## 3rd WORLD CONGRESS OF PEDIATRIC SURGERY

Hotel Taj Palace and Convention Centre  
New Delhi | Oct 21-24, 2010

*D K Gupta*

*Prem Puri*

### WELCOME MESSAGE

It gives us great pleasure to invite you to the 3<sup>rd</sup> World Congress of Pediatric Surgery being held under the aegis of WOFAPS, at the Hotel Taj Palace and Convention Centre in New Delhi from October 21-24, 2010. The congress will be held jointly with the 4<sup>th</sup> Congress of The Federation of Associations of Pediatric Surgeons from SAARC countries and the 36<sup>th</sup> Conference of the Indian Association of Pediatric Surgeons.

A pre-congress full day course on Minimally Invasive Surgery would be held at Hotel Taj Palace on October 21<sup>st</sup>. A Post-Congress Live operative workshop on Hypospadias and Intersex will be held on October 25-26 at AIIMS, New Delhi. The Congress would have State of the Art Lectures, Free papers, and Poster presentations. Symposia and Meet the Expert Sessions would also be held on focused theme subjects. A Nurses Forum would deliberate on Pediatric Intensive Care and Patient Care Safety.

India is a unique experience with its' rich and incredibly diverse cultural heritage spanning more than 5,000 years. "Old" and "New" Delhi are two very different worlds, each presenting deliciously a different experience. Delhi is also known for its ancient monuments; high rise modern office blocks, green and shaded avenues and mouth watering cuisine.

Evening social functions will be made special with Indian classical music, traditional dances, live bands and sumptuous banquets. Your accompanying partners or families can enjoy shopping in modern shopping malls or traditional markets, visit museums, temples, historical monuments, or take time out to learn the arts of mediation, yoga and myriad other things like sari tying to henna application. Those interested can avail of customized tours to Agra, Jaipur, Khajuraho, Kerala, Goa, Nepal and the Corbett National Park.

The organizers will endeavor to make this congress truly unique and memorable, both scientifically and socially. We invite you to visit India to renew your friendships and share new scientific ideas with the pediatric surgical fraternity from the world.

We look forward welcoming you and your families to New Delhi for this 3<sup>rd</sup> World Congress in October 2010. The timeless mystery and beauty of India can be experienced only by visiting the ancient land.

Sincerely,

**D K Gupta**  
*Organizing Chairman*

**Prem Puri**  
*President-World Federation of  
Associations of Pediatric Surgeons*

## 3rd WORLD CONGRESS OF PEDIATRIC SURGERY

Hotel Taj Palace and Convention Centre  
New Delhi | Oct 21-24, 2010

### State of the art Lectures:

- Fetal Surgery
- Outcomes Assessment and Patient Safety In Paediatric Surgery
- Advances in Minimally Invasive Surgery
- Neonatal Necrotizing Enterocolitis
- Prevention of Accidents in Children
- Phylogeny and Ontogeny of Lung Malformations
- Airway Surgery in Children
- Pancreatic Disorders in Children
- Advances in Congenital Diaphragmatic Hernia
- Long-term Results of Surgery for Oesophageal Atresia
- Recent Advances in Neuroblastoma Research
- Conjoined Twins
- Vesicoureteral Reflux: Past, Present and Future
- Cloacal malformations
- Management of Prenatally diagnosed Hydronephrosis
- Long-term Results in Children with Posterior Urethral Valves
- Bladder Exstrophy
- Neurogenic Bladder
- Urinary Incontinence
- Long-term Results of Disorders of Sex Differentiation
- Bladder Augmentation
- Upper Urinary Tract Obstructions

### Congress Symposia

- Re-do Surgery
- Biliary atresia and Choledochal cysts
- Vesico-ureteric reflux
- Cryptorchidism
- Transplantation
- Esophageal replacement
- Research in Pediatric Surgery
- Recent Trends in the Management of Solid Tumors

### Meet the Expert Sessions

- MES:** 1 Hirschsprung's Disease
- MES:** 2 Fetal Surgery
- MES:** 3 Burns in children
- MES:** 4 Abdominal wall defects
- MES:** 5 Nuss Procedure for pectus
- MES:** 6 Manuscripts for Publication

## 3rd WORLD CONGRESS OF PEDIATRIC SURGERY

Hotel Taj Palace and Convention Centre  
New Delhi | Oct 21-24, 2010

### Technical Exhibition

A commercial-technical exhibition will be on display from October 21-24, 2010 at the Hotel Taj Palace and at AIIMS from October 25-26, 2010, featuring variety of medico-surgical equipment, pharmaceutical products, scientific literature and instruments.

### Scope for Exhibitors

- **Neonatal and Pediatric ICUs, Equipment manufacturers**  
(Ventilators, incubators, monitors, infusion pumps, nebulizers),
- **Operation theatre equipment , disinfectants, appliances making companies**  
(OT lights, tables, surgical diathermy, modular operation theatre equipment etc)
- **Urology and cranial Endoscopy and laparoscopy equipment companies**  
(endoscopes, resectoscopes, laparoscopes, harmonic scalpels, Bone Drills)
- **Imaging Equipments**  
(Ultrasound, CT, MRI Scanners, Cone Beam CT machines)
- **Surgical Instruments - General Pediatric surgery, thoracic, cranial, micro vascular**
- **Surgical Endoscope manufacturers - Laparoscopic & micro vascular.**
- **Pharmaceutical companies in various pediatric fields, including oncology**

## **INSTRUCTIONS FOR AUTHORS SUBMITTING ABSTRACTS**

### **ABSTRACT SUBMISSION DEADLINE:** JULY 23RD, 2010 (Extended)

Abstracts on any clinical and research field of paediatric surgery are welcome. Abstracts must arrive not later than July 23rd, 2010 and have to be submitted either online or via e-mail. Abstracts will be reproduced in the programme, so please write them carefully. Fax transmission is not acceptable.

### **FORMAT OF PRESENTATION**

Authors of abstracts must indicate their category of choice on the abstract form.

Authors may choose one of the following categories:

- 6 minute presentation plus 4 minutes discussion: this category should be chosen to present clinical or experimental research studies.
- 3 minute presentation plus 2 minutes discussion: this category should be chosen to present new surgical procedures, techniques or preliminary results of ongoing studies.
- Posters: selected posters will have a 2 minute presentation.

### **CONGRESS SUBJECT CATEGORY**

1. Neonatal surgery
2. Pediatric thoracic surgery
3. Gastro-intestinal surgery
4. Hepatobiliary surgery
5. Pediatric Neurosurgery
6. Pediatric Urology
7. Laparoscopic / Robotic surgery
8. Pediatric Oncology
9. Fetal surgery & antenatal diagnosis,
10. Innovations and Techniques
11. Transplant, stem cell and tissue engineering
12. Basic Sciences

### **INSTRUCTIONS FOR ABSTRACT PREPARATION**

No mention of the institution's or author's name should be made in the abstract body. Submitted abstracts should include Title/Background/Aims/Methods/Results/Conclusions. In the Background/Aims section, comprehensive information on the reasons for the study should be given. Questions or hypotheses must be clearly stated. The Methods section must provide information so that the reviewers understand how the study/experiments were conducted. Indicate the methods of statistical analysis and levels of significance. The results section should contain data to support the conclusions. Extended discussions or literature reviews should be avoided. The abstract should be typed or printed in Arial 10 font. Abstracts must not contain more than 300 words. Abstracts with more than 300 words will be truncated.

### **INSTRUCTIONS FOR ABSTRACT SUBMISSION**

Please see the congress website for details: [www.pedsurgery.in](http://www.pedsurgery.in)

Abstracts can also be sent directly to Professor Devendra Gupta, by Email: [abstract@pedsurgery.in](mailto:abstract@pedsurgery.in)

### **CRITERIA FOR ABSTRACT SELECTION**

The Scientific Committee will judge the submitted abstracts on originality, scientific merit, study design, clarity of expression and presented of data. Strict adherence to the instructions for abstract preparation is mandatory. Failure to comply with these specifications will lead to rejection of the abstract.
