3. This list is only for appointments in person at the OPD counters. Currently appointments cannot be booked online or over phone. We are, however, working on this.

4. Certain OPDs do not have any limits for the walk in patients. However, the registration time is limited.

5. In case you want to cancel/ reschedule appointment, please come to counter or send your representative for the same. Please remember each slot is important and "No Show" will deprive someone in need.
