LEADERSHIP MESSAGE

Dear AIIMS Family,

It is a moment of pride, bringing out the third edition of The AIIMS Newsletter, offering a glimpse into the continued progress and achievements of AIIMS New Delhi during May-August 2026.

This period has also marked a significant phase in the Institute's journey and the continued pursuit of our shared institutional goals. As AIIMS moves forward, our commitment to excellence in patient care, medical education, research, and public service remains unwavering.

The successful conduct of the 51st Convocation, advances in specialised clinical care, and noteworthy research collaborations reflect the dedication and expertise that define our institution. Equally, our contributions to community welfare and initiatives that enrich campus life reaffirm that the spirit of AIIMS extends beyond its clinical and academic responsibilities.

The period has also witnessed an important development in the Institute's leadership. We take great pride in the appointment of Prof. M. Srinivas, former Director of AIIMS New Delhi, as a full-time Member of NITI Aayog, Government of India. This appointment reflects the recognition of his experience and expertise at the national level, while marking a new chapter in the Institute's leadership as AIIMS continues its pursuit of excellence across all its domains.

I extend my sincere appreciation to our faculty members, residents, students, nursing officers, administrative personnel, and support staff for their continued dedication and teamwork. Every achievement featured in this edition reflects the collective efforts of the AIIMS family and contributes to our shared vision of Viksit Bharat.
With best wishes,

(PROF. NIKHIL TANDON)
DIRECTOR

INSTITUTIONAL HIGHLIGHTS

A Transition in Leadership

Prof. Nikhil Tandon assumed the interim charge of Director, AIIMS New Delhi, following the appointment of Prof. M. Srinivas as Member, NITI Aayog on 27th April 2026.

AIIMS Celebrates its 51st Convocation

AIIMS New Delhi held its 51st Convocation in May 2026, conferring 523 degrees across disciplines. Graced by Shri C. P. Radhakrishnan, Hon'ble Vice President of India and Shri Jagat Prakash Nadda, Union Minister for Health & Family Welfare, the milestone ceremony celebrated the achievements of its graduating students and reaffirmed the institute's enduring commitment to medical education, research and patient care.

AIIMS New Delhi Earns Top Honours

AIIMS New Delhi reaffirmed its position as the country's premier medical institution through a series of prestigious recognitions.

AIIMS New Delhi was named the No. 1 medical university in India in The Week Medical University Rankings at The Week Education Conclave 2026

AIIMS New Delhi retained the top position among medical colleges in the Indian Institutional Ranking Framework (IIRF) Rankings 2026.

AIIMS secured a global rank of 105 in the Quacquarelli Symonds (QS) World University Rankings by Subject 2026 for Medicine, the highest of any Indian medical institution.

INSTITUTIONAL HIGHLIGHTS

AIIMS Honoured with Punjab Sewa Award 2026

AIIMS New Delhi received the Punjab Sewa Award 2026 from Global Sikhs, presented in June 2026. The honour recognised the lifesaving work of the institute's 22-member Flood Relief Team, which conducted door-to-door medical outreach across flood-hit districts during the September 2025 Punjab Floods, treating over 3,100 patients.

Strengthening Cross-Border Health Ties: AIIMS–Bhutan MoU

AIIMS New Delhi and Bhutan's Khesar Gyalpo University of Medical Sciences (KGUMSB) signed an MoU in Thimphu during the India–Bhutan Development Cooperation Talks in July 2026, to advance collaboration in health education, research, and academic exchange.

Inauguration of Policy & Training Cell in the Academic Section

In July 2026, Prof. Nikhil Tandon, Director of AIIMS New Delhi, formally inaugurated the newly established Policy & Training Cell within the Academic Section. This strategic milestone marks a significant step forward in the institution's ongoing mission to strengthen academic policies, elevate training initiatives, and foster robust professional development for faculty, researchers, and staff. The dedicated cell is designed to streamline institutional guidelines, cement forward-thinking policies, and introduce continuous innovation to shape the standards of medical education and administration for the years and generations ahead.

EXCELLENCE IN ACADEMICS AND CLINICAL CARE

A Rare Feat: AIIMS Performs Second Dual Kidney Transplant

AIIMS New Delhi successfully performed its second dual kidney transplantation in July 2026, with kidneys from a 70-year-old donor. The achievement reflects seamless multidisciplinary coordination among Army Research & Referral Hospital, Command Hospital and the AIIMS New Delhi team.

50 Robotic Whipple Procedures in a Year!

The Department of Surgical Oncology, Dr. BRA-IRCH, AIIMS New Delhi, marked a proud milestone with the successful completion of 50 Robotic Whipple procedures within just one year. This achievement reflects the commitment to precision, innovation, and improved patient outcomes.

Rethinking Nutrition in Clinical Practice

The Department of Physiology hosted a National Symposium in July 2026 on "Lifestyle and Diet: Nutrition, Wellness and Clinical Practice," calling for the "Food Is Medicine" principle to be integrated into MBBS education and clinical practice, and featuring the release of a new textbook on nutrition and lifestyle.

Lung-Sparing Surgery at Four Months

The Department of Paediatric Surgery successfully performed a lung-sparing segmentectomy in a four-month-old infant with bilateral CPAM in July 2026. Led by Prof. Vishesh Jain, with selective lung ventilation by Dr Abhishek N and the Anaesthesia team, the procedure preserved healthy lung tissue, and the infant was discharged within two days.

EXCELLENCE IN ACADEMICS AND CLINICAL CARE

A New Lease of Life: AIIMS Team Operates on a 209 kg Patient

A multidisciplinary AIIMS team performed successful bariatric surgery on a 32-year-old man weighing 209 kg (BMI 74) with severe sleep apnoea. After 32 days of intensive preparation, airway stabilisation, a very low-calorie diet, and physiotherapy, his weight dropped enough to make the otherwise inoperable surgery possible.

Emergency Medicine Day 21st May 2026

The Department of Emergency Medicine marked the day with EDUSPHERE, an interactive exhibition of its work in POCUS, nurse-led triage, toxicology, simulation, ABG interpretation, mass casualty management and nerve blocks. The Director, Prof. Nikhil Tandon, visited the teams.

Workshop on Robotic Breast Surgery

AIIMS New Delhi hosted the 1st South-East Asia Cadaveric Workshop conducted by the Department of Surgical Oncology on Robotic Breast Surgery and Whole Breast Reconstruction in July 2026, attended by national and international specialist surgeons.

Current Concepts in Arthroplasty

The Department of Orthopaedics hosted its flagship three-day conference in July 2026, featuring faculty from seven countries and a diverse programme of academic and surgical sessions. The conference included live robotic and kinematic knee and complex/revision hip arthroplasty, masterclasses on periprosthetic fractures and infection and a symposium on AI and the direct anterior approach.

EXCELLENCE IN ACADEMICS AND CLINICAL CARE

Programme on Implementation of NABH 6th Edition

In collaboration with the Department of Hospital Administration, AIIMS New Delhi, a Programme on Implementation (POI) of NABH 6th Edition was conducted in July 2026 which emphasized continuous quality improvement and strengthening of systems.

Training Eyes on the Future: A National Retina Skill Centre

The Dr. R.P.C.O.S., along with Roche India Healthcare Institute, launched the Modulated Retina Training Programme in August 2026, at the new National Retina Skill Development Centre, aimed to train 100+ ophthalmologists over three years.

Stroke is Preventable and Treatable

The Department of Neurology hosted the Indian Stroke Association CME in August 2026, expanding stroke care, drawing over 400 professionals, and marking the centenary of cerebral angiography.

Frontiers in Hip Reconstruction

The Department of Orthopaedics conducted “Frontiers in Hip Reconstruction: Oncology to Revision THR” in May 2026, an instructional course on peri-acetabular and femoral reconstruction in collaboration with SPARC, Government of India. Reported as the first SPARC collaboration with an AIIMS institution, the course featured Prof. Duncan Whitwell from Oxford as the international faculty.

National Capacity Building Programme on Medical Oxygen Management

The Ministry of Health & Family Welfare, in collaboration with the Department of Hospital Administration, AIIMS New Delhi, successfully concluded the National Capacity Building Programme on Medical Oxygen Management (2025–26). AIIMS New Delhi served as the Nodal Training Centre, with eight regional centres supporting the programme, which developed a competency-based curriculum and training guide for standardisation.

Delhi Anaesthesiology Meet

The Department of Anaesthesiology, Pain Medicine and Critical Care hosted the ISA Delhi Clinical Meet in August 2026, in collaboration with the Indian Society of Anaesthesiologists (ISA), Delhi Branch. The programme featured scientific presentations, wellness session on clinician well-being and an interactive quiz.

EXCELLENCE IN ACADEMICS AND CLINICAL CARE

First Infection Control Link Nurses Certified

The Department of Microbiology and the HICC, NCI Jhajjar, ran the Institute's first Infection Control Link Nurse programme, a 16-week course for Senior Nursing Officers from all major clinical areas. The syllabus covered hand hygiene, PPE, surveillance of device-associated infections and SSI, sterilisation and antimicrobial stewardship.

Paediatric Hematology-Oncology Masterclass 2026

The Division of Paediatric Oncology, AIIMS New Delhi, hosted the Paediatric Hematology-Oncology Masterclass 2026, bringing together around 100 participants and 50+ faculty from across the country. The annual Paediatric Hematology Oncology Chapter of Indian Academy of Paediatrics featured case-based learning, panel discussions, and OSCE sessions focused on contemporary paediatric cancer care.

APPINTCON 2026: Bench to Clinic

The Department of Pathology hosted Association of Paediatric Pathologists of India Conference in August 2026, the 8th International Paediatric Pathology Conference, on the theme "Bench to Clinic", spanning hands-on workshops, research presentations, and expert sessions from India and abroad.

Reimagining Anatomy Education

The Department of Anatomy hosted the AnatEd Summit in August 2026, bringing national and international experts together to explore the future of anatomy education under Competency-Based Medical Education (CBME), the role of AI, and modern, patient-centred teaching.

"Scan to Scope"

The Department of Obstetrics & Gynaecology successfully conducted the "Scan to Scope" Hands-on Workshop in August 2026 under the aegis of the Indian Fertility Society (IFS) and AOGD, in collaboration with SIG Ultrasound and SIG Endoscopy. The workshop featured hands-on training using ultrasound and laparoscopy simulators, along with case discussions and practical insights.

RESEARCH & INNOVATION

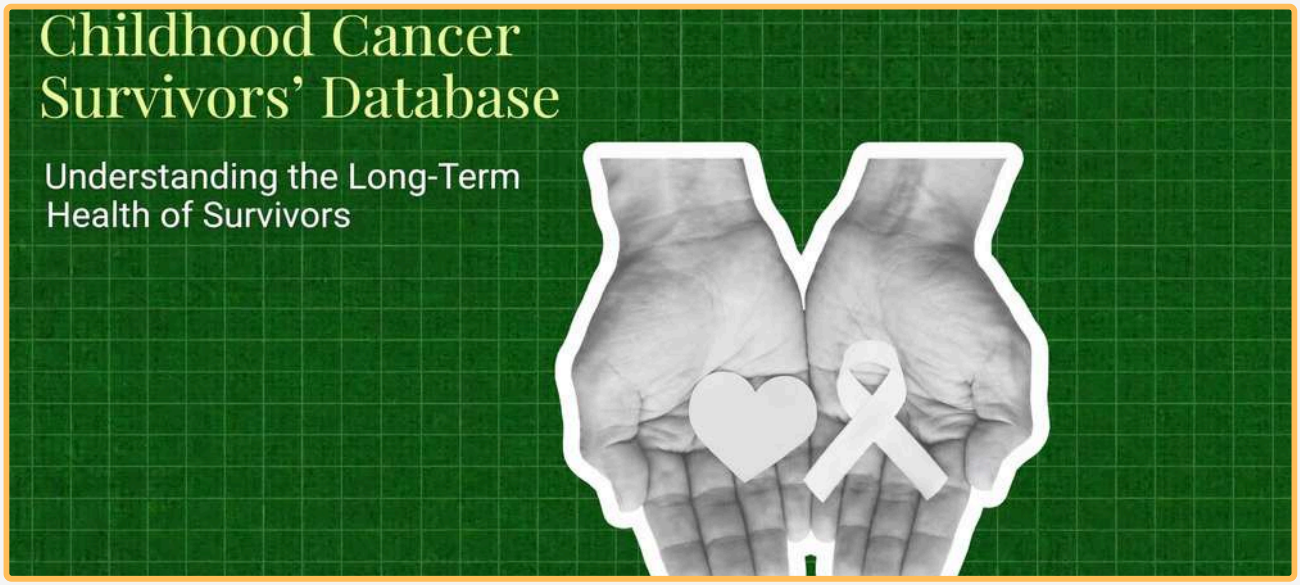

A Made-in-India Breakthrough in Cervical Cancer Screening

AIIMS New Delhi, ICMR and WHO's IARC validated an affordable indigenous point-of-care HPV test (Truenat HR-HPV-Plus) in June 2026, meeting international standards. Deployable in local clinics with minimal training, it promises to expand cervical cancer screening and advance India's elimination goals.

India's First National Database for Childhood Cancer Survivors

A study led by AIIMS New Delhi has established India's first national database tracking over 5,400 childhood cancer survivors across 20 hospitals. By following survivors over decades, the database will help clinicians and policymakers strengthen post-cure follow-up care.

FACULTY & STAFF

Celebrating our Retiring Faculty

The Institute bid farewell to the following faculty members upon their superannuation from service.

Dr. Sanjay Wadhwa
Physical Medicine & Rehabilitation

Date of Retirement
30th Apr 2026

Dr. Rama Jayasundar
Nuclear Magnetic Resonance

Date of Retirement
31st May 2026

Dr. Ganga Prasad
Anaesthesiology, Pain Medicine and Critical Care

Date of Retirement
30th June 2026

Dr. M. Ramam
Dermatology & Venereology

Date of Retirement
30th June 2026

Dr. Bimal Kumar Das
Microbiology

Date of Retirement
31st July 2026

Dr. Seema Sen
Ocular Pathology

Date of Retirement
31st Aug 2026

We thank You for Your Dedication, Service & Inspiration

Not an end, but a beautiful new beginning.

FACULTY & STAFF

Faculty in the Spotlight

Dr. Shilpa Sharma (Department of Paediatric Surgery) received the Business Icon Award 2026 for Best Contribution in the Field of Paediatric Surgery from the Media Federation of India in August 2026.

Dr. Sarita Mohapatra (Department of Microbiology) was elected as an Executive Committee Member and Science Officer of the ESGUTI (ESCMID Study Group for Urinary Tract Infections under European Society of Clinical Microbiology and Infectious Diseases).

Dr. Pratik Kumar (Medical Physics Unit, Dr. BRAIRCH) delivered the Dr. N.C. Singhal Oration at the 31st Annual Conference of the Northern Chapter of the Association of Medical Physicists of India at SNM College, Jaipur.

Dr. Seema Singhal (Department of Obstetrics and Gynaecology): Awarded ICMR–DHR International Fellowship in Robotic Oncology at Samsung Medical Center, Korea.

Dr. Debasish Biswal (Department of Microbiology) received the European Society of Global Clinical Infectious Diseases (ESGCIP) Grant for the IMPACT-ICU Course.

Dr. Nilanchali Singh (Department of Obstetrics and Gynaecology): Appointed as International Papillomavirus Society Country Ambassador (2026–27).

Prof. Uma Kumar (Department of Rheumatology): Member, Institutional Ethics Committee, HNB Uttarakhand Medical Education University.

Dr. Danveer Bhadu (Department of Rheumatology): Treasurer, Society for Osteoarthritis Research (SOAR)

Dr. Namrata Sharma (Dr. RPCOS) delivered the Catrina De MEDICI "Innovator Medal Lecture" at the World Keratoconus Congress in Florence, Italy. She was also awarded the "Dr. P.K. Jain Oration" by Delhi Ophthalmological Society (DOS), the "RN Bajpai Oration" by Kanpur Ophthalmic Society and elected as Vice President, DOS.

Dr. Amarinder Singh Malhi (Department of Radio-diagnosis and Interventional Radiology) was elected as a member of the Delhi Medical Council (DMC) from AIIMS, New Delhi.

Dr. Harshal R. Salve (Centre for Community Medicine) was nominated as a member of the Executive Committee of Indian Aerosol Science and Technology Association (IASTA).

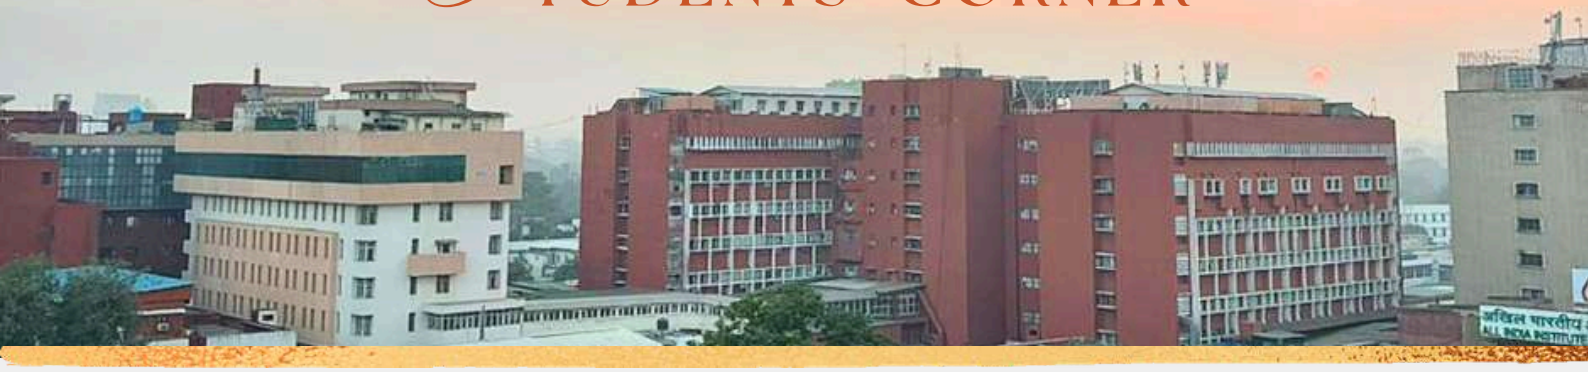

From the *Department of Paediatrics Dr. Jagdish Prasad Meena* received Global Health Scholarships at the International Society of Paediatric Oncology (SIOP) 2026; *Dr Debabrata Mohapatra* won the Young Investigator Award at SIOP 2026 and Dr Aditya Kumar Gupta earned the American Society of Hematology Fellowship.

Dr. Peush Sahni, Former Editor, National Medical Journal of India (NMJI) was felicitated for his contribution to the Institute journal, spanning more than two decades.

Prof. Rachna Seth (Department of Paediatrics): Member, MoHFW Technical Expert Group on Childhood Cancers.

Dr. Sulagna Bhattacharjee (Department of Anaesthesiology): Recognised as “Critical Care Wizard” by the Anaesthesia and Critical Care Foundation.

STUDENTS' CORNER

Doclympics

RDA organised DOCLYMPICS 2026 in July 2026, a 5-day sporting celebration featuring 8 events across 5 venues, with 300+ games, 20+ categories, and 100+ trophies. With the introduction of Shot Put and Tug of War, the event brought residents together to celebrate sportsmanship, teamwork, and healthy competition.

Lawn Tennis & Volleyball

RDA organised Lawn Tennis and Volleyball in May 2026, bringing together 6 teams and more than 120 players over 3 days. The sporting event was open to all residents, fostering teamwork, sportsmanship, and a spirit of healthy competition.

BB Dikshit Library

The ground floor was inaugurated by Director Prof. Nikhil Tandon in July 2026.

Fire Drill in Hostel Complex

RDA organised a Fire Mock Drill in the hostel complex in June 2026, in collaboration with the Fire Department, AIIMS Delhi, following recent fire incidents. The drill focused on enhancing fire safety awareness, emergency preparedness, and safe evacuation practices among residents.

Doctors' Day Celebration

RDA hosted the Doctors' Day celebrations on 1st July at the JL Auditorium, AIIMS New Delhi, bringing residents together for an evening of celebration and camaraderie. The event featured a stand-up comedy performance by Chirag Panjwani along with storytelling by Kshitij Sharma, adding a lively and engaging touch to the celebrations.

STUDENTS' CORNER

Coffee Points Across Campus

RDA facilitated the opening of 24×7 Coffee Points at AB8, JPNATC and CDER between May and August 2026, providing residents with convenient access to fresh coffee across key campus locations. The initiative aimed to enhance resident amenities and create accessible spaces for refreshment and interaction.

CPR Training Programme

SYS conducted a Basic Life Support (BLS) and CPR Training Programme for PhD scholars, equipping researchers with essential life-saving skills for emergencies in laboratories and academic spaces. The initiative promoted safety, preparedness, and confidence while fostering a culture of responsibility and well-being across the academic community.

Residents in the Limelight

Dr. Shubham Samantaray (Senior Resident, Physiology) was awarded the First Prize in Free Communication, at the 18th World Congress of Biological Psychiatry & 5th Global Congress of Biological Psychiatry Joint Meeting, held in August 2026.

Dr Himanshu (Senior Resident, Paediatrics): Young Investigator Award, European Society for Paediatric Gastroenterology, Hepatology and Nutrition, 2026.

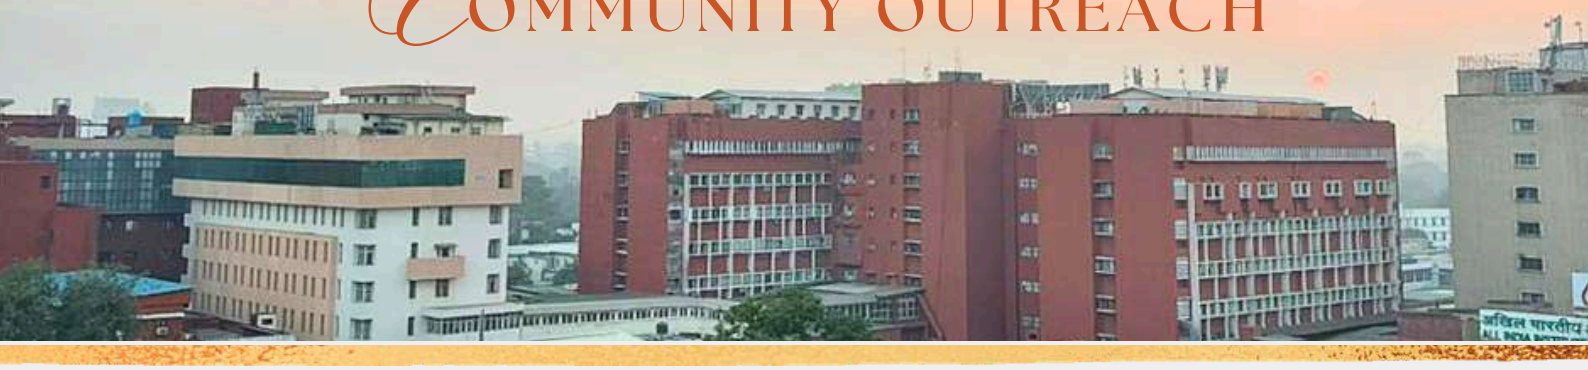

Dr Saurav Sharma (Senior Resident, Paediatrics) received the Best Oral Award at the International Society of Paediatric Oncology (SIOP) Asia 2026.

Dr. Amitabh Singh (Senior Resident, Paediatrics) received Global Health Scholarships at SIOP 2026.

Dr. Harsh Jain (Junior Resident, Microbiology) received the Best Poster Award at the IAMM Delhi Chapter.

Dr Mahima, Dr Abhishek, Dr Parvez, and Dr Devadarshan (Junior Residents, Emergency Medicine) received first prize at EM PARV 2026 National quiz.

COMMUNITY OUTREACH

Sight Beyond Sight: AI Smart Glasses Empower Visually Impaired Students

AIIMS New Delhi, through the Dr. R.P. Centre for Ophthalmic Sciences distributed AI-enabled Smart Vision Glasses to 40 visually impaired students in Delhi-NCR in May 2026. The devices convert surroundings into audio cues to aid reading, object recognition, and navigation. Nearly 1,500 students are registered, with 1,700 to benefit in phases.

342 Units of Hope: AIIMS Marks World Blood Donor Day

On World Blood Donor Day, 14th June 2026, the Department of Transfusion Medicine, AIIMS New Delhi, collected 342 blood units through a dedicated donation camp. Personnel from the CRPF, ITBP, NDRF, Indian Navy, and other paramilitary forces came forward as donors, reaffirming the life-saving spirit of blood donation.

Honouring the Spirit of Organ Donation

The Organ Retrieval Banking Organisation (ORBO), AIIMS New Delhi, felicitated 38 donor families under the Angdaan-Jeevan Sanjeevani Abhiyaan in August 2026. Turning grief into a life-saving gift, these families gave many a second chance at life, an enduring inspiration for us.

Blood Donation on Doctors' Day

On Doctors' Day 2026, RDA, in collaboration with FAIMS, organised a Blood Donation Drive to promote voluntary blood donation and community service. The drive witnessed an enthusiastic response, with more than 120 donors coming forward to contribute to the cause.

COMMUNITY OUTREACH

Environment Day: Plantation Drive

On the occasion of World Environment Day, RDA, in collaboration with campus food service partners, organised a plantation drive in June 2026, led by AIIMS Director Prof. Nikhil Tandon. The initiative promoted environmental awareness and encouraged collective participation in creating a greener and more sustainable campus.

A Home Away from Home

AIIMS New Delhi signed a Corporate Social Responsibility (CSR) MoU with the Sevadaan Arogya Foundation in August 2026, to build and operate a 1,600 bedded Vishram Sadan on campus, offering affordable, dignified accommodation for patient attendants travelling from across the country. It was signed by Director Prof. Nikhil Tandon and Foundation Director Mr. Mohit Shah.

CPR Training and Awareness programme

RDA, in collaboration with the Departments of Emergency Medicine and Anaesthesia, AIIMS New Delhi, conducted a CPR training and awareness programme in July for more than 80 school students from nearby schools, along with participants from various cadres including AIIMS undergraduate students. The initiative aimed to promote basic life-saving skills and improve awareness of emergency response among young learners and the AIIMS community.

WELLNESS & CAMPUS LIFE

Caring for the Minds that Care Through Science

AIIMS New Delhi celebrated the 12th International Day of Yoga on 21 June 2026 with a mass yoga demonstration led by the Centre for Integrative Medicine and Research (CIMR). Over 4,000 participants, faculty, senior administration, researchers, and students, took part.

A yoga Break session was organized at the Mother and Child Block (MCB), AIIMS New Delhi. Amid continuous clinical duties, it gave healthcare teams space to pause and practise simple yoga, fostering calm, poise, and a reminder that self-care sustains empathy.

As part of the International Day of Yoga 2026 countdown, the Centre for Integrative Medicine and Research (CIMR) conducted a series of workshops promoting wellbeing among those at the heart of healthcare and science. AIIMS researchers and scientists took part in Y-Chetna, a workshop for Researchers and Scientists featuring a talk on "Yoga for Healthy Ageing."

Celebrating Independence Day

AIIMS New Delhi marked Independence Day on 15 August 2026 with flag hoisting and patriotic spirit. Director Dr. Nikhil Tandon urged the AIIMS family to continue its commitment to compassionate patient care and to making the highest standard of healing accessible to every citizen.

WELLNESS & CAMPUS LIFE

Herbal Garden Reopening at JPNATC

RDA facilitated the reopening of the JPNATC Herbal Garden in July for doctors and students, providing a dedicated recreational space within the hostel complex. The initiative aimed to enhance residents' access to safe and accessible spaces for relaxation and recreation.

Cafe 5 Inauguration

Cafe 5 was inaugurated in August by Prof. Nikhil Tandon, Director, AIIMS New Delhi, in the presence of Prof. Sanjay Rai. The new café adds another convenient refreshment space for residents, faculty members and staff, further enhancing the campus experience.

Chaayos and Dohful

RDA facilitated the opening of Chaayos and Dohful Cookies & Coffee at AIIMS New Delhi in June 2026, under the leadership of Prof. Sanjay Rai, Hostel Superintendent. Chaayos offers 24-hour service, enhancing convenient food and beverage options for residents and students.

Electric Morning Shuttle Service

RDA introduced two electric shuttle services in May 2026, connecting the Masjid Moth Hostel Campus with the Main Campus and providing convenient morning transportation for residents and students. The initiative covers key hostel, academic, and clinical locations, facilitating smoother and more accessible daily commuting across the campus.

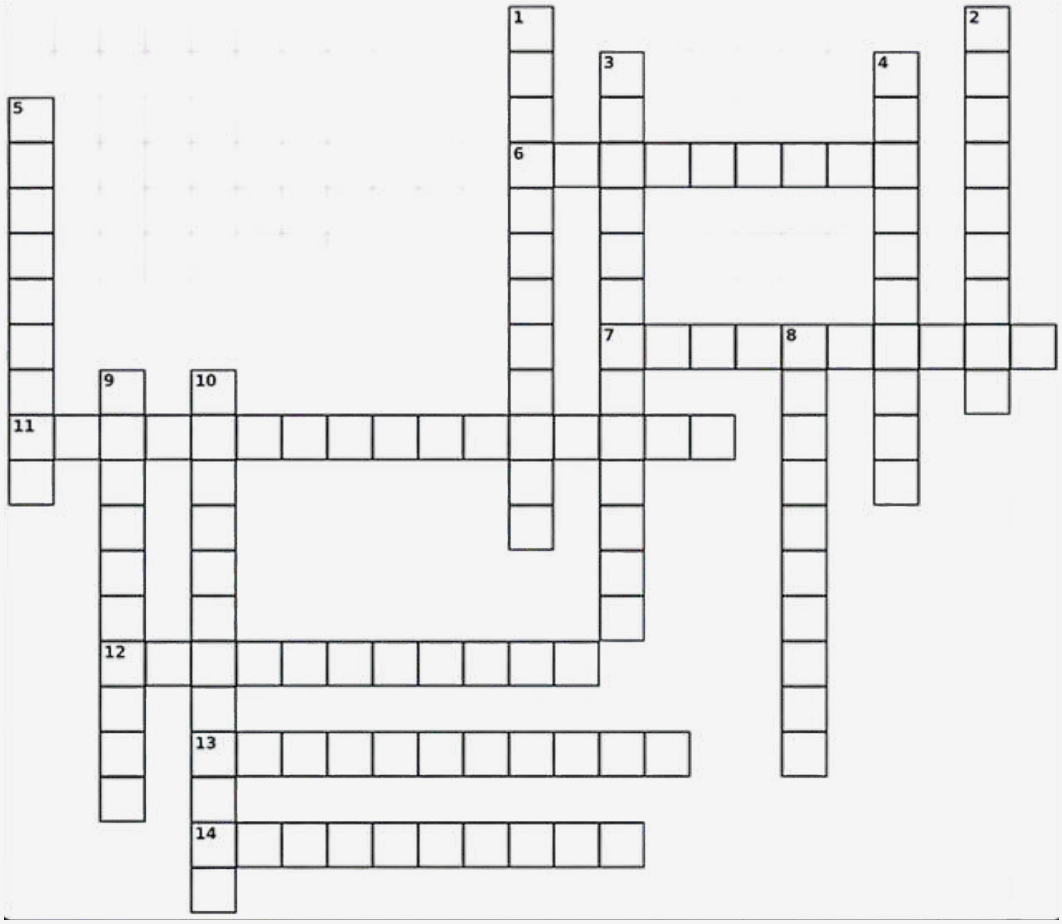

BRAINTEASERS

THE MEDICAL UNIVERSE = SCIENCE × SPECIALTIES × MEDTECH

Can you diagnose all the specialties?

ACROSS

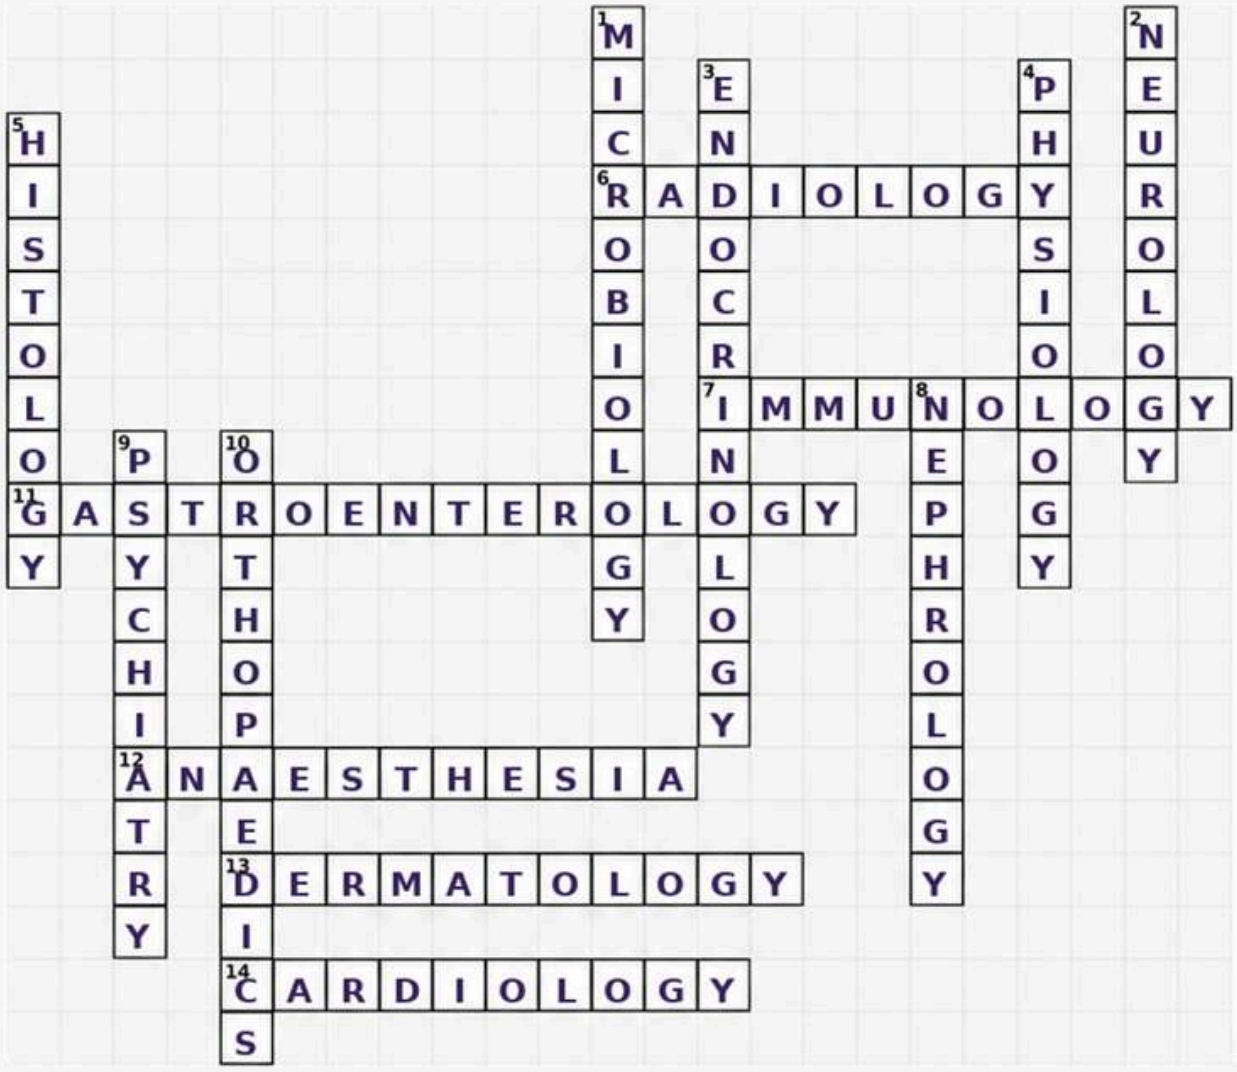

6. Turns X-rays, CT, MRI and ultrasound into pictures and often ends with “clinical correlation advised.” (9)
7. Your immune system’s security department, excellent at defence. (10)
11. The specialty where “my stomach hurts” becomes a 16-letter detective story. (16)
12. Turns “this might hurt” into “you’ll remember absolutely nothing.” (11)
13. The specialist who knows why your rash is definitely not “just dry skin.” (11)
14. Listens to a heart, then asks it to explain itself in 12 leads. (10)

DOWN

1. Studies tiny organisms that can be invisible but somehow ruin your weekend. (12)
2. The nervous system’s map room where neurons, reflexes and localisation meet. (9)
3. Hormones, glucose, glands and the eternal battle with insulin. (13)
4. Where the question is always “What happens next?” from an action potential to a full-blown reflex. (10)
5. Reads tissues like a cellular crime scene. (9)
8. Where electrolytes, filtration and creatinine become the day’s main characters. (10)
9. Where mood, thought, behaviour and neurotransmitters meet. (10)
10. Bones, joints and the art of fixing what gravity and football broke. (12)
