

ALL INDIA INSTITUTE OF MEDICAL SCIENCES
(ACADEMIC SECTION)

No.8-7/M.Sc/2023-Acad.II

Dated: 13th November 2025

OFFICE MEMORANDUM

Subject: Introduction of three new specialties in currently running M.Sc. Nursing Program.

The undersigned is directed to convey the approval of the Competent Authority to start three new specialties in currently running M.Sc. Nursing Program. The qualification, duration and other terms & conditions are as under:

Name of the Course	• M.Sc. Trauma and Emergency Nursing • M.Sc. Obstetrical & Gynecological Nursing • M.Sc. Community Health Nursing
Admission Requirement	Admission will be based on the All-India Entrance Examination conducted by the Institute (AIIMS, New Delhi).
Qualification	B.Sc. (Hons.) Nursing/B.Sc. Nursing (Post-Certificate)/Post-Basic/B.Sc. Nursing (4 years) course from any recognized University, from an education institution recognized by the State Nursing Council, with 60% marks for General/OBC/EWS candidates (55% marks in case of SC/ST candidates) in aggregate in the qualifying examination. Registration as a Nurse, RN, RM (Registered Nurse, Registered Midwife) with any State Nursing Council. Candidates working at AIIMS, New Delhi, should submit their applications through the proper channel, i.e., the Establishment Section, AIIMS. The applicants from the AIIMS Nursing Staff/Nursing Tutor Cadre will be required to submit a "No Objection Certificate" before they are allowed to take the entrance examination of the M.Sc. Nursing Course at AIIMS, New Delhi. Secondly, they need to take study leave from the concerned Establishment Section before joining the course, as it is a two-year full-time M.Sc. Nursing Course.
Duration of the Course	Two years (Regular)
Number of intakes per year	03 (02 for open seats + 01 In-service) for each of the specialties. <u>NOTE:</u> Seats will be increased up to four for OPEN SEATS after three years (i.e. from the August 2029 Session onwards). However, the advertisement of seats would depend on the fulfillment of the faculty-student ratio.
Other Rules & Regulations	Each student shall be required to undertake a dissertation on a selected research topic. Other rules applicable to other MSc courses in the other department will apply, such as that the Chief Guide must be from the College of Nursing, and the Co-Guide may be from other related departments.

Authority:

{Approved by Standing Academic Committee vide Agenda Item No. A.C. No.123 (23, 24 & 25) in its meeting held on 15th July 2024 and minutes of the same ratified by Governing Body in its 163rd meeting held on 12th September 2025 vide agenda item no. 04}.

(Prof. Girija Prasad Rath)
