Care, June and November 2019, Dr BRAIRCH, AIIMS, New Delhi
5. World Hospice Day, October 2019, Dr BRAIRCH, AIIMS, New Delhi
6. ELNEC Nursing Programme, June 2019, Dr BRAIRCH, AIIMS, New Delhi
7. ELNEC Nursing Programme, February 2020, NCI, AIIMS, New Delhi
8. World Cancer Day, February 2020, NCI AIIMS Jhajjar
9. Tobacco Cessation Interventions in Oncology, March 2020, NCI AIIMS Jhajjar

### **Laboratory Oncology**

Professor Ritu Gupta organized a Cancer imaging challenge at IEEE ISBI 2019 in Venice, Italy along with IIIT-Delhi on “C-NMC challenge: Classification of Normal vs Malignant Cells in B-ALL White Blood Cancer Microscopic Image” as part of the IEEE International Symposium on Biomedical Imaging (IEEE-ISBI, 2019) Conference held in Venice, Italy from 8-11 April 2019. The challenge was technically co-sponsored by IBM India Pvt. Ltd.

### **Surgical Oncology**

1. CME on Research Methodology in Cancer on 10 April 2019 in collaboration with NCR Oncology forum, New Delhi
2. Surgical Workshop on “ICG Fluorescence guided Surgery at AIIMS, New Delhi, on 10 July 2019
3. Second AIIMS-UK Cadaver Course on Breast Oncoplasty and Reconstruction at AIIMS, New Delhi, 28 and 29 August 2019
4. CME and Video workshop on MIS for Colorectal cancers at AIIMS, New Delhi, on 23 November 2019
5. Robotic Surgery Training Workshop on 15 January in SET Facility, AIIMS, New Delhi

## Lectures delivered

### Onco-Anesthesia and Palliative Medicine

#### Sushma Bhatnagar

10. Inspection for setting Palliative Care Unit, 2 March 2020, Udaipur
11. MP-CG Chapter Association of Radiation Oncology, 22 and 23 February 2020, Raipur
12. Scientific Committee Chairperson, 27th IAPCON, 2020, 14-16 February 2020, Guwahati, Assam
13. IASP Councilor, 12th APHN Webinar, 13 June 2019, Mexico City
14. Attend the course, Meeting of IASP Scientific Program Committee, 8-10 December 2019, Amsterdam Netherlands
15. Chief Guest, CME on Cancer- Palliative Care, Rehabilitation and Pain Management, 21 December 2019, Jaipur
16. Resource Person, IAPC Certificate Course, 4 and 5 December 2019, Rishikesh
17. Resource Person, IAPC Certificate Course, 29 and 30 November 2019, Jodhpur
18. Meeting, NCG Research and Guidelines Meeting, 26 and 27 September 2019, Mumbai
19. Speaker, SOAPCCON 2019, 20 and 21 September 2019, Hyderabad
20. Speaker and a Panelist, ICACON 2019, 6 September 2019, Delhi
21. Esteem guest faculty, CME on Palliative Care 2019 at SHKM GMC, 9 September 2019, Mewat
22. Meeting, IAPC Mid Term Central Council Meeting, 14 and 15 September 2019, Guwahati
23. Guest Speaker, International Conference on Recent Advances in Pain ICRA- PAIN 2019, 13 September 2019, Nagpur, Maharashtra
24. Speaker, 13th Asia Pacific Hospice Conference (APHC 2019), 1-4 August 2019, Indonesia
25. Faculty, CME on Palliative Care, 13 July 2019, Jaipur
26. Guest Lecture, Continuous Medical Education Cancer Pain Management, 20 July 2019, Udaipur
27. Faculty, IAPC Certificate Course, AIIMS, Rishikesh, 1 and 2 July 2019, Rishikesh
28. Faculty, IAPC Certificate Course, AIIMS, Patna, 7 and 8 July 2019, Patna
29. Keynote Speaker, 7th Global Conference on Perioperative Care of the Cancer Patient and the 8th Oriental Congress of Anesthesiology and Perioperative Medicine, 21-23 June 2019, Shanghai, China
30. Faculty, CME on Palliative Medicine-A path towards better care, a sensitization programme, 11 June 2019, Srinagar
31. Faculty, Indian Association of Palliative Care Certificate Course, 15 and 16 June 2019, Raipur
32. Guest Speaker, 2nd Mid Conference of Indian Society of Anesthesiologists, Nainital, Uttarakhand 2019, Haldwani, Nainital
33. Plenary Speaker, 34th Annual Conference of Indian Society for study of Pain Bengaluru, 1-3 February 2019, Bengaluru
34. Faculty, Certificate Course in Essentials of Palliative Care (IAPC Course), 28 January 2019, Rishikesh
35. Faculty, IAPC Course, 27 January 2019, Rishikesh

#### Seema Mishra

1. Ethical Issues in palliative care, Indian Association of Palliative Care Certificate Course Programme, 29 and 30 June 2019, IRCH, AIIMS, New Delhi
2. Paediatric Palliative Care, Indian Association of Palliative Care Certificate Course Programme, 29 and 30 June 2019, IRCH, AIIMS, NEW DELHI
3. Panel discussion on Cancer pain and palliative care, ICRA - PAIN 2019, Nagpur, 13-15 September 2019, Nagpur
4. War on Cancer pain: New Frontiers, 8th International Conference on Pain Management (ICPM-2019), 12-15 October 2019, Chandigarh
5. Moderator, Panel discussion: Palliative Care: Bridging between disease modifying therapies and End of life care, 8th International Conference on Pain Management (ICPM-2019), 12-15 October 2019, Chandigarh
6. Use of opioids and its impact on quality of life in chemotherapy induced oral mucositis: A prospective observational study", MASCC/ISOO 2019 Annual Meeting on Supportive Care in Cancer, San Francisco, USA, 21-23 June 2019, San Francisco, USA, San Francisco, USA
7. Symptom burden and quality of life assessment in patients of gastrointestinal malignancies at a tertiary care center, India, PCOC Outcomes & Benchmarking Conference 2019, 20 and 21 November 2019, International Convention Centre, Sydney, Australia
8. Opioids for Chronic non-cancer pain, 27th International Conference on Palliative Care (IAPCON 2020, Guwahati),

February 14-16, 2020, Guwahati Medical College, Guwahati. ASSAM

9. Lymphedema management, 19th Annual Foundation Course in Palliative Care, 3 and 4 December 2019, AIIMS, New Delhi
10. Ethical Issues in Palliative care, Indian Association of Palliative Care Certificate Course Programme, 23 and 24 November 2019, IRCH, AIIMS, New Delhi
11. Paediatric Palliative Care, Indian Association of Palliative Care Certificate Course Programme, 23 and 24 November 2019, IRCH, AIIMS, New Delhi
12. EOL and Palliative Sedation, IACA Palliative Care Course, 16 March 2020, IRCH, AIIMS, New Delhi
13. Workshop Palliative Care and Communication, PG Orientation Workshop: 7 March 2020, AIIMS, New Delhi

#### **Rakesh Garg**

1. Airway management for upper airway obstruction, KAAMCON 2020-Kochi Advanced Airway Management Conference, 18 and 19 January 2020, Kochi, Kerala
2. Basics of Research Methodology and Publications, 24-29 November 2019, Bangalore
3. Emergencies in Palliative Care, Indian Association of Palliative Care Certificate Course Programme, 23 and 24 November 2019, Delhi
4. AIDAA Extubation Guidelines, 10th National Airway Conference NAC 2019 of All India Difficult Airway Association, 6-8 September 2019, Mangalore
5. Resuscitation Initiatives to Improve Outcomes after Out of Hospital Cardiac Arrest (OOHCA) in India, AAPI-Global Health Care Summit 2019, Hyderabad

#### **Nishkarsh Gupta**

1. Airway management in emergency settings, EMINDIA 2019, 4 August 2019, AIIMS, Delhi
2. Exploring new frontiers in perioperative care of cancer patients, ISACON DELHI 2019, Delhi
3. Meeting the challenge of breast brachytherapy, ICPM 2019, 13 and 14 October 2019, GMCH, Chandigarh
4. Chaired a session on Symposium on Critical Care, AIIMS Pulmocrit, 7 and 8 March 2020, AIIMS, Delhi
5. Palliative care for GI symptoms, Palliative Care: A Promise of Quality Life, 3 December 2019, AIIMS, Delhi
6. Ethical issues of 'End of life Care'(DNR), MAMC Anesthesia Update, 1 September 2019, MAMC, Delhi
7. Airway workshop coordinator, AIRWAY 2020, 22 and 23 February 2020, Delhi
8. Coordinator for USG Guided Regional Workshop, 3rd International Conference on Medical and Health Sciences, 22-24 October 2019, Khesar Gyalpo University of Medical Sciences, Bhutan
9. Faculty Exchange Program, University of Cologne, Cologne Summer School Program, October 2019
10. Workshop on USG in Airway, KAMACON 2020, 18 and 19 January 2020, IMA house, Kochi

#### **Vinod Kumar**

1. ERAS in Oncosurgery: Principles & Practice, ISACON Delhi 2019, 13 and 14 April 2019, Delhi
2. Workshop on difficult airway, RSACPCON 2019, 26-28 April 2019, PGIMS, Rohtak, Haryana
3. Palliative care conundrum: A real life challenge for Anesthesiologist, RSACPCON 2019, 26-28 April 2019, PGIMS, Rohtak, Haryana
4. Panel discussion: Bridging the gap between disease modification and end of life care, ICPM 2019, 12-15 October 2019, GMCH, Chandigarh
5. Imaging guided cancer pain block, ICPM 2019, 12-15 October 2019, GMCH, Chandigarh
6. Palliative care for respiratory symptoms, ICPM 2019, 23 and 24 November 2019, AIIMS, Delhi
7. Workshop on Airway skills unique to oral maxillofacial surgery, Airway 2020, 22 and 23 February 2020, Aerocity, Delhi
8. Antimicrobial strategy in febrile neutropenia, Criticare 2020, 26 February-1 March 2020, HITEC City, Hyderabad

#### **Sachidanand Jee Bharati**

1. Neuropalliative care, Neuroanaesthesia and Neurocritical Care Refresher Course, 6 and 7 April 2019, NSC, AIIMS, New Delhi
2. Cadaveric Airway Workshop, AIIMS Neuroanaesthesia Update 2019, 19 and 20 October 2019, AIIMS, New Delhi
3. Palliative Care Interventions, APC Course, 23 and 24 November 2019: IRCH, AIIMS, New Delhi

4. Symptoms Management in head and neck Cancers, 19th Annual Foundation Course in Palliative Care, 3 and 4 December 2019, AIIMS, New Delhi
5. Appraisal of Practice changing publications in 2019, AIIMS PULMOCRIT 2020, 7 and 8 March 2020, AIIMS, New Delhi

#### **Brajesh Kumar Ratre**

1. Procurement and stocking of ENDS, IAPC certificate course in Essentials of Palliative care, 23 and 24 November 2019, AIIMS, Delhi
2. Workshop on Paperless anaesthesia and critical solution, IRCH AIIMS, 14 December 2019, AIIMS, New Delhi
3. Ultrasonography guided abdominal Blocks, IRCH AIIMS, 14 December 2019, IRCH, AIIMS, New Delhi

#### **Anuja Pandit**

1. Integration of Palliative Care into Oncology, IAPC certification course for essentials in Palliative care, 23 and 24 November 2019, AIIMS, New Delhi

#### **Shweta Bhopale**

1. Nursing issues in Palliative care, IAPC certification course for essentials in Palliative care, 23 and 24 November 2019, AIIMS, New Delhi

#### **Balbir Kumar**

1. BLS workshop, BLS Workshop at CBSC Board School, 18 November 2019, Pitampura New Delhi
2. Ultrasonography guided abdominal blocks, IRCH AIIMS, 14 December 2019, IRCH, AIIMS

#### **Laboratory Oncology**

##### **Ritu Gupta**

1. Next Generation Technologies in Oncology, Next Generation Diagnostics Summit, 14 April 2019, Hyderabad
2. Panel discussion on “High Risk Multiple Myeloma”, Indian Myeloma Congress 2019, 11 and 12 May 2019, Mumbai
3. Panel discussion on “Multiple Myeloma Multi-disciplinary team discussion on Myeloma”, First Annual Meeting at Hematology Cancer Consortium, 16-18 August 2019, Kochi
4. FCMI of ALL- A Case based discussion, 12th TCS Annual Conference and Flow Cytometry Workshops, 9–12 October 2019, SGPGIMS, Lucknow
5. MM MRD Standardization- AIIMS Experience, 12th TCS Annual Conference and Flow Cytometry Workshops, 9–12 October 2019, SGPGIMS, Lucknow
6. Clinical relevance of MRD in multiple myeloma, 12th TCS Annual Conference and Flow Cytometry Workshops, 9-12 October 2019, SGPGIMS, Lucknow
7. Role of free light chain assay in plasma cell dyscrasias, 60th Annual Conference of the ISHBT-Hematocon 2019, 7 November 2019, New Delhi
8. Diagnostics in Multiple Myeloma-Past, Present & the Future, Visiting Faculty in Department of Pathology & Laboratory Medicine, 26- 29 November 2019, Dehradun
9. Molecular Cytogenetics in Hemato-Oncology, Visiting Faculty in Department of Pathology & Laboratory Medicine, 26–29 November 2019, Dehradun
10. Leukemic Stem Cells in Acute Leukemia, 3rd National Update in Hemato-Pathology, 20 December 2019, Mumbai
11. Challenges with current response criteria and MRD evaluation in India (other than PET), Indian Myeloma Congress 2020, 10–2 January 2020, Hyderabad
12. Do’s and Don’ts of Flow Cytometry for MRD in Myeloma, Indian Myeloma Congress 2020, 10–12 January 2020, Hyderabad

##### **Sanjeev Kumar Gupta**

1. Why should we do Flow Cytometry in Acute Leukemias? CME on Hemato-Lymphoid Malignancy (SN Medical College), 17 April 2019, Agra Club
2. Role of flow cytometry in chronic lympho-proliferative disorders, CME on Hemato-Lymphoid Malignancy (SN Medical college), 17 April 2019, Agra
3. Can peripheral smear examination make a difference in clinical practice? Hematopathology Update and Workshop,

27 April 2019, FMRI, Gurgaon

4. Myelodysplastic syndrome- When to suspect and how to diagnose? Hematopathology Update and Workshop, 27 April 2019, FMRI, Gurgaon
5. Tapestri platform for Single-cell multi-omics, AMP meeting presentations, Molecular diagnostic laboratory, MD Anderson Cancer Center, 11 December MDACC, Texas
6. Defining Lineage Commitment in Acute Leukemia, 19th Annual International Conference, RGCON 2020-Updates on Hemato-Oncology, 7-9 February 2020, New Delhi

#### **Anita Chopra**

1. Panel discussion on acute lymphoblastic leukemia, Hematology Cancer Consortium, 15-18 August, New Delhi
2. Transient Myelopoiesis in Down syndrome, 60th Annual Conference of the ISHBT - Hematocon 2019, 7-10 November 2019, New Delhi
3. What I took care of in my DBT Welcome trust application, Grantsmanship Workshop Series on 15 and 16 January 2020 at AIIMS New Delhi to mentor the applicants for concept note submission to Welcome trust/ DBT India Alliance, 15 January 2019, New Delhi

#### **Pranay Tanwar**

1. Markers of HPV: When and what to use, ISCCP-2019, 21 April 2019, Vishakhapatnam
2. HPV DNA test as primary screening modality for cervical cancer, Integrated screening of Purukarmikas: Bengaluru Municipal Corporation & Biocon Foundation, 30 July 2019, Bangalore
3. HPV Testing: Basis and Types, 41st Annual Conference of AOGD, Safadarjung Hospital, 26 September 2019, New Delhi
4. Panelist in discussion on roadmap for the IN-NL Partnership Health, CII-DST India-Netherlands Technology Summit, 15 and 16 October 2019, New Delhi
5. Flowcytometry: Overview of Technology, Pre-conference workshop, 60th Annual Conference of the ISHBT - Hematocon 2019, 7-11 November 2019, New Delhi
6. Keynote Lecture - HPV: Diagnostic and Research Update- Molecular Pathology – The way forwards for All Medical Specialties, 8th Annual Conference of Molecular Pathology Association, Pre-conference Dinner symposium, 10-12 January 2020, MPAICON Jaipur

#### **Amar Ranjan**

1. Diagnostic Research Methodology, Framing syllabus for MD-PhD Course, Aryabhata Knowledge University, 14 November 2019, Patna

#### **Gurvinder Kaur**

1. Immune Dysregulation in malignant disorders, The Cytometry Society (TCS) 12th Annual Meeting 2019, 10 October 2019, Lucknow

#### **Deepshi Thakral**

1. Computational Biology & Molecular, 5th International Conference on 27 July, IIIT-Delhi
2. Diagnostic and prognostic utility of modern genomic profiling in acute leukemia, 5th International Conference on translational research: Recent trends in Pre-translational to translational research, 7-9 November 2019, NCCS, Pune

#### **Medical Oncology**

##### **Lalit Kumar**

1. Invited Speaker during the conclave- 'Cancer- A Global Problem', 'Dialogue Between Health Science, Prevention and control of Major diseases in Rajasthan, organized by the National Academy of Sciences Allahabad, and Jaipur National University Institute for Medical Sciences & Research Centre, 18 April 2019, Jaipur
2. Moderator, High Risk GTN' during an update on 'controversies in Gynae oncology', (organized by Sir Ganga Ram Hospital), 5 May 2019, New Delhi
3. Maintenance therapy in Myeloma, Indian Myeloma Congress at ACTREC (TMH), 12 May 2019, Mumbai
4. Multiple Myeloma: Patten of Relapse and treatment outcome, 2nd Annual Meeting of the International Academy for clinical Hematology (IACH), 19-21 September 2019, Paris, France
5. Stem cell Transplantation, MG BMT Conference, Mahatma Gandhi Cancer Hospital & Research Institute, 20 October 2019, Visakhapatnam

### **Atul Sharma**

1. Panel discussion on autologous stem cell transplantation, Indian Myeloma Academic Group (IMAGe), 11 and 12 May 2019, Mumbai
2. Bcl2 inhibitors in hematology, HCC 1st Annual Meeting, 16-18 August 2019, Kochi
3. Practice changing updates in GI oncology (Colorectal), 2nd Mid-Year Gastrointestinal Oncology Conference 2019, 21 and 22 September 2019, Ahmedabad
4. Clinical trial comparing 100 mg/m<sup>2</sup> vs 40 mg/m<sup>2</sup> of cis platinum in locally advanced squamous cell carcinoma of Head and Neck area, ESMO 2019 Congress, 27 September to 1 October 2019, Barcelona (Spain)
5. Cancer Burden in India and Expanding Role of Medical Oncologist, 30th Annual Conference of Association of Physicians of India Rajasthan Chapter (RAJAPION 2019), 11–12 October 2019, Jaisalmer (Rajasthan)
6. Role of adjuvant and neoadjuvant therapy in colorectal cancer and GI Tumor board (MDT) parallel session, Summit for early career Oncologists, 19 and 20 October 2019, Kolkata
7. Oration: Gallbladder Cancer: Plethora of Research Potential, ISMPO & ISO Joint Meeting, 1-3 November 2019, Indore (Madhya Pradesh)
8. Moderator, Panel Discussion: Solving the Treatment Mystery of Unresectable HCC, 6th Edition of Innovations in Oncology Conference 2019, 8 December 2019, Mumbai
9. Moderator for panel discussion on Metastatic Colorectal Cancer, 5th Apollo Cancer Conclave & 8th Edition Cancer CI 2020, 13-16 February 2020, Hyderabad

### **Sameer Bakhshi**

1. Ethics in Biomedical Research, Workshop on Research Methodology, Writing and Communication for the residents admitted in session January 2019, 8 April 2019, New Delhi
2. Management of Wilm's Tumor, 4th Annual Paediatric Solid Tumor Workshp-2019, Mumbai
3. Panelist, International Clinical Trials Day (ICTD), 21 May 2019, New Delhi
4. Integrative Research in Oncology, Multidisciplinary Approach to Oncology-2019, 17 June 2019, New Delhi
5. Medulloblastoma: Clinical decision making First North Zone meeting of Indian Society of Neurooncology (ISNO) on "Neuro-oncology: New Horizons", 10 August 2019, New Delhi
6. Ethics in Biomedical Research: First Workshop on Research Methodology, Writing and Communication for the residents admitted in session July 2019, 2 September 2019, New Delhi
7. Retinoblastoma: Where do we stand, 23rd Annual Paediatric Haematology-Oncology Conference, 6-8 September 2019, Varanasi
8. Ewings Sarcoma in TYAs, 8th Annual Conference on Teenage & Young Adult Cancer (TYACON), 21 September 2019, Jaipur
9. Challenges in paediatric haematology in Adults-How it Differs from others? 3rd Annual International Precision Oncology and Breast Cancer Conference, 11 and 12 October 2019, Jaipur
10. Treatment and outcomes of testicular malignant germ cell tumors (MGCT): A single institution experience, Asia-Pacific Association of Pediatric Urologists (APAPU) Conference, 8-10 November 2019, Australia
11. Hematopoietic stem cell transplant: The present and the future, Fourth Annual meeting of Pediatric Research and Education Society of India (PRESIDE), 23 November 2019, New Delhi
12. Paediatric transplant in India-from clinic to BMT unit-what needs to be done Paediatric Bone Marrow Transplant Conference, 24 November 2019, Hyderabad
13. Challenging Pediatric Cases: Mock tumour board, AIIMS Radiology Course on Imaging of Chest Tumours, 1 December 2019, New Delh.
14. Multimodal Treatment Approach in Soft Tissue Sarcoma, 6th Edition of Innovations in Oncology Conference, 8 December 2019, Mumbai
15. Updates in the management of refractory/ relapsed neuroblastoma, 14th SAARC Federation of Oncologists International Cancer Conference, 13 and 14 December 2019, Nepal
16. Optimizing treatment in metastatic Ewing's Sarcoma, 14th SAARC Federation of Oncologists International Cancer Conference, 13 and 14 December 2019, Nepal
17. Clinical Research led and conducted by Faculty, What is required to be successful? 13th Annual Clinical Research Conference, 23-25 January 2020, Mumbai
18. How I treat Intermediate Risk NBL, CME in Pediatric Hematology Oncology, 1 and 2 February 2020, Chandigarh
19. Systemic therapy in Soft Tissue Sarcoma- Current evidence, Masterclass in Sarcoma, 8 and 9 February 2020, Pondicherry

20. Management of Bone Sarcoma-Case based discussion, Masterclass in Sarcoma, 8 and 9 February 2020, Pondicherry
21. Case scenarios in Metastatic sarcomas: PANEL DISCUSSION, Masterclass in Sarcoma, 8-9 February 2020, Pondicherry
22. Pediatric Lymphomas-Case Based Discussion, 8th edition of the biennial CANCER CI-2020,13-16 February 2020, Hyderabad
23. Ethical concerns of clinical trials in India, National conference on Safe and Sustainable Hospitals-SASH 2020, 23 February 2020, New Delhi
24. Interactive session-Malignant Bone Tumors (Metastatic), 6th Annual National Conference of the Indian Skeletal Oncology Society, 6-8 March 2020, Bengaluru
25. Interactive session-Management of RMS, Disease control and morbidity, 6th Annual National Conference of the Indian Skeletal Oncology Society, 6-8 March 2020, Bengaluru
26. Principles of Chemotherapy in Ewings Sarcoma, 6th Annual National Conference of the Indian Skeletal Oncology Society, 6-8 March 2020, Bengaluru
27. Case which taught me the most, 6th Annual National Conference of the Indian Skeletal Oncology Society, 6-8 March 2020, Bengaluru
28. Management of relapsed osteosarcoma with evidence, 6th Annual National Conference of the Indian Skeletal Oncology Society, 6-8 March 2020, Bengaluru
29. Malignant Bone Tumors, 6th Annual National Conference of the Indian Skeletal Oncology Society, 6-8 March 2020, Bengaluru

#### **Ranjit Kumar Sahoo**

2. MM: Current Management in Indian Scenario, Update in Rx of MM, 23 August 2019, Chandigarh
3. Holistic Approach to Cancer Research: Clinician's Perspective, World Cancer Research Day, 24 September 2019, Noida
4. Challenges in Clinical Research (Panel), World Cancer Research Day, 24 September 2019, Noida
5. Immune checkpoint Inhibitors- do they impact management of infections (Chairperson), 5th Conference of Transplant Infectious Diseases, 29 September 2019, New Delhi
6. Haploidentical Transplantation (Panel), Delhi Transplantation and Cellular Therapy Group (DTCTG)- Inaugural Meeting, 16 October 2019, New Delhi
7. Antibiotic stewardship (panel, Antibiotics in ICU, 19 October 2019, New Delhi
8. Chronic Myeloproliferative Neoplasm: Clinician's Perspective, AIIMS Bone marrow biopsy CME, 10 November 2019, New Delhi
9. Bone Marrow Biopsy, AIIMS Bone marrow biopsy CME, 10 November 2019, New Delhi
10. Oral Cancers: Staging and Management, NICPR ECHO's Online Cancer Screening Program, 28 January 2020, Noida
11. Double-Expressor DLBCL: Beyond RCHOP, RGCON2020, 9 February 2020, New Delhi
12. Principles of High Dose Chemotherapy and TBI, 1st Annual ISBMT Meeting, CMC Vellore, 12-14 March 2020, Vellore

#### **Sameer Rastogi**

1. Approach a child with extremity mass, Workshop on practical pediatric oncology (North zone pedicon), 25 September 2019, Delhi
2. Systemic treatment of malignant melanoma- state of art, 3rd Annual International Precision Oncology Conference, 12 October 2019, Jaipur
3. Role and implication of molecular testing in sarcoma, Molecular Oncology Conference (MOSCON), 22 February 2020, Patna

#### **Prabhat Singh Malik**

4. Panel Discussion on ALK rearranged metastatic NSCLC: Sequencing 1st, 2nd and 3rd generation inhibitors, Mini- symposium on Stage IV Non-Small Cell Lung Cancer- Focus on ALK-ROS1 and 1L Immunotherapy, 20 April 2019, Chandigarh
5. Participated as expert for thoracic oncology guidelines, National Cancer Grid Research and Guidelines meeting, 26 and 27 September 2019, Mumbai

6. Moderated a multidisciplinary tumor board on metastatic squamous NSCLC, 33rd Annual Update on Pulmonary and Critical Care Medicine, 13 October 2019, Chandigarh
7. Lung Cancer Screening, Apollo Cancer Conclave & Cancer, 16 February 2020, Hyderabad

#### **Raja Pramanik**

1. Panel discussion in newer imaging modalities in breast cancer, 5th innovations in oncology, New Delhi, 28 April 2019, New Delhi
2. Panel discussion on colon cancer and HCC, 3rd LION Conference, 18 and 19 May 2019, Bangalore
3. Medical management of GEP NEN, Nucleocon 2019, 30 August 2019, New Delhi
4. Panel discussion on pain management in pancreatic cancer, PAINCON 2019, 30 June 2019, New Delhi
5. Organising secretary, Onco-emergency Summit, 2019, 9 November 2020, New Delhi
6. Poster presentation: Notch3 overexpression predicts survival in esophageal cancer, ESMO Asia 2019, 22-24 November 2019, Singapore
7. Speaker: Experience in establishing Cancer genetic Clinic at AIIMS, 5th Indian Cancer Genetics Conference and Workshop 2019, 15 December 2019, Mumbai
8. Panel discussion: Multidisciplinary management of HNSCC, Optimizing outcomes for SCCHN in 2020, 17 January 2020, New Delhi
9. Panel discussion: Multidisciplinary management of Rectal cancer, Advances in Colorectal Cancer, 1 February 2020, New Delhi
10. Speaker: Unresectable liver metastases: Conversion therapy, Advances in Colorectal Cancer, 2 February 2020, New Delhi.
11. Moderator for panel discussion: hereditary Cancers, 5th MOSCON, Patna, 23 February 2020, Patna
12. Panelist: SOP finalisation for molecular testing, 5th MOSCON, Patna, 23 February 2020, Patna
13. Speaker: expert opinion on Gi Cancers, 5th MOSCON, Patna, 22 February 2020, Patna

#### **Chandra Prakash Prasad**

1. WNT5A based therapy in Malignant Melanoma, 6th International Conference on 'Translational Approaches in Clinical, Environmental and Biotechnological Research, 'GenoPro-2019' Invertis University, 11 and 12 October 2019, Bareilly
2. Career Prospects for Biotech/Life Sciences Post Graduates
3. Sixth International Conference on 'Translational Approaches in Clinical, Environmental and Biotechnological Research, 'GenoPro-2019' Invertis University, 11 and 12 October 2019, Bareilly
4. Opportunities and Possibilities for Life Sciences Graduates, Microbiology Department, Ram Lal Anand College, Delhi University, 31 October 2019, New Delhi
5. Targeting of metabolically active Triple Negative Breast Cancer, Recent Trends in Biotechnology" at Maulana Azad National Institute of Technology, 20-24 January 2019, Bhopal

#### **Thoudam Debraj Singh**

1. Therapeutic effect of Interleukin-4 receptor targeting ELP polymer in glioblastoma bearing mouse tumor model, 4th International Conference on Nanomaterials (ICN 2019), 12-14 April 2019, Kottayam
2. Non-invasive imaging of therapeutic effect induced by IL-4 receptor targeting AP1-ELP-KLAK polymer in glioblastoma bearing mouse tumor model, World Molecular Imaging Congress (WMIC-2019), 4-7 September 2019, Montreal, Canada
3. Effects of molecular weight and structural conformation of multivalent-based elastin-like polypeptides in vivo, 6th International Conference on Advanced Nanomaterials and Nanotechnology (ICANN), 18-21 December 2019, Guwahati
4. A novel orally active inverse agonist of estrogen-related receptor gamma (ERR $\gamma$ ), DN200434, enhances sodium iodide symporter function in anaplastic thyroid cancer model, World Congress on Cancer 2020 (WCC-2020), 3-5 March 2020, Jaipur

#### **Mayank Singh**

1. Validation of Ubiquitin Specific Peptidase 37 (USP37) as a critical factor in Oncogenesis of Osteosarcoma, World Cancer Congress 2020, MGMC Jaipur, 3-5 February 2020, Jaipur
2. Deciphering the landscape of Cellular signaling pathways by using Molecular imaging, National Symposium on

Bioimaging, University of Delhi, 19 February 2020, New Delhi

3. Targeting Cellular Deubiquitin machinery as a therapeutic option in Cancer, Emerging Trends in Translational Oncology, 14 February 2020, New Delhi

## **Medical Physics**

### **Pratik Kumar**

1. Radiation hazards: Some typical points, Advances in Imaging Technology: 4th AIIMS-MAMC-PGI Series, 5 and 6 April 2019, AIIMS, New Delhi
2. ICRP recommendation on radiation protection, Continuing Education Programme on Radiation Safety in the Use of radioactivity in Animals, 2-4 September 2019, Institute of Nuclear Medicine & Allied Sciences (INMAS), Delhi
3. Evolving concept of Dose Reference Level in radiologic imaging patients, 40 Annual Conference of Association of Medical Physicists of India, AMPICON 2019, 7-9 November 2019, Netaji Subhash Chandra Bose Cancer Hospital, Kolkata

## **Preventive Oncology**

1. Role of ASHA workers in mobilizing the community for cancer screening, Workshop on screening and early detection of breast cancer for ASHA workers, NICPR, 15 October 2019, Noida
2. Strategies to mobilize the community, Hands-on workshop for Public Sector Medical Officers on Screening for Common Cancers, NICPR, 5 November, Noida
3. Moderator of session on Tobacco Cessation case scenarios in dental practices, Workshops for members of Indian Dental Association on "Tobacco cessation" organized by CDER, AIIMS, Delhi

## **Radiodiagnosis**

### **Chandrashekhara SH**

1. Recent advances in imaging algorithms and image guided management of pulmonary embolism, Society of Emergency Radiology CME, 25 August 2019, Teleradiology solutions, Bangalore
2. Congenital heart disease: Approach, Annual National Conference of Indian Society of Pediatric Radiology, 7 September 2019, AIIMS, New Delhi
3. Advanced MRI and how MRI changes the patient management in cardiac mass, Cardiac MRI CME, 8 November 2019, AIIMS, New Delhi
4. Panel discussion on 'GI Emergencies in Cancer', Oncological Emergencies, 9 November 2019, AIIMS, New Delhi
5. Panel discussion on 'Hemoptysis, GI Bleed, Hematuria, Carotid blow-out, Tumor-bleeds', Oncological Emergencies, 9 November 2019, AIIMS, New Delhi
6. Acute aortic syndromes-Unusual manifestations, Society of Emergency Radiology Annual Conference, 30 November 2019, AIIMS, New Delhi
7. Judged the Resident poster and paper presentations, Delhi imaging Update, 7 February 2020, AIIMS, New Delhi

## **Mukesh Kumar**

1. Imaging of Noninfectious entities in Leukemia, Oncological Emergencies, 9 November 2019, AIIMS, New Delhi
2. Image guided visceral block- Spine intervention and pain Management. International Conference and Workshop, 20-22 December 2019, AIIMS, New Delhi
3. Chest imaging as relevant to physiotherapists, 8th International Conference of Physical therapy-AIIMS, 23 December 2019, AIIMS, New Delhi
4. Imaging in Lung cancer, Delhi imaging Update-2020, 7 February 2020, AIIMS, New Delhi

## **Ekta Dhamija**

1. Imaging in carcinoma cervix: clinical Implications of Radiology Report, Clear Medi Healthcare Annual Radiology CME 2019, 7 April 2019, India Habitat Centre, New Delhi
2. Approach to breast interventions, Mid-term CME of BISI 2019, 20 April 2019, Dibrugarh, Assam
3. Case based review of carcinoma lung and lymphoma, Onco-Imaging Master class, 21 September 2019, Medanta Medicity, Gurugram, Haryana
4. Panelist- Tomosynthesis and increasing burden of radial scars, Onco-Imaging Master class, 21 September 2019, Medanta Medicity, Gurugram, Haryana

5. DBT- A New Frontier in breast Imaging, 3rd Precision Oncology and Annual International Breast Cancer Conference, 11-13 October 2019, Jaipur
6. Role of Preoperative MRI in Breast Cancer- Present Status, 3rd Precision Oncology and Annual International Breast Cancer Conference, 11-13 October 2019, Jaipur
7. Moderator of Panel: Does a Radiology report answer the key questions needed to be known prior to embarking therapy in ovarian malignancies and tracking patients on surveillance, 17th Annual Conference of Women's Cancer Initiative, 18-20 October 2019, Tata Memorial Hospital, Mumbai
8. Imaging in Ca ovary and OORADS, 17th Annual Conference of Women's Cancer Initiative, 18-20 October 2019, Tata Memorial Hospital, Mumbai
9. Case based quiz on breast imaging, 7th Annual Conference of Breast Imaging Society of India, 15-17 November 2019, Hyderabad
10. Panelist: Personalization in febrile neutropenia, Onco-Emergency Summit 2019, 9 November 2019, AIIMS, New Delhi
11. Panelist: SVC Obstruction, Onco-Emergency Summit 2019, 9 November 2019, AIIMS, New Delhi
12. Two cases from my practice-My eureka moment! Annual Meeting of Society of Emergency Radiology, 30 November 2019, AIIMS, New Delhi
13. Imaging in endometrial carcinoma, Dr Rajendra Rao CME organized by IRIA/ICRI, 14 and 15 December 2019, PGI Chandigarh
14. Promise of Tomosynthesis: From Screening to Diagnosis Dr Rajendra Rao CME organized by IRIA/ICRI, 14 and 15 December 2019, PGI Chandigarh
15. Imaging approach to ovarian masses, Dr Rajendra Rao CME organized by IRIA/ICRI, 14 and 15 December 2019, PGI Chandigarh
16. Skeletal Imaging (Bones and Joints- Non traumatic), 8th International Conference of Physical therapy-AIIMS 2019, 23 December 2019, AIIMS, New Delhi
17. Imaging in musculoskeletal Sarcoma: Minimum and Interpretation, Masterclass in Sarcoma, 8 and 9 February 2020, JIPMER, Puducherry
18. Panelist: Management of musculoskeletal sarcoma, Masterclass in Sarcoma, 8 and 9 February 2020, JIPMER, Puducherry
19. Panelist: Management of Retroperitoenal Sarcomas, Masterclass in Sarcoma, 8 and 9 February 2020, JIPMER, Puducherry

### **Krithika Rangrajan**

1. Panelist – pediatric chest tumours, Oncoemergency Summit 2019, 9 November 2019, AIIMS, Delhi
2. Neuroimaging as relevant to physiotherapists, 8th International Conference of physical therapy- AIIMS, 23 December 2019, AIIMS Delhi

### **Radiation Oncology**

#### **GK Rath**

1. Cancer Control Program in India, Chhattisgarh Cancer Conclave 2019, 1 April 2019, Bilaspur
2. Population based screening of common cancers, Cancer Conclave, Bhopal, 2 July 2019, Bhopal
3. Cancer control in India, Breast cancer updates 2019, 7 July 2019, Bhubaneswar
4. An overview of cancer screening in India, NCD screening programme for Pourakarmikas, 30 July 2019, Bengaluru
5. Bridging the gap for Indian cancer patients by enabling advanced care and clinical research, Symposium on Translational Oncology, 21 August 2019, Vishakapatnam
6. Cancer care in India, 2nd MVRCONCON 2019, 30 August 2019, Kozhikode
7. Control of head and neck cancers: Indian perspective, AROI-ICRO PRODVANCE 2019 Teaching Course, 7 September 2019, Chandigarh
8. ICMR initiative on cancer research, NCG Academic Review Meeting, 26 September 2019, Mumbai
9. Development of consensus on management of OPMD, Cancer 2019, 3rd Annual Conference of CCRI, 8 November 2019, Cochin
10. Cancer Burden in India, Cancer 2019, 3rd Annual Conference of CCRI, 9 November 2019, Cochin
11. Dealing with cancer in India, 14th Annual Conference of the 'AROI-NE Chapter', 15 November 2019, Imphal

### **Subhash Chander**

1. Sixth Annual Conference of Indian Society of Critical Care Medicine (CRITICARE-2020), 28 February-1 March 2020, Hyderabad
2. Tirtififth Annual National Conference of India Society for Study of Pain (ISSPCON-2019), 7-9 February 2020, Ahmedabad
3. Fifty-third Annual Conference of Urological Society of India, 23-26 January 2020, Kochi
4. Colombo Conference on Medical Education-2019, 13-15 November 2019, Colombo, Sri Lanka
5. Combined Otolaryngology Spring Meetings, 1-5 May 2019, Austin, USA

### **DN Sharma**

1. Recent Advancement in Brachytherapy, Annual State Conference of the Association of Radiation Oncologists of MP & CG (AROICON MP CG 2020), 22 and 23 February 2020, Raipur
2. Ongoing Research in Gynecological Oncology, World Congress on Cancer, 3-5 February 2020, Jaipur
3. Future of Brachytherapy in the modern era of high precision external beam radiotherapy, 41st AROICON, 28 November-1 December 2019, Ahmedabad
4. Redefining the role of Brachytherapy in the era of precision cancer treatment & Transperineal brachytherapy in cervical cancer, 31st Annual Scientific Congress of Malaysian Oncological Society (ASCOMOS 2019), 31 October-3 November 2019, Malaysia
5. Technological advance in brachytherapy, 31st Annual Conference of the UPAROI, 6 October 2019, Lucknow
6. Case 1 cervix ICA brachytherapy case history, BMCON-IV & RAJAROICON 2019, 13-15 September 2019, Jaipur
7. Brachytherapy in head and neck cancer, AROI-ICRO Prodvance 2019, 7 and 8 September 2019, Chandigarh
8. Soft Tissue Sarcoma, 9th Annual Conference of Indian Brachytherapy Society (IBSCON 2019), 30 August-1 September 2019, Mangalore
9. PBI using brachytherapy: protocol and quality assurance for routine use. How can this be implemented in Indian patients? Which group can be selected? two Controversies to consensus meeting 2019, 16 and 17 August 2019, Kolkata
10. Pediatric CNS tumours: Proton therapy will make other high end photon based RT techniques obsolete (CNS/ Pediatric), Max Cancer Congress, Max Institute of Cancer Care, 17 August 2019, New Delhi
11. When is Brachytherapy and Teletherapy the right choice for primary treatment of oral cancer, Indian Academy of Otolaryngology & Head-Neck Surgery (IAOHNS 2019), 17 August 2019, Gurugram
12. Role, Techniques and Evidence of Tumour Bed Boost including Brachytherapy, 32nd AROI ICRO Sun PG Teaching Programme, 27 and 28 July 2019, Kolkata
13. Rational of fractionation in Radiotherapy in breast cancer, Breast Cancer Updates –2019, 27 July 2019, Bhubaneswar
14. When to refer a case of ca cervix to radiation Oncologist & Role of Radiotherapy in Cancer cervix, West Zone Gynaec Onco PG CME, 20 and 21 July 2019, Bhopal
15. Use of combination interstitial and intracavitary applicators in a high volume center, ABS Annual Meeting 2019, 13-15 June 2019, Florida, USA
16. Panel Discussion on Brachytherapy, Brachytherapy Workshop, 18 May 2019, Dharmshila
17. Brachytherapy in head & neck cancer, Teaching Program on “Overview of Head and Neck Oncology”, 13 and 14 April 2019, Pune

### **Suman Bhasker**

1. Panelist on Oropharyngeal Cancer, Annual Meeting of Oncology Forum, 7 December 2019, Delhi

### **Subhash Gupta**

1. Structuring a Collaborative National Image Banking Program at Tata Medical Center, Kolkata, 26 July 2019, Kolkata
2. Panelist- ‘Selecting Operable Breast Cancer Patients for Neoadjuvant treatment’ -Precision Oncology & Breast Cancer Update, October 2019, Jaipur
3. Panelist-Bridging the Gap of Talents in Healthcare, ARTTICON 2019, 13 December 2019, Delhi

### **Haresh KP**

1. Partial Breast irradiation-Indian Context, Breast Cancer Updates 2019-Odisha, 27 July 2019, Bhubaneswar, Odisha

2. Radiotherapy as Precision Therapy, Clinical and translational research for precision medicine workshop, MAHE, 5 December 2019, Manipal
3. Management of localised prostate cancer, Glenmark Prostate cancer tumor board, 30 August 2019, New Delhi
4. Post op radiotherapy in prostate cancer, Glenmark Prostate cancer tumor board, 30 August 2019, New Delhi
5. Systemic adjuvant chemotherapy, AIIMS Breast Course 2019, 5 April 2019, New Delhi
6. Panel Discussion – case capsules on breast cancer management, AIIMS Breast Course 2019, 5 April 2019, New Delhi

#### **Rambha Pandey**

1. Panelist, Symposium on Lung Cancer, AIIMS PULMOCRIT 2020, 7 and 8 March 2020, New Delhi
2. Moderator for the Panel Discussion on Laryngeal cancer, AIIMS Surgical Oncology Course In Head Neck Oncology, 13 and 14 September 2019, Rishikesh
3. Panelist for panel discussion on Urological complications carcinoma cervix, Annual Meeting of Oncology Forum 2019, 7 and 8 December 2019, New Delhi
4. Panelist for Panel-Pediatric CNS Tumors: Proton therapy will make other high end photon based RT techniques obsolete, Max debate in Oncology, 17 August 2019, New Delhi
5. Panelist for panel Discussion on Lung Cancer, Symposium on Thoracic Oncology, 21 and 22 September 2019, New Delhi

#### **Ahitagni Biswas**

1. Radiotherapy plan evaluation in head & neck cancer- problem based approach, AROI – ICRO PRODVANCE 2019 teaching course on Head and Neck Cancers, 7 September 2019, Chandigarh
2. Management of acute and delayed toxicities of radiotherapy in head & neck cancer, AROI – ICRO PRODVANCE 2019 teaching course on Head and Neck Cancers, 7 September 2019, Chandigarh
3. Evidence based management of Wilms tumor – Radiation Oncology Perspective, 33rd AROI-ICRO SUN Teaching Course on Paediatric Malignancies, 12 October 2019, Lucknow
4. Interesting case scenarios in pediatric neuro-oncology- panelist, SGRH-ISNO CME on pediatric brain tumors, 10 November 2019, Delhi
5. Approach in treatment of relapsed refractory Hodgkin's lymphoma- panelist, 5th APOLLO CANCER CONCLAVE & 8th biennial Conference CANCER CI – 2020, 14 February 2020, Hyderabad

#### **Supriya Mallick**

1. SVC obstruction, Onco-Emergency Summit 2019, 9 November 2019, New Delhi

#### **Gopishankar Natanasabapathi**

1. Planning in Gamma Knife – Physicist's Perspective, Master class on Stereotactic Radiosurgery (SRS/SBRT) of Brain and Spine Tumor, 30 and 31 August 2019, Gurgaon
2. Prevention and Handling of Radiation accidents incidents/accidents, Lectures on Radiation Safety as relevant to nursing practice, 13 February 2020, New Delhi

#### **Surgical Oncology**

##### **SVS Deo**

1. How to start a CRS &HIPEC center, ISPSM-ESSO-AGOI – Workshop and Conference, 18-20 April 2019, Mumbai
2. ABC of Breast cancer Management, Live Surgical Workshop – CME on Breast Cancer, 27 April 2019, B. Barooah Cancer Institute, Guwahati, Assam
3. Barriers to BCT & Breast Oncoplasty, Update on Breast Cancer, 27 July 2019, AIIMS, Bhubaneswar
4. Epidemiology of Young Breast Cancer, Breast Surgery Education & Training in India, International Society of Surgery – Biennial Conference, 11-15, August 2019, Krakow, Poland
5. Loco-regional recurrence in Breast Cancer, Excellence in oncology, 17-19 October 2019, Dubai
6. Skin sparing MRM and Implant recon & ICG- Breast -Video presentation, NATCON 2019, 20 and 21 September 2019, Kolkata
7. Changing Role of Surgery in Head & Neck Cancer, Update on Head & Neck Cancers, 13 September 2019, Rishikesh

8. Retroperitoneal Sarcomas, Surgery Update, 25 September 2019, Delhi
9. Risk Reducing mastectomy with Low cost mesh & ICG, ABSICON 2019, 30-31 August 2019, Jaipur
10. Planning Incisions for breast surgery, Breast Cancer Database development, Video- Mini LD flap, AIIMS-UK cadaver course –Breast Oncoplasty & Reconstruction, 28 and 29 August 2019, New Delhi
11. Planning incisions & Tips of Oncoplasty, Surgical Oncology Curriculum & Training, ASICON 2019, 18-20 December 2019, Bhubaneswar
12. Soft Tissue Sarcoma -AIIMS experience, Master class- Sarcoma, 8 February 2020, Puducherry
13. Locally Advanced Breast Cancer, IASO, MIDCON, 28 and 29 February 2020, Tirupati

#### **Sunil Kumar**

1. Complications of VATS lobectomy, ISTS / SELSI Conference 2019, 18 September 2019, India Habitat Center, New Delhi Multidisciplinary Tumour Board - Locally advanced NSCLC, 33rd Annual Update on Pulmonary and Critical Care Medicine, 13 October 2019, PGIMER, Chandigarh,
2. NACT and Surgical Approach to Locally Advanced Lung Cancer, 2nd Annual Conference of ISTS, 18 January 2020, NITRD, New Delhi

#### **MD Ray**

1. Retroperitoneal lymph node dissection in Gynaecological Malignancies, Panelist, Conference cum Workshop “3rd ESSO-ESPSO, ISPSM & AGOI International Course. Role of HIPEC in Colo Rectal Cancer, 19-21 April 2019 at Tata Memorial Hospital, Mumbai
2. Anterior Pelvic Exenteration, Update in Oncology -2019 Controversies in Gynae Oncology, 4 and 5 May 2019 at Sir Ganga Ram Hospital, New Delhi
3. River Flow’ Incision for decreasing morbidity of Ilio-Inguinal Block Dissection (IIBD), Velammal Healthcare Innovation Awards, 15 and 16 November 2019, Madurai, Tamil Nadu
4. CRS AND HIPEC- experience from AIIMS, Delhi., Annual Update in Peritoneal Surface Oncology, 20-22 February 2020, Mumbai
5. AIIMS experience in CRS and HIPEC, Mid Term Annual Conference of Indian Association of Surgical Oncology, 29 February-1 March, Tirupati, Andhra Pradesh

#### **Sandeep Kumar Bhoariwal**

1. Hemoptysis, GI Bleed, Haematuria, Carotid blow out, Tumor Bleeds, CME Oncological Emergencies, 9 November 2019, New Delhi
2. Current evidence for MIS in colorectal Cancer, Colorectal Cancer: Update on Minimally Invasive Surgery & Video Workshop, 23 November 2019, New Delhi
3. Open versus Minimally invasive Whipples Operation, Robo-Onco-Con, 3 February 2019, New Delhi
4. Management of Challenging cases in Colo-Rectal Cancer, Colorectal Cancer: Update on Minimally Invasive Surgery & Video Workshop, 23 November 2019, New Delhi

#### **Jyoti Sharma**

1. Surgical Trials, Delhi Oncology Forum, CME, 19 April 2019, Delhi
2. Oncologic emergencies, CME Oncological Emergencies, 9 November 2019, Delhi
3. GI emergencies in cancer, CME Oncological Emergencies, 9 November 2019, Delhi
4. Controversies & Consensus in CRC, Colorectal Cancer: Update on Minimally Invasive Surgery & Video Workshop, 23 November 2019, Delhi

#### **Ashutosh Mishra**

1. Panelist – Challenging Cases in Colorectal cancers, Colorectal Cancer: Update on Minimally Invasive Surgery & Video Workshop, 23 November 2019, AIIMS, New Delhi

#### **Chitresh Kumar**

1. Molecular diagnostic testing in thyroid nodule FNA: Use and interpretation, 20th Annual Conference of Indian association of Endocrine Surgeons, 27 and 28 September 2019, Indore
2. Follow up Protocols after Breast Reconstruction, 2nd AIIMS-UK Cadaver course on Breast Oncoplasty and Reconstruction, 29 August 2019, AIIMS, New Delhi

## Oral papers/posters presented

23. Third Prize in ISPSM-ESSO-AGOI on 18-20 April 2019 at TMH, Mumbai
24. Third prize in ISO-ISMPPO, on November 2019, Indore, India
25. Second Prize in Quiz Competition at World Congress of Surgery, Krakow Poland
26. awarded 3rd Best Paper at ABSICON, Jaipur, India, 2019
27. International travel award to Jyotishman Saikia from Department of Science and Technology.
28. 14.Awarded 3 rd best paper presentation to Dr Raghuram K
29. International travel award to Dr Raghuram K by Indian Council for Medical Research
30. International travel award to Dr Navin K by Indian Council for Medical Research
31. First prize for best paper presentation to Dr Navin Kumar during “Annual oncology forum meeting, New Delhi

## RESEARCH

### Onco-Anesthesia and Palliative Medicine

#### Funded projects

##### *Ongoing*

1. Spiritual problems and concerns faced by Indian palliative care patients. Sushma Bhatnagar, ICMR, 3 years, 2017-2019, Rs1.32 lakhs
2. Study of Pain attributes to Design a Pain Measurement Device for the cancer and injured Patients, Sushma Bhatnagar, DRDO, 2 years 10 months, 2017-2020, Rs 24.88 lakhs.
3. Clinical Validation of Iontophoretic Delivery of Lidocaine as an Alternative to EMLA Cream, Sushma Bhatnagar, AIIMS, 2 years, 2019-2021, Rs 5 lakhs.
4. Novel Video Laryngoscope for Endotracheal Intubation in Patients with Reduced Mouth Opening approved for AIIMS-IIT project, Nishkarsh, AIIMS, 2 years, 2019-2021, Rs 5 lakhs/year
5. Comparison of King Vision Video laryngoscope channeled and non-channeled blades with direct Laryngoscope for intubation in mannequin by medical students: a randomized mannequin study. Nishkarsh, AIIMS, 2019-2021, Rs 2 lakhs

##### *Completed*

1. Prevalence and factors associated with cancer related neuropathic pain in India: A cross sectional study”, ICMR, 2 years, 10 lakhs, Sushma Bhatnagar
2. A Double Blind, Double-Dummy, Randomized, Prospective, Two Arm, Parallel, Multicenter, Phase IV Clinical Trial To Evaluate Efficacy And Safety Of Gaba-NT (Fixed-Dose Combination Of Gabapentin And Nortriptyline) In Comparison With Gabapentin In Patients With Neuropathic Pain, ICMR, 2 years, Rs 3 lakhs, Sushma Bhatnagar
3. Molecular Determinates of Response to opioids in cancer patients: Indian Scenario, ICMR, 3 years, Rs 28 lakhs, Sushma Bhatnagar.
4. Comparison of two techniques (bolus morphine vs. infusion morphine) of analgesic titration with intravenous morphine in palliative cancer patient - a prospective randomized study, AIIMS, 2 years, Rs 3 lakhs, Vinod Kumar

#### Departmental projects

##### *Ongoing*

1. Prevalence and risk factors of acute neuropathic pain following oncological surgeries: a prospective study at a tertiary cancer center
2. Prevalence and predictors of insomnia in cancer patients presented to palliative care unit of a tertiary care center in India

3. Prospective Evaluation Of Social Support, Depression and Quality of Life in Advanced Cancer Patients Attending The Palliative Care Clinic Of A Tertiary Care Centre
4. Knowledge, attitude and perception regarding morphine use in Indian cancer patients
5. Intraoperative celiac plexus neurolysis for pain relief in unresectable pancreatic, gastric and gall bladder cancer
6. Comparison of dexmedetomidine vs. midazolam in conscious sedation for patients undergoing medical thoracoscopy- a randomized controlled pilot study
7. Effect of adding dexamethasone to ropivacaine on ultrasound guided serratus anterior plane block for modified radical mastectomy: A Prospective randomized controlled pilot study
8. Comparative evaluation of Nasotracheal intubation with C Mac Videolaryngoscope conventional blade vs. D blade using cuff inflation technique in patients undergoing head and neck cancer surgeries: A prospective randomized study
9. Prevalence and risk factors of cognitive dysfunction in advanced cancer patients admitted in palliative care unit
10. Effectiveness of Intercostal Radiofrequency Ablation in the management of chronic pain after thoracic surgery

### ***Completed***

1. To evaluate the comparative efficacy and safety of Gabapentin, Duloxetine and Pregabalin in patients with Chemotherapy Induced Painful Neuropathy (CIPN): A Randomized Controlled Pilot trial
2. Prevalence of chemotherapy induced peripheral neuropathy in a palliative care setup and its impact on the quality of life of cancer patients
3. Effect of patient controlled epidural analgesia (PCEA) and intravenous patient-controlled analgesia (IVPCA) on postoperative inflammatory response and cancer recurrence in patients undergoing abdominal oncosurgery - a prospective randomized controlled trial
4. Cardiopulmonary exercise testing as a predictor of morbidity after major gastrointestinal cancer surgeries in patients at nutritional risk: A prospective observational pilot study
5. Comparison of two different doses of intrathecal bupivacaine for intracavitary radiotherapy in patients with carcinoma cervix – A randomised control trial
6. Comparative evaluation of efficacy of intravenous infusion of Dexmedetomidine with Morphine for postoperative analgesia & sedation in head and neck cancer surgery
7. To study the impact of nutritional intervention in delaying the progression of cachexia to refractory cachexia in female cancer patients: A study based in India

## **Delhi Cancer Registry**

### **Funded projects**

#### ***Ongoing***

1. Establishment of Hospital based Cancer Registries and patterns of care and survival studies on Cancer Breast, Cancer Cervix and Head and Neck Cancers, SVS Deo, National Cancer Registry Programme, National Centre for Disease Informatics and Research, Indian Council of Medical Research, Bangalore, 6 years, 2014-2020, Rs 38 lakhs per annum
2. Patterns of Care and Survival Studies on childhood, lymphoid and hematopoietic malignancies. SVS Deo, National Cancer Registry Programme, National Centre for Disease Informatics and Research, Indian Council of Medical Research, Bangalore, 5 years, 2017-2021, Rs 1 lakh per annum (approx.)
3. Population Based Survival Studies on Cancer Breast, Cervix and Head & Neck Cancers, SVS Deo, National Cancer Registry Programme, National Centre for Disease Informatics and Research, Indian Council of Medical Research, Bangalore, 5 years, 2017-2021, Rs 6.8 lakhs per annum (approx.)

## **Laboratory Oncology**

### **Funded projects**

#### ***Ongoing***

1. Centre for Advanced Research & Excellence in Leukemic Stem Cells (LSC) for Prognosis and Treatment (CARE-LSCPT) in Acute Myeloid Leukemia. Ritu Gupta, ICMR, 5 years, 2019-2024, Rs 490.82 lakhs
2. Unit of Excellence on Cancer Research on Multiple Myeloma. Ritu Gupta, DBT, 5 years, 2016-2021, Rs 314 lakhs

3. Evaluation of DRY Multi-Color Panels for Lymphoma & Leukemia Diagnosis and Monitoring on a Flow Cytometer. Ritu Gupta, Beckman Coulter, 2 years, 2018-2020, Rs 9.46 lakhs
4. Identification of network pathways for drug targeting in Multiple Myeloma from NGS data using Deep Learning. Ritu Gupta, DST, 3 Years, 2019-2022, Rs 35 lakhs
5. Minimal Residual Disease Estimation in Multiple Myeloma using Image Processing: Design and Development of Myelomaimager - an Automated Computer Assisted Tool. Ritu Gupta, DST, 3 Years, 2018-2021, Rs 45 lakhs
6. Elucidation of circulating cell free miRNA in pathogenesis, disease progression and outcome in multiple myeloma using integrated bioinformatics and experimental approach, Ritu Gupta, AIIMS, New Delhi, 2 years, 2018-2020, Rs 20 lakhs
7. Digital Holographic Microscopy of acute leukemic cell for 3D morphology-based classification, Ritu Gupta, AIIMS, New Delhi, 2 years, 2018-2020, Rs 20 lakhs
8. Prevalence and significance of ETS related gene deletions in Acute Lymphoblastic Leukemia, Sanjeev Kumar Gupta, AIIMS, New Delhi, 2 years, 2018-2020, Rs 10 lakhs
9. Development of risk-stratification algorithm to select BCR-ABL1 negative pediatric B-ALL patients for detailed genetic analysis- a step towards optimum use of next generation sequencing platform, Sanjeev Kumar Gupta, ICMR, 3 years, 2020-2023, Rs 49.50 lakhs
10. Early immature T-lymphoblastic leukemia (ALL): Evaluation of early thymic precursor T-ALL immunophenotype, absence of biallelic deletion of TCR  $\gamma$  chains (ABD) and expression of MEF2C as predictors of treatment response as assessed by minimal residual disease determination., Anita Chopra, DST, 3 years, 2015-2019, Rs 20.16 lakhs
11. Elucidation of role of TOX in T-ALL. Anita Chopra, DHR, 3 years, 2020-2023, Rs 30 lakhs
12. Identification of tyrosine kinases in Indian pediatric Ph-like Acute lymphoblastic Leukemia, Anita Chopra, DHR, 3 years, 2018-2021, Rs 30 lakhs
13. DBT-Wellcome trust intermediate career fellowship. Anita Chopra, DBT Wellcome India Alliance, 5 years, 2018-2023, Rs 386 lakhs
14. ICMR TASK Force Comparative study of Genetic, Clinical and Epidemiological factors of Breast Cancer in Indian population, Pranay Tanwar, ICMR, 5 years, 2017-2022, Rs 122 lakhs
15. A prospective study to evaluate WT1 gene expression as predictive molecular marker of disease progression in de novo cases of Acute myeloid Leukemia, Pranay Tanwar. DST, 4 years, 2017-2021, Rs 52 lakhs
16. ICMR TASK Force Genomics of gallbladder carcinoma in Indian Patients. Pranay Tanwar, ICMR, 4 years, 2017-2022, Rs 199 lakhs
17. Human Papilloma Virus (HPV): Relevance in etiology of oral squamous cell carcinoma in Indian Population, Pranay Tanwar, DHR, 3 years, 2017-2021, Rs 45 lakhs
18. Generation of 3D Breast Tumor Organoids as an in vitro Drug Screening Study Model, Pranay Tanwar, AIIMS New Delhi, 2 years, 2020-2022, Rs 8.91 lakhs
19. Evaluation of HE4 level in epithelial ovarian cancer for diagnosis & monitoring of therapy, Amar Ranjan, ICMR, 3 years, 2017-2020, Rs 25 lakhs
20. Analysis of expression of biomarkers in ovarian cancer, Amar Ranjan, AIIMS, 2 years, 2019-2021, Rs 10 lakhs
21. Impact of TCR  $\alpha\beta$  sequence repertoire in CML blasts, Gurvinder Kaur, AIIMS, 2 years, 2018-2020, Rs 10 lakhs
22. Characterization of circulating cell free Nucleic acids for identification of leukemia-specific genetic alterations in early recurrence monitoring of Acute Myeloid Leukemia. Deepshi Thakral, AIIMS, 2 years, 2018-2020, Rs 10 lakhs

### **Completed**

1. Molecular determinants of prednisolone sensitivity in pediatric acute lymphoblastic leukemia, Anita Chopra, AIIMS, 2 years, 2016-2019, Rs 8 lakhs
2. A prospective study to evaluate Wilm's tumor 1 (WT1) mutation in de novo cases of Acute myeloid Leukemia and correlating their outcome with treatment response, Pranay Tanwar, AIIMS, 4 years, 2015-2019, Rs 4 lakhs
3. Prognostic evaluation of thrombopoietin following surgery in gastrointestinal cancer patients, Amar Ranjan, Oncology Forum, 1 year, 2019, Rs 1.5 lakhs

### **Medical Oncology**

#### **Ongoing**

1. Risk of cancer in mobile phones users: a prospective study under ICMR task force. Effect of Non-ionizing electromagnetic field (EMF) on human health, Lalit Kumar, ICMR, 10 years, 2012-2022, Rs 142.19 lakhs.

2. Pazopanib based combination oral metronomic therapy in platinum resistant, platinum refractory and advanced and advanced ovarian cancer: a randomized phase II study. Lalit Kumar, ICMR, 3 years, 2018-2021, Rs 49.51 lakhs.
3. Aspirin for Dukes C and High Risk Dukes B Colorectal Cancers - An International, Multi-centre, Double Blind, Randomised Placebo Controlled Phase III Trial, Atul Sharma, Singapore Clinical Research Institute, Singapore, 10 Years, 2013-2018, 500 USD per patient
4. CANscript™ Clinical Outcomes in a Real-World Setting (ANCERS-1): A Prospective, Multicenter, Observational Study Examining the Clinical Utility of CANscript™ in Routine Clinical Practice, Atul Sharma, Catalyst (CRO), 5 Years, 2017-2020, Rs 0.2 lakhs
5. A single arm, multicentric, open label, efficacy and safety study of Doceaqualip (Docetaxel Lipid Suspension for Injection of Intas Pharmaceuticals Limited, India) based regimens in metastatic gastric adenocarcinoma patients. Atul Sharma, Lambda Therapeutics Research Limited, 2 Years, 2018-2020, Rs 4.79 lakhs + 1.72 lakhs per patient
6. An Open Label, Multicenter, Non-Comparative, Phase IV Study of Panitumumab to Characterize its Safety, Tolerability and Activity in Indian Subjects with Previously Treated Wild-Type RAS (KRAS and NRAS), Metastatic Colorectal Cancer, Atul Sharma, Dr Reddy's Lab and PPD, 2 Years, 2019-2021, Rs 4 lakhs
7. Establishing a nutritional counseling program and developing a nutritional database in pediatric patients with cancer, Sameer Bakhshi, Cuddle Foundation, 3 Years, 2016-2019, Rs 13.37 lakhs
8. Role of mitochondrial heterogeneity in the progression and prognosis of Acute Myeloid Leukemia (AML), Sameer Bakhshi, DST, 3 Years, 2017-2020, Rs 50.7 lakhs
9. Indian Childhood collaborative leukaemia group multicentre national standardisation study for newly diagnosed acute lymphoblastic leukemia (ALL), Sameer Bakhshi, National Cancer Grid, 3 Years, 2016-2019, Rs 35 lakhs
10. SADAL: A Phase IIb Open label Study of Selinexor (KPT-330) in Patients with Relapsed/Refractory Diffuse Large B-Cell Lymphoma (DLBCL), Sameer Bakhshi, Excel Life Sciences, 5 Years, 2018-2023, Rs 11 lakhs
11. A Phase II, Open-Label Trial Evaluating the Efficacy and Safety of Two Dosages of Once Daily Oral CA-170 in Patients with Selected Relapsed Advanced Tumors (ASIAD), Sameer Bakhshi, Veeda Clinical Research Pvt. Ltd, 5 years, 2018-2023, Rs 3.8 lakhs per patient
12. A Phase IV Multi-Centric Post-Marketing Study Evaluating the Safety, Immunogenicity and Efficacy of the Marketed Formulation of Hetero – Rituximab, Sameer Bakhshi, Hetro Pharma Ltd., 2 years, 2018-2020, Rs 12 lakhs
13. Single-day Intravenous Fosaprepitant vs. 3-day oral Aprepitant anti-emetic regimen in pediatric patients receiving highly-emetogenic chemotherapy: An Investigator-initiated, Randomized, Open-label, Non-inferiority trial, Sameer Bakhshi, Glenmark Pharmaceuticals, 3 Years, 2020-2023, Rs 5.52 lakhs.
14. Lymphocyte reconstitution following Autologous Stem Cell Transplantation in myeloma and lymphoma, Ranjit Kumar Sahoo, DST, 3 years, 2018-20, Rs 39.08 lakhs.
15. Safety study of Nivolumab for selected advanced malignancies in India, Prabhat Singh Malik, Bristol-Myers Squibb, 2 years, 2018-2020, Rs 39.72 lakhs
16. A prospective, multicenter, Phase-IV clinical trial to assess safety of TAGRISSO™ (Osimertinib) in Indian adult patients with metastatic epidermal growth factor receptor (EGFR) T790M mutation-positive non-small cell lung cancer (NSCLC), Prabhat Singh Malik, AstraZeneca Pharma India, 1 year, 2019-2020, Rs 506 lakhs
17. AIIMS-IIT Delhi collaborative research Proposal on Liquid Biopsy: An exploratory study on exosome-based diagnostics for lung cancer, Prabhat Singh Malik, IIT & AIIMS, Delhi, 2 Years, 2019-2020, Rs 10 lakhs (For IITD), Rs 10 lakhs (AIIMS)
18. Expression of NOTCH1,2,3, HES-1 and p21 in esophageal squamous cell carcinoma, Raja Pramanik, AIIMS, 1 year, 2017-2018, Rs 5 lakhs
19. Exploring how  $\beta$ -catenin induced metabolic changes can be exploited for Triple Negative Breast cancer (TNBC) prognosis and therapeutics, Chandra Prakash Prasad, ICMR, 3 Years, 2019-2022, Rs 21.65 lakhs
20. Exploring how Phosphofructokinase-1 (PFK-1) induced metabolic changes can be exploited for Triple Negative Breast cancer (TNBC) prognosis and therapeutics, Chandra Prakash Prasad, SERB, 3 Years, 2018-2021, Rs 46.65 lakhs
21. Estrogen Related Receptor Gamma ( $ERR\gamma$ ) as a potential biomarker and therapeutic target for thyroid cancer and its correlation with iodine handling genes in thyroid, Thoudam Debraj Singh, DST-SERB Core, 3 years, 2020-2023, Rs 49 lakhs
22. Multivalent targeting-based delivery of paclitaxel using elastin like polypeptide containing IL-4 receptor targeting peptide (AP1-ELP) for ovarian cancer therapy, Thoudam Debraj Singh, ICMR, 3 years, 2019-2022, Rs 36 lakhs
23. To study the role of USP37 in oncogenesis of ovarian cancer by using carbon nanodots embedded 3D cell culture platform, Mayank Singh, AIIMS IITD, 2 years, 2019-2021, Rs 10 lakhs
24. Elimination of leukemic and angiogenesis ability with altered macrophages plasticity in Acute Myeloid Leukemia,

Sampa Ghose, AIIMS, 2 years, 2019-2021, Rs 10 Lakhs

25. Studies of therapeutic potential of endothelial cells and angiogenic properties in hepatocellular carcinoma, Sampa Ghose, DST, 3 years, 2016-2019, Rs 30 Lakhs.

### **Completed**

1. Role of mitochondrial complex encoding genes in Pediatric AML, Sameer Bakhshi, AIIMS, 2 Years, 2016-2019, Rs 10 lakhs
2. National Multicentre Childhood Leukemia Programme, Sameer Bakhshi, ICMR, 2 Years, 2017-2019, Rs 32 lakhs
3. Improving Refusal, Non-Compliance, Abandonment and Outpatient Infection Treatment in Pediatric and Adolescent Cancers, Sameer Bakhshi, Lebara Foundation, 3 Years, 2015-2020, Rs 93.33 lakhs
4. MGMT methylation in primary CNS lymphoma, Ranjit Kumar Sahoo, AIIMS, 3 years, 2015-2017, Rs 3.15 lakhs
5. Role of RRM1, RRM2, hENT1 and ERCC1 expression in Advanced Carcinoma of Gall Bladder treated with Gemcitabine-Platinum Doublet. Ranjit Kumar Sahoo, Nag Foundation, Pune, 3 years, 2016-2018, Rs 5 lakhs
6. Effect of food on pharmacokinetics of abiraterone in metastatic CRPC, DS Arya, AIIMS, 2 years, 2019-2020, Rs 10 lakhs
7. Validation of Thymidylate Synthetase and Folate Receptor alpha expression as predictive biomarkers for efficacy of pemetrexed based chemotherapy in advanced non squamous NSCLC, Prabhat Singh Malik, AIIMS, 2 Years, 2016-2018, Rs 9 lakhs

### **Medical Physics**

#### **Funded projects**

##### **Ongoing**

1. Development of tissue equivalent optically stimulated luminescent materials for radiation dosimetric applications in low and high doses of medical radiation, Pratik Kumar, DHR, 3 years, 2017-2020, Rs 15.53 lakhs
2. Preparation and study of radiochromic film as radiation dosimeter for medical applications, Pratik Kumar, ICMR, 3 years, 2018-2021, Rs 16.69 lakhs
3. Development of new and novel radiation dosimetric OSL materials by ion implantation technique and chemical methods for improved dosimetry, Pratik Kumar, DRDO, 3 years, 2019-2022, Rs 23.65 lakhs

### **Preventive Oncology**

##### **Ongoing**

4. Detection of HPV circulating tumor DNA in cervical cancer patients before and after chemoradiotherapy by droplet digital PCR, Sujata Pathak, AIIMS, 2 years, 2019-2021, Rs 9.5 lakhs
5. Early and Late development of Castration Resistant Prostate Cancer and its correlation with Androgen Receptor Ligand Binding Domain Mutations, Sandeep Kumar, AIIMS, 2 years, 2017-2020, Rs 6.75 lakhs
6. In vitro evaluation of chloroquine and artemisinin for sensitization effect on multidrug-resistant small cell lung cancer cells, Asrar Alam, AIIMS, 2 years, 2019-20, Rs 10 lakhs
7. Identification of immunogenic regions from SARS-CoV-2 spike protein capable of eliciting robust humoral response, Asrar Alam, AIIMS, 1 year, 2020-2020, Rs 10 lakhs
8. Development of a novel cancer immunotherapeutic agent by integrating tumour antigen TRP-2 with Mycobacterium indicus pranii and analysis of its antitumour efficacy and immune-mechanisms using a mouse model, Pawan Kumar, AIIMS, 2 years, 2019-2021, Rs 10 Lakhs

### **Radiodiagnosis**

#### **Funded projects**

##### **Ongoing**

9. Diagnostic accuracy of Contrast enhanced Ultrasound in detecting early response to Neoadjuvant Chemotherapy in Breast cancer patients, Ekta Dhamija, AIIMS. 2 years, 2019- 2021, Rs 8,00,000
10. Use of Artificial Intelligence to detect breast cancer on mammogram and its use in the Indian population, Krithika Rangarajan, DBT, 3 year, 2020-2023, Rs 85.19 lakhs

## **Completed**

11. Metallic tumour marker clip for breast cancer: design, development and clinical implications, Sanjay Thulkar, SERB-DST, 5 years, 2014-2019, Rs 23.27 lakhs
12. Comparative evaluation of Nasoenteric feeding and Percutaneous Radiologic Gastrostomy for enteric support in patients with moderate and severe dysphagia due to neoplasms of oropharynx or esophagus: A Pilot Randomized controlled trial, Mukesh Kumar, AIIMS, 2 years, 2018-2020, Rs 5 lakhs

## **Radiation Oncology**

### **Ongoing**

1. ICMR Task Force Genomics of gallbladder carcinoma in Indian Patients, GK Rath, ICMR, 5 years, 2018–2023, Rs 199 lakhs
2. ICMR Task Force Comparative study of Genetic, Clinical and Epidemiological factors of Breast Cancer in Indian population, GK Rath, ICMR, 4 years, 2017–2021, Rs 122 lakhs
3. A prospective study to elucidate genetics, clinical and molecular factors in gall bladder carcinoma in Indian patients, GK Rath, Cancer Foundation, 4 years, 2017-2021, Rs 40 lakhs
4. To Investigate the role of HPV infection and its association with breast cancer in India: A patient-based exploration study, GK Rath, ICMR, 2 years, 2020-2021, Rs 10 lakhs
5. Identification of Hereditary Breast and Ovarian Cancer (HBOC) syndrome families with breast cancer and their BRCA1 & BRCA2” gene mutation profiling in NER population, GK Rath, NCDIR-ICMR, 3years, 2020-2023, Rs 98 lakhs
6. Mycidac C in Lung cancer, Subhash Gupta, Cadila, 3 years, 2017-2019, Free drugs.
7. A study of Palbociclib in combination with Letrozole as treatment of postmenopausal women with hormone receptor positive, Her 2 new negative advanced breast cancer for whom Letrozole therapy is deemed appropriate, Haresh KP, Pfizer India, 3 years, 2017-2019, Rs 10 Lakhs
8. A Randomized, Multiple-dose, Multicenter, Comparative, Parallel Study to Evaluate the Efficacy, Safety and Pharmacokinetic Characteristics of Intravenous Infusion of Trastuzumab (Test, Hetero) and Reference Medicinal Product (Reference, Roche) in combination with standard chemotherapy in Patients of HER2-positive Metastatic breast cancer (TRUMAB Study), Haresh KP, Hetero Pharma, 3 years, 2019-2021, Rs 17 Lakhs
9. A prospective pilot study to evaluate the effectiveness and toxicity of Stereotactic body radiotherapy (SBRT) for Portal Vein Thrombosis in patients with advanced Hepatocellular carcinoma (HCC) (DHR Grant), Haresh KP, DHR, 3 years, 2019-2021, Rs 31 Lakhs
10. A Randomized, double blind, multicentre, multinational comparative clinical study to compare the efficacy and safety of INTP24 against Avastin, Rambha Pandey, Rs 5.86 Lakhs
11. Prospective pilot study of endobronchial brachytherapy for palliation of malignant airway obstruction, Rambha Pandey, Rs 10 Lakhs
12. Prospective assessment of radiation induced lung injury (RILI) in breast cancer patients undergoing adjuvant post-operative three-dimensional conformal radiotherapy (3DCRT), Ritesh Kumar, AIIMS, 2 years, 2017 – 2019, Rs 4 Lakhs

## **Surgical Oncology**

### **Funded projects**

#### **Ongoing**

1. HBCR & Pattern of care and survival studies in breast, head & neck and cervical cancer. SVS Deo, ICMR, 6 years, 2014-2020, Rs 35 lakhs
2. Patterns of care and survival studies on cancer in childhood, lymphoid and hematopoietic malignancies. SVS Deo, ICMR, 4 years, 2017-2021, Rs 5 lakhs
3. Comparative Sphingolipid profiling of breast cancer cell and tissue types for identification of Potential Metastatic biomarkers, SVS Deo, DST, 4 years, 2016-2020, Rs 47.15 lakhs
4. Patterns of Care and Survival Studies on Gall Bladder Cancer under ICMR- National Cancer Registry Programme (NCRP), Sunil Kumar, ICMR, 5 years, 2019-2023, Rs 13 lakhs
5. Clinical significance of cell-free DNA in intraoperative pleural lavage fluid and plasma in patients undergoing pulmonary metastasectomy: A pilot study, Sunil Kumar, AIIMS, 2 years, 2018-20, Rs 10 lakhs

6. Development of Standard Operating Procedures (SOP) of Hyperthermic Intraperitoneal Chemotherapy (HIPEC) in peritoneal surface malignancies for Public set up in India., MD Ray, DST, 3 years, 2017-2019, Rs 50 lakhs
7. Association of HIPEC treatment with expression of T regulatory cells (FOXP3) in epithelial ovarian cancer and its clinical significance, MD Ray, AIIMS, 2 years, 2018-2019, Rs 8 Lakh

### **Completed**

1. An economic analysis of alternative treatment methods of ovarian cancer in India, Neerja Bhatla. MD Ray, Multi institutional Collaboration, 3-5 years, 2018-2022
2. Evaluation of Human Epididymis Protein 4 (HE4) level in the diagnosis of ovarian cancer, Amar Ranjan. MD Ray, ICMR, New Delhi, 3 years, 2018-2021, 30 lakhs

### **Departmental projects**

#### **Onco-Anesthesia and Palliative Medicine**

#### **Ongoing**

1. A comparison of effect of Desflurane vs. Sevoflurane on arterial oxygenation during one lung ventilation for thoracotomies in oncosurgical patients: - a randomized control trial
2. A comparison of two techniques of postoperative analgesia: lignocaine-fentanyl intravenous infusion and ropivacaine-fentanyl epidural infusion in patients undergoing cytoreductive surgery (CRS) and hyperthermic intraperitoneal chemotherapy (HIPEC) – prospective randomized control study
3. A cross-sectional survey of medical professionals in India to assess their prescription practices, knowledge, attitude, and barriers towards opioid analgesic prescriptions
4. A Prospective Observational Study to Assess the Effect of Palliative Care Consultation on the Palliative Care Needs of Patients Suffering from Advanced Lung Cancer, in a Tertiary Care Hospital in India
5. A Prospective Randomized Control Trial of Goal directed Vs Standard Fluid Therapy in Cytoreductive Surgery with Hyperthermic Intraperitoneal Chemotherapy
6. A survey of medical professionals in an apex tertiary care hospital to assess awareness, interest, practices and knowledge in palliative care: A descriptive cross-sectional study”
7. An observational study to elucidate the reasons for non compliance to home treatment for breast cancer related lymphedema in a tertiary care hospital
8. Asian patient’s perspective regarding oncology awareness, care and health (APPROACH)
9. Assessment of palliative care outcomes in patients of gastrointestinal malignancies attending the palliative care clinic of a tertiary care centre: a prospective observational study
10. Assessment of quality of life in breast cancer patients receiving hormonal therapy
11. Assessment of Symptom Burden and Quality of Life in Paediatric Cancer Patients in a Tertiary Care Centre In India: A prospective study
12. Assessment of Symptom Burden and Quality of Life in Patients of Advanced Breast Cancer in Indian Population: A Cross-Sectional study
13. Assessment of Symptom Burden and Quality of Life in Patients of Lung Cancer Attending The Palliative Care Clinic of a Tertiary Care Centre: A Prospective Observational Study.
14. Assessment of Symptom Burden In Patients of Malignant Bowel Obstruction In A Tertiary Care Centre In India
15. Association of Vitamin D deficiency with opioid consumption, quality of life and progression free survival in metastatic breast cancer patients: An Observational descriptive prospective study
16. Cardiopulmonary exercise testing as a predictor of postoperative outcome in patients undergoing esophageal cancer surgery following neoadjuvant chemotherapy - A prospective observational study
17. Comparison between C-arm fluoroscopic guided posterior versus Percutaneous Ultrasound-guided anterior approach for celiac plexus neurolysis in patients with upper abdominal cancer in terms of pain relief and quality of life-A Prospective randomized comparative study
18. Comparison of efficacy of Ultrasound guided Paravertebral Block versus Erector Spinae Plane block for Postoperative Analgesia in Modified Radical Mastectomy: A Randomized Controlled Trial
19. Comparison of efficacy of ultrasound guided paravertebral block versus complete antethoracic block for postoperative analgesia in
20. Comparison of intervention with analgesics versus analgesics alone in patients with upper abdominal malignancy

in terms of pain relief and quality of life at 3 months follow up : A Prospective randomized study

21. Comparison of lung aeration loss in open abdominal oncologic surgeries after ventilation with Electrical Impedance Tomography guided PEEP versus conventional PEEP – A pilot randomized control trial
22. Comparison of total intravenous anaesthesia and inhalational anesthesia for development of postoperative pulmonary complications in oral cancer resection surgery with pectoralis major myocutaneous (PMMC) flap reconstruction: A prospective, randomized control trial.
23. Comparison of WHO step 2 analgesic drug versus step 3 analgesic drug in Stage 4 opioid-naive lung cancer patients presenting to pain clinic with moderate to severe pain in terms of pain relief and quality of life at 3 weeks follow up: A randomized prospective study
24. Early pain intervention in cancer pain patients improves quality of pain relief, decreases analgesic requirement and thus improves quality of life
25. Effectiveness of the Certificate Course in Essentials of Palliative Care programme on the knowledge in palliative care among the participants: A cross-sectional interventional study
26. Effects of physiotherapy on neck and shoulder movements and mouth opening in patients operated for oral cancer and their quality of life. A Pilot Study
27. End of Life care practice at a Tertiary Cancer Centre in India: An Observational study
28. Incidence and risk factors for post-operative nausea vomiting in cancer surgeries: a prospective observational study
29. modified radical mastectomy: a randomized controlled trial
30. Nasotracheal intubation in patients with oropharyngeal carcinoma under general anaesthesia: A comparative evaluation between fiberoptic bronchoscope and C-MAC D blade video laryngoscope
31. Palliative Care Needs Assessment in Patients Suffering from Advanced Chronic Obstructive Pulmonary Disease (COPD)/ Interstitial Lung Disease (ILD): A Prospective Study
32. Palliative Care: Promoting Access & International Cancer Experience in India Collaborative (PC-PAICE India Collaborative)
33. Pattern of Patients Presenting with Malignant Spinal cord Compression in Palliative Care Unit at a Tertiary Care Centre of India-An Observational Study
34. Pattern of presentation of breast cancer related lymphedema and its impact on quality of life of breast cancer patients attending pain and palliative care clinic.
35. Prevalence and factors associated with cancer related neuropathic pain in India: A cross sectional study
36. Prevalence of Pain Among Inpatients at All India Institute of Medical Sciences- New Delhi
37. Quality of life and symptom burden in patients with hematological malignancies receiving hematopoietic stem cell transplantation- a prospective observational study
38. The journey of cancer patients from symptom onset to the beginning of treatment in a cancer hospital in India
39. To compare the effectiveness of Duloxetine vs. Gabapentin on neuropathic pain intensity in patients with chemotherapy-induced peripheral neuropathy: A double-blind randomized controlled trial
40. To compare the efficacy of opioid free general anesthesia with opioid based general anesthesia on postoperative morphine consumption in patients undergoing breast cancer surgery: A prospective randomized control study.
41. To study the clinical correlation between chemotherapy induced peripheral neuropathy (CIPN) and deficiency of vitamin b12, vitamin d3, calcium and omega 3 fatty acids.
42. Validation of an Indian Palliative Care Spiritual Distress Scale

### ***Completed***

1. Prevalence and factors affecting anxiety and depression in cancer patients in palliative care setup at tertiary care center.
2. Assessment of care giver burden in palliative care
3. Validity and reliability of the Hindi version of the Patient Assessment of Constipation Quality of Life questionnaire in cancer patients on opioids for pain management at tertiary care center, India
4. Validation of the Hindi version of the EORTC QLQ-C15-PAL questionnaire for the evaluation of quality of life of advanced cancer patients at tertiary care center, India”
5. Prevalence of postoperative morbidity in patients undergoing elective major thoraco-abdominal oncosurgery and their correlation with anaesthetic technique
6. Strong opioids and its impact on QOL in chemotherapy induced oral mucositis: A prospective observational study
7. Prevalence and predictors of postoperative fatigue and its impact on the quality of life patients after gastrointestinal

cancer surgeries : A prospective observational study

8. Comparative evaluation of Intravenous infusion of dexmedetomidine vs. Morphine for postoperative analgesia and sedation in Commando surgeries

## **Laboratory Oncology**

### ***Ongoing***

1. A study of plasma cell and B-cell compartment in plasma cell proliferative disorders (PCPD)
2. Establishment of Standard and the state-of-the-art molecular procedures for Monitoring Minimal Residual Disease (MRD) and identification of ABL kinase domain mutations in Chronic Myeloid Leukemia (CML)
3. Non-invasive evaluation of genomic aberrations in multiple myeloma
4. To evaluate the safety and feasibility of hematopoietic stem cell micro transplantation in relapsed and refractory acute myeloid leukemia (AML) patients who do not have a matched sibling donor
5. Treatment versus observation in patients with biochemical relapse of multiple myeloma, a phase III, randomized controlled trial.
6. Investigation on immunotherapeutic approaches to breast cancer in a murine
7. Molecular biology of immature T-ALL
8. Identification of tyrosine kinase lesions in B-ALL

## **Medical Oncology**

### ***Ongoing***

1. "EMF (Erlotinib/Methotrexate/5-FU) regimen as an efficacious therapy in unresectable or recurrent/metastatic Head Neck Squamous cell carcinoma after platinum failure: Investigator initiated, single arm, phase II trial"
2. A Phase II Study of Gemcitabine Docetaxel Combination in Metastatic Relapsed Synovial Sarcoma
3. A phase II study of Metformin plus Pemetrexed/Carboplatin in patients with Non-squamous non-small cell lung cancer.
4. A pilot study to assess safety and efficacy of modified FOLFIRINOX in unresectable Gall Bladder Cancer
5. A Prospective Randomized Control Trial of Goal directed Vs Standard Fluid Therapy in Cytoreductive Surgery with Hyperthermic Intraperitoneal Chemotherapy
6. A Prospective, Single-Arm, Multicenter, Pragmatic Phase-IV Trial Investigating Safety and Effectiveness of DARZALEX (Daratumumab) In Indian Subjects With Relapsed and Refractory Multiple Myeloma, Whose Prior Therapy Included a Proteasome Inhibitor and an Immunomodulatory Agent Funded by Johnson & Johnson
7. A retrospective study of early stage epithelial ovarian cancer
8. A single arm feasibility phase II study of EMF (erlotinib/mtx/5-FU) in platinum refractory R/M HNSCC
9. A single arm feasibility phase II study of EMF regime in platinum refractory recurrent metastatic head and neck squamous cell carcinoma
10. A two-arm randomized open label prospective parallel design superiority Phase II multicentric clinical trial to evaluate the efficacy of a doublet second line chemotherapy versus monotherapy in advanced unresectable or metastatic gall bladder cancer progressing on first line chemotherapy
11. Adjuvant chemoradiation and chemotherapy in resected gastric cancer
12. Adjuvant Chemotherapy or Chemo-radiation in Gall Bladder Cancer: A Phase III Randomized Controlled Study (ACCeleRate trial)
13. An ambispective cohort study of clinicopathological characteristics in patients of locally advanced breast cancer
14. An audit of clinic-pathological characteristics and outcome to therapy in high risk endometrial cancer treated at tertiary cancer centre: Retrospective analysis
15. Analysis of clinic pathological features, molecular profile and survival outcome of lung cancer patients below 40 years
16. Assessment of brain metastases (Incidence, clinic-pathological, molecular correlation and outcome) in Non-small cell Lung cancer (NSCLC) patients: A single arm prospective observational study
17. Assessment of Knowledge and attitude of breast and ovarian cancer patients regarding
18. Assessment of Sexual health and intimacy related problems in cancer patients undergoing chemotherapy
19. Bendamustine, Pomalidomide and Dexamethasone in relapsed and/or refractory multiple myeloma

20. Bortezomib, lenalidomide and dexamethasone-based consolidation therapy after Autologous
21. Clinicopathological features and outcome of DLBCL patients treated in tertiary health setting
22. Clinicopathological features and outcome of patients with Hodgkin's lymphoma
23. Comparison of "Multigene hereditary panel testing" profiles in breast cancer patients qualifying and not qualifying the NCCN 2018 criteria for genetic testing: a prospective study in North Indian population
24. Concurrent Chemotherapy and External Radiation Therapy: An Open Label Non-Inferiority Phase III Randomized Controlled Trial of Weekly versus Three Weekly Cisplatin and Radical Radiotherapy in Locally Advanced Head and Neck Squamous Cell Carcinoma
25. Cost effectiveness of early stoppage of early antibiotic therapy at clinical recovery in pediatric cancer patients with high risk febrile neutropenia compared to delayed stoppage of early antibiotic therapy
26. DNA Methylation in Ovarian Cancer
27. Early integrated palliative care versus routine oncological care for advanced adult sarcoma patient in tertiary care centre in India: a randomized phase II trial
28. Early stoppage of empirical antibiotic therapy at clinical improvement in pediatric cancer patients with high risk febrile neutropenia. A randomized open label clinical trial
29. Effect of Non-ionizing electromagnetic field (EMF) on human health funded by ICMR
30. Estimation of quality of anti-cancer drugs in marketed formulation
31. Gene expression profile and its correlation with mitochondrial energy metabolism in pediatric AML
32. Hematopoietic Stem Cell Transplantation in multiple myeloma: A single arm prospective study
33. Hereditary breast and ovarian cancer syndrome (HBOC) at a tertiary care institute
34. Incidence and impact of gut colonization by multi-drug resistant organism in patients receiving high intensity chemotherapy for AML or autologous HSCT
35. Minimal Residual Disease in Multiple Myeloma
36. Outcome analysis of triple negative breast cancer
37. Pazopanib based combination oral Metronomic therapy in Platinum Resistance, Platinum Refractory and advanced Ovarian Cancer: A randomized phase II Study
38. Pazopanib based oral metronomic therapy in Platinum refractory and relapsed ovarian cancer: a randomized phase II study
39. Pre and Post-transplant evaluation of natural killer T cells in multiple myeloma
40. Retrospective analysis of patterns and outcomes in Relapsed Multiple Myeloma
41. Retrospective analysis of RRMI, RRM2, ERCC1 and hENT1 expression in predicting treatment outcomes in advanced/recurrent CaGB who treated with gemcitabine and platinum-based chemotherapy
42. Retrospective study of Engraftment Kinetics and Cost-Effectiveness Analysis of a Risk-Adapted Algorithm of Plerixafor Use for Autologous Peripheral Blood Stem Cell Mobilization in Multiple Myeloma
43. Role of PARP1 and  $\gamma$ -Glutamyl cysteine synthetase (GCS) Inhibitors on cisplatin: AIIMS sensitivity and DNA Methylation in ovarian cancer
44. Single-day intravenous Fosaprepitant vs. 3-day oral Aprepitant anti-emetic regimen in pediatric patients receiving highly-emetogenic chemotherapy: An Investigator-initiated, randomized, open-label, non-inferiority trial
45. Stoppage of empirical antibiotic therapy in pediatric high-risk febrile neutropenia: A randomized open label Phase III clinical trial.
46. Study of efficacy and safety of neo adjuvant chemotherapy in patients with stage II B and III NSCLC
47. Study of Nilotinib drugs levels with foods and their clinical outcome in patients of chronic myeloid leukemia
48. The Feasibility of weekly paclitaxel in improving performance status of advanced NSCLC patients with poor performance status: A single arm phase II trial
49. To study the effect of fatty meals on nilotinib drug levels in blood in newly diagnosed patients of CML-CP

### **Completed**

1. The role of the PARP – 1 & B- Catenin in cisplatin resistance in cervical cancer
2. Pazopanib based oral metronomic therapy in Platinum relapsed, Platinum Refractory and Advanced ovarian cancer: a randomized phase 2 study
3. Impact of serum galactomannan assay on diagnosis and outcome of invasive fungal infections in high risk febrile neutropenia

4. Bortezomib, lenalidomide and dexamethasone (VRd) versus bortezomib, cyclophosphamide and dexamethasone (VCd) as induction therapy in untreated multiple myeloma: A phase III randomized Study
5. A prospective, Interventional study assessing response to Cytarabine, Daunorubicin and Etoposide (ADE) for first relapse of paediatric Acute Myeloid Leukemia
6. Olanzapine for prevention of nausea and vomiting in children and adolescents receiving highly emetogenic chemotherapy (HEC): An investigator initiated, randomized, open-label trial
7. To study clinical and biological significance of mutations in mitochondrial DNA regulatory region in acute myeloid leukemia
8. Retrospective analysis of testicular Germ cell tumours treated at IRCH, AIIMS
9. Role of RRM1, RRM2, hENT1 and ERCC1 expression in Advanced Carcinoma of Gall Bladder treated with Gemcitabine-Platinum Doublet
10. A phase III open label randomized control study to compare efficacy and safety of pemetrexed-Carboplatin versus Paclitaxel- Carboplatin as induction regimen in advanced Non-Squamous NSCLC
11. To assess the frequency, clinicopathological, molecular correlation and outcome of brain metastasis in NSCLC patients
12. A study to determine the association of trace elements and heavy metals with lung cancer and their correlation with smoking

## **Medical Physics**

### ***Ongoing***

1. Development of new luminescence material for dosimetry purpose
2. Calibration and use of optically stimulated luminescence dosimeter
3. Development of protocol for quality assurance of lead apron and thyroid collar
4. Development of radiochromic film dosimeter

## **Radiodiagnosis**

### ***Ongoing***

1. Assessment of the effectiveness of Transversus abdominis plane (TAP) block for pain relief in percutaneous transhepatic biliary drainage in gall bladder cancer patients- A randomized control trial
2. Role of Multiparametric MRI in predicting the grade of adult Peripheral Soft tissue sarcomas

## **Radiation Oncology**

### ***Ongoing***

1. Preparation and study of radiochromic film as radiation dosimeter for medical applications
2. Pilot study to compare moderate hypofractionated radiotherapy versus stereotactic body radiotherapy (SBRT) in intermediate and high risk prostate cancer, a toxicity and quality of life comparison
3. A pilot study to evaluate the feasibility, toxicity profile and quality of life in patients with newly diagnosed glioblastoma, receiving adjuvant chemoradiation using stereotactic radiotherapy in comparison to conventional radiotherapy
4. Adaptive Radiotherapy in Head and Neck Cancer- A Prospective study

### ***Completed***

1. A phase II study to assess the feasibility of involved site radiotherapy for consolidation after chemo-immunotherapy in newly diagnosed patients of stage I-II nodal diffuse large B-cell lymphoma
2. A pilot study to compare interstitial multicatheter brachytherapy vs VMAT for APBI in early breast cancer: An adaptation, toxicity, and cosmesis comparison
3. Comparative evaluation of acute toxicity, cosmesis and quality of life in hypofractionation versus conventional fractionation radiotherapy to whole breast and regional nodes after breast conservation surgery in breast cancer patients

## **Surgical Oncology**

### ***Ongoing***

1. Evaluation of Indocyanine green dye based navigation surgery in optimizing axillary management of carcinoma breast
2. Learning Basic Lab Techniques and Analysis of Colorectal cancer data base
3. Prevalence of sarcopenia in patients with upper gastrointestinal and lung malignancy undergoing surgical resection and its impact on immediate postoperative outcomes: A prospective observational study
4. Efficacy of Neoadjuvant chemotherapy in carcinoma esophagus- A pilot study comparing Cisplatin+5-FU with Paclitaxel+Caboplatin
5. A prospective assessment of quality indicators of peri-operative outcomes in major oncological surgeries at a high volume tertiary care center
6. A prospective comparative study between HIPEC and EPIC and a Retrospective analytic survey of HIPEC patients
7. A Study Of Colorectal Cancer Patients – Clinical Profile, Treatment And Relapse Patterns And Learning Basic Laboratory Techniques Of Molecular Biology For miRNA Extraction In Colon And Rectal Cancer Patients
8. Prospective assessment of quality indicators of perioperative outcomes in major oncological surgeries at a high volume tertiary care center
9. Validation of role of PET-CT and Diagnostic Laparoscopy in the gall bladder cancer patients – A prospective study
10. Feasibility study of dual technique- blue dye and fluorescence imaging for detection of sentinel node in oral cavity cancer – a prospective validation study

### ***Completed***

1. Efficacy of Neoadjuvant chemotherapy in carcinoma Esophagus-A pilot study comparing Cisplatin+5-FU with Paclitaxel+ Carboplatin
2. Awareness and Knowledge of Indian Breast Cancer patients pertaining to genetic aspect of Breast cancer
3. Clinical Utility of cell-free DNA in intraoperative pleural lavage fluid and plasma for patients with resectable primary pulmonary malignancies – A pilot study
4. Evaluation of peritoneal cancer index (PCI) in primary advanced ovarian epithelial carcinoma amongst Indian population.”
5. A prospective observational study comparing CT scan vs PET CT scan in carcinoma ovary for determining the preoperative disease burden and resectability”
6. Clinical significance of cell-free DNA in intraoperative pleural lavage fluid and plasma in patients with Non-small cell Lung cancer: A pilot study
7. Validation of the role of PET-CT and diagnostic laparoscopy in assessing the staging of gall bladder cancer patients: a single arm prospective study

## **Collaborative projects**

### **Onco-Anesthesia and Palliative Medicine**

#### ***Ongoing***

1. A cross-sectional survey of medical professionals in India to assess their prescription practices, knowledge, attitude, and barriers towards opioid analgesic prescriptions- National Drug Dependence Treatment Centre
2. A Prospective Observational Study to Assess the Effect of Palliative Care Consultation on the Palliative Care Needs of Patients Suffering from Advanced Lung Cancer, in a Tertiary Care Hospital in India, Pulmonary medicine
3. A prospective randomized control trial comparing intracostal with pericostal thoracotomy closure to evaluate post thoracotomy pain syndromes-Surgical Oncology
4. A survey of medical professionals in an apex tertiary care hospital to assess awareness, interest, practices and knowledge in palliative care: A descriptive cross-sectional study.-Surgical Oncology
5. An observational study to elucidate the reasons for noncompliance to home treatment for breast cancer related lymphedema in a tertiary care hospital-Physiotherapy
6. Asian patient’s perspective regarding oncology awareness, care and health (APPROACH).-Radiation Oncology, Psychiatry

7. Assessment of quality of life in breast cancer patients receiving hormonal therapy, Medical oncology, surgical oncology
8. Association of Vitamin D deficiency with opioid consumption, quality of life and progression free survival in metastatic breast cancer patients: An Observational descriptive prospective study, Medical Oncology
9. Comparison between C-arm fluoroscopic guided posterior versus Percutaneous Ultrasound-guided anterior approach for celiac plexus neurolysis in patients with upper abdominal cancer in terms of pain relief and quality of life-A Prospective randomized comparative study, Radiodiagnosis/ IRCH AIIMS
10. Early pain intervention in cancer pain patients improves quality of pain relief, decreases analgesic requirement and thus improves quality of life, Radiodiagnosis IRCH
11. Effects of physiotherapy on neck and shoulder movements and mouth opening in patients operated for oral cancer and their quality of life. A Pilot Study. -Surgical Oncology, Physiotherapy, IRCH
12. Palliative Care Needs Assessment in Patients Suffering from Advanced Chronic Obstructive Pulmonary Disease (COPD)/ Interstitial Lung Disease (ILD): A Prospective Study, Pulmonary medicine
13. Palliative Care: Promoting Access & International Cancer Experience in India Collaborative (PC-PAICE India Collaborative)-Surgical Oncology
14. Pattern of presentation of breast cancer related lymphedema and its impact on quality of life of breast cancer patients attending pain and palliative care clinic. Medical oncology, surgical oncology, Physiotherapy, IRCH
15. Prediction of infection in postoperative cases of gastrointestinal malignancy by analysis of thrombopoetin-Laboratory Oncology
16. Prevalence of pain among inpatients at All India Institute of Medical Sciences- New Delhi, Pulmonary medicine
17. Safety and efficacy of neoadjuvant chemotherapy in stage IIB and IIIA NSCLC: Single arm phase II study-Medical Oncology
18. To compare the effectiveness of Duloxetine vs Gabapentin on neuropathic pain intensity in patients with chemotherapy-induced peripheral neuropathy: A double-blind randomized controlled trial-Medical Oncology
19. Validation of an Indian Palliative Care Spiritual Distress Scale Duquesne University, Pittsburgh-Surgical Oncology, AIIMS

## **Laboratory Oncology**

### ***Ongoing***

1. Elucidation of circulating cell free miRNA in pathogenesis, disease progression and outcome in multiple myeloma using integrated bioinformatics and experimental approach, Biophysics
2. Identification of network pathways for drug targeting in Multiple Myeloma from NGS data using Deep Learning, IIT, Delhi
3. Digital Holographic Microscopy of acute leukemic cell for 3D morphology based classification, IIT, Delhi
4. Minimal Residual Disease Estimation in Multiple Myeloma using Image Processing: Design and Development of Myelomaimager - an Automated Computer Assisted Tool. IIT, Delhi
5. ICMR TASK Force Comparative study of Genetic, Clinical and Epidemiological factors of Breast Cancer in Indian population” as ICMR Task Force, NIOP, New Delhi, RCC Trivandrum, NICPR, Noida
6. ICMR TASK Force Genomics of gallbladder carcinoma in Indian Patients, NIOP, New Delhi, NICPR, Noida, GB Pant Hospital, New Delhi

## **Medical Oncology**

### ***Ongoing***

1. Elucidation of role of TOX in T-cell acute lymphoblastic leukemia. Funded by DHR 2019-2021 (30 lakhs), Laboratory Oncology
2. Identification and in-vitro functional assay of novel driving tyrosine kinases in Indian BCR-ABL- like ALL
3. Internal sponsor for DBT-Wellcome trust India Alliance intermediate career fellowship for Dr. Anita Chopra
4. Centre of Advanced Research and Excellence in AML, Lab Oncology
5. 225Ac-DOTATATE therapy in metastatic CRPC, Nuclear Medicine
6. Lenvatinib in advanced thyroid cancer, Nuclear Medicine
7. Effect of food on pharmacokinetics of abiraterone in metastatic CRPC, Pharmacology
8. 225Ac-DOTATATE therapy in GEP-NET, Nuclear Medicine

9. Cellular and immunological role of DPP3 in esophageal cancer., Biochemistry, Pathology, Medical Oncology, Surgical Oncology
10. Evaluation of Neoadjuvant chemotherapy in esophageal squamous cell carcinoma: a RCT comparing Paclitaxel and Carboplatin Versus Cisplatin and 5Fluorouracil, Surgical Oncology, Medical Oncology, Radiology, Nuclear Medicine, Radiation Oncology
11. p53 in regulation of Epithelial-Mesenchymal Transition in breast cancer: role of micro-RNA, IIT Delhi, Institute of Cytology, St Petersburg, Russia
12. CRISPR-based editing of regulatory region and expanded triplet repeats as therapeutic approach in India's most common hereditary Ataxias. Neurology

### ***Completed***

1. Lu177-PSMA therapy in metastatic CRPC, Nuclear Medicine
2. A prospective study to evaluate the efficacy of PET-CT Scan in detecting residual disease in locally advanced head and neck cancers after primary treatment with definitive chemoradiotherapy, Nuclear Medicine, ENT, Radiation Oncology, Medical Oncology.
3. EBV DNA PCR in clinically suspected nasopharyngeal cancer, Microbiology, ENT, Radiation oncology, Medical Oncology
4. Expression and Significance of Notch signaling -associated proteins, Notch 1, Notch 2, Notch 3, Hes1 and p21 in esophageal squamous cell carcinoma: A retrospective Study., Medical Oncology, Pathology, Surgical Oncology, Radiation Oncology

### **Preventive Oncology**

#### ***Ongoing***

1. A Study of Gut (oral, fecal and bile) Microbiome in Patients with Gallbladder Cancer, Surgical Disciplines, Gastroenterology, Translational Health Science and Technology Institute, Faridabad
2. Clinico-genetic prognostic signatures for development of metastatic Castration Resistant Prostate Cancer., Urology, Laboratory Oncology
3. Genomics of Gall Bladder Carcinoma in Indian patients, Laboratory Oncology, National Institute of Cancer Prevention and Research, Noida, IGIB, New Delhi
4. Comparative study of Genetics, Clinical and Epidemiological factors of breast cancer in Indian Population, Laboratory Oncology, National Institute of Pathology, Delhi National Institute of Cancer Prevention and Research, Noida
5. To study the Interplay between Cancer-Testis germline POTE antigen and Notch signaling and its association with global DNA methylation in Ovarian Cancer, Biochemistry

### **Radiodiagnosis**

#### ***Ongoing***

1. To establish algorithm for management of axilla in patients with axillary lymph node negative early operable breast cancer, Surgery
2. Development of an instrument to Evaluate total pain in cancer Patients in indiancontext, Oncoanesthesia and palliative care
3. A cross-sectional study to identify the social context of pain in cancer patients, Onco-Anesthesia and Palliative Medicine
4. A single arm feasibility phase ii study of emf (erlotinib+methotrexate+5-fu) regimen in platinum refractory recurrent/metastatic hnscc, Medical oncology
5. Comparison between Ropivacaine/dexamethasone and 10% Lignocaine injection in distal glossopharyngeal nerve block for intractable cancer pain- A randomized Trial, Onco-Anesthesia and Palliative Medicine.
6. Outcome of advanced unresectable synovial cell sarcoma from and Indian tertiary care center: retrospective study, Medical Oncology
7. A Phase II Study of Gemcitabine/Docetaxel in Patients with Relapsed Metastatic Synovial Sarcoma, Medical Oncology
8. Evaluation of tumor microenvironment in Osteogenic Sarcoma, Orthopedics
9. Clinico-radiological correlation of the breast diseases, Radiodiagnosis

10. Computational analysis of CT images, Department of Biotechnology, IIT Roorkee
11. Early pain interventions in cancer pain patients improves quality of pain relief, decreases analgesic requirement and thus improves quality of life, Onco-Anaesthesia and Palliative Medicine
12. Role of MR guided biopsy in detecting prostate cancer, NMR
13. Assessment of brain metastases in advanced NSCLC, Medical Oncology
14. Development of tissue equivalent optically stimulated luminescent materials for measurement of low doses of medical radiation., Medical physics unit, and Department of Health physics inter university accelerator centre, New Delhi

### ***Completed***

1. Comparison of CT vs PET CT in Ca ovary for accuracy of staging, disease burden and prediction of resectability and determination of PCI, a prospective study, Surgical Oncology
2. A Prospective study to determine the efficacy of Positron Emission Tomography/Computed Tomography (PET/CT) in detecting residual disease in Locally Advanced Head & Neck Squamous Cell Carcinoma managed with primary Chemo- Radiation Therapy, Nuclear Medicine
3. Three arm phase II/III RCT comparing erlotinib plus best supportive care (BSC), capecitabim plus BSC and BSC only in unresectable / metastatic CAGB patients with poor performance status (ECOG PS-III), Medical Oncology
4. Clinical Outcome of MRI-CT based Intracavitary brachytherapy in cervical cancer: A retrospective Clinical Study, Radiation Oncology
5. Multimodality Imaging Evaluation of Chronic mass forming mastitis and role of ultrasound guided vacuum assisted biopsy in determining its etiology, Radio-diagnosis
6. A pilot study to compare Interstitial Multicatheter Brachytherapy (IMB) versus Volumetric modulated ARC therapy for APBI in early breast cancer: An adaptation, toxicity and cosmesis comparison, Radiation Oncology
7. Assessment of Early Treatment Response And Dosimetric Evaluation In Locally Advanced Cervical Cancer Treated With 3d Conformal Radiation Therapy Along With Concurrent Cisplatin And Image Guided High Dose Rate Brachytherapy, Radiation Oncology
8. Correlation of Barrel Index determined by MRI in early cervical cancer with operability, lymph node status and local extension of the disease, Obstetrics and Gynaecology
9. A Prospective Study to evaluate the accuracy of Axillary Staging using Ultrasound guided FNAC in early Breast cancer Patients, Surgical Oncology
10. Evaluation of peritoneal cancer index (PCI) in primary advanced ovarian epithelial carcinoma amongst Indian population, Surgical Oncology

### **Radiation Oncology**

#### ***Ongoing***

1. Artificial intelligence in Oncology: Harnessing big data and advanced computing to provide personalized diagnosis and treatment for Cancer patients, Biochemistry
2. Role of Nuclear Receptor network signaling in pathogenesis of Gallbladder cancer, Biochemistry
3. The role of novel self-assembling peptide matrix (SAPM) in prevention of post radiation caries in head and neck cancer patients: Randomized clinical trial, Conservative Dentistry and Endodontics, Centre for Dental Education and Research (CDER)
4. Can pre-session intra-ductal administration of N acetyl-cysteine in each wharton duct decrease xerostomia and improve quality of life in adult patients of oropharyngeal squamous cell carcinoma treated by single modality of radical external beam radiotherapy treatment?, Otorhinolaryngology, Pharmacology,
5. Formulation of Phantom brain to obtain & establish dosimetry of magnetic fields following repetitive transcranial magnetic field stimulation, Physiology

#### ***Completed***

1. Prospective pilot study for evaluating incidence of occult lymph node metastasis in patients with olfactory neuroblastoma, Departments of Otorhinolaryngology & head-neck surgery, Radiation Oncology, Medical Oncology, Pathology, Radiology & Nuclear Medicine
2. A Prospective study to determine the efficacy of Positron Emission Tomography-Computed Tomography (18F-FDG PET-CT) scan in detecting residual disease in Locally Advanced Head & Neck Squamous Cell Carcinoma managed with primary Chemo-Radiation Therapy and its comparison with CECT, Nuclear Medicine, Radiation

Oncology, Medical Oncology, Otorhinolaryngology & head-neck surgery, Pathology & Radiology

3. MGMT promoter methylation in primary CNS lymphoma, Medical Oncology, Pathology & Radiation Oncology
4. Clinicopathological features and outcome of diffuse large B cell lymphoma- an ambispective analysis, Medical Oncology and Pathology

## Surgical Oncology

### Ongoing

1. A comprehensive analysis of mammalian target of rapamycin (mTOR) and mitogen activated protein (MAP) Kinase signaling pathways in non- small cell lung carcinoma, Pathology
2. Differentiating inflammatory and metastatic mediastinal lymphadenopathy on 18-FDG- PET/CT in lung cancer: Role of steroid suppression, Nuclear Medicine
3. Role of nuclear receptors in pathogenesis of carcinoma gall bladder, Biochemistry
4. A prospective study to elucidate molecular genetic risk factors of gallbladder carcinoma in Indian Population, Lab Oncology
5. Evaluation of Human Epididymis Protein 4 (HE4) level in the diagnosis of ovarian cancer. Lab Oncology
6. The phase II study of HIPEC and the proposed phase III RCT comparing between HIPEC and IP chemotherapy, TMC, Kolkata
7. Hyperthermia and immune modulation in homologous recombination stratified epithelial ovarian cancer: Development of targeted therapeutic approaches, TMC, Kolkata
8. An economic analysis of alternative treatment methods of ovarian cancer in India: An appraisal of economic burden, quality of life and mortality risk, Obst & Gynae
9. Determining Surgical Resection Margin of Cancer by Rapid Molecular Assessment Using Mass Spectrometric Imaging. Department of Chemistry, IISER Tirupati, Andhra Pradesh
10. Evaluation of Human Epididymis Protein 4 (HE4) level in the diagnosis of ovarian cancer. Lab Oncology.

### Completed

1. Comparison of analgesic efficacy of Ultrasound guided thoracic Paravertebral block versus surgeon guided Serratus Anterior Plane block for acute postoperative pain in patients undergoing thoracotomy for lung surgery-A prospective randomized study, Onco-Anesthesia
2. Outcomes of Metastatic Colorectal cancers over 15 years at a tertiary care cancer centre-A retrospective analysis, Medical Oncology

## PUBLICATIONS

**Journals: 259**

**Abstracts: 55**

**Chapters in Books: 42**

**Books: 4**

## PATIENT CARE

1. **TOTAL BED STRENGTH** = 182
  - a. Medical Oncology = 78
  - b. Radiation Oncology = 37
  - c. Surgical Oncology = 61
  - d. Palliative Care Unit = 06
2. **TOTAL OPD ATTENDANCE – (2019-20)(TOTAL = 178700 )**
  - a. New Patient`s Registered = 13008
  - b. Revisits = 165692

### 3. DESCRIPTION OF VARIOUS OPD/CLINICS AT DR. BRAIRCH (YEAR 2019-2020)

S No.	Name of the OPD/Clinic	New patients			Revisits		
		Male	Female	Total	Male	Female	Total
1.	Adult Medical Oncology	1028	831	1859	16233	27462	43695

**Onco-Anesthesia and Palliative Medicine**

**Facilities available in the Department**

1. 'Pain Policy' at IRCH, AIIMS. The aim of the policy is, IRCH is committed to treat pain of all registered patients
2. Continue to run two new course at AIIMS, MD, Palliative Medicine and DM, Onco-Anesthesia at Department of Onco-Anesthesia and Palliative Medicine
3. Structured Pain and Palliative care Program for whole of the hospital
4. Running Pain and Palliative care clinics all six days in a week at IRCH, AIIMS
5. Advance Interventional Pain Management techniques like PNFS (Peripheral Nerve Field Stimulator) and Programmable Intrathecal Implant
6. USG guided nerve blocks in supine position for Gastro intestinal and Gynecological Malignancy
7. Ultrasound guided line central venous line placements
8. Radiofrequency ablation for Cancer Pain Patients

9. Scrambler Therapy in Cancer Pain Patients
10. Indian Association of Palliative Care's Certificate Course in Palliative Care Unit of Anesthesiology, Dr BRA, IRCH is Nodal Center for conducting Indian Association of Palliative Care's Certificate Course in Palliative Care twice in a year
11. Research on psychosocial and spiritual aspect of pain in Cancer patients International collaborative research started in area of Pain and Palliative Care

#### Laboratory Oncology

14.	Tumor Marker	3184
15.	HPV DNA Test	1537
16.	Guided Cytopathology	514

#### Medical Oncology

##### Dr Chandra Prakash Prasad

Started two biochemical assays for cancer patients in Department from April 2018 onwards

1. Serum LDH Assay
2. Serum Mg<sup>2+</sup> Assay

##### Dr Mayank Singh

1. PCR based services (Real time and Nested PCR) for Cancer patients for quantification of BcrAbl transcript for CML patients from last one year with a patient load of 527 patients for Quantitative PCR and 427 patients for nested PCR for year 2019-2020 (Total patient load =956 for year 2019-2021).
2. Started ELISA based VEGF estimation services for patients which we are providing today as a regular patient service (No charge)

## Preventive Oncology

### Community Services

Health awareness camps outside AIIMS

1. Female Cancer Awareness Programme for girls of Government College at Nehru College, Faridabad on 21 January 2020
2. Cancer prevention awareness event at Kirori Mal College on 27 February 2020.

### Health awareness camps in AIIMS

1. Lung Cancer Awareness Programme in collaboration with Department of Pulmonary Medicine and Sleep Disorders and National Drug Dependence and Treatment Centre, Ghaziabad.
2. Cervical Cancer Awareness Programme in collaboration with Department of Obstetrics and Gynaecology.

## Radiodiagnosis

S.No.	Name of Investigations	Number

| 7. | Radiation Review clinic                         | 3051  |
| 8. | Planning CT                                     | 1406  |

### B. DEPARTMENTAL STATISTICS (NCI-AIIMS, Jhajjar)

- |    |   |      |
|----|---|------|
| 1. | Total cases of external beam radiotherapy | 6197 |
| 2. | Total cases of brachytherapy              | 453  |
| 3. | Planning CT                               | 463  |
| 4. | Total Registration with RT                | 1534 |
| 5. | Total OT performed                        | 299  |

## Surgical Oncology

### Facilities available in department

1. **Minor Operation Theater:-** Diagnostic and minor therapeutic procedures including Lymph node biopsy, punch/trucut biopsy, excision of Skin/Oral tumors, soft tissue tumors, feeding jejunostomy, colostomy, insertion of Hickman's catheter/ chemo ports for long term Chemotherapy are available in the Minor OT
2. **Endoscopy Services (Diagnostic & Therapeutic):**
  - Diagnostic Endoscopy: Video and Fibre optic upper GI endoscopy, side viewing duodenoscopy, Colonoscopy, Sigmoidoscopy, Bronchoscopy, Cystoscopy, Nasopharyngo laryngoscopy and laparoscopy
  - Therapeutic Endoscopy: Stricture dilatation, Intraluminal Radiotherapy, Stenting and Percutaneous Endoscopic Gastrostomy
3. **Major Operation Theater:** Facilities available for all major cancer Surgeries including radical resection and reconstruction of tumors involving Head & Neck, GI tract, Breast, Bone and Soft tissue, Gynaecological malignancies, Hepato-Biliary-Pancreatic malignancies and Thoracic tumors. Advanced reconstructive surgical procedures are under taken to reconstruct the defects after resection

In addition advanced state of art surgical oncology services are being offered including Minimally Invasive Surgery for GI cancers, Thoracic cancers and Gynae cancers, HIPEC for peritoneal surface malignancies, complex Limb salvage procedures for sarcomas and Risk reducing surgery for hereditary cancers

**Total no. of Minor Operations & Endoscopic procedures performed: 10,493**

**Total no. of Major Cancer Operations performed: 1374**

#### **Surgical Audit & Quality Metrics**

- Overall Bed Occupancy – 100%
- Operative Mortality – 0.8%
- Peri- Operative Morbidity (C.D-Grade III &IV) – 7 %
- Re-operation Rate - 1.06 %
- Re-Admission rates - 0.5%

#### **Other salient initiatives:**

NCI –AIIMS- The department of Surgical Oncology has actively contributed for planning, procurement and commissioning of Surgical Oncology services at NCI Jhajjar. Oncology OPD services started in February 2019 and major OT services in May 2019.

#### **Community service**

1. Dr Sunil Kumar. Providing free cancer care services and student awareness for Cancer in Bihar & Jharkhand through an NGO, Chandrakanti Devi Cancer Foundation
2. Dr. Sunil Kumar. Provided services as Surgical Oncologist as a part of the AIIMS team providing clinical care and personal training in Leh (Laddakh) through Ashoka Mission, September 2019

#### **AWARDS, HONOURS AND SIGNIFICANT EVENTS**

With the inauguration of National cancer Institute at Jhajjar, Haryana in 2019 as the second campus of AIIMS, New Delhi in 2019, the Chief Dr BRAIRCH and Heads of Departments/Units were assigned mentoring role and over-sight of the National Cancer Institute for the proper development in consonance with the objectives of AIIMS and NCI under the overall guidance of Director AIIMS.

#### **Onco-Anesthesia and Palliative Medicine**

**Professor Sushma Bhatnagar** was president of Indian Association of Palliative Care, 2018, member of Scientific Committee of World Congress on Pain to be held at Amsterdam in August 2020, scientific Committee of World Congress on Pain to be held at Boston during 12-16 September 2018; Implementation Group - Lancet Commission Global Access to Pain Control and Palliative Care, 2018. She was recipient of 2018 International Innovation Grant (Project ID 12554) from Conquer Cancer Foundation by American Society of Clinical Oncology; council member' International Association of Study of Pain (IASP) Council for a period of 6 years till 2023; Chief Editor' of Indian Journal of Palliative Care since 2009. She was appointed as Board of Directors of International Association of Hospice and Palliative Care (IAHPC) in 2014 for 3 years; Master mentor' of Palliative care program in India. She was 'Deputy Team leader' of Training-of-Trainers in Palliative Care Programme by Asia Pacific Hospice Palliative Care Network, 2012-2018. She is reviewer of articles for Lancet Oncology and British Journal of Anaesthesia.

**Dr Rakesh Garg** was awarded Proficiency Award 2019 for invaluable contribution and outstanding services to the society, Awarded with award certificate of Appreciation at ISACON 2019- 67th Annual National Conference of ISA, Bangalore; November 2019. He was invited as judge for Paper presentation at AIDAA national Conference. He was invited at an observer at ILCOR task force meeting for development of Resuscitation guidelines. Became task force member for contributing CPR guidelines framework for resource constraints settings at ILCOR. He received certificate of recognition as a reviewer for the year 2019 from the Editorial Board of JNACC (Journal of Neuroanaesthesiology and Critical Care). He was selected for the Singapore Medical Journal reviewer recognition awards 2019. He received letter of appreciation and certificate of merit for outstanding work as Associate Editor for Indian Journal of Anaesthesia in the year 2019-2020. He is Associate Editor of Indian Journal of Anaesthesia; Journal of Anesthesiology and Clinical Pharmacology and BMC Emergency Medicine, pubmed indexed journal.

**Dr Nishkarsh Gupta** is reviewer of IJA, BMJ open, JOAPC, Iranian Journal of Pediatrics, Indian Journal of Cancer and editorial board member of Medical Journal of Dr DY Patil Vidyapeeth

**Dr Balbir Kumar** was awarded BLS & ACLS Provider AHA Certificate after successful completion of BLS & ACLS Course from 11-14 November, 2019 at Venkateshwar Hospital Dwarka New Delhi.

#### **DCR**

**Dr Rajeew Kumar Malhotra** received highest citation award to our paper title "Receiver Operating Characteristic (ROC) Curve for Medical Research" Indian Pediatric journal published in 2011 at Noida on 8 December 2019.

## Laboratory Oncology

**Professor Ritu Gupta** received award for paper on “Estimation of CNVs In Multiple Myeloma by Next Generation Sequencing Based Digital MLPA” at the 2nd Annual Conference of the Indian Myeloma Academic Group (11 and 12 May 2019)

**Dr Sanjeev Kumar Gupta** was awarded 6 months Fellowship in Genomics at MD Anderson Cancer Centre, Houston, Texas, USA (June 2019- December 2019) by Dept. of Health Research (DHR), Govt. of India.

**Dr Anita Chopra** received travel award of Japanese Society of Hematology annual meeting 2019.

**Dr Pranay Tanwar** received travel Grant award from ABPMT & ICBMT-2019 and award from 61st Annual Meeting 2020 Korean Society of Hematology International Conference

**Dr Amar Ranjan** was invited at 24th Annual Congress of Korean Society of Blood & Marrow Transplantation, 30th August -1 September 2019, Busan, Korea; Bengal Society of Hematology, Kolkata, BeSHCON 2020, 14-16 February, 2020 and represented at 1st Highlights of Past EHA (HOPE) in Asia from 23-25 August 2019 in Kolkata.

**Dr Gurvinder Kaur** received IUIS GECD-FOCIS Travel award 2020 for Advanced Course in Basic and Clinical Immunology, held on 1-4 March 2020 in San Diego, California, USA

## Medical Oncology

**Professor Lalit Kumar** was invited Faculty for 2020 Clinical Research Training institute in Asia Pacific (CRTI-APAC) Region by the American Society of Hematology (ASH), Washington. He delivered Padmashri Sh. Advani Oration’ during the Precision Oncology and Annual International Breast Cancer Conference 2019 on 12 October 2019 at Jaipur. He served as Ambassador of the Society of Hematologic Oncology (SOHO) Annual Meeting, Houston, USA (2017-Contd). He is Associate Editor (Asia) for Current Problems in Cancer (Elsevier) and member Editorial Board ‘ONCOLOGY (Karger), Clinical Hematology International (Atlantis Press) and Indian Journal of Medical Research (IJMR). He was the member of expert committee to evaluate the extension proposal on Chemical Biology & Therapeutics (CBT), Bangalore, (DBT, Govt. of India) date: 27 March 2020; Data Safety Management Board A Phase II/III, partially double blind, randomized, active controlled, multi centric study to assess immunogenicity and safety of SIPL’S qHPV vaccine; Standing Committee on Tertiary Cancer Care Programme, DGHS, NCD Section, Govt. of India, New Delhi; expert committee for IJMR, ‘Clinical Image Competition (December 2019); faculty Selection Board for Medical Oncology VMMC and Safdarjung Hospital, New Delhi- 110029 (31 July 2019). He was examiner for Ph.D to the University of Madras and JNCSR (Jawahar Lal Nehru Centre for Advanced Scientific Research, Bangalore)

**Professor Atul Sharma** was awarded ISMPO oration during biennial ISO – ISMPO joint meeting at Indore on 1 November 2019. He visited Bhutan in August 2019 as part of delegation of Government of India for establishing a cancer hospital in Bhutan and Princess Margaret Hospital, Toronto, Canada avail of Short-Term Training/Observership in Bone Marrow Transplantation (for unrelated and haploidentical allogenic stem cell), Canada, 2019.

**Professor Sameer Bakhshi** was awarded “Atal Swasthya Bhushan Samman” in Memory of Bharat Ratna Atal Bihari Vajpayee Ji 2019 for extraordinary services and dedication towards profession by Sevron foundation.

**Dr Ranjit Kumar Sahoo** organized “Oncologic Emergencies” at Ramlingaswamy Board Room, AIIMS, New Delhi on 9 November 2019. He was visiting Fellow at Peking University Institute of Hematology (PUIH) for a period of 3 months between May-August 2019.

**Dr Raja Pramanik** participated as an expert at the meeting of experts for developing a consensus statement for genetic testing & management of Hereditary Breast and Ovarian Cancers [HBOC] in India; Indian Society of Medical and Pediatric Oncology; Mumbai, took various public awareness programmes at Saket bar association; Public awareness lecture on HBOC;ONAI, oncology Nurses association of India;New Delhi. He participated at medical camp organised by AIIMS and Patient Care Trust; Oncology services to Tibetan Refugees AIIMS Community Service and Patient; Dalai Lama; Temple, McLeod Ganj, India.

**Dr Chandra Prakash Prasad** received ‘Dr Bhagwati Prasad Innovative Research Award’ at 6th International Conference on ‘Translational Approaches in Clinical, Environmental and Biotechnological Research, ‘GenoPro-2019’ 11-12 October, Invertis University, Bareilly; 1st Poster Prize to Mr. Umar Sheikh, PhD Student at ‘GenoPro-2019’ 11-12 October 2019 Invertis University, Bareilly; II Poster Prize to Mr. Umar Sheikh, PhD Student at “Emerging Trends in Translational Oncology, on February 14-15, 2020 at AIIMS, New Delhi and NCI-AIIMS Jhajjar. He is member of scientific Organizations -EURAXESS membership from Aug 2019- till now and IACR (Indian Association of Cancer Res.): *Life Membership* from

September 2019. He is working group committee member at NIEPA on Two-day Workshop on finalization of Teaching Learning Resources for Life-science Teachers, on 16-17 January 2020 at NIEPA, New Delhi. He organized first basic conference in Medical Oncology, AIIMS i.e. “Emerging Trends in Translational Oncology, on 14-15 February, 2020 at AIIMS, New Delhi and NCI-AIIMS Jhajjar. He was chairperson for Biotechnology Session at ‘GenoPro-2019’ 11-12 October 2019 Invertis University, Bareilly. He was external Expert for Practical Exam/Viva voice for MSc Microbiology on 21 May 2019 at Invertis University, Bareilly. He was reviewers for various Peer-Reviewed journals i.e. Front. Oncol, J of Exp. Clin. Can. Res, Life Sci., Cell. Physio etc. He designed & Initiated ‘Cancer Biology Course for MSc Nursing’ in September-2019 at Dr. BRA IRCH, AIIMS, New Delhi.

**Dr Thoudam Debraj Singh was the organizing secretary** for first Conference on “Emerging Trends in Translational Oncology”: AIIMS, New Delhi and NCI-AIIMS, Jhajjar; 14 and 15 February 2020; New Delhi. He was expert Project Review committee (PRC); Nanotechnology/ Nanomedicine (ICMR); 2019 onwards; New Delhi. He organized a Guest Lecture by Dr. Parijat Bhatnagar, Program Director (Asc.), Cell Based Medicine, California, US; IRCH AIIMS, New Delhi; 24 December 2019; New Delhi. He designed and Initiated ‘Cancer Biology Course for M.Sc. Nursing’; I.R.C.H. AIIMS, New Delhi; September- November 2019; New Delhi. He is life **membership** ISNM (Indian Society of Nano Medicine) and IACR (Indian Association of Cancer Res.).

**Dr Mayank Singh** organized first Conference on “Emerging trends in translational Oncology” from 14-15 February at AIIMS New Delhi and NCI Jhajjar. He was panelist at “3rd Annual International Precision Oncology & Breast Cancer Conference” from 11 to 13 October at Hotel Marriott, Jaipur. His PhD Student Ravi Chauhan won the 3rd best poster award at “Emerging trends in translational Oncology” at AIIMS New Delhi

**Dr Sachin Kumar** received young Investigator Award for the Best Oral Presentation in NALCCON 2019: 10th Annual Conference of Indian Society for Study of Lung Cancer (ISSLC) organized at KGMU, Lucknow on 14 and 15 December 2019. He received extramural grant entitled “Evaluation of regulation of programmed death-ligand 1 (PD-L1) expression by microRNA in lung cancer” awarded by ICMR, New Delhi. Grant amount: Rs 47,64,984.00, Duration: 3 years (2019-2020) and poster presented on Diagnostic and prognostic utility of differentially expressed circulating microRNAs in Indian NSCLC patients (EP1.03-20). E-poster presented in IASLC 2019 World Conference on Lung Cancer held at Barcelona, Spain from 7 to 10 September 2019.

### Medical Physics

**Professor Pratik Kumar** was invited to become member, education and training committee, international organisation of medical physics (IOMP); Was invited by Tamil nadu and Puducherry chapter of Association of Medical Physicists of India (TN&PY-AMPI) to deliver Dr Cyril Albert Jayachandran Endowment Oration entitled “Practical aspects of quality in medical imaging: Summary of experience of 25 years” at Kanyakumari during TN&PY-AMPI Conference, 7 and 8 September, 2019; Was invited as technical expert for diagnostic radiology x-ray equipment by National Accreditation Board for Testing and Calibration Laboratories (NABL), Ministry of Commerce & Industry, Govt. of India; Was invited by Central Pollution Control Board (CPCB), Govt. of India as member, technical committee to evaluate the performance of ion generator with respect to two projects awarded to IIT Delhi and Science and Technology Park, Pune; Member, project monitoring committee, Technology Development Board (TDB), Deptt. of Science and Technology (DST), Govt. of India; Member, area review panel related to devices and diagnostics constituted by Biotechnology Industry Research Assistance Council (BIRAC), Deptt. of Biotechnology (DBT), Govt. of India; Got invited as expert for high level committee constituted by Min. of Environment, Forest & Climate Change on the order of Hon’ble Supreme Court on 25 November 2019 to discuss the feasibility of technologies to control air pollution in Delhi and NCR; Member, project review committee, Industry Innovation Program on Medical Electronics (IIPME), BIRAC, DBT & MeitY, Govt. of India; Member Secretary, Radiation Safety Committee, AIIMS; Examiner for PhD thesis from Tata Memorial Hospital, Mumbai entitled “Dosimetric and quality assurance studies in high dose diagnostic imaging modalities to establish national radiation protection programme” and by University of Kerala, Thiruvananthapuram, for another PhD. Thesis entitled “Evaluation of radiotherapy treatment planning techniques and different dose calculation algorithms for the management of breast cancer”; External expert, standing selection committee, PGIMER, Chandigarh for faculty of medical physics, Department of Radiotherapy and the post of medical physicist, LHMC, Delhi; Was invited by Institute of Nuclear Medicine and Allied Sciences (INMAS), DRDO, Ministry of Defence to become chairman, project review committee to monitor a project entitled “Three dimensional radiation dosimetry with radiochromic gel system”; Referee for Journal of Medical Physics, Journal of Luminescence (Elsevier), Indian Journal of Radiological Imaging, Radiation and Environmental Biophysics (Springer), Physical & Engineering Sciences in Medicine (Springer), European J of Medical Physics (Elsevier), Radiation Physics Chemistry (Elsevier The Netherland); Australasian Physical and Engineering Sciences in Medicine (Springer), Radiation and Environmental Biophysics (Springer Berlin Heidelberg); Question setter for the selection of medical physicist, AIIMS, Bhubaneswar and BSc radiotherapy technology, KGMU; Examiner, BSc and MSc medical imaging technology radiodiagnosis, PGIMER, Chandigarh; Got invited by INMAS, DRDO to evaluate the mobile app Vikiran Prahri; Chaired meetings of Exposure Investigation Committee for Radiation Facilities of Northern Region (EIC-NR) at Northern Regional Regulatory Centre (NRRRC), AERB, New Delhi; Was editor, Medical Physics Gazette, newsletter of

Association of Medical Physicists of India (AMPI); Member, Editorial Board, Journal of Medical Physics; Member Electro-medical Equipment Sectional Committee, Bureau of Indian Standards (BIS), New Delhi.

### **Preventive Oncology**

**Dr Pallavi Shukla** was awarded the “AIOS - Community / Social Ophthalmology Award” on 14 February 2020 in 78th Annual Conference of All India Ophthalmological Society at Gurugram, Haryana and awarded best PhD Award at 53rd RPC foundation day on 14 March 2020

### **Radiodiagnosis**

**Dr Mukesh Kumar** was appointed as treasurer for Society for Emergency Radiology India for 2020-2021

**Dr Ekta Dhamija** was appointed as governing council member of Breast Imaging society of India for term of 2 years (2019-2021) and editorial team member of the Asia Pacific Journal of Cancer Care.

**Dr Krithika Rangarajan** was appointed to Digital Committee of Indian Radiology and Imaging Association for 2020 and received Albert L Baert Editorial Fellowship, European Society of Radiology for 2019-2020.

### **Radiation Oncology**

**Professor GK Rath** inaugurated the NCD screening programme and delivered a lecture on Prevention and early diagnosis of cancers for the Pourakarmikas at Bengaluru on 30 July 2019, was Chief Guest at the Cancer Conclave in Bhopal on 2 July 2019. He delivered the plenary lecture at the 1st TCGA conference and hands on workshop in India on ‘Multi-Omics studies in cancer-Learnings from TCGA’ at IISER, Pune on 21 September 2019 and keynote address- ‘Inception, Evolution and Future in Oncology’ at the AROICON 2019 at Ahmedabad on 30 November 2019. Dr GK Rath is the Chairman of Research Area Panel (RAP) on Cancer at NCDIR-ICMR, Bengaluru; MCI committee of experts to consider the issues relating to the academic qualifications and teaching experience for Department of nuclear medicine on 30 April 2019; High power committee for the 2nd Campus, CNCI, Kolkata; Chairman, PRSG of the Ministry of Electronics and Information Technology for the project ‘Development of low cost automated screening system for cervical cancer (Cervi SCAN-II)’ implemented by CDAC, Thiruvananthapuram; Chairman, of the committee to oversee the technology transfer process of Dual energy medical LINAC being developed by SAMEER, Mumbai by Ministry of Electronics and Information Technology. He is scientific Advisory Committee (SAC) of National Centre for Disease Informatics and Research (NCDIR), Indian Council of Medical Research, Bangalore and Chairman of the National Steering Committee for the project entitled ‘Research and development of high energy electron linear accelerator technology for medical and other applications’ being implemented by SAMEER, Mumbai and INMAS, DRDO, New Delhi. Dr GK Rath is a member of expert Committees/Bodies of Indo US Advanced Radiotherapy Consortium (IUS-ARC) Working Group; expert group meeting on Cancer in North East region NCDIR, Bengaluru on 3 June 2019; expert group for the finalising the proforma for ‘Patterns of care and survival studies of Gall bladder cancer in HBCR under ICMR-NCRP, Bengaluru on 8 May 2019. He was invited to participate in the meeting for ‘Setting up of TCCC at Ambala Cantt, Govt of Haryana Chandigarh on 6 May 2019. He is chairman of Standing Selection Committee of Faculty at AIIMS Bhopal on 17-19 December 2019, expert in the meeting of the ‘Personal Promotion Assessment Board’ for promotion of faculty members in the Department of Radiation Oncology at IGIMS, Patna on 19 November 2019; member, Atomic Energy Regulatory Board (AERB), Govt of India; BARC committee to evaluate the Development of Reactor for Isotope Production on 7 October 2019 at Mumbai. He was examiner for MD (RT) practical examination at KGMU & Dr RMLIMS, KGMU, Lucknow on 20 and 21 June 2019. He is member of Institute body of AIIMS Bhopal, Governing Body of AIPH university, Bhubaneswar & Super Speciality Cancer institute and Hospital, Lucknow; Governing Bodies of 4 Regional cancer centers (RCC): Acharya Tulsi RCC, Bikaner, Acharya Harihara RCC, Cuttack and RCC, Agartala, and RCC, Allahabad; and Standing Academic and Research Council (SARC) of CNCI, Kolkata.

**Professor Subhash Gupta** was associated with the cancer screening activities of ICPO, Noida; active support to patient care activities by Ashoka mission, associated with patient care Trust at Dharamshala. He was external examiner to conduct the thesis evaluation at Dr SN Medical College Jodhpur on 5 April 2019 and thesis evaluation at Dr SN Medical College Jodhpur on 31 January 2020.

**Dr KP Haresh** is associated with the cancer screening activities of ICPO, Noida; active support to patient care activities by Ashoka mission. He was external examiner to conduct the Thesis evaluation at RNT Medical College, Udaipur on 26 February 2020, DNB Final Practical examination in Radiotherapy at Cancer Institute, Adayar on 9 and 10 May 2019; and evaluation of DNB thesis in Radiotherapy for the year 2019. He was member of Project review committee (PRC) in Oncology of Indian Council of Medical Research (ICMR), New Delhi; Project review committee (PRC) of Research Methodology Cell at ICMR, New Delhi; member of the Thematic Group ‘Diagnostics’ of the India Cancer Research Consortium (ICMR-ICRC) call for proposals 2019 for Detailed Proposal Shortlisting Meeting at DHR, New Delhi on 13 January 2020; member of the thematic group ‘Diagnostics’ for the India Cancer Research Consortium (ICMR-ICRC) for Concept Proposal Shortlisting Meeting under

ICMR-ICRC at the Department of Health Research (DHR) on 5 November 2019. He was member of the panel for the walk-in-Interview for filling up of one post of Scientist 'C' (Medical) in the project entitled, "Indian Cancer Research Consortium (ICRC) under Division of NCD, ICMR Hqs., New Delhi on 8 July 2019; for the walk-in-Interview for filling up of one position of Research Assistant in the project entitled, "India Cancer Research Consortium (ICRC)" at DHR under Division of NCD, ICMR Hqs., New Delhi on 31 October 2019 at Department of Health Research (DHR), New Delhi

**Dr Ahitagni Biswas** was invited as national expert in Pediatric malignancies in the first National Cancer Grid (NCG) research and guideline meeting at Tata Memorial Centre, Parel, Mumbai on 26 and 27 September 2019. He was awarded ICMR travel grant for presenting an oral abstract at the 51st Congress of the International Society of Paediatric Oncology (SIOP) from 23-26 October 2019 at Lyon, France, travel scholarship from Society for Neuro-Oncology (SNO) for attending the SNO 24th Annual Scientific Meeting and Education Day in Phoenix, Arizona, on 20-24 November 2019. He is member of the abstract review committee for the 13th SIOP Asia conference at Mumbai, India, September 2020

**Dr Supriya Mallick** received AROI fellowship of 35-40-years age group in Ahmedabad. 28 November-1 December 2019

### **Surgical Oncology**

**Professor SVS Deo** was elected as Treasurer, Breast Surgery International, Switzerland; President Indian Society of Peritoneal Surface Malignancies; President oAssociation of Breast Surgeons of Indi"; Vice President NCR oncology forum; nominated as visiting professor by AIIMS, Rishikesh. He was invited by National cancer Grid, TMH as subject expert for National guideline development for breast cancer; subject expert for faculty selection by NEIGRIMS, AIIMS Rishikesh and AIIMS Bhubaneswar. He organized a joint meeting with Society of Surgical Oncology, USA and AIIMS – Delhi, Rishikesh, Patna & Bhubaneswar on for standardizing surgical oncology curriculum and training in India. Various awards were received-Sudhakar G: Awarded first prize in quiz in Delhi Oncology forum Annual Meet, 2019; Jyoutishman Saikia: Second Best Prize in Quiz Competition at World Congress of Surgery, Krakow Poland 11-15 August 2019; Jyoutishman Saikia: International travel award from the Department of Science and Technology, India for presenting poster titled "Operated Stages I-IIIB NSCLC among Young Indian Cohorts-Clinical Profile and Outcomes" at World Conference on Lung Cancer, IASLC, Barcelona, Spain from 7 to 10 September 2019 and Manoj Gowda awarded Gita Mittal Prize for Best Thesis. Visting scientist under his headship were Prof. David Wintreat, Professor of Surgical Oncology, University of Wiscocin, USA; Professor Chandrakant Are, Division of Surgical oncology, University of Nebraska, Omaha, USA; Dr Geeta Shetty, Senior Consultant, Breast Surgery, Birmingham, UK; Professor James Howe, President, Society of Surgical oncology, Washington, USA and Dr GarimellaV, Senior Consultant, Colorectal Surgery, UHNM, Stoke-Trent, UK.

## 10.4. Dr Rajendra Prasad Centre for Ophthalmic Sciences

### Chief

Atul Kumar

### Professors

Pradeep Sharma	Ramanjit Sihota	Gita Satpathy (Ocular Microbiology)
JS Titiyal	Radhika Tandon	SK Khokhar
Shakti Kumar Gupta (Medical Supdt.)	Mahesh Chandra	Dilip R Shende (Ocular Anesthesia)
Mandeep Singh Bajaj	Rajpal Vohra	Seema Sen (Ocular Pathology)
Sanjay Sharma (Radiodiagnosis)	Seema Kashyap (Ocular Pathology)	Namrata Sharma
Tanuj Dada	Pradeep Venkatesh	Neelam Pushker
T Velpandian (Ocular Pharmacology)	Praveen Vashist (Community Ophthalmology)	Jasbir Kaur (Ocular Biochemistry)
Rohit Saxena	Viney Gupta	Renu Sinha (Ocular Anaesthesia)
Tushar Agarwal	M Vanathi	Rajesh Sinha
Bhavna Chawla (On leave)		Parijat Chandra
Suraj Singh Senjam (Community Ophthalmology)	<b>Additional Professors</b> Alok Kumar Ravi (Ocular Biochemistry)	Nabanita Halder (Ocular Pharmacology)
Noopur Gupta Rohan Chawla	<b>Associate Professors</b> Rachna Meel Swati Phuljhele	Vinod Kumar Vivek Gupta (Community Ophthalmology)
	Nishat Hussain Ahmed (Ocular Microbiology)	
Shikha Gupta Prafulla Maharana	<b>Assistant Professors</b> Neiwete Lomi Shorya Vardhan Azad	Dewang Angmo Kanil Ranjith Kumar (Ocular Anesthesia)
Arshad Ayub	Amar Pujari	Rebika (Ocular Anesthesia)
	Manpreet Kaur	

### HIGHLIGHTS

Dr Rajendra Prasad Centre for Ophthalmic Sciences, AIIMS, the apex centre for ophthalmic care in the country, is recognized as a premier super-specialty institute with state-of-the-art equipment and world class facilities for patient care, teaching and research. Some of the key highlights of Dr RP Centre include:

1. WHO Collaborating Centre for Prevention of Blindness.
1. Largest Postgraduate Teaching Program in the world with over 100 PG residents and over 50 senior residents being trained at any time.
2. Plays a major role in planning and policy development of eye care activities under the National Programme for Control

of Blindness and Visual Impairment, Ministry of Health & Family Welfare, India. The Chief, RP Centre is Advisor to the ministry for the program.

3. Conducted 26 scientific workshops on sub-specialties of Ophthalmology including live interactive surgical sessions and individualized wet lab sessions with hands on training.
4. **Retina and Uvea Services:** Apex referral centre for the management of various sight threatening vitreo-retinal disorders.
5. RP Centre introduced new facilities of Plaque brachytherapy in collaboration of IRCH for treatment of ocular malignancies. Upgradation of Low Vision Services with additional rehabilitation services with support of CBM Christoffel Blinden Mission. New Collaboration for research as requested by Director, AIIMS, by official circular, in keeping with President Obama and PM Modi Vision for Indo-US collaboration, collaborative links have been established with various Institutes of higher learning and excellence that includes Jules Stein Institute, Tufts University, UT Western University of Texas, Massachusetts Eye and Ear Infirmary, Harvard Medical School, NEI, NIH, Bethesda, MD, USA, Sightlife, Seattle, USA, Cleveland Clinic, USA. Assisted ICMR in preparation of Standard Treatment Workflows in Ophthalmology. Assisted National Health Authority in formulating guideline for ABPMJAY packages for Ophthalmology. Community Survey in Leh, Ladakh for eye diseases in the population at high altitude. Multi Centre Community Survey on urban blindness and environment.
6. **Glaucoma Services:** Initiated the National Training Programme for Upgrading Glaucoma Training in the country in collaboration with National Programme for Control of Blindness.
7. **Cornea, Cataract and Refractive Services:** Innovative techniques such as implantation of specialized intraocular lenses for improved visual outcomes for patients with dry AMD have been initiated. Bioengineering on artificial cornea research is going on.
8. **National Eye Bank (NEB):** Actively involved in teaching, research and patient care. Till date, NEB has collected over 30,000 corneas and conducted more than 21,000 corneal transplants. Certain milestones which NEB have achieved while working towards our target of eliminating corneal blindness include 10,500 pledges in north India in a single day, 22 corneal transplantation in a single day and 21 modern corneal surgeries (DSAEK) in a single day. NEB Utilization rate is consistently greater than 70% over the last 10 years. For the last consecutive 4 years more than 1000 corneal transplantation have been performed annually. NEB activities include tissue retrieval, serological investigations (HIV-1, HIV-2, HCV, HBV and Syphilis), tissue processing, tissue storage, tissue evaluation, specular microscopy, slit-lamp microscopy, training and workshop, eye donation promotion, teaching, research and education.
9. **Strabismus and Pediatric Ophthalmology:** Dedicated Strabismus, pediatric ophthalmology, neuro ophthalmology, oculoplasty and ocular oncology services continued to provide compassionate patient care during the year 2019-20. In addition, during the academic year our unit faculty delivered noteworthy amount of expert clinical talks on various topics at various national and international conferences. Throughout the academic year good quality scientific papers were published in various international journal from all our subspecialties with key clinical relevances in mind. Our unit faculty are now conducting various funded, non-funded thesis projects as well as other clinical research work. To conclude, keeping quality clinical work, research and patient care as our high morals the unit faculty continues serve for the better of future.
10. **Ocular Pathology:** Research being done in Role of NF $\kappa$ B (NF $\kappa$ B) pathway in uveal melanoma, Targeting PD-1/PD-L1 Pathway in tumor microenvironment - new immunotherapeutic paradigm for ocular malignancies, Study of lipid metabolism in Ocular Malignancies, Molecular characterization of malignant lacrimal gland tumors, Antiretinal antibodies in autoimmune retinitis, Identification and characterization of molecular targets in orbital tumors: Basis of innovative therapeutic strategies, Study of variable gene expression of collagen and associated degradative enzymes present in human vitreous in patients with myopia, Pigmentation marker in uveal melanoma, Tumor DNA sampling from aqueous humour in retinoblastoma.
11. **Ocular Pharmacology & Pharmacy Division:** Providing disposable face shield (sterile and non-sterile both) to protect frontline corona warriors at Dr RP Centre and also has been donated to other centres/departments of our Institute and to Delhi Police in fight against COVID-19. Received BIG GRANT (BIRAC) for the project entitled "Development and validation of TransRecon Technique for sterile pharmaceutical preparation" on 2019. Received Grand Challenges Award for the project entitled 'Pre-clinical safety and efficacy studies for using polyvalent bacteriophage and endolysin therapy for intraocular infections with AMR' towards the call 'Under approaches to address antimicrobial resistance' jointly funded by Bill & Melinda Gates Foundation (BMGF) and DBT. Practicing high sterile dispensing of injectable/topical drug formulations for RPC and various other Departments of AIIMS. Analysis of drugs for research and patient care for RPC and AIIMS. A scientific analysis of bioactive compounds including antibiotics in surface and ground water in Delhi and NCR has been undergoing which is part of the initiative of National Mission for Clean Ganga. This environmental contamination is because of the non-segregated disposal of expired drugs in landfill. Standardized Corneal Storage Media (to enable corneal transplant for Govt. Ophthalmology hospitals in India) and serving it to 79 eye banks across 24 states of India (MHFW-AIIMS) from 2010 till date (enabled more than 15,000 eye donations across the country). Recently longer storage media has been introduced which can preserve donor cornea for a week.
12. **Ocular Microbiology:** The section processed approximately **26,000** specimens during the last year (from April 2019 to March 2020) for various investigations like Bacterial culture and antimicrobial sensitivity testing; Fungal culture; Culture and PCR for *Acanthamoeba* eye and CNS infections; Chlamydia antigen detection, serology, PCR assay from

eye infections and male and female genital tract infections; Herpes simplex virus antigen detection; PCR assays for bacteria, fungi, viruses, *Chlamydia* and *Acanthamoeba* etc. from indoor and outdoor patients of Dr RP Centre for Ophthalmic Sciences. The investigations for Chlamydial infections, viral infections and *Acanthamoeba* infections were also provided to other clinical department of AIIMS on request

13. **Ocular Biochemistry:** Ocular Biochemistry is continuing to provide services in teaching, research and patient care. Clinical Biochemistry laboratory and Research laboratory facility have been upgraded with state-of-the-art equipment. More than 20 parameters are being done in Ocular Biochemistry laboratory which involves lipid profile, LFT, KFT and other specific investigations such as hormones and vitamin B12 etc. The thrust focus is to identify non-invasive/minimal invasive biomarkers for early detection and prognosis of ocular diseases. Identified some of the biomarkers which could be used as prognostic/ therapeutic targets of ocular tumors.
14. **Community Ophthalmology:** Community Ophthalmology is involved in the activities like comprehensive primary eye care services, outreach eye camps in community as well as schools for the blind, school vision screening, low vision rehabilitation, and in epidemiological research and surveys, training and capacity building, community awareness and mobilization apart from academic activities. Outreach services also include screening of diabetic retinopathy in the underserved populations. Community ophthalmology is currently running 20 projects on eye care research & services in partnership with National agencies like NPCB&VI, DHR, ICMR, DST. Close collaborations have been developed with international agencies like World Health Organization, London School of Hygiene and Tropical Medicine UK, ORBIS, Sightsavers, VisionSpring, Operation Eyesight Universal, CBM etc. Community Ophthalmology completed in National Blindness and Visual Impairment (NB&VI) Survey-2018 in 31 districts across the country with support from National Programme for Control Blindness and Visual Impairment (NPCB & VI), Government of India. The executive summaries of the National Blindness and Visual Impairment Survey reports were released by the Hon'ble Minister of Health and Family Welfare of India, Dr Harsh Vardhan on 10 and 11 October 2019. Community Ophthalmology is collaborating with CARE department, IIT-Delhi for developing artificial intelligence, neural network, and vision computing based tools to detect glaucoma and diabetic retinopathy in patients receiving primary eye care services. Conducted an operational research on involvement of Accredited Social Health Activists (ASHA) in delivery of primary eye care amongst urban poor population.
15. **Primary eye care services:** As a part of routine outreach eye care services, it runs 28 Primary Eye Care Clinics in urban slums and underprivileged community of Delhi and National Capital Region in collaboration with Delhi Government and various NGOs. primary eye care services to poor and vulnerable communities as identified locations in Delhi. Patients requiring cataract surgery are transported to RP Centre and get admitted and operated free of charge.
16. **Low Vision Rehabilitation Services:** Under this initiative, vision rehabilitation services are being provided to people with visual disability by a team rehabilitation of Community Ophthalmology. Orientation & Mobility, Reading and writing rehabilitation services, Low vision evaluation, counselling on vocational training, activities of daily living (ADL), Instrumental ADL, issuance of disability certificates, advice for environmental and lighting modification are various components of services being offered to the needy patients and family members etc. All the information about various government scheme and assistance to avail are also provide. Young patients needing admission to schools for the blind are also helped. Community based rehabilitation is also run through networking system with various NGOs. Patients are being referred vocation training to such NGOs.
17. **Health education activities:** Community Ophthalmology has been conducting health education activities for patients utilizing out-patient and inpatient services at the institute. This is in addition to the already ongoing health education activities at the primary eye care clinics. The topics includes as general eye care, care of spectacles, refractive error, care after cataract surgery, glaucoma, retinoblastoma, retinopathy of prematurity etc.
18. Conducted survey in Leh, Ladakh under the project entitled "Multi Centric Study of Impact of exposure of Ultra Violet Radiation (UVR) & aerosol exposure on ocular health in India"

## EDUCATION

The centre is actively involved in teaching and training of undergraduate MBBS, BSc (optometry) and postgraduate in Ophthalmology.

Ophthalmologists and other trainees in RP Centre 2019-20	Number
Senior resident doctors	58
Post graduate students in Ophthalmology	112
Number of MD Passed out	27
BSc Optometrist students- passed out	15
Number of PhD students – Passed out	4
Details of short term/long term trainees in RP Centre	9

## **CMEs/Workshops/Symposia/National and International Conferences**

1. Phacoemulsification and Refractive Surgery update, January 2020. RP Centre for Ophthalmic Sciences, AIIMS, New Delhi
2. Cornea workshop. October 2019. RP Centre for Ophthalmic Sciences, AIIMS, New Delhi
3. Indian Society of Cornea & Keratorefractive surgeons (ISCKRS) 4th Annual ISCKRS Meet, August 2019, New Delhi
4. Strabismus Workshop, Dr RP Centre for Ophthalmic Sciences, AIIMS, 21 July 2019, New Delhi
5. Glaucoma Workshop, Dr RP Centre for Ophthalmic Sciences, AIIMS, 18 August 2019, New Delhi
6. WHO-SEARO meet aimed at preventing glaucoma blindness in South East Asia, 22 and 23 November 2019
7. Annual conference of Indian Neuro-ophthalmological Society (INOS), 30 November-1 December 2019, New Delhi.
8. Glaucoma week, 8-14 March 2020
9. Oculoplasty workshop in November 2019
10. 34th Eye Donation Fortnight, National Eye Bank, Dr RP Centre for Ophthalmic Sciences, JL Auditorium, AIIMS, 3 September 2019
11. A Low Vision Meeting, Low Vision Services Lab, Room No. 133, Dr RP Centre, AIIMS, 12 September 2019
12. Cornea Workshop, Lecture Theatre, 6th & 7th Floor, Dr RP Centre for Ophthalmic Sciences, AIIMS, 20 October 2019
13. Phacoemulsification & Refractive Surgery Update, Lecture Theatre, 6th Floor, Dr RP Centre, AIIMS, 19 January 2020
14. 2nd Investigator Meeting under the project entitled “Multi Centric study of impact of exposure to Ultra Violet Radiation (UVR) and aerosols exposure on ocular health in India”, Seminar Room Community Ophthalmology, 7th Floor, Dr RP Centre, AIIMS, 20 February 2020
15. 53rd Annual Day Celebrations Congress of Dr RP Centre for Ophthalmic Sciences, JL Auditorium, AIIMS, 14 March 2020
16. NPCB&VI National workshops (Two) for orientation of state programme officers on SAFE strategy implementation for Elimination of Trachoma in India on 22 April 2019 and 4 May 2019 at Dr RP Centre, AIIMS
17. Seven workshops in partnership with NPCB&VI for implementation of SAFE strategies for elimination of Trachoma in Gujarat (9-10 May 2019), Rajasthan Haryana & Punjab, Uttaranchal, UP and Himachal Pradesh for training of District Ophthalmologists and District Program Officers
18. Organized an Orientation & Mobility” training program for people with blindness & low vision at Community Ophthalmology, Dr Rajendra Prasad Centre for Ophthalmic Sciences on 26 and 27 September 2019
19. Organized workshop on “Clear Vision India for Strengthening Refractive error and presbyopia programs” on 6 March 2020 at Seminar Room, Community Ophthalmology Dr R P Centre, AIIMS

### **Lectures delivered**

**Atul Kumar: 20**

**Gita Satpathy: 2**

**S.K. Khokhar: 26**

**Rajpal Vohra: 3**

**Seema Kashyap: 2**

**Neelam Pushker: 4**

**Rohit Saxena: 13**

**M. Vanathi: 31**

**Nabanita Halder: 2**

**Vinod Kumar: 10**

**Vivek Gupta: 12**

**Neiwete Lomi: 3**

**Shorya Vardhan Azad: 4**

**Rebika: 5**

**Pradeep Sharma: 58**

**J.S. Titiyal: 11**

**Dilip R Shende: 11**

**Seema Sen: 1**

**Namrata Sharma: 37**

**T. Velpandian: 4**

**Viney Gupta: 6**

**Parijat Chandra: 13**

**Noopur Gupta: 24**

**Rohan Chawla: 12**

**Nishat Hussain Ahmed: 1**

**Dewang Angmo: 13**

**Kanil Ranjith Kumar: 3**

**Manpreet Kaur: 4**

**Ramanjit Sihota: 11**

**Radhika Tandon: 29**

**Mandeep Singh Bajaj: 4**

**Sanjay Sharma: 1**

**Tanuj Dada: 5**

**Praveen Vashist: 24**

**Renu Sinha: 4**

**Senjam Suraj Singh: 12**

**Rachna Meel: 1**

**Swati Phuljhele: 11**

**Shikha Gupta: 4**

**Prafulla Maharana: 4**

**Amar Pujari: 2**

### **Atul Kumar**

1. Macula Surgery DOS, April 2019, Delhi
2. Retina Diabetic Meeting, April 2019, Kolkata
3. Anti-VEGF's DME with VMT Chief Guest, June 2019, Ahmedabad
4. DR Lecture AFMC Guest Faculty, July 2019, Pune
5. Role of ultrawide field imaging SS-OCT & OCT imaging in Diabetic Retinopathy, DR Allahabad, July 2019, Allahabad
6. Surgical Considerations in diabetic vitrectomy, DR Allahabad, July 2019, Allahabad
7. Myopic Traction Maculopathy–Ngenuity VR visualization system I-Beach Ophthalmic Film Festival, August 2019, Goa
8. Retinal OCT BHU Varanasi Meeting September 2019 Varanasi

9. Anti-VGEF DOS, October Delhi
10. OCT & Beyond Uttara Eye Con, October, Rishikesh
11. Public Lectures Diabetic Blindness World Sight Day, October, AIIMS, Delhi
12. Diabetic Retinopathy VRSI Meeting, December 2019, Lucknow
13. Teachers in Ophthalmology AIOS-ARC ICO Zonal Conclave, January 2020, Delhi
14. Principal of VR Surgery I-FOCUS, January 2020, Delhi
15. Keynote AIOS ARC – ICO Teachers in Ophthalmology & Address Apex Conclave – Session 1 – Teaching Methods, AIOS, February 2020, Gurgaon
16. Eye Shala 2020 PG teaching session, AIOS, February 2020, Gurgaon
17. Advances in Techniques and Instrumentation for Vitreoretinal Surgery & My Top Mistakes in Retina, AIOS, February 2020, Gurgaon
18. Retina Grand Rounds – Interactive, AIOS, February 2020, Gurgaon
19. AIOS – ASRS Symposium AIOS, February 2020, Gurgaon
20. Macular Surgery Update AIOS, February 2020, Gurgaon

### **SK Khokhar**

1. Video based teaching of cataract surgical difficulties including the management of complications, The Midland Ophthalmological Society Medical Education Dept., 29 March-2 April 2019, Worcester, UK
2. Guest Lecture, SAO-POSA Pediatric Ophthalmology & Strabismus (SAARC), 27-29 September 2019, Maldives
3. Relationship Between Corneal Topography and Astigmatism, American Academy of Ophthalmology, AAO Meeting, 12-15 October 2019, San Francisco, USA
4. Guest Lecture, American Association for Pediatric Ophthalmology and Strabismus (AAPOS), 7-12 November 2019, Sydney, Australia
5. Pediatric Cataract Surgery, 70th Annual DOS Conference, 12-14 April 2019, New Delhi
6. Game of ophthalmic thrones, 70th Annual DOS Conference, 12-14 April 2019, New Delhi
7. Ophthalmic Premier League (OPL), 70th Annual DOS Conference, 12-14 April 2019, New Delhi
8. Refractive Surgery-New Era in Modern Ophthalmology, Teaching Army Doctors, 20 June 2019, Base Hospital, Delhi Cantt
9. Correct Pre Op Protocol in Cataract Surgery, AIOS, ARC Cataract and Glaucoma Symposium, 28 July 2019, Nagpur, Maharashtra
10. Multifocal IOL – My work up and Experience, AIOS, ARC Cataract and Glaucoma Symposium, 28 July 2019, Nagpur, Maharashtra
11. Subluxated Cataract – Possibilities and Management, AIOS, ARC Cataract and Glaucoma Symposium, 28 July 2019, Nagpur, Maharashtra
12. Complications of implantable contact lenses, AIOS, ARC Cataract and Glaucoma Symposium, 28 July 2019, Nagpur, Maharashtra
13. SMILE–the way forward!, Annual Conference of Indian Society of Cornea & Kerato-Refractive Surgeons (ISCKRS Meet 2019), 3 and 4 August 2019, New Delhi
14. Cataract, Health Show Programme, 17 August 2019, New Delhi, Rajya Sabha Television
15. Panel discussion, Eye donation, DD News Channel, 1 September 2019, New Delhi
16. Refractive Repertoire, IIRSI Delhi 2019, 7 and 8 September 2019, New Delhi
17. Perfecting Phakic IOL, IIRSI Delhi 2019, 7 and 8 September 2019, New Delhi
18. Pediatric Cataracts–does morphology help in etiology?, DOS (Delhi Ophthalmological Society) Winter Conference 2019, 2 and 3 November 2019, New Delhi.
19. Cataract Surgery in PHPV, Annual Conference for SPOSI (Strabismus and Pediatrics Ophthalmology Society of India), 6-8 December 2019, Chennai
20. IOL in infants Less than 1 year of age, Annual Conference for SPOSI (Strabismus and Pediatrics Ophthalmology Society of India), 6-8 December 2019, Chennai
21. Pearls of Pediatric Cataract Surgery, Annual Conference for SPOSI (Strabismus and Pediatrics Ophthalmology Society of India), 6-8 December 2019 Chennai
22. Post-Refractive Surgery Challenges, Phacoemulsification & Refractive Surgery Update, 19 January 2020, AIIMS, New Delhi

23. Smile, Pros and Cons, 78th Annual Conference of All India Ophthalmological Society (AIOS) Conference 2020, 13-15 February 2020, Gurugram, Haryana
24. Persistent Fetal, 78th Annual Conference of All India Ophthalmological Society (AIOS), Conference 2020, 13-15 February 2020, Gurugram, Haryana
25. Phakic Lens: Tips and Tricks, 78th Annual Conference of All India Ophthalmological Society (AIOS) Conference 2020, 13-15 February 2020, Gurugram, Haryana
26. Vasculature Cataract, 78th Annual Conference of All India Ophthalmological Society (AIOS) Conference 2020, 13-15 February 2020, Gurugram, Haryana

#### **Raj Pal**

1. Diabetic Retinopathy Retina Workshop, 22 September 2019, New Delhi
2. VRSI Conference, 5-8 December 2019, Kanpur
3. Guest faculty 4th Retina Summit 2019, 12 and 13 July 2019, Chennai

#### **Vinod Kumar**

1. Moderator, Retina Diagnostics, Annual Conference of Delhi Ophthalmological Society, 12-14 April 2019, New Delhi
2. Multimodal imaging of pachychoroid spectrum, Annual Conference of Delhi Ophthalmological Society, 12-14 April 2019, New Delhi
3. Spotting a publishable case, Annual Conference of Delhi Ophthalmological Society, 12-14 April 2019, New Delhi
4. Art of publishing, impact factor and which journal to choose, Annual Conference of Delhi Ophthalmological Society, 12-14 April 2019, New Delhi
5. UWF FFA and ICG Retina workshop, 22 September 2019, RPC, AIIMS, New Delhi
6. Understanding pachychoroid spectrum, Mid-term DOS, 23 November 2019, New Delhi
7. Endophthalmitis Refresher Course on PG Teaching, 4-6 October 2019, IHC, Delhi
8. Ultrawide Field Optos Angiography-Clinical Utility in Retinal Pathologies, Retina Workshop, 5-8 December 2019, VRSI, Lucknow, UP
9. Interpretation of OCT and OCTA, AIOC 2020, 12-15 February 2020, Gurugram, Haryana
10. Coinstructor, Clinching a Diagnosis in Retina: Clinical Assessment and Multimodal Imaging: Complement Each Other, AIOC 2020, 12-15 February 2020, Gurugram, Haryana

#### **Shorya Azad**

1. Debate: Anti VEGF in ROP: Against iROP, 21 June 2019, Chandigarh
2. Case discussion Uvea Rheumatology Conclave, 21 July 2019, New Delhi
3. Laser in Retina Workshop, 22 September 2019, RPC, AIIMS, New Delhi
4. Optic nerve Involvement in uveitis, 2nd Annual Conference of Neuro Ophthalmology, 1 December 2019, New Delhi

#### **Parijat Chandra**

1. Surgery for Stage 4 ROP to Operate in Advancing ROP AIOC 2020, 13-16 February 2020, Gurugram
2. Surgical management of stage 4 and 5 ROP AIOC 2020, 13-16 February 2020, Gurugram
3. Photoablation for Retinopathy of prematurity AIOC 2020, 13-16 February 2020, Gurugram
4. Surgeries for Pediatric Detachments, Annual VRSI 2019 Meeting, 5-8 December 2019, Lucknow
5. ROP surgery, Winter DOS Conference, 2 and 3 November 2019, Delhi
6. Evolving Role of Anti-VEGF drugs in ROP, Annual Conference of ACOIN, 18-20 October 2019, Kanpur
7. Bilateral same day Surgeries Pediatric Retina Summit, 12 and 13 July 2019, Chennai
8. Prophylactic Laser for Choroidal Coloboma Pediatric Retina Summit, 12 and 13 July 2019, Chennai
9. Current concepts in ROP Surgery-Surgery for stage 4 ROP, Paediatric Retina Summit, 12 and 13 July 2019, Chennai
10. Updates on FFA, Paediatric Retina Summit, 12 and 13 July 2019, Chennai
11. Combination treatment for ROP- Where, When and What, 4th Annual iROP Meeting 21-23 June 2019, Chandigarh
12. Management of Advanced ROP, CME Indian Academy of Paediatrics, 23 March 2019, Patna

13. Future of ROP Management in India, CME Indian Academy of Pediatrics, 23 March 2019, Patna

#### **Rohan Chawla**

1. Diabetic Vitrectomy, DOS Conference, April 2019, Delhi
2. Immunosuppressive in uveitis in DOS, Conference in April 2019, Bangalore
3. Surgery in Retinoschisis Conference at Bangalore in June 2019, DOS Conference, April 2019, Delhi
4. Giant Retinal Tear in DOS, Midterm Conference in Delhi in November 2019, DOS Conference, April 2019, Delhi
5. Complicated retinal cases (moderator), DOS Conference, April 2019, Delhi
6. Surgery in GRT, RETNET Conference, June 2019, Bangalore
7. Surgery in Retinoschisis, RETNET Conference, June 2019, Bangalore
8. Complicated retinal cases (moderator), RETNET Conference, June 2019, Bangalore
9. Giant Retinal Tear, DOS Mid-term Conference, November 2019, Delhi
10. Complicated retinal cases (moderator), DOS Mid-term Conference, November 2019, Delhi
11. Diabetic vitreo-retinal surgery, AIOS Conference, February 2020, Gurgaon
12. Large lesions of the retina, AIOS Conference, February 2020, Gurgaon

#### **JS Titiyal**

1. Comprehensive capsule for comprehensive ophthalmologist, All India Ophthalmological Society Conference, 13-16 February 2020, Gurugram, Haryana
2. Recent update in Anterior Segment Surgery, Delhi Ophthalmological Society January 2020, New Delhi
3. Understanding Corneal Topography and Biomechanics, Delhi Ophthalmological Society, December 2019, New Delhi
4. Refractive Surgery Session, Delhi Ophthalmological Society, 2 and 3 November 2019, New Delhi
5. Free paper cornea, Asia Pacific Association of Cat & Refractive Surgeons, 3-5 October 2019, Kyoto, Japan
6. Refractive Session, Annual Conference of Rajasthan Ophthalmological Society, 20-22 September 2019, Rajasthan
7. Reconstructive Procedure, Indian Society of Cornea & kerato refractive surgeons, 3 and 4 August 2019, New Delhi
8. Refractive Master Class, Cornea, Cat & Ref & Hospital Admn, Birat Nagar Eye Hospital, July 2019, Nepal
9. ISCKRS session, Intra ocular implant and refractive surgery society of India, 6 and 7 July 2019, Chennai, Tamil Nadu
10. Image Guided Surgery with FLACS, Visakhapatnam Ophthalmic Association, June 2019, Andhra Pradesh
11. Advancement phacoemulsification in cutting edge technology, Delhi Ophthalmological Society, 12-14 April 2019, New Delhi

#### **Namrata Sharma**

1. Lamellar Corneal Surgery, The 78th Annual Conference of All India Ophthalmological Society (AIOS), 12-16 February 2020 Gurugram, Haryana
2. Management of Double Headed and Recurrent Pterygia, The 78th Annual Conference of All India Ophthalmological Society (AIOS), 12-16 February 2020, Gurugram, Haryana
3. Intraoperative OCT in Corneal Surgery", The 78th Annual Conference of All India Ophthalmological Society (AIOS), 12-16 February 2020, Gurugram, Haryana
4. Genetics of Corneal Ectasias, The 78th Annual Conference of All India Ophthalmological Society (AIOS), 12-16 February 2020, Gurugram, Haryana
5. Management Algorithm of Fungal Keratitis, The 78th Annual Conference of All India Ophthalmological Society (AIOS), 12-16 February 2020, Gurugram, Haryana
6. Balancing Clinics, Academics & AIOS" The 78th Annual Conference of All India Ophthalmological Society (AIOS) 12-16 February 2020 Gurugram, Haryana
7. Cataract Surgery in 2020 Phacoemulsification Surgery: New Frontiers, The 78th Annual Conference of All India Ophthalmological Society (AIOS) 12-16 February 2020 Gurugram, Haryana
8. IOCT guided DMEK, The 78th Annual Conference of All India Ophthalmological Society (AIOS), 12 16 February 2020, Gurugram, Haryana
9. IOCT guided management of endothelial keratoplasty, CME Program on Cornea and Ocular Surface, 4 January 2020, Hubli, Karnataka

10. iOCT guided phacoemulsification surgery, CME Program on Cornea and Ocular Surface, 4 January 2020, Hubli, Karnataka
11. Image guided toric intraocular lenses Phaco in Corneal Haze, The 7th Edition of Phaco Festival 2020, 18 January 2020, Bangalore
12. Tenon Patch Graft KERACON 2019, 13-15 December 2019, Kerala
13. Practical points in Medical management of Fungal keratitis KERACON 2019, 13-15 December 2019, Kerala
14. Management of Shield Ulcers, Case Based Discussion KERACON 2019, 13-15 December 2019, Kerala
15. Case Presentation: Tuck-in Tenon's graft KERACON 2019, 13-15 December 2019, Kerala
16. Selective Anterior Lamellar Corneal Replacement in Children: Intraoperative Considerations and Intra Operative Imaging in Lamellar Corneal Surgery, The Pediatric Cornea and Corneal Neurotisation Workshop, 10 November 2019, Hyderabad, Telangana
17. Microbial Keratitis, Dr Agarwal's Grand Round Program, 12 November 2019, Chennai
18. Post-surgical Microbial Keratitis KOSCON 2019, 8 and 9 November 2019, Belagavi, Karnataka
19. Paediatric Cataract KOSCON 2019, 8 and 9 November 2019, Belagavi, Karnataka
20. Toric intraocular lenses: Which one is the best?: Evidence based medicine and experience, The 43rd Annual Conference of MP State Ophthalmic Society, 20 October 2019, Jabalpur, MP
21. TFOS DEWS II what does it teach to the general ophthalmologist about dry eye, The 43rd Annual Conference of MP State Ophthalmic Society, 20 October 2019, Jabalpur, MP
22. Topical, systematic and targeted therapy for fungal Keratitis: TST Protocol CORNEA CONNECT-2019, 7-8 September 2019, Chennai
23. Panelist, Plug and play-Pentacam, Sirius, ASOCT, Biomechanics, Aberrometry, 4th Annual International Conference of Women Ophthalmologists Society, 9 and 10 September 2019, Bangalore
24. Trifocal lens, 4th Annual International Conference of Women Ophthalmologists Society, 9 and 10 September 2019, Bangalore
25. Femto cataract surgery, The 4th Annual International Conference of Women Ophthalmologists Society, 9 and 10 September 2019, Bangalore
26. Enhanced visualization for cataract surgery in corneal haze and opacity, The Annual Conference EYECON 2019, 9-11 August 2019, Salem, Tamil Nadu
27. iOCT Guided DALK DMEK and PDEK IIRSI 2019, 6 and 7 July 2019, Chennai
28. Transition from DMEK to PD EK: Why and How IIRSI 2019, 6 and 7 July 2019, Chennai
29. iOCT Guided DALK IIRSI 2019, 6 and 7 July 2019, Chennai
30. Understanding Premium Surgery IIRSI 2019, 6 and 7 July 2019, Chennai
31. When Medical Therapy Fails in Microbial Keratitis: What Next? IIRSI 2019, 6 and 7 July 2019, Chennai
32. Stem Cells Senescent to Recent IIRSI 2019, 6 and 7 July 2019, Chennai
33. Key Note- DMEK is the way to go Phacoemulsification in corneal haze, The Cornea, Cataract & Refractive 360, 13 and 14 July 2019, Jaipur
34. AIOS guidelines for cataract surgery, The 15th Annual Conference 'Achieving Universal Eye Health for Everyone & Everywhere', 8 June 2019, Chennai
35. What does DEWS II tell us about diagnosis and management? CME on Dry Eye Management-Recent update, 9 June 2019, New Delhi
36. Decision making in Refractive surgery, BOS Summit 2019, 22 June 2019, Bangalore
37. Management of Preexisting and Postoperative Corneal and Ocular Surface Problems during Phacoemulsification: Instruction Course", The Annual Meeting of ASCRS-ASOA 2019, 3-7 May 2019, San Diego, California

#### **Prafulla Maharana**

1. How to prepare for MD exam, DOS AIOS PG Teaching Program, 4-6 October 2019, New Delhi
2. Intra-lenticular lens aspiration in pediatric cataract with lens subluxation, DOS Winter Conference, 2 and 3 November 2019, New Delhi
3. Management of small corneal perforation Cornea Workshop, 20 October 2019, New Delhi
4. iFocus Postgraduate Education Program in Ophthalmology 2020, iFOCUS January 20, New Delhi

### **Manpreet Kaur**

5. Cataract-Basic Workup, Examination & Investigations, DOS AIOS PG Teaching Program, 4-6 October 2019, New Delhi
6. Failed DSAEK-How to Manage', DOS Winter Conference, 2 and 3 November 2019, New Delhi
7. C Collagen Cross Linking' Cornea Workshop, 20 October 2019, New Delhi
8. D Difficulties in Lenticule Extraction during SMILE-Phacoemulsification & Refractive Update, 19 January 2020, New Delhi

### **Ramanjit Sihota**

1. Trabeculectomy AIOS-ARC-Cataract & Glaucoma Symposium, 28 April 2019, Ahmedabad (Gujarat)
2. PACD AIOS-ARC-Cataract & Glaucoma Symposium, 28 April 2019, Ahmedabad (Gujarat)
3. PACD Glaucoma Management Summit-2019, 27 and 28 July 2019, Mumbai, Maharashtra
4. Bleb Revision Annual Conference of BOA Focus-2019, 9 August 2019, Mumbai, Maharashtra
5. Early diagnosis of progression, Annual Conference of BOA Focus-2019, 9 August 2019, Mumbai, Maharashtra
6. Gonioscopy features, Annual Meeting of Glaucoma Society of India (GSI), 20-22 September 2019, Lucknow, UP
7. Target IOP Annual Meeting of Glaucoma Society of India (GSI), 20-22 September 2019 Lucknow, UP
8. PACD Management, 15th Asian Angle Closure Glaucoma Club Seoul Meeting, 1 and 2 November 2019, Seoul, South Korea
9. Target IOP in children, 1st Conference of Indian Pediatric Glaucoma Society (IPGS), 7 and 8 December 2019, Hyderabad, Telangana
10. Interpreting Perimetry Erudio 2020, 11 and 12 January 2020, Bangalore, Karnataka
11. Congenital Glaucoma Erudio 2020, 11 and 12 January 2020, Bangalore, Karnataka

### **Tanuj Dada**

1. Meditation induces changes in Trabecular Meshwork gene expression in Primary Open Angle Glaucoma. ARVO Annual Congress 2019, 28 April-2 May 2019, Vancouver, Canada
2. Meditation as a Polypill for glaucoma, International Glaucoma Symposium organized by Swiss Glaucoma Research Foundation, 6 June 2019, Lausanne, Switzerland
3. Effect of Yoga and meditation in Glaucoma patients, Moorefield International Glaucoma Symposium, 25 and 26 January 2020, London, UK
4. OCT in Glaucoma, Post graduate teaching Programme, November 2019, Chandigarh, India
5. Targeting the brain in glaucoma, All India Ophthalmological Society Conference, February 2020, Gurugram, Haryana

### **Rohit Saxena**

1. Management of III nerve, DOS Annual Conference, 12 and 13 April 2019, New Delhi
2. Myopia Prevalence Stereoacuity outcomes in refractive procedures IIRSI, 6 and 7 July 2019, Chennai
3. Managing paralytic squint Telangana Ophthalmic Society, 12 and 13 July 2019, Hyderabad
4. Decision making in squint AIIMS Strabismus Workshop, 21 July 2019, New Delhi, India
5. Preventing myopia: Reality or gimmick IIRSI, 3 and 4 July 2019, New Delhi, India
6. Restrictive strabismus update Ophthafusion, 24 and 25 August 2019, Coimbatore, India
7. Refractive correction and visual rehabilitation in ped cataract IIRSI, 7 and 8 September 2019 New Delhi
8. Rehabilitation after secondary cataract American Academy of Ophthalmology, 12-15 October 2019, San Francisco, USA
9. Management of IIIH INOS, 30 November-1 December 2019, New Delhi
10. Muscle transposition procedures SPOSI, 7 and 8 December 2019, Chennai
11. Strabismus pearls Erudio, 22 January 2020, Bangalore
12. Neuro-ophthalmology fields Eye Focus, 11 January 2020, New Delhi
13. Understanding Strabismus: The Pediatric eye and Basic Strabismus AIOC Annual Conference, 13-16 February 2020, Gurugram

### **Viney Gupta**

1. Perimetry in Glaucoma for EYESHALA, Post graduate teaching program at the AIOS Annual Conference, 13 February 2019, Indore
2. The Well prepared examination under Anaesthesia: Congenital Paediatric glaucoma World Glaucoma Congress, 27-30 March 2019, Melbourne, Australia
3. Surgical Management of Uveitic Glaucoma World Glaucoma Congress, 27-30 March 2019. Melbourne, Australia
4. Moderator: Surgical Innovations in Glaucoma Annual Meeting of Delhi Ophthalmological Society, 12 and 13 April 2019, Delhi
5. Keynote lecture: Genomics, Machine learning and management of Juvenile Glaucoma, 33rd NZOS Meeting 1-3 November 2019, Jammu
6. Examination under Anesthesia 1st Indian Paediatric glaucoma Society Meeting, 7 and 8 December 2019, Hyderabad

### **Shikha Gupta**

1. Optimizing long term outcomes of glaucoma drainage devices AIOS, February 2020, Gurugram
2. Innovations in glaucoma surgery YOSI, 22 December 2019, Delhi
3. Corneal changes in Primary congenital glaucoma Annual DOS 2019, Delhi
4. Role of goniotomy in adult glaucomas Winter DOS 2019, Delhi

### **Dewang Angmo**

1. When to use Anterior segment OCT Annual DOSCON 2019, 13 April 2019, Delhi
2. Tips to publishing thesis Annual DOSCON 2019, 13 April 2019, Delhi
3. Role of lens extraction in primary angle closure disease, Winter DOS 2019, 3 November 2019, Delhi
4. OCT Guided Glaucoma Surgery Glaucoma Workshop, 19 August 2019, Delhi
5. Phaco GSL and Lens Extraction in Primary Angle Closure Disease Glaucoma Workshop, 18 August 2019, Delhi
6. Essential five points while interpreting gonioscopy findings GSI 2019, 21 September 2019, Lucknow
7. Teachers in Ophthalmology Apex Conclave-Session 5-Specialty Training DOS-AIOS Teaching Program, 6 October 2019, Delhi
8. ASOCT in Glaucoma Uttaraeyecon 2019, 13 October 2019, Rishikesh
9. Comparison of iCare ic200 and Perkin's Tonometry in Pediatric Glaucoma IPGS, 8 December 2019, Hyderabad
10. Target IOP: Medical & lasers for Glaucoma WHO SEARO, 22 November 2019, Delhi
11. Glaucoma curriculum for Ophthalmologists/Optometrists, WHO SEARO, 22 November 2019 Delhi
12. Lasers in Glaucoma: Video assisted Talk: Introduction AIOS 2020, 13 February 2020, Gurgaon, Haryana
13. Newer Lasers in Glaucoma management and postoperative care discussion AIOS, 2020 13 February 2020, Gurgaon, Haryana

### **Rebika**

1. Concepts of Amblyopia DOS-AIOS PG teaching 2019, New Delhi
2. Managing esotropias DOS Winter Conference, 3 November 2019, New Delhi
3. Approach to mononeuropathy INOS, 30 November-1 December 2019, New Delhi
4. Firecracker injuries- The great killer World Congress of Ocular Trauma 14 and 15 December 2019 New Delhi
5. Basic work-up in neuro-ophthalmology All India Ophthalmological Society Conference, 13-16 February 2020 Gurugram, Haryana

### **Pradeep Sharma**

1. Management of Dissociated vertical deviation DOSCON-2019, 13- and 14 April 2019, New Delhi
2. VRT Vs R&R for VI n palsy DOSCON-2019, 13-and 14 April 2019, New Delhi
3. Plication resection DOSCON-2019, 13 and 14th April 2019, New Delhi
4. Basic Workup of a patient with Squint Guest Lecture, 17 April 2019, Gurugram
5. Vision Testing in Children CME- Strabismus & Pediatric Ophthalmology, 19 May 2019, Gwalior
6. Exotropia Mx with Patterns CME- Strabismus & Pediatric Ophthalmology, 19 May 2019, Gwalior
7. Pearls & Pitfalls in Management of Strabismus SPOSI Mid Term Conference 2019, 1 and 2 June 2019, Karnataka

8. Masterclass in Strabismus SPOSI Mid Term Conference 2019, 1 and 2nd June 2019, Karnataka
9. Debates in Strabismus SPOSI Mid Term Conference 2019, 1 and 2nd June 2019, Karnataka
10. Newer muscle transposition procedures CME-“Kaazhcha 2019”, 16 June 2019, Kerala
11. Neuro Ophthalmologic emergencies CME-“Kaazhcha 2019”, 16 June 2019, Kerala
12. Master Class in Strabismus CME BOS SUMMIT 2019, 22 and 23 June 2019, Bangalore
13. Pearls & Pitfalls in Management of Strabismus CME BOS SUMMIT 2019, 22 and 23 June 2019, Bangalore
14. What is new in Strabismus and its Management? 13th Eye India Conference 2019, 13 and 14 July 2019, Pune
15. DRS Squint Workshop, 21 July 2019, New Delhi
16. Nystagmus Squint Workshop, 21 July 2019, New Delhi
17. Targeted Strabismus Surgery Squint Workshop, 21 July 2019, New Delhi
18. New Strabismus Procedures, BOA FOCUS 2019, 9-11 August 2019, Mumbai
19. Neuro Ophthal Emergencies, BOA FOCUS 2019, 9-11 August 2019, Mumbai
20. Adjustable Strabismus Surgery: Indications & Techniques Ophthafusion 2019, 24 and 25 August 2019, Tamil Nadu
21. In the pursuit of stereopsis- What’s new in strabismus? Ophthafusion 2019, 24 and 25 August 2019 Tamil Nadu
22. Brown’s syndrome management, Ophthafusion 2019, 24 and 25 August 2019, Tamil Nadu
23. Complication management in strabismus surgery, Ophthafusion 2019, 24 and 25 August 2019 Tamil Nadu
24. Managing Infantile Nystagmus, Ophthafusion 2019, 24 and 25 August 2019, Tamil Nadu
25. All you need to know about strabismus for the exams, Ophthafusion 2019, 24 and 25th August 2019, Tamil Nadu
26. Effect of Surgeon’s Anisometropia in Phaco surgery, IIRSI Together Towards Tomorrow, 7 and 8 September 2019, New Delhi
27. Monovision in IOLs and Stereopsis, IIRSI Together Towards Tomorrow, 7 and 8 September 2019, New Delhi
28. Strabismus CME on Squint, Neuro Ophtha & Ocular Oncology, 15 September 2019, West Bengal
29. The great Evaluation – How’s the world of Strabismus changing CME on Squint, Neuro Ophtha & Ocular Oncology, 15 September 2019, West Bengal
30. Paralytic Strabismus Decoded, HOS Annual Conference 2019, 21 and 22 September 2019, Haryana
31. Let’s Inspire Before we Expire, HOS Annual Conference 2019, 21 and 22 September 2019, Haryana
32. Stereopsis: The Final Frontier, APOS 2019 Annual Conference, 27-29 September 2019 Andhra Pradesh
33. Strabismus, UTTARA EYECON 2019, 11 and 12 October 2019, Uttarakhand
34. Newer Surgical Procedures in strabismus, UTTARA EYECON 2019, 11 and 12 October 2019, Uttarakhand
35. Restoring 3D Vision Public Lecture, 15 October 2019, New Delhi
36. Targeted Squint Surgery, Winter Conference of DOS 2019, 2 and 3 November 2019, New Delhi
37. Paralytic Strabismus, AAPOS-RANZCO-APSPPOS – 2019, 6-8 November 2019, Australia
38. Difficult Strabismus, AAPOS-RANZCO-APSPPOS – 2019, 6-8 November 2019, Australia
39. Examination of a case of Strabismus, Basic & Beyond CME, 16 and 17 November 2019, Bangladesh
40. Surgical Procedures in Strabismus, CME, 16 and 17 November 2019, Bangladesh
41. Paralytic Strabismus, CME, 16 and 17 November 2019, Bangladesh
42. Nystagmus Simplified, CME, 16 and 17 November 2019, Bangladesh
43. Nystagmus, INOS Annual Conference 2019, 30 November-1 December 2019, New Delhi
44. Newer surgical techniques in strabismus, SPOSI Annual Conference 2019, 6-8 December 2019, Chennai
45. Complex Problems in Strabismus-Interactive iFocus 2020, 22 January 2020, New Delhi

## RESEARCH

### Funded projects

#### *Ongoing*

1. A Comparative Study of Efficacy and Acceptability of a New Paradigm Foldscopy & Conventional Microscopy for analysis of Goblet Cells in patients with Limbal stem cell deficiency, JS Titiyal, DBT, 2019-2022, Rs 14 lakhs
2. A comparative study to evaluate the efficacy of Idefenone in comparison with placebo in Leber's Hereditary Optic Neuropathy patients-A Pilot study, Swati Phuljhele Aalok, AIIMS, 2 years, 2018-2020, Rs 4.32 lakhs per year
3. A Multicentre, randomized, double masked, active-controlled, comparative clinical study to evaluate the efficacy and safety of MYL-1701P and Eylea in Subject with Diabetic Macular Edema MYL-1701P-3001, Rajpal, Mylan Inc, September 2019
4. A Phase IV Controlled Clinical Study to Compare the Efficacy and Safety of Cyclosporine (0.05%) Ophthalmic Emulsion against RESTASIS® in Subjects with Moderate to Severe Keratoconjunctivitis Sicca. Namrata Sharma,

New India Biopharma, 1 year, 2019-2020, Rs 4.83 lakhs

5. A pivotal Phase II/III- Randomized double masked sham controlled trial of QPI-007, Rohit Saxena, Quark Pharma, 2017-2019, Rs 32 lakhs
6. A Study of Demographic, Familial, Biochemical & Genetic Pattern of Keratoconus patients in a hospital based Indian Population. JS Titiyal, CSIR, 2020-2022 Rs 30 lakhs
7. A Sustainable Model for Comprehensive Outreach Eye Care Service for underserved population in Delhi Slums and resettlement colonies, Praveen Vashist, Deepalaya, 5 years, 2018-2022, Rs 125.1 lakhs
8. A Sustainable Model for Comprehensive Outreach Eye Care Service in NCR, Praveen Vashist, Deepalaya, 5 years, 2017-2022, Rs 77.12 lakhs
9. A Sustainable Model for Comprehensive Outreach Eye Care Service in NCR, Praveen Vashist, Hero Motocorp, 5 years, 2018-2021, Rs 37.04 lakhs
10. An Operational Research on Developing Disability Inclusive Eye Health Program in India, Radhika Tandon, Christoffel Blind Mission (CBM), 3 years, 2019-20, Rs 37.61 lakhs
11. An Operational Research on Developing Disability Inclusive Eye Health Program in India, Suraj Singh Senjam, Christoffel Blind mission (CBM), 3 years, 2015-2021, Rs 22.54 lakhs
12. Association of Novel genetic variations with Juvenile onset open angle glaucoma Viney Gupta, ICMR, 2018-2021, Rs 38 lakhs
13. CBM-RPC Disability Eye Health Programme and Strengthening of LV and rehabilitation services, Rohit Saxena, CBM, 2015-2020, Rs 12.42 lakhs
14. Clinical and Epidemiological Profile of Polypoidal Choroidal Vasculopathy (PCV) in a Tertiary Centre, Atul Kumar, AIIMS-IIT, 2 years, 2018-2020
15. Clinical Evaluation and Efficacy for study of Early Generation Gas Permeable Corneal Refractive Therapy Contact Lens for Myopia in Indian Population. JS Titiyal, Vsquare Medi Enterprises, India, 2018-2021, Rs 16 lakhs
16. Comparative evaluation of 0.1% Sodium Hyaluronate drops versus 0.5% carboxy methyl cellulose (CMC) in cases of Steven Johnson Syndrome (SJS) ocular sequelae: A randomized controlled pilot study. Namrata Sharma Microlabs 1 year 2019-2020, Rs 2.67 lakhs
17. Comparative evaluation of 0.1% Sodium Hyaluronate drops versus 0.5% carboxy methyl cellulose (CMC) in cases of Dry eye Disease: A randomized controlled pilot study. Namrata Sharma, Microlabs, 1 year, 2019, Rs 1.22 lakhs
18. Comparative evaluation of combined 0.03% chloroquine phosphate with 0.1% olopatidine drops versus 0.1% olopatidine drops alone in cases of allergic keratoconjunctivitis, Namrata Sharma, FDC Ltd, 1 year, 2018-2019, Rs 10.50 lakhs
19. Comparative evaluation of efficacy of conjunctival stem cell transplantation with cultivated oral mucosal epithelial transplantation in patients with bilateral cicatrizing ocular surface diseases” i.e Steven Johnson syndrome & chemical burns, Radhika Tandon, DBT, 3 years, 2017-2020, Rs 21.05 lakhs
20. Comprehensive primary eye care services in rural areas of Delhi/DJJS, Praveen Vashist, Divya Jyoti Jagrati Sansthan, 4 years, 2016-2020, Rs 34.74 lakhs
21. Correlation between outdoor activity as measured by UV radiation exposure and myopic refractive error in school going children in New Delhi, Rohit Saxena, Orbis, 1.5 years, 2019-2020, Rs 10 lakhs
22. Correlation between outdoor activity as measured by UV radiation exposure and myopic refractive error in school going children in New Delhi, Rohit Saxena, ORBIS, 1 year, 2019-2020, Rs 10 lakhs
23. Descemet’s membrane and trabecular meshwork properties of Primary Congenital Glaucoma (PCG) with respect to Axenfeld Rieger Syndrome (ARS), Shikha Gupta, AIIMS, 2 years, 2019-2021, Rs 10 lakhs
24. Developing quality control parameters and dispensing MK Media for corneal Transplant preservation for Indian Eye banks under ministry of health, T Velpandian, MoHFW, 11 years, 2009-2020, Rs 129 lakhs
25. Development and validation of TransReCon technique for sterile pharmaceutical preparation, T Velpandian, BIRAC (BIG GRANT), Venture Centre, 18 months, 2019-2021, Rs 28.3 lakhs
26. Development of a culturally appropriate health literacy instrument and assessing its validity in Hindi speaking patients receiving general and primary eye care services in New Delhi, Vivek Gupta, AIIMS, 4 years, 2016-2020, Rs 9.96 lakhs
27. Differential role of Pigmentation Markers with the Tumor- Associated Macrophages in Uveal Melanoma, Seema Kashyap, ICMR, 3 years, 2019-2022, Rs 35 Laes
28. Disability Inclusive eye health program in Strengthening of Low Vision and Rehabilitation Services, Radhika Tandon, Christoffel Blind Mission (CBM), 5 years, 2019-20, Rs 10 lakhs
29. Early Macular Reconstruction in Proliferative Diabetic Retinopathy, Atul Kumar, 2 years, 2018-2020

30. Efficacy of prophylactic use of Intracameral Moxifloxacin 0.5% in prevention of post-cataract surgery endophthalmitis in North India: A randomized Control trial. Namrata Sharma, Cipla Ltd, 1 year 2 months, 2018-2020, Rs 24.5 lakhs
31. Epidemiological Study of avoidable blindness in India, Praveen Vashist, MoHFW, 5 years, 2015-2020, Rs 528 lakhs
32. Evaluation of Genetic basis of Congenital Hereditary Endothelial Dystrophy (CHED) by characterization of the effect of homozygous and compound heterozygous SLC4A11 mutations in CHED patients and clinical phenotyping of mutation positive and negative cases, Radhika Tandon, AIIMS, 2 years, 2018-2020, Rs 5 lakhs
33. Exome sequencing based detection of novel and causal mutation(s) associated with juvenile onset open angle glaucoma (JOAG), Viney Gupta, DRDO, 3 years, 2017-2020, Rs 68 Lakhs
34. Exploring the role of endocannabinoids in primary adult glaucoma, Dewang Angmo, AIIMS, 2 years, 2017-2019, Rs 9 lakhs
35. Identification and Characterization of Molecular Targets in Orbital Tumors: Basis of innovative therapeutic strategies, Seema Sen, UGC, 5 years, 2017-2022, Rs 33 lacs
36. Identification of Novel Transcripts and Non-Coding RNA in Fuchs' Endothelium Corneal Dystrophy (FECD). JS Titiyal, SERB-DST, 2017-2020 Rs72,00,000/-
37. Mapping of Human Resource & Infrastructure for Pediatric eye care services in India, Praveen Vashist, ORBIS, 9 months, 2020, Rs 25 lakhs
38. Mitochondrial Genome Variants and Maternal Inheritance in the Pathogenesis of Juvenile-onset Primary Open Angle Glaucoma, Jasbir Kaur, SERB, DST, 3 years
39. Multi Centric Study of Impact of exposure of Ultra Violet Radiation (UVR) & aerosol exposure on ocular health in India Phase-II, Radhika Tandon, ICMR, 5 years, 2018-2023, Rs 90 lakhs
40. Multi Centric study of Impact of exposure of Ultra Violet Radiation (UVR) & aerosol exposure on ocular health in India, Radhika Tandon, ICMR, 5 years, 2018-2022, Rs 428.42 lakhs
41. Novel chemoport for ocular drug delivery, Rohan Chawla, AIIMS-IIT, 2 years, 2019-2021, Rs 10 lakhs
42. Patterns and pathways of care seeking for cataract and common ocular morbidities and impact of local volunteers on the pathways among urban vulnerable population settings of West Delhi, Vivek Gupta, Swami Sivananda Memorial, 2 years, 2017-2020, Rs 20 lakhs
43. Prospective audits of the phenotype, causes and correlates of Trichiasis: A WHO Trachoma Collaborative Study, Noopur Gupta, WHO, 1 year, 2019-2020, Rs 5.92 lakhs
44. Prospective audits of the phenotypes, causes, correlates of trichiasis-WHO Trachoma Collaborative Study, Noopur Gupta, WHO, 1 year, 2019-2020, Rs 5.2 Lakhs
45. Prospective Long-Term Evaluation of Posterior Capsule and Intraocular Lens Dynamics with IOL Vivinex Inset XY1, Hoya Surgical Ltd, 3 years, 2018-2021, Rs 17.10 lakhs
46. Rationalizing the development of newer intravitreal agents/formulations for diabetic neovascular conditions, T Velpandian, Saksin Lifesciences, 1 year, 2018-2019, Rs 18 lakhs
47. Rationalizing the usage of extemporaneously prepared topical solution of piperacillin and tazobactam combination based on their ocular kinetics, Nabanita Halder, AIIMS, 1 year, 2018-2019, Rs 4.5 lakhs
48. Role of 3D Heads-up Digitally Assisted Vitreoretinal Surgery (DAVS) in Primary and Recurrent Rhegmatogenous Retinal Detachment with Proliferative Vitreoretinopathy - A Prospective Randomised Trial. Atul Kumar, AIIMS-IIT, 2 years, 2018-2020
49. Role of circulating endothelial progenitor cell markers in human retinoblastoma, Jasbir Kaur, AIIMS, 2 years
50. Role of Low dose heparin eye drops in chronic ocular cases of Steven Johnson Syndrome (SJS) and its correlation with immune pathway gene expression: A randomized controlled trial, Namrata Sharma, ICMR, 3 years, 2019-2022, Rs 47 lakhs
51. Role of miRNA in corneal graft rejection, Namrata Sharma, CSIR, 3 years, 2019-2020, Rs 25 lakhs
52. Safety and Efficacy of the Presbyopia IPCL for correction of Presbyopia with Moderate Myopia and Hyperopia, JS Titiyal, Care Group, 2018-2021, Rs 41.95 lakhs
53. Species identification, antifungal susceptibility profile and biofilm formation of Rhodotorula species isolates from ocular infections, Nishat Hussain Ahmed, AIIMS, 1 year, 2019-20, Rs 5 lakhs
54. Strengthening of Low Vision and Rehabilitation Services, Suraj Singh Senjam/Praveen Vashist, Christoffel Blindenmission (CBM), 1 year, 2018-2021, Rs 15.45 lakhs
55. TB DNA RNA in presumed ocular tuberculosis, Rohan Chawla, AIIMS, 2 years, 2018-2020, Rs 9 lakhs
56. To evaluate the effect of increased outdoor activity on the incidence and progression of myopia in school children, Rohit Saxena, DST, 4 years, 2016-2020, Rs 31.10 lakhs
57. To evaluate the effect of increased outdoor activity on the incidence and progression of myopia in school children,

- Praveen Vashist, DST, 4 years, 2016-2020, Rs 48.63 lakhs
58. To evaluate the effect of low dose atropine eye drops for childhood myopia, Rohit Saxena, Entod Pharma, 3 years, 2019-2022, Rs 16 lakhs
  59. To generate feasibility data (for human clinical trial) of Bio engineered cornea (for potential clinical application in keratitis patients-An In-Vitro Study, Radhika Tandon, AIIMS, 2 years, 2019-20, Rs 5 lakhs
  60. To Investigate the Molecular Mechanisms of Keratoconus amongst Indian Subjects. Prof. JS Titiyal, ICMR, 2018-2021, Rs 70 lakhs
  61. Transcriptome profiling in Trabecular meshwork of Juvenile onset Open Angle glaucoma patients by RNA Sequencing Viney Gupta, ICMR, 3 years, 2019-2022. Rs 111 lakhs
  62. Tumor DNA Sampling From Aqueous Humor In Retinoblastoma, Rachna Meel, AIIMS, 1 year, 2019-2020, Rs 5 lacs
  63. Vision Screening and Eyeglasses Dispensing Program for Students in Delhi Schools, Praveen Vashist, Vision Spring, 1 year, 2017-2019, Rs 6.4 lakhs

### **Completed**

1. A 12 months, phase III, randomized, double-masked, multi-centre active-controlled study to evaluate the efficacy and safety of two individualized regimens of 0.5 mg ranibizumab vs. Verteporfin PDTG in patients with visual impairment due to choroidal neovascularization secondary to pathologic myopia, Rajpal, Novartis Health Care Private Limited, 2 years, 2015-2017
2. A Sustainable Model for Comprehensive Outreach Eye Care Service for underserved population, Praveen Vashist, Sparsh, 3 years, 2018-2020, Rs 39.42 lakhs
3. Assistive Technology Study, Senjam Suraj singh, Commonwealth Eye Health Consortium UK, 1 year, 2017-2018, Rs 2lakhs
4. Cascade screening of family members of JOAG patients, Viney Gupta, ICMR, 3 years 2015-2018, Rs 45 lakhs
5. Diabetic Retinopathy: An Epidemiological Study of its Risk Factors and Biological Markers in Delhi, Atul Kumar/ Praveen Vashist, MoHFW, 2 years, 2017-2020, Rs 109.25 lakhs
6. Establishment of Multiplex PCR for Detection of Herpes Simplex Viruses Type 1 and Type 2, Cytomegalovirus, Varicella-Zoster Virus and Adenovirus in Ocular Viral Infections, Nishat Hussain Ahmed, AIIMS, 2016-2018, Rs 7.7 lakhs
7. Evaluation of role Eplerenone as an adjunct to Photodynamic therapy in Central Serous Chorioretinopathy: An open label randomized control trial, Atul Kumar, AIIMS, 2 years, 2017-2019
8. Exploring the role of tumor microenvironment in retinoblastoma, Rachna Meel, AIIMS, 1 year, 2018-2019, Rs 5 lakhs
9. High-resolution Photoreceptor and Microvascular Imaging Using Adaptive Optics Fundus Camera and OCT-angiography in Early Stages of Diabetic Retinopathy, Atul Kumar, AIIMS, 2 years, 2017-2019
10. In vivo Based QSPR model for the In-Silico Prediction of Drugs Penetrating Through Blood Retinal Barriers for High-throughput Ocular Drug Development, T Velpandian, DBT, 3 years, 2015-2019, Rs 51 lakhs
11. Molecular and mutational studies in the uveal melanoma and their correlation with clinicopathological parameters, Neelam Pushker, ICMR, 3 years, 2018-2020, Rs 30 lakhs
12. Operational Research project on strengthening integrated primary eye care in urban vulnerable populations of Delhi, Praveen Vashist, Sightsavers, 3 years, 2016-2019, Rs 163.74 lakhs
13. RAINBOW Study: A randomized, controlled study evaluating the efficacy and safety of RAInbizumb compared with laser therapy for the treatment of INfants BOrn prematurely with retinopathy of prematurity, Rajpal, Novartis Health Care Private Limited, 2016-2018
14. TB DNA RNA in presumed ocular tuberculosis, Rohan Chawla, AIIMS, 2 years, 2018-2020, Rs 9 lakhs

### **Departmental projects**

#### **Ongoing**

1. Community based operational research study on involvement of Accredited Social Health Activists (ASHAs) in strengthening Primary Eye Care services for Urban Vulnerable Population of Delhi
2. Epidemiological Study on Childhood Visual Impairment in Delhi
3. A comparative double-arm randomized controlled study to assess the effect of Evolve™ Pure Eyelid wipes in subjects with meibomian gland dysfunction
4. A Multicentre, randomized, double masked, active-controlled, comparative clinical study to evaluate the efficacy

- and safety of MYL-1701P and Eylea in Subject with Diabetic Macular Edema
5. A Population based study to assess the prevalence of glaucoma in Delhi
  6. An ambispective study of profile, gaps in care and outcomes in Stage 5 Retinopathy of prematurity
  7. An ambispective study of profile, gaps in care and outcomes in stage 5 ROP.
  8. Anatomical and functional outcomes of drainage through posterior retinotomy versus PFCL assisted drainage through pre-existing break in vitrectomy for rhegmatogenous Retinal detachment.
  9. Anatomical and functional outcomes of drainage through posterior retinotomy versus PFCL assisted drainage through pre-existing break in vitrectomy for rhegmatogenous Retinal detachment.
  10. Anti-Fungal susceptibility testing in fungal keratitis
  11. Assessment of different tonometers for IOP measurement in Post LASIK patients
  12. Assessment of Outdoor Ultraviolet Light Exposure and Serum Melatonin levels in Young Myopes
  13. Assessment of the extent of environmental exposure of potential endocrine disruptor (Bisphenols) in the waters of Delhi/NCR
  14. Association of Hippo pathway with pigmentation in the tumor microenvironment of uveal melanoma and its clinical relevance
  15. Automated detection of ROP and Quantification of Plus Disease
  16. Bacteriological profile of Central Line Associated Blood Stream Infections, with specific reference to biofilm formation and resistance pattern, and their correlation with response and outcome.
  17. Baseline and Post Neoadjuvant Chemotherapy Imaging of Optic Nerve in Extraocular Retinoblastoma. Can MRI Predict Prognosis?
  18. Characterization of Renal Cell Carcinoma with Dual Energy Computed Tomography and Multiparametric Magnetic Resonance Imaging and Correlation with Histopathology.
  19. Clinical and epidemiological profile of PCV in a tertiary centre.
  20. Clinical outcomes of retropupillary Iris claw IOL fixation in pediatric age group.
  21. Clinical performance and ocular surface homeostasis study with gas permeable scleral contact lens for ocular surface disease.
  22. Community based assessment of disability among adult population of Delhi using WHO-ICF
  23. Comparative evaluation of corneal biomechanical aberrations following corneal cross linking between thin corneas vs corneas with thickness >400 microns in patients with keratoconus
  24. Comparative evaluation of corneal characteristics in eyes of Primary Congenital Glaucoma and Axenfeld-Rieger Syndrome.
  25. Comparative evaluations of different formulations of liposomal amphotericin B for the treatment of fungal keratitis
  26. Comparative profile of early vs late onset primary angle closure glaucoma
  27. Comparing the efficacy and safety of ketamine and dexmedetomidine in bariatric surgery without the use of opioids; A randomized clinical trial.
  28. Comparison of iCare ic200 and Perkin tonometry in paediatric glaucomas
  29. Comparison of Recovery Characteristics With Desflurane And Sevoflurane In Preterm And Ex-Preterm Infants Undergoing Retinopathy Of Prematurity Surgery: A Prospective Randomized Study
  30. Comparison of serum and vitreous biomarker in patients of Type-1 and Type-2 Diabetes Mellitus with Diabetic Retinopathy.
  31. Correlation of AS OCT changes in trabecular meshwork with SLT outcomes among JOAG
  32. Correlation of light microscopic features of the trabecular meshwork in different glaucomas with baseline IOP
  33. Determinants of Optic disc morphometry among JOAG patients
  34. Dual energy computed tomography and magnetic resonance imaging in the evaluation of chronic pancreatitis.
  35. Effect Of Low Dose Ketamine On Inflammatory Markers and On Perioperative Analgesia In Patients Undergoing Laparoscopic hernia surgery -A prospective, randomized, comparative study
  36. Endocyclophotocoagulation in refractory glaucoma
  37. Epidemiology of Pediatric Blindness
  38. Estimation of rate of progression and projected life time risk of blindness among JOAG patients
  39. Evaluation of anisometropia & amblyopia risk factor in congenital nasolacrimal duct
  40. Evaluation of combined resection & recession of same muscles in patient with near distance disparity.

41. Evaluation of corneal tomography and Biomechanics following Intrastromal Lamellar Keratoplasty in Keratoconus
42. Evaluation of Donor characteristics and Graft Outcomes of corneal transplant from multi organ donors and cadaveric donors under hospital cornea retrieval program
43. Evaluation of effect of refractive error correction on quality of life in school going children
44. Evaluation of Frontalis Sling Surgery using Silicone Rod in Single Triangle versus Pentagonal configuration for the correction of Congenital Ptosis
45. Evaluation of levator plication as compared to frontalis sling surgery in severe congenital ptosis
46. Evaluation of levels of topical atropine in aqueous humour and vitreous humour- A pilot study
47. Evaluation of medical therapy vs surgical therapy in primary adult glaucomas
48. Evaluation of Optical Coherence Tomography-Angiography (OCT-A) Changes in Non Arteritic Anterior Ischemic Optic Neuropathy (NAION)
49. Evaluation of PPMB in various types of optic neuropathy
50. Evaluation of risk factors causing Residual Refractive Error in Corneal Refractive Surgery.
51. Evaluation of the effects of Trabeculectomy on Corneal Topography, aberrometry, Biomechanics, and Ocular Surface
52. Evaluation of the involvement of phthalates in the development of insulin resistance using cell culture experiments
53. Evaluation of the role of Intralesional Bleomycin in Periocular and adnexal vascular lesions.
54. Evaluation of the role of RPE/BM angle as a definitive marker of true papilledema using spectral domain OCT
55. Exploring the application of artificial intelligence in differentiating developmental variants of Anterior Segment Dysgenesis presenting with infantile corneal opacities
56. Gene expression profiling in retinopathy of prematurity
57. Genomic alterations among JOAG patients
58. Genomic alterations in juvenile open angle glaucoma
59. Imaging and functional outcomes post vitrectomy at differential Air infusion pressure
60. Intra-operative monitoring of cerebral oxygen saturation using Near Infra-Red Spectroscopy (NIRS) and Assessment of risk factors for Low cerebral oxygen saturation in preterm and very preterm infants with Retinopathy of prematurity during Vitreo retinal surgeries: An observational prospective study.
61. Intraoperative monitoring of cerebral oxygen saturation using near infrared spectroscopy (NIRS) and assessment of risk factors for low cerebral oxygen saturation in preterm and very preterm infants with retinopathy of prematurity during vitreoretinal surgeries: an observational prospective study.
62. In vivo Based QSPR model for the In-Silico Prediction of Drugs Penetrating Through Blood Retinal Barriers for High-throughput Ocular Drug Development
63. Lenticular changes with use of statins- A Hospital based prospective cohort study
64. Long term outcomes of Optic Capture in Pediatric Traumatic Cataracts due to Open Globe Injuries.
65. Longitudinal Comparison of Tablet based perimetry with Humphery Analyser among Paediatric glaucomas
66. Macular imaging in Glaucoma suspects and Early glaucoma
67. Metabolomic and pharmacogenomic evaluation of glaucoma therapy
68. Molecular alterations in Glaucoma
69. Molecular Characterization of Malignant Lacrimal Gland Tumors
70. Molecular Characterization of NFκB pathway in Uveal Melanoma.
71. Molecular insights into complications of Basal Ganglia Calcification with respect to Idiopathic Hypoparathyroidism
72. Molecular mechanism of melanogenesis pathway in uveal melanoma
73. Notch signalling deregulation in lacrimal gland tumors.
74. OCT angiography in POAG and PACG
75. Ocular Surface evaluation in Vernal Keratoconjunctivitis
76. Optic disc Morphometry among eyes with BRVO
77. Optical coherence tomography angiography in primary open angle glaucoma and primary angle closure glaucoma
78. Outcomes of keratoplasty in trachomatous keratopathy
79. Outcomes of primary ranibizumab vs laser for treatment of zone 2 Type 1 ROP
80. Pilot study to evaluate efficacy of subthreshold micropulse laser (577nm) in cases of central serous chorioretinopathy.

81. Pilot study to evaluate efficacy of subthreshold micropulse laser (577nm) in cases of non-resolving centre involving DME
82. Pneumatic vitreolysis vs pars plana vitrectomy in vitreomacular traction syndrome.
83. Predicting visual field deterioration based on progression analysis
84. Prevalence of glaucoma in patients having diabetic retinopathy
85. Prevalence of Visual disability among juvenile onset open angle glaucoma patients
86. Prospective pilot study comparing subtenon triamcinolone and intravitreal Methotrexate in Uveitis
87. Psychosocial impact of paediatric strabismus on caregivers and the effect of strabismus
88. Pulmonary arterial velocity time integral and effect of sigh breaths in predicting fluid responsiveness in acute circulatory failure
89. Role of 3D Heads up Digitally Assisted Vitreoretinal surgery in primary and recurrent rhegmatogenous retinal detachment with proliferative vitreoretinopathy – a prospective randomized trial
90. Role of anti-VEGF post vitrectomy in stage 4 ROP
91. Role of tacrolimus eye ointment in chronic VKC
92. Role of ultrasound and advanced MRI in evaluation of prostate cancer
93. Severity of Congenital glaucoma among Consanguineous births
94. Steroids in persistent diabetic macular edema
95. STL for CSR
96. STL for diabetic macular oedema
97. Study of Congenital Hereditary Endothelial Dystrophy Patients with and without SLC4A11 gene mutation
98. Study of Tear Film and Ocular Surface Changes after long term use of rose K lenses in patients with keratoconus
99. Study of the effect of red tinted filters on colour discrimination in congenital colour vision deficiency
100. Surgical outcomes of Anti-VEGF with vitrectomy in stage 4 ROP
101. To comparatively evaluate corneal characteristics in eyes of Primary Congenital Glaucoma and Axenfeld-Rieger Syndrome
102. To compare the Extrusion Rate of Silicone implant Versus PMMA (Mule's) Implant following Myoconjunctival Technique of Enucleation - A Randomised Control Trial.
103. To compare the outcomes of 0.1mg vs 0.25mg Intravitreal Ranibizumab in Aggressive Posterior Retinopathy of Prematurity.
104. To Compare the Outcomes of Laser vs Combined Laser & Ranibizumab in Threshold Retinopathy of Prematurity
105. To determine the association between altered cerebral blood flow in the frontal cortex during sevoflurane anaesthesia and incidence of postoperative emergence delirium in children: an fNIRS based observational study.
106. To study the outcomes of immediate sequential bilateral vitreo retinal surgery (isbvs) in advanced ROP
107. To study variable gene expression of collagen and associated degradative enzymes present in human vitreous in patient with myopia worth is normal population
108. Topical autologous platelet lysate drops for severe dry eye disease in chronic ocular graft versus host disease (GVHD)
109. Topo guided custom ablation treatment in the management of post keratoplasty astigmatism
110. Ultrasound guided costoclavicular block in paediatric population: A prospective observational study
111. Ultra-wide field Indocyanine green angiography in central serous Chorioretinopathy
112. Understanding the drug transporter functions in blood ocular barriers during ocular inflammation in the experimental model of uveitis.

### ***Completed***

1. A comparative study of Panretinal photocoagulation using PASCAL and conventional Laser
2. Bleb morphology among JOAG patients
3. Characterization of secondary/ idiopathic choroidal neovascular membranes and their response to anti- VEGF therapy using optical coherence tomography angiography.
4. Clinical Profile of Normal pressure juvenile glaucomas
5. Combined mechanism glaucoma: A Comparative evaluation with POAG and PACG
6. Combined resection-recession in true divergence excess sensory exotropia.

7. Comparative Evaluation of Levels of Dopamine in Vitreous and Tears among Cases of Myopic Retinal Detachment and Non Myopic Retinal Detachment- A Pilot Study
8. Comparative evaluation of SF6 versus partial air tamponade on structural and functional outcomes of epiretinal membrane surgery.
9. Comparison of 3 intravitreal drugs for endophthalmitis
10. Comparison of OCTA and fluorescein angiography in patient of diabetic retinopathy
11. Comparison of time to intubate and intubation conditions with CMAC Miller blade size1 and CMAC Macintosh blade size 2 in paediatric patients– A Prospective randomized controlled study
12. Comparison of Ultrasound guided femoro-sciatic nerve block versus epidural analgesia for post-operative analgesia following excision of knee tumours- A randomized control study
13. Corneal Changes in Diabetes
14. Correlation of 360 degrees Cassia ASOCT parameters with clinical parameters in PAC and PACG
15. Correlation of Antibiotic Resistance patterns of Ocular bacterial isolates and Antibiotic use in patients admitted to hospital- A step towards Antimicrobial Stewardship
16. Effect of Valproic acid in end stage glaucomas
17. Effectiveness of Citicoline as adjuvant therapy to patching in the management of amblyopia
18. Efficacy of Eplerenone in polypoidal choroidal vasculopathy.
19. Evaluating vitreous seed regression using intravitreal melphalan in combination with standard intravenous chemotherapy for persistent/partially regressing vitreous seeds in group c and d retinoblastoma
20. Evaluation of efficacy of silicone intubation after probing with adjunctive mitomycin-c in adults with primary acquired nasolacrimal duct obstruction
21. Evaluation of medical therapy vs surgical therapy in chronic primary adult glaucomas
22. Evaluation of Mitomycin-c in Anophthalmic contracted socket reconstruction with Mucous membrane grafting
23. Evaluation of the role of Intralesional Bleomycin in Orbital Lymphangioma
24. Imaging and Intervention in Pediatric Budd Chiari Syndrome
25. In vivo Trabecular meshwork morphology in congenital glaucoma, juvenile and adult onset open angle glaucoma
26. Multimodal retinal imaging of eyes with metamorphopsia after retinal detachment surgery.
27. Outcomes of selective laser trabeculoplasty among juvenile open angle glaucoma
28. Predicting visual field deterioration based in progression analysis
29. Prognostic predictor and surgical outcomes of cataract surgery in pediatric uveitis
30. Prospective Observational Study of Cases of Aggressive Posterior Retinopathy of Prematurity (APROP) and Zone 1 Retinopathy of Prematurity.
31. Prospective observational study of cases of APROP and zone 1 ROP.
32. Prospective observational study to validate IOL power using optiwave refractive analysis (ORA) system & compare it with conventional IOL power calculation methods
33. Serum Procalcitonin, Interleukin-6 and sTREM-1 as diagnostic and prognostic markers in sepsis in Intensive Care unit
34. Species identification and determination of virulence factors of Coagulase negative Staphylococci in ocular infections
35. Study of posterior corneal astigmatism in normal and post refractive surgery corneas
36. Surgical outcomes of sutureless clear corneal microincision vitrectomy surgery in end stage 5 ROP
37. To characterize treatment Naive Choroidal Neovascular Membranes Using Optical Coherence Tomography-angiography
38. To study the outcomes of immediate sequential Bilateral ROP surgery
39. To study the predictors for surgical outcomes in stage 4A retinopathy of prematurity
40. Use of advanced genomics in Microbiology of culture negative infections

### **Collaborative projects**

#### ***Ongoing***

1. A comparative study to evaluate the efficacy of idebenone in comparison with placebo in Leber's Hereditary Optic Neuropathy patients-A pilot study', Ophthalmology
2. A Randomized controlled trial to evaluate the effect of low dose atropine eye drops for childhood myopia,

## Ophthalmology

3. Analysing levels of cytokines in tears of keratoconus patient population. Ophthalmology
4. Antifungal susceptibility testing in fungal keratitis Ophthalmology
5. Autologous fat grafting for the correction of cicatricial ectropion, Dermatology
6. Baseline and Post Neoadjuvant Chemotherapy Imaging of Optic Nerve in Extraocular Retinoblastoma. Can MRI Predict Prognosis? IRCH
7. Bortezomib in plasma with multiple myeloma, Pharmacology
8. Clinical Significance cancer stem cell markers and its proteins in different grades of Astrocytoma Ophthalmology
9. Clinicopathological Significance of Melanogenesis in Uveal Melanoma Ophthalmology
10. Community based assessment of disability among adult population of Delhi using WHO International Classification of Functioning, Physical Medicine, ENT
11. Comparative Evaluation of 0.1% Sodium Hyaluronate Drops Versus 0.5% Carboxy Methyl Cellulose (CMC) in chronic ocular sequelae of SJS: A randomized Controlled Pilot Study Ophthalmology
12. Comparative evaluation of 26 gauge needle versus Kimura spatula for corneal scraping in infective keratitis: a randomized controlled trial Ophthalmology
13. Comparative evaluation of different formulations namely sonicated gel form, unsonicated drop and sonicated drop of liposomal Amphotericin B for the Treatment of Fungal Keratitis. Ophthalmology
14. Comparative evaluation of dopamine levels in vitreous humor and tears among the cases of myopic retinal detachment and non-myopic retinal detachment- A pilot study (Dr Rohit Saxena) Ophthalmology/AIIMS
15. Comparison of nucleosomes and tissue inhibitor of metalloproteinase1 in predicting sepsis severity and mortality in adult critically ill patients: a pilot study, Anesthesiology
16. Correlation of Levator Muscle Thickness on UBM with response to Botulinum toxin injection in patients with Severe Eyelid Retraction due to Thyroid Eye Disease, Endocrinology
17. C-phycoerythrin from Spirulina using LC-MS/MS, DRDO
18. Detection of Mycobacterium Tuberculosis DNA and RNA from Vitreous/aqueous of cases of Definite and Presumed Ocular Tuberculosis Ophthalmology
19. Effect of ACE inhibitor on plasma levels of norepinephrine, Physiology
20. Effect of Garlic extract in mice model of chronic pancreatitis, Anatomy
21. Efficacy of low dose versus standard regimen of oral betamethasone pulse therapy in rapidly progressive vitiligo: A randomized controlled trial. Dermatology
22. Efficacy of Pulse Dexamethasone in addition to standard therapy alone in children with Juvenile Idiopathic Arthritis: A double blind randomised controlled trial Pediatrics
23. Efficacy of three different antiseptic solutions in neonates admitted in NICU: A randomised non-inferiority trial, Pediatrics
24. Efficacy of two different Chlorhexidine Gluconate Preparation for skin antisepsis in neonates, Pediatrics
25. Establishing a Technical Support Unit (TSU) for Verbal Autopsy based Cause of Death Ascertainment in the Sample Registration System, Registrar General of India, Registrar General of India
26. Estimation of ceramides in autosomal recessive congenital ichthyosis, Dermatology
27. Estimation of Drug Quantity of anticancer drugs/antibiotics in marketed formulations, IRCH
28. Estimation of Neurotransmitters & Metabolites in epileptic brain tissues, Neurosurgery
29. Estimation of neurotransmitters, metabolites and phospholipids from epileptic brain tissues, Neurosurgery
30. Evaluating ocular motion as a tool for characterizing visual field defects, IIT Delhi
31. Evaluation of Corneal Concentration of Antifungal Drugs and Its Correlation with Minimum Inhibitory Concentration (MIC) Values in Cases Undergoing Therapeutic Penetrating Keratoplasty Ophthalmology
32. Evaluation of cystinosis by estimating leukocyte cystine, Pediatrics
33. Evaluation of donor characteristics and graft outcomes of cornea transplant from multi-organ donors and cadaveric donors under HCRP Ophthalmology
34. Evaluation Of Factors Affecting the Outcome Of Optic Nerve Sheath Fenestration Surgery (ONSF) In Patients With Idiopathic Intracranial Hypertension (IIH), Neurology
35. Evaluation of Genetic basis of Congenital Hereditary Endothelial Dystrophy (CHED) by characterization of the effect of homozygous and compound heterozygous SLC4A11 mutations in CHED patients and clinical phenotyping of mutation positive and negative cases

36. Evaluation of the outcome of Intralesional Bleomycin in orbital lymphangioma Ophthalmology
37. Exploring the role of endocannabinoids in primary glaucoma, Ophthalmology
38. Exploring the Role of Tumor Microenvironment in Retinoblastoma Ophthalmology
39. Exploring the tryptophan metabolism via kynurenine pathway and correlation with clinical outcome in keratoconus and Fuchs corneal dystrophy patients undergoing corneal transplantation Ophthalmology
40. Hormonal response during oscillatory lower body negative pressure, Physiology
41. Identification of endothelial progenitor cell markers in RB Ocular Biochemistry
42. Identification of endothelial progenitor cell markers in RB Ophthalmology
43. Micro RNAs as Novel Biomarkers for the prediction of corneal graft rejection. Ophthalmology
44. Molecular and Mutational Studies in the Uveal Melanoma and their correlation with Clinicopathological Parameters Ophthalmology
45. Pharmacokinetics of Abiraterone levels with food, Pharmacology
46. Pharmacokinetics of second-line anti-tubercular drugs in children, Pediatrics
47. Phospholipids estimation resected brain tissue samples, Biophysics
48. Plasma Drug levels of Isoniazid, Ethambutol, Rifampicin and Pyrizinamide, Microbiology
49. Psychosocial factors among patients undergoing orbital exenteration, Psychology and Dental
50. Quantification of Sphingolipids in Human umbilical veins, Biochemistry
51. Serum Benzathine Penicillin G levels in Indian Children and adolescence with Rheumatic heart disease, Pediatric Cardiology
52. SNOMED-CT: NRCeS – Development of National Drug Repository database, MoHFW & C-DAC Pune
53. Study of endothelial progenitor cell (EPC) tetrahydrobiopterin (BH4) levels and its association with EPC number and function in coronary artery disease (CAD) patients. Cardiac Biochemistry
54. Study of Lipid Metabolism in Ocular Malignancies Jamia Milia
55. Study of Ocular Microbial flora in contact lens wearers using metagenomics Ophthalmology
56. Study on Health-Related Quality of Life and Costing of cataract surgery for treatment of age-related cataract in India, DHR, ICMR
57. Sustainable model for orientation and mobility among students with visual disability in schools for the blind, PMR
58. Targeting PD-1/PD-L1 Pathway in Ocular Malignancies as a New Paradigm for Immunotherapy Jamia Milia
59. The pattern of visual impairment in spectrum of hypoxic ischaemic encephalopathy Ophthalmology
60. To estimate the 8-Oxo-dg and 8-Oxo-Guo in plasma, Pulmonary Medicine
61. To estimate the levels of N-Carboxymethyl lysine, arginine and Di-tyrosine in autistic children, Pediatrics
62. To Evaluate the effects of a preoperative carbohydrate drink on postoperative vomiting in paediatric strabismus surgery: A randomised controlled observer blinded trial, Anaesthesiology
63. To generate feasibility data (for human clinical trial) of Bio engineered cornea (for potential clinical application in keratitis patients) - An In-Vitro Study, IIT Delhi
64. To study Nilotinib Drug interaction with fatty acid meal, IRCH
65. To study the association of tetrahydrobiopterin (BH4) levels in endothelial progenitor cell (EPC) with the functional activity of EPC in coronary artery disease (CAD) patients. Cardiac Biochemistry
66. To study the effect of Vitamin C and Thiamine in patients with sepsis in Indian Population, Medicine
67. To study variable gene expression of collagen and associated degradative enzymes present in human vitreous in patients with myopia vs. normal population Ophthalmology
68. Tools to Diagnose-Eye-Development and assessment of image analysis tools for identification of retinal disorders- Diabetic Retinopathy, IIT Delhi
69. Tools to Diagnose-Eye-Development and assessment of image analysis tool for identification of glaucoma, IIT Delhi
70. Traditional medicine in India and South Africa: A comparative Study. University of Delhi
71. Ultrasound Assessment of Gastric Emptying of Clear Fluids with Different Energy Content in Children: A Crossover Pilot Study. Anesthesiology

### **Completed**

1. Autologous fat transfer for orbital volume augmentation in sockets with small non-seeing eye, Dermatology

2. Assessment of outdoor ultraviolet light exposure and serum melatonin levels in young myopes, Ophthalmology
3. Comparison of three antibiotic drug regimens, Ophthalmology/AIIMS
4. Ocular Pharmacokinetics of topical Bromofenac 0.09% in cataract surgery patients, Ophthalmology
5. Pharmacological evaluation of selected Ayurvedic formulation, NMR
6. Toxicological analysis and distribution pattern of alcohol and different drugs in various biological samples and their neurobiological effects in suicidal deaths, Forensic medicine and technology
7. Therapeutic drug monitoring & evaluation of clinical response in abdominal tuberculosis, Microbiology
8. Serum & Bal Colistin Levels, Medicine
9. Estimation of Aspirin and salicylic acid in plasma of ischemic stroke patients, Neurology
10. To analyze cell bacteria lipid mixture 1 and 2, Biomedical Engineering/IIT Delhi
11. To study the microsomal stability of GDS-390S, Dept. of Chemistry /Delhi University
12. A temporal evaluation of structural and functional changes of optic nerve in acute cases of idiopathic intracranial hypertension and the impact of weight reduction on the same, Neurology
13. The spectrum of visual impairment in Hypoxic Ischemic Encephalopathy and their relationship with clinical classification, Paediatric Neurology
14. Evaluating vitreous seed regression using intravitreal melphalan in combination with standard intravenous chemotherapy for persistent/partially regressing vitreous seeds in group c and d retinoblastoma, IRCH
15. Study of Tear Film and Ocular Surface Changes after Long Term use of Rose K Lenses in Patients with Keratoconus, Ophthalmology
16. Baseline and post neoadjuvant chemotherapy imaging of optic nerve in extraocular retinoblastoma. Can MRI Predict Prognosis? (RPC), Ophthalmology
17. Role of MR guided biopsy in detection of prostate cancer, NMR
18. Retrospective Study Evaluating Correlation between Proposed MRI based Optic Nerve Staging in Extraocular Retinoblastoma with Clinical Outcome and Prospective Evaluation of Optic Nerve Enhancement without Optic Nerve Thickening, Ophthalmology
19. Effects of use of bolster and its orientation on kidney position in reference to prone percutaneous nephrolithotomy Urology

### Ocular Microbiology

S. No.	SAMPLES PROCESSED FROM 1.4.2018 TO 31.03.2019	
1	Bacterial culture & sensitivity	18131
2	Fungal culture	4892
3	Specimens processed for cytology	2570
4	Specimens processed for Chlamydia Ag detection using DFA	28
5	Specimens processed for HSV ag detection using DFA	2
6	Viral PCR for herpes simplex virus, adeno & coxsackie virus (conjunctivitis/corneal ulcer)	132
7	Specimens processed for microsporidia	17
8	Specimens processed for mycobacteria	22
9	Culture for acanthamoeba	26
10	Automated (BACTEC) culture for endophthalmitis	14
11	Broad range PCR for endophthalmitis	13
	<b>TOTAL</b>	<b>25,877</b>

### Ocular Pathology:

Blood	1,16,870
Urine	4,787
Cyto + Cyto research	2,114
Histo + Histo research	26,714
<b>Total number of Investigations</b>	<b>1,50,505</b>

**Ocular Pharmacology:**  
**Drugs Supplied/ Dispensed through Ocular Pharmacy during the year**

<u>Drug Dispensed</u>	<u>Total Vials (5ml)</u>
<b><u>1. Drugs purchased by the patient &amp; fortified at the pharmacy</u></b>	
Capsosfungine acetate 0.5%	41 vials
Colistemetate	01 vial
Acetyl Cysteine (10, 20%, 2.5%, 5%)	252 vials
Amikacin (1.3%, 2.5%,1%,5%)	22 vials
Amphotericin B (0.25, 0.15%)	57 vials
Betaxolol (0.25%)	365 vials
Cefazolin (5%)	3027 vials
Conc. Tobramycin (1.3%)	6183 vials
Mitomycin (0.02%, 0.04%)	120 vials
Pilocarpine (.125%, 0.5% , 0.25%, 1%)	89 vials
Polymixin B (20,000µ-30,000µ/ml, 50,000µ/ml) 174 vials	174 vials
Chlorhexidine	10 vials
Glycerin 10%	01 vial
Cefuroxime 5%	04 vials
PovidoneIodine 5%	01 vial
Vancomycin (5%)	3653 vials
Timolol 0.25	14 vials
Ceftazidine	48 Vials
Bevacizumab/Avastin	5928 Ampules
Interferon	239 vials
Voriconazole (1%)	1102 vials
Gentamycin 1.3%	01 vial
Cefpodoxime 100mg/kg/day sachet	14 vials
Cefuroxime 5%-	04 vials
Proparacaine (0.5%, preservative free)	03 vials
Heparin (1300 IU/ml)	03 vials
<b><u>2. Dispensed from pharmacy free of cost</u></b>	
Autologous Serum	92 vials
Artificial Tears	47977 vials
Ciprofloxacin (0.3%)	10460 vials
Corneal storage media (M.K. Media )	4222 vials
Cyclosporine2%, 1%	106 vials
EDTA (1.1%)	73 vials
Homatropine (2%)	12726 vials
Hypertonic Saline (5%)	5531 vials
Methyl Cellulose (2%)	72 L (for manf. AT + Cipro + methylcellulose)

Methyl Cellulose (2%)	595 vials
Pilocarpine (2%)	141 vials
Acetazolamide 30Mg, 10, 25, 40, 50, 60, 80mg	1055 Pkt
Sodium Ascorbate (10%)	316 vials
Sodium Citrate (10%)	354 vials
Thimerosal Solution (0.005%)	74 Lits
Tropicamide (1%)	29269 vials
Pipracillin	73 vials
Tropac+ Phenylepherine(0.5%+2.5% (ROP)	8095 Vials
Gancyclovair vials 100mg	48 vials
Gancyclovair ampoules 20mg/ml-	
PHMB	116 vials
Meropenam 5mg/ml	58 vials
Piloclonidine	198 vials
Atropine 1%	-
Atropine 2%	-
Atropine 0.01%	-
Mycophenolatemofetil-	
Sodium benzoate	28
Propranolol (Ciplar) 4mg -	
Pyroximate-	
Isoniazis-	
Ethambutol-	
Isomac-	
Diazoxide 10 mg, 12.5mg	69
Amlodipine	-
Hisone	-
Albumin	-
Glycerin 20%	1
Olopatadin	8117
RPC CMC	10
RPC Pred	10
Sodium hypochlorite (1:10)	500ml
Glycerin 50%	2 vials
<b>3. Kit items dispensed</b>	
Botox	332 ampules
Ethyl alcohol 20%	462 x 5ml
Gold chloride	91
Hydrazine Hydrate	91
Sod. Chloride 20% solution	25 ml X 2 vials

Intraocular Injection (Buffy coat)	6 vials
PRP (Autologous serum eye drops)	450 vials
Tab. Citrizen 2.5 mg	4 sachets
Tab. Acyclovir 1/8	16 sachets
Liposomal Amphoterecin B (0.15%)	03 vials
Linezolid 2%	2
Azathiaptine	-
Donalac	-
2% Sodium offoside	-
Voriconazole 25mg	63 sachets
Bind power 1gm	-
TPA (Injection, 1mg/ml)	28 ampoules
Tissue plasminogen Activator	
Infliximab Inj 10mg	-
Nasal wash (sod. Chloride 4mg)	-
K-Bind Powder (1packet)	-
Limezolin 5%	02 vials
Folicacid 0.5%	04 vials
Cilastin 5%	-
Ethyl alcohol 100%	5ml x 3vials
Xylistin 0.15%	01 vial
Formalin 10%	3 litres
Imeperam 5%	05 vials
Timolol Maleate Point 0.5%	66 ointments
Augmentin Tab. In parts	8 sachets
Cap Idebenon	180
Acyclovir 120 mg	12 sachets
Valganciclovir Tablet	85 sachets
Sirolimus Powder	28 sachets
Glibenclamide	-
Indomethacintab	-
Nitisinone Capsule	-
Lanzoprazol Tablet	-
Spiranolactone Tablet	-
L-Arginine	38 sachets
Sodium Banzoates	30 sachets
Lanolidomide Powder	20 sachets
Cindamycin 40 mg	28 sachets
Voriconazole in parts	13 pkt
Propanolol in parts	28 pkt

Valgancyclovir	39 sachets

### AWARDS, HONOURS AND SIGNIFICANT EVENTS

**Professor Rajpal Vohra** was member of expert's panel of National retinopathy of prematurity Task force with collaboration of PHFI; Member of Task Force to suggest a concrete Action Plan for early diagnosis and prompt treatment of retinal diseases in the country under National Programme for Control of Blindness (NPCB); Invited as Faculty in various National Conferences. Member of Editorial Board. DOS & DJO; Examiner for MBBS and MS for Delhi University and DNB, Examiner of Vitreo-retina Fellowship. Appointed assessor for accreditation of hospital by NBE; Member of selection board of ESIC Hospital; Chairman of Pediatric high dependency unit (IVA ward); Administrative Activities:- Member of selection Committee & DPC appointed by the Director, AIIMS, National Board of Examination. Liaison Officer SC and ST cell at AIIMS; Member of Vigilance and inquiry Committee, Store Purchase Committee, Sub- Technical committee., standing medical board, main technical evaluation committee; Co-chairman of Annual Report committee, Budget & Accounts; Chairman-Free Paper Retina Session 70th Annual DOS Conference 13th to 14th April 2019 New Delhi; Chairman-Retina Session Dos Winter conference 2018 2 and 3 November 2019 New Delhi; Co-chairman in Retina Session 1. Free Paper - Diabetic Retinopathy & Medical Retina – I 2. Free Paper - Vitreo Retinal Diseases – I 78th AIOS Conference 13 and 16 February 2020 Gurugram; Chairing Session IROP 2019 21 and 22 June 2019 Chandigarh

**Dr Vinod Kumar** was elected as Editor Delhi Journal of Ophthalmology; Assistant editor Indian Journal of Ophthalmology; IJO honor award at AIOC 2020 Gurugram; Participated in OPL and won best educational video award Annual Conference of Delhi Ophthalmological Society, 12-14 April 2019, New Delhi; Co-author of the case intraocular cyst with pearls, which was awarded case of the year Retina workshop 5-8 December, VRSI, Lucknow, UP

**Dr Shorya Vardhan Azad** was awarded International APAO Fellowship – National University Hospital, Singapore

## Unit-II

**Professor Atul Kumar was** Guest Faculty POS Annual Meeting “Dr Rajan Akhaury Oration, Patna 7 April 2019; Delivered Dr Narendra Swarup Oration by Hyderabad Ophthalmic Association “Anti-VEGF’s in DME, 21 December 2019

**Professor Parijat Chandra was** Convener. IC Retina Grand Rounds. 70th Annual Conference of Delhi Ophthalmological Society, Delhi [13 and 14 April 2019]; Chair. Session: ROP Basics for Beginners, 4th Annual iROP Meeting, Chandigarh, [21-23 June 2019]; Chair. Session: Treatment of ROP - How I do it, 4th Annual iROP Meeting. Chandigarh, [21-23 June 2019]; Judge- Poster Session - Pediatric Retina Summit, Chennai, [12-13 July 2019]; Judge – Free Papers (Misc); Winter Conference of Delhi Ophthalmological Society, [2 and 3 November 2019]; Panelist. Cases Presentations. iROP Meeting, Lucknow, [5 December 2019]; Convener, Free Paper - Vitreo Retinal Diseases – III, AIOC 2020 Gurugram, [13-16 February 2020]; Member - Technical Expert Group for development of clinical practice guidelines, National Neonatology Forum, (July 2019); Examiner FAICO (Retina), (2 January 2020), AIIMS, New Delhi

**Dr Rohan Chawla** was Chair instruction course on advanced retinal imaging at AIOS, February 2020 held at Gurgaon.

## Unit-III

**Professor JS Titiyal** received T Agarwal Gold Medal by Intra ocular implant and refractive surgery society of India, (IIRSI Meeting, September 2019, Delhi; Dr MM Joshi Oration, Belgavi, Karnataka. KOSCON Annual Meeting, 8 November 2019; Best Paper/Poster/Video award: Titiyal JS, Kaur M. Intraoperative OCT-Guided Management of Intumescent White Cataract. American Academy of Ophthalmology Annual Meeting, San Francisco (USA), October 2019; Community Work & Honours: “Arogya Bharat” Holi colours and its effects on eyes, March 2020, Door Darshan, National, Mandi House, New Delhi and “Arogya Bharat” “Diwali pollution and effect on Eyes October 2019, Door Darshan, National, Mandi House, New Delhi; Guest of honor at iBeach Film Festival, August 2019, Goa

**Professor Namrata Sharma was** awarded “IIRSI GOLD MEDAL” for contribution in American Academy of Ophthalmology; “Best Scientific Video” by judges at AAO 2019; “Best Scientific Video” by audience at AAO 2019; Awarded “3rd OSA Oration” by Ophthalmological Society of Assam at Guwahati; Awarded “Cure Sight Laser Center ORATION” at the Annual Gujarat State Conference held at Mahsana, Gujarat on 29 September 2019; “Best Scientific Video” at OPL titled “Hey there is an eye”, Depicting SLET: Simple limbal epithelial transplantation- IIRSI 2019 at Pullman, Aerocity; “AIOS HERO AWARD” at the iBeach Ophthalmic Film Festival at Goa; “The best video award for scientific content” at OPL in BOA Focus; Awarded “Best Surgical Video medal” in OPL- The audience choice at IIRSI Chennai 2019; Awarded “Reviewer Certificate” for reviewing 3 Manuscripts in 2019 of Stem Cells Translational Medicine; Awarded “Dr AM Gokhale Oration Award: Phacoemulsification in Corneal Haze” at NIO PUNE EYECON-2019 held at Pune on 21 April 2019

**Dr Manpreet Kaur received** Achievement Award- American Academy of Ophthalmology (AAO) 2019; International Heroes Award 2019- All India Ophthalmological Society Annual Meeting 2019, Gurgaon, India

## Unit-IV

**Professor Tanuj Dada** Oration – Vidharbha Ophthalmic Society: Looking beyond IOP. October 2019

**Professor Rohit Saxena** was Best of Show Video at American Academy of Ophthalmology 11-14 November 2019; Best video presentation award SPOSI Annual Conference 7 and 8 December 2019

**Dr Shikha Gupta** was best of paper Session at AIOS 2020 in glaucoma for “Efficacy and safety of incisional goniotomy and phacoemulsification in adult angle closure glaucomas”

**Dr Dewang Angmo** chaired and delivered successful Instruction Course in AIOS 2020 Lasers in Glaucoma; Elected as Youngest Executive member in DOS; Actively participated in WHO SEARO meet 2019; Glaucoma section editor for IJO; Glaucoma section editor for RPC Newsletter; Assistant Editor in DOS Times; Editor for INOS newsletter

## Unit-V

**Professor Pradeep Sharma** was Awarded the Prof. S K Lal oration Gold Medal by Haryana Ophthalmological Society on 22nd Sept. 2019; awarded with the Prestigious Prof. Siva Reddy Oration Gold Medal on 28 September 2019; Visiting Professor and Speaker by National Institute of Ophthalmology, Dhaka, Bangladesh 15-17 November 2019; Invited Speaker for Inaugural address by Bangladesh Society of PedOphthalmology and Strabismus, Dhaka, Bangladesh 28– and 29th February 2020; Installed as the President of Strabismus and Pediatric Ophthalmological Society of India, SPOSI December 2018-December 2019.

**Professor Neelam Pushker** was Co-chairman in a session on, ‘Oculoplasty’ – ‘Tackling the adnexal problems tips’ in the 15th Annual Conference of HOS, 2019, held from 21-22 September 2019 at Sirsa, Haryana; Co-instructor in 2 Instruction

Courses, 'A Quick appraisal of recent trends for common ophthalmic tumors' & 'The oculoplasty tutorial – step by step approach', respectively, in 78th AIOS Annual conference, February 2020, Gurugram.

**Dr Swati Phuljhele** was Joint organizing secretary for Annual Conference of Indian Neuro-Ophthalmology Society; Best Paper: Poster Podium Presentation Titled "Effectiveness of Various Surgical Procedures For Correction Of Monocular Elevation Deficit [Fp108]" At The Squint Session On 14.02.2020, Annual Conference of All India ophthalmology Society 13-16th February 2020, Gurgaon

**Dr Rachna Meel** was Awarded best Video presentation in Winter Conference of DOS 2019 held on 2 and 3 November 2019; Chief instructor for Instruction course titled: A Quick Appraisal of Recent Trends for Common Ophthalmic Tumors; conducted at AIOC 2020 14 February 2020, Gurugram; Co instructor for Instruction course titled: The Oculoplasty Tutorial – Step by step approach; conducted at AIOC 2020 14 February 2020, Gurugram

**Dr Amar Pujari received** AC Agarwal trophy Award for best Delhi state Paper, DOSCON 2019, Delhi; Professor Pradeep Sharma International hero at SPOSI Annual Conference, Chennai 2019; AIOS- Vision-Sante Award at AIOC 2020, Best paper in Cataract section

#### **Unit-VI**

**Professor Radhika Tandon** was Immediate Past President of Eye Bank Association of India; Immediate Past Vice - President of Association of Eye Banks of Asia; Member of Apex Technical Committee of National Organ and Tissue Transplant Organization, Govt. of India; Advisory Member for the Global Alliance of Eye Bank Associations (GAEBA); Appointed as Chairperson of the Committee for Standard Treatment Workflows (STWs) conferred by ICMR; Invited to participate in the framing of Barcelona principles for Ethical Practices in Usage of donated tissue released in collaboration with Global Alliance of Eye Bank Associations and WHO; Appointed as Member of the Advisory Committee for National Programme for Control of Blindness & Visual Impairment (NPCB&VI), Ministry of Health and Family Welfare, Government of India; Appointed as Chairperson of the Inspection Team of Delhi Organ Transplant Cell; Appointed as an Expert for Project Review Committee (PRC) conferred by ICMR; Nominated as Member for DBT Bioengineering Task Force, Department of Biotechnology, Ministry of Science & Technology, Govt. of India; Appointed as Member for Reconstitution of the Dean's Research Committee (DRC); Nominated as a Member of the Editorial Board of the Indian Journal of Medical Research (IJMR) from July 2018; Nominated as Member of a Task Force for Women Safety and Gender Sensitization at AIIMS, New Delhi; Nominated as Faculty Member of Committee to oversee the sanitation and hygiene at AIIMS Campus (Asiad Village); Nominated as Member of the AIIMS Endowment Fund Scientific Advisory Committee; Nominated as Chairperson of Committee for compilation of information and coordination with various agencies for National/International Institutional Rankings/Awards/Honours etc.; Appointed as an External Expert for Standing Selection Committee Meeting of AIIMS Jodhpur, Jodhpur on 10 May 2019; Appointed as an External Expert for National Board of Examinations; Nominated as a Subject Expert of Sub-Committee's on Medicines, Medical Devices, Medical Consumables/Disposables and Hygiene and other Health Care Products. The Standing National Committee on Medicine (SNCM) – Sub-Committee – Medical Devices Meeting on 6 August 2019 in Committee Room, 2nd Floor, DHR, Red Cross Building, New Delhi; Appointed as an External Expert for Standing Selection Committee Meeting of AIIMS Jodhpur; Appointed as Examiner to evaluate the thesis of the Degree of MS-Ophthalmology of Delhi University; Nominated as Member of Committee of Special Medical Board to ascertain suitability of qualified PWBD candidates for the post of Nursing Officer under PWBD category at the AIIMS, New Delhi; Appointed as a Subject Expert in Standing Selection Committee Meeting of AIIMS Patna organized at the Institute of Liver and Biliary Sciences (ILBS); Nominated as Member of Internal Committee comprising for taking care of day to day needs of differently-abled persons as well as for implementation of Schemes passed in the W.P. (C) No.292/06, titled "Disabled Rights Group and Anr. Vs. UOI & Ors."; Nominated as Co-Chairperson of Ocular Brachytherapy Committee at Dr RP Centre, AIIMS, New Delhi.

**Professor M Vanathi** was internal Examiner for MD-Ophthalmology exams May 2019; Expert on Technical Specifications Vetting Committee–Dept of Ophthalmology, JIPMER 2020; Elected as DOS representative to AIOS 2-19 – 202; Completed 3 years term as AIOS Jt Treasurer and Scientific Committee Member 2017 -2020

for Community Eye health Journal for the SEARO Region as a Board Member of South Asia Advisory Committee; Lead Cornea expert at the WHO SEARO IAPB-Technical Expert Group Meeting on Eye Care aligned with the Universal Eye Health at Nepal; Invited as Resource Faculty at the workshop on Trachoma elimination- way forward with international Trachoma Expert, Dr Solomon from WHO, Geneva; Invited as an expert for WHO's Working Group on Monitoring, Evaluation and Research (WG-MER) for neglected tropical diseases; Invited as Cornea expert For Vn2020 SightLife panel on outreach models for awareness and screening for corneal opacity

**Dr Neiwete Lomi was** awarded best free paper presentation at DOS Winter Conference 2019, New Delhi on “Interesting cases” titled- Conjunctivo- Iridociliary Melanocytoma: An usual presentation. Vatika Jain (Presenting author), Neiwete Lomi (Co-author)

**Dr Nishat Hussain Ahmed** of Diagnostic services at Ocular Microbiology are accredited by NABL (National Accreditation Board for Testing and Calibration Laboratories), in accordance to ISO 15189:2012; Certificate no. MC-3267

**Professor Seema Sen and Professor Seema Kashyap**, Mithalesh Singh and Neelam Pushker “BAP-1 protein as an indicator of metastasis in uveal melanoma” Presented a PPP in AIOC 2020 February at Gurugram. This was awarded Best Poster award in the Poster Podium Presentation session; Mithalesh Kumar Singh, Seema Kashyap, Neelam Pushker, Seema Sen, Kunzang Chosdol Poster presentation at ESMO Immuno-Oncology 2019 held in Geneva, Switzerland from 11-14 December 2019. Abstract entitled ‘ Loss of BAP-1 influences the activation of p52 and RelB proteins in the Inflammatory microenvironment of Uveal Melanoma’ ESMO Merit Award; Jha Jayanti, Pushker Neelam, Singh Kumar Mithalesh, Singh Lata, Sen Seema. *Association of BAP1 with ATR protein and their clinical significance with patient outcome in uveal melanoma*. ESMO Asia 2019 22-24 November 2019 Singapore. (Received Merit Award); Expression Profiling of Receptor Tyrosine Kinases in Orbital Rhabdomyosarcoma. Molecular Pathology Association of India 8th Annual Conference. 10-12 January 2020 Jaipur (2nd best paper award)

**Professor Jasbir Kaur was** Examiner, PhD: University of Madras and Sher-i-Kashmir Institute of Medical Sciences (SKIMS); Editorial Board Member: Journal of Ophthalmology: Open Access; Journal of Ophthalmology and Vision; Annals of Clinical Oncology; Journal of Ocular Diseases and Therapeutics; International Journal of Hematology and Blood Research; Annals of Stem Cell Research; Reviewer: DNA and Cell Biology; Genomics; Executive Council Member of Biotechnology Society of India; Member, Institutional Ethical Committee, CARICD (CCRAS, Ministry of AYUSH, Govt. of India), New Delhi

**Professor Sanjay Sharma received** ‘Best reviewer award’ of the year 2019, for *Indian Journal of Urology*. Urological Society of India Conference (USICON 2020), at Kochi on 24 January 2020; Editorial Board Member J Clin Interv Radiol: Uro-Radiology Section; Editorial Board Member Ind J Radiol Imaging: Uro-Radiology Section; Consulting Editor (Radiology), Ind J Urology; Subject Expert (Radiodiagnosis) for faculty Selection at AIIMS Patna and Bhopal 2019; External Expert (Radiodiagnosis) the faculty selection at Super Specialty Cancer Institute & Hospital, Lucknow (November 2019, February 2020)

**Professor T Velpandian** received Prof. VN Reddy Oration award in 26th Annual Meeting of IERG ARVO India Chapter in 28th July 2019, Chennai; Received Best Poster Award at 65th Annual meeting of Association of Physiologists and Pharmacologists of India (APPI), APPICON at, Guwahati, Assam, 2019; Received Grand Challenges Award for the project entitled ‘Pre-clinical safety and efficacy studies for using polyvalent bacteriophage and endolysin therapy for intraocular infections with AMR’ towards the call ‘Under approaches to address antimicrobial resistance’ jointly funded by Bill & Melinda Gates Foundation (BMGF) and DBT; Member Secretary of IPR and Technology Transfer Division; Member Secretary, AIIMS Innovation Facilitation Division, New Delhi; Member, Dean research Committee, AIIMS, New Delhi; Chairman of The CCRF Bioanalytical Subcommittee and member of CCRF committee, AIIMS, New Delhi; Member of Innovation Committee of ICMR, Govt of India; Member of Biohazard panel of FSSI, Govt of India; Member Human Ethics Board, Institute of Home Economics, Delhi University; Member of project monitoring committee, Grand Challenges, BIRAC, Govt of India; Member human ethics committee in INMAS, DRDO, Govt. of India

**Dr Nabanita was** Member of CCRF Bioanalytical Subcommittee

**Professor Praveen Vashist was** selected as Chairman Research and Academic Committee in Association of Community Ophthalmologist in India for the period 2019-2021; Invited by WHO SEARO South Asia Eye Health Experts Meeting as a technical expert and representative of Dr RP Centre, AIIMS at Kathmandu, Nepal; Felicitated by CBM, an International NGO for achievements under the project on disability inclusive eye health; Delivered Prof Vinita – Prof. Girija Endowment ACOIN UP State Chapter Oration 2019 at Varanasi Uttar Pradesh; Awarded by MoHF&W, Nirman Bhawan for taking “Initiatives for eye care awareness for MOH&FW; Received “Ophthalmic Ratna award” by Manthan Eye Healthcare Foundation at Gurgaon; Member of the AIIMS Intramural project review committees for the faculty members in clinical

research. Member of the AIIMS Research section selection committee; Nodal person of the annual report committee for R P Centre and WHO Collaborating Centre for Prevention of Blindness. Nodal person for R P Centre for the Institute Hindi Rajbhasha committee; Appointed as member of Vision 2020-Right to Sight India- Governing body member to represent R P Centre, AIIMS for the year 2020-2023; Chairperson, Scientific Committee in the 15th Annual Conference organized by Vision 2020- The Right to Sight India on 7-9 June 2019 at Arvind Eye Hospital Chennai. Also Chaired three sessions on Models for community outreach, Public private partnership in eye care and RIOs recent initiative for low vision rehabilitation under CBM-RPC disability inclusive eye health program; Invited in 2nd Meeting of WHO Alliance for the global Elimination of Trachoma by 2020 (GET 2020) from 23-29 June 2019 attended Trachoma scientific workshop on 24 June in Hotel Radisson, Maputo, Attended the WHO Global Elimination of Trachoma meeting from 26-28 June 2019. It was attended by representatives of nearly 50 countries and Participated in the workshop of country representatives to discuss strategies for elimination of trachoma; Member NPCB&VI committee for provide technical assistance in developing benchmarks for States/UTs wise cataract burden and designing protocol for evaluation process for verification cataract backlog free claims of states/districts for awards and incentivization; Involved in organization of WHO SEARO Consensus Meeting on Prevention Glaucoma Blindness in South East Asia at Community Ophthalmology, R P Centre, AIIMS on 22-23 November 2019; Submitted final report for the “PCB&VI-National Blindness Survey (2015-18)” conducted by Dr R P Centre for Ophthalmic Sciences, AIIMS, New Delhi to MoH&FW, Govt of India. Report on National Blindness and Visual Impairment survey was released by Honorable Health Minister of India Shri; Harshvardhan ji in the 13th Conference of Central council of Health & family Welfare on 10 October 2019; Felicitated by Arunodaya Charitable trust, Gurgaon on occasion of World Sight day on 10 October 2019; Chairperson of the Venue committee for the IPHA National Conference (IPHACON 2020) organized in AIIMS from 28 February-2 March 2020; Chaired session on Neuro Optometry in Neuro Ophthalmology conference on 2 December 2019 at India Habitat Centre, Lodhi Road; Participated in WHO IAPB expert group meeting on “Eye care aligned with Universal Eye Health” at Tilganga Institute of Ophthalmology in Kathmandu, Nepal from 9- 12 December 2019.

**Dr Suraj Singh Senjam** was Member of Technical Working Group for Vision Rehabilitation, WHO, Geneva, Rehabilitation 2030: Action Plan 2019; Awarded MSc in Public Health for Eye Care at London School of Hygiene Tropical Medicine for the year in March 2019; Achieved a recommendation from WHO SEARO and ICEH, LSHTM London on the book published on Assistive technology for people with visual disability to use across SEARO; Chosen a sole Editor by Nova Science Publisher USA for the book An Introduction to Assistive Technology 2019; Nominated as expert member in revision of Indian Public Health Standard Guideline sub-committee meeting in AIIMS Bhopal and National Health Systems Resource Centre (NHSRC); Dr Sanjay Kumar Oration in Association of Community Ophthalmology of India, Telangana state chapter 2019; Participated in the Training programme of Trachoma Elimination activities for district Ophthalmologist DPMs in State Institute of H&FW on 16-17 May 2019 at Sitapur Eye Hospital Uttar Pradesh and Shimla on 23 May 2019; Organized an Orientation and Mobility Training program on Low Vision and Rehabilitation (LVR) Service at Community Ophthalmology Dr RP Centre, AIIMS on 26 and 27 September 2019; Organized a function to release a handbook of Assistive Technology for people with visual disability at Chief board room on 26 September 2019; Visited RIO Ahmedabad to discuss setting up Low Vision Rehabilitation Services in Ahmedabad on 31 October 2019 with Director RIO followed by interactive session with PG students; Participated in Eye care partners meet “Sustainability strategies and practices for inclusive eye Health” on invitation of CBM on 15 and 16 November 2019 at Bengaluru; Involved in organization of WHO SEARO Consensus Meeting on Prevention Glaucoma Blindness in South East Asia at Community Ophthalmology, R P Centre, AIIMS on 22-23 November 2019; Organized a Program for Handing over Smartphones and Tablets from CBM to RPC for Vision Rehabilitation Training held on 11 February 2020 at Community Ophthalmology, 7th Floor, Dr R P Centre, AIIMS

**Dr Vivek Gupta** participated in the Training programme of Trachoma Elimination activities for district Ophthalmologist DPMs in State Institute of H&FW in Shimla, Himachal Pradesh on 13 May 2019, in Panchkula Haryana on 14 May 2019, in AIIMS Jodhpur & SMS Medical College, Jaipur, Rajasthan from 15-17 May 2019; Constituted as a member of sub-committee on legal and policy frameworks for the utilisation of artificial intelligence in public health under the Chairmanship of Dr Savita Davar, DDG, NIC. The role of this committee is to assess global precedents in legal and policy frameworks as well as contracts for data management (privacy, sharing) for research and product development in AI for healthcare

**Professor SK Khokhar** was Chairperson Session on “Refractive: Learning the Tricks” Annual Conference of Indian Society of Cornea & Kerato-Refractive Surgeons (ISCKRS Meet 2019) 3 and 4 August 2019 Le Meridien, New Delhi; As Chairman session “Orations” 70th Annual DOS Conference 12-14 April 2019 at Ashok Hotel Chanakyapuri, New Delhi; As Chairman Session “Managing complications of phaco surgery” 70th Annual DOS Conference 12-14 April 2019 at Ashok Hotel Chanakyapuri, New Delhi; As Chairman Session “Master class” 70th Annual DOS Conference 12-14 April 2019 at Ashok Hotel Chanakyapuri, New Delhi; As a Chairperson Strabismus and Pediatric Ophthalmological Society of India (SPOSI) 1 and 2 June 2019 Hubli, Karnataka; Chairman, Session “Cataract & IOLs-1” DOS (Delhi Ophthalmological Society) Winter Conference 2019 2 and 3 November 2019 The Ashok Hotel, Chanakyapuri, New Delhi. Pediatric cataract surgery with PCCC and anterior Vitrectomy (as chairperson) Phacoemulsification & Refractive Surgery Update 19 January

2020, AIIMS, New Delhi; Small pupil & floppy iris (as chairperson) Phacoemulsification & Refractive Surgery Update  
19 January 2020 AIIMS, New Delhi; Post-RK Cataract (as chairperson) Phacoemulsification & Refractive Surgery Update  
19 January 2020 AIIMS, New Delhi

#### **VISITING SCIENTIST**

1. Guest Lecture by Dr Shigero Kinoshita of Japan on 22 February 2020
2. Guest Lecture by Dr Arun D Singh, Cole Eye Institute, Cleveland Clinic, Cleveland, Ohio, USA on 10 February 2020
3. Guest Lecture by Dr V K Raju, West Virginia University, USA on 30 December 2019
4. Guest Lecture by Dr Shree Kurup, University Hospitals Cleveland Medical Center on 07 January 2020
5. Guest Lecture by Professor Algis Vingrys, University of Melbourne on 3 December 2019

### HIGHLIGHTS

Jai Prakash Narayan Apex Trauma Centre, AIIMS continues to provide holistic care to the victims of trauma. It continues to be flag bearer in quality patient care services, research, teaching and training. Trauma center constitutes dedicated team of doctors, paramedics and other supporting staff whose prime motto is to achieve excellence and develop novel ideas and techniques in field of trauma managements.

A total no. of 71476 patients visited casualty in the year 2019-2020. Among these, 7532 patients were admitted with an increase of 452 patients compared to the previous year. A total of 7458 surgical operations were performed. The follow up clinic/OPD attendance of trauma patients was 47310.

A new emergency section (ED) was inaugurated, with provision to cater to more patients in the trauma emergency. This new ED has the provision of an operation theatre and a seminar hall for academic activities.

Faculty members and residents are involved in various research projects, with 33 ongoing research projects and over 300 research papers published in national and international journals.

This year an international academic program was started with Japan under the “Human resources Exchange Project in Trauma and Acute Medicine” with an aim to enhance our trauma systems. This year six trauma surgeons from Japan has visited our centre and four surgeons of our institute has visited various trauma hospital of Japan.

Towards the end of March, the Trauma Centre was geared up to become a dedicated Covid treatment Centre. The New ED on the ground floor was converted to a dedicated COVID ICU, with facilities for ventilation and dialysis.

A dedicated Central Trauma research Facility was also commissioned this year. This would help in state-of-the-art integrated and translational trauma research.

Inauguration of the New ED at JPNA Trauma Center

## EDUCATION

### CMEs/National/International Conferences

#### Organized by the Centre

1. 10th International Conference “MeLeCoN-2019” joint collaboration with Medicolegal Society of Nepal held at Kathmandu, Nepal on 12-15 September 2019 and also organized CME on “Medical Negligence” during conference
2. 5th world academics congress for emergency medicine, 20-24 October 2019, Dubai, UAE
3. Acute Critical Care Course, 30-31 October 2019
4. Advanced point of care ultrasound course held from 5-6 December 2019 at Texas, USA
5. AIIMS Basic Emergency Care course (AIIMS-BECC)
6. AIIMS Basic Ultrasound for Surgeons
7. AIIMS Disaster Ultrasound Course for doctors, nurses and paramedics
8. AIIMS EM-SONO Workshop on Emergency & Point of care Ultrasonography, 14-15 September 2019, LHMC, New Delhi
9. AIIMS First Responder Course for paramedics and lay persons
10. AIIMS Pediatric Ultrasound Course for Pediatricians and Emergency Physicians
11. AIIMS Trauma Life Support with Power of Ultrasound for doctors
12. AIIMS Triage Protocol Workshop for doctors, nurses and paramedics
13. AIIMS Ultrasound Trauma Life Support (AUTLS)
14. AIIMS Ultrasound Trauma Life Support course for nurses (AUTLSN)
15. AUTLS (Advanced Ultrasound and Trauma life support) Workshop, 6-7 September 2019, Pune
16. Basic ECG Workshop for Nurses
17. Cadaveric Airway management workshop, 18 October 2019
18. Cadaveric workshop, Advanced Surgical skill module for residents in surgical disciplines, on 10 August 2019, SET facility AIIMS, New Delhi
19. Cadaveric workshop, Advanced Surgical skill module for residents in surgical disciplines, 21 December 2019, SET facility, AIIMS, New Delhi
20. Cadaveric Workshop as part of National Conference of American College of Surgeons – India Chapter (ACSCON 2020) on 1 January 2020, New Delhi
21. Capacity Building for the Strengthening Emergency Care in Primary Health Care Setting for doctors, nurses and paramedics
22. CBI: Investigation of crime against Women and Children from 11-15 February 2020, Olsolan
23. CDTI: Post Blast Investigation w.e.f. 13-17 January 2020
24. CME on Advances in Imaging Technology, 4th AIIMS MAMC PGI Imaging Course Series, 5-6 April 2019, AIIMS, New Delhi
25. CME on Blood Safety & Quality: Infectious Diseases, 5 April 2019, New Delhi

26. CME on Trauma Update and AUTLS workshop, 9-10 April 2019, AIIMS, Jodhpur
27. Compressive life support course for (CRPF), 26-27 November 2019, AIIMS
28. Compressive life support course for (CRPF), 20-21 November 2019, AIIMS
29. Delhi University: 4 September 2019, Add on course: Medical Biotechnology, 2019-2010, Miranda House, Delhi University
30. Disaster Ultrasound, 6th International conference on preparedness & response to emergency & disaster, 12-15 January 2020, Tel Aviv Israel
31. DOA Basic Spine Cadaveric Workshop, 12 April 2019, JPNATC, AIIMS, New Delhi
32. DOA Hands on Microscopic Spine Cadaveric Workshop, JPNATC, AIIMS, New Delhi, 14 September 2019
33. Emergency Sonography Workshop from 12 to 13 April 2019 at AIIMS, Rishikesh
34. Emergency Sonography Workshop from 6 to 7 May 2019 at AIIMS, Rishikesh
35. First Amputee peer mentor program on 20 May 2019, JPNATC, AIIMS, New Delhi
36. Global experts Emergency Network conference held from 11 to 13 May 2019 at Ann Arbor, Michigan USA
37. Haryana Institute of Public Administration: For public prosecutors of Haryana from 19 to 30 August 2019: DNA technology and evidentiary value of DNA reports
38. In Hospital management of Mass Casualty Incidents (A module for disaster responsiveness and mitigation prepared by us in collaboration with CDC Atlanta)
39. International workshop on strengthening trauma and emergency in Southeast Asian region held from 25 to 29 November 2019 at Khon Kaen, Thailand
40. ISTAC Consensus Meeting for formulation of management guidelines for Solid Organ Injuries on 19 January 2020, New Delhi
41. LNJNI-NICFS: Advancing justice through DNA technology w.e.f. 16-19 December 2019
42. MASHAV meeting, 21 June 2019, JPNATC, AIIMS
43. MILAP (Multi Institutional Learning and Practice), 5 September 2019, New Delhi.
44. National Emergency Medicine Conference, 31 July to 4 August 2019, AIIMS, New Delhi
45. Pre conference workshop, Trauma Master Class: Gutsy Decision Making Under pressure, 10th Asian Conference on Emergency Medicine (ACEM 2019), 5-6 November 2019, New Delhi.
46. Spine intervention and pain management international conference and workshop, 20-22 December 2019
47. Tactical combat course for CRPF, 5 April 2019, JPNATC, AIIMS
48. Triage workshop, 2 August 2019, JPNATC, AIIMS
49. Ultrasound Guided Nerve Block in Emergency for doctors
50. Ultrasound Guided Vascular Access for doctors
51. Ultrasound in Primary Health Care for Primary care Physicians
52. Workshop on basic ECG on 2 August 2019 at new seminar room 1st floor JPNATC, AIIMS
53. Workshop on Yoga for Amputees on the occasion of World Yoga Day on 21 June 2019, JPNATC, AIIMS, New Delhi

#### **AIIMS CADAVERIC SURIGICAL SKILLS TRAINING**

Chair: Rajesh Malhotra

Members: Babita Gupta, Deepak Gupta, Vijay Sharma

Total Participants: 706 Courses conducted: 37

Professor Incharge: Sanjeev Lalwani

Coordinator: Nasim Mansoori

### **Abhinav Kumar**

1. ATLS: 10th Edition Update, National Emergency Medicine Conference “EMINDIA 2019”, 3-4 August 2019, AIIMS, New Delhi
2. Advance Trauma Life Support: An Overview, Annual Conference of ASI – Rajasthan Chapter “ASIRAJ 2019”, 18-20 October 2019, AIIMS, Jodhpur
3. Surgical Anatomy of Thorax:, National Conference of American College of Surgeons – India Chapter “ACSCON 2020”, 1 January 2020, JPNATC, AIIMS, New Delhi
4. Disaster Management: Surgical Education Programmed 2020. 108th Foundation Day, 14 February 2020, KGMU, (UP)
5. Pediatric Trauma and Management, ATLS Provider Course, RML Hospital, 27-29 February 2020, New Delhi
6. ATLS: An Overview, 19th Annual Conference of ASI – CG chapter “CG ASICON 2020”, 6- 7 March 2020, AIIMS, Raipur
7. AIIMS Advance Surgical Skill in Trauma, SET facility, AIIMS, January2020, AIIMS

### **Adarsh Kumar**

1. Forensic Toxicology–Issues related to poisoning, National Symposium on Poisoning as a public health problem, National Poison Information Centre, Dept. of Pharmacology, 26 April 2019, AIIMS, New Delhi
2. Organization of Forensic medicine and Custodial death investigation system in India, 52nd Krsek Conference of Forensic Medicine with international participation on the occasion of the hundred-years anniversary, Institute of Forensic Medicine of Faculty of Medicine of Comenius University, 29 May-1 June 2019, Bratislava Slovakia
3. Human Rights Violation in Medical Negligence Cases- NHRC Experience, BAFMCON-IV, 2019 4th Annual State Conference of West Bengal, NRS Medical College, 27-28 June 2019, Kolkata
4. Medicolegal Issues in Child Abuse, International Conference of Forensic Odontology and Child Abuse, Department of Oral Pathology & Microbiology, King George’s, 31 July – 3 August 2019, Lucknow, UP
5. Forensic Anthropologists perspective, DVI Procedures and Interpol Guide with Hands on Workshop, Department of Oral Pathology & Microbiology, King George’s Medical university, 2 August 2019, Lucknow, UP
6. ICRC Asia Pacific Meeting, Forensic Human Identification in India, International Committee of Red Cross, 20-22 August 2019, Colombo, Sri Lanka
7. Crime Against Woman in Indian perspective-Journey from womb to tomb, International Conference on Police Science ICPS-2019, Raksha Shakti University, 6-7 September 2019, Gandhi Nagar, Gujrat
8. Legal aspects to be dealt by Medical Officers, CME Speaker for CHS Medical Officers, National Institute of Health & Family Welfare, 19 October 2019, Munrika, New Delhi
9. Custodial Death Investigation- NHRC Experience, 13th International Conference of Indo-pacific Association of Law, Medicine and science ( INPALMS), Medicolegal Society of Bangladesh, 9-11 December 2019, Dhaka, Bangladesh
10. Digital Autopsy (Virtopsy) services at AIIMS, New Delhi—a concept of Humanitarian Forensics, 41st Annual National Conference of Indian Academy of Forensic Medicine-“FORENSIC MEDICON-2020”, Apollo Medical College, 30 January-1 February 2020, Hyderabad, Telangana
11. Forensic Anthropology-An overview wrt Identification, All India Forensic Science Meet- 2020, SGTB Khalsa College, Delhi University, 22-23 February 2020, Delhi

### **Amit Gupta**

1. Road traffic injuries - distribution, determinants and dynamics in India. Role of Trauma Registries and Trauma Quality Improvement, Training Program of MPH (NCD and Public Health Module, PHFI, 10 April 2019, Gurugram, India
2. FAST & basic Radiology in Trauma, VIMS Trauma Update-2019, VIMS, 20 April 2019, Kolkata
3. Basic management of Shock in Trauma, VIMS Trauma Update-2019, VIMS, 20 April 2019, Kolkata
4. Road Accident Victims – Injury Trends and Costing, Workshop On “Road Accident Costing – Trends And Insights, India International Centre, 26 April 2019, New Delhi
5. Planning for Emergency Department, Mass Gathering Care and Mass Fatality Management, Training course on “Hospital Preparedness for Health Emergencies for Senior Hospital Administrators”, NIHFW, 6 May 2019, New Delhi
6. Planning of Disaster Risk Communication, “Hospital Preparedness for Health Emergencies for Senior Hospital Administrators”, NIHFW, 6 May 2019, New Delhi

7. Extended First Aid in Trauma Care: Empowering the bystanders in handling and transfer of Road Crash Victims, Road Safety Audit training program, CSIR – CRRI, 9 May 2019, New Delhi
8. Vulnerable Road Users and the need for bystander training in Post rash Care, 5th Smart Cities India 2019 Expo, Pragati Maidan, 24 May 2019, New Delhi
9. Improving Trauma Care outcomes in a developing economy like India: A Systems Approach, 33rd Annual meeting of Japanese Association for the Surgery of Trauma (JAST), 6-7 June 2019, Japan
10. Course Director and Faculty, Skill Based, Trauma Care Workshop, BCPS, 4-6 August 2019, Dhaka, Bangladesh
11. Donald D Trunkey Oration, Development and Challenges in the Evolution of Trauma Care Systems in an Emerging Economy like India, 48th World Congress of Surgery (WCS-2019) - IATSIC Lecture, 11-15 August 2019, Krakow, Poland
12. High Impact Research Publications in Trauma, Trauma 2019, Annual National Conference of the ISTAC & Inaugural Conference of ISTAC UP Chapter, King George's Medical University, 28-30 August 2019, Lucknow
13. Trauma Care Systems and Trauma Quality Improvement programs, Trauma 2019, Annual National Conference of the ISTAC & Inaugural Conference of ISTAC UP Chapter, King George's Medical University, 28-30 August 2019, Lucknow
14. Management of Pancreatic Injuries, TRAUMASICON 2019, Annual Conference of the Indian Association of Trauma & Critical Care (IATCC), 7-8 September 2019, Ahmedabad
15. Planning for Emergency department, Mass gathering care and mass fatality management in hospital, Training course on “District Preparedness for Public Health Emergencies Management” for District Health Officers, NIHFWS, 21 September 2019, New Delhi
16. Planning for hospital evacuation plan, Mass gathering care and mass fatality management in hospital, Training course on “District Preparedness for Public Health Emergencies Management” for District Health Officers, NIHFWS, 22 September 2019, New Delhi
17. Course Director and Faculty, Advanced Trauma Life Support Course (Provider), 26-28 September 2019, AIIMS Rishikesh
18. Course Convener & Faculty, Asian Conference of Emergency Medicine ACEM 2019 –Workshop Trauma Masterclass – Gutsy decision making under pressure, 5-6 November 2019, AIIMS, New Delhi
19. Trauma Systems - A to Z of Trauma Centres, Asian Congress of Emergency Medicine ACEM 2019, The Leela Ambience Convention Hotel, 8 November 2019, New Delhi
20. Exciting new Developments in Trauma Systems research, Annual Region XVI ATLS Asia- Pacific Meeting, Tan Tock Seng Hospital, 15-16 November 2019, Singapore
21. Pancreaticoduodenal Trauma, Surgicon 2019, Institute of Liver & Biliary Sciences, 2-6 December 2019, New Delhi
22. Management of Pancreatic Injuries, Indian Chapter of Hepato-Pancreato-Biliary Association Certificate Course in Hepato-Pancreato-Biliary Surgery, Institute of Liver & Biliary Sciences, 2-6 December 2019, New Delhi
23. Importance of Post Crash Care in Road Safety, Conference on Trauma Care : 31st Road Safety Week Celebrations, FICCI Auditorium, 15 January 2020, New Delhi
24. Panelist, ISTAC Consensus meeting on framing the Guidelines for Management of Solid Organ injuries, DELNET, J.N.U Campus, 18-19 January 2020, New Delhi
25. Course Director and Faculty, Advanced Trauma Life Support Course (Provider), 23-25 January 2020, AIIMS, Jodhpur
26. Course Director and Faculty, Advanced Trauma Life Support Course (Provider), 19-20 February 2020, JIPMER, Pudducherry
27. Trauma Care for Road Traffic Accident Victims, MoVACon 2020 - Motor Vehicle Accident Conference 2020, 21 February 2020, AMA Complex, Ahmedabad, India
28. Expectations & Achievements of EMS in India, NiEMS2020 – National Industrial Emergency Medical Services Conference 2020, 22 February 2020, AMA Complex, Ahmedabad, India
29. Role of Trauma Registries and Trauma Quality Improvement in improving Road Traffic Injury Care, Training Program of MPH (NCD and Public Health Module), 26 February, PHFI, Gurgaon, India
30. Victim Support Management & Capacity Development in Trauma Systems, National Workshop Highway Accidents & Emergency Medical Management, India International Centre, 28 February, New Delhi

#### **Ashish Bindra**

1. Sedation in Neurotrauma ICU, Neurotrauma 2019, Jaypee Palace, 22 August 2019, Agra
2. Targeted temperature management in Neurotrauma, Neurotrauma 2019, Jaypee Palace, 24 August 2019, Agra

3. Clinical applications of Cerebral microdialysis in neurotrauma, Neurotrauma2019, Jaypee Palace, 24 August 2019, Agra
4. Status epilepticus, Acute Neuro care Course, PGIMER, 25 August 2019, Chandigarh
5. Video presentation :Cerebral microdialysis, ISACON, NIMHANS, 25 October 2019, Bengaluru
6. Management of Spinal cord injury, ISACON Rajasthan, September
7. Non-trigeminal Oraofacial Neuralgias, 5th Annual Conference of Indian Society of Pain Clinicians, JL Auditorium, 9 November 2019, AIIMS, New Delhi
8. Moderator for panel discussion : Decompressive Craniectomy: Where do we stand now, ISNACC 2020, Radisson Temple Bay, February 2020, Mahabalipuram, Chennai

#### **Atin Kumar**

1. Tools and drugs in Interventional Radiology, AIIMS-MAMC-PGI Imaging Course Series – Advances in Imaging Technology, 5-6 April 2019, New Delhi
2. Imaging of leucodystrophy, Pediatric CME of IRIA, West Bengal Chapter, 28 April 2019, Kolkata
3. Imaging of congenital brain malformations, Pediatric CME of IRIA, West Bengal Chapter, 28 April 2019, Kolkata
4. Potpourri of interesting neuroradiological cases, Pediatric CME of IRIA, West Bengal Chapter, 28 April 2019, Kolkata
5. IR in trauma, IRIA Outreach program and IR CME, 7 July 2019, New Delhi
6. Radiological Handles for white matter disorders, Neuropedicon 2019, 19th Annual Conference of Neurology Chapter of IAP, 26-28 July 2019, Hyderabad
7. Finding Zebras: Using Radiology to diagnose and manage systemic infection, CME on Emerging and Reemerging Infections, 10-11 August 2019, Pune, Maharashtra
8. Film Reading Session, Delhi IRIA Resident Education Program, 23-25 August 2019, New Delhi
9. Leukodystrophy-An Algorithmic Approach, XVII National Conference ISPR, 7-8 September 2019, New Delhi
10. Faculty Film Reading Session, XVII National Conference ISPR, 7-8 September 2019, New Delhi
11. How to read MRI Brain: Learn the basics, Clinical Approach in Pediatric Neurology: What all Pediatricians must know, 22 September 2019, Rohtak
12. Workshop on Neuroradiology, Electroencephalography, Neuroradiology, Demystifying Diagnostics in Paediatric Neurology: A Practical approach - Workshop, 27 September 2019, New Delhi
13. Leukodystrophies Part I-Dysmyelinating disorders, 1st National Symposium on Pediatric Neuroradiology – “Bridging Clinical & Radiological Perspectives, 19-20 October 2019, New Delhi
14. Malformations of Cortical Development, 1st National Symposium on Pediatric Neuroradiology – “Bridging Clinical & Radiological Perspectives, 19-20 October 2019, New Delhi
15. Pediatric Neuroradiology: Imaging in Malformations of Cortical Development, 21st Annual Meeting of Indian Society of Neuroradiology (ISNR 2019), 31 October - 3 November 2019, New Delhi
16. Film Reading Session – Neuroradiology, Budding Radiologists Training Program of ICRI, 3 November 2019, Gurugram.
17. Imaging of urinary tract trauma, AIIMS-MAMC-PGI Imaging Course Series – Genitourinary Imaging, 15-16 November 2019, New Delhi
18. Interventional radiology in abdominal trauma-key concepts, Annual Meeting of Society for Emergency Radiology, 30 November 2019, New Delhi
19. Radiology in Splenic Injury, Consensus Meeting to Formulate ISTAC Guidelines for the management of solid organ injuries, 18-19 January 2020, New Delhi
20. Imaging approach in blunt vs penetrating abdominal injuries, 73rd Annual Conference of Indian Radiological and Imaging Association, 23-26 January 2020, Ahmedabad

#### **Babita Gupta**

1. Damage control resuscitation, 2nd Royal Hospital International Conference, 12 April 2019, Oman
2. Recent changes in the guidelines of trauma management, 2nd Royal Hospital International conference, 12 April 2019, Oman

#### **Biplab Mishra**

1. Shock management in pelvic fracture, 4th Pelvic acetabulum course, 27-28 April 2019, JPNATC, New Delhi

2. Open abdomen: A plan in management or disease itself, 6th WSES Congress 2019, 25-28 June 2019, Nijmegen, The Netherlands
3. Initial Assessment and Management of Trauma, Meeting of Education, 22-24 August 2019, AIIMS, Rishikesh
4. Management of complex pelvic fracture, National conference of Indian Society of Trauma and Acute Care, 28 August 2019, KGMU, Lucknow
5. Approaches and issues with surgical lung biopsy, CME on ILD, 7 September 2019, AIIMS, New Delhi
6. Basic Anatomy of Thorax, Capacity building collaborative programme for General Thoracic Surgery, 30 September 2019, AIIMS, Rishikesh
7. Access into Thoracic cavity, Capacity building collaborative programme for General Thoracic Surgery, 30 September 2019, AIIMS, Rishikesh.
8. Thoracic trauma and Cardiac trauma, Capacity building collaborative programme for General Thoracic Surgery, 30 September 2019, AIIMS, Rishikesh
9. Principles of triage and triage, Trauma quality insurance program, 26 November 2019, JPNATC, AIIMS
10. Initial Assessment and Management of Trauma, Meeting of Education, 28 November 2019, AIIMS, Rishikesh
11. Management of Traumatic liver injury, HPB Surgery Post graduate course, 3 December 2019, ILBS, New Delhi

#### **Chhavi Sawhney**

1. Donor screening and management, In House training of Nurses on Deceased organs and tissue Donation, 12 September 2019, AIIMS, New Delhi
2. Basics of Ultrasound and ultrasound guided axillary nerve and infraclavicular nerve block, Ultrasound guided regional anesthesia workshop, 18 May 2019, MAMC, New Delhi
3. Maintenance of Brain dead potential organ donor, Workshop on critical care in trauma, 20-21 July 2019, PGIMER, Chandigarh
4. MCI: Time to get prepared, 1st International Conference of Indian College of Anesthesiology, 7 September 2019, Sir Ganga Ram Hospital, New Delhi
5. Anesthesia for remote locations (CT/MRI/ERCP), 2nd AIIMS PG ASSEMBLY, 3 October 2019, AIIMS, New Delhi

#### **Deepak Gupta**

1. Imaging of Lumbar degenerative scoliosis DRE Zotomy for Brachial plexus neuralgia, 4th Superspeciality CME of NSI Society 2019, 6-7 July 2019, Guwhati, Assam
2. First successful craniopagus twin separation surgery of India (closed doors open windows): Time to say goodbye to venous bypass in shared circular sinus, AANSIM (NSICON ) 2019, 5-8 December 2019, Mumbai
3. Nuances of Craniopagus twin separation, INDSPNCON 2020, 6-8 February 2020, Kolkata

#### **Dinesh Kr. Bagadia**

1. Advanced trauma and assessment management (ATAM) course, Healthcare worker's training for ICMR Project, 1 April 2019, Ballabgarh
2. Children's Workshop on First Aid/ CPR", FICCI Scrapbook-Children's Publishing Conclave, 10 August 2019, New Delhi
3. Essential Surgical Skills To Manage Acutely Injured Patient, TRAUMACON 2019, 30 August 2019, Lucknow
4. Chest Wall Trauma, When Thoracic Surgeon Comes In? SELSICON 2019, 15 September 2019, New Delhi
5. Master Technique video of "Mattox manoeuvre", SURGILAPCON 2019, 8 December 2019, Lucknow
6. Management of Thermal Injuries, ATLS and ATCN Provider Course, 20 December 2019, AIIMS, Rishikesh
7. Management of Pediatric Trauma, ATLS Provider Course, 13 February 2020, MGUMST, Jaipur
8. Management of Spine and Spinal Cord Trauma, 14 February 2020, MGUMST, Jaipur
9. Management of Liver injury diagnosed post imaging, Consensus meeting to formulate ISTAC guidelines for Solid Organ Injury Management, 18 February 2020, New Delhi
10. Management of Splenic Injury Diagnosed Post Imaging, Consensus meeting to formulate ISTAC guidelines for Solid Organ Injury Management, 19 February 2020, New Delhi

#### **Gyaninder Pal Singh**

1. Neurological Monitoring During non-neurological surgery- What, Why and When? ISACON 2019, 13-14 April

2019, New Delhi

2. Neuromonitoring - Concept and Practice, ISACON 2019, 26-28 July 2019, Tamil Nadu, Chennai
3. Initial Approach to a Neurotrauma Patient, Neurotrauma 2019, 22-25 August 2019, Agra
4. Cerebral Oxygen Monitoring in acute severe TBI, Neurotrauma 2019, 22-25 August 2019 Agra
5. Basic Life support and Maternal CPR, 41st Annual Conference of AOGD, 28-29 September 2019, New Delhi
6. Neuromonitoring, 7th AIIMS Neuroanaesthesia & Neurocritical Care Update 2019, 18-20 October 2019, New Delhi
7. Airway and Breathing, Acute Neuro Care, 16-17 November 2019, Hyderabad
8. Status Epilepticus, Acute Neuro Care, 16-17 November 2019, Hyderabad
9. Fluid stewardship in Neuroanaesthesia and Neurocritical care, 21st Annual Conference of ISNACC, 30th Jan-2nd February 2020, Mahabalipuram, Chennai

#### **Junaid Alam**

1. Advise on discharge in blunt liver injury, ISTAC CONSENSUS MEETING, 18 January 2020, New Delhi
2. Advise on discharge in blunt splenic injury, ISTAC CONSENSUS MEETING, 18 January 2020, New Delhi

#### **Kamran Farooque**

3. Faculty for Iliac and S2 Alar Screw, 2nd CIO Advanced Spine Cadaveric Workshop, 14 April 2019, VMMC, SJH, New Delhi
4. PeriProsthetic Humerus Fracture, 9th National AO Trauma Meeting, 21 April 2019, Chandigarh
5. Decision Making and implants in IT Fractures, DOA Advance Trauma Course, 2 June 2019, JPNATC, New Delhi
6. Faculty for 'Workshop on TFNA- Nail' for IT Fractures, DOA Advance Trauma Course, 2 June 2019, JPNATC, New Delhi
7. MIS in TL Trauma, 'NAVESCON 2019', 14 July 2019, Rohilkhand Medical College, Bareilly
8. DOA Hands on Microscopic Spine Cadaveric Workshop, 14 September 2019, JPNATC, AIIMS, New Delhi
9. Posterior Dorso Lumbar Exposure, D- L Spine Workshop, IOACON 2019, 19 November 2019, Kolkata
10. Video Presentation on TLIF at 'Dorso Lumbar Spine Workshop' D- L Spine Workshop, IOACON 2019, 19 November 2019, Kolkata
11. Ant. Approach to TL Fractures', NZOACON, 16 February 2020, AIIMS, Rishikesh

#### **Kapil Dev Soni**

1. Basics of Ultrasound, Use of Linear probe in critical care, Annual Delhi ISA Chapter, 12 April 2019, New Delhi
2. Role of ultrasound in lung pathologies, CME on Trauma Update, 9 April 2019, Jodhpur
3. Focused Echo, CME on Trauma Update, 9 April 2019, Jodhpur
4. How to write impactful medical article, 4th National symposium on clinical research methodology, 24 August 2019, Coimbatore
5. Damage control resuscitation: restarting machinery of life, RAJCRITICON 2019, 31 August 2019, Jodhpur
6. Lactate Guided Resuscitation Should Be Abandoned in Favour of Peripheral perfusion guided One", Resuscitation, 1 December 2019, Faridabad
7. Management of Polytrauma.(Panelist), Resuscitation, 1 December 2019, Faridabad
8. Endpoints of resuscitation, 26th Annual Conference of Indian Society of Critical Care Medicine – Criticare 2020, 26 February 2020, Hyderabad
9. Initial management of trauma victim, 26th Annual Conference of Indian Society of Critical Care Medicine – Criticare 2020, 26 February 2020, Hyderabad
10. EFAST, 26th Annual Conference of Indian Society of Critical Care Medicine – Criticare 2020, 26 February 2020, Hyderabad
11. Trauma Radiology, 26th Annual Conference of Indian Society of Critical Care Medicine – Criticare 2020, 26 February 2020, Hyderabad
12. Life threatening hemorrhage, acute coagulopathy of trauma and massive transfusion in ICU, 8th Annual Critical Care Refresher Course, 8 March 2020, Gurugram

#### **Keshav Goyal**

1. Neuro monitoring in nutshell, Neuroanesthesiology and Neuro-Critical Care Update 2019, 6-7 April 2019, AIIMS, New Delhi

2. Traumatic Brain Injury: Acute Emergency Management, Acute Neuro Care (ANC), Auditorium, PGIMER, 25-26 August 2019, Chandigarh
3. Neurotrauma and ATLS- An Update, 1st Bilasa Criticon 2019, 14-15 September 2019, Bilaspur (CG)
4. Spirometry, AIIMS Anaesthesiology Post Graduate Assembly 2019, 29 September- 3 October 2019, AIIMS, New Delhi
5. Traumatic Brain Injury: Acute Emergency Management, Acute Neuro Care (ANC), Yashoda Hospitals, 16-17 November 2019, Secunderabad
6. Sodium and fluid management in Surgical ICU patients, Acute Critical Care Course (ACCC) For Interns, SET Facility, Convergence Block, 30-31 October 2019, AIIMS, New Delhi
7. Blood gases on ABG interpretation made easy, Acute Critical Care Course (ACCC) For Interns, SET Facility, 30-31 October 2019, AIIMS, New Delhi
8. Raised ICP and Herniation – Moderator, AIIMS NANC Update 2019, JLN Auditorium, 18-19 October 2019, AIIMS, New Delhi
9. Quiz Master, AIIMS NANC Update 2019, JLN Auditorium, 18-19 October 2019, AIIMS New Delhi
10. Fiber optic Bronchoscopy Guided intubation, Cadaveric Airway workshop, 18-19 October 2019, JPNATC, AIIMS, New Delhi
11. Chin Chest deformity (Case Discussion), AIIMS Neuroanaesthesia Update 2018, JLN Auditorium, 2-4 November 2018, AIIMS, New Delhi
12. Focused session on Neuroanaesthesiology, ISCAON 2019, Gayatri Vihar, Palace Grounds, Gayatri Vihar, Bangalore
13. Basic concepts of Neuroanaesthesiology and Neurocritical Care, Rewa CME, 24 May 2019, Rewa M.P.

#### **Narendra Choudhary**

1. Hypotensive Resuscitation in Emergency Department, National Emergency Medicine Conference “EMINDIA 2019”, 3-4 August 2019, AIIMS, New Delhi
2. Chest Injuries and Chest tube drainage – Review and appraisal of current practice, Annual Conference of ASI – Rajasthan Chapter “ASIRAJ 2019”, 18-20 October 2019, AIIMS, Jodhpur
3. Resuscitative Thoracotomy in ED – Incisions and Approaches, National Conference of American College of Surgeons – India Chapter “ACSCON 2020”, 1 January 2020, JPNATC, AIIMS
4. Legal Implications of Medical Records, CME on Impact of EMR in AIIMS, 27 January 2020, JPNATC, AIIMS
5. Thoracic Trauma and Management, ATLS Provider Course, 27-29 February 2020, RML Hospital, New Delhi
6. Management of Torso Trauma, 19th Annual Conference of ASI – CG chapter “CG ASICON 2020”, 6- 7 March 2020, AIIMS, Raipur

#### **Navdeep Sokhal**

1. Percutaneous Tracheostomy, Airway management Workshop, 18 October 2019, New Delhi
2. Update: Best of old with a promise of new, AIIMS Neuroanaesthesia & Neurocritical Care Update, 19 October 2019, New Delhi
3. Respiration - applied physiology, Acute Critical Care Course, 30 October 2019, New Delhi
4. Airway and ventilatory management, ATLS 2019, 19 December 2019, Rishikesh
5. Spine and spinal cord trauma, ATLS 2019, 20 December 2019, Rishikesh
6. Stabilise - Hemodynamic monitoring: Tools and tricks, ISNACC 2020, 31 January 2020, Mahabalipuram, Chennai
7. Vascular Access, Acute Critical Care Course, 30 October 2019, New Delhi
8. Basic and advanced airway management, ATLS 2019, 19 December 2019, Rishikesh

#### **Niraj Kumar**

1. Non-operative acute cervical spinal cord trauma - challenges in the management, ISACON DELHI 2019, 13 April 2019, New Delhi
2. Central venous cannulation, EMINDIA 2019, 31 July to 1 August 2019, New Delhi
3. Donor Screening And Maintenance, ORBO, 8 August 2019, New Delhi
4. USG in Neurological emergencies, ANC, 25 August 2019, Chandigarh
5. Vascular access, AIIMS – EM-SONO, 15 September 2019, New Delhi
6. Anesthetic Management of Craniosynostosis, 32nd ISACON Bihar -Jharkhand – 2019, 29th September 2019, Bokaro, Jharkhand

7. Donor Screening and Maintenance, ORBO, 4th October 2019, New Delhi
8. USG as an aid to airway, Myth and controversies in brain death through real life, AIIMS Neuroanaesthesia and Neurocritical care update -2019, 18-20 October 2019, New Delhi
9. Traumatic spine injury USG in Neurological emergencies, ANC, 16-17 November 2019, Hyderabad
10. Basic statistics, sample size calculation and basic statistical tool, ISNACC 2020, 31 January 2020, Mahabalipuram
11. Diagnosis and certification of brain stem death criteria, ORBO, 24 February 2020, New Delhi

### **Pankaj Singh**

1. Evolution in management of hangmans fracture, 9th AIIMS complex spine live operative workshop, 21-22 October 2019, AIIMS, Delhi
2. Evolution in management of hangmans fracture: From C2 Pedicle alignment to C2 pedicle reformation, INCONESON 2019, 5 and 6 April 2019, Kathmandu

### **Purva Mathur**

1. Role of IT in patient safety, Workshop on Patient Safety Goals, LT-7, Dr. R.P. Centre, AIIMS, 17 September 2019, New Delhi
2. Candida in Indian ICUs CME on “Antimicrobial Resistance, the 59th annual conference of National Academy of Medical Sciences (NAMS) NAMSCON 2019, 11 October 2019, AIIMS, Bhopal
3. Bone and Joint Infection. Updates on surgical site infection in Orthopedic, OTA-AAOS Live Program, Hotel Andaz Hyatt, 13-14 September 2019, Aerocity, New Delhi
4. Core activities of an Infection control program and their implementation, ICMR AMSP project workshop- Anti-Microbial Stewardship amongst the practicing physicians and hospitals around our hospital, Sir Ganga Ram Hospital Auditorium, 10 September 2019, New Delhi
5. Surveillance of HAI in Delhi session on “AMR Containment in Delhi-focus on key area”, ICMR AMSP project workshop- Anti-Microbial Stewardship amongst the practicing physicians and hospitals around our hospital, Sir Ganga Ram Hospital Auditorium, 10 September 2019, New Delhi
6. Surveillance of HAI in Delhi session on “AMR Containment in Delhi-focus on key area”, Stakeholders Workshop to Develop Strategic Action Plan to Combat Antimicrobial Resistance in Delhi (SAP-CARD), 26 August 2019, New Delhi
7. Hospital Acquired Infection (HAI) Surveillance in India, The India WHO-Epidemic Intelligence Service (EIS) Training Program, 22 August 2019, New Delhi
8. “HAI and AMR : The Indian Scenario- Results from India AMR Surveillance Network”, 3rd Manipal International Infectious Diseases conference, Medicine & Unit Chief Kasturba Medical College, 10 August 2019, Manipal
9. Infection Prevention & Control Certificate Course (Workshops- Hospital acquired infections & Antimicrobial stewardship), Fortis Healthcare & SRL, Basement auditorium, Fortis Escorts Heart Institute, 26 -28 July 2019, Okhla, New Delhi.
10. Introduction of Prevention and Control of Hospital Acquired Infections to new Joining Nursing Officers, Induction Programme for New Joining Nursing officers, 23 July 2019, JPN Apex Trauma Centre, AIIMS
11. Introduction to Automated software-based surveillance system for device associated infections, Delhi Society for Promotion of Rational Use of Drugs and Government of NCT of Delhi (Certificate Course Hospital Infection Prevention And Control), Medical Education Cell, MAMC, 08-12 July 2019, Delhi
12. Development of HAI and IPC standards for India, National Patient Safety expert group meeting MOHFW, 23 and 24 April 2019, New Delhi

### **Richa Aggarwal**

1. Do balanced salt solutions really maintain balance, CLUE emodynamic conference 2019, Institute of Liver and Biliary sciences, 24 November 2019, New Delhi
2. ARDS in Emergency Department, EMINDIA 2019, 4 August 2019, AIIMS Delhi
3. ARDS – new strategies, CME – Critical care in trauma, 21 July 2019, PGIMER, Chandigarh
4. As chairperson – Role of hypothermia in neuro ICU, AIIMS Neuroanaesthesia neurocritical care update, 19 October 2019, AIIMS, New Delhi
5. Diagnosis and Certification of Brain Stem Death Criteria, Training on Deceased Organ & Tissue Donation, 14 February 2020, AIIMS, New Delhi
6. Donor Screening & Maintenance, Training on Deceased Organ & Tissue Donation, CMET AIIMS, 20 January

2020, New Delhi

7. Initial assessment of the sick patient, Acute critical care course, SET facility, AIIMS, 30 October 2019, New Delhi
8. Renal dysfunction in surgical patient, Acute critical care course SET facility, AIIMS, 30 October 2019, New Delhi
9. Approach to a surgical patient with altered sensorium, Approach to a surgical patient with altered sensorium, SET facility, AIIMS, 30 October 2019, New Delhi
10. Airway skill station, Acute critical care course, SET facility, AIIMS, 30 October 2019, New Delhi
11. Donor Screening & Maintenance, Training on Deceased Organ & Tissue Donation, CMET AIIMS, 14 October 2019, New Delhi
12. Donor Screening & Maintenance, Training on Deceased Organ & Tissue Donation, CMET AIIMS, 10 May 2019, New Delhi
13. Donor Screening & Maintenance, Training on Deceased Organ & Tissue Donation, CMET AIIMS, 15 April 2019, New Delhi
14. Statistical tools in QI studies, Workshop and CME on QI, 3 March 2020, AIIMS, New Delhi

### **Rahul Chaurasia**

1. Massive Blood Transfusion Protocol, EMINDIA2019 (National Emergency Medicine Conference), 3 August 2019, New Delhi

### **S Arulsevi**

1. Utility of biomarkers to measure nutritional status, Indian Association for Parenteral and Enteral Nutrition (IAPEN) Clinical Nutrition Update Symposium-2019, 22 May 2019, AIIMS, New Delhi
2. Characterization of analytical errors in classical thromboelastography (TEG) interpretation, 60th Annual conference of Indian Society of Hematology and Blood transfusion (HAEMATOCN 2019).
3. A quality improvement initiative to improve critical value notification in the hematology laboratory, 60th Annual conference of Indian Society of Hematology and Blood Transfusion (HAEMATOCN 2019), 9 November 2019, New Delhi
4. Acute traumatic brain injury induced endotheliopathy and its impact on clinical outcome, 2nd International Conference on Surgery and Transplantation, Allied Academies, 17-18 February 2020, Paris, France.

### **Samarth Mittal**

1. TFNA in Intertrochanteric Fractures, AO Trauma Hands on workshop, 19 April 2019, Chandigarh
2. Surgical Tips and handling bicondylar proximal tibia fractures, POACON 2019, 20 October 2019, Ludhiana, Punjab
3. Ilioinguinal Approach, 4th AIIMS Pelvic Acetabulum Course, 27 April 2019, AIIMS, New Delhi
4. Iliofemoral Approach, 4th AIIMS Pelvic Acetabulum Course, 27 April 2019, AIIMS, New Delhi
5. High Load management in Emergency using technology, International Conference on Healthcare Technology, 18-19 July 2019, Bandung, Indonesia
6. Case presentation in Proximal humerus fracture, OTA/ AAOS best of orthopaedic techniques, 13-14 September 2019, Gurgaon
7. Case presentation in Hip fracture, OTA/ AAOS best of orthopaedic techniques, 13-14 September 2019, Gurgaon
8. Case presentation in Ankle fracture, OTA/ AAOS best of orthopaedic techniques, 13-14 September 2019, Gurgaon
9. Basic principles of plating, DOA Basic Trauma Course, 22 December 2019, Delhi
10. Fractures of the clavicle - When to fix and how to fix, AO Trauma Course—Advanced Principles of Fracture Management, 5-7 February 2020, Jodhpur
11. Femoral shaft fractures with ipsilateral fracture neck femur, AO Trauma Course—Advanced Principles of Fracture Management, 5-7 February 2020, Jodhpur
12. Neglected Patellar tendon Repair, 5th Annual Jammu Trauma Meet 2020, 29 February- 1 March 2020, Jammu
13. Intra articular fractures of distal femur, 5th Annual Jammu Trauma Meet 2020, 29 February- 1 March 2020, Jammu
14. Acute Patellar fracture: treatment options, 5th Annual Jammu Trauma Meet 2020, 29 February- 1 March 2020, Jammu
15. Floating knee, 5th Annual Jammu Trauma Meet 2020, 29 February- 1 March 2020, Jammu
16. Approaches to proximal tibia, 5th Annual Jammu Trauma Meet 2020, 29 February- 1 March 2020, Jammu

### **Shivanand Gamangatti**

1. Embolization in GI bleed, CME on Interventional Radiology, 7 July 2019, Delhi
2. Basics of Non-Vascular Interventions, IREP, 23-25 August 2019, Delhi
3. Pediatric Trauma Imaging, Annual Conference of ISPR, 7-8 September 2019, Delhi
4. IR in abdominal Trauma, Annual Conference of ISGAR, 27-29 September 2019, Kochi
5. Radiology for GIS surgeons, Annual conference of IASGCON, 9-13 October 2019, Delhi
6. MR imaging of TFCC tears, Annual IRIA conference (UP branch), RICON, 12-13 October 2019, Agra
7. Imaging of Prosthetic Joints, Annual IRIA conference (UP branch), RICON, 12-13 October 2019, Agra
8. Fibrin sheath Angioplasty, Quarterly meeting of ISVIR (Delhi state Branch), 19 October 2019, Delhi
9. Imaging in glenoid labral tears, MSK imaging. Delhi State IRIA, 20 October 2019, Delhi
10. Understanding and diagnosing TFCC tears, MSK imaging. Delhi State IRIA, 20 October 2019, Delhi
11. Chemical Ablation is it relevant in the era of thermal ablation? Ablation Workshop, 8 November 2019, Chandigarh
12. MR imaging of Wrist: Intrinsic ligaments and TFCC, IRIA -Chandigarh State Branch, 8 November 2019, Chandigarh
13. Vascular Interventions in Genitourinary tract, AIIMS-MAMC-PGI imaging course on Genitourinary imaging, 15-16 November 2019, Delhi
14. Peripheral Vascular Injuries: Imaging and Interventions, Annual Conference of SER, 30 November 2019, Delhi
15. IR in Abdominal Trauma, APDW 2019, 12-15 December 2019, Kolkata
16. Novel use of Interventional Radiology in Trauma, 73rd Annual Conference of IRIA, 23-26 January 2020, Gujrat
17. Radiology in Liver Injury, Consensus meeting to formulate ISTAC guidelines for Solid Organ Injury Management, 18-19 January 2020, Delhi
18. Peripheral Vascular Injuries: Imaging and Interventions, CME on Peripheral Vascular Interventions. ISVIR, 23 February 2020, Delhi

### **Soumita Bagchi**

1. Antimicrobial dose adjustment in acute kidney injury, Critical Care Nephrology Conference 2020, 15 March 2020, Indore
2. Novel Biomarkers of AKI beyond creatinine : what and when should be used? ISN-NZ 2020, 1 March 2020, Lucknow
3. Infectious complications after renal transplantation, CAST 2019, 29 September 2019, Delhi
4. Mechanisms of AKI and therapeutic interventions, AKI and CRRT update, 8 April 2019, Delhi

### **Subodh Kumar**

1. Vascular Trauma, VIMS Trauma Update 2019, Vivekanand Institute of Medical Sciences, 20 April 2019, Kolkata
2. Airway in Trauma, Vivekanand Institute of Medical Sciences, 20 April 2019, Kolkata
3. Training in Trauma Care in India beyond ATLS, CME during 1st Foundation day of Apex Trauma Center, SGPGI of Medical Sciences, 31 July 2019, Lucknow
4. Initial Assessment & Management of a Trauma Victim, Skill Based Trauma Care Workshop, Bangladesh College of Physicians & Surgeons, 4 August 2019, Dhaka, Bangladesh
5. Current status of Trauma Education in India- Need for Trauma Residency Program, TRAUMA 2019, K G Medical University, 28 August 2019, Lucknow
6. Damage Control Surgery in Trauma, TRAUMASICON-2019, 7 September 2019, JB Auditorium, Ahmedabad
7. Trauma Thoracotomy, SURGERY UPDATE 2019, Maulana Azad Medical College, 24 September 2019, New Delhi
8. Management of Pancreatic- Trauma, Chinese Surgical Week-2019, Chengdu City International Convention Center, 18-20 October 2019, Chengdu, China
9. Damage Control Surgery in Trauma, Chinese Surgical Week-2019, Chengdu City International Convention Center, 18-20 October 2019, Chengdu, China
10. Adult Teaching & Learning, ATLS Instructor Course, 3 November 2019, RML Hospital, Delhi.
11. Abdominal Compartment syndrome-Recognition & Management, 35th Annual Conference of the Northern Chapter of Association of Surgeons of India (NC-ASI), 16 November 2019, PGIMER, Chandigarh
12. Ethics in Medical Practice, 41st Annual conference of AOGD, 28 September 2019, New Delhi

13. Management of Pelvic Trauma, SURGICON 2019 of Delhi chapter of ASI, 23 November 2019, Manekshaw Center, New Delhi
14. Algorithmic approach to management of a Trauma Victim, ACSCON-2020 of American College of Surgeons (Indian Chapter), Railway Museum Auditorium, 4 January 2020, New Delhi
15. What's new in Trauma Management Guidelines, CRITICARE 2020 26th Annual National Conference of Indian Society of Critical Care Medicine, Hyderabad International Convention Center, 28 February 2020, Hyderabad
16. Mass Casualty Management, HELP Course of ICRC, 3 March 2020, IIHMR, New Delhi

### **Sushma Sagar**

1. Mass Casualty Management, Emergency Medical Response & Psychosocial Care in Disaster Situation, 11 April 2019, JPNATC, AIIMS
2. Leadership for Change, 5th United Nations Global Road safety week, Indian road safety campaign(IRSC), 17 May 2019, IIT, Delhi
3. Thermal Injuries, ATLS Provider Course, 29 June to 1 July 2019, AIIMS, Rishikesh
4. Reproductive Health in Disasters, National Institute of Disaster Management (NIDM), 25 July 2019, YWCA, NIDM Hall, Delhi
5. ABCDE in maxillofacial trauma (ATLS way), AO CMF Course: Management of Facial Trauma, 23 August 2019, JPNATC, AIIMS
6. Maxillofacial Trauma from Airway to Cosmesis, TRAUMA 2019, 28-30 August 2019, KGMU, Lucknow
7. Role of Youth in Road safety, iSAFE Launch- The Safer India Challenge'19, 7 September 2019, IIT, New Delhi
8. First Aid for Children in school, National Institute of Disaster Management (NIDM), 17 September 2019, YWCA, NIDM Hall, Delhi
9. Looking Back, Looking Forward, ATLS Instructor Course, 4 November 2019, Dr. RML Hospital, Delhi
10. Critical Gaps in Trauma Care- Plugging the holes, Trauma Quality Improvement (TQIP), 26 November 2019, JPNATC, AIIMS
11. Early Physiotherapy protocols in Trauma: An outcome predictor, 8th INCPT AIIMS-2019, 21 December 2019, JPNATC, AIIMS
12. Holistic approach to Maxillofacial Trauma: A decade's experience at JPNATC, Clinical Grand Round, 14 January 2020, AIIMS, New Delhi

### **Vijay Sharma**

1. Symphyseal Plating, Current Concepts of Trauma 2019 Under the aegis of Trauma Society of India, 6 April 2019, Westin, Gurgaon
2. Case presentation, Posterior Wall Reconstruction in Acetabulum, Current Concepts of Trauma 2019 Under the aegis of Trauma Society of India, 6 April 2019, Westin, Gurgaon
3. Decision Making in management of acetabular fractures, 4th Pelvic Acetabulum Cadaveric Course, 27-28 April 2019, AIIMS, New Delhi
4. Definitive fixation of Anterior pelvic ring, 4th Pelvic Acetabulum Cadaveric Course, 27-28 April 2019, AIIMS, New Delhi
5. Current trends in the management of fractures of Patella, Advance Trauma Course under the aegis of Delhi Orthopedic Association, 2 June 2019, AIIMS, New Delhi
6. Delayed presenting Pelvi-Acetabular fractures: How to manage, MIDCON under the aegis of Delhi Orthopedic Association, 7 July 2019, Jamia Milia University, New Delhi
7. Fragility Fracture Liasion Service: Need for the hour, India Arthritis and Osteoporosis Conclave 2019 under the aegis of Bone and Joint Society, 13 October 2019, New Delhi
8. Proximal Humeral Fractures in Elderly, DOACON 2019 Annual Conference of Delhi Orthopaedics Association, 19 October 2019, New Delhi
9. Pipkin Type 3 Fracture, DOACON 2019 Annual Conference of Delhi Orthopaedics Association, 19 October 2019, New Delhi
10. Decision Making in management of acetabular fractures, Workshop on Pelvi-Acetabular Trauma 2019, 26 October 2019, Sir Ganga Ram Hospital, New Delhi
11. Modified Stopa Approach for Acetabular Fractures, Workshop on Pelvi-Acetabular Trauma 2019, 26 October 2019, Sir Ganga Ram Hospital, New Delhi
12. Current trends in the management of fractures of Patella, 12th International Conference on Orthopaedics,

Osteoporosis & Trauma, 13-14 November 2019, London

13. Management of Ipsilateral Neck and Shaft of Femur Fractures, 23rd Annual Conference of Trauma Society of India (CCT 2020), 28 February – 1 March 2020, Jodhpur, Rajasthan
14. Moderator, Complex Fractures of Proximal Femur, 23rd Annual Conference of Trauma Society of India (CCT 2020), 28 February – 1 March 2020, Jodhpur, Rajasthan

## **RESEARCH**

### **Funded projects**

#### ***Ongoing***

1. Comparative Evaluation of Genetic and Biochemical profile in postmenopausal osteoporotic and age matched healthy women, Rajesh Malhotra, ICMR, 3 years, 2019- 2022, Rs 139.03 lakhs
2. A prospective randomized study to compare the systemic emboli in computer assisted navigation Vs conventional surgical technique of knee replacement, Rajesh Malhotra, ICMR, 3 years, 2019-2022, Rs 50 lakhs
3. Prospective, Multi-centre Outcomes Study of Persona Knee System in Total Knee Arthroplasty, Rajesh Malhotra, Zimmer, 7 years, 2015-2022, Rs 24 lakhs
4. To study efficacy of amniotic membrane as an alternative wound dressing in patients with post traumatic raw area admitted in trauma surgery unit, Abhinav Kumar, AIIMS, 1 year, 2018-2019, Rs 5 lakhs
5. Metabolomic Profiling and Serial Changes in Patients with Isolated Blunt Chest Trauma– A Prospective, cohort, feasible and exploratory study, Abhinav Kumar, AIIMS, 2 years, 2019-2021, Rs 5 lakhs
6. An Intervention Study on Comprehensive Emergency Care and Trauma Registry for Road Traffic Injuries in India. ICMR-National Task Force Project, Amit Gupta, ICMR, 2 ½ years, 2017-2019, Rs 75 lakhs
7. An interventional study of developing robust trauma care systems in India, Amit Gupta, ICMR, 3 years, 2019-

2022, Rs 53 lakhs

8. Enhancing the success and safety of endotracheal intubation by development of an innovative intubation system: A Pilot Project, Babita Gupta, ICMR, 2 years, 2020-2022, Rs 55 lakhs
9. ADAPT, Deepak Gupta, National Institute of Health, 5 years, 2015-2022, Rs 105.49 lakhs
10. CENTER-TBI, Deepak Gupta, Universitair Ziekenhuis Antwerpen (UZA), Belgium, 2 years, 2016-2020, Rs 3.75 lakhs
11. RESCUE ASDH, Deepak Gupta, Cambridge University, 3 years, 2017-2020, Rs 9.52 lakhs
12. Estimation of occurrence of intra abdominal hypertension and its implication on Non operative management protocol in patients with solid organ injury following blunt trauma abdomen, Dinesh Bagaria, AIIMS, 1 year, 2019-2020, Rs 4.8 lakhs
13. Epigenetic regulation of pro-inflammatory and anti-inflammatory cytokine gene in posttraumatic sepsis and septic shock-defined by sepsis-3 classification A exploratory study in major trauma patients, Kapil Dev Soni, AIIMS, 1 year, 2019, Rs 5 lakhs
14. Comparison of laparoscopic feeding gastrostomy versus Percutaneous endoscopic gastrostomy for long term assisted enteral feed in trauma patients – A randomized pilot study, Narendra Choudhary, AIIMS, 2 years, 2019-2021, Rs 4.75 lakhs
15. Effect of Decompressive Craniectomy on Jugular Venous Oximetry in Patients With Severe Traumatic Brain Injury, Navdeep Sokhal, AIIMS, 3 years, 2018-2020, Rs 2.5 lakhs
16. Development and validation of novel pressure measuring device for measuring the collapsing pressure of internal Jugular vein during an ultrasound examination, Niraj Kumar, AIIMS+IIT Delhi, 2 years, 2019-2020, Rs 20 lakhs
17. Capacity Building and Strengthening of Hospital Infection Control to detect and prevent antimicrobial resistance in India, Purva Mathur, Centers for Disease Control and Prevention, 5 years, 2015-2020, Rs 882.59 lakhs
18. Development and Validation of an Electronic Surveillance System for Surgical Site Infections Developing During Hospital Stay and After Discharge: A Multi-Centric Study, Purva Mathur, ICMR, 3 years, 2017-2020, Rs 131.58 lakhs
19. Role of Post-Trauma Lymphocyte - Monocyte Response and Programmed Death- 1 Levels in Early Diagnosis of Sepsis and Prognosticating Outcome in Trauma Patients, Purva Mathur, ICMR, 3 years, 2018-2021, Rs 45.10 lakhs
20. A randomized control trial for evaluation of effects of leukoreduced blood transfusion on infection risk in severely injured trauma patients, Rahul Chaurasia, AIIMS, 2 years, 2019-2020, Rs 10 lakhs
21. Evaluation of cytokines IL17 and IL 22 in polytrauma patients with ventilator associated pneumonia admitted in Trauma ICU, Richa Aggarwal, AIIMS, 2 years, 2019-2021, Rs 9.0 lakhs
22. Translational application of novel clinically accessible biological predictors to improved identification of mild and moderate Traumatic Brain Injury (TBI) induced neuro psychological impairment, S Arulselvi, ICMR, 2 years, 2019-21, Rs 42.23 lakhs
23. Evaluation of Cathepsin B in peripheral blood of Isolated Traumatic Brain Injury patients and its correlation, S Arulselvi, ICMR, 3 years, 2020-2023, Rs 50.64 lakhs
24. Correlation between preoperative CSF melatonin levels and post operative delirium in geriatric hip fractures, Samarth Mittal, AIIMS, 2 years, 2018-2020, Rs 5 lakhs
25. Incidence of Heterotropic Ossification in Pelvi - Acetabular fractures – Can It be predicted and prevented? A prospective, clinical research, Samarth Mittal, AO Trauma, 2 years, 2018-2020, Swiss Francs 8000.
26. The association of HLA antigens with primary IgA nephropathy in Indian patients, Soumita Bagchi, AIIMS, 1 year, 2019-2020, Rs 5 lakhs
27. An adaptive seamless randomized, double blind, placebo-controlled, dose ranging study to investigate the efficacy and safety of LNP023 in primary IgA nephropathy patients, Soumita Bagchi, Novartis Ltd, 2 years, 2019-2021, Rs 1.98 lakhs per patient
28. A randomized, treatment open-label, dose-blinded parallel group, three arm, proof-of-concept clinical trial to investigate the efficacy and safety of LNP023 compared with rituximab in the treatment of subjects with idiopathic membranous nephropathy, Soumita Bagchi, Novartis Ltd, 3 years, 2019-2022, Rs 2 lakhs per patient
29. To study the impact of Yoga on Pulmonary Functions, Immune Response & Quality of Life in Chest trauma patients at Level-1 Trauma Center, Subodh Kumar, DST, 3 years, 2016-19, Rs 40 lakhs
30. Role of neutrophils and new immune cells in the outcome of Chest trauma patients, Subodh Kumar, ICMR, 3 years, 2019-2022, Rs 36 lakhs
31. A Randomized Control Trial to study the impact of Yoga Intervention in lower limb amputees following trauma

in relation to postsurgical outcome, behavior and quality of life at Level-I Trauma Center, Sushma Sagar, DST, 3 years, 2017-2020, Rs 54 lakhs

### **Completed**

1. CV185-158: Phase IV, Open-Label, Multi-center Study to Evaluate the Safety of Apixaban in Indian Subjects Undergoing Elective Total Knee Replacement or Total Hip Replacement Surgery, Rajesh Malhotra, PPD, 4 years, 2015-2019, Rs 33 lakhs
2. Comparison of yearly zoledronic acid Versus Weekly Alendronate in Preference, Convenience, compliance, persistence and Bone Turnover Markers in Indian Postmenopausal Osteoporotic Women, Rajesh Malhotra, ICMR, 3 years, 2016-2019, Rs 39 lakhs
3. A system biology approach using Proteomic, metabolomics and metagenomics of saliva of oral cancer patients for identification of potential biomarkers, Abhinav Kumar, ICGEB core Fund, 3 year, 2015-2018, Rs 25 lakhs
4. Assessment of effect of cerebral perfusion pressure augmentation in severe head injuries by monitoring of regional energy metabolism by cerebral microdialysis, Ashish Bindra, AIIMS, 2 years, 2016-2018, Rs 4.95 lakhs
5. Cerebroprotective role of Dexmedetomidine in Epilepsy Surgery, Ashish Bindra, AIIMS, 2 years, 2012-2014, Rs 2.62 lakhs
6. A randomized controlled study of the effects of single dose preoperative vitamin C versus placebo on postoperative morphine consumption after spine surgery, Niraj Kumar, AIIMS, 3 years, 2014-2017, Rs 2.8 lakhs
7. Incidence of posterior vessel wall punctures during ultrasound guided vascular access: short axis versus long axis approach, Niraj Kumar, AIIMS, 2 years, 2015-2017, Rs 3.7 lakhs
8. Evaluation of Urinary Biomarkers TIMP-2 and IGFBP7 for early prediction of acute kidney injury after traumatic crush injuries, Richa Aggarwal, AIIMS, 2 years, 2017-2019, Rs 3.5 lakhs
9. Utility on novel Coated Platelets as a marker for early prognostication of neurocognitive impairment following traumatic injury, S Arulselvi, DST-CSIR, 3 years, 2016-19, Rs 37.11 lakhs
10. Prospective monitoring of BK virus replication in the first year following renal transplantation in Indian patients, Soumita Bagchi, AIIMS, 2 years, 2014-2016, Rs 6.2 lakhs
11. Prevalence and significance of serum galactose deficient IgA1 in Indian patients with IgA nephropathy: a case control study, Soumita Bagchi, AIIMS, 1 year, 2017-2018, Rs 5 lakhs
12. To evaluate Results of Soft Tissue Reconstruction and Augmentation with Structural Fat Grafting in Patients with Post Traumatic Facial Disfigurement, Sushma Sagar, DST (Women Scientist), 3 years, 2015-2018, Rs 30 lakhs

### **Departmental projects**

#### **Ongoing**

1. A pilot study to evaluate the need of post operative systemic anticoagulation in patients with post traumatic medium size peripheral artery repair: A randomized control trial
2. A prospective randomized controlled trial to study the effect of two different tidal volumes (6-8 mL/kg vs 12-15 mL/kg) on the time to wean from ventilator in patients with cervical spine injury (C1-C5)
3. A Quality Improvement Initiative to Reduce Fibrin Clot Formation in Blood Collection Tubes Received in the Clinical Laboratory
4. A Randomised pilot study comparing surgical stabilization of rib fractures with standard non-operative management among mechanically ventilated patient with severe rib fractures
5. A randomized control trial for evaluation of effects of leukoreduced blood transfusion on infection risk in severely injured trauma patients
6. A Randomized Controlled Trial to Study the Clinical And Radiological Outcomes of Single Lag Screw Versus Helical Blade Cephalomedullary Nailing in the Treatment of Intertrochanteric Femur Fractures (Commenced in January 2019)
7. A Randomized Pilot study comparing surgical stabilization of Rib Fractures with standard non-operative management among mechanically ventilated patients with severe rib fractures
8. A study comparing contrast enhanced computed tomography abdomen versus diagnostic laparoscopy in patients with penetrating abdominal trauma: A randomized controlled trial
9. A study to evaluate the predictors of outcome in patients with blunt liver trauma
10. A study to Evaluate Utility of Routine use of contrast enhanced computed tomography scan torso in patients presenting with dangerous mechanism of injury in level I trauma centre
11. A study to find minimum effective volume of 0.5% ropivacaine for ultrasound guided costoclavicular block

12. A study to grade management related complications in acutely injured patients and their correlation with the outcomes at a level 1 trauma centre
13. Abbreviated Discharge Protocol in patients with Blunt Liver and Splenic Injury- A pilot Study
14. Altered microRNA expression in peripheral blood and brain following severe traumatic brain injury
15. An Ambispective observational study to evaluate the outcomes of management of traumatic pancreatic injuries at a level I trauma center
16. An Exploratory Study to Evaluate Surgical Outcome and Financial Burden in Patients Treated with 3D Printing Technology Assisted Surgery versus Conventional Surgery for Facial Fractures at Level 1 Trauma Centre, AIIMS, New Delhi
17. Assessment of physician satisfaction for the laboratory services in JPNATC, AIIMS, New Delhi
18. Assessment of post-trauma cytokine producing potential of monocytes for early diagnosis of organ dysfunction and sepsis
19. Assessment of splenic function in blunt splenic injury: prospective observational study
20. Assessment of splenic immune function in patients with blunt splenic injury
21. Association Between Perioperative Hypertension, Length of Hospital Stay And Perioperative Cardiovascular Complications: A Prospective Observational Study From Tertiary Care Centre
22. Bilateral Ultrasound guided erector spinae plane block for postoperative pain relief in traumatic spine surgery: A randomised controlled trial
23. Cardiovascular complications after traumatic spinal cord injury
24. Cellular prion protein as a potential bio-marker of traumatic brain injury and its co-relation with the severity of traumatic brain injury
25. A Prospective Randomized Study to compare Computer Assisted Navigation Vs Free Hand Surgical Technique of Total Hip Replacement
26. Delay in Surgery after Hip Fracture: Reasons and Impacts on Outcomes
27. Double Blind Randomized Control Trial to Assess the Outcome of Open Vs. Arthroscopic Excision of Dorsal Wrist Ganglion
28. Prospective Observational study of Transfusion Practices in Severely injured Trauma Patients in Emergency department at Level 1 Trauma Centre
29. Comparison of C-MAC video-laryngoscope with D-Blade, C-MAC video-laryngoscope with standard blade, and Macintosh Laryngoscopes for intubation with cervical spine immobilization: A randomized study
30. Comparison of ultrasound guided cannulation of subclavian vein (supraclavicular approach) versus internal jugular vein in neuro-intensive care patients on mechanical ventilation. A randomized study
31. Correlation of NIRS With Intraoperative Transfusion Trigger in Pediatric Patients Posted For Posterior Fossa Tumour Excision
32. Correlation of serum Immunoglobulin A/complement factor 3 (IgA/C3) with the clinical and histologic severity in patients with IgA nephropathy
33. Effect of decompressive craniectomy on jugular venous oximetry (SJVO<sub>2</sub>) in patients with severe Traumatic brain injury (TBI)- Funded by AIIMS, Rs 5 lakhs
34. Effect of Different Dose Regimens of Tranexamic Acid on blood loss in Pelvicacetabular Fracture Surgery: A Randomized Clinical Trial
35. Effect of Neuroradiologic interventions on regional cerebral oxygenation in patients with anterior circulation aneurysms: An observational Study
36. Effect Of phrenic nerve stimulation on diaphragmatic strength and thickness in mechanically ventilated patients
37. Effect of Virtual Reality Therapy (VRT) in improving Balance and Quality of life among the lower limb amputees- A Randomized Control Trial
38. Effects of regional anesthesia on perioperative inflammatory cytokines alteration and clinical complications
39. Effects of Severity of injury on the Dynamics of Immune Effector Cells (Th1, Th2, Th9, Th7, Th22) and neutrophils and their Correlation with Outcome in Patients with Blunt Thoracic Trauma
40. Electrolyte and acid base disturbances in post renal transplant patients: prospective study
41. Epigenetic regulation of pro-inflammatory and anti-inflammatory cytokine gene in posttraumatic sepsis and septic shock-defined by sepsis-3 classification: A exploratory study in major trauma patients
42. Evaluation of diagnostic characteristics of point of care ultrasound in identification of Maxillofacial fractures as compared to CT scan

43. Evaluation of effect of early use of Cryoprecipitate on blood components usage in severely bleeding trauma patients
44. Evaluation of effect of early use of Cryoprecipitate on blood components usage in trauma patients with haemorrhagic shock
45. Evaluation of the role of a Capacity building program for initial assessment and management of trauma patients in Emergency Department in improving knowledge, skills and attitude of Doctors and Nurses
46. Feasibility and Implementation of Hospital based Trauma Registry for Road Traffic Injuries at different levels of healthcare settings and its effect on quality of care
47. Focused airway sonography for evaluation of laryngeal mask airway placement: an observational study
48. Frailty as a predictor of adverse discharge outcomes in geriatric trauma patients undergoing surgery: A prospective Case Control Study
49. Impact of enhanced recovery after emergency surgery - A study comparing enhanced recovery protocol versus standard care inpatients undergoing laparotomy following trauma
50. Incidence and risk factors of deep vein thrombosis in patients undergoing intracranial tumor surgeries – A prospective study
51. Intraoperative somatic site near infrared spectroscopy changes in supratentorial craniotomy: A prospective study
52. Isolation of Characterization of Leishmania or Leishmania like parasite(s) from seropositive goat (printed but not submitted/viva cond)
53. Multipara metric approach to identify a predictive Biomarkers of sepsis and septic shock in trauma patients
54. Outcome correlation of initial arterial blood gas analysis in isolated thoracic injury
55. Outcome of Transjugular Intrahepatic Portosystemic Shunt in Budd Chiari Syndrome: An Ambispective Study
56. Postural Impact on Gastric Ultrasound assessment in pregnancy: An observational study
57. Predicting increased length of stay and adverse outcome in Indian Geriatric patients coming for surgery: A prospective case control study
58. Prevalence of Beijing & Non-Beijing genotypes of Mycobacterium tuberculosis isolated from different human body sites submitted but defence is pending
59. Primary versus Delayed Primary Closure in patients undergoing lower limb amputation following trauma: A Randomized control study
60. Raising mono & polyclonal antibodies against novel antigens of Mycobacterium tuberculosis and their diagnostic value in clinical samples 1st draft submitted
61. Randomized Control Trial comparing Radiological, Clinical and Functional Outcomes following Uniaxial vs Polyaxial Plating in Management of Tibial Plateau Fractures and CT Guided Mapping of Proximal Tibial Fractures in Indian Population
62. Randomized Control Trial: Comparative analysis of orbital volume in 3D-model assisted mesh adaptation versus conventional technique in reconstruction of orbital floor fracture
63. Reappraisal of the concept of massive transfusion in trauma patients presenting with hemorrhagic shock
64. Role Interventional radiology in Obstetric related Hemorrhage
65. Role of imaging for clinical outcome evaluation in pelvic fracture patients.
66. Role of lung ultrasound in estimating extravascular lung water as an early predictor of sepsis in Neurotrauma patients- An observational study
67. Role of Microdialysis in accurate and early detection of a compromised free flap
68. Role of T-Helper Cells and Neutrophils in the Outcome of Patients with Chest Trauma
69. Serum lactate, base deficit and glucose levels as prognostic markers of severe traumatic brain injury
70. Significance of Severe Thrombocytosis in North Indian Trauma Patients
71. Study of Oligodendroglial Linage, Myelination and remyelination in brain tissue in head injury cases
72. Study of role of biochemical parameters to determine outcome in elderly hip fracture patients
73. Study of the parameters, intervention and outcome in cases of Genito urinary injuries at level 1 trauma centre
74. Supportive management of IgA nephropathy-a prospective study
75. The Study of Feasibility of Ultrasound Guided Catheterization of Right Brachiocephalic Vein in Adult Patients
76. To compare the efficacy of Air- Q versus proseal in children (1-18 years) undergoing elective ophthalmic procedures – A randomized clinical trial
77. To establish sexual dimorphism & estimate age from Hyoid bone using anthropological and radiological techniques
78. To evaluate the effect of change in end tidal carbon dioxide on optic nerve sheath diameter under general anaesthesia

79. To evaluate the role of age-adjusted Charlson Comorbidity index in predicting 30 day postoperative outcome in patients undergoing surgery under general and regional anesthesia
80. To see the prevalence of microsporidia in stool samples of HIV sero negative adults, pediatric patient with diarrhoea May 2018 submitted
81. To study splenic functions & complications in patients with blunt splenic injury at level -1 trauma
82. To study the correlation between clinical parameters, and intra-abdominal pressure and their effect on the non-operative managements of patients with blunt abdominal trauma at Level I trauma center
83. To study the diagnostic characteristics of point of care ultrasound in blunt trauma chest patients
84. To study the effect of external pelvic fixation on the outcome of patients with pelvic fractures undergoing damage control surgery
85. To Study the effect of Yoga on Pulmonary functions, Respiratory muscle strength and endurance, chest wall mobility, inflammatory markers and Quality of life in blunt chest trauma patients and their correlation with thoracic trauma severity score at level-I Trauma Centre
86. To Study the management, outcome and Quality of life in patients with pelvic trauma at A level 1 Trauma Center
87. To study the risk factors and causes of extubation failure in head injury patients
88. To Study the Role of Prophylactic Antibiotics in patients with chest trauma at a level 1 Trauma Centre: A Pilot Randomized trial
89. To study the role of T helper-9, T helper-17, T helper-22, T- Regulatory lymphocytes in Post-Trauma Immunopathogenesis
90. To study the role of Vitamin D levels on disease severity and outcome in Indian patients with primary IgA nephropathy from the AIIMS Primary IgA Nephropathy(APIgAN) cohort

### ***Completed***

1. A Prospective Randomized Study to Evaluate Kinematic and Mechanical Alignment in Total Knee Arthroplasty
2. A study comparing enhanced recovery protocol versus standard care in patients undergoing laparotomy following trauma- A randomized controlled trial
3. A study to Analyse CD27 expression on T cells to differentiate active and latent Tuberculosis
4. A Study to assess the Impact of Educational Interventions on the Incidence of Central Line Associated Blood Stream Infections (CLABSI) at an Intensive Care Unit of Jai Prakash Narayan Apex Trauma Centre of AIIMS, New Delhi
5. A Study to Grade management related complications in Acutely injured patients and their correlation with the outcomes at a level 1 Trauma Center
6. Abbreviated discharge protocol in patients with blunt liver and splenic injury: a pilot study
7. Age Estimation Between age 1-18 years by radiological study of Epiphyseal Union around Elbow & Wrist joints
8. Assessment of the Critical value notification Process in a Clinical Laboratory for Quality Improvement
9. Assessment of the Handover Process in a Clinical Laboratory for Quality Improvement
10. Characterization of analytical errors in classical thromboelastography (TEG) interpretation
11. Chief Guide in A prospective randomized clinical trial to compare clinical, fluoroscopic and radiological outcome between medial pivot and lateral pivot knee
12. Clinical characteristics and outcome of patients with fat embolism syndrome in level- 1 Apex Trauma Centre – A prospective observational study
13. Clinico-radiological assessment of arthroscopic repair for recurrent anterior shoulder instability – A pilot study
14. Comparison of propofol and ketofol on transcranial motor evoked potentials in patients undergoing thoracolumbar spine surgery
15. Correlation between invasive and non-invasive technique of intracranial pressure measurement in children with traumatic brain injury: an observational study
16. Development of new molecular test(s) for rapid diagnosis of India specific Pre-XDR/XDR-TB
17. Diagnostic and prognostic role of MRI in acute cervical cord trauma
18. Evaluation of the role of a Capacity building program for initial assessment and management of trauma patients in Emergency Department in improving knowledge, skills and attitude of Doctors and Nurses
19. Functional and radiological outcomes following plating for displaced fractures of patella
20. Histology of Lumbar Inter Vertebral Disc in Degenerative Disc Disease and its Correlation with Clinical and Radiological Findings

21. Outcome correlation of initial arterial blood gas analysis in isolated thoracic injury
22. Outcome of trauma patients with acute kidney injury with renal replacement therapy in surgical ICU: Our experience
23. Primary versus Delayed Primary Closure in patients undergoing lower limb amputation following trauma: A Randomized control study
24. Prospective observational study of transfusion practices in severely injured trauma patients in emergency Department in level 1 Trauma Center
25. QI project – to improve the CLABSI rate in ICU
26. Role of T-Helper Cells and Neutrophils in the Outcome of Patients with Chest Trauma
27. Serum Procalcitonin, Interleukin-6 and sTREM-1 as diagnostic and prognostic markers in sepsis in critically ill patients
28. To compare the effect of goal directed fluid therapy versus standard fluid regimen on the cuff leak volume in patients undergoing spine surgery
29. To study management, outcomes and quality of life in patients with pelvic fractures at level 1 trauma center
30. To study the clinical and neurophysiological outcomes after using platelet rich plasma in acute peripheral nerve injury repair, Plastic Surgery, JPNATC, AIIMS
31. To study the correlation between clinical parameters and Intra-abdominal pressure and their effect on the non-operative management of patients with blunt trauma abdomen at level 1 trauma centre
32. To study the efficacy of serratus anterior plane block in patients undergoing trunk based flap surgeries-a pilot study
33. To Study the management, outcome and Quality of life in patients with pelvic trauma at A level 1 Trauma Center
34. Use of intratracheal lignocaine to reduce emergence reaction in the patients undergoing endoscopic transphenoidal pituitary surgery: a randomized controlled study

## **Collaborative projects**

### ***Ongoing***

1. Ultrasound guided suprainguinal fascia iliaca block in ace tabular fracture surgery- randomized controlled pilot study
2. Understanding Differences in the Patterns of Osteoarthritis in Indian and Western Population: Impact on Symptoms, Treatment Options and Their Outcome, UKIERI-DST
3. Morphometric and Morphoscopic Study of Ear & Nose in Brahmin & Rajput population of Mandi, Himachal Pradesh- A Forensic Anthropological Investigation, Department of Anthropology, Panjab University, Chandigarh
4. To study the extent of variation in ridge characteristics and determining gender among twins using their fingerprint characteristics, Dept. of Forensic Medicine & Toxicology, KMC, Manipal
5. Estimating Post- Crash Accessibility to Trauma care Facility in Delhi, Transport Research and Injury Prevention Program (TRIPP), Indian Institute of Technology, Delhi
6. Effect of Lidocaine infusion on hemodynamics and recovery in patients undergoing endoscopic pituitary surgery: A multicentre, randomized control trial, Department of Anaesthesiology, Health Sciences Centre, University of Manitoba, Winnipeg, Canada
7. To study the usefulness of pre-operative USG guided FNAC in avoiding radical surgery in patients with gallbladder wall thickness or polyp associated with gall stone disease, Surgery
8. Sensitivity and specificity of Focussed Assessment with Sonography for Trauma (FAST) in determining pediatric solid organ injury following blunt trauma abdomen, Pediatric Surgery
9. A study to evaluate the predictors of outcome in patients with Blunt Liver Trauma, Trauma Surgery
10. Etiological Evaluation of Microcephaly in Young Patients, Pediatrics
11. Diagnostic Accuracy of Transcranial Ultrasound to Detect Clinically Significant Condition in post Craniectomy Patient, Emergency Medicine
12. Prospective study on the effectiveness of chlorhexidine gluconate impregnated patch (BIOPATCH<sup>®</sup>) in reducing the incidence of central line associated blood stream infection (CLABSI), Microbiology, JPNATC, AIIMS
13. Surveillance of blood stream infections (BSI) at a referral Indian hospital Surveillance of blood stream infections (BSI) at a referral Indian hospital, Microbiology, JPNTC, AIIMS
14. Development and validation of novel pressure measuring device for measuring the collapsing pressure of internal Jugular vein during an ultrasound examination, AIIMS+ IIT Delhi
15. A randomized control trial for evaluation of effects of leukoreduced blood transfusion on infection risk in severely injured trauma patients, Critical and intensive Care, Anesthesiology, Pain Medicine and Critical Care, Laboratory

Medicine, Emergency Medicine, Surgery, JPNATC

16. Evaluation of effect of early use of Cryoprecipitate on blood components usage in severely bleeding trauma patients, Laboratory Medicine, Emergency Medicine, Surgery JPNATC
17. Comparison of C-MAC video-laryngoscope with D-Blade, C-MAC video-laryngoscope with standard blade, and Macintosh Laryngoscopes for intubation with cervical spine immobilization: a randomized study, Neuroanesthesiology and critical care
18. Risk factors and outcome of patients with ventilator associated events and complications in trauma ICU, Anaesthesia and critical care
19. Abbreviated discharge protocol in patients with liver and or splenic injury following blunt trauma abdomen, Trauma surgery and critical care
20. Correlation of the gastric residual volume determined by ultrasound and acceptance of enteral tube feed in medical /surgical ICU – an observational study, Anaesthesia and critical care
21. Outcome correlation of initial arterial blood gas analysis in isolated thoracic injury, Trauma surgery and critical care
22. comparison of positive pressure extubation with traditional extubation in critically ill patients- a randomised control study, Anaesthesia and critical care
23. Role of T-helper cells and neutrophils in the outcome of patients with chest trauma, Trauma Surgery
24. To study the effect of Yoga on Pulmonary functions, Respiratory muscle strength and endurance, Chest wall mobility, Inflammatory markers and Quality of life in blunt chest trauma patients and their correlation with Thoracic Trauma Severity Score at level-I trauma centre, Trauma Surgery
25. To study clinical and immunological parameters in predicting short term outcomes in polytrauma patients admitted to Trauma Surgery, Trauma Surgery
26. To study splenic functions and complications following blunt splenic trauma at level -I trauma centre, Trauma Surgery
27. To study the impact of Yoga on pulmonary functions, immune response and quality of life in chest trauma patients at level-I trauma Centre, Trauma Surgery
28. Histology of Lumbar Inter Vertebral Disc in Degenerative Disc Disease and its Correlation with Clinical and Radiological Findings, Orthopedics
29. Detection and genotype distribution of BK polyomavirus in renal transplant recipients, Microbiology
30. Study of muscle enzyme elevation in neurosurgery and its relevance in postop acute kidney injury: a pilot study, Neuroanaesthesia
31. An immunohistochemical and ultrastructural study of glomerular capillary endothelial injury in cellular rejection, Pathology
32. Prospective observational study of transfusion practices in severely injured trauma patients in Emergency Department at level 1 Trauma Center, Lab Medicine

### **Completed**

1. Histology of Lumbar Inter Vertebral Disc in Degenerative Disc Disease and its Correlation with Clinical and Radiological Findings, Orthopaedics
2. Age Estimation Between Age 1-18 years by Radiological Study of Epiphyseal Union Around the Elbow and Wrist Joints, Forensic Medicine
3. Utility on novel Coated Platelets as a marker for early prognostication of neurocognitive impairment following traumatic injury, Neurosurgery, Neuropsychology, Psychiatry
4. Prognostic Significance of Cytokines and Biomarkers in Patients with Traumatic Lung Injuries, Lab. Medicine
5. Primary versus delayed primary closure in patients undergoing lower limb amputation following trauma, a randomized controlled trial, Trauma surgery and critical care
6. Membranous nephropathy: A study of immunofluorescence, electron microscopy and PLA2R profile with clinical correlation, Pathology

### **Main Medical Records Division**

In addition to above, Medical Record Section (MRS) of JPNATC which is the FIRST Govt. Hospital that started Online Registration of Deaths at NDMC since year 2008 is running successfully and also coordinating the amendments pertaining to deceased/ discharged and admitted patient after due legal procedure (name correction - 664). ICD-10 coding of all deaths reported at JPNATC which was started earlier was done online. MRS is regularly disposing of summons from various Hon'ble Courts in Delhi as well as other neighbouring states. Total 1769 (Within Delhi – 1519 and 250-outside Delhi, for Doctors & Record Clerk 1467, for Record Clerk only - 302) summons were disposed during this period. MRS is also handling various Insurance Policy matters of patients who attended JPNATC in both cases—alive or dead. Total 53 such cases were disposed during this period. During the preceding year MRS has entertained 836 police requests for Discharge records/ Bed Head Ticket and also issuing X-rays; coordinating for collection of X-rays from Radio-diagnosis unit & handing over to police. Total 978 such cases were disposed during this period. MRS is furthermore involved in issuing information (for assistance/compensation etc.) to Delhi State/ Central Govt. pertaining to the patients/victims attended JPNATC during the year. The replies of questions raised under Right to Information Act 2005 by various applicants, were also provided by MRS in 48 cases. MRS has provided the basic framework as well as continuous inputs to computer facility; so as to computerize whole registration process in a phased manner. Retrieval of case files for research purpose to faculties/residents/nursing staff/lab staff/computer facility as and when requested. Total 1167 cases were disposed.

### **Critical & Intensive Care**

Approximately 700 patients were admitted in Trauma 2 ICU (including readmissions) and 104 haemodialysis sessions were performed. A 6-bedded high dependency unit is also run which provides additional ventilated beds in times of disaster and mass casualty event.

### **Forensic Pathology and Molecular DNA Laboratory**

#### **A. Emergency Services:**

Division of Forensic Pathology and Molecular DNA Laboratory at JPNATC is providing round-the-clock medico-legal services like in cases of injury, sexual offences etc reported to Emergency Services of JPNATC.

#### **B. Autopsy Services**

A total of **818** medico-legal autopsies were conducted at mortuary of JPNATC.

#### **C. Clinical Forensic Medicine**

Subsequent opinions in complicated cases including reference from Casualty etc. were **335** cases at JPNATC.

#### **D. Summons**

Doctors of the Division attended court of law in cases from Delhi and other states.

#### **E. Medical Toxicology**

About **67** sample tests were performed for blood alcohol referred from the Emergency Department in academic/ research cases.

#### **F. Forensic Pathology in collaboration with Department of Laboratory Medicine**

Total samples of **75** cases were processed and reported during this period.

## G. Community Services

The Division continues to participate in training program for CBI officials, police officers and public prosecutors from all over the country.

## H. Organ Retrieval for Therapeutic Transplantation

The Division of JPNATC facilitated eye donation, heart valve donation and organ retrieval in brain dead trauma patients for transplantation by National Eye Bank and ORBO.

## I. DNA Laboratory

The division is in process of Establishing Molecular DNA Laboratory at JPNATC as a part of Disaster Victim Identification.

### Laboratory medicine

**Total Tests done: 13,06,229**

#### 1. Haematology

Hemoglobin, TLC, Differential Count, HCT, RBC, MCH, MCHC, MCV, RDW, Platelet Count:			51924 each
Reticulocyte count:	32	ESR:	4727
Peripheral smear and MP:	3811		
<b>Total:</b>	<b>5,27,806</b>		

#### Coagulation

PT and APTT:	29532 each	TT:	10
Fibrinogen:	20	D-dimer:	45
Thromboelastography (TEG):	597		
<b>Total:</b>	<b>59,736</b>		

#### Clinical pathology

Urine routine and Microscopy:	3460	Urine myoglobin:	927
CSF microscopy:	938	Fat globules:	20
<b>Total:</b>	<b>5345</b>		

**Total tests done in haematology section: 5,92,887**

#### 2. Biochemistry

Sugar:	16006	Urea:	53253
Creatinine:	53540	Calcium:	52251
Phosphorous:	51732	Uric Acid:	48841

### AWARDS HONORS & SIGNIFICANT EVENTS

**Professor Rajesh Malhotra** received best paper award for the paper entitled: “Influence of Etiology and Onset of Deformity on 3D Gait Pattern of Patients with Complex Spinal Deformity” during the 3rd International Conference on Spine & Orthopaedic Biomechanics on 26-28 April 2019 at New Delhi; Awarded IMA Doctor’s Day Award 2019 for Most Distinguished Services during the Doctor’s Day Celebration on 1 July 2019 at IMA, New Delhi; Awarded the CME Educator Award (Individual) during CME Excellence Summit and Awards with media partner CNN News 18 at New Delhi on 7 August 2019; Awarded First Prize in the Exhibition Category- Universal Healthcare during 64th Foundation Day Celebration at AIIMS, New Delhi on 25 September, 2019; Awarded First Prize for Hindi Dictation during the Hindi Week Celebration at AIIMS, New Delhi from 2 September to 14 September 2019.

**Dr Abhinav Kumar** chaired the session in “Trauma 2019” 9th National Conference of Indian Society for Trauma & Acute Care, organized by Department of Trauma Surgery, King George Medical University, Lucknow (29-30 August 2019); Participated as Faculty at pre conference workshop on “Essential Surgical Skills to Manage Acutely Injured Patient” organized by Department of Trauma Surgery, King George Medical University, Lucknow (30 August 2019); Conducted workshop as faculty on “Basic Skills in Ultrasound for Surgeons” during Annual Conference of ASI – Rajasthan Chapter on 18 October 2019; Conducted workshop as faculty on “VATS for General Surgeons” during Annual Conference of ASI – Rajasthan Chapter on 18 October 2019; Successfully Completed ATLS Instructor Course of American College of Surgeons on 3-4 November 2019; Organized Pre conference “Trauma Mater Class: Gusty Decision Making Under pressure” for 10th Asian Conference on Emergency Medicine (ACEM 2019) on 5-6 November 2019; Conducted Cadaveric Workshop as part of National Conference of American College of Surgeons – India Chapter (ACSCON 2020) on 1 January 2020; Awarded as the Fellow of American college of Surgeons (FACS) in 2019; Instructor faculty of EUSIM. SAFER Netherland; Developed a training skill module “Advanced Surgical skill module” for residents in surgical disciplines and successfully conducted two rounds of the module at SET facility AIIMS, ND; National Coordinator of the Multi Institutional Learning and practice (MILAP) academic session; Member of Ethical Committee of International Center for Genetic Engineering & Biotechnology (ICGBE) ND.

**Professor Amit Gupta** was Awarded the Donald D Trunkey Oration of the International Association of Trauma Surgery & Intensive Care (IATSIC): Delivered at the 48th World Surgery Congress on 14 August 2019 at Krakow, Poland; Awarded the JAST 2019 International Invited Lecture: Delivered at the 33rd Annual meeting of Japanese Association for the Surgery of Trauma on 6 June 2019 held at Aomori, Japan; Re-elected Honorary Secretary: Indian Society for Trauma and Acute Care – ISTAC®. August 2019 – 2021; Visiting Professor: Department of Trauma Surgery and Critical Care, All India Institute of Medical Sciences, Rishikesh. July 2019 – till date; Expert: To develop future Trauma Education Programs at All India Institute of Medical Sciences, Raipur. March 2020 – to date; Member, International Relations Committee: American Association for Surgery of Trauma (AAST), American College of Surgeons – Committee on Trauma, USA 2018 – Till date; Member: Technical sub-committee for developing National Trauma System Plan, Dte. General of Health Services, MoHFW, Govt. of India. 2014 – till date; Regular Member: H-1 Committee: Transport Planning, Traffic Engineering of the Indian Roads Congress 2015-till date; Member Technical Resource Group: for Finalization of Minimum Standards for Trauma Care Facilities in India. Trauma & Burns Care Division, Ministry of Health and Family Welfare, Govt. of India. 2018 – till date; Member Expert Group: For development of materials under the IEC activities of National Programme for Trauma Care, Ministry of Health and Family Welfare, Govt. of India. 2018 – till date; Member: Steering Committee for commissioning of Trauma Centre at SGPGI Lucknow. 2018 Onwards – till date; Member: Experts Group NIHF, for the Course on Hospital preparedness for Health Emergencies for Senior Hospital Administrators. 2018 – till date; Member: Experts Group NIHF, for the Training on Hospital preparedness for Health Emergencies for District Health Officers. 2018 – till date; Member, Medical board for Medical/Psychological Examination at AIIMS for Antarctic Expedition Team. 2016 – till date; Member, Committee on Hindi Rajbhasha at Jai Prakash Narayan Apex Trauma Centre, AIIMS, New Delhi. 2016 – till date.

**Dr Ashish Bindra** is Organizing Secretary for AIIMS Neuroanesthesia Neurocritical Care Update from 18th to 20th October 2019 at JL Auditorium, All India Institute of Medical Sciences, New Delhi; Organized AIIMS- AIM P, Cadaveric Interventional Pain Management Workshop on 22 October 2019 at Cadaveric Training and Research Facility, JPNA Trauma Centre, New Delhi.

**Professor Atin Kumar** was Elected as President Elect of Delhi State Chapter of Indian Radiological and Imaging Association; Elected as Governing body member of Indian College of Radiology and Imaging; National Leadership Award by Delhi state chapter of Indian Radiological and Imaging Association; Organising Secretary of AIIMS-MAMC-PGI Imaging Course Seried on Advances in Imaging Technology held at AIIMS, New Delhi from 5 to 6 April 2019.

**Professor Biplab Mishra** is External Expert & Visiting Professor in Capacity building collaborative programme for General Thoracic Surgery with AIIMS, Rishikesh; Internal examiner for MCh examination of Trauma Surgery and Critical Care at AIIMS, New Delhi; Internal examiner for MBBS examination (Pre-professional and final) at AIIMS, New Delhi; Reviewer of articles for BMC-Emergency Medicine journal; Reviewer of articles for Case reports in Radiology.

**Professor Deepak Gupta** received PhD degree for: Development and Validation of Finite Element Analysis Model (FEM) of Craniovertebral Junction: Experimental Biomechanical Cadaveric Study ( AIIMS-IIT Joint study) : First faculty member (in service) from Dept of Neurosurgery to receive PhD in Neurosurgery; Elected as Member of National Academy of Medical Sciences (NAMS) September 2019; Jaga Balia Craniopagus twins were successfully discharged after 2 years of stay at AIIMS and sent back to their home state in Odisha on 6th Sept 2019: This was first successfully surgery on Craniopagus twins from India wherein both children survived. Surgical team of 125 members for separation surgery was led by Dr Deepak Gupta and Dr AK Mahapatra jointly; Featured in featured in the 2020 edition of Limca Book of Records. First craniopagus surgery: A team of 125 doctors and paramedical staff, led by Dr Deepak Kumar Gupta and Dr Ashok Kumar Mahapatra, from the Department of Neurosurgery at AIIMS, New Delhi, successfully separated 28-month-old twins Jaggia and Kalia, who were joined to each other at the cranium. The complex surgery was conducted in two stages, on 28 August 2017 and 25 October 2017. [Hachette Book Publishing India Pvt Ltd, lbr.entries@hachetteindia.com]; Invited as Guest for Swearing-in Ceremony of the Hon'ble Chief Minister, Odisha and the members of the Council of Ministers, on 29.05.2019 at 10.30 AM at the IDCO Exhibition Ground, Unit-3, Bhubaneswar, Odisha; Selected as Adjunct Professor for Indian Institute of Technology ( IIT, Delhi) 2020-2022.

**Dr Dinesh Kr Bagadia** is International Member: Eastern Association for the Surgery of Trauma (EAST); Member: Doctoral Committee for Ph. D. thesis in Div. of Trauma Surgery & Critical Care; Medical expert: faculty meets on basic training on CBRN Emergency Management (EM) for airports and seaports by NDMA; Medical Expert: 31st National Road Safety Week Paper Presentation by Ministry of Road Transport and Highways (MoRTH) and Indian Road Safety Campaign, Solve; Faculty: Trauma First Responder training at National Road Safety Week organised by Ministry of Road Transport and Highways and Indian Road Safety Campaign; Medical expert: Paper Presentation on road safety organized by World Health Organization and Indian Road Safety Campaign; Faculty: Trauma Master Class in 10th Asian conference of emergency medicine; Faculty: Annual Conference of the Association of Surgeons of India - Rajasthan Chapter, at AIIMS, Jodhpur; Medical expert: Shanghai cooperation organization (SCO) joint exercise on urban earthquake search

and rescue for all SCO member countries by NDRF; Participated in endoscopy workshop in IASGCON 2019; Participated in ATLS Instructor course, at Dr. RML Hospital & ABVIMS, New Delhi; Faculty: Trauma First Responder training at Road safety stalls at “Paryatan Parv” installed by Ministry of Road Transport and Highways; National Convener: Multi Institutional Learning and Practice (MILAP) academic session; Completed BLS and ACLS Provider Course; Member: Association of Surgeons of India; Participated in Basic Course Workshop in Medical Education & Health Profession’s Education at CMET, AIIMS, New Delhi.

**Dr Gyaninder P Singh** was awarded the “Outstanding Scientist Award in Anaesthesiology” by Venus International Research Award (VIRA-2019) at Chennai on 3 August 2019; Awarded Certificate of Appreciation for contribution in the e-skill modules development at SET Facility, AIIMS; Appointed Assistant Editor for Journal of Neuroanaesthesiology and Critical Care.

**Dr Keshav Goyal** was appointed as External Examiner of Madhya Pradesh medical Science University, Jabalpur (MP) for MD anesthesiology; Advanced Trauma Life support (ATLS) Instructor Recertification, April 2019; Emergency Neurological Life Support (ENLS) Instructor Recertification; Course director cum National Coordinator of 1st Acute Neuro Care (ANC) affiliated by National society (ISNACC) 2019 at PGIMER Chandigarh and Yashoda Hospital, Hyderabad; Member of Trainee Engagement Committee of SNACC, USA; Reviewer of International Journal of Respiratory and Pulmonary Medicine.

**Dr Narender Choudhary** chaired the session in “Trauma 2019” 9th National Conference of Indian Society for Trauma & Acute Care, organized by Department of Trauma Surgery, King George Medical University, Lucknow. (29-30 August 2019); Participated as Faculty at pre conference workshop on “Essential Surgical Skills to Manage Acutely Injured Patient” organized by Department of Trauma Surgery, King George Medical University, Lucknow. (30 August 2019); Participated as a member of Urban Research and Rescue (USAR) INDIA Team capacity assessment mission under National Disaster Response Force (NDRF) from 24 to 27 September 2019; Conducted workshop as faculty on “Basic Skills in Ultrasound for Surgeons” during Annual Conference of ASI – Rajasthan Chapter on 18 October 2019; Successfully Completed ATLS Instructor Course of American College of Surgeons on 3-4 November 2019; Organized Pre conference “Trauma Mater Class: Gusty Decision Making Under Pressure” for 10th Asian Conference on Emergency Medicine (ACEM 2019) on 5-6 November 2019; Conducted Cadaveric Workshop as part of National Conference of American College of Surgeons – India Chapter (ACSCON 2020) on 1 January 2020.

**Dr Navdeep Sokhal** received Best paper award for the poster “Comparison of propofol and ketofol on transcranial motor evoked potentials (TcMEPs) in patients undergoing thoracolumbar surgery” presented by a student in ISNACC 2020 in Chennai; Course Director-Successfully organized “AIIMS Critical Care Course for Interns” as Course Director on 8-9th December 2018. In this course interns and residents were trained for various lifesaving skills like basic and advanced cardiac life support, airway management, vascular access and cricothyrotomy on mannequins and were taught basic concept of critical care management.

**Dr Niraj Kumar** is pursuing fellowship Program: (CMETI – Part Time Clinical Research Methodology and Evidence Based Medicine) at AIIMS, New Delhi for the session January 2019; Instructor (Faculty) of –ATLS, ANC, ACCC, AIIMS – EM-SONO, AUTLS, AIIMS cadaver airway; As a faculty of ORBO team facilitates knowledge, awareness amongst the hospital staff and also actively involved in procedures related to organ procurement.

**Professor Purva Mathur** won First Prize in Best Free poster Award of Indian Association of Medical Microbiologist: “Antimicrobial consumption in intensive care unit patients at Level-1 trauma in India”. Singh P, Katyal S, Pandey S, Dhyani N, Khatri S, Walia K, *Mathur Pat* 2nd Chapter meeting of IAMM 2019, Delhi Chapter, India Habitat Center, New Delhi on 20 July 2019; Won Dr. Shrinivas Award for outstanding scientific work in antibiotic susceptibility testing in Oral & Poster presentations: “Molecular & Clinical Epidemiology of Colistin Resistant *Klebsiella pneumoniae* at an Apex Trauma Patients”. Khurana S, *Mathur P*, Veeraraghavan B, Kumar S, Sagar S, Aggarwal R, Soni K D, Malhotra R at 2nd Chapter meeting of IAMM 2019, Delhi Chapter, India Habitat Center, New Delhi on 20 July 2019; Won 2nd Prize in Abstract presentation: “Trends of Infection control Measures and their Impact on Incidence of Ventilator Associated Pneumonia in a Neuro-Trauma ICU over a period of 5 year”. Dhakal R, Victor D, Gunjiyal J, Singh P, Bajpai P, Lathwal A, *Mathur P*, Malhotra R at AIIMS Neuroanesthesia & Neurocritical care update 2019 on 19 October 2019.

**Dr Pratyusha Priyadarshini** is Faculty incharge of Academic roster of residents in division of trauma surgery and critical care; Also faculty incharge of internal assessment of residents in division of trauma surgery and critical care; Developed a training skill module “Advanced Surgical skill module” for residents in surgical disciplines and successfully conducted two rounds of the module at SET facility AIIMS, ND; National Coordinator of the Multi Institutional Learning and practice (MILAP) academic session; Participated as faculty in consensus meeting to formulate ISTAC guidelines for solid organ injury management in New Delhi.

**Professor S Arulselvi** received Patient safety champion award for “*Quality Improvement of the Laboratory Handover Process to Improve Patient Care*” on occasion of Quality & Accreditation Institute Celebrating: “1st World Patient Safety Day: SPEAK UP FOR PATIENT SAFETY!” on 17 September 2019 for demonstrating patient safety culture in actions. (Certificate No.: QAI-WPSD-017); Co-authored a Paper presentation on a study “TEG Versus Conventional Coagulation Tests in Liver Trauma: A comparison of TEG in cases.” in ISTH-ILBS Symposium on coagulopathy in liver disease 2019 organized by International Society of Thrombosis and Hemostasis and Department of Hematology, Institute of Liver and Biliary Sciences, A.P.J. Abdul Kalam Auditorium, ILBS, New Delhi on 2nd and 3rd March 2019 and won the first Paper award; Co-authored a Paper presentation on a study “Comparison of conventional coagulation parameters, thromboelastography and flow cytometry methods to study the improvement in platelet function in thrombocytopenic trauma patients post platelet transfusion” in 30th Annual Conference, Delhi Society of Hematology (DSH), Hotel Holiday Inn New Delhi - 110037, India on 15 September 2019 and won the second best paper award.

**Dr Samarth Mittal** was elected as the Executive committee member of Indian Orthopaedic Association which is the national Orthopaedic association of India; Elected as executive member of Delhi Orthopaedic Association for representing south Delhi; Elected as Treasurer of APOA (Asia Pacific Orthopaedic Association) YSF India Chapter; Selected as a part of delegation from AIIMS to study Trauma systems in Japan; Continued as Associate Editor of JCOT (Journal of Clinical Orthopaedics and Trauma) which is the official journal of Delhi Orthopaedic society and is a Pubmed Indexed journal; Awarded the 2nd Prize for best podium presentation at BIOS (British Indian Orthopaedic Society) conference held in Leicester, UK on 28-29 June 2020; Completed the prestigious IOA- BIOS – UK Junior fellowship in June 2019 in London, UK; Nominated for Imparting first aid training under national Programme for trauma care; Awarded second prize in the prestigious DR ROBERT BAUZE TRAUMA GOLD MEDAL for best paper presentation in 7th Congress of the Asia Pacific Trauma Society & 1st Scientific Meeting of the APOA Foot & Ankle in Bangkok, Thailand; Won best prize for best Oral presentation at APOA Young Surgeon’s Forum 2020 in Varanasi, UP, India on 19 January 2020.

**Professor Subodh Kumar** was awarded International Fellowship of American Association for the Surgery of Trauma (AAST), USA 2019; Nominated as Vice President of Indian Society for Trauma & Acute Care (ISTAC) 2019 during TRAUMA 2019 at Lucknow; Nominated as Visiting Professor in Department of Trauma Surgery at All India Institute of Medical Sciences, Rishikesh 2019; Nominated as the Co-Chair of the Trauma/ ICU specialty committee for seamless implementation of AB PM-Jay Scheme by the National Health Authority, Govt. of India; Invited as visiting faculty for delivering a lecture on the occasion of first anniversary of Apex Trauma Centre, SGPGI on 31 July 2019 by Sanjay Gandhi Post Graduate Institute of Medical Science (SGPGIMS) Lucknow; Nominated as member of Institute Ethics Committee of All India Institute of Medical sciences, New Delhi, 2019; Invited as member of Scientific Advisory Group (SAG) of National Biopharma Mission (NBM) by Department of Biotechnology, Govt. of India; Appointed as Managing Editor of Indian Journal of Surgery official journal of Association of Surgeons of India; publisher Springer.

**Professor Sushma Sagar** was Member of Expert Group, “Development of First Aid for the Community”, a WHO project in association with the Ministry of Health and Family Welfare; Invited as Judge for Paper Presentation on Road Safety on 27 December 2019 at IIT, New Delhi; Appointed as Visiting Professor in Department of Trauma Surgery at AIIMS, Rishikesh, 2019 onwards; Appointed as Principal Secretary’s nominee for hospital based authorization committee of Transplantation of organs and tissues, Govt. of NCT Delhi 2019-2020.

**Professor Vivek Trikha** was awarded the Prestigious Dr Balu Sankaran Oration for Basic Science and Orthopaedics Research in IOACON 2019 November, at Kolkata; Member Editorial Board of Indian Journal of Orthopedics national Journal of Indian Orthopedic Association; Associate Editor of Journal of Clinical Orthopedics & Trauma.

## HIGHLIGHTS

NDDTC continues to be the WHO Collaborating Centre on Substance Abuse since 2012. In addition to patient care, the centre has progressed with regard to treatment, training and research in area of substance use disorder. A total of 3,02,416 patients were seen: 13,413 new patients and 2,89,003 old patients inclusive of regular OPD, 3 community clinics, Mobile Methadone Clinic and 5 speciality clinics. The NDDTC laboratory attended to more than 150,000 tests during the year in its toxicology, haematology, biochemistry and HIV screening labs. The laboratory has currently the facility to detect 14 types of addictive substances.

From 25 November 2019 NDDTC has initiated 'Consultation Liaison Addiction Psychiatry' services to improve services for addictive disorders in medically ill patients. The CL Addiction Psychiatry services have started an exclusive outpatient service from psychiatry OPD every day in the forenoon where all patients of addictive disorders referred from other departments would be seen. Similarly, inpatient services are provided through management of addictive disorders in patients admitted in other departments of AIIMS.

Some major ongoing activities of NDDTC involve: Detection of New Psychoactive Substances among Substance Abuse Treatment Seekers in India, funded by the Department of Revenue, Ministry of Finance, Government of India, conducting "training of trainers" workshops for nursing personnel in Delhi and other regions of India funded by MOH & FW. NDDTC continued with the Adverse Drug Reactions Monitoring Centre for the Pharmacovigilance Programme of India.

Many faculty members are technical experts and also holding key positions in national and international professional bodies and editorial boards in prestigious peer reviewed journals. Several faculty members are recipient of professional honors and awards.

The faculty of the Centre are actively involved in research. Currently, many National and International agencies are funding ongoing research projects in the centre. More than 69 research articles and 8 abstracts in peer reviewed national and international journals of repute and chapters in various books/reports have been published during this period.

NDDTC also offers PhD in Addiction Psychiatry. One student was awarded PhD in Addiction Psychiatry in April 2019. The centre is also running Doctorate of Medicine (DM) course in Addiction Psychiatry. Currently, 6 PhD students and 13 DM students are enrolled for the degree.

The 16th Annual Day of National Drug Dependence Treatment Centre was celebrated at NDDTC, Ghaziabad on 16th April 2019. The findings of the recently conducted “2nd National Drug Use Survey of India” were presented and a book entitled “Basics of Addiction Psychology” was also released on this occasion.

Shri Jai Pratap Singh, Minister of Excise & Liquor Prohibition, UP State, visited the Centre on 26 June 2019, **International Day Against Drug Abuse.**

A public lecture “Dealing with Addiction” was organized on 26 June 2019 on the occasion of the **International Day Against Drug Abuse.**

NDDTC day care exhibit got the third prize on the occasion of 64th Institute Day Exhibition and Award function 2019.

National Drug Dependence Treatment Centre (NDDTC) and the Department of Psychiatry organized the 21st Annual Conference of the International Society of Addiction Medicine (ISAM 2019), New Delhi (13-16 November 2019). The Theme of the conference was “Addiction in a Rapidly Changing World”. The conference was attended by more than 500 delegates from 37 countries.

## **EDUCATION**

### ***Undergraduate***

MBBS students are posted for a day in the centre during their Psychiatry posting.

### ***Postgraduate***

Residents doing MD (Psychiatry) are posted in the centre for 6 months. Eleven candidates are doing DM in Addiction Psychiatry.

### ***PhD and Postgraduate teaching***

- \*Journal club -Weekly joint activity with psychiatry
- \*CCR and CGR two in every semester at AIIMS

Seminar- Weekly

Case Conference- Weekly

Seminars/ Journal Club

*\*Joint activities of the Department of Psychiatry and the Centre*

## **CMEs/Workshops/Symposia/National and International Conferences**

1. NDDTC and Department of Psychiatry, AIIMS, New Delhi organized an International Conference titled “21st Annual Conference of the International Society of Addiction Medicine (ISAM 2019)”, New Delhi, 13-16 November 2019.
2. NDDTC conducted three National workshops “Training of Trainers” for nursing personnel in Delhi and other regions of India funded by MoHFW (28 September-5 October 2019 and 28 November-5 December 2019 at AIIMS, New Delhi and 20-27 January 2020 at LHMC & Kalawati Hospital, New Delhi).
3. NDDTC also organized two one-day workshops, first on 17 February 2020 for delegates from Holy Family Hospital, Defence Ministry and RAK College of Nursing, and second on 9 March 2020 for PG students Nursing from AIIMS at NDDTC Ghaziabad.

### Lectures delivered

**RK Chadda** (Please see chapter 9.34)

### Raka Jain

1. Effect of hydro-alcoholic extract of *Delphinium denudatum* (Jadwar) on nicotine withdrawal in nicotine dependent rats Society of Research for Nicotine and Tobacco (SRNT) Europe 12-14 September 2019, Oslo, Norway
2. Drug Dependence and its problem: Detection of Drugs of Abuse in Biological Fluids for PG (MSc) students of Forensic Science LNJN National Institute of Criminology & Forensic Science 6 September 2019, NDDTC, Ghaziabad
3. Role of Lab-investigations in SUD National workshop on training of trainers for nurse educators 3 October 2019, Ghaziabad
4. New Psychoactive Substances: Diagnostic issues and challenges in detection, Symposium entitled: Challenges in Alcohol and Substance Use Testing in De-addiction Programs, 21st International Society of Addiction Medicine (ISAM 2019), 13-16 November 2019, New Delhi
5. Analytical approaches for testing drugs in substance use disorder: An overview, Workshop entitled: Advances in Analytical Methods for Detection of Alcohol and Substance Use in Biological Matrices, 21st International Society of Addiction Medicine (ISAM 2019), 13-16 November 2019, New Delhi
6. Role of Lab investigations in treatment of SUD, National Workshop on training of trainers for nurse educators, 4 December 2019, Ghaziabad
7. Point of Care Devices for testing Drugs of Abuse in De-addiction Programs: Limitations and Pitfalls Indo-Pacifc Association of Law, Medicine and Science (INPALMS) Congress 2019, 9-13 December 2019, Dhaka, Bangladesh
8. Critical Issues in Alcohol and Drugs of Abuse Testing in De-addiction Programs 72nd Annual National Conference of Indian Psychiatric Society (ANCIPS 2020) 22-25 January 2020, Kolkata
9. Role of Lab investigations in treatment of SUD, National Workshop on training of trainers for nurse educators, 25 January 2020, LHMC & Kalawati Hospital, New Delhi
10. Role of Laboratory Services Training Program for MSc Students "Holy Family College of Nursing", 19 February 2020, NDDTC Ghaziabad
11. Biochemical Assessment of Tobacco use in Routine clinical care Training on Tobacco Cessation Interventions in Oncology Practice, 11 March 2020, Jhajjar

### Rakesh Lal

1. Ethics in Medical Practice UKRSSDICON, 6 May 2019, Rudrapur
2. Workplace Intervention TATA motors, 7 May 2019, Rudrapur
3. Recent advances in tobacco control National Conference on Tobacco and lung health 31 May 2019, New Delhi
4. Naltrexone implant in Addiction Psychiatry, 21st International Society of Addiction Medicine (ISAM 2019), 13 November 2019, New Delhi
5. Expanding access to evidence-based treatment of Stimulant Use Disorder, 21st International Society of Addiction Medicine (ISAM 2019), 15 November 2019, New Delhi
6. New Psychoactive substances, 21st International Society of Addiction Medicine (ISAM 2019), 15 November 2019, New Delhi
7. Alcohol Policies: What is the impact? 21st International Society of Addiction Medicine (ISAM 2019), 17 November 2020, New Delhi

8. Ethics in Medical Practice, CMC Alumni Meeting, 17 January 2020, Dubai
9. Psychiatric comorbidity among Substance Users in India, UNODC Meeting, 2 March 2020, Vienna, Austria

#### **Anju Dhawan**

1. Symposium on Intervention for Substance Use Among Adolescents across Settings, 21st International Society of Addiction Medicine (ISAM 2019), 15 November 2019, New Delhi
2. Symposium by ISAM Education and Training Committee: Training and Education in Addiction Medicine: global overview and state of affairs, 21st International Society of Addiction Medicine (ISAM 2019), 15 November 2019, New Delhi
3. Addressing addiction among street children, 21st International Society of Addiction Medicine (ISAM 2019), 16 November 2019, New Delhi
4. Working with Drug Use in Adolescents National CME on Addictive disorders by Bombay Psychiatric Society, Indian Psychiatric Society Addictive Disorders Specialty Subsection, 5 January 2020, Mumbai

#### **Sonali Jhanjee**

1. Smokeless tobacco characteristics and related cultural myths amongst disadvantaged women in India SRNT Europe Conference, 12-14 September 2019, Oslo, Norway
2. Co-existence of Harm Reduction and Punitive Justice Addiction Treatment Programs: Experience from India, 21st International Society of Addiction Medicine (ISAM 2019), 13 November 2019, New Delhi
3. The e-cigarette debate: The Indian perspective, 21st International Society of Addiction Medicine (ISAM 2019), 13 November 2019, New Delhi
4. Scope and rationale of Internet based tobacco Cessation interventions, 26th National Conference of the Indian Association for Social Psychiatry, 1 December 2019, Bhubaneswar
5. An overview of tobacco use and vulnerable populations, 72nd Annual National Conference of Indian Psychiatric Society (ANCIPS 2020), 24 January 2020, Kolkata

#### **Atul Ambekar**

1. Epidemiology of Substance Use in India National CME of Society for Rural Mental Health, 21 April 2019, Hisar
2. Magnitude of Substance Use in India. South Asia Regional Consultation on Drug Use organized by United Nations Office on Drugs and Crime (UNODC), 24 April 2019, New Delhi

19. Brain Stimulation as a Novel Technique for Cognitive Dysfunction and Craving Management to Enhance Treatment Outcome in Patients with Alcohol Dependence: a Prospective, Randomized Controlled Trial, Prabhoo Dayal, DST, 3 years, 2018-2021, Rs 25.80 lakhs
20. Role of genetic polymorphism in determining risk and severity of opioid dependence: A case-control study, Biswadip Chatterjee, AIIMS, 2 years, 2019-2021, Rs 10 lakhs
21. Study on substance use among homeless population in India, Alok Agrawal, Ministry of Social Justice & Empowerment, Government of India, 2 years, 2018-2020, Rs 52 lakhs
22. A study among emerging opioid using populations in India, Alok Agrawal, The Colombo Plan, 5 years, 2018-2023, Rs 350 lakhs
23. A functional polymorphism of dopamine beta-hydroxylase gene and disulfiram treatment response in patients with alcohol dependence: A pilot exploratory study, Rizwana Quraishi, AIIMS, 2 years, 2018-2020, Rs 4.5 lakhs
24. An evaluation of mu-opioid receptor gene polymorphism (A118G) and long term naltrexone treatment response in North Indian Alcohol dependent patients, Rizwana Quraishi, ICMR, 3 years, 2019-2022, Rs 26 lakhs
25. Development of an Indian Scale to Assess Substance Related Problems, Siddharth Sarkar, ICMR, 3 years, 2019-2022, Rs 42 lakhs
26. Barriers and Facilitators of Addiction Treatment: A qualitative study, Siddharth Sarkar, ICSSR, 2 years, 2019-2021, Rs 4 lakhs
27. An explorative study of knowledge, perceived attitude and risk of addiction potential among different stakeholders concerning recreational cannabis use among youth in India, Roshan Bhad, AIIMS, 2 years, 2019-2021, Rs 8 lakhs

### ***Completed***

1. Portrayal of psychoactive substance use in Bollywood movies: a mixed methods study, Ravindra Rao, AIIMS, 1.5 years, 2016-2019, Rs 1.441 lakhs
2. Assessment of HIV, other Blood-borne Viruses, TB and Risk Behaviours among Prison Inmates in Gujarat,

- Ravindra Rao, UNODC, Regional Office for South Asia, 7 months, 2018-2019, Rs 21 lakhs
3. Comparison of serum Corticotrophin Releasing Factor (CRF) level in detoxified Opioid-dependent subjects with healthy controls. Biswadip Chatterjee, AIIMS, 2 years, 2017-2020, Rs 2 lakhs
  4. Development of National Suicide Prevention Strategy for the Maldives , Yatan Pal Singh Balhara, WHO SEARO, 4 months, 2019, Rs 4 lakhs
  5. Review of Mental Health Services in Sri Lanka, Yatan Pal Singh Balhara, WHO SEARO, 3 months, 2019, Rs 4 lakhs
  6. Relationship of serotonin pathway polymorphisms with self-harm behaviour among patients with opioid dependence, Siddharth Sarkar, DST, 2 years, 2017-2019, Rs 20.68 lakhs
  7. Peripheral Blood Inflammatory Cytokines and Markers of Neuroinflammation in Alcohol Dependence and Their Association with Behavioural Markers and Alcohol Dependence Treatment Outcome, Prabhoo Dayal, AIIMS, 1 year, 2018-2019, Rs 4.63 lakhs
  8. Psycho-social correlates of drug use among attendees of Women's Clinic of National Drug Dependence Treatment Centre, Piyali Mandal, AIIMS, 3 years, 2017-2020, Rs 0.5 lakhs

## **Departmental projects**

### ***Ongoing***

1. A clinical trial to find the effect of transcranial direct current stimulation (tDCS) on craving to smoke tobacco among opioid dependent smokers maintained on Buprenorphine
2. A Comparative Study of Alcohol Biomarkers & Their Clinical Applicability in Alcohol Dependence a Comparative Study of Alcohol Biomarkers and their Clinical Applicability in Alcohol Dependence
3. A comparative study of Ethyl glucuronide (EtG) and Fatty acid ethyl ester (FAEE) with other conventional biomarkers in Alcohol Dependent subjects.
4. A comparative study of serum brain-derived neurotrophic factors levels in-patients with alcohol dependence, depression and co-morbid alcohol dependence and depression.
5. A comparative study to assess the psycho-social correlates of gaming disorder among college students
6. A Pilot Follow-up Study on Retention and Outcome of Patients with Opioid Dependence after Discharge from Treatment Centre
7. A prospective study to assess the factors associated with short term retention of opioid dependent syndrome on oral Naltrexone
8. A Study to Assess Effectiveness of Advocacy Skill Building Programme on Prevention of Tobacco Use among Adolescents in selected schools of Delhi
9. An Assessment of Stress Biomarkers in Opioid Dependent Youth and its association with stress and coping: An exploratory study.
10. Assessing client related factors influencing initiation of opioid substitution therapy among Injecting Drug Users: A Community based, Cross Sectional, Comparative Study
11. Assessment of clinical and neuroendocrine response to induced stress in detoxified opioid dependent subjects.
12. Assessment of sexual behavior among patients seeking treatment for opioid dependence at NDDTC
13. Assessment of treatment response, inflammatory cytokine (TNF-alpha) and mtDNA 10398A/G polymorphism in Familial Bipolar Disorder.
14. Association of Tobacco Smoking with Psychiatric Co-morbidities among Patients with Chronic Obstructive Pulmonary Disease
15. Brain Derived Neurotrophic Factor gene polymorphism (Val66Met) association with peripheral BDNF levels and clinical variables in major Depressive Disorder Patients.
16. Clinical and Biochemical Assessment of Compliance to Disulfiram and Abstinence for Alcohol: A Longitudinal Study in Alcohol Dependent Subjects
17. Clinical laboratory profile of opioid dependent patients: A retrospective chart review study.
18. Cognitive functioning in buprenorphine maintained opioid dependent patients at peak and trough buprenorphine levels: an experimental study
19. Concordance of ICD 11, ICD 10 and DSM 5 Diagnostic Guidelines for Alcohol and Opioid Use Disorders
20. Correlates of family functioning in adolescent substance users
21. Correlates of Recovery Capital in patients with dual diagnosis – an explorative study
22. Course of depressive symptoms in patients with alcohol dependence undergoing detoxification.

23. Development of Cognitive Behavioral Based psychological intervention module for adolescents in conflict with law
24. Development of Psychological Intervention Module among adolescents with Dissociative Disorder
25. Effect of Cannabis on serum Brain Derived Neurotrophic Factor level and its relation with psychosis – A cross-sectional exploratory study.
26. Effectiveness of reminders using Phone call versus Short Message Service on treatment retention in patients with Substance Use Disorders: An open label randomised trial
27. Endorsement and Concordance of ICD 11, ICD 10 and DSM 5 Diagnostic Guidelines for Alcohol and Opioid Use Disorders
28. Experience with Treatment among patients with substance use disorders
29. Factors associated with treatment retention amongst alcohol dependent patients
30. Family Interventions Addressing Expressed Emotions in Treatment Seeking Men with Opioid Dependence
31. Indigenously produced psychoactive substances in India: Patterns of use and Profile of users
32. Knowledge, Risk factors and experience of non-fatal overdose among Injecting Drug Users: A community-based, cross-sectional study
33. Outcomes in Treatment with Tramadol for Opioid Use Disorder over 12 weeks: A Prospective Observational Study
34. Rates and Pattern of Psychoactive Substance use among Prison inmates in India
35. Substance use among homeless men receiving services from shelter homes in Delhi
36. Substance use among school and College students
37. Substance use among Transport Workers
38. Substance Use in Children and Adolescents with Attention Deficit Hyperactive Disorder: An Exploratory Study
39. The clinical and laboratory predictors of Alcohol withdrawal syndrome
40. Tobacco use in alcohol dependent patients

### ***Completed***

1. A comparative study to assess the psycho-social correlates of gaming disorder among college students
2. A Longitudinal Observational Study to Assess Treatment Retention Rate & Predictors of Treatment Retention among Patients with Opioid Use Disorder
3. A pilot follow-up study on retention and outcome of patients with Opioid Dependence
4. Adult ADHD in patients with opioid dependence: An exploratory study
5. Assessing client perceived barriers to initiate opioid substitution therapy among Injecting Drug Users a cross-sectional, comparative, community-based study
6. Assessment of Biochemical Measures in Adolescent Inhalant users.
7. Assessment of Cannabis use among Alcohol and Opioid Dependent subjects based on Urinalysis- A Retrospective Chart Review
8. Association between serum C-reactive protein level and alcohol consumption among patients of Alcohol Use Disorders: a cross-sectional, exploratory study
9. Behavioral and Biological Assessment of Vulnerabilities to acquisition of HIV, Blood Borne viruses and Tuberculosis among Prison Inmates of Gujarat
10. Cognitive Functioning in Buprenorphine maintained Opioid Dependent Patients at Peak and Trough Blood Buprenorphine Levels: An Experimental Study
11. Cognitive Representations and Feasibility of Cognitive Therapy among Individuals with Alcohol Dependence Syndrome
12. Delay Discounting Rates among Patients with Alcohol and Opioids Dependence: A Cross Sectional Comparative Study
13. Effectiveness of Intravenous Naloxone in Attenuating Agonist Effects of Intravenous Buprenorphine: A Double blind, Within-subject, Randomized, Cross-over Study in Opioid Dependent Subjects
14. Gambling disorder and its socio- demographic correlates among treatment seeking patients with alcohol use disorders
15. Neurological soft signs and their correlates among patients with cannabis use disorder with and without psychosis: a cross-sectional comparative study
16. Out-patient Management of Acute Opioid Withdrawal with Buprenorphine in Community-Based Setting: A Retrospective Chart Review
17. Prevalence and characteristics of self-harm and suicidal attempts among patients with substance use disorder at

a tertiary care hospital

18. Psychological Correlates of Caregiving among the caregivers of patients with Schizophrenia
19. Psychosocial factors associated with Internet Use Behavior among Medical & Engineering Undergraduate Students: A comparative study
20. Stigma among men and women seeking treatment for substance use disorder and their family members: a cross-sectional comparative study
21. Trazodone for sleep disturbance in opioid dependent patients maintained on buprenorphine: a double-blind placebo control trial

### **Collaborative projects**

#### ***Ongoing***

1. A hermeneutic phenomenological study on experiences of living donors post kidney transplant at AIIMS New Delhi, College of Nursing
2. A study to compare the anxiety, depression and quality of life (QOL) among caregivers of children with cerebral palsy and those with typically developing children attending Paediatric Neuro OPD at AIIMS, New Delhi, College of Nursing
3. Comparison of Different Anti-platelet Drug Regimes on Platelets Aggregation and Urinary 11-Dehydrothromboxane B2 levels in Stable Ischemic Heart Disease Patients, Cardiology
4. Comparison of Double “J” and infant feeding tubes as stents in open Cohen’s ureteric reimplantation in terms of hospital stay - a Randomized study, Pediatric Surgery
5. HRV and autonomic parameters for supplementing clinical assessment of opioid withdrawal, Physiology
6. Study on the association of polymorphism, methylation and expression status of the genes of monoamine pathways in Alcohol dependence, Anatomy

#### ***Completed***

1. A vignette based cross-sectional study to assess health care professional’s perspective on various ethical dilemma clinical situation, Medical Oncology
2. Default Mode Network of addictive disorders: A Quantitative EEG study, Physiology
3. The Effect of Prosthodontic Rehabilitation of Completely Edentulous Geriatric Patients on Their Working Memory Process - A Functional MRI Based Pilot Study, CDER
4. Evaluation of Eating Disorders and their Association with Metabolic Parameters and Glycemic Control in Adult Patients with Diabetes Mellitus Type 2, Endocrinology

## AWARDS, HONOURS AND SIGNIFICANT EVENTS

**Professor Rakesh Chadda** (*please see Chapter 9.34*)

**Professor Raka Jain** was appointed as steering Committee member of the Guru Gobind Singh Indraprastha University, Govt. of Delhi (July, 2019-2021); Special Invitee for Center research and Consultancy (CRC) Committee meeting Guru Gobind Singh Indraprastha University, Govt. of Delhi (July 2019); Organizing Co-Chair for the 21st Annual Conference of International Society of Addiction Medicine, 13-16 November 2019, Hotel Pullman, New Delhi. Chaired a session in 21st International Society of Addiction Medicine New Delhi, India (13-16 November 2019); Chaired a session in INPALMS Congress 2019 Dhaka, Bangladesh (9-13 December 2019); Re-appointed as a member of the WHO Expert Advisory Panel on Drug Dependence (Dependence Liability Evaluation): World Health Organization, Geneva, November 2019-2023; As an Expert Committee member of the WHO Expert Advisory Panel on Drug Dependence (Dependence Liability Evaluation), attended and participated in the 6th Working Group of the Expert Committee on Drug Dependence (ECDD) WHO Headquarters Geneva, Switzerland, 5-7 June 2019; As an Expert Committee member of the WHO Expert Advisory Panel on Drug Dependence (Dependence Liability Evaluation), attended and participated in the World Health Organization (WHO) “42nd Expert Committee Meeting on Drug Dependence (42nd ECDD, 21-25 October 2019, WHO Headquarters, Geneva, Switzerland. As an Expert Committee member of the WHO Expert Advisory Panel on Drug Dependence (Dependence Liability Evaluation), attended and participated in the 7 Working Group of the Expert Committee on Drug Dependence (ECDD)WHO Headquarters Geneva, Switzerland, 10-21 February 2020.

**Professor Anju Dhawan** was Organizing Secretary for the 21st Annual Conference of the International Society of Addiction Medicine, 13-16 November 2019 at Hotel Pullman, New Delhi; Membership International Society of Addiction Medicine (ISAM) Training and Education Committee; Conducted DM Addiction Psychiatry examination in NIMHANS on 21 November 2019.

**Professor Sonali Jhanjee** got Luke Clack award for presentation of paper titled: Tobacco use in children and adolescent in Attention deficit hyperactive disorder: An exploratory study in the 15th Biennial National Conference of Indian Association of Child and Adolescent Mental Health (IACAM) in which I was co-author; Part of a meeting group for drafting White paper on Alcohol and cancer under ICMR-ICR India Cancer Research Consortium (ICMR-ICRC).Red Cross Road, New Delhi; Part of a Sub Group for Health Effects on Electronic Nicotine Delivery Systems (ENDS) constituted by MOH& FW; Part of a Committee for finalization of draft ‘Guidebook for Nurses on Tobacco Cessation and Drug Dependence Treatment’ constituted by MOH& FW.

**Professor Atul Ambekar** represented Ministry of Health and Family Welfare, Government of India as a part of Indian delegation at the 63rd session of the Commission on Narcotic Drugs (CND), Vienna, 2-6 March 2020; Awarded “Venus International Medical Award 2019 (VIMA 2019)” for Excellence in Psychiatry, April 2019; Provided expert advice to World Health Organization (Geneva) on Public Health Issues related to Addictive Behaviours and attended the Expert Group Meeting at Abu Dhabi, UAE (November 2019); Nominated as member Scientific Committee, Asia Regional Meeting of International Society for Study of Drug Policy Conference, October 2019, Hong Kong; Nominated as member Scientific Committee – INEBRIA (International Network on Brief Interventions for Alcohol & Other Drugs) International Conference, September 2020 (Goa); Engaged as an Expert to provide technical assistance to Ministry of Health, Myanmar in collaboration with Community Partners International and UNAIDS for Demonstration Project on ‘Opioid Substitution Treatment with Buprenorphine’ (December 2019 – ongoing)

**Dr Yatan Pal Singh Balhara** is Technical Reviewer. Standard Treatment Guidelines for the Management of Substance Use Disorders & Behavioural Addictions, 2020. Developed by Ministry of Health and Family Welfare, Government of India, 2020. Member, Expert Working Group for finalising the Advanced Level Universal Treatment Curriculum (UTC)

for Substance Use Disorders of the Colombo Plan Drug Advisory Programme (CPDAP); Member, WPA Committee on Psychiatric Education for Medical Students; Nominated as Zonal Representative of World Association of Dual Disorders (WADD). Elected Member, Advisory Committee of World Association of Dual Disorders (WADD), 2018-2021.

**Dr Ashwani K Mishra** is external examiner for paper of Research Methodology for examination of MPhil course in Clinical Psychology, Institute of Human Behavior and Allied Sciences (IHBAS); Continuing as the Elected Member of International Institute; Continuing as the Elected Member of International Association for Statistical Education; Continuing as Member–International Society for Clinical Biostatistics; Scientific Reviewer – Indian Journal of Medical Research, National Medical Journal of India, Health, the American Journal of Alcohol and Drug Abuse.

**Dr Rachna Bhargava** was Associate-cum-Speciality Editor in Journal of Indian Association of Social Psychiatry; Attended Regional Workshop on UNFT organized by UNODC at Maldives between 23-27 September 2019; Jury member for eRaksha Contest 6 September 2019.

**Dr Prabhoo Dayal** was nominated expert member, speciality sub-group TB-Tobacco & Substance abuse, National Technical working group on TB-Co-morbidities for development of framework, guidelines on management and capacity building materials for India, Ministry of Health and Family Welfare, Government of India; Technical expert to provide technical support and facilitate on-site training for strengthening services on management of addictive disorders in Sri Lanka, Ministry of Health, Nutrition & Indigenous Medicine, Sri Lanka with the support of WHO country office, Sri Lanka; Successfully Completed course on Buprenorphine and Office-Based Treatment of Opioid Use Disorder, conducted by American Psychiatric Association 2019 IPS: Mental Health Services Conference from 3-6 October 2019 at New York USA. Member – Organizing Sub-Committee: 21st Annual Meeting of the International Society of Addiction Medicine –ISAM 2019 on “Addiction in a Rapidly Changing World” held at Hotel Pullman, New Delhi, India from 13-16 November 2019; Involved in Training of Trainers’ workshop for training senior nurses and nursing teachers on “Substance Use disorder Nursing” from 28 November to 5 December 2019: Funded by MOH & FW, Govt. of India; Conducted workshop on Tobacco cessation and Substance use on 14 December 2019 at VMMC & Safdarjung Hospital: Sponsored by MOH & FW, Govt. of India.

**Dr Alok Agrawal** got Tilak Venkoba Rao Oration Award by the Indian Psychiatric Society; Provided expert advice to Ministry of Health and Sports, Government of Myanmar for implementation of Buprenorphine maintenance treatment for management of opioid dependence in the country; Conducted two training workshops on management of substance use disorders for doctors and nurses working in government healthcare facilities on invitation of the Government of Himachal Pradesh; Provided expert advice to Ministry of Social Justice and Empowerment, Government of India for accreditation of Integrated Rehabilitation Centres for Addicts through National Accreditation Board for Hospitals and Healthcare Providers (NABH); Provide expert advice to State AIDS Control Societies of Punjab, Haryana and Chandigarh on improving quality of harm reduction services for Injecting Drug Users; Member, Editorial Board, National Journal of Social Defense, National Institute of Social Defense, Ministry of Social Justice & Empowerment, Government of India.

### Neurology

#### **HIGHLIGHTS**

In the year 2019-20, the Neurosciences center continued to scale newer heights in the domains of patient care, research and training. This year was notable for the initiation of Tele OPD services for follow up patients amidst the COVID-19 crisis in March 2020. Department of Neurology was the first department in AIIMS to do so. Two major publications on CONSENSUS statements on management of Multiple Sclerosis and other primary demyelinating disorder and on STROKE were published by the department of Neurology.

Stalwarts like Professor Fred Gentili (Canada), an expert in neuro-endoscopic procedures and Professor Ali Krisht (US) an expert in skull base and vascular microneurosurgery came to perform surgeries during 22nd AIIMS Microneurosurgery workshop. Professor Alexi Peleganchuk and Professor Alexander Krutko (Russia) both experts in spine surgery demonstrated their surgical skills during successfully conducted 9th AIIMS complex spine surgery workshop. Department of neurosurgery featured in 2020 edition of *Limca book of records* for performing first craniopagus surgery in which a team of 125 doctors and paramedical staff led by Professor Ashok K. Mahapatra (former Head of Department).

A state-of-the-art 128 slice dual energy CT scanner installed in the department of Neuroimaging and Interventional Neuroradiology. The existing 1.5T MR was upgraded to 'silent MR' system.

Neuro-anesthesiology department managed a record number of 4063 (2760 at the Neurosciences Centre and 1303 at the JPNATC) neurosurgical procedures and 662 neuroradiological procedures (378 in Angiography lab and 284 in MRI suite).

Neuropathology department has added new facilities for the molecular diagnosis and cytogenetic work-up in routine work up in neuro-oncology.

#### **HIGHLIGHTS**

In the year 2019-20, the Department of Neurology continued to scale new heights in patient care, research and training. This year was notable for the initiation of Tele OPD services for follow up patients amidst the COVID-19 crisis in March 2020. Department of Neurology was the first department in AIIMS to do so. Using the module of **teleneurology OPD** services, publications were sent on the experience, the utility and satisfaction index of the users on the novel aspect of

TELE OPD in Neurology. Under the lock down period due to COVID pandemic, several webinars were conducted nationally for educational purpose. Two major publications on consensus statements on management of Multiple Sclerosis and other primary demyelinating disorder and on stroke were published recently, from the department under the aegis of Indian Academy of Neurology and Indian Stroke Association. In the research arena, the department continued to excel with several other publications in high impact factor journals.

## **EDUCATION**

### **Change brought about in academic activities**

1. **Fellowship in Stroke:** Running successfully. We have trained 4 fellows in Stroke till now and the last Stroke Fellow has been inducted into contract faculty in the department in the month of April 2020.
2. Under **short term and long-term Dissertation program with MSc Nursing**, KAP studies and awareness and educational protocols have been made and conducted successfully amongst ER personnel, care givers for stroke patients and for stroke patients.
3. Under **DM Dissertation, Awareness and Educational program for Stroke Triage** and acute management has been conducted successfully with ER personnel and Stroke Nursing staff.

### **Innovative educational activities**

1. Under the lock down period due to COVID pandemic, a number of webinars have been conducted nationally for educational purposes dealing in the following subjects:
  - a) Tele neurology
  - b) Various aspects of stroke and its management issues.
  - c) Various aspects of epilepsy
  - d) Various aspects of EEG and other electrophysiological monitoring.
  - e) COVID and Neurology
  - f) COVID and Stroke
2. Two major publications on CONSENSUS statements on management of Multiple Sclerosis and other primary demyelinating disorder and on STROKE have been published recently, from the department under the aegis of Indian Academy of Neurology and Indian Stroke Association.
3. Using the module of Teleneurology OPD services initiated in the month of March 2020, publications have been sent on the experience, the utility and satisfaction index of the users on the novel aspect of TELE OPD in Neurology.
4. Department of Neurology is the first department in AIIMS to have initiated the Tele OPD services.
5. One senior resident published a systematic review and meta-analysis on effects of tenecteplase in acute ischemic stroke, which prompted 'Up to date' and 'Dynamed' to change its recommendation along with citation of the publication.
6. Organized half day workshops on 'Diagnosis and Management of Epilepsy' for undergraduates and postgraduates through the CMETi training program on 27 August 2019

### **Lectures delivered**

<b>M.V. Padma Srivasatava: 15</b>	<b>Kameshwar Prasad: 21</b>	<b>Manjari Tripathi: 1</b>

<b>Deepti Vibha: 10</b>	<b>Vishnu VY: 1</b>	<b>Roopa Rajan: 6</b>
<b>Awadh Kishore Pandit: 3</b>	<b>Rajesh Kumar Singh: 2</b>	<b>Anu Gupta: 1</b>
<b>Animesh Das: 1</b>	<b>Bhargavi: 2</b>	

### **MV Padma Srivasatava**

1. Atherosclerosis and migraine: an emerging risk National Headache Symposium, April 2019, Kolkata
2. Stroke management Conclave on Health Sciences NASI-Local Chapter, April 2019, Jaipur
3. An update on ICH management Asian Society of CME – Cross Connect East, April 2019, Kolkata
4. Neurosonology in stroke Annual Conference of the Society of Neuro-sonology, June 2019, Kolkata
5. Thrombolysis in ischemic stroke – difficult decisions National stroke CME, June 2019, New Delhi
6. Stroke induced movement disorder: Lightning does strike twice First Movement Disorder Conclave of Uttarakhand, July 2019, Rishikesh
7. Post stroke seizures – management issues Epilepsy conclave August 2019, Bengaluru

8. Pragmatic treatment approach to multiple sclerosis ICTRIMS, August 2019, Kolkata
9. Course Director, Stroke summer school September 2019, Bengaluru
10. Stroke hub spoke model – role of physicians, Physician training in stroke care for MSUs, September 2019, Guwahati
11. Thrombolysis in ischemic stroke beyond 4.5 hours IANCON, October 2019, Hyderabad
12. NOACs – an update RAJAPICON, October 2019, Jaisalmer
13. Intravenous thrombolysis in AIS - the art and science of practice TS Srinivasan-NIMHANS Knowledge Conclave February 2020, Bengaluru
14. Management of AIS – how far have we reached? National neuro update February 2020, Rishikesh
15. Clinical approach to language dysfunction SHINE February 2020, Chennai

#### **Kameshwar Prasad**

1. Evidence-Based Management of acute ischemic stroke AINA Neurology Workshop and 2nd AIIMS, PGI (BRAINSTROM-2019), 13th April 2019, PGIMER, Chandigarh
2. Designing randomized controlled trials, Research Methodology Workshop, 20-22 May 2019, Kolkata West Bengal
3. Evidence Based Clinical Practice and GRADE methodology, McMaster Evidence Based Clinical Practice Workshop, 3-7 June 2019, Hamilton, Canada
4. a) How to design a study: research question, objectives and hypothesis b) Introduction to systematic review and meta-analysis First PG Workshop on Research Methodology, Writing and Communication (July session), 5-9 August 2019 and 2-6 September 2019, AIIMS, New Delhi
5. ICMR estimates of national burden due to multiple sclerosis, Indian Committee for Treatment and Research in Multiple Sclerosis Conference (ICTRIMS-2019), 18 August 2019, Kolkata West Bengal
6. Randomized controlled trials b) Systematic review and meta-analysis ICMR Workshop on Research Methodology, 5 September 2019, Dharamshala, Himachal Pradesh
7. Stroke research in India: where should we focus? 6 Summer Stroke School, 6-8 September 2019, Bengaluru Karnataka
8. Network meta-analysis, Collaboration Meeting (University of London) 13-14 September 2019, London U.K.
9. Systematic review and meta-analysis: principles and clinical implications ICMR workshop on Capacity Building for NE Region in Evidence Based Medicine, 26-27 September 2019, Guwahati Assam

## RESEARCH

### Funded projects

#### Ongoing

1. Mapping, Researching and Addressing The Gaps In Scientific Awareness and Health Practices Regarding Stroke In HP: Applying Novel, Interactive/Demonstrative Science Communication MV Padma Srivastava, DST, 3 years, 2016-2019, Rs 40.45 lakhs

2. Effect of Dual-Task Exercise in Conjunction with Fluoxetine and Transcranial Direct Current Stimulation (tDCS) on Postural Stability and Gait in Stroke Patients. MV Padma Srivastava ICMR, 3 years, 2017-2020, Rs 50.6 lakhs
3. Elucidating the Pathobiology of Classical Ayurvedic Interventions in Post Stroke Recovery Using Magnetic Resonance and Other Techniques Based Structural, Functional and Chemical Biomarkers, MV Padma Srivastava DST, 3 years, 2018-2021, Rs. 31.33 lakhs
4. Secondary Prevention by Structured Semi-Interactive Stroke Prevention Package in India (SPRINT INDIA), Study and Establishment of the Indian Stroke Clinical Trial Network (INSTRuCT), MV Padma Srivastava, ICMR, 3 years, 2017-2020, Rs 15.4 lakhs
5. Role of Normobaric Oxygen Therapy, Fluoxetine and Transcranial Direct Current Stimulation (rTCDS) in Hypoxic Ischemic Brain Injury – HIBInitiative, MV Padma Srivastava, DBT, 5 years, 2018-2023, Rs 106 lakhs
6. Randomised, double-blind, placebo-controlled, international, multicenter, phase III study to investigate the efficacy and safety of ticagrelor and ASA in the prevention of stroke and death in patients with acute ischemic stroke or transient ischemic attack (THALES-Acute stroke or transient ischemic attack treated with Ticagrelor or and ASA for prevention of stroke and death, MV Padma Srivastava, ASTRA-ZENACA, 1 year, 2018-2019, Rs 3.92 lakhs
7. Is Air Pollution and climate change a Stroke Risk Factor? with special reference to Stroke in Young Indians and ischemic stroke subtypes: A multi-center study, MV Padma Srivastava, DST, 3 years, 2018-2021, Rs 59.11 lakhs
8. A 12 Week double blind, randomized multi-centric study comparing the efficacy and safety of once monthly subcutaneous AMG 334 against placebo in adult episodic migraine patients (EMPOWER), MV Padma Srivastava, NOVARTIS, 1 year, 2018-2019, Rs 0.9 lakhs
9. The National Institute for Health Research Global Health Research Group on improving stroke care in India at The University of Central Lancashire. IMPROVing Stroke CarE in India (IMPROVISE). MV Padma Srivastava, NIHR-UCLAN-UK, 2 years, 2018-2020, Rs 42 lakhs
10. Understanding and facilitation of neural plasticity for enhancing post stroke recovery using low cost non-invasive brain stimulation techniques, MV Padma Srivastava, DHR, 3 years, 2017-2020, Rs. 48 lakhs
11. A Population Based Prospective Cohort Study to Unravel the Causes of Stroke and Cognitive Decline: A cross-cultural perspective. Kameshwar Prasad, DBT, 8 years, 2014-2022, Rs. 3200 lakhs
12. Identification of brain imaging quantitative traits loci for cerebral small vessel disease among AIIMS cohort participants using genome wide association study, Kameshwar Prasad, DHR, 3 years, 2018-2021, Rs 280 lakhs
13. Next Generation gene sequencing to determine the association between certain functional exonic variations and young onset Ischemic stroke. Kameshwar Prasad, ICMR, 3 years, 2017-2020, Rs 53 lakhs
14. Identification of genetic risk factors of stroke in Indian population. Kameshwar Prasad, DBT, 3 years, 2013-2019, Rs 64 lakhs
15. Biomarkers to enhance predictive power for short-term and long term outcome after spontaneous intracerebral haemorrhage. Kameshwar Prasad, DBT, 6 years, 2013-2019, Rs 119 lakhs
16. Identification of genetic contribution to ischemic stroke by screening single nucleotide polymorphism of genes associated with inflammation: a case-control study. Kameshwar Prasad, ICMR, 2 years, 2017-2019, Rs. 17 lakhs
17. Fever, Hyperglycemia, Swallowing, and Hypertension Management in Acute Stroke: A Cluster Randomized Trial (Indian Quality Improvement in Stroke Care Study) under “India Stroke Research Network”. Kameshwar Prasad, ICMR, 1 year, 2018-2019, Rs. 78 Lakhs
18. Clinical and genetic factors for aspirin resistance in Indian patients with ischemic stroke, Rohit Bhatia, DBT, 3 years, 2017-2020, Rs 85 lakhs
19. Pathobiology of Multiple sclerosis: phenotypic, biomarker and genetic signatures, Rohit Bhatia, ICMR, 3 years, 2018-2021, Rs 120 lakhs
20. Aspirin or clopidogrel in patients with TB Meningitis, Rohit Bhatia, ICMR, 3 years, 2019-2022, Rs 75 lakhs
21. Genomic and Proteomic Characterization of Indian Amyotrophic Lateral Sclerosis, Rohit Bhatia, AIIMS, IIT, 2 years, 2019-2021, Rs. 10 lakhs
22. CRISPR-based Editing of Regulatory Region and Expanded Triplet repeats as Therapeutic Approach in India’s Most Common Hereditary Ataxias, Achal K Srivastava, DBT, 3 years, 2018-2021, Rs 125.35 lakhs
23. Targeting Repressor Sites in fxn Gene and Associated Transcription Factors as Potential Therapeutic Approach in Friedreich’s Ataxia, Achal K Srivastava, ICMR, 3 years, 2019-2022, Rs 62.27 lakhs
24. A prospective, multicentric, randomized, double-blind, parallel, phase III clinical study to assess efficacy of PMZ-1620 along with standard treatment in patients of acute ischemic stroke. Deepti Vibha, Pharmazz India Pvt Ltd., 1 year, 2019-2020, Rs 7.48 lakhs
25. Determination of efficacy of 9 months, 12 months and 18 months of Anti-Tubercular Treatment (ATT) for Tuberculous Meningitis (TBM): A randomized controlled, non-inferiority trial, Deepti Vibha, DHR, 3 years, 2019-2022, Rs 40.52 lakhs

26. Blood based protein biomarkers for the prediction of stroke outcome using high through output proteomics approach. Deepti Vibha, AIIMS, 3 years, 2019-2022, Rs 10 lakhs
27. Clinical and genetics characterization of dystonia using deep targeted sequencing, Achal K Srivastava, ICMR, 3 years, 2019-2022, Rs 6 lakhs
28. A randomised double blind study of prophylactic levetiracetam for the prevention of post stroke seizures (PROLEVIS), Vishnu VY, DST-SERB, 3 years, 2018-2020, Rs 29 lakh
29. Machine Learning model for early diagnosis of stroke in resource limited settings: Pilot study: A collaborative project with IIT Delhi, Vishnu VY, DBT, 2 years, 2020-2022, Rs 70 lakhs
30. Citicoline in Acute Ischemic Stroke undergoing revascularisation therapy- Investigator initiated academic trial, Vishnu VY, AIIMS, 2 years, 2018-2020, Rs. 5 lakhs
31. BRAHMI (Bacopa Monnieri) for Dementia due to Alzheimer's Disease- Systematic Review and Meta-analysis, Vishnu VY, ICMR, 1 year, 2020, Rs 10 lakhs
32. Identification of pathobiological and disease activity markers in Primary CNS Vasculitis, Vishnu VY, ICMR, 3 years, 2020-2022, Rs 50 lakhs
33. Genetic Architecture of Parkinsons Disease in India (GAP-India), Roopa Rajan, Michael J Fox Foundation, 3 years, 2019-202, Rs 36.93 lakhs
34. The Indian Movement Disorder Registry and Biobank: clinical and genetic evaluation in Indian patients with movement disorders, Roopa Rajan, DBT, 3 years, 2018-2021, Rs 287,72 lakhs
35. Automated hand-drawn spiral analysis platform as a tool to differentiate tremor syndromes, Roopa Rajan, DST-SERB, 3 years, 2017-2020, Rs 42 lakhs
36. Botulinum Toxin injection for treatment of dystonic hand tremor: a randomized, placebo-controlled, parallel group trial, Roopa Rajan, AIIMS, 2 years, 2018-2020, Rs 4.82 lakhs
37. Deciphering the role of ATF3 and TGF  $\beta$  signaling in Mesial Temporal lobe epilepsy (MTLE) patients, Rajesh Kumar Singh, AIIMS, New Delhi, 2 years, 2018-2020, Rs 9.44 lakhs
38. To evaluate the prevalence and incidence of cognitive deficits, in relation to glycaemic control and other metabolic risk factors, in elderly patients with type 2 diabetes mellitus who are at high risk of dementia in comparison to age and gender matched normoglycemic subjects: prospective observational multicentre cohort study, Anu Gupta, ICMR, 3 years, 2019-2022, Rs 46 lakhs
39. Awareness of head injury while driving in patients with epilepsy (PWE): A preventive and public educational study, Divya MR, ICMR, 3 years, 2019-2022, Rs 26.14 lakhs

## **Departmental projects**

### ***Ongoing***

1. Randomized controlled trial comparing efficacy and basal bolus insulin regimen versus sliding scale insulin regimen in patients with acute stroke
2. Rivastigmine for Cognitive impairment in Multiple Sclerosis: A Parallel Group Randomised Open Label Study with Blinded End point Assessment
3. Designing and validation of evidence-based questionnaire in English and Hindi for a population-based cohort study in North India
4. Prevalence and determinants of cerebral micro bleeds among community dwelling people aged 50 years or older: A population based cross sectional study
5. Association of Vascular Risk Factors, Brain MRI Measures, Cognition and Gait in Community Dwelling adults aged 50 years and above: A Population Based Cross-Sectional Study
6. Identifying the rare genetic variant in stroke by whole exome sequencing
7. Clinical trial to evaluate the role of education to care givers in reducing complications and improving outcomes of hospitalized stroke patients
8. N-acetyl cysteine in patient with acute ischemic stroke. Randomised controlled trial.
9. Linezolid as an add on therapy in the intensive phase of TBM. Randomised controlled trial
10. Clinical and genetic factors for aspirin resistance in Indian patients with ischemic stroke
11. Pathobiology of Multiple sclerosis: biomarker and genetic signatures
12. Utility of 8-channel EEG in detecting interictal generalised spike and wave discharges in generalized epilepsy – A diagnostic study
13. Development and Use of an Instrument for Assessing Competence of Trainee Doctors in Providing Epilepsy Primary Care

14. Role microRNAs in pathophysiology of neurodegenerative disorder: spinocerebellar ataxia type 2 (SCA2)
15. Characterization of tremor and gait in spinocerebellar ataxia type 12
16. To study the molecular correlation of Friedreich's ataxia (FRDA) phenotype through mitochondrial genome and transcriptome analysis
17. To identify functional genetic elements in triplet repeats flanked haplotype region and mitochondrial genome in spinocerebellar ataxias
18. Identification of novel unstable tandem nucleotide repeat loci by genome wide screening and their implication in the pathogenesis of genetically uncharacterized progressive cerebellar ataxias.
19. Assessment of sleep dysfunction and its correlation with autonomic function test and severity of disease in apparently idiopathic sporadic progressive cerebellar ataxia
20. Non ataxic manifestations of spinocerebellar ataxia
21. Validation of FXTAS rating scale in SCA 12 patients
22. An ambispective cohort study of idiopathic inflammatory myopathies to understand the clinical profile and temporal trends in management
23. An ambispective cohort study of chronic inflammatory demyelinating neuropathy and its variants
24. Repetitive Transcranial Magnetic Stimulation to the Inferior Parietal Cortex in Task Specific Focal Hand Dystonia: A Cross over, Sham-control, Blinded Outcome Assessment Study
25. Social Cognition in Parkinson's Disease
26. Institutional registry of patients with hypertrophic pachymeningitis
27. Clinico-radiological spectrum of patient presenting with acute myelitis - A prospective study
28. Clinical and radiological spectrum of Anti Myelin oligodendrocyte glycoprotein (MOG) antibody related neurological disorders — An ambispective observational study.
29. Randomised controlled trial comparing efficacy of intranasal versus intramuscular midazolam in terminating seizures during pre surgical epilepsy- VEEG monitoring
30. Assessment of Impact of Physical Exercise as Complementary Management Strategy in People with Epilepsy
31. To Study the Effects of Antidepressant Therapy on Mild and Moderate Depression in Patients with Epilepsy: A Randomized Controlled Trial
32. Study of efficacy of Fluoxetine in post-stroke anxiety-A Randomized Controlled Trial
33. To Determine the Diagnostic Performance Characteristics of Blood Based Protein Biomarkers for The Differentiation of Stroke Using High-Throughput Proteomics Approach
34. Occurrence of Hemorrhagic Transformation in patients with Acute Ischemic Stroke (AIS) using Transcranial Doppler (TCD) – A Prospective, Observational Study

### ***Completed***

1. Yoga as an add on therapy in migraine. (CONTAIN). A Randomised clinical trial.
2. Customized vs regular testing battery during ictal phase in localizing seizures in epilepsy monitoring unit (EMU)
3. Comparison of regimens of dexamethasone in tubercular meningitis- A randomized control trial

### **Collaborative projects**

#### ***Ongoing***

1. A Population Based Prospective Cohort Study to Unravel the Causes of Stroke and Cognitive Decline: A cross-cultural perspective, Erasmus Medical Centre, The Netherlands
2. Outcome of Myasthenia Gravis patients after thymectomy, Surgery
3. Intracranial atherosclerotic disease imaging and outcome, Neuroradiology
4. Targeting Repressor Sites in fxn Gene and Associated Transcription Factors as Potential Therapeutic Approach in Friedreich's Ataxia, CSIR-IGIB
5. CRISPR-based Editing of Regulatory Region and Expanded Triplet repeats as Therapeutic Approach in India's Most Common Hereditary Ataxias, CSIR-IGIB
6. Machine Learning model for early diagnosis of stroke in resource limited settings: Pilot study, IIT Delhi
7. Cochrane review: Disease-modifying therapy for human immunodeficiency virus-related distal symmetrical polyneuropathy, National Hospital for Neurology and Neurosurgery, UK Sing Health Duke NUS, Academic Medical Centre, Singapore Cochrane South Asia, CMC Vellore, Tamil Nadu PIMS, Puducherry, India

8. Cochrane Review: Treatment for pain in human immunodeficiency virus-related distal symmetrical polyneuropathy, National Hospital for Neurology and Neurosurgery, UK Sing Health Duke NUS, Academic Medical Centre, Singapore Cochrane South Asia, CMC Vellore, Tamil Nadu PIMS, Puducherry, India
9. A cost benefit analysis comparing therapeutic plasma exchange and intravenous immunoglobulin in the treatment of guillain-barré syndrome and myasthenia gravis patients at a tertiary level hospital, Transfusion medicine
10. Exosome based non-invasive (saliva and urine) detection technique development for early Parkinson's disease, Biophysics
11. Assessment of cognitive, neuroanatomical, and neurofunctional abnormalities in adults with T1D Endocrinology
12. Effect of yoga on psychological, cognitive and glycemic control in patients with T2D and depression: 2 arm parallel RCT, Endocrinology
13. A multicenter open label parallel arm RCT evaluating whether yoga can prevent worsening of glycemic control in patients with T2D on oral drugs Endocrinology, MDRE, Chennai

### Completed

1. Effectiveness of neuro-feedback using NIRS to enhance motor imagery based rehabilitation in stroke patients - A pilot study, Physiology

### PUBLICATIONS

**Journals: 105**

**Abstracts: 32**

**Chapters in Books: 4**

**Books: 2**

### PATIENT CARE

#### Special clinics

1. Stroke clinic
2. MS, Demyelinating disorders and Neuroimmunology clinic
3. Headache clinic
4. Neuromuscular clinic
5. Ataxia Clinic
6. Movement Disorder Clinic
7. Botulinum toxin clinic
8. Intractable Epilepsy Clinic

#### Special lab facility

Neurosonology facility

Movement disorder electrophysiology

#### Community services/camps

1. World Stroke day organised in October 2019 at AIIMS, Delhi
2. World MS Day organised in May 2019 at AIIMS, Delhi
3. Epilepsy clinics organized on the Lifeline Express at:
  - Sahibganj Jharkhand 14 and 15 September 2019
  - Korba, Chhattisgarh 26 and 27 October 2019
  - Forbesganj, Bihar 30 November and 1 December 2019
  - Subedarganj, Prayagraj (UP) 28 and 29 December 2019
  - Dhubri, Assam 1 February 2020
  - Naharlagun, Agartala, 29 February and 1 March 2020
4. Health Camp at Naudera, Pratapgarh UP 7-9 December 2019
5. Lecture on 'Public awareness of Parkinson's disease and Social Dimensions' on PD Day at Indian Spinal Injury Center, New Delhi
6. 'World Mental Health Day' celebration at SRM University, Delhi NCR, Sonapat October 2019.
7. AIIMS Superspeciality medical camp, Ladakh

## AWARDS, HONOURS AND SIGNIFICANT EVENTS

**Professor MV Padma Srivastava** is Member of Institute Body of PGIMER Chandigarh: From Jan. 2020, onwards; Member of Institute Body of AIIMS, Rae Bareli: January 2020, onwards; Member of Governing Body of AIIMS, Rae Bareli: January 2020, onwards; Member of Governing Body of Ambedkar Institute of Medical Sciences under Govt. of Punjab from January 2020, onwards; Member SEC, DGHS, Govt. of India; External expert for DHR, Govt. of India; Member, Task Force, SATYAM, DST, Govt. Of India; Member Task Force for NSCRT, DST, Govt. of India, 2018; Member Task Force for MSU for North-East, under ICMR; Member, Scientific Committee for ESO-WSO, to be held in November 2020; External examiner for DM Neurology Exam held in PGIMER, Chandigarh in May 2019; External Expert for selection of faculty for AIIMS, Jodhpur in May 2019; External Expert for assessment of DNB NEUROLOGY IN Tanda, HP, in July 2019; External expert for selection of faculty for AIIMS, Rishikesh in July 2019; External examiner for DM exit exam in MAHE in July 2019; Board member meeting for the DST-FIST in Pune in August 2019; External expert for the Senior Staff Selection Committee Meeting in SCTIMS in Trivandrum in August 2019; External expert for faculty in Selection committee meeting in NIMHANS, Bengaluru in August 2019; External expert for faculty selection in Selection Committee meeting in BHU, Varanasi in September 2019; External examiner for DM Exit exam in Chettinad University in Tamil Nadu in September 2019; Visiting Professor for the University of Cincinnati, USA, as part of the IUSSTF meeting in November 2019; Visiting faculty for the Meeting on use of Alemtuzumab in RRMS held in Lugano, Switzerland in November 2019; Expert for monitoring of PBSR under aegis of ICMR meeting in Bengaluru in December 2019; Expert for PBSR monitoring in Varanasi and UP under aegis of ICMR held in BHU in January 2020; Invited faculty and co PI for the IUUSTF project on Homocysteine lowering trials for stroke held in University of Iowa, USA from 20 to 27 January 2019; Invited faculty and co PI for IMPROVISE, the multicenter, international collaboration on improving stroke care in India with UCLAN, UK, NIHR-GHRA, held in Dubai in June 2019; Invited faculty and board member for DST-PAC meeting in Mumbai, in September 2019; Invited faculty and deliver the Baldev Singh Oration in NAMSCON held in AIIMS, Bhopal in October 2019; FRCP (Edin).

**Professor Kameshwar Prasad** is continuing as: Fellow, Royal College of Physicians, Edinburgh; Member of the World Stroke Organization; Member of the World Federation of Neurology; Member of the Infectious Diseases and ARI Review Group of the International Cochrane Collaboration; Member of the International Clinical Epidemiology Network; Member of the New York Academy of Sciences; Member of the American Academy of Neurology; Member, Cochrane Epilepsy Review Group; Member, Cochrane Neurological Network; Editor, Edinburgh-based Cochrane Stroke Group and Amsterdam-based Cochrane AR; Group Editorial Board Member - *British Medical Journal*, *Practical Neurology*, *Cochrane ARI Review Group*, *Australia*; Reviewer for the medical journals - *British Medical Journal*, *Stroke*, *Canadian Medical Association Journal*, *Journal of Epidemiology and Community Health*, *Journal of Antimicrobials and Chemotherapy*, *CNS Drugs*, *Cochrane Stroke*, *Neurology India*, *Annals of Indian Academy of Neurology*, *Journal of Association of Physicians of India*, *National Medical Journal of India*, *Circulation (USA)*, *Neurological Research*, *Neurological Sciences*, *Brain and Behaviour*, *Lancet*, *BMJ*; Visiting Faculty (Adjunct Affiliation) with the Department of Epidemiology, Erasmus MC, The Netherlands from May 2017-May 2019.

**Professor Manjari Tripathi** delivered Oration at the annual Indian Epilepsy Society meeting January Ahmedabad - 360 degree care in epilepsy.

**Professor Achal Srivastava** is Associate Editor of Annals of Indian of Neurology; Associate Editor of Annals of Movement Disorder; Executive Committee member of Neurological Society of India; Executive Member of Delhi Neurological Association; Executive Member of Nerve Muscle Society of India.

**Professor Rohit Bhatia** is Invited to deliver a lecture at the prestigious International Stroke Conference, American Heart Association meeting February 2020; Elected as the President of the Indian Stroke Association. March 2020; Elected as the Chairman of the Autoimmune Subsection of the Indian Academy Neurology. March 2020.

**Professor Mamta Bhushan Singh** was Appointed member International Subcommittee of American Academy of Neurology.

**Dr Deepti Vibha** was in Traineeship in Neurosonology at Yong Loo Lin School of Medicine, National University of Singapore in May 2019; Indian Academy of Neurology-Association of Indian Neurologists in America (IAN-AINA) observer fellowship for stroke at Stroke Services, University of Pittsburgh Medical Center (UPMC) in September 2019; Member of the institute annual report committee; Member of technical committee at Institute of Liver and Biliary Sciences, New Delhi.

**Dr Vishnu VY** was Selected for split-site fellowship programme: International Fellow in Neuromuscular Genomic Medicine; International Centre for Genomic Medicine in Neuromuscular Diseases (ICGNMD); Funded by the Medical Research Council, UK.

**Dr Roopa Rajan** was Selected for MDS-LEAP (Leadership program) class of 2019 Gold medal at 5 AOPMC quiz, Hangzhou, China; Steering Committee Member, International Parkinson's and Movement Disorder Society (MDS) Young Members Group; Member, MDS Tremor Study Group; Member, MDS Task Force on management of PD: integrated and interdisciplinary care.

**Dr Awadh Kishor Pandit** got awarded Fellowship in Neuroendovascular therapy for Neurological disorders particularly Stroke Management at Aichi Medical University, Aichi, Japan for six months (15 January 2020 to 30 June 2020).

**Dr Elavarasi** is Assistant Editor, Annals of Indian Academy of Neurology.

**Dr Bhargavi Ramanujam** is Assistant Editor in the Editorial board of the journal - Neurology India.

#### **Awards won by students/trainees**

1. Best paper award in Movement Disorder Category at IANCON 2019 (DM student)
2. Best Paper Award in Poser Category at DNACON 2020 (Ex DM student)
3. International Travel Grant to attend International Parkinson's disease and Movement disorder society (PhD students)
4. International Travel Grant to attend International Association of Parkinsonism and Related Disorder (PhD Student)
5. The international scholarship award. American Academy Neurology, 2020 (DM Student)
6. International travel scholarship award: World stroke organization meeting 2019 (PhD student)
7. International travel bursary: World Congress neurology, 2019, PhD student.
8. PHD student Ms. Jyoti Sharma received ICMR fellowship

#### **VISITING SCIENTIST**

A team of scientists visited the Department of Neurology in October 2019 to discuss collaborative academic research as part of the 'International Centre For Genomic Medicine in Neuromuscular Diseases' project.

Dr. Robert David Stuart Pitceathly, MRC clinician scientist and Honorary consultant, UCL.

Professor Michael Gergis Hanna, Director of the UCL Institute of Neurology and Director of the MRC Centre for the neuromuscular diseases, UCL

Dr. Lindsay Anne Wilson, Centre Research Manager for the International Centre for Genomic Medicine in Neuromuscular diseases at UCL

Dr. Jana Vandrovцова, Senior Research Associate, UCL

## Neurosurgery

### HIGHLIGHTS

In the year 2019-20, Department of Neurosurgery organised many workshops and CME's focused on learning newer advances in the field of neurosurgery. Stalwarts like Prof. Fred Gentili (Canada), an expert in neuro-endoscopic procedures and Prof. Ali Krisht (US) an expert in skull base and vascular microneurosurgery came to perform surgeries with us during 22nd AIIMS Microneurosurgery workshop. This year's microneurosurgery workshop was a great success with a very good participation and was much appreciated for its scientific content.

Prof Alexi Peleganchuk and Prof Alexander Krutko (Russia) both experts in spine surgery demonstrated their surgical skills during successfully conducted 9th AIIMS complex spine surgery workshop which was also well attended and appreciated.

Department of neurosurgery featured in 2020 edition of *Limca book of records* for performing first craniopagus surgery in which a team of 125 doctors and paramedical staff led by Professor Ashok K. Mahapatra (former Head of Department) and Professor Deepak Gupta successfully separated twins joined at cranium.

Professor Ashish Suri and Professor Deepak Gupta were both selected as Adjunct Professors for Indian Institute of Technology (IIT), New Delhi.

### EDUCATION

On weekly basis, seminar/journal club/case presentation/mortality presentations were organized for the MCh residents.

Neurosurgery Simulation-based Short Term Skills Training Program: Neurosurgery Skills Training Facility (NSTF) and Neurosurgery Education and Training School (NETS)

Simulation-based neurosurgery skills training sessions: 1248

Cadaver-based skull base dissection: 11 sessions and 158 participants

Simulation-based short term neurosurgery skills training = 39

4 weeks short term training = 21

2 weeks short term training = 19

*E-learning in neurosurgery skills training*

Surgical videos = 1,11,118 views (945 Subscribers)

Website views = 11,899 views      Discussion forum = 8,677 likes

### CMEs/Workshops/Symposia/National and International Conferences Conferences Organized

1. 9th International CME and Workshop on Cost Effective Use of Technology in e-health care held at Goa in March 2019
2. Cranial endoscopy cadaver workshop (6-7 April 2019), AIIMS Cadaver Surgical Skill Training facility (ACSST)
3. Open skull base cadaver workshop (20-21 April), AIIMS Cadaver Surgical Skill Training facility (ACSST)
4. MIS Spine Cadaver workshop (4-5 May 2019), AIIMS Cadaver Surgical Skill Training facility (ACSST)
5. Spine pre-conference cadaver workshop (19-23 October 2019), AIIMS Cadaver Surgical Skill Training facility (ACSST)
6. Endoscopic endonasal skull base workshop (22-23 November 2019), AIIMS Cadaver Surgical Skill Training facility (ACSST)
7. Open skull base cadaver workshop (30 November-1 December 2019), AIIMS Cadaver Surgical Skill Training facility (ACSST)
8. MIS Spine Cadaver workshop ( 16-17 January 2020), AIIMS Cadaver Surgical Skill Training facility (ACSST)
9. Open Spine Cadaver Workshop (24-25 January 2020), AIIMS Cadaver Surgical Skill Training facility (ACSST)
10. 6<sup>th</sup> ANTC 2020 (AIIMS Neurotrauma Conference) 20-22 March 2020: Postponed in view of Covid Pandemic
11. AIIMS annual spinal surgery workshop as an organizing committee member
12. AIIMS annual microneurosurgery workshop as an organizing secretary
13. Pre-conference spine workshop, NTSI 2019
14. Annual AIIMS COE Epilepsy workshop on StereoElectroEncephalography: 12-13 November 2019

### Lectures delivered

SS Kale: 11

Manmohan Singh: 13

Vivek Tandon: 10

Shashwat Mishra: 3

Ashish Suri: 10

Deepak Gupta: 3

Sachin Borkar: 12

Shweta Kedia: 9

Rajinder Kumar: 3

Pankaj Kumar Singh: 2

Hitesh Kumar Gurjar: 1

Dattaraj Sawarkar: 2

**Manoj Phalak: 5**  
**Rajesh Kumar Meena: 1**

**Ramesh Doddamani: 2**  
**Shantanu Kumar Bora: 1**

**Amol Raheja: 2**

#### **SS Kale**

1. Cervical Kyphosis 2. Outcome measures in CSM 5 Congress of Middle East Spine Society and Interim Meeting of World Spinal Column Society-Spine Congress, 2019, 4-6 April 2019, New Delhi
2. CVJ and Cervical Kyphosis 5 Annual Conference of ANNWZ at IGMC, 13-14 April 2019, Shimla
3. Complex Cervical Deformity 5400 degree ASRAM Neurocon 2019, 9-11 August 2019, Eluru
4. C1 C2 Trauma, Neurotrauma Society of India (NTSI), 23-25 August 2019, Agra
5. Cervical Kyphosis Spine 2019, 30 August-1 September 2019, Kochi
6. CSM and Thoracic Spine TB, 1 Neuro-Spine Meeting (Spine Conference–2019, 21 September 2019, Kathmandu, Nepal
7. Fungal infections of spine 2. Spinal Arachnoiditis ICS 2019, 27- 29 September 2019, Mangalore
8. Cervical Kyphosis AOSpine, 12th October 2019, Vellore
9. Long term (>10 year) outcomes of gamma knife radiosurgery for vestibular schwannomas: Single Centre Study Congress of Neurological Surgeons Annual Meeting, 19-23 October 2019, San Francisco, CA USA
10. CVJ Anomalies, 13th Annual Conference of the Asia Pacific Cervical Spine Society, 8-9 November 2019, Kaohsiung, Taiwan
11. Primary Vertebral Tumors 2. Chin on Chest Deformity, Surgical Neuro Oncology Update, 28 February to 1 March 2020, Lucknow

#### **Ashish Suri**

1. AIIMS + UCL Collaborative visit UCL Global Healthcare Engineering Symposium: University College of London – UCL and Institute of Healthcare Engineering 7 - 10 July 2019, London, UK
2. Paediatric Moya Moya Disease 47th Annual Meeting of International Society for Paediatric Neurosurgery (ISPN), 20-24 October 2019, Birmingham, UK
3. Telover Approach CME on Midline Posterior Fossa Tumor, 10 August 2019, Rishikesh
4. Invited faculty Lateral Skull Base Approach for Cadaveric workshop 21st Annual Conference of the Skull Base Surgery Society of India, 10-12 October 2019, Coimbatore
5. Anterior Trans-Petrous Approach 21st Annual Conference of the Skull Base Surgery Society of India 10-12 October 2019, Coimbatore
6. Simulation Training in Neurosurgery World Academy of Neurological Surgery-WANS-2019, 3-4 December 2019, Mumbai
7. Revascularization in Moya Moya Disease Joint meeting of 15th Asian Australian Congress of Neurological Surgeons and 68th Annual Conference of the Neurological Society of India and International Meningioma Society Congress (AANSIM-2019), 4-8 December 2019, Mumbai
8. Central Skull Base and Cavernous Sinus- Endonasal Endoscopic v/s Transcranial Microscopic Joint meeting of 15th Asian Australian Congress of Neurological Surgeons and 68th Annual Conference of the Neurological Society of India and International Meningioma Society Congress (AANSIM-2019), 4-8 December 2019, Mumbai
9. Faculty for Endoscopic Skull Base in the Cadaveric Workshop Joint meeting of 15th Asian Australian Congress of Neurological Surgeons and 68th Annual Conference of the Neurological Society of India and International Meningioma Society Congress (AANSIM-2019), 4-8 December 2019, Mumbai
10. Extended Endonasal Endoscopic Skull Base approaches 22nd Annual Conference of the Delhi Neurological Association (DNACON-2020), 1-2 February 2020, New Delhi.

#### **Rajinder Kumar**

1. Role of skull base endoscopy in Giant Pituitary Tumours. AIIMS New Delhi Experience 2019, State of art skull base endoscopy, 1-3 November 2019, Columbus, Ohio, USA
2. Advanced skull base endoscopy, AIIMS neurosurgery cadaveric endoscopy workshop, 19 November 2019, New Delhi
3. Giant Pituitary- Role of endoscopy 22nd AIIMS microneurosurgery workshop, 13-15 February 2020, Delhi

#### **Manmohan Singh**

1. Transcavernous sinus approaches 6 Nepalese Society of Neurosurgeons Meeting, 4-6 April 2019, Kathmandu, Nepal

2. Gamma knife radiosurgery in the management of brain AVMs Frontiers of Neurosciences, 14-15 April 2019, Kolkata
3. Management of brain AVMs SYNVISCON 2019, 14-15 June 2019, Mumbai
4. Is MER necessary in deep brain stimulations , Stereotactic and functional neurocon 2019, 16-18 August 2019, Kochi, Kerala
5. Complication avoidance in posterior fossa surgery CME on midline posterior fossa tumors 10 August 2019, Rishikesh
6. Nuances of DBS surgery CME on movement disorders, 7 September 2019, SGPGI, Lucknow
7. Management of complex aneurysms Neurovascon 2019, 13-15 September 2019, Bhubaneswar
8. Management of cavernous sinus tumors Maldives brain and spine conference 2019, 17-19 September 2019, Male, Maldives
9. Single stage resection of anterior skull base lesions with extension to nasopharynx 21st SKULLBASECON 2019, 10-12 October 2019, Coimbatore
10. Vascular bypass in neurovascular conditions, Vascular neurosurgery update, 15-16 November 2019, SGPGI Lucknow
11. Trancavernous sinus approaches to brain lesions NSICON 2019, 4-8 December 2019, Mumbai
12. Role of lesioning in movement disorders 5th Annual conference of Movement disorder society of India, 31 January to 2 February 2020, Trivendrum
13. A computer tomographic base morphometric analysis of axis in adult population 20th Canadian spine society meeting, 26-29 February 2020, Whistler, BC, Canada

#### **Deepak Gupta**

1. Imaging of Lumbar degenerative scoliosis DREZotomy for Brachial plexus neuralgia. 4 Superspeciality CME of NSI society 2019, 6-7 July 2019, Guwhati, Assam
2. First successful craniopagus twin separation surgery of India (closed doors open windows): Time to say goodbye to venous bypass in shared circular sinus. AANSIM (NSICON )2019, 5-8 DECEMBER 2019, Mumbai
3. Key note speaker: Nuances of Craniopagus twin separation. INDSPNCON 2020, 6-8 FEBRUARY 2020, Kolkata

#### **Pankaj Kumar Singh**

1. Evolution in management of hangmans fracture 9 th AIIMS complex spine live operative workshop 21 22 October 2019, Delhi
2. Evolution in management of hangmans fracture: From C2 Pedicle alignment to C2 pedicle reformation INCONESON 2019, 5 and 6 April 2019, Kathmandu, Nepal

#### **Vivek Tandon**

1. Craniotomies in Awake vs GA for glioma surgery Indian society of Neuro-oncology conference 4 April 2019, Bhopal
2. Germ Cell Tumor: Case presentation and moderation for tumor Board Indian society of Neuro-oncology conference, 6 April 2019, Bhopal
3. Avoiding complications in ACDF and lateral mass screws Cadaveric course on spine surgery of Delhi orthopedic association, 12 April 2018, New Delhi
4. Doing Lumbar discectomy in MIS Cadaveric course on spine surgery, 29 September 2019, New Delhi
5. Optimizing the extent of resection in gliomas Neuro-oncology update – SGPGI Lucknow, 30 March 2020, Lucknow
6. Case and panel discussion Masterclass in Neurooncology, 29 February 2020, Mumbai
7. Craniopharyngioma excision Masterclass in Neurooncology, 29 February 2020, Mumbai
8. Using neuromonitoring for excision of eloquent cortex gliomas AIIMS annual Microneurosurgery workshop, 14 February 2020, Delhi
9. Excision of bony hard craniopharyngioma AIIMS annual Microneurosurgery workshop, 13 February 2020, Delhi
10. Using minimal instruments for doing minimally invasive spine surgery AIIMS annual Microneurosurgery workshop, 13 February 2020, Delhi

#### **Sachin Borkar**

1. Outcome predictors of laminoplasty for CSM/OPLL 5 Congress of Middle East Spine Society and Interim Meeting of World Spinal column Society – Spine Congress 2019, 4 - 6 April 2019, Delhi

2. Role and timing of surgery in SCI- Pros regarding early surgery Annual Meeting of Neurotrauma Society of India, 23-25 August 2019, Agra
3. Surgical Management in acute TBI- Surgical Indications and technique of DC Annual Meeting of Neurotrauma Society of India 23-25 August 2019, Agra
4. Spine Workshop- Lumbar pedicle screws: anatomy and technique Annual Meeting of Neurotrauma Society of India 23-25 August 2019, Agra
5. Spine Workshop - Odontoid screw fixation Annual Meeting of Neurotrauma Society of India 23-25 August 2019, Agra
6. P S Ramani oration ( Introduction of Orator – Dr. K ganapathy) Annual Meeting of Neurotrauma Society of India, 23-25 August 2019, Agra
7. Does cervical laminoplasty cause kyphosis? : Analysis of factors responsible for cervical alignment following laminoplasty Annual meeting of Neuro-spinal Surgeons Association of India (NSSA), 30August-1 September 2019, Kochi
8. Embolization of vertebral body tumours Annual meeting of Neuro-spinal Surgeons Association of India (NSSA), 30August -1 September 2019, Kochi
9. Asia Pacific Cervical spine Society session on Degenerative Cervical spine (Moderator) Annual meeting of Neuro-spinal Surgeons Association of India (NSSA) 30August - 1 September 2019, Kochi
10. ACDF vs PCF .What is the evidence?, Annual meeting of Minimally invasive Spine Surgeons' Association of Bharat (MISSICON -2019); 1-3 November 2019, Chandigarh
11. C1-C2 transarticular screw: Indications and Technique, APSS-BSS Cervical Spine workshop 16 February 2020, Mumbai
12. Intraoperative Neuromonitoring in Spine Surgery: Technique, Pearls and Pitfalls Mastering Advanced Technologies and Skills Congress atorein Neurosurgery (MATS 2020) 20-23 February 2020, Gurgaon
13. Upper trunk BPI: strategies for reanimation Annual meeting of Indian Society of Peripheral nerve surgery 27-29 February 2020, Coimb

#### **Hitesh Kumar Gurjar**

1. Managing Cerebral edema after traumatic brain injury- Evidence based Guidelines, Neurotrauma society of India annual conference 24 August 2019, Agra

#### **Shashwat Mishra**

1. Pitfalls in Bypass practice Mayo Clinic Bypass course 2019, November 7, 2019, Mayo clinic, Rochester, Minnesota, USA
2. Neurosurgery at AIIMS, Mayo Clinic Bypass course 2019, November 7, 2019, Mayo clinic, Rochester, Minnesota, USA
3. Anterior clinoidectomy for anterior skull base meningiomas: fab or fad? AANSIM 2019, December 7, 2019, Mumbai

#### **Shweta Kedia**

1. Diagnosis and Certification of Brain Stem Death Criteria “Deceased Organ and Tissue Donation” by ORBO 12th April 2019, CMET, Delhi
2. Radiosurgery for Paediatric AVM - A Single Centre Experience in 50 consecutive Patients. ISRS, 2019, 11th June 2019, Rio, Brazil
3. ICP Monitoring in Head Injury, Neurotrauma, 2019, 23 August 2019, Agra
4. Review of Trials for Paediatric TBI Neurotrauma, 2019, 24 August 2019, Agra
5. Diagnosis and Certification of Brain Stem Death Criteria ORBO, AIIMS 17 September 2019, CMET, AIIMS
6. Radiosurgery in Pituitary functional adenomas Masterclass of SRS in brain and Spine tumors 31 August 2019, Medanta
7. Current Understanding of Various Hydrocephalus and it's evidence based solutions, World Hydrocephalus and Spina Bifida Day 25 October 2019, PGIMERML, Delhi
8. Repeat Radiosurgery in AVMs, AANSIM 2019 8 December 2019, Renaissance Mumbai Convention Center
9. Birth related brachial plexus injury: Timing of surgery ISPNSCON 2020, 27 February 2020, Ganga Hospital

### **Dattaraj Sawarkar**

1. Diagnosis and certification of Brain stem death Criteria CME on brain stem death January 2019, Delhi
2. Posterior cervical Spine Anatomy Preconference Spine workshop- Neurotrauma 2019, August 2019, Agra

### **Manoj Phalak**

1. BTF guidelines for paediatric head injury patients NTSI 2019, 23-25 August 2019, Agra, India
2. Cervical spine deformities- an algorithm for management Brain and Spine conference 2019, 17-19 Sept 2019, Male, Maldives
3. Surgical anatomy of anterior approach to cervical spine Preconference spine workshop, NTSI 2019, 22 August 2019, Agra India
4. Anatomical landmarks for thoracic and lumbar pedicle screws Preconference spine workshop, NTSI 2019, 22 August 2019, Agra India
5. Spinal shock nursing SPINE CON 2019, AIIMS 21 October 2019, DELHI, India

### **Ramesh Doddamani**

1. Technique of SEEG Placement: Live Surgery Demonstration, Annual AIIMS COE Epilepsy workshop on Stereo Electro Encephalography, 21 -23 November 2018 Delhi
2. Clinical Discussion of rare case of CAPNON, ECON-2020, 17 - 19 January 2020. Ahemdabad

### **Amol Raheja**

1. STA MCA bypass for paediatric moyamoya disease Ist Vascular Neurosurgery Update SGPGI 15 November 2019, Lucknow, India
2. STA MCA bypass for symptomatic moyamoya disease DNACON 2020, 2 February 2020, Delhi, India

## RESEARCH

### Funded projects

#### *Ongoing*

1. Centre of Excellence for Epilepsy-Phase II. P Sarat Chandra, DBT, 5 years, 2018-2023, Rs 4500 lakhs
2. Role of Kynurenic acid, a glutamate receptor inhibitor, in hyperexcitability associated with mesial temporal lobe epilepsy,, P Sarat Chandra, DBT, 3 years, 2017-2020, Rs 53.75 lakhs
3. Collaborative Neuro-engineering platform for excellence in innovation and translational research, Ashish Suri, DBT, AIIMS+IIT-D, 3 years, 2018-2021, Rs 657 Lakhs
4. Support to Indian Institutes to Conduct Training Programme in the area of Operational Research Neurosurgery Skills Training, Ashish Suri, DHR, ICMR, MoHFW, AIIMS+IIT-D, 5 years, 2016-2020, Rs 99 Lakhs
5. TATA Innovation Fellowship Award 2015, Ashish Suri, DBT, 5 years, 2016-2020, Rs 45 Lakhs
6. Multiple Degrees of Freedom Robotic Manipulator for Minimally Invasive Neurosurgery, Ashish Suri, AIIMS + IIT-D, 2 years, 2020-2022, Rs 10 Lakhs
7. Computational Modeling of Cerebral Blood Flow in Moya Moya Disease, Ashish Suri, AIIMS+UCL-London, 1 year, 2020-2021, Rs 5 Lakhs
8. ADAPT, Deepak Gupta, National Institute of Health, 5 years, 2015-2022, Rs 105.49 lakhs
9. CENTER-TBI, Deepak Gupta, Universitair Ziekenhuis Antwerpen (UZ), Belgium, 2 years, 2016-2020, Rs 3.75 lakhs
10. RESCUE ASDH, Deepak Gupta, Cambridge University, 3 years, 2017-2020, Consumables: 144 pounds per randomised patient CRF completion costs: 213 pounds per randomised patient Rs 9.52 lakhs
11. Paroxysmal Sympathetic Activity and its role in severe TBI, Deepak Agrawal, AIIMS, 2 years, 2018-2020, Rs 10 lakhs
12. Lateral approaches to Lumbar Spine: Cadaveric Feasibility study in Indian population, Sachin Borkar, AIIMS, 1 year, 2018-2020, Rs 5 lakhs
13. Investigating the Role of GABA A Receptor Subunits Alteration in Focal Cortical Dysplasia, Hitesh Kumar, AIIMS, 2 years, 2018-2020, Rs 5 lakhs
14. Predictability of intraoperative tumour characteristics on the basis of pre-operative MRI imaging features in extra-axial brain tumours, Shashwat Mishra, AIIMS, 2 years, 2019-2021, Rs 1.4 lakhs
15. Feasibility study of endoscopic minimally invasive odontoid screw fixation in cadavers, Shweta Kedia, AO Spine, 2 years, 2018-2020, Rs 6 lakhs
16. Microsurgical comparison of operative exposure of IAC through middle fossa and retrosigmoid hearing preservation skull base approaches - a laboratory investigation, Amol Raheja, AIIMS, 2 years, 2018-2020, Rs 5 lakhs

17. Quantitative analysis of the variants of the Far Lateral Condylar approaches, Rajesh Kumar Meena, AIIMS, 3 years, 2017-2020, Rs 4.75 lakhs

### **Completed**

1. The feasibility of endoscopic Anterior Odontoid screw fixation- A Cadaveric pilot study, Shweta Kedia, AO Spine Asia Pacific, 1 year, 2019-2020, 6000 CHF

### **Departmental projects**

#### **Ongoing**

1. Role of MRI in predicting outcome in Cervical Spondylotic myelopathy
2. Surgical outcome of Bony CVJ Anomalies
3. Investigating the role of GABAA receptor subunits alterations in cortical dysplasia.
4. Role of Surgical Technique in the Clinical Outcome of patients with Subcortical Lesions: A Randomized Controlled Trial
5. Role of Gamma Knife radiosurgery in Trigeminal Neuralgia
6. Spinal Alignment After Fixation In Trauma Patients
7. Role of skull base endoscopy in management of giant pituitary tumours
8. Outcome and complications of brain AVMs planned with DSA/MRI vs MRI alone
9. Target accuracy of different imaging techniques in stereotactic functional neurosurgery
10. Gamma-Knife for giant intracranial (>20cc) lesions
11. Role of Gamma Knife in Craniopharyngiomas
12. CVJ anomalies with Chiari malformation
13. Clinical and radiological outcomes of microsurgical excision of clinoidal meningiomas
14. Preoperative and postoperative evaluation of radiographic features in Chiari type I malformation with special emphasis on perimeter and diameter at C1 level and evaluation of cervical instability
15. Assessment of secondary spinal curvatures in patients with cranio-vertebral junction anomaly and their changes following single stage correcting surgery (DCER)
16. Outcome of surgically clipped anterior circulation aneurysms with good SAH
17. Radiosurgical outcome of AVM planned on DSA and MRI versus MRI alone
18. Randomized trial to compare the utility of Intraoperative MRI and intraoperative USG for knowing the extent of resection in glioma surgery
19. Molecular analysis of tissue with patient with cortical dysplasia
20. Combined approach in surgery of Juvenile nasopharyngeal angiofibroma and role of Dotanoc scan
21. Outcome of Microvascular decompression in compressive vascular neuropathies.
22. A study on the effect of GABA A receptor alterations in cortical dysplasia.
23. Prospective study to evaluate the role of bevacizumab in treatment of vestibular schwannoma in patients with neurofibromatosis type 2
24. Impact of cervical decompression on typical and atypical symptoms of cervical spondylotic myelopathy
25. Lateral and Third Ventricle Tumors: Incidence, clinical, radiological and histopathological evaluation- an Ambispective study
26. A retrospective analysis of atlantoaxial fusion with C1-C2 transarticular screws
27. Prospective randomized trial to compare the efficacy of foramen magnum decompression with duroplasty vs posterior instrumented fixation for chiari malformation
28. Traumatic Injury to CVJ and posterior fossa: A single-institution study of the Demographic profile, mechanism of Injury and outcome
29. Significance of granulation patterns and immunohistochemistry markers in predicting clinical behavior in Cushing's disease

### **Completed**

1. Effect of kynurenic acid on modulation of synaptic transmission in patients with mesial temporal lobe epilepsy
2. Deciphering the role of transforming growth factor beta signaling and matrix metalloproteinase-9 in epileptogenesis in mesial temporal lobe epilepsy

3. Retrospective analysis of role of gamma knife in glomus jugulare tumors
4. Therapeutic Application of Bone Marrow Derived Stem Cell in Complete Spinal Cord Injury
5. Study of Traumatic brain injury induced secondary gastrointestinal changes
6. Pituitary dysfunction following stereotactic radiosurgery for secretory pituitary adenomas
7. Primary Gamma-Knife with concurrent Temozolomide for GBM
8. Cervical alignment following cervical laminoplasty
9. Factors predicting loss of cervical lordosis following laminoplasty
10. Evaluation of endoscopic uni-nostril Transseptal surgery for pituitary adenoma and its outcomes
11. Tumor control and hearing preservation after gamma knife radio surgery for vestibular schwannoma in NF2
12. Surgical outcome of aneurysm clipping via keyhole supraorbital approach
13. Utility of Postoperative CT scans in Elective Postoperative Neurosurgical Patients.
14. Standard MRI Imaging is inadequate in drug resistant epilepsy” Retrospective analysis.
15. Retrospective analysis of surgical outcomes in recurrent and residual pituitary adenoma
16. Analysis of PDL-1 expression and T-cell infiltration in different molecular subgroups of midline gliomas and the clinical outcome
17. Midline gliomas: A study of clinical outcome and associated molecular alterations

### **Collaborative projects**

#### ***Ongoing***

1. Development of micro plasma jet for study of plasma interaction with tumor tissues resected from patients with tumor associated drug resistant epilepsy (DRE) pathologies, Biophysics
2. Collaborative Neuro-engineering platform for excellence in innovation and translational research, Anatomy, Forensic Medicine, Neuroradiology, Neuropathology, IIT-D: CSE
3. Intramural multi-institutional grant Multiple Degrees of Freedom Robotic Manipulator for Minimally Invasive Neurosurgery, IIT-D: Mechanical Engineering
4. Collaborative Research Grant Computational Modeling of Cerebral Blood Flow in Moya Moya Disease, Neuroradiology UCL: Mathematics, Healthcare Engineering
5. Fluoride levels in the body fluids and tissues in patients of the cervical ossified posterior longitudinal ligament, Anatomy
6. RELA fusion in Supratentorial Ependymomas, Neuropathology

#### ***Completed***

1. Deciphering the role of ATF3 and TGF beta signaling in Mesial Temporal Lobe Epilepsy (MTLE) patients, Neurology
2. Deciphering the role of GABAA receptor alterations in pediatric and adult patients with Focal Cortical Dysplasia, Neurosurgery
3. Role of  $\alpha 7$  and  $\alpha 4\beta 2$  subtypes of nicotinic receptors in abnormal synaptic transmission associated with hippocampal sclerosis, Biophysics
4. BIRAC BIG project 2018-2020; Development of a surgical suction cannula with an integrated surgeon controlled touch activated irrigation system for use in surgeries performed under the surgical microscope, IIT Delhi, Dept of Mechanical Engineering

### **PUBLICATIONS**

**Journals: 121**

**Chapters in Books: 11**

**Books: 1**

### **PATIENT CARE**

Department of Neurosurgery has two units with general neurosurgical ward under each unit (35X2 beds). There are two ICUs with 23 beds. There are now 7 elective operation theatres and two exclusive operation theatre in trauma centre. We offer world class neurosurgical facilities in all neurosurgical sub-specialties, which include- vascular surgery, epilepsy surgery, minimally invasive cranial and spinal neurosurgery, pediatric neurosurgery, functional neurosurgery, neuro-oncosurgery, skull base and complex spinal surgeries. We have advanced imaging modalities (intraoperative MRI and O-arm) and navigational devices (like Stealth Station and ROSA). Department of Neurosurgery has also started an outpatient Spine clinic

which deals with all diseases related to spine including degenerative, deformity, tumors, etc. It is held on Saturdays from 9 am to 12 pm. Prof. Deepak Agrawal was instrumental in setting up Stem Cell Translational and Neurosciences Laboratory (STN Lab) 100 square feet of laboratory space at Jai Prakash Apex Trauma Center, All India Institute of Medical Sciences, New Delhi, India. This includes a neurotrauma translational lab, molecular lab, stem cell processing lab and immunology lab. PhD Scholars, Graduate students and research associates and nurses have separate desks in the main laboratory area

#### Number of patients treated during 2019-2020

S. No.	Treatment facility	Number
1.	Outpatient department	
	a) Total New Cases	16575
	b) Total Old cases	35784
	c) Pediatric new cases	2000
	d) Pediatric old cases	4499
	e) Total cases	52359
2.	Gamma knife performed	669
3.	Total number of surgeries CNC	3135
4.	Total Number of cases in Brain Suite	300
5.	Number of elective surgeries (JPNATC)	1303
6.	Total number of surgeries	4438

#### AWARDS, HONOURS AND SIGNIFICANT EVENTS

**Professor Ashish Suri** is Adjunct Professor, School of Information Technology, Indian Institute of Technology- Delhi; Executive Member: World Federation of Neurosurgical Societies, Skull Base Committee; Secretary General: Skull Base Surgery Society of India.

**Professor Rajinder Kumar** is Executive member of organizing committee of 22nd AIIMS Microneurosurgery 'Live Operative Workshop', 13-15 February 2020; AIIMS Cranial endoscopy workshop, 22-23 November 2019; Cadaveric Spine surgery workshop, October, 2019, AIIMS, New Delhi.

**Professor Deepak Agrawal** is Elected Editor-in-Chief of **Journal of Peripheral Nerve Surgery (JPNS)**; Made Editor-in-Chief of **Indian Journal of neurotrauma (IJNT)**.

**Professor Deepak Gupta** received PhD degree for: Development and Validation of Finite Element Analysis Model (FEM) of Craniovertebral Junction: Experimental Biomechanical Cadaveric Study (AIIMS-IIT Joint study); First faculty member (in service) from Dept of Neurosurgery to receive PhD in Neurosurgery; Elected as Member of National Academy of Medical Sciences (NAMS) September 2019; Jaga Balia Craniopagus twins were successfully discharged after 2 years of stay at AIIMS and sent back to their homestate in Odisha on 6 September 2019: This was first successfully surgery on Craniopagus twins from India wherein both children survived. Surgical team of 125 members for separation surgery was led by Dr Deepak Gupta and Dr AK Mahapatra jointly; Featured in featured in the 2020, edition of *Limca Book of Records*. First craniopagus surgery: A team of 125 doctors and paramedical staff, led by Dr Deepak Kumar Gupta and Dr Ashok Kumar Mahapatra, from the Department of Neurosurgery at AIIMS, New Delhi, successfully separated 28-month-old twins Jaggga and Kalia, who were joined to each other at the cranium. The complex surgery was conducted in two stages, on 28 August 2017 and 25 October 2017. [Hachette Book Publishing India Pvt Ltd, lbr.entries@hachetteindia.com]; Invited as Guest for Swearing-in Ceremony of the Hon'ble Chief Minister, Odisha and the members of the Council of Ministers, on 29 May 2019 at 10.30 AM at the IDCO Exhibition Ground, Unit-3, Bhubaneswar, Odisha; Selected as Adjunct Professor for Indian Institute of Technology ( IIT, Delhi) 2020-2022.

**Dr Pankaj Kumar Singh** was in 9th AIIMS complex spine live operative workshop 21 and 22 October 2019

**Dr Vivek Tandon** organized the AIIMS annual Microneurosurgery workshop which was well attended and much appreciated for the scientific content.

**Dr Rajeev Sharma** is Faculty for AIIMS MBBS Online CBT entrance exam in May 2019; took active interest in various conferences organized by the Department; looked after the responsibilities of Co-ordinator for “Microneurosurgery Workshop” held on 13-15 February 2020, held at AIIMS, New Delhi during ANTC 2018.

**Dr Shweta Kedia** was in 1st AIIMS Faculty Development Programme, AIIMS, New Delhi, 14-15 March 2020; Coordinated Talk in Gamma Knife by esteemed faculty Prof Arjun Sehgal “Radiosurgery in brain Metastasis and advances with Gamma Knife ICON, on 17 February 2020, AIIMS, New Delhi; Annual AIIMS COE Epilepsy Workshop on SEEG, 12-13 November 2019; Member of Selection Committee of contractual faculty in the Department of Neurosurgery, LHMC and associated hospitals, 4 October 2019; Member of NSI course, 17th Instructional and 11th Foundation, 28-29 September 2019, GB Pant Hospital, New Delhi; Executive member of organizing committee of 22nd AIIMS Microneurosurgery ‘Live Operative Workshop’ 13-15 February 2020; AIIMS Cranial endoscopy workshop, 22-23 November 2019; Cadaveric Spine surgery workshop, October, 2019, AIIMS, New Delhi.

**Dr Dattaraj Sawarkar** received ‘AASAN Ambassadorship Award’ from AASAN society of USA for MIS Spine training in 2019; Completed Scoliosis Complex spine fellowship at Washington university, St louis under Dr Munish Gupta (15 May -30 May 2019) and scoliosis spine surgery fellowship at New York under Dr Lawrence Lenke (1 June- 15 June 2019); Successfully coordinated the AIIMS Spinecon 2019 operative and pre-conference cadaver workshop 19-23 October 2019; As a course coordinator and course faculty, successfully coordinated Cranial endoscopy cadaver workshop (6-7 April 2019), Open skull base cadaver workshop (20-21 April), Endoscopic endonasal skull base workshop (22-23 November 2019), Open skull base cadaver workshop (30 Nov-1st Dec 2019), MIS Spine Cadaver workshop (16-17 January 2020), Open Spine Cadaver Workshop (24-25 January 2020) in the AIIMS organized by department of , Neurosurgery in AIIMS Cadaver Surgical Skill Training facility (ACSST); Coordinated the Pre- AIIMS Microneurosurgery cadaver workshop on 12<sup>th</sup> February 2020, on Endoscopic skull base; Managing package stores responsibilities as a member of package store committee.

**Dr Manoj Phalak** earned AOspine ASIA PACIFIC fellowship 2019-2020, for 1 month training (January 2020) at AOSPINE asia pacific centre- Ganga Hospital, Coimbatore, India; Expert group meeting- member/expert for EPTB(extra pulmonary tuberculosis) training module October 2019  
Chaired session on spine deformities, Brain and spine 2019, Male, Maldives.

**Dr Ramesh Doddamani** was awarded AASPN travel Fellowship for attending AASPN-2019, meeting held at Incheon, South Korea; Participated as one of the faculty Incharge in hands-on cadaveric skull base workshop conducted at CTRF laboratory.

**Dr Satish Verma** participated in Short term training course - On Microneurovascular techniques under Japan MicroVascular Anastomosis training course (J-MOVA) at Toyama Health University, Toyama, Japan under Professor Satoshi Kuroda from 26/8/2019 - 6/9/2019.

**Dr Amol Raheja** was awarded 1st prize for best platform presentation for presenting original work in the field of Skull Base surgery, entitled “Long-term surgical outcome for petroclival meningiomas using modified Dolenc-Kawase approach” at Skullbasecon 2019, Coimbatore, Tamil Nadu; awarded *NSI international travelling fellowship* for presenting original work in the field of traumatic spinal cord injury, entitled “Serum biomarkers as predictors of severity of injury and functional outcome after acute traumatic spinal cord injury” at WFNS 2019, Special World Congress, Beijing, China.

**Dr Rajesh Meena** participated as one of the faculty In-charge in hands-on cadaveric skull base workshop conducted at CTRF, laboratory;

**Dr Shashwat Mishra** was Honoured Guest at the **Mayo Clinic Annual Bypass Course, 7-9 November 2019**, Rochester, Minnesota, USA.

## Neuroimaging and Interventional Neuroradiology

### HIGHLIGHTS

1. A state-of-the-art 128 slice dual energy CT scanner installed replacing the 10-year-old 6-slice CT scanner.
2. With the new CT low-dose CT protocols with modelled iterative reconstruction, a dose reduction potential of up to 60% and faster acquisition in clinical routine are now possible with the best image quality ensured. This has enhanced patient compliance, especially in children and where breath hold acquisition is required.
3. CT Fluoroscopy to help guided-biopsies and CT perfusion to assess cerebral perfusion especially in acute stroke have been started with the installation of the new CT scanner.
4. The existing 1.5T MR was upgraded to 'silent MR' system which has helped perform silent MR protocols which reduce patient's anxiety during scan; reduce scan time and incidence of rescans as the patients are relaxed and cooperate to stay still during long examinations. The high gradient coil switching noise of previous system was a serious bother for many patients, especially during high-end acquisition techniques. With the upgrade, this irritant is largely removed and wide bore of the magnet has reduced claustrophobia in patients significantly.
5. PACS network operational in wards and OPD rooms of NSC with upgrade of the PACS server and installation of viewing stations in wards, ICUs and thin clients in OPD rooms with Wi-Fi access. Reporting of all neuro-imaging procedures made on-line with improved organization of the reporting room, making it easier to report, edit, sign out and network all studies on-line. Auto-requisitioning enabled from NSC wards on-line for CTs, MRIs, US and DSAs etc. Auto fetching of case records from PACS enabled for neuroradiology conferences. Private imaging films digitized and integrated into PACS on registration of patient UHID.

### EDUCATION

**Undergraduates:** Provided materials and guidance to faculty for UG lectures and seminars for 6th semester MBBS students on topics: Introduction to Neuroradiology techniques, basics of brain tumour imaging, stroke imaging and congenital anomalies of the CNS. Basics of neuro imaging interpretation taught during their elective posting in neuroradiology.

**Postgraduates:** Post graduate students of M.D. Radiology posted in the department of Neuroradiology on rotation are trained on reporting neuroimaging (CT and MRI) and introduced to all neuroimaging protocols and are encouraged to perform them under supervision of the faculty. DM (Neuroradiology) students are trained to perform all neuroimaging procedures and assist in interventional therapeutic neuroradiology procedures, which are then discussed with them on daily basis. They are also trained to take post procedure care and management of patients undergoing neuro-interventional therapeutic procedures in the ICUs and wards. Seminars, journal clubs and case discussions are organized routinely for their orientation to the current developments and improve their iterative skills. Senior residents regularly present neuro-radiological findings in interdepartmental conferences with Neurology and Neurosurgery departments daily which allow them to understand clinical neuroimaging interpretation skills and the art of presentation. They are posted in the biplane Neuro-interventional suites for at least one year on a rotational basis and are trained on neuro-angiographic and neuro-interventional skills.

### CMEs/Workshops/Symposia/National and International Conferences

#### Lectures delivered

**SB Gaikwad: 16 Ajay Garg: 13**

**Leve Joseph Devarajan: 2**

#### SB Gaikwad

1. Complication Cases Aneurysms, AVMs, DAVFs, Stroke Franco-Brazilian INR meeting, III French-Brazilian Symposium III Symposium Franco-Brazilian – SFB, 24-27 April 2019, France
2. Mobilization of Stem Cells Using G-CSF for Acute Ischemic Stroke, Franco - Brazilian INR meeting, III French-Brazilian Symposium III Symposium Franco-Brazilian – SFB, 24-27 April 2019, France
3. Neuro imaging in stroke 2nd International Neuroradiology workshop, 18-20 May 2019, Dhaka Bangladesh
4. Spinal cord vascular malformations 2nd International Neuroradiology workshop, 18-20 May 2019, Dhaka Bangladesh
5. Acute stroke management: Neuro interventionists perspective 2nd International Neuroradiology workshop, 18-20 May 2019, Dhaka Bangladesh
6. Carotid angioplasty and stenting in atherosclerotic stenosis 2nd International Neuroradiology workshop, 18-20 May 2019, Dhaka Bangladesh
7. Carotid Artery Stenting-Concepts and Techniques 1 AIIMS Jodhpur Neuroradiology (AJ-NR) Update, 16-17 November 2019, Jodhpur

8. Standard treatment workflow in acute ischemic stroke: Endovascular perspective CME on “Stroke” as a part of ISNR mid term CME. Division of Neuroradiology, Department of Radio diagnosis and Imaging, 7-8 December 2019, Chandigarh
9. Role of imaging in suspected cerebral trauma Skill Development Initiative for Emerging World Countries, CME on Imaging guidance therapies in Clinical Medicine, 20-21 January 2020, Republic of Maldives
10. Image guided management of acute stroke Skill Development Initiative for Emerging World Countries CME on Imaging guidance therapies in Clinical Medicine, 20-21 January 2020, Republic of Maldives
11. Current imaging protocols in acute stroke Skill Development Initiative for Emerging World Countries, CME on Imaging guidance therapies in Clinical Medicine, 20-21 January 2020, Republic of Maldives
12. Debate on Carotid Stenting: Carotid stenting – With no protection: Results – S 4th Annual Meeting of the “Society of Therapeutic Neurointervention” 6-8 February 2020, Kolkata
13. Current imaging protocol in stroke 3rd International workshop on Neuroradiology 24-25 February 2020, Dhaka
14. Carotid Angioplasty and Stenting: AIIMS Experience 3rd International workshop on Neuroradiology, 24- 25 February 2020, Dhaka
15. Role of imaging in suspected cerebral trauma, 3 International workshop on Neuroradiology 24- 25 February 2020, Dhaka
16. Imaging of epilepsy 3rd International workshop on Neuroradiology, 24-25 February 2020, Dhaka

Intracranial Dural Arteriovenous Fistulae: An Institutional Experience and Proposal of a New Anatomico-Functional Classification System, The 15th Congress of World Federation of Interventional and Therapeutic Neuroradiology (WFITN), 21-24 October 2019, Naples, Italy.
4. Devarajan LJ, Jeyaseelan N, Garg A, Gaikwad SB. Spinal Epidural Arterio-venous Malformations - an Institutional Experience The 15th Congress of World Federation of Interventional and Therapeutic Neuroradiology (WFITN), 21-24 October 2019, Naples, Italy

## RESEARCH

### Funded projects

#### Ongoing

1. Correlation of Imaging traits with region-specific gene expression profiles in Glioblastoma Multiforme, Ajay Garg, DST, 3 years, 2018-21,
2. Computer Aided Diagnostic System for the Detection and Evaluation of Intracranial Atherosclerotic Disease using Computed Tomography Angiography, S. Leve Joseph, DBT, 2 years, 2020-2022, Rs 26.08 lakhs

### Departmental projects

#### Ongoing

1. Characterization of Geometry of Intracranial Atherosclerotic Lesions Using Computed Tomographic Angiography and it's Clinic-Imaging Correlations
2. Efficiency of Intravenous Milrinone Versus Intra-arterial Nimodipine in the Management of Clinical Vasospasm Secondary to Aneurysmal Sub-arachnoid Hemorrhage

### Collaborative projects

#### Ongoing

1. Elucidating the Science of Yoga As a Therapeutic Intervention in Post Stroke Recovery: Study of Brain Using the Technique of Magnetic Resonance, Neurology, NMR

## PATIENT CARE

The department works 24x7, 365 days for patient care work and regularly attends to emergencies like subarachnoid haemorrhage, stroke, acute encephalopathies, myelopathies, traumatic or iatrogenic cerebro-vascular injuries etc. All requests for CT scan from out patients and in-patients are done the same day and often immediately, so that decision can be promptly taken for patient management. There is no waiting for CT scans in this department. DSAs are regularly done for cerebral and spinal vascular studies for patients attending the Neurosciences Centre and also other departments like ENT and Ophthalmology. Similarly Neurointerventional therapeutic management is routinely carried out for patients of the Neurosciences Centre as well as those referred from ENT, Ophthalmology, Paediatrics, Cardiology, Orthopaedics amongst others. Besides, CT scans are done in the ICUs for patients on life support or ventilator using the mobile CT scanner. Bedside x-rays are routinely done using digital portable x-ray unit or CR unit and images are uploaded to the PACS network. Portable Ultrasound is done whenever required for sick and immobile patients in the wards and ICUs of the Neurosciences Centre. All consultants and residents access PACS images through IP enabled protocol and hence can view the images from home or anywhere using internet or even using their smart phones. The departmental conference room has been upgraded for multimodality image viewing using high resolution Dicom compatible projection system, so that clinical consultants and residents can easily see their patient's images in chronological sequence and in comparison mode on the large projection screen. Even old images and scanned private images can be viewed efficiently instantaneously which helps quick decision making.

### Neuroimaging and Interventional procedures performed during 2019-20

CT Scans		21929
Digital Subtraction Angiography	Therapeutic Neuro-Interventional procedures: (Cerebra Aneurysms, Cerebral and Spinal AVM embolizations, Carotid revascularization etc.)	370
	Diagnostic DSA	945
	<b>Total</b>	<b>1315</b>

Ultrasound Examinations / Doppler studies	2899
MRI	6121
X Rays	8017
Portable x-rays	6857
Vidar	18502
Data Migration	4060

**Total for the year = 69700**

#### **Cases discussed and reviewed in Neuroradiology conferences for patient care decision making**

	<b>No. of cases</b>	<b>Weekly Frequency</b>	<b>Total</b>
<b>Epilepsy Case Conference</b>	10@	2	20/week
<b>Neurosurgery conferences</b>	40@	4	160/ week
<b>Neurology conferences</b>	25@	6	150/ week
<b>Neuropathology conference</b>	4@	biweekly	8/ week
		<b>Total</b>	338/ week

**Total = 17,576 cases per year**

#### **AWARDS, HONOURS AND SIGNIFICANT EVENTS**

**Professor Shailesh B Gaikwad** was invited to moderate two sessions in the recently concluded 15 Conference of World Federation of Therapeutic and Interventional Neuroradiology (WFITN), 21st -24 October 2019, Naples, Italy; 21st Annual of Conference of Indian Society of Neuroradiology, hosted again by the department, 31st October- 3rd November 2019 at Holiday Inn, Aerocity, New Delhi. 20 international (representing 14 countries) and 68 national faculty members including 305 delegates attended the congress. Inauguration function was graced by Dr. Harsh Vardhan Ji, Hon'ble Union Minister of Health and Family Welfare, Science and Technology and Earth Sciences; Apart from didactic lectures, hands-on-workshops on neuroimaging and neurointervention techniques were taught to the participants: Special focus was given to Artificial intelligence and Machine learning during Session 9, 6 lectures from eminent speakers, 2-1/2 hrs duration, Professor Adnan Siddique from USA and Dr Iris Grunwald, Dr Gyula Gal from Europe. This meeting was granted 27 CME credit points by Delhi Medical Council; It is for the third consecutive year that Dr. Shailesh Gaikwad hosted these prestigious ISNR annual conferences as per the mandate given by the general body of ISNR, showing the trust and faith reposed by the founder members of the society in organizing three conferences in a row, which is unprecedented in the history of ISNR; Chief Coordinator to conduct "2nd International Neuroradiology workshop", 18-20 May 2019, National Institute of Neurosciences and Hospital, Dhaka, Bangladesh; Chief Coordinator to conduct 3rd International Neuroradiology workshop, 24-25 February 2020, National Institute of Neurosciences and Hospital, Dhaka, Bangladesh: was invited to conduct the "International Neuroradiology workshops" at the prestigious institute in Bangladesh, National Institute of Neurosciences and Hospital, Dhaka, Role was that of the principle coordinator for the workshop. Total four faculties attended this meeting from India-USA and each one of us delivered 4 lectures with total of 16 lectures during the workshop, Over 150 delegates attended this meeting. The Director of the institute felicitated the speakers with mementos and citations. Feedback from the meeting surpassed our expectations. A dedicated stroke unit of 100 bedded has been working successfully at the hospital; Skill Development Initiative for Emerging World Countries. CME on image guided therapies in clinical medicine, Republic of Maldives: 20-21 January 2020.

## Neuroanaesthesiology

### HIGHLIGHTS

Anaesthetic management for 4063 (2760 at the Neurosciences Centre and 1303 at the JPNATC) neurosurgical procedures was performed. Anaesthetic management for 662 neuroradiological procedures (378 in Angiography lab and 284 in MRI suite) was performed. Anaesthetic management for 1 patient receiving gama knife therapy was performed. Intensive care management of 5711 ICU patients (4393-NSC; 1318-TC3 ICU, JPNATC) was performed. A total of 5683 patients were seen in Pre-Anaesthesia Check-up (PAC) clinic OPD at NSC. A total of 737 patients (153 new and 584 old) were seen in pain clinic OPD, NSC and 372 of them were treated with Nerve blocks procedures...

Five candidates were awarded DM (Neuroanaesthesiology) degree and three candidates were awarded fellowship in Neurocritical care. Seven new candidate joined DM course and one candidate joined the Neurocritical care fellowship courses. Thirty six senior residents (both academic and non academic) received training in the department. Twenty two postgraduate students (including 10 from Lady Harding Medical College) and 24 senior residents from other anaesthesia departments received neuro-anaesthesia training.

### EDUCATION

We have regular classes (Seminars, Journal Club, Case presentation) on Monday, Tuesday and Friday between 8 and 9 am.

### CMEs/Workshops/Symposia/National and International Conferences Organized,

AIIMS Neuroanaesthesia Update-2019 during 18 October 2019-20 October 2019 at AIIMS, New Delhi

AIIMS Cadaveric Airway workshop on 22 October 2019 at AIIMS, New Delhi

1. Percutaneous Tracheostomy Airway management Workshop 18 October 2019, New Delhi
2. Vascular Access Acute Critical Care Course 30 October 2019, New Delhi
3. Basic and advanced airway management ATLS 2019, 19 December 2019, Rishikesh
4. Secondary survey ATLS 2019, 20 December 2019, Rishikesh

### Lectures delivered

**Arvind Chaturvedi: 1**

**Hemanshu Prabhakar: 2**

**Niraj Kumar: 11**

**Charu Mahajan: 2**

**Vanitha Rajagopalan: 2**

**MP Pandia: 1**

**Gyaninder Pal Singh: 9**

**Keshav Goyal: 9**

**Indu Kapoor: 7**

**Girija Prasad Rath: 8**

**Ashish Bindra: 7**

**Navdeep Sokhal: 6**

**Surya Kumar Dube: 5**

### Arvind Chaturvedi

1. Sedation, Analgesia and Weaning in Neurocritical care, 8 Neurovision, Symposium, November 3, 2019, Bhubneshwar, Odisha

### MP Pandia

1. Neurocritical care management of patients with traumatic brain injury PBLDs in Neurocritical Care 27 July 2019, Gurgaon, Haryana

### Girija Prasad Rath

1. Screening and Maintenance of Potential Organ Donors CME on "Brain Death and Organ Donation" by ORBO; Silver Jubilee Celebration of THOA 1994, 5 July 2019, New Delhi
2. Transcranial Doppler Society for Neuroscience in Anesthesiology and Critical Care (SNACC) Annual Meeting 2019, 11 September 2019, Phoenix, USA
3. Anesthetic Concerns for Intracranial Aneurysms AIIMS Anaesthesiology PG Assembly 2019, 3 October 2019, New Delhi
4. Anesthesia for Awake Craniotomy Annual Conference of Indian Society of Anaesthesiologists (ISACON) East Zone 18 October 2019, Bhubaneswar, India
5. Moyamoya Disease: Perioperative Concerns AIIMS Neuroanaesthesia Update 2019, 19 October 2019, New Delhi
6. Glycerol Rhizotomy for Trigeminal Neuralgia, 5th Annual Conference of Indian Society of Pain Clinicians (ISPCCON 2019), 8 November 2018, New Delhi
7. "High Fives" in Neuroanaesthesia Annual Conference of Indian Society of Anaesthesiologists (ISACON 2019) 28 November 2018, Bengaluru
8. Sitting position craniotomy 20th Annual Conference of Indian Society of Neuroanaesthesiology and Critical Care (ISNACC 2019), 5 February 2019, Mahabalipuram, Chennai

**Hemanshu Prabhakar**

1. ICP going the PA catheter way – Pro 26th CritiCare 2020, 26 February – 1 Mar, Hyderabad, India
2. Basics of Neuromonitoring 26th CritiCare 2020, 26 February – 1 Mar, Hyderabad, India

**Gyaninder Pal Singh**

1. Neurological Monitoring During non-neurological surgery - What, Why and When? ISACON 13-14 April 2019, Delhi
2. Neuromonitoring - Concept and Practice ISACON 26-28 July 2019, Chennai
3. Initial Approach to a Neurotrauma Patient Neurotrauma 22-25 August 2019, Agra
4. Cerebral Oxygen Monitoring in acute severe TBI Neurotrauma 22-25 August 2019, Agra
5. Basic Life support and Maternal CPR, 41st Annual Conference of AOGD 28-29 Sept 2019, Delhi
6. Neuromonitoring 7 AIIMS Neuroanaesthesia and Neurocritical Care Update 2019, 18-20 October 2019, Delhi
7. Airway and Breathing Acute Neuro Care 16-17 November 2019, Hyderabad
8. Status Epilepticus Acute Neuro Care 16-17 November 2019, Hyderabad
9. Fluid stewardship in Neuroanaesthesia and Neurocritical care, 21st Annual Conference of ISNACC, 30 January-2 February 2020, Chennai

**Ashish Bindra**

1. Sedation in Neurotrauma ICU, Neurotrauma 2019, 22 August 2019, Agra
2. Targeted temperature management in Neurotrauma Neurotrauma 2019, 24 August 2019, Agra
3. Clinical applications of Cerebral microdialysis in neurotrauma Neurotrauma 2019, 24 August 2019, Agra
4. Status epilepticus Acute Neuro care Course 25 August 2019, Chandigarh
5. Video presentation :Cerebral microdialysis ISACON, Bengaluru 25 October 2019, Bengaluru
6. Management of Spinal cord injury ISACON Rajasthan September,
7. Non-trigeminal Oraofacial Neuralgias, 5th Annual Conference of Indian Society of Pain Clinicians 09 November 2019, New Delhi

**Niraj Kumar**

1. Non-operative acute cervical spinal cord trauma - challenges in the management ISACON DELHI 2019, 13 April 2019, New Delhi
2. Central venous cannulation EMINDIA 2019, 31 July to 1 August – 2019, New Delhi
3. Donor Screening And Maintenance ORBO 8 August 2019, New Delhi
4. USG in Neurological emergencies ANC 25 August 2019, Chandigarh
5. Vascular access AIIMS – EM-SONO 15 September 2019, New Delhi
6. Anesthetic Management Of Craniosynostosis, 32 ISACON Bihar - Jharkhand – 2019, 29 September 2019, Bokaro, Jharkhand
7. Donor Screening And Maintenance ORBO 4 October New Delhi
8. USG as an aid to airway, Myth and controversies in Brain death through real life AIIMS Neuroanesthesia and Neurocritical care update - 2019, 18 -20 October 2019, New Delhi
9. Traumatic spine injury USG in Neurological emergencies ANC 16-17 November 2019, Hyderabad
10. Basic statistics, sample size calculation and basic statistical tool ISNACC 2020, 31 January 2020, Mahabalipuram
11. Diagnosis and certification of brain stem death criteria ORBO 24 February 2020, New Delhi

**Keshav Goyal**

1. Neuromonitoring in nutshell Neuroanesthesiology and Neuro Critical Care Update 2019, 6-7 April 2019, AIIMS, New Delhi
2. Traumatic Brain Injury: Acute Emergency Management Acute Neuro Care (ANC), 25-26 August 2019, Auditorium, PGIMER, Chandigarh
3. Neurotrauma and ATLS- An Update 1st BilasaCriticon 2019, 14-15 September 2019, Courtyard by Marriott, Bilaspur Bilaspur (CG)
4. Spirometry AIIMS Anaesthesiology Post Graduate Assembly 2019, 29 September - 3 October 2019, AIIMS, New Delhi

5. Traumatic Brain Injury: Acute Emergency Management Acute Neuro Care (ANC) 16-17 November 2019, Yashoda Hospitals, Secunderabad, Hyderabad
6. Sodium and fluid management in Surgical ICU patients Acute Critical Care Course (ACCC) For Interns 30-31 October 2019, SET Facility, Convergence Block, AIIMS, New Delhi
7. Blood gases on ABG interpretation made easy, Acute Critical Care Course (ACCC) For Interns 30-31 October 2019, SET Facility, Convergence Block, AIIMS, New Delhi
8. Fiberoptic Bronchoscopy Guided intubation, Cadaveric Airway workshop, 18-19 October 2019, JPNATC, AIIMS, New Delhi
9. Basic concepts of Neuroanaesthesiology and Neurocritical Care Rewa CME 24 May 2019, Rewa (MP)

#### **Navdeep Sokhal**

1. Percutaneous Tracheostomy Airway management Workshop, 18 October 2019, New Delhi
2. Update: Best of old with a promise of new AIIMS Neuroanaesthesia and Neurocritical Care Update, 19 October 2019, New Delhi
3. Respiration - applied physiology Acute Critical Care Course 30 October 2019, New Delhi
4. Airway and ventilatory management ATLS 2019, 19 December 2019, Rishikesh
5. Spine and spinal cord trauma ATLS 2019, 20 December 2019, Rishikesh
6. Stabilise - Hemodynamic monitoring: Tools and tricks ISNACC 2020, 31 January 2020, Chennai

## **RESEARCH**

### **Funded projects**

#### ***Ongoing***

1. Development and validation of novel pressure measuring device for measuring the collapsing pressure of internal Jugular vein during an ultrasound examination, Niraj Kumar, AIIMS + IIT Delhi, 2 years, 2019, Rs 20 lakhs
2. Effect of Decompressive Craniectomy on Jugular Venous Oximetry In Patients With Severe Traumatic Brain Injury, Navdeep Sokhal, AIIMS, 3 years, 2018-2020, Rs 2.5 lakhs
3. Impact of intra-operative jugular venous oximetry based management on outcome in patients undergoing excision of intracranial meningiomas: a preliminary study, Charu Mahajan, AIIMS, 1 year, 2019-2020, Rs 4.15 lakhs
4. Study of muscle enzyme elevation in neurosurgery and its relevance in postoperative acute kidney injury: A Pilot Study, Surya Kumar Dube, AIIMS, 2 years, 2018-2020, Rs 3 lakhs
5. Comparison of Fiber-optic Endotracheal Intubation with and without the use of air-Q as a conduit in patients with cervical spine injury: A pilot Study, Gyaninder Pal Singh, AIIMS, 4 years, 2016-2020, Rs 2.16 lakhs

### **Departmental projects**

#### ***Ongoing***

1. Correlation of NIRS with intraoperative transfusion trigger in paediatric patients posted for posterior fossa tumour excision
2. Goal-directed intraoperative fluid therapy in Aneurysmal SAH patients: a prospective randomized study
3. Incidence and risk factors for delayed extubation after posterior fossa surgery- Aprospective study
4. Changes in somatic NIRS cakues during major hemorrhage with craniotomy and tumourexcision: an observational study
5. Comparison of functional neurological outcome with propofol total intravenous anesthesia or sevoflurane balanced anesthesia in adult patients undergoing decompressive craniectomy for supratentorial acute ischemic infarct: A radomized, controlled pilot study.
6. Incidence and Risk Factors for Delayed Extubation After Posterior Fossa Surgery: A Prospective Observational Study
7. Effect of surgical revascularization on regional cerebral oxygenation in patients with Moyamoya disease
8. Near infrared spectroscopy as a predictor of evaluation towards brain death following severe brain damage

9. Comparison of 0.9% normal saline, stereofundin, and plasmalyte with respect to metabolic parameters and brain relaxation in patients undergoing supratentorial craniotomy
10. To evaluate the effect of change in end tidal carbon dioxide on optic nerve sheath diameter under general anaesthesia
11. Intraoperative somatic site near infrared spectroscopy changes in supratentorial craniotomy: A prospective study
12. Comparison of C-MAC video-laryngoscope with D-Blade, C-MAC video-laryngoscope with standard blade, and Macintosh Laryngoscopes for intubation with cervical spine immobilization: a randomized study.
13. Comparison of ultrasound guided cannulation of subclavian vein (supraclavicular approach) versus internal jugular vein in neuro-intensive care patients on mechanical ventilation. A randomized study.
14. To evaluate the effect of change in end tidal carbon dioxide on optic nerve sheath diameter under general anaesthesia” (Guide)
15. Effect of ketamine infusion as neuroprotective agent on neurological outcome in patients with severe traumatic brain injury: a randomized controlled pilot study. (co-guide)
16. Effect of Neuroradiologic interventions on regional cerebral oxygenation in patients with anterior circulation aneurysms: An observational Study
17. Serum lactate, base deficit and glucose levels as prognostic markers of severe traumatic brain injury
18. Correlation of NIRS With Intraoperative Transfusion Trigger In Pediatric Patients Posted For Posterior Fossa Tumour Excision
19. Cardiovascular complications after traumatic spinal cord injury
20. To study the risk factors and causes of extubation failure in head injury patients
21. Effect of decompressive craniectomy on jugular venous oximetry (SJVO2) in patients with severe Traumatic brain injury (TBI) - Funded by AIIMS, Rs 5 lakhs
22. Incidence and risk factors of deep vein thrombosis in patients undergoing intracranial tumor surgeries – a prospective study
23. Evaluation of the GCS-Pupils Score for Prognostication in traumatic brain injury- The COMA study
24. Effect of intraoperative neurophysiological monitoring on clinical outcome in patients undergoing spinal instrumentation surgery - A retrospective analysis
25. A prospective randomized controlled trial to study the effect of two different tidal volumes (6-8mL/kg vs 12-15mL/kg) on the time to wean patients from ventilator having cervical spine injury (C1-C5)
26. Rate of multidrug resistance to antimicrobial drugs in paediatric neurointensive care patients
27. Effect of propofol versus sevoflurane on cerebral oxygenation in childhood Moyamoya Disease- a near infrared spectroscopy [NIRS] study
28. Use of non-invasive hemoglobin estimation for blood transfusion in spine surgeries; a comparison with conventional hemoglobin estimation method –A Pilot study
29. Comparison between transcranial sonography [TCS] and computerized tomography [CT] scan to assess the midline shift [MLS] in traumatic brain injury patients
30. Evaluation of the GCS-Pupils score for prognosis in traumatic brain injury- the COMA study
31. The effect on Dexmedetomidine on ECoG in patients undergoing epilepsy surgery under desflurane anesthesia. (Co-Guide). Completed
32. Goal Directed Intraoperative Fluid Therapy in Aneurysmal SAH patients: A Prospective Randomized Study (Co-Guide). On Going
33. A comparison of the effectiveness of dexmedetomidine versus propofol infusion for sedation during awake craniotomy
34. Outcome predictors of giant intracranial aneurysms undergoing surgical management: A retrospective analysis
35. Can change in 3 Ventricle width predict post-operative cognitive dysfunction in elderly patients undergoing spine surgeries under general anaesthesia: A Prospective Observational Pilot Study
36. Red blood cell distribution width as prognostic marker in aneurysmal subarachnoid hemorrhage
37. Red cell distribution width as prognostic marker in Acute traumatic brain injury

### **Completed**

1. Comparison of Propofol and Ketofol on Transcranial motor evoked potential in patients undergoing Thoracolumbar spine surgery
2. Evaluation of intratracheal lignocaine as compared to normal saline for reducing emergence reactions in patients undergoing endoscopic transsphenoidal pituitary surgery

3. Correlation between invasive and non-invasive technique of intracranial pressure measurement in children with traumatic brain injury: an observational study
4. To compare the effect of goal directed fluid therapy versus standard fluid regimen on the cuff leak volume in patients undergoing spine surgery.
5. Use of intratracheal lignocaine to reduce emergence reaction in the patients undergoing endoscopic transphenoidal pituitary surgery: a randomized controlled study ( co-guide)
6. Comparison of propofol and ketofol on transcranial motor evoked potentials in patients undergoing thoracolumbar spine surgery
7. Effect of percutaneous Tracheostomy on Optic Nerve Sheath diameter [TONS Trial]
8. Perioperative anesthetic management and factors affecting outcome in robotized stereotactic assisted (ROSA) intracranial procedures: A retrospective analysis.

## Collaborative projects

### Ongoing

1. Effect of stellate ganglion block for cerebral vasospasm following aneurysmal subarachnoid haemorrhage on cardiac rhythm, A holter-based study, Cardiology
2. Development and validation of novel pressure measuring device for measuring the collapsing pressure of internal Jugular vein during an ultrasound examination AIIMS+ IIT Delhi
3. Effect of Lidocaine infusion on hemodynamics and recovery in patients undergoing endoscopic pituitary surgery: A multicentre, randomized control trial. Department of Anaesthesiology, Health Sciences Centre, University of Manitoba, Winnipeg, Canada
4. Prospective study on the effectiveness of chlorhexidine gluconate impregnated patch (BIOPATCH R) in reducing the incidence of central line associated blood stream infection (CLABSI). Microbiology, JPNATC, AIIMS
5. Surveillance of blood stream infections (BSI) at a referral Indian hospital Surveillance of blood stream infections (BSI) at a referral Indian hospital, Microbiology, JPNATC, AIIMS

## PUBLICATIONS

**Journals: 55**

**Abstracts: 12**

**Chapters in Books: 19**

**Books: 8**

## AWARDS, HONOURS AND SIGNIFICANT EVENTS

**Professor Arvind Chaturvedi** was Organizing Chairman of Annual Neuroanaesthesia and Neurocritical care Update 2019 and Organizing Chairman of USG and Cadaveric Pain workshop in Advanced Interventional Management of Pain conference 2019; Selected as MCI Inspector for Inspection and Accreditation of DM Neuroanaesthesiology course in India; Reviewer of Sultan Quaboos university Medical journal SQUMJ, Oman, JOACP, JNSA.

**Professor Mihir Prakash Pandia** is continuing as the Chairman of the research committee of ISNACC (Indian Society of Neuroanaesthesiology and Critical Care); Appointed as a committee member for the inspection for accreditation of ISNACC PDF course in Neuroanaesthesiology at SRMC, Porur, Chennai on 19 December 2019.

**Professor RS Chouhan** chaired a scientific sessions in AIIMS Neuroanaesthesia Neurocritical Care Update held at New Delhi, India from 18-20 October 2019; Co-chaired the prestigious GR Gode Oration in the ISNACC 2020, at Mahabali-puram, Tamil Nadu, held from 31 January 2020 to 2 February 2020.

**Professor GP Rath** was elected as Director in the Society for Neuroscience in Anesthesiology and Critical Care (SNACC, USA) Board of Directors; continued to contribute as the Member of Scientific and Communication Committees of the SNACC and Assistant Editor of SNACC Newsletters. Conducted Transcranial Doppler (TCD) workshop at SNACC Annual Meeting 2019 at Phoenix, USA. Continue to contribute as EXCO member (India) for Asian Society of Neuroanaesthesia and Critical Care (ASNACC) and its web editor. Organized the “Neuroanaesthesia and Neurocritical Care (NANC) Refresher Course”, and actively contributed for the ‘AIIMS Neuroanaesthesia Neurocritical Care Update 2019’ as Member of Organizing (Scientific) Committee. Continue to hold the post of Executive Editor, Journal of Neuroanaesthesiology and Critical Care (JNACC), Editorial Board Member of Indian Journal of Anaesthesia (IJA), Neurology India, The Indian Anesthetists’ Forum, Associate Editor of Indian Journal of Clinical Anaesthesia (IJCA), and Web Editor, Indian Society of Neuroanaesthesiology and Critical Care (ISNACC). Continue to serve as the International Advisory Board Member of Anesthesia Essays and Researches (AER) and Anesthesiology and Pain Medicine (AAPM), and peer-reviewer of reputed international journals such as Minerva Anesthesiologica, Journal of Neurosurgical Anesthesiology, Neurocritical Care, BMC Anesthesiology, and Journal of Clinical Anesthesia. Continued to be involved (Core faculty) in the In-service training programme (Organized by ORBO, AIIMS) of nurses and resident doctors for deceased organ and tissue donation.

**Dr GP Singh** was awarded the “**Outstanding Scientist Award in Anaesthesiology**” by Venus International Research Award (VIRA-2019) at Chennai on 3 August 2019; **Associate Editor** for Journal of Neuroanaesthesiology and Critical Care.

**Dr Ashish Bindra** was Organizing Secretary for AIIMS Neuroanesthesia Neurocritical Care Update from 18 to 20 October 2019 at JL Auditorium, All India Institute of Medical Sciences, New Delhi; Organized AIIMS- AIM P, Cadaveric Interventional Pain Management Workshop on 22 October 2019 at Cadaveric Training and Research Facility, JPNA Trauma Centre, New Delhi.

**Dr Niraj Kumar** is pursuing fellowship Program: (CMETI – Part Time Clinical Research Methodology and Evidence Based Medicine) at AIIMS, New Delhi for the session, January 2019. Based Medicine; **Instructor (Faculty) of** –ATLS, ANC, ACCC, AIIMS – EM-SONO, AUTLS, AIIMS cadaver airway; As a faculty of ORBO team facilitates knowledge, awareness amongst the hospital staff and also actively involved in procedures related to organ procurement; **Course director of Cadaveric Airway Management Course** – (18 October 2019) at JPNATC, New Delhi; **Executive member of organizing committee** AIIMS Neuroanesthesia update 2019.

**Dr Keshav Goyal** was appointed as External Examiner of Madhya Pradesh medical Science University, Jabalpur (MP) for MD anesthesiology; Advanced Trauma Life support (ATLS) Instructor Recertification, April 2019; Emergency Neurological Life Support (ENLS) Instructor Recertification; Course director cum National Coordinator of 1st Acute Neuro Care (ANC) affiliated by National society (ISNACC) 2019 at PGIMER Chandigarh and Yashoda Hospital, Hyderabad; Member of Trainee Engagement Committee of SNACC, USA; Reviewer of International Journal of Respiratory and Pulmonary Medicine; Executive member of organizing committee of: AIIMS Neuroanaesthesia and Neurocritical Care update 2019, 2nd and 3rd Acute Neuro care (ANC); Course Director and Coordinator, Cadaveric Airway Workshop, Quiz master in AIIMS Neuroanaesthesia and Neurocritical Update 2019.

**Dr Navdeep Sokhal** received Best paper award -One of my poster “Comparison of propofol and ketofol on transcranial motor evoked potentials (TcMEPs) in patients undergoing thoracolumbar surgery” presented by our student has won best paper award in ISNACC 2020, in Chennai; Course Director -Successfully organized “AIIMS Critical Care Course for Interns” as Course Director on 8-9 December 2018. In this course interns and residents were trained for various lifesaving skills like basic and advanced cardiac life support, airway management, vascular access and cricothyrotomy on mannequins and were taught basic concept of critical care management.

**Dr Vanitha Rajagopalan** completed the Point of Care Quality Improvement online course offered by AIIMS, New Delhi; Completed the Certificate course in Medicine and Law for Doctors offered by Institute of Medicine and Law; Completed the Comprehensive Critical Care e- Course (4C) offered by Indian Society of Critical Care Medicine; Reviewed articles for: Journal of Neuroanaesthesiology and Critical Care, Journal of Anaesthesiology Clinical Pharmacology, Indian Journal of Clinical Anaesthesia, Neurology India.

## Clinical Neuropsychology

### HIGHLIGHTS

Division of Neuropsychology, Neurosciences Center, got National and International recognition. The enthusiasm and willingness of students has played a major part in delivering 'standard of care'. Outcome from such a service with the support of their teams further helped in getting this recognition. The Neuropsychology faculty was nominated and selected to become a member of the Development Group for Traumatic Brain Injury (Non-Pharmacology Section). This nomination is for the World Health Organization (WHO) TBI Rehabilitation Working Group Member: under the aegis: Rehabilitation 2030- a call for action. The nomination was done by the Indian Federation of Neurorehabilitation (IFNR) and further supported by World Federation of Neurorehabilitation (WFNR). The faculty also worked as Member: Institute's Ethics Committee. Institute of Home Economics, (University of Delhi), 2017-2019.

Neuropsychology has actively participated in research as a part of esteemed interdisciplinary team. Have been involved in teaching clinical psychology to students (undergraduate, post graduate, and PhD).

### EDUCATION

- Undergraduate Teaching / BSc
  - B.Sc (Hons/Post Certificate) Nursing
  - Post Certificate 1st year
- Post Graduate Teaching
  - Clinical teaching /tutorials (about 12-16 hours/week)
  - Short Term Training (Clinical Neuro Psychology): AIIMS: 2

### CMEs, National and International conferences

#### Lectures delivered

#### Ashima Nehra: 5

1. Assessment and Mangement of Delirium in Clinical Practice, 2nd National Conference of Societ of Neurocritical Care (SNCC) India, 6-7 April 2019, Delhi
2. A Quest for A Psychologist's Role In WHO Continuum Of Care 45th National Annual Conference of Indian Association of Clinical Psychologists 25-27 May 2019, Dehradun
3. What could be the best rTMS protocol for an improvement in Parkinson's disease patient's Quality of Life and Motor symptoms? A systematic review 45th National Annual Conference of Indian Association of Clinical Psychologists, 25-27 May 2019, (Presented on 26 May 2019), Dehradun
4. Can rTMS bring about an improvement in the domains of Mood and Cognition in Parkinson's disease patients? A systematic review 45th National Annual Conference of Indian Association of Clinical Psychologists 25-27 May 2019, Dehradun
5. Role of Psychosocial Factors in Women's Life Leading to Distress /Disability National Seminar on "Role of Young and Adolescent Girls with Disabilities in National Integration of India" Conference on 26-27 July 2019, New Delhi

#### Oral papers/posters presented

1. Sharma P, Nehra A, Srivastava AK, Goyal V, Dash D, Rajan R, et al. What could be the best rTMS protocol for an improvement in Parkinson's disease patient's Quality of Life and Motor symptoms? A systematic review 45th National Annual Conference of Indian Association of Clinical Psychologists, 25-27 May 2019, Dehradun
2. Narain A, Nehra A, Srivastava AK, Goyal V, Dash D, Rajan R, et al. Can rTMS bring about an improvement in the domains of Mood and Cognition in Parkinson's Disease patients? A systematic review 45th National Annual Conference of Indian Association of Clinical Psychologists, 25-27 May 2019, Dehradun

### RESEARCH

#### Funded projects

##### *Ongoing*

1. To study the effectiveness of Repetitive Transcranial Magnetic Stimulation (rTMS) on Activities of Daily Living, Behavioral and Cognitive ability (A-B-C) of Parkinson disease Patients, Ashima Nehra, DST, 2021,

#### Departmental projects

##### *Ongoing*

1. To study the effectiveness of Repetitive Transcranial Magnetic Stimulation (rTMS) on Activities of Daily Living, Behavioral and Cognitive ability (A-B-C) of Parkinson disease Patients.
2. Development And Efficacy of Comprehensive Neuropsychological Rehabilitation for Improving Cognition and Quality Of Life in persons with Drug Refractory Epilepsy: A Randomized Controlled Clinical Trial

### Completed

1. Development of a Computerized Neurocognitive Remediation Package and Phase II Trial for Assessing its Efficacy in Cognitive Functioning among Patients with Schizophrenia

### Collaborative projects

#### Ongoing

1. A Population Based Prospective Cohort study to Unravel the Causes of Stroke and Cognitive Decline: A cross-cultural perspective AIIMS-ERASMUS COHORT STUDY. (An international collaborative project) Neurology, Cardiology, Community Medicine, Neuroradiology, Oral Health Sciences, Neuropsychology, Bio-Statistics etc.
2. To study the effectiveness of Repetitive Transcranial Magnetic Stimulation (rTMS) on Activities of Daily Living, Behavioral and Cognitive ability (A-B-C) of Parkinson disease Patients., Neuropsychology, Neurology, Bio-Statistics
3. Development And Efficacy of Comprehensive Neuropsychological Rehabilitation for Improving Cognition and Quality Of Life in persons with Drug Refractory Epilepsy: A Randomized Controlled Clinical Trial, Neuropsychology, Neurology, Neurosurgery, Neuroradiology, Bio-Statistics

#### Completed

1. Development of a Computerized Neurocognitive Remediation Package and Phase II Trial for Assessing its Efficacy in Cognitive Functioning among Patients with Schizophrenia
2. Neuropsychology, Neurology, Psychiatry, Bio-Statistic

### PUBLICATIONS

Journals: 7

### PATIENT CARE

**Clinical Neuropsychology** is a specialized referral service which focuses on clinical application, including diagnostic formulation, assessment, cognitive retraining in brain functioning following brain attack/ insult/ injury. Psychological assessment includes neuropsychological assessment/ evaluation including clinical diagnosis (as per the Gold Standards), comprehensive interview; behavioural observations, assessment with series of neuropsychological tests, interpretation, report writing neuropsychological formulation including General Intellect (hemispheric assessment), Cognition, Higher Level Executive Skills (e.g. problem solving, reasoning) Attention and Concentration, Memory and Learning, Motor and Sensory Skills, Perceptuo-motor Functioning/Visuo-spatial skills, Mood and Personality (Orbito Frontal Functions), Language/ Aphasia Assessment. Neuropsychological retraining including basic function approach to improve the functional skills improving basic pre morbid functions of persons daily life; neuropsychological reorganization including compensation for the deficit when deficient function can neither be reorganized nor restored, clinic based therapy; home based therapy. Neuropsychological retraining including basic function approach to improve the functional skills improving basic pre morbid functions of persons daily life; neuropsychological reorganization including compensation for the deficit when deficient function can neither be reorganized nor restored, clinic based therapy; home based therapy.

Neuropsychological Rehabilitation, Vocational Guidance, Supportive Psychotherapy, Directive Counselling to the patients and family members which is an important aspect of patient care in terms of management of any neurological condition. All these services are covered under the specialized clinics of Neuropsychological Rehabilitation (NR) and Cognitive Disorders and Memory Clinic (CD&M)

**Outpatient service (OPD):** There are 4 Clinical Neuropsychology OPDs/week, with 3 registries:

### Specialized Clinics

*Neuropsychological Rehabilitation (NR) Clinic*

Cognitive Retraining/Restructuring
Basics Skill Training
Functional Re-training
Speech and Language Rehabilitation
Psychosocial Therapy
Guidance and Counselling
Individual Therapy
Family Therapy

Vocational Guidance
Holistic/eclectic Approach Therapy (depending on the patient's needs)

*Cognitive Disorders and Memory (CDM) Clinic*

Memory Assessment
Screening for Cognitive Decline
Cognitive Rehabilitation for Dementia/ Alzheimer's Dementia
Cognitive Re-training for decline in Memory/Executive Functioning
Management of Cognitive/ Memory Disorders
Identify and treat pseudo-dementia
Education: patients, carers, trainees, colleagues, and the general public.
Family guidance
Monitoring of progress and response to therapy

**REFERRALS**

Patients are referred from Neurology, Paediatric Neurology, Neurosurgery, Psychiatry, JPN Trauma Centre, Neuroanaesthesia, Physical rehabilitation and medicine (PMR), ENT, Endocrinology, Nuclear Medicine, Medical superintendent's office (for medico legal cases), etc.

Referrals are given to establish a 'baseline' of skills/weaknesses in order to measure change in the future, to identify strengths and weaknesses in specific areas, to differentiate among illnesses, which can then direct appropriate treatment, to plan for treatment to use strengths to compensate for weaknesses, to assess everyday functional skills to plan for assistance or treatment, etc.

**AWARDS, HONOURS AND SIGNIFICANT EVENTS**

Dr Ashima Nehra was nominated for World Health Organization (WHO) WHO-TBI Rehabilitation Working Group Member (for Non-Pharmacological Intervention): under the aegis: Rehabilitation 2030- a call for action (Nominated by Indian Federation of Neuro-Rehabilitation and supported by World Federation of Neuro-Rehabilitation). Nominated for World Health Organization (WHO) WHO-TBI Rehabilitation Working Group Member

**Kaur H.** (Former Student), at present Assistant Professor at TISS, Mumbai: International Neuropsychological Society: Travel Bursary Award \$1500 : Denver, USA. February 2020 (Award won on the work done as a part of her PhD.

## Neurobiochemistry

### **HIGHLIGHTS**

Introduced new MLPA based genetic diagnostic test: Duchenne Muscular Dystrophy-1 (DMD-1), Duchenne Muscular Dystrophy-2 (DMD-2), Spinal Muscular Atrophy (SMA), Wilson's test. BRCA1, BRCA2/CHEK2 screening, Wilson, EGFR, and TP53 in Biochemistry, NSC.

### **CMEs, National and International Conferences**

#### **Lectures delivered**

#### **Ashok Sharma: 5**

1. Epigenetic regulation of POTE genes in Epithelial Ovarian Cancer World Congress on Cancer" (WCC) 2020, 3-5 February 2020, Jaipur, India
2. Epigenetic regulation of POTE, National Conference on Cancer Biology and Therapeutics, 29 -30 November 2019, Bhubaneswar, Odisha
3. Epigenetics and Cancer Young Scientists' Conference (YSC), 5 India International Science Festival (IISF 2019) 5-7 November 2019, Kolkata, West Bengal
4. Evolving Landscape of Translational Cancer Research and Future Challenges in India. TCGA-themed conference and hands-on workshop, 21-25 September 2018, IISER Pune
5. Epigenetics and Human Diseases Science Fest 4 Sept. 2019, New Delhi

#### **Oral papers/posters presented: 2**

1. Kundu S and Sharma A. 3D Genome Architecture: A major player in the Epigenetic regulation of CA/CG antigen POTE in Ovarian Cancer World Congress on Cancer" (WCC) 2020, 3-5 February 2020, Jaipur, India
2. Sharma N, Manav N, Kundu S, Quazi S, Kumar P, Sharma A. Expression Analysis of Cancer Testis Antigen POTE using TCGA data mining to correlate its biomarker potential for Ovarian Cancer Multi-Omics Studies in Cancer- Learnings from TCGA, 21-25 September 2019, Pune

### **RESEARCH**

#### **Funded projects**

##### ***Ongoing***

1. Artificial intelligence in Oncology: Harnessing big data and advanced computing to provide personalized diagnosis and treatment for Cancer patients. Ashok Sharma, MEITY, 2 years, 2020-2022, Rs 292 lakhs
2. Interplay between Cancer Testis/ Germline POTE antigen and NOTCH Signaling and its association with Global DNA Methylation in Ovarian Cancer, Ashok Sharma, ICMR- MOHFW, 3 years, 2019-2022, Rs 42.5 lakhs.
3. Genome-Wide DNA Methylation and Genomic Instability Profiling and Evaluating Its Potential as a Biomarker and Immunotherapeutic Target for Ovarian Cancer. Ashok Sharma, DBT-Ramalingaswami Project, 5 years, 2015-2020, Rs 32.5 lakhs
4. Nuclear Architecture as an Epigenetic Regulator in Pericentromeric localized Cancer-Testis/Germline Antigen POTE Expression in Ovarian Cancer, Ashok Sharma, DST, 3 years, 2017-2020, Rs 55 lakhs
5. A pilot study to analyze serum levels and intra-tumour expression of cancer-testis antigen POTE as a new biomarker for ovarian cancer, Ashok Sharma, DHR-ICMR, 2 years, 2018-2020, Rs 25 lakhs
6. Molecular Characterization of Endometrial Cancer and its correlation with clinicopathological Features, Ashok Sharma, AIIMS, 2 years, 2018-2020, Rs 10 lakhs
7. Estimate the Serum Levels of Cancer-Testis Antigen POTE as a Biomarker in Epithelial Ovarian Cancer, Ashok Sharma, AIIMS, 2 years, 2016-2018, Rs 10 lakhs

#### **Departmental projects**

##### ***Ongoing***

1. Functional Characterization, Expression, and Clinical Significance of Cancer-Testis/ Germline Antigen POTE in Ovarian Cancer
2. Role of 3D Genome Architecture as Epigenetic Regulator of Pericentromeric localized Cancer-Testis/Germline Antigen POTE in Cancer

##### ***Completed***

1. Cloning and Functional analysis of Cancer Testis Antigen POTE in Epithelial Ovarian Cancer
2. Effect of DNA Methylation in Expression of Cancer-Testis/Germline Gene POTE in Ovarian Cancer
3. DNA Methylation Effect on POTE Expression in Epithelial Ovarian Cancer

## Collaborative projects

### Ongoing

1. Role of PARP1 and  $\gamma$ -Glutamylcysteine Synthetase Inhibitor in Cisplatin Sensitivity and Correlation With DNA Methylation in Ovarian Cancer, IRCH, AIIMS
2. Impact of Yoga and Meditation on Epigenetic Profile in Rheumatoid Arthritis, Anatomy
3. The Role of Leukotriene A4 hydrolase gene Polymorphism and Clinical outcome correlate in Corticosteroids treated Tubercular Meningitis Patients, Neurology
4. One carbon metabolism and cognitive impairment in older Indians, Geriatric Medicine
5. Estimation of novel Proteins among Older Subjects as biomarker for cognitive impairment, Geriatric Medicine
6. To evaluate the effect of intralipid supplementation on implantation rate in women with two or more failed IVF/ICSI with elevated natural killer cell levels – A pilot randomized controlled trial, Obstetrics and Gynaecology
7. Expression of Cancer Testis Antigen POTE in Ovarian Tumors and its Clinical Significance: A Pilot Study, Obstetrics and Gynaecology
8. Molecular Characterization of Endometrial Cancer and its correlation with clinicopathological Features, Pathology

### Completed

1. Role of peroxisome proliferator activated receptor alpha (ppar alpha) in trophoblast invasion, Biochemistry

2.	BRCA (MLPA) + (3 founder mutation Sequencing)	10 +9
3.	DMD (MLPA)	01
4.	Wilson (MLPA)	01

#### AWARDS, HONOURS AND SIGNIFICANT EVENTS

**Dr Ashok Sharma** was Invited by Department of Biotechnology's for the Nobel Prize Series 2019; Invited by Ministry of Health and Family Welfare and DBT India Jointly for colloquial lecture in the Young Achiever's, Young Scientists' Conference (YSC), 5th India International Science Festival (IISF 2019) held at Biswa Bangla Convention Centre (BBCC), Kolkata; role in establishing the Indian Council of Medical Research-Indian Cancer Research Consortium (ICMR-ICRC), New Delhi as a member of committee; guest to deliver a talk in Sri Aurobindo College on 'Epigenetics and Human Diseases' in Science Fest dated on dated on 4 September 2019; Distinguish speaker in National Conference on Cancer Biology and Therapeutics held at Institute of Life Sciences, Bhubaneswar, Odisha, during 29-30 November 2019; **Editorial and Review Work:** Member of the Editorial Board of Cancer science and Cell Biology, Member of the Editorial Board of International Journal of Integrative sciences, Innovation and Technology (IJIIT); **Reviewer for:** Molecular Report, PLOS ONE, PLOS Genetics, PLOS Biology, BMC Cancer, Carcinogenesis- Oxford Journals, Laboratory Investigation- Nature, Molecular BioSystems- RSC Publishing, Molecular Biotechnology, Molecular and Cellular Biochemistry- Springer.

## Neuropathology

### HIGHLIGHTS

In the year 2019-2020, unit of Neuropathology has been able to maintain high standard academics and state of art clinical services. The unit is engaged in routine diagnostic services (total of 2106 cases), teaching of undergraduate, postgraduate, DM and Mch students; as well as high quality research in various subspecialities of Neuropathology. In this year trained one faculty in muscle pathology from Jaipur and two technicians from Jaipur and DMC Ludhiana.

New facilities have been added for the molecular diagnosis and cytogenetic work-up in routine work up in neurooncology, which include *in-situ* hybridization, capillary electrophoresis, real-time PCR etc. The diagnostic immunohistochemical panel has been expanded and a total of 8375 slides have been stained and studied during this period. The unit is regularly integrating molecular makers of clinical significance in the hitopathological reports of neurooncology and myopathology.

The Neuropathology faculty have received funding for 3 extramural projects. A total of 40 papers have been published in peer reviewed national and international journals. Research work was presented at various national and international platforms. Professor Chitra Sarkar received the Lifetime Achievement Award from the Delhi Neurological Association for her contributions in Neuropathology.

Professor Chitra Sarkar has been nominated as a member of working committee of CIMPACT-NOW (Consortium to Inform Molecular and Practical Approaches to CNS tumor Taxonomy) under the aegis of WHO. Professor Chitra Sarkar has been invited to be a co-author in upcoming 2020, WHO classification of CNS tumors and Updates of CIMPACT-NOW. Professor MC Sharma and Dr. Kavneet Kaur have also been invited co-author chapters in the upcoming 2020, WHO Classification of CNS Tumors.

### EDUCATION

Undergraduate lectures and seminars	9 per year
Undergraduate practical classes	3 per year
Postgraduate (MD pathology) teaching during reporting sessions	10 hours per week
Postgraduate Teaching in Friday conferences	2 hours per week
Neuropathology/ Neurology/Neurosurgery conference	1.5 hours every Friday
Training of postgraduate graduate (MD pathology) students on FISH platform	Twice a year
15 days teaching and training of DM Neurology candidates	On rotation basis

### CMEs/Workshops/Symposia/National and International Conferences

#### • Conference Organized

10th Annual Conference of the Indian Society of Neuro-Oncology (ISNOCON 2018) held at AIIMS, New Delhi from 6-8 April 2018.

Also organized Pre-conference workshop on Molecular Neuro-Oncology.

### Lectures delivered

**Chitra Sarkar: 5                    Mehar C Sharma: 10                    Vaishali Suri: 3**

#### Chitra Sarkar

1. Michaelangelo said – Ancora Imparo, Sir Ganga Ram Hospital, Delhi, 10 November 2019, Delhi
2. cImpact-NOW [cImpact: The consortium to inform molecular and practical approaches to CNS tumor taxonomy], EBM 2020: Contemporary management in Neuro-Oncology, 28 February 2020, Mumbai
3. Molecular Subgrouping of Medulloblastomas: Recent Updates and Challenges to the Pathologist Pediatric Pathology CME, 2019, Kolkata
4. Pediatric Gliomas : Current Scenario Pediatric Pathology CME, 2019, Kolkata
5. Pathological Classification of Intracranial Germ Cell Tumors and its Clinical Implications ISNOCON, 5 April 2019, Bhopal

#### Mehar C Sharma

1. Interesting case presentation Delhi Neurological Society meeting, 7 March 7 2020, New Delhi
2. Clinicopathological conference (CPC Epilepsy) ECON 2020, 19 January 2019, Ahmadabad
3. Histomorphological approach to mesenchymal tumours of oral and maxillofacial region AIIMS oral pathology symposium, 6 January 2020, New Delhi

4. Biomarkers of clinical relev CNS tumours of clinical relevance 11th Annual Conference of the Indian Society of Neuro-oncolgy, 5-9 April 2019, Bhopal
5. Update in Embryonal tumors of the CNS Annual CME in Pathology, 23 November 2019, Amritsar
6. Approach to muscle diseases Annual CME in Pathology, 23 November 2019, Amritsar
7. Approach to sinonasal tumours Annual CME in Pathology, 23 November 2019, Amritsar
8. Approach to Posterior fossa midline Tumours, Neurosurgery CME, 10 July 2019, Rishikesh
9. Clinicopathology conference (CPC Internal Medicine) CPC, 26 November 2019, New Delhi
10. Prognostic stratification of posterior fossa ependymomas using H3K27me3 immunohistochemistry and fluorescence in-situ hybridization for chromosome 1q21 48th Annual meeting of International Society of Pediatric Neurosurgeon 4-8 October 2019, Birmingham, United Kingdom

#### **Vaishali Suri**

1. Utility of molecular markers / platforms for routine diagnostic work up of CNS tumors” 11th Annual Conference of Indian Society of Neuro-Oncology and preconference workshop, 4-7 April 2019, Bhopal
2. Histopathology and clinically relevant molecular markers for Diffuse Midline Gliomas 11th Annual Conference of Indian Society of Neuro-Oncology, 4-7 April 2019, Bhopal.
3. Pathology of low grade gliomas : The evolution” CME on pediatric brain tumours, 10 November 2019, New Delhi

#### **Oral papers/posters presented**

1. Aruna N, Suri VS, Sharma MC, Sarkar C. Reappraisal of CNS embryonal tumors, not otherwise specified and RELA fusion negative supratentorial ependymomas using immunohistochemistry and sequencing for BCOR’ European Association of Neurooncology, annual meeting (EANO-2019) September 2019. Lyon, France
2. Kaur K, Suri VS, Sharma MC, Sarkar C. Cost efficient test algorithm for molecular subgrouping of medulloblastomas for day-to-day practice in resource limited countries, Annual meeting of European Association of Neuro-Oncology, 2019 (Eano, 2019) Lyon, France.
3. Kaur K, Suri VS, Sharma MC, Sarkar C. Analysis of tumor immune microenvironment and immune checkpoint modulators across infantile and pediatric pilocytic astrocytomas to elucidate the role of immunotherapy in these tumors and Cost efficient test algorithm for molecular subgrouping of medulloblastomas for day-to-day practice in resource limited countries Annual meeting of European Association of Neuro-Oncology, 2019 (Eano, 2019) Lyon, France
4. Kaur K, Suri VS, Sharma MC, Sarkar CS. Molecular and Clinical Characterisation of Midline Gliomas: Correlation with Programmed death ligand 1 Expression and Tumor-infiltrating lymphocytes” 47 annual meeting of international society for pediatric Neurosurgery Birmingham UK
5. Sharma A, Suri VS, Sharma MC, Sarkar C. Clinicopathological evaluation of PD-L1 expression and cytotoxic T-lymphocyte infiltrates across intracranial molecular subgroups of ependymomas: are these tumors potential candidates for immune check-point blockade? European Association of Neuro-oncology, annual meeting (EANO-2019, September 2019, Lyon, France

#### **RESEARCH**

##### **Funded projects**

##### **Ongoing**

1. DHR-ICMR Advance Medical Oncology Diagnostic Services (DIAMONDS) under HTA in pilot research project, Chitra Sarkar,, DHR-ICMR, 3 years, 2020-2023, Rs 170 lakhs
2. A multi-centric study to develop comprehensive molecular genetic panels for glioblastoma personalized therapy. Chitra Sarkar, DBT, 5 years, 2016-2021, Rs 50 Lakhs
3. JC Bose Research Fellowship, Chitra Sarkar, DST, 5 years, 2016-2020, Rs 15 lakhs per year
4. Unraveling the role of miRNA clusters (C14MC and C19MC) in oligodendrogliomas: Study using genetic and functional approach with clinicopathological correlations, Chitra Sarkar, ICMR, 3 years, 2017-2020, Rs 10 lakhs per year
5. Unravelling the functional relevance of Snail paralogs in the pathogenesis of pediatric ependymomas, MC Sharma, DST, 3 years, 2018-2020, Rs 45 lakhs
6. Sequencing Target genes aimed at Neuromuscular disorders in India (STAND-INDIA), MC Sharma, ICMR, 3 years, 2018-2021, Rs 50 lakhs

7. Tumor Immune landscape: PDL1 expression and evaluation of tumor immune interplay by investigating the immune cell infiltration in supratentorial ependymoma and its correlation with survival outcomes, MC Sharma, ICMR, 3 years, 2020-2023, Rs 35 lakhs
8. Clinicopathological and serological assessment of adult-onset idiopathic inflammatory myopathies (IIM) aimed at improved characterization of sporadic inclusion body myositis, MC Sharma, ICMR, 3 years, 2020-2023, Rs 50 lakhs
9. Targeted genomic-epigenomic analysis to develop a novel approach for routine molecular subgrouping and identification of actionable targets in meningioma, V. Suri, DST, 3 years, 2018-2021, Rs 42 lakhs
10. Identification of non-coding RNA panel as novel biomarker for stratification of meningiomas and evaluation of its prognostic therapeutic significant, V. Suri, Rs 10 lakhs
11. Molecular signature of protumorigenic inflammation in the context of the WHO 2016 classification of glioma, V. Suri, AIIMS, 3 years, 2018-2020, Rs 20 lakhs
12. Integrative transcriptome analyses of different histological and molecular subgroups of meningiomas to identify prognostic signature and therapeutics, V. Suri, ICMR, 2019-2022, Rs 62 lakhs

## Departmental projects

### Ongoing

1. Study of EGFR-MAPK, NFKB and SHH pathway activation in corticotroph pituitary adenomas
2. Comparison of molecular and immune profile of Epithelioid GBMs and PXA
3. Analysis of immune check point markers in gliomas
4. EMT pathway in meningioma
5. Molecular profiling of Epithelioid Glioblastoma

### Completed

1. DNA methylation array for molecular subgrouping of medulloblastomas
2. Targeted sequencing of IDH negative gliomas
3. Clinicopathological study of infant gliomas
4. EZH2-WNT expression and correlation in tumor invasiveness, stem cell phenotype and progression in pituitary adenomas

## Collaborative projects

### Ongoing

1. Fat gene in gliomas, Biochemistry
2. Molecular and immune profile of midline gliomas, Neurosurgery

## PUBLICATIONS

**Journals: 34**

## AWARDS, HONOURS AND SIGNIFICANT EVENTS

**Professor Chitra Sarkar** was appointed as President, AIIMS, Kalyani by Ministry of Health and Family Welfare; Chairperson of the Committee constituted by Ministry of Health and FW to suggest recommendations regarding Bhopal Memorial Hospital and Research Centre (BMHRC); Member, Governing Body of Institute of Medical Sciences, Banaras Hindu

University; Member, THSTI Society Committee; Nominated Member of DST-INSPIRE Fellowship Standing Committee; Nominated Member of Expert Evaluation Committee of DST-INSPIRE Fellowship; Organizing Chair of 10th Annual Conference of the Indian Society of Neuro-Oncology (ISNOCON 2018) held at AIIMS, New Delhi from 6 to 8 April 2018. Also organized Pre-conference workshop on Molecular Neuro-Oncology; Chairperson, Women's grievance cell, AIIMS; Chairperson, Prevention of Sexual Harassment of Women at AIIMS; Coordinator for Memorandum of Understanding between AIIMS and other Institutions for collaborative research; Member of Nano Mission Council (NMC) of Department of Science and Technology, Govt. of India; Member, Apex Committee for North Eastern Region Biotechnology Programmes of Department of Biotechnology; Vice President of the International Society of Neuropathology; Secretary, Neuropathology Society of India; Selection committee member for Ranbaxy Awards; Member of Sectional committee (Health Sciences) of INSA; Member, Editorial Board of journal Neuropathology (published from Japan); Member, Assessment Committee for scientists' promotions of ICMR; Member of the Governing Body and Scientific Advisory Committee of National Brain Research Centre, Manesar; Member of the Scientific Advisory Committee of Institute of Pathology, New Delhi; Co-chairperson of Human Ethics Committee of National Institute of Immunology, New Delhi; Member, Oncology Sub-Committee of NCD-III, ICMR.

## 11.1. BB Dikshit Library

**Chairperson, Library Committee**  
S Rajeshwari

**Professor in-charge, Library**  
SS Chauhan

**Chief Librarian**  
S Siva Chidambaram (up to 26.12.2019)

### HIGHLIGHTS

The central library provides information service to all the teaching departments and centres. The library is open 24x7 (356 days) and it has more than 1,50,257 books and other documents such as bound journals, pamphlets, etc. The library also has a collection of 2,298 Hindi books for readers and employees, both technical and non-technical. An average of 320 readers visit the library everyday. The library is well equipped with modern facilities to support biomedical education and research. The library has predominantly e-resources (80%) which are provided with anytime anywhere access for doctors and faculty members for their scholarly activities. The collection of various E-Resources access and service credential available through the library is given below:

Types of E-Resource	Description
E-Journals	1493 Scholarly Journals, Dentistry and Oral Sciences Source (DOSS Aggregator), NEJM Journal Watch
E-Books	Access Medicine, Oxford Medicine Online (53 textbooks), OVID
Point of Care databases	Up-to-date (Anytime anywhere), BMJ Best Practice, BMJ Case Reports, Acland Anatomy, MedOne Surgery
E-Learning packages	JAMA Evidence, BMJ Research to Publications, HSTalk Lecture Series
Abstracting and Indexing databases	EMBASE, Web of Science (Citation Analysis Database), Journal Citation Report
Access Facility Software on Services	LibSys Premia (Version10) Library automation EBSCO Discovery service (Single Point Search for all subscribed E-Resources). All E-Resources are accessed through IP enable in the Campus RemoteXs, OpenAthens facility for out-of-campus access
Plagiarism verification service	iThenticate web enabled

These online databases, E-Journals and E-Learning packages can be accessed through the library by Web-scale Discovery Service (Single Point Search), IP enabled access and RemoteXs facility. During the year, 272 new RemoteXs accounts were created for remote access facility. Few society-based journals may be accessed through username and password. Necessary access information is disseminated through the library webpage: <http://www.aiims.edu/en/library.html>. The RemoteXs facility to faculty members and academic resident doctors is provided through: <http://elibraryaiimsdelhi.remotexs.in> to access E-resources even outside the campus and the country. The library has a plagiarism verification facility for its readers and total number of submissions is 1992 (documents are 2084). The library has its own search engine called 'Single Point Search' web-scale discovery service to retrieve library subscribed electronic resources plus library holdings effectively. It also acts as a tool for a bibliographic management system for doctors. The Library Committee is an advisory body for the management of the library. It advises the Chief Librarian regarding the procurement of books and subscription of periodicals and databases. The present committee consists of the Professor in-charge as Chairperson, 7 Professors, 2 Associate Professors and 1 Assistant Professor from various departments as members, and the Chief Librarian as the Coordinator. The committee meets regularly.

The Library has an in-house information communication and management system comprising of 3 servers and 49 computers. The library has its own Wi-Fi service, and about 1,000 users are benefited during the year. The library uses Libsys Premia automation software system that supports data entry and retrieval of books and other documents. All documentation/bibliographic services, as well as certain library operations have been computerized, using integrated library management software. The circulation section of the library is computerized through RFID smart card system and online issue return of books with automatic reminder systems through e-mail. The total RFID Smart Cards issued to the library's readers are 608. The library provides Current Awareness Service and Reference Services. The library publishes E-Resources Bulletin, AIIMS Institutional Repository Bulletin and the New Books Bulletin, etc. It also provides services such as web-based Open Access Public Catalogue (Web OPAC), Reprography and printout of academic literature. Library imparts orientation and information literacy programs to students, research scholars and doctors regularly.

This year library spent around `1,850 lakhs for procurement of E-Journals, Databases, Books and other documents, IT equipment and services, etc. It added around 257 new books, 1493 E-Journals, 13 Databases and 4 Access Facility services, etc. This year, the library has launched its ETD (Electronic Thesis and Dissertation) facility through online platform successfully. Now, the theses and dissertations are available for library's readers in printed/CD formats/online platform.

#### **CME/Workshop/Seminar/Conferences Organized**

1. Orientation Program for AIIMS Resident Doctors, 9 April 2019.
2. Scholarly Communication, OVID Day Workshop, 11 July 2019.
3. Utilization of E-Resources in Scholarly Communication, Librarians' Day Seminar, 9 August 2019.
4. Access and Availability of Medical Literature in Electronic Environment (AMLEE-2019), National Conference, 2-3 September 2019, AIIMS, New Delhi.

#### **Lectures delivered**

**Dr S Siva Chidambaram: 7**

#### **Workshop/Conference/Seminars Attended**

**Dr S Siva Chidambaram**

1. Research Data and Statistical Analysis using R Programming, National Workshop, UGC INFLIBNET Centre, 6-11 May 2019, Gandhinagar.
2. Knowledge Engineering for Digital Library Design (KEDL 2019), International Symposium, IIT Delhi organized by National Digital Library of India (NDLI), 9-11 December 2019, IIT Kharagpur in collaboration with UNESCO,

#### **Jahangir Khan**

1. National Convention on Emerging Trends in Medical Information and Technologies Conduct by Medical Library Association of India at Manav Rachna International Institute of Research and Studies, 2-4 March 2020, Faridabad.

#### **Prashant Srivastava**

1. Workshop on Procurement and General Finance Rules, All India Institute of Medical Sciences, New Delhi K.L. Wig Centre for Medical Education Technology & Innovation (CEMETi), 25-26 July 2019.
2. International Conference on Digital Landscape (ICDL 2019), Indian Habitat Center, TERI, 6-8 November 2019, New Delhi.
3. MLAI-19, National Convention on Emerging Trends in Medical Information and Technologies, Medical Library Association of India at Manav Rachna International Institute of Research and Studies, 2-4 March 2020, Faridabad.

#### **Umesh Kumar**

1. Workshop on Procurement and General Finance Rules, All India Institute of Medical Sciences, New Delhi K.L. Wig Centre for Medical Education Technology & Innovation (CEMETi), 25-26 July 2019.
2. Workshop on How Indian Libraries can get benefited by associating with OCLC, organized by Delhi Public Library in association with OCLC and Edutech, 24 October 2019.
3. International Conference on Digital Landscape: Digital Transformation for an Agile Environment (ICDL-2019), 6-8 November 2019, New Delhi.

#### **Neetu Priya**

1. National Workshop on Research Data and Statistical Analysis using R Programming, INFLIBNET Centre, 6-11 May 2019, Gandhinagar.

#### **PUBLICATIONS**

**Journals: 1**

**Chapters in Books: 6**

**Books: 1**

#### **AWARDS, HONOURS AND SIGNIFICANT EVENTS**

**Dr S Siva Chidambaram** honoured as Guest Speaker and committee member of the International Conference on Digital Libraries 2019 on Digital Transformation for an Agile Environment (ICDL 2019) organized by TERI, India Habitat Centre, New Delhi, 6-8 November 2019; participated and shared Digital Libraries experience with Dr Michael Keller (Vice Provost & University Librarian, Stanford University) during Digital Library Workshop held at Jio Institute, Ahmedabad, 24-25 October 2019.

**MK Vishwakarma** was Member of Institutional Annual Report Committee, AIIMS New Delhi.

**Jahangir Khan** was Chair of Technical Session at National Convention on Emerging Trends in Medical Information and Technologies Conduct by Medical Library Association of India, Manav Rachna International Institute of Research and Studies, Faridabad, 3 March 2020.

**Prashant Srivastava** worked as Rapporteur General of MLAI-19, National Convention on Emerging Trends in Medical Information and Technologies conducted by Medical Library Association of India at Manav Rachna International Institute of Research and Studies, Faridabad, 2-4 March 2020.

**Neetu Priya** was Member, Institutional Annual Report Committee, AIIMS, New Delhi and worked as Rapporteur in National Seminar on Access & Availability of Medical Literature in Electronic Environment—Digital Transformation in Medical Libraries (AMLEE-2019), 2-3 September 2019 organised by BB Dikshit Library, AIIMS, New Delhi.

## 11.2. Cafeteria

**Chairperson**

Subhasish Panda  
Deputy Director (Administration)

**Member Secretary**

Rakesh Kumar Sharma, Senior Stores Officer

**Accounts Officer**

Meenakshi Dabral

**General Manager**

SK Kaushik (up to 31 July 2019)

KK Sharma (from 13 August 2019)

AIIMS Cafeteria was established as a departmental canteen with the objective of providing wholesome food, prepared under healthy hygienic condition at reasonable prices to the employees of AIIMS. The Cafeteria caters to the needs of over 14,000 employees including Faculty Members, Doctors, Nursing Staff, Students and other Staff members. A cafeteria service is being provided round the clock at different places/centres under the supervision of the Cafeteria Management Committee. Cafeteria also meets the need of Hospitality Services of all higher offices of AIIMS during important official meetings, workshops, symposia etc.

Considering the massive expansion in the requirement of catering services at AIIMS as a result of additional AIIMS staff strength at upcoming blocks in AIIMS campus, patients and their relatives the need of highly skilled professional services has been felt. The area of Cafeteria services has been identified in two parts and the services were outsourced to professional agencies through an open QCBS tendering process. Currently the Main cafeteria is being run by in-house staff of AIIMS. M/s JS Hospitality Services Pvt. Ltd. has been awarded the contract to provide kitchen and cafeteria services in the other facilities of AIIMS. The cafeteria/kitchen services currently are being provided at 11 outlets in different parts of the campus.

## 11.3. Central Animal Facility

### Professor-in-Charge

SK Maulik

### Sr Veterinary Officer

PK Yadav

During the year 2019-20, only rats, mice, rabbits, guinea pigs and hamsters were maintained in our Central Animal Facility (CAF).

#### Small Animal (Rodents):

The average number of different laboratory animals maintained during the year were:

1. Rats (Wistar):	1454
2. Rats (Sprague Dawley):	499
3. Mice (Swiss):	644
4. Mice Balb/c:	638
5. Mice C57 BL/6:	315
6. Rabbits (New Zealand):	81
7. Guinea pigs (Dunkin Hartley):	42

A total of 3732 small animals (Rats 2710, Mice Swiss 727, Mice Balb/c 118, Mice C57BL/6 126, Rabbits 42 and Guinea pigs 9) were supplied to various departments of AIIMS. A number of animals (1921) were also sold to other academic and research institutions in Delhi and outside Delhi (Rat 1328, Mice 500, Rabbits 85 and Guinea pigs 8).

#### Experimental Surgery

Fifty-four surgical procedures were performed by faculty, investigators and students from various departments in the Central Animal Facility of AIIMS. The departments included Anatomy, Biochemistry, Biomedical Engineering in collaboration with IIT Delhi, Biophysics, Biotechnology, Gastroenterology, Laboratory Medicine, Neurosurgery, Nuclear Magnetic Resonance, Paediatric Surgery, Pharmacology, Psychiatry, Reproductive Biology and Stem Cell Facility.

#### Institutional Animal Ethics Committee

The Institutional Animal Ethics Committee (IAEC) is approved by the Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA) under the Ministry of Fisheries, Animal Husbandry and Dairying Department of Animal Husbandry and Dairying, Government of India. The AIIMS CPCSEA registration no. is 10/GO/ReBiBt/S/99/CPCSEA "Research for Education Purpose, Breeding for in house use and Breeding for the purpose of trade of small animals (Rat, Mice, Rabbit, Guinea Pigs and Hamsters)". The IAEC cleared 70 new projects and 8 projects were given extension for studies using small animals (Rodents) of various investigators.

#### Services provided

The Central Animal Facility has been maintaining animals belonging to the departments of Anatomy, Biochemistry, Biomedical Engineering in collaboration with IIT New Delhi, Biophysics, Biotechnology, Gastroenterology, Laboratory Medicine, Neurosurgery, Nuclear Magnetic Resonance (NMR), Paediatric Surgery, Pharmacology, Psychiatry, Reproductive Biology and Stem Cell Facility. The facility maintained experimental laboratory animals (Rats 100, Mice 164, Rabbit 1 and Guinea pigs 2) belonging to the above departments throughout the year.

The facilities for research with immunodeficient animals (Nude and SCID Mice) are in progress and will be functional at the earliest.

The IAEC has given permission to Department of Physiology and Pharmacology, and Ocular Pharmacology and Pharmacy at the Dr RP Centre for Ophthalmic Sciences to maintain laboratory animals in the department. The above departments maintain laboratory animals in the department under the supervision of the Central Animal Facility.

#### Educational programmes

1. Dr PK Yadav, Senior Veterinary Officer at the Central Animal Facility, AIIMS, New Delhi was nominated as National Committee Member of Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA) under the Ministry of Fisheries, Animal Husbandry and Dairying Department of Animal Husbandry and Dairying Government of India for three years.
2. Dr PK Yadav attended the 9th International Conference of LASA India, 'Laboratory Animals in Biomedical Research—The Way Forward', 21–23 November 2019 at Indian Institute of Science Education and Research (IISER), Pune and National Centre for Cell Science (NCCS), Pune.

## 11.4. Central Workshop

### Faculty Coordinator

Dr Ganga Prasad

(Professor, Department of Anaesthesiology, Pain Medicine and Critical Care)

### Chief Technical Officer

Kalu Ram

### Senior Technical Officers

Harinder Pal

(Mechanical Section)

Nitin Srivastava

(Electrical & Electronics)

### OBJECTIVES

It is necessary to have well-functioning equipment for smooth delivery of quality health services in a Hospital. However, many patient care centres purchase (or receive as a donation) expensive and delicate equipment which, because of poor maintenance, breaks down. If there is no system in place to report breakdowns and to plan or carry out repairs, equipment can remain unusable for long period of time. Sometimes, this equipment ends up being condemned. An effective repair system will minimize the time period when equipment is unusable and decreases financial burden.

The Central Workshop was established in 1964 to repair and maintain medical equipment, including surgical instruments and diagnostic devices. The Workshop not only does repair and maintenance of various equipment but also fabricates items to be used for education and scientific research. Thus, it plays an important role in aiding smooth and complete patient care at AIIMS. Being the only technical department, it also provides technical guidance to various procurement committees of AIIMS.

### Strength of the employees

A skilled team of technicians and officers is available to provide the above stated operations. The team provides skilled support to keep various equipment in the hospital in good working condition. There are various sections in the Central Workshop headed by a Senior Technical Officer/Technical Officer with supporting staff members. The strength of group B and C staff in the Central Workshop is as follows:

- Technical Officer: 3
- Technician (Grade I): 5
- Technician (Grade II): 8
- Workshop Assistant: 3
- Assistant Administrative Officer: 1
- Store Clerk (JAA): 1
- Operator (E&M): 4
- Khalasi: 1

### Services available

The workshop provides following services:

#### 1. Repair and Maintenance

There are different sections in the Central Workshop to carry out repair and maintenance of various equipment. A total of **7087 (Seven Thousand Eighty-Seven only)** jobs/works were received and completed during the year 2019-20. Some section wise examples of repaired items are given below:

S.No.	Section	Number of Jobs	Item Description
1	Electronics	467	Patient monitors, Infusion pumps, Regulated power supplies, Electronic weighing machines, Light sources, EEG machines, Sealing machines, Ultrasonic nebulizer, DVT pumps, CVT/Stabilizers, Induction hot plate, Nebulizers, Public address systems, Operation table (Remote controlled), Microscopes, Microwave ovens, Colour televisions, Studio light, Patient warmer, LED view box, Elisa washer and reader, Reaction timer, Air mattress pump, etc.

2	Electrical	880	Autoclave machine, Gynae examination/Gooze Neck/Bull eye lamps, Boiler, Centrifuge machines, Suction machines, Fly killer machines, Fumigator, Gauge/Plaster cutters, Grinders, Hot case, Hot air ovens, Hot display counter, Hot plates, Incubators, Laminar flow, Mayo stand, Mixer grinder, Magnetic stirrer, Needle destroyers, OT lights, Spot light, Steam bath, Sterilizers, UV lights, Vacuum cleaners, X-ray view box, Vortex shaker, Water bath, Wax bath, Electric kettle, etc.
3	Mechanical	2742	Surgical instruments, Tracheostomy tubes, Spray pumps, Vapour jet cleaning machines, Scissors (Gauge cutting), Bedside lockers, Intravenous stands, Patient trolleys, Patient beds, Wheel chairs, Loading trolleys, Food trolleys, Side screens, Instrument trolleys, Basin stand, Foot step, Surgical drums, Push cart, Patient examination tables, Hydraulic trolleys, Test tube stands, Revolving stools, etc.
4	Fine Instrument	2322	Digital BP instruments, Micro balances, Dial BP instruments, Stethoscopes, Weighing machines, Compressors, Flowmeters, Oxygen regulators, Hydraulic tables, Laryngoscopes, etc.
5	Refrigeration	259	Visi coolers, Deep freezers, Chilling unit, Ice cream cabinet, Refrigerators, Cold display counters, Minicold, Refrigerated BOD incubator, etc.
6	Painting	417	All office and hospital furniture items like beds, intravenous stands, all types of trolleys, wheelchairs, benches, footsteps, patient side lockers, pigeon lockers, patient examination tables, push carts, almirahs, racks, etc.
	<b>Total</b>	<b>7087</b>	

## 2. Fabrication and Guidance

Despite the gradually increasing load of repair and maintenance activities, the Central Workshop has been able to help in design and fabrication of gadgets useful in patient care or scientific research, as per specifications provided by the various departments.

The **584 (Five hundred eighty-four)** items have been fabricated by the Central Workshop during the year 2019-20. These are listed below:

S. No.	Item Description	Quantity	Department
1	Handle for Surgical Instruments	40	Orthopaedics OT, JPNA Trauma Centre OT
2	Temp Chart Holder	80	Main Hospital
3	Roster Chart Holder	2	Main Hospital
4	MS Box	1	CDER
5	Wooden Splint	314	JPNA Trauma Centre, Emergency
6	Aluminum Plate	1	CTVS OT

### 3. Short-term training

The Workshop is actively involved in providing short-term training (4-6 weeks) to diploma/undergraduate students of various engineering colleges.

### 4. Teaching activity

The Workshop has been involved in teaching activity of BSc OT technology students. The classes and demonstration have been taken on various electric and mechanical topics as per their curriculum.

### Achievements

1. The Workshop has received appreciation letters from Departments of Physiology and Surgical Disciplines, AIIMS, New Delhi for technical support provided in the design and fabrication of **Finger Stabilization Plate** and **Laparoscopic Precision Training Module**, respectively.
2. The Central Workshop also participated in the Annual exhibition organized at AIIMS on the Institute Day celebrations. Some of the items fabricated by Central Workshop were displayed at the event and appreciated by many visitors.

## 11.5. Computer Facility

### Professor-in-charge

A Shariff

### Deputy Director (Computer Facility)

SN Ragu Kumar

### Systems Analysts

Sushil Kumar Meher

Satish Prasad

Sanjay Gupta

### Senior Programmers

Hari Shankar

Vinay Pande

Pawan Sharma

Shyamal Barua

Tripta Sharma

### Programmers

Sanjeev Kumar

Harish Saini

Amit Bhati

Priyanka Singh

Ankita Saini

Geetika Gupta

Sushma Sharma

### Nursing Informatics Specialist

Preethi S and Team

### EDUCATION

#### Postgraduate

Computer programming classes, covering both theory and practical aspects, were conducted for postgraduate students of the Department of Biotechnology and College of Nursing.

#### Undergraduate

A three-month course on basics of computer, internet, windows applications, computer-aided learning, database, etc. was held for first year students of BSc (Hons) Nursing and BSc Nursing (Post-certificate), BSc Dental Operating Room Assistant course, BSc Dental Hygiene course, BSc OT Technology. A Computer Orientation Program for MBBS students was also organized.

#### Continuing Medical Education

Officials of the facility participated and delivered lectures in continuing medical education programs, symposia, international and national conferences.

#### Services

**SNOMED CT: 62,728** SNOWMED CT compliant entries have been recorded in HIS (eHospital) during April 2019-March 2020.

#### Hospital Computerization

**Hospital Information System (HIS)** is implemented using eHospital@NIC software for management of Appointment and OPD Registration, Admission, Discharge and Transfers, MRD, Patient Billing, Stores, Laboratory Information System, Dietary, and Blood Bank. The details for 2019-20 are:

#### LIS Implementations

Integration of Laboratory equipment and eHospital are done through HL7 standard. Analyzer reads the Sample Identification Number (SID No.) from the barcode, which is pasted on the test tube. Then it requests the LIS for the tests which are to be performed. The Laboratory Information System (LIS) responds with the test to be done for the specific SID No. to the analyzer. Analyzer conducts the specified tests, when the tests have been completed, only the relevant and required result values are transferred to LIS. The selection of data to be transferred to LIS will be specific to Bi-directional/Unidirectional Analyzers. The Laboratory Instruments that have been connected are:

S. No.	Laboratory	Equipment	Number	Machine Type

**EHS (Employees Health Scheme) Pharmacy software:** The software is used for recording and maintaining Employees Health Prescriptions and records. Software also maintains the Local Purchase records of medicines procured from the vendor and issued to the employees and its dependents.

1. EHS Pharmacy total registrations: **2,33,897**
2. EHS Pharmacy total online prescriptions: **2,01,665**

#### Management of existing in-house modules

1. **PDS:** Summary of total cases registered 92,804 from Emergency, New Emergency and Paediatrics Emergency.
2. **Use of SNOMED CT:** The integration of SNOMED CT in this module in fields like Diagnosis, Symptoms, and Systems etc. Total number of transactions recorded is 55,336.
3. **Quality Assurance Module (QAM):** 1051 entries have been recorded for scheduling conferences, lectures, faculty meetings and also for doctor's grading purpose.
4. **QAM/HA:** 3 entries have been made for grading purpose by HA.
5. **RPC PDS:** 7,905 patients' details registered for RPC.
6. **OT Scheduling:** 70,050 OT scheduled for different departments.
7. **Equipment Checklist RPC:** 2,269 checklists created for equipments in RPC.
8. **E Birth Certificate:** 2,483 birth certificates generated through this module.
9. **E blood request:** 98,549 blood requests have been made for arranging blood for patients.
10. **E Cath list:** 4,578 scheduling has been done for Cath Laboratory.
11. **E MLC:** 13,194 medical records maintained for MLC cases. It is an online module for Doctors to prepare eMLC. SNOMED CT was integrated in this module in fields like Alleged H/O, Diagnosis. Total number of transactions recorded was 11,405.
12. **E MLC RPC:** 98 medical records maintained for MLC cases at RPC.
13. **Penicillin Register:** 2,258 registrations done for scheduling and alerting regarding penicillin intakes.
14. **Gamma Knife Register:** 105 registrations done for Gamma Knife procedure.
15. **Online admission slip:** A total of 21,955 admission slips comprising patients of both OPD and Emergency have been provided in a real platform based upon the availability of beds under different department heads. SNOMED CT was integrated in this module in fields like Diagnosis etc. and the total number of transactions recorded is 3,052.
16. **QR code in medical and fitness certificate:** 10,822 certificates generated for AIIMS and other centres employees.
17. **E-grievance module:** 41 complaints have been made through this.

18. **E-Death Note:** 5,937 death certificates have been generated through this application. SNOMED CT is integrated in this module in fields like Immediate cause, Antecedent cause, Diagnosis etc. Total number of SNOMED CT transactions recorded was 2,891.
19. **ECG Lab:** Census of ECG Lab and 4,863 entries have been registered.
20. **Integration of SNOMED CT with eHospital (NIC):** SNOMED CT was integrated through Web API of eHospital. It was integrated with two modules i.e. Admission and Discharge. Total number of transactions at the time of admission in eHospital is 1,909 and discharge in eHospital is 34,203.

#### **List of Modules In-house maintained and developed applications**

1. **Anticoagulant Register:** It is an online register to enter Lab values of patients like PT/INR for the use of teleconsultations. Authenticated patients can enter their Lab values themselves in this application by OTP authentication and fresh prescription will be provided by the doctors.
2. **Bone Bank:** It is an application for entering patients' bone details which will be preserved for later use. It is developed for Neuro and Ortho Departments.
3. **Gynaecology e MLC:** It is used for registering female MLC cases. In this module all the forms are printed out electronically.
4. **Heart Transplant:** It is used for registering patient details for heart transplantation for matching of heart for transplant.
5. **Breast Cancer:** It is used for registering Breast Cancer details. It is used in Surgery Department.
6. **Medicine module:** Medicine module is for capturing the admission note, consultant note, progress note, discharge summary of the summary. We have integrated SNOMED CT in this module in fields like Diagnosis, Investigations, Vitals, operative notes etc.
7. **Student wellness:** It is used for capturing students' mental health details.

#### **RIS, PACS and HIS at AIIMS**

AIIMS currently is running the eHospital HIS wherein appointments for various radiological investigations are provided to patients. The radiological investigations available include:

Plain X-ray

CT Scan

MRI Scans

Ultrasonography

PET Scans

Ophthalmic Radiology

Mammography

Angiography

Dental X-rays

Non-dicom Images (PDF, JPG, JPEG)

Other imaging modalities are also available. These investigations are offered across multiple locations in campuses of AIIMS. The individual departments, which offer these services, have their own Standalone PACS and RIS systems. A few departments do not have any PACS. In addition, AIIMS has also implemented a common centralized PACS Server with web-based visualizer—Oviyam. This system integrates with the standalone departmental PACS (Siemens/GE Centricity/Philips/Sonosite) and modalities. Few systems are not integrated at present.

#### **Current OPEN PACS Implementation**

- **dcm4chee2.18.1:** *dcm4chee PACS (OPEN PACS) version has been upgraded from version 2.17.2 to 2.18.1 due to some bug fixes and performance improvement.*
- **HL7 ADT Module** has been configured to receive Patient Demographics from e-Hospital.
- **Oviyam viewer:** Module added to get studies from GE-PACS directly using DICOM C-Get/C-Move.
- **HL7 ADT A40** module configured to receive UHID from Vista/e-Hospital and replace it against the existing TC Number.
- **Auto forwarding of studies** from JPNATC PACS to AIIMS PACS configured. For this, an additional AE Title Dec 2017—iOviyam2—Mobile viewer—Software update done.
- *Oviyam (viewer) software update due to Chrome Update 70 (Some Browser features are removed in update 70 and an alternative workaround is done).*
- **PDF2DICOM application** installed to upload Spirometry reports which convert Pdf, JPG, JPEG images to Dicom images and push into PACS server.

**PACS integration with HIS e-Hospital:** This helps to send the requisition for radiological investigations such as X-ray, CT, MRI etc. via online to RIS systems. PACS integration had been done with different modalities during April 2019-March 2020.

***Different Studies have been stored/archived in Open PACS during 2019-2020:***

**Total Studies Received in OPEN PACS** **2,49,077**

#### Average PACS Access time

Total OPEN PACS access time for 12 months (April 2019–March 2020) is 3,48,193.25 minutes (5803 hours) which was accessed over LAN connections and Wi-Fi.

Average 1-month PACS data accessed is  $5,803/12 = 520$  hours per month.

For Each Day Average is 22 hours.

#### Modalities connected to Open source PACS

Total number of modalities called AET (application entity title) configured is 82. These have been configured from various departments and locations like Main AIIMS, JPNATC, NCI Jhajjar to store studies in PACS server, from 2014 onwards.

#### Administration

- Involved in maintaining and the use of eOffice in all the sections of Administration, Finance, Engineering, Stores, Departments and Centres.
- Maintaining the Finance Server (Novell)/Administrative Server (Windows) for financial applications like Payroll system, GPF System, Tax module, Pension system etc. and web-based administrative applications like Hostel Allotment and Registration System, House Allotment for Faculty, Computer facility forms, online Pay slips, online GPF Statement, online Form 16, Vigilance System, Letter of Intent (LOI) and Award System for ESD, Academics Teaching Schedule and Mail, Employee Data Display, Online Poison Information; Online Organ Donation Form; online transport system, etc.
- Successfully implemented eAPAR (Annual Performance Assessment Report) for 64 designations of AIIMS employees (5000 approx.) notably Nursing Cadre, Scientist Cadre, Technical Cadre, Computer Cadre etc.

#### IT infrastructure and Networking, Internet and Intranet management activities

Computer Facility provides network management facilities including high speed internet connectivity to various users of AIIMS through NKN connectivity from NIC. Maintains the AIIMS website at aiims.edu and aiims.ac.in and various other servers of AIIMS.

- Approximately 368 new internet connections have been provided to faculty members, officers and staff of AIIMS.
- Provided high speed NKN internet connectivity for various seminars, conferences, video conference:
  - Wi-Fi facility provided for National CME on strengthening home based care for severe mental disorders in low resource settings, 27 April 2019, Conference Hall, AIIMS.
  - Wi-Fi facility provided for AIIMS Orthodontic Symposium, 1-2 April 2019, CDER Board room.
  - Two NKN high-speed internet connectivity provided for Live surgery transmission from OT 5th floor to LT VI, 6th floor, RPC, 4-5 April 2019.
  - Technical support provided for Mission DELHI Project (Delhi Emergency Life Heart Attack Mission), Inauguration, Department of Cardiology, Ramalingaswami Board Room, 25 April 2019.
  - Wi-Fi facility provided for 2-day workshop to train student for “Analysis of data from multicolor flow cytometry using the FlowJo Software”, 23-24 April 2019, Department of Biochemistry.
  - Wi-Fi facility provided for workshop on “Approaches of High parameter cell analysis and High Dimensional Data Analysis”, 23-24 April 2019, Department of Biochemistry.
  - High speed internet connectivity provided for “Live surgery transmission in OT RPC”, Annual Conference of ISCKRS, on 3 August 2019.
  - Wi-Fi facility provided for Teachers Training on Oral Health Promotion under NOHP, CDER, AIIMS, 26 August

- 2019.
- i. High speed internet connection provided for Live Webinar, Department of Obstetrics and Gynaecology Seminar Room, 31 August 2019.
  - j. High speed internet connection provided for Live Webinar on Menopause Hormonal Therapy (MHT), Department of Obstetrics and Gynaecology Seminar Room, 17 August 2019.
  - k. Wi-Fi facility provided for two tablets for ORBO, 64th Institute Day, 24-27 September 2019.
  - l. Wi-Fi facility provided for National Conference of Indian Association of Surgical Gastroenterology, Dept. of GI Surgery, Auditorium, Conference Hall and Board room, 9-13 October 2019.
  - m. High speed internet connection provided for Workshop “Live data collection from Italian Synchrotron source”, 11-12 November 2019, Ramalingaswami Board room and SET facility, Convergence Block.
  - n. High speed internet connection provided for Workshop on “Priorities for Advancing Research on Health Effects of Air Pollution in India”, Ramalingaswami Board Room, SET Facility Studio 1&3 and Nursing LT, Old OT Block, 2-4 December 2019.
  - o. Wi-Fi facility provided for the conference, “AIIMS Rheuma Summit”, 21–22 March 2020, Jawaharlal Auditorium, AIIMS.
  - p. Firewall rules created for SSH access to APAR and Payroll server.
3. Continued maintenance of aiims.edu website.
  4. The total number of pages updated, created and uploaded on AIIMS website was approx. 6500.
  5. The total number of visitors to AIIMS website was approx. 75 lakhs.
  6. Continued management of Unified Threat Management (UTM) firewall done for security of computer networks and application for management at gateway level Anti-Virus, Anti-Spam, IPS/IDS, load balancing and content filtering.
  7. Continued management of the wireless networking zones at around 18 hostel locations, creating Wi-Fi zones for internet, information and online journals access to students and resident doctors. So far, approx. 9000 students have availed this facility. Currently 1300 users were registered for this facility.
  8. Continued BBDL OPAC Services and enhancement of library online resources subscribed through BB Dixit library through AIIMS website.
  9. Continued management of Wi-Fi zone at B.B. Dixit Library for internet and online journal access for students.
  10. High-speed internet facility through NKN lease line for faculty and students is being maintained on 24/7 basis on the AIIMS network at around 8500 nodes.
  11. Maintenance of Web server, Proxy server and Mail Server 24x7x365 days.
  12. Facility management and call maintenance for internet and network user’s complaints and resolution 24x7x365 days through help desk of Computer Facility.
  13. VPN based access mechanism for e-Hospital Module, CPRS access from outside AIIMS continued management for Ballabgarh, AIIMS centres.
  14. Continued management of IPsec tunnel for connecting NDDTC, JPNATC, and Centre for excellence in Epilepsy and Brain Research Center, Gurgaon.
  15. MAC ID based authentication provided to AIIMS faculty, scientists, Assistant and Deputy Nursing Superintendents for Wi-Fi based access to e-hospital software’s and internet at wards, OPD, ICU and OTs etc.
  16. Created approx. 120 IDs for VPN access.
  17. Created approx. 290 new email ids on aims.edu and aims.ac.in domain for faculty members, scientists and officers of AIIMS.
  18. Regular e-mails sent to all faculty regarding various conference, seminars, etc.
  19. Tender specification for the CAMC of Networking, PC, Peripherals and RC of spares was prepared and was vetted by the technical specification committee for tendering.
  20. Conducted meeting regarding technical strategy for the new upcoming blocks at Masjid Moth and NCI, Jhajjar.
  21. Activated and configured IP for internet connections.
  22. Provision of external IP address for the GE Centricity RIS-PACS for Neurosciences Centre.
  23. Firewall rules created for allowing YouTube and Facebook for LAN and Wi-Fi users.
  24. Firewall rules created for LAN to WAN and WAN to LAN.

25. Cyberoam licenses renewed for two years.
26. Established Covid 19 National Consultancy Centre (CoNTec) at AIIMS.
27. Deployed State of Art 3 Tier Networking Architecture (Core Switch to Core Switch-100G, Core to Distribution-40G and Distribution to Access Switch-10G) at New OPD Block, NCI Jhajjar, New Burn and Plastic Surgery Block and it is being provided for MCH, New Surgical Block and VVIP Block at AIIMS.
28. In the process of implementing NAC, NMS, WLAN Controller, Firewall for the management of Wireless devices, switches and packet filtering.

## **PUBLICATIONS**

**Journals: 2**

### **AWARDS, HONOURS AND SIGNIFICANT EVENTS**

**SN Ragu Kumar** was member of various Technical Specification Committee for development of IT Infrastructure for AIIMS and all its Centres and Upcoming Centres; monitoring of the services and all service providers/vendors pertaining to IT Implementation at AIIMS; Management/Administration of Computer Facility, NIC staff posted at Computer Facility and Contractual Staff working in Computer Facility; Conducted Orientation program for newly selected MBBS students, AIIMS, New Delhi; Attended Elastic search security workshop, JW Marriott Hotel, Aerocity, New Delhi on 31 July 2019; Attended seminar regarding utilization of e-Resources in Scholarly Communication at BB Dikshit Library, AIIMS on 9 August 2019; Attended Digital Governance Summit at Hotel Taj Place, New Delhi on 27 August 2019; Attended 12th India Security Summit ASSOCHAM Corporate Office, Chanakyapuri, New Delhi on 28 August 2019; Attended National Conference on Access & Availability of Medical Literature in Electronic Environment, AIIMS, New Delhi, 2-3 September 2019.

**Satish Prasad** was Nodal Officer for eOffice Project (NIC) and coordinated and trained personnel for the use of eOffice; Course coordinator and took classes of MSc, BSc and Post Certificate students for IT classes of College of Nursing, BSc Dental Operating Room Assistant course, BSc Dental Hygiene course, BSc OT Technology; designated as Central Assistant Public Information Officer (CAPIO) for computer facility; was involved with monitoring and maintaining of the finance server (Novell) for in-house developed financial applications; team leader for the development of eAPAR module and Payroll module based on open source platform.

**Sushil Kumar Meher** has taken a major role in implementing HIS (eHospital) and OPD clinical screening and other specialty module in newly established centre of NCI, Jhajjar; supervising the core module, LIS module, Blood Bank, RIS, PACS and different clinical module developed in-house and eHospital; played a major role for integration of robotic lab and Open PACS of NCI, Jhajjar. Setting up a Data centre and Design, Deployment and implementation of computer networking and Wi-Fi for NCI, Jhajjar (Haryana) and establishing connectivity from NCI, Jhajjar to AIIMS, New Delhi; Involved in teaching activities of undergraduate and postgraduate students; **Member**, Condemnation Committee for CNC; Technical committee for purchasing computer related items; Technical committee for purchase of IT equipments in ICMR, New Delhi; Attended Annual Convention of Computer Society of India, Theme: Digital Democracy - IT for Change, Bhubaneswar, Orissa, 16-18 January 2020, Keynote speaker: "Transforming Healthcare through AI and Robotic: Now no longer a Sci-Fi"; Attended MEDRECON 2020 20th Annual National Health Information Management Conference organized by Health Records Association of India (HERAI), Kochi, Kerala, Keynote speaker: "A pragmatic approach for prepping healthcare systems towards eHealth/EMR – Indian Scenario", Chaired session on "Healthcare Data Standards"; presented a paper "Role of Nursing Informatics in Implementation of SNOMED-CT in India" and Chaired a session T2-11 (Telehealth 2) in Medinfo 2019 (17th World Congress of Medical and Health Informatics), Lyon, France, 25-30 August 2019; Attended and participated in the roundtable discussion in India Mobile Congress, Department of Telecommunications and Cellular Operator Association of India (COAI), 14-16 October 2019, Aerocity, New Delhi; "Development of Anti-Coagulation Application and its Implementation in AIIMS, New Delhi, India; presented in Editorial Board Member of BMJ Health & Care Informatics editorial board 2020-2023, Board member of International Society for Gerontechnology 2019-2020; Continuing as the Nodal Officer for SNOMED CT project at AIIMS, Ministry of Health and Family Welfare; Organized SNOMED CT introductory training program to clinicians of different clinical departments; Nodal person for providing the availability of Ventilators and ICU beds of AIIMS for emergency cases to Central Govt. Hospitals; Carried out study/survey in the inpatient department to observe the modalities of patients care services in the Wards/Labs of clinical departments of all centres and main hospital; Study of Open PACS process after implementation of new IT infrastructure in main server room by Hitachi.

**Sanjay Gupta** has established COVID 19 National Tele Consultancy Centre ( CoNTec ) at AIIMS; Installed IT infrastructure in New OPD Block for starting OPD there; Started State-of-the-art networking at NCI, Jhajjar, New OPD and New Burn and Plastic Surgery Block and it is being provided for MCH, New Surgical, NAC and VVIP Blocks at AIIMS; Online Grievance portal for employees implemented at AIIMS; Online Elections of SYS, Officers' Association, FAIMS

and RDA conducted using Information Kiosks at AIIMS; attended International conference “MEDINFO-2019: 17th World Congress Medical and Health Informatics”, 25-30 August 2019 at Lyon, France.

**Vinay Pande** is Nodal Officer for the Digital Payments Infrastructure at AIIMS; looking after the Billing module of e-Hospital software; Team member for the development of APAR module, Payroll module and the software development/implementation; for the AIIMS students of MSc (Nursing), BSc (Nursing), took Inf. Technology, HIS, Nursing and Medical Informatics, Bio-Medical Information retrieval classes.

**Hari Shankar** conducted Orientation program for MBBS students, AIIMS; took classes for MSc and BSc Nursing students; presented a paper titled “Development of Anti-Coagulation Application and its Implementation in AIIMS, New Delhi, India” in Health Informatics New Zealand (HinZ) Conference 2019 held on 20-22 November 2019, Hamilton, New Zealand.

**Shyamal Barua** coordinated the implementation of Appointment System, OPD Module, Casualty Registration Module, Radiology Information System Scheduling module, etc. of eHospital Project; Implementation of In-house Software for radiotherapy appointment module, IRCH Day Care, RPC Histopathology indexing module, Patient diagnosis module for NCI Jhajjar etc.; Configuration and implementation of OPD Module in NEW RAK OPD. Coordinated as nodal officer for implementation of GeM portal and e-procurement. Involved in technical guidance for CCTV procurement and monitoring system.

**Tripta Sharma** is maintaining and configuring e-Hospital application modules such as Appointment Module, Admission Discharge and Transfer Module, Inventory Module, EHS (Employees Health Services) Module in AIIMS and various Centres; involved in teaching activities of undergraduate and postgraduate students.

## 11.6. Electron Microscope Facility

**Professor**  
TC Nag

**Associate Professor**  
Subhash C Yadav (on leave from 1 September 2019 to 28 February 2020)

**Senior Technical Officer**  
Sandeep Arya

**Technical Officer**  
Chanda Panwar

### EDUCATION

1. Thirteen M. Biotech students of the Department of Biotechnology, AIIMS, received two weeks training from 13 August 2019 to 27 August 2019 (as part of their 1st Semester Cell Biology Practical).
2. EM classes (theory as well as practical, Fridays only) for Anatomy postgraduates were conducted from 3 January 2020 to 13 March 2020.

### CME/Workshops/symposium/National and International Conferences

1. The summer training course in Electron Microscopy for technical personnel was held from 15 May 2019 to 14 June 2019. Thirteen candidates were trained in sample processing, ultramicrotomy, CPD, sputter coating, TEM and SEM viewing and routine maintenance of microscopes.
2. The 35th National Training Program in Electron Microscopy for Scientific Investigators was held from 26 November 2019 to 7 December 2019. Twenty candidates from different parts of the country participated in this training program.
3. Six teachers (Dr Mohini Sewal, Dr Kavita Verma, Rashmi Singh, Geetika Taneja and Tripti Mehta) from Sanskriti School, New Delhi, visited EM facility on 4 May 2019 to explore the facilities available in SAIF, EM Facility, AIIMS for possible future research plan with EM.
4. One hundred and six students along with six teachers from Indian School, New Delhi, visited EM facility on 17 and 20 May 2019 and were instructed on principles of EM and processing of biological samples for EM observation.
5. One hundred and twenty-five students along with four teachers from Delhi Public School, RK Puram, New Delhi, visited EM facility on 18 October 2019 and were instructed on principles of EM and processing of biological samples for EM observation.

### Lectures delivered

TC Nag: 3

Subhash Chandra Yadav: 2

### RESEARCH

#### Funded projects

#### Ongoing

1. Mitochondrial dynamics and status of autophagy in retinal photoreceptor cells after experimental iron overload in rats, TC Nag, ICMR, 3 years, 2019-22, Rs 30 lakhs
2. Designing of rapid and cost-effective Nano-LAMP based detections of BK virus from serum of post-renal transplant patients, Subhash Chandra Yadav, ICMR, 3 years, 2019-2022, Rs 35.84 lakhs
3. Magnetic nanoparticles and quantum dots coupled visual confirmation of cervical cancer cells from cytology sample: A cost effective, quick and suitable test for rural Indian setup, Subhash C Yadav, SERB, 3 years, 2018-2021, Rs 38.68 lakhs
4. External delivery of cisplatin using human papilloma virus (HPV 16) based nanocarriers for treatment of cervical cancer, Subhash C Yadav, AIIMS-IITD, 2 years, 2019-2021, Rs 10 Lakhs
5. Development of quick and specific detection system of EWS-FLI-1 fusion protein, Subhash C Yadav, DBT, 3 years, 2019-2022, Rs 80 lakhs

### **Completed**

1. Simple, quick and onsite early diagnostic kit for pathogen detection in asymptomatic stage, Subhash C Yadav, DBT, 3 years, 2016-19, Rs 50.21 lakhs

### **Departmental projects**

#### **Ongoing**

1. Study of microglia in the retina of rats exposed to bright light after selective Müller cell damage
2. Light-induced oxidative stress and endogenous neuroprotective mechanisms in post-hatch chick retina
3. Remodeling in horizontal cells following light-induced retinal damage in rat
4. A novel Immuno Nano Fluorescence Assay (INFA) system for noninvasive detection of prostate cancer using urine-based protein biomarkers, PSA and MSMB
5. Visual, rapid, non-invasive and cost-effective BK virus detection system for renal transplanted patients using Gold nanoparticle coupled loop mediated isothermal amplification (Nano-LAMP)

#### **Completed**

1. Epigenetic regulation of brain-derived neurotrophic factor in the central auditory pathway and hippocampus of neonatal chicks exposed to prenatal sound stimulation

### **Collaborative projects**

#### **Ongoing**

1. Decipher mechanistic basis of the intracellular trafficking of the optically active Nanoparticles using super resolution microscopy, School of Biotechnology, JNU, New Delhi

### **PUBLICATIONS**

**Journals: 11**

**Chapters in Books: 1**

### **PATIENT CARE**

#### **Special laboratory facilities**

S. No.	Facility	User number		Specimens analyzed	
		<u>Internal</u>	<u>External</u>	<u>Internal</u>	<u>External</u>
1.	Transmission Electron Microscope	331	419	1415	2342
2.	Scanning electron microscope	94	150	427	467

### **AWARDS, HONOURS AND SIGNIFICANT EVENTS**

**Professor TC Nag** was conferred fellowship of the Electron Microscopy Society of India, nominated for a plenary lecture (under medical sciences) and acted as a national advisory committee member in the 12th Asia-Pacific Microscopy Conference held in Hyderabad (February 2020); Executive committee member, 37th Annual Meeting of Indian Academy of Neurosciences (IAN), AIIMS, New Delhi (November 2019) and conceived, organised and chaired a session on special symposium (plasticity in developing neuronal circuits); Chaired two sessions in International Conference on Electron Microscopy & Allied Analytical Techniques (EMAAT), Himachal Pradesh University, Shimla, 7-9 June 2019. He reviewed manuscripts for Aging and Disease (1), Anatomical Record (1), Archives for Physiology and Biochemistry (1), Biofactor (1), Experimental Eye Research (1), Journal of Microscopy and Ultrastructure (2), Biomedicine and Pharmacotherapy (3), Journal of Neuroscience Research (1), Microscopy Research and Technique (1), Pharmaceutical Biology (1) and Redox Biology (1). He also examined two PhD thesis during this period.

**Subhash C Yadav** availed Long-Term International Research Fellowship from Department of Health Research, Government of India for six months (1 September 2019 to 28 February 2020) to work on Cryo-Electron Tomography at Stanford University California, USA.

## 11.7. Hostel Section

### Superintendent of Hostels

Dr Sandeep Agarwala

### Deputy Superintendent of Hostels

Dr S Datta Gupta  
Dr Raj Kumar Yadav  
Dr Vijay Kumar  
Dr Kapil Yadav

Dr SK Maulik  
Dr Rakesh Kumar  
Dr Tanuj Dada  
Dr Kamlesh Kumari Sharma

Dr Neerja Bhatla  
Dr KH Reeta  
Dr Partha Halder  
Mrs Bhupinder Kaur

### Senior Store Officer (Hostels)

Shri Rakesh Kumar Sharma

### Administrative Officer (Hostels)

Shri BK Singh

### Account Officer (Hostels)

Mrs Rakesh Kumari Sharma

### Senior Warden

Shri Shashi Prakash Pandey

### Warden

Mr Mohan Sharma

Mrs Seema Pruthi

### Deputy Warden

Mr Satprakash Kalia

Mrs Suchita Kumari

Mr Sukhpal Mallick

### Assistant Warden

Mrs Tripta Sharma

Ms Rani Varghese

### Junior Warden

Mr Babu Lal Meena  
Mr Rajesh Rawat

Mr Dinesh Desai

Mrs Nirmala  
Mrs Sunil Devi

### Ministerial and Contractual Staff

There are five ministerial and eleven contractual staff in the hostel section.

### Subordinate Staff

Twelve male and 26 female office attendants are posted in different hostels. AIIMS has several halls of residence with a capacity of over 1990 (approximate) single/double rooms, 287 married accommodations, 418 accommodations for nursing students/staff nurses and 24 guest rooms. These are spread over different hostels and residences in the AIIMS Main Campus, Masjid Moth, Ayurvigyan Nagar, JPNA Trauma Centre Hostel (Raj Nagar).

### Details of Hostels

S. No.	Name of Hostels	Single Room	Two to Eight Seaters	Total Strength

## FACILITIES

### Male Guest Room

S. No.	Location (Hostel)	Washroom	Air Conditioner
1.	Hostel No. 2 (Jivak)	Common	Provided
2.	Hostel No. 3 (Sushruta)	Common	Provided
3.	Hostel No. 7 (Ashwini)	Common	Provided
4.	Hostel No. 8 (Bharadwaj)	Common	Provided

S. No.	Location (Hostel)	Washroom	Air Conditioner
5.	Hostel No. 12 (Dhanwantri)	Common	Provided
6.	Hostel No. 301/JPNATC	Attached	Provided
7.	Room No. 315/ JPNATC	Attached	Provided
8.	Room No. 203 Hostel No. 17 (Ambuja)	Attached	Provided
9.	Room No. 303 Hostel No. 17 (Ambuja)	Attached	Provided
10.	Room No. 403 Hostel No. 17 (Ambuja)	Attached	Provided
11.	Room No. 503 Hostel No. 17 (Ambuja)	Attached	Provided
12.	Room No. 603 Hostel No. 17 (Ambuja)	Attached	Provided

#### Female Guest Room

S.No.	Location (Hostel)	Washroom	Air Conditioner
1.	Hostel No.9 (Parvati)	Common	Provided
2.	Hostel No. 10 (Saraswati)	Common	Provided
3.	Hostel No. 13 (Luxmi)	Common	Provided
4.	Guest Room No. III, Hostel No. 15 (Medha)	Attached	Provided

#### Guest Rooms reserved for Academic Section for visiting observers/exchange students

S. No.	Location (Hostel)	Washroom	Air Conditioner
1.	15-A Hostel No. 14 (Atreya)	Attached	Provided
2.	15-B/ Hostel No. 14 (Atreya)	Attached	Provided
3.	16-A/ Hostel No. 14 (Atreya)	Attached	Provided
4.	16-B/Hostel No. 14 (Atreya)	Attached	Provided
5.	17-A/ Hostel No. 14 (Atreya)	Attached	Provided
6.	17-B/ Hostel No. 14 (Atreya)	Attached	Provided
7.	Guest Room No. I, Hostel No. 15 (Medha)	Attached	Provided
8.	Guest Room No. II, Hostel No. 15 (Medha)	Attached	Provided

#### Shops and Establishments

Various Mess/Cafes and Shops like Juice shop, Barber shop, General store, Tailor shop, Dhobi shop, Computer typing shop, Book/stationary shop, Photostat shop, STD/ISD/PCO Booth, Coffee shops are provided in Hostels located at Ansari Nagar, Trauma Centre and Masjid Moth Campus.

#### Students' Wellness Centre

##### (i) Main Campus

- Students' Wellness Centre services are available at room no. 11 (Opposite Hostel No. 7/Ashwini Hostel), Gents Hostel, AIIMS.
- Hostel no. 10 Saraswati Hostel.

##### (ii) Masjid Moth Campus

Common Room (2/II), Second Floor, Hostel No. 19 (Patanjali Hostel), Masjid Moth.

## SIGNIFICANT EVENTS

### 1. Civil Works

#### Renovation

- Hostel No. 8 First floor, South Indian Mess has been renovated with modular kitchen and furnished with new dining tables and chairs.
- Hostel No. 9 (Parvati Hostel), 17 rooms' windows replaced and main gate wall renovation work has been done.
- Hostel No. 10 (Saraswati Hostel), 5 common lavatories no. 2, 4, 6, 13 and 14 have been renovated.
- Hostel No. 10 (Saraswati Hostel), 2 rooms and Hostel No. 9 (Parvati Hostel), 3 corner rooms were renovated.
- Hostel No. 14 (Atreya Hostel), 1st floor to 7th floor (144) single rooms and 11 common lavatories got renovated. Ground floor to 6th floor (office side) and other side 4th floor to 7th floor water cooler platform and sinks are made. All the single rooms, corridor lights and 25 geysers in common lavatories have been changed.
- Hostel No. 14 (Atreya Hostel) Warden Office got renovated. Water coolers have been converted into a centralized system on one side from the ground floor to the 7th floor in front of the hostel office.
- Hostel No. 15 (Medha Hostel)–Room No. N-307 got renovated. The entire shaft flooring work and all the switch room doors replaced and south side corridors lights have been changed. Main gate also got replaced.
- Hostel No. 19 – Kadi lock work done.
- Old Hostel Office in Hostel No. 7 converted into Hostel Store and renovated.
- JPNATC Hostel – Corridor and room windows and balcony doors have been repaired.

#### Under Renovation

- Hostel No. 3 (Sushruta Hostel) lavatories No. 7, 8 and 9, Hostel No. V (Nagarjuna Hostel) lavatories No. 1, 3 & 5 and Hostel No. 7 (Ashwini Hostel) lavatories No. 4, 8 and 12 under renovation.

### 2. Electrical Works

- Electrical panel has been changed in Hostel No. I, II, III, IV, V and VI.
- Hostel No. 10 (Saraswati Hostel), 5 rooms and Hostel No. 13 (Laxmi Hostel), 5 rooms electrical work have been done. Electrical panel has been changed in Hostel No. 10.
  - Hostel No. 9, 10 and 13 approximately 97 fans have been changed.
  - Hostel No.14 and 15 – the entire solar geyser has been removed.
  - Hostel No. 17 outside staircases covered with grills, LED lights provided in all the rooms.
  - Hostel no. 19 calling bell work done.
  - JPNATC Hostel – LED lights have been replaced.

### 3. Air Conditioning

- Hostel No. 14 (Atreya Hostel), Hostel No. 18 (Kashyap Hostel) and Hostel No. 19 (Patanjali Hostel) A/C provided in Warden Office.
- Three A/C provided in the guest rooms in Hostel No. 17.

### 4. CCTV Cameras

- In front of the Hostel No. 16 (Agnivesa Hostel) and Hostel No. 17 (Ambuja Hostel), CCTV cameras have been installed.

### 5. Miscellaneous

- Hostel No. 7 (Ashwini Hostel) – 19 rooms have been converted into double seater and allotted to MBBS students. Presently 55 rooms are under renovation and to be converted into double seater.
- Hostel No. 11 (Akshara Hostel) has been converted into UG Hostel with double seater.
- Hostel No. 13 (Laxmi Hostel), 20 single rooms have been converted into double seater and allotted to BSc Paramedical students.
- Hostel No. 15 (Medha Hostel): North side 14 single rooms converted into double seater rooms and allotted to MSc Nursing and BSc (PB) Nursing Students.
- Hostel No. 19
  - 2/I Common room converted into Reading room.
  - 2/II Common room converted into Student Wellness Center.

III. Room No. 6 converted into Visitor's room

1. Hostel No. 7 Room No. 32 added as extension of Hostel Section Reception, Cashier Room and Guest Room booking counter.
2. Permission for Guests to visit in Hostel No. 19 granted.
3. Hostel 15 Reading rooms 1, 2, 3, 6 and 7 well furnished.
4. Modified hostel accommodation rules implemented.
5. Tender work for allotment of fresh tenders for all the Messes/Café in the hostel has reached final stage.

**Future plans**

1. Provision of CCTV Cameras in various locations.
2. Hostel No. 2 Store to be renovated.
3. Hostel No. 1 lavatories no. 7 and 9, Hostel No. 7 lavatories no. 14, 16 and 18 and Hostel No. 8 lavatories no. 3, 5, 7, 14, 15, 16, 17 and 18 to be renovated.
4. Hostel No. 12 (Dhanwantri Hostel), 15 common lavatories need to be renovated. Electrical rewiring is required in all the rooms.
5. Hostel No. 14 – 38 married rooms, 6 guest rooms, ground floor recreation room, common lavatories and all the shafts need to be renovated. Corridor windows and balcony doors to be replaced. Water roofing work is also to be done.
6. Hostel No. 14 and Hostel No. 15 – Chimney to be installed in the mess kitchen, mess desert coolers to be replaced, mess rewiring work to be done and the staircase used in emergency is to be repaired.
7. Hostel No. 15 – both sick room and three guest rooms need to be renovated.
8. Hostel No. 17 – Exhaust fans and almirah to be installed in the kitchen and geyser to be installed in the guest rooms. Water stagnation in the underground parking repairing work to be done.
9. Hostel No. 19 – Ground floor to tenth floor staircase to be covered with grill. 2/I Reading room and 2/II Student Wellness Center A/C to be installed in these rooms. Emergency light also to be provided in all rooms. CCTV cameras to be installed.
10. Provision of Wifi in Hostel No. 7 and 8.
11. Cultural activity groups to be formed with help of the wellness clinic and provided for with appropriate location.
12. Replacement of furniture of Hostel No. 1-6 (UG).
13. Renovation work of café 5 and Hostel No. 9 messes to be done.

## 11.8. Ethics Committee

The total number of project proposals and thesis protocol submitted and discussed in the ethics committee for above mentioned academic year are mentioned below:

### *Meetings*

#### **The number of meetings were:**

- Institute Ethics Committee: **11**
- Institute Ethics Committee for postgraduate Research for Basic and Clinical Science: **11**

#### **The number of projects reviewed were:**

- New project proposals: **975**
- Review projects: **600**
- Old projects: **275**

#### **The number of projects reviewed for postgraduate research in basic and clinical sciences were:**

- New thesis: **684**
- Review thesis: **300**
- Old thesis: **150**

In addition, the Institute Ethics Committee continues to receive notifications of serious adverse reactions, serious adverse events, annual progress reports, completion reports, etc.

The Institute Ethics Committee's Standard Operating Procedures (SOPs) were modified and are available on the AIIMS website.

### **SIGNIFICANT EVENTS**

The Institute Ethics Committee and Institute Ethics Committee for Post Graduate Research for Basic and Clinical Sciences are registered with the Drug Controller General of India, Department of Health Research and Federal Wide Assurance of the USA.

## 11.9. KL Wig Centre for Medical Education, Technology and Innovation

### Chief

Professor OP Kharbanda (till February 2020)

### Professors-in-Charge

#### Faculty Development of Basic Sciences

Professor KK Deepak

#### Faculty Development of Clinical Faculty of Medicine and Allied discipline

Professor Rita Sood

#### Faculty Development of Surgical disciplines

Professor Anurag Srivastava

### Faculty Members for

#### Fellowship in Clinical Research Methodology and Evidence Based Medicine

1. Dr Kameshwer Prasad (Chief Coordinator)
2. Dr Anurag Srivastava
3. Dr SN Dwivedi
4. Dr Shashi Kant
5. Dr Govind Makaria
6. Dr V Sreenivas
7. Dr Deepti Vibha
8. Dr Nalin Mehta
9. Dr Tulika Seth
10. Dr Rajeev Kumar
11. Dr Rakesh Lodha
12. Dr Neerja Bhatla
13. Dr Navneet Wig
14. Dr Manju Vatsa
15. Dr Peush Sahni

### Education Media Generalist

Shri Yogesh Kumar

### Administrative officer

Shri Pallav Kumar Chittej (till December 2019)

Shri Kushal Kumar (from February 2020)

## HIGHLIGHTS

The full potential of CMET has been used for the benefit of the AIIMS faculty, Residents, Research Scholars, Nurses and all categories of staff by providing training programmes and media support. Six-monthly CMET Training calendars: (i) June to December 2019 and (ii) January to June 2020, were distributed well in advance to the faculty, residents and staff of AIIMS which resulted in a better turnout of the participants.

1. **A total of 53 In-house Training programmes** were conducted during this financial year which includes:
  - 1.1. Five Induction programme of three half days was organised for Nursing (4) and Administrative staff (1)
  - 1.2. Nine Workshops for Faculty, Residents and MSc nursing students were held on different topics with particular emphasis on issues like Information Retrieval, Bibliography management, Tools for Scientific Writing in MS Word, Designing Effective Presentation, Animation in PowerPoint, Excel, and Creativity
  - 1.3. One Workshop on Writing a Research Paper in collaboration with NMJI
  - 1.4. Fourteen training programmes in collaboration with ORBO
  - 1.5. Eight workshops for Non Medico Staff entitled "First Aid in Emergency Care" FACE
  - 1.6. Six workshops for Administrative staff on administrative and financial topics
2. **64th Institute Day Exhibition:** CMET played a crucial role in organising the Institute Exhibition from 24 to 27 September 2019. The theme of the Exhibition was "**Universal Healthcare**".
  - In-house creations of innovative and reusable and portable penal were designed for the exhibition.
  - A total number of 104 posters of 36x56 inch were prepared, and six video stations were placed on display.

3. **Mini Health Exhibitions**
  1. **Autism Awareness:** Together we can, 11 April 2019, CMETi designed and printed 40 posters.
  2. **AIIMS Geriatric Programmes:** 3 December 2019, for visit of Her Majesty Queen Silvia of Sweden.
  3. **Childhood Cancer Exhibition:** 27 February 2020, CMETi designed and printed 16 posters.
  4. **RPC Day Exhibition,** 10 March 2020, CMETi designed and printed 40 posters.
4. **Logistic support to Department of Surgery and Psychiatry:** After the fire incident in the AIIMS Teaching block in August 2019, staff of Surgery and Psychiatry department was shifted to CMETi along with HODs and store office. All the logistic supports, like space, furniture, computers, printers, internet facility etc. were extended to both the departments to run the department smoothly.
5. **CMETi Hall Utilisation:** CMETi extended logistic support, including audio-visual to various departments of AIIMS to organize workshops/CME apart from its own programmes (184 days). During the year, three CMET halls Technology Hall, Education Hall, and Innovation Hall were used for 177, 57 and 58 days, respectively.

- **Media-related activities**

Particulars	Total
Designing/printing of large format Academic Posters (including 80 e-posters)	1471
Video recording and editing, No. of requisitions	437
Clinical/Event Photography and Scan, X-ray/CT/MRI/Slide, No. of requisitions	393
Number of on-screen presentations	66
Colour printing (A3 Size)	1446
Colour printing (A4 Size)	1206
Certificates Prints A4 Size (CMET workshops + Other Department)	539

## SCHEDULED 24

### Accounting Policies and Notes forming part of Accounts

1. The Activities of the Institute is mainly funded from the grants from Government of India and Accounts of the Institute are prepared in accordance with Generally accepted Accounting principles.
2. The accounts have been prepared on cash basis i.e. on actual Receipt and Payments basis.
3. No depreciation on Assets i.e. Machinery & Equipments, vehicles, buildings etc have been provided in the accounts and assets are carried out at the historical cost. Assets at the time of condemnation on completion of useful life are removed from the Assets as well as from the capital corpus.
4. No provisions for liability of Gratuity, pension and leave encashment etc have been made in the accounts as the grants from the Government of India are received for actual expenditure. The payment of Gratuity, pension and leave encashment etc are accounted in the accounts only at the time of actual payments.
5. No closing stock of Store and supplies at the end of accounting period is incorporated in the accounts as all expenditure on stores and supplies are treated as final expenditure at the time of payments in the accounts.
6. Income of the Institute is exempted from Income-Tax under Section 11 of the Income Tax Act, 1961.
7. All Assets ( Machinery & Equipments, vehicles etc ) funded from the grants for the Research projects are used for the activities of the Research projects and are not included in the assets of the Institute . Such Assets (Machinery & Equipments, vehicles etc,) are either returned to the funding agencies or used in the Departments after the completions of the projects as per sanction of the funding agencies.
8. A statement showing the expenditure made by various Project Investigators for Research Projects during 2019-20 and balance amount lying with the Institute as on 31-03-2020 is attached with the Accounts.
9. Since, the centre are administered separately their final accounts are also maintained separate. However, the amount of grant released to their Centers are reflected in the final accounts of AIIMS Main. Accounts of various Centre's of the Institute as on 31-03-2020 are annexed with the AIIMS Main Accounts.
10. Advances for treatment under the packages were treated as revenue and expenditure incurred against those treatments was shown in expenditure. During the current year advances received against the packages for treatment are shown under the revolving fund and expenditure incurred against the revolving fund. Balances in the revolving fund shown as liability. The impact of these changes of accounting policy is not assessable and not significant.
11. Accounts for the year ended 31-03-2020 are prepared in the new format and grouping and regrouping and classification, wherever necessary have been changed /adopted for better presentation.
12. Assets of the Institute in every Departments/Centre's are physically verified once in year by the faculty officer nominated for the purpose and no significant /major deviations have been reported.
13. Stores and supplies of the Institute in every Departments/Centre's are physically verified once in year by the faculty/ officer nominated for the purpose and no significant /major deviations have been reported.
14. Institute is maintaining various Revolving funds for test/procedures required for patients care and same are included in the concerned Accounts of the Institute.
15. Donations/receipts from various sources without any attached conditions are treated as income of the concerned centre or of Institute as the case may be.
16. All Accounting policies and Notes Forming Part of Accounts listed above are also applied in the preparation of the Accounts of the Centers also.

## 13.2. Audit Report

### Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of All India Institute of Medical Sciences (AIIMS), New Delhi for the year ended 31 March 2020

We have audited the attached Balance Sheet of the All India Institute of Medical Sciences (AIIMS), New Delhi as at 31 March 2018, the Income & Expenditure Account and Receipts & Payments Account for the year ended on that date, under Section 19 (2) of the Comptroller and Auditor General's (Duties, Powers & Conditions of Service) Act, 1971 read with section 18 (2) of the AIIMS Act, 1956. These financial statements are the responsibility of the AIIMS management. Our responsibility is to express an opinion on these financial statements based on our audit. **However, we are not able to form an opinion on the accounts of All India Institute of Medical Sciences (AIIMS), New Delhi for the year ended 31 March 2020 in view of the below:**

No depreciation has been charged by the AIIMS on fixed assets of Rs 5461.68 crore i.e., machinery and equipment, vehicles, buildings, Computers/Peripherals and library books etc., as required under AS - 6 of ICAI. In the absence of which audit is unable to certify the actual value of fixed assets and its impact on accounts. This issue has featured in our comments since the year 2015-16, however, AIIMS has not taken any corrective measures and has not yet charged depreciation on the fixed assets. Due to the absence of the actual value of fixed assets, we are not able to form an opinion on correctness of fixed assets.

There are eleven Centres including AIIMS (Main) which are maintaining separate accounts. However, AIIMS has not prepared consolidated accounts by combining the accounts of all the Centres. The same issue has been commented on since the year 2016-17, however, AIIMS has not taken any corrective measures. In view of this, a complete picture of the accounts cannot be arrived at.

The accounts of "AIIMS Delhi AROGYA KOSH" have not been consolidated in the annual accounts of AIIMS (Main). Instead, the Receipt and Payment account of this account has been attached without inclusion of the figures in the balance sheet. Thus, non-inclusion of this account has resulted in understatement of Liabilities as well as Current Assets by Rs 0.47 crore.

The accounts of "National Illness Assistance Fund (NIAF)" have not been consolidated in the annual accounts of AIIMS Main. Instead the receipt and payment account of this account has been attached without inclusion of the figures in the balance sheet. Thus, non-inclusion of this account has resulted in understatement of Liabilities by Rs 46.43 crore, understatement of Income by Rs 2.42 crore and understatement of Current Assets by Rs 48.85 crore. Similarly, the Account of Poor Patient Fund, Trauma Centre has not been included in the annual accounts of AIIMS Jai Prakash Narayan Apex Trauma Cente.

An amount of Rs 14.00 crore has been depicted as NPS fixed deposit. But, during physical verification, it was verified that fixed deposit of Rs 7.00 crore only was in place. The reasons for difference may be investigated and reconciled.

Schedule 8 – 'Fixed Assets', of the annual accounts of the AIIMS (Main) and other centres of the AIIMS disclosed assets valued at Rs 5461.68 crore as on 31 March 2020. However, an Assets Register required to be maintained in Form GFR-22 under General Financial Rules 2017 was not maintained by AIIMS.

An amount of Rs 27.83 crore has been shown as liability on account of New Pension Scheme (NPS). However, an incorrect entry of Rs 14 crore has been added resulting in overstatement of Liabilities by Rs 14 crore. Moreover, overstatement of Rs 2 crore which was also pointed out in the previous year's SAR has also not been rectified. Therefore, the Liabilities on account of NPS is overstated by Rs 16 crore.

An amount of Rs 32.37 crore has been shown as Others (specify) NPS in Schedule – 16 (Income from Royalty, Publication etc.). It included Rs 29.00 crore, which was received due to the maturing of FDRs pertaining to the NPS. As the amount of FDRs matured is not an Income, treating this amount as Income resulted into the overstatement of Income and overstatement of Liabilities by Rs 29.00 crore.

The Grant-in-Aid received from the Ministry is being invested by AIIMS in short term FDRs to earn interest. During the year 2019-20, AIIMS earned Rs 10.90 crore as interest on account of investment in FDRs. However, this amount has not been shown as refundable to the Ministry This has resulted in overstatement of Income and understatement of Liabilities by the like amount.
