

Dr R K Bisht, Dip R P (BARC), PhD (AIIMS)
Assistant Professor of Medical Physics & Radiological Safety Officer
Medical Physics Dr BRA-IRCH, AIIMS New Delhi India

- Post Graduate in Physics from HNB Garhwal University, Srinagar Garhwal, Uttar Pradesh
 - 37th batch Dip R P from BARC- Mumbai University, Mumbai (1999)
 - Worked as a teaching Faculty in M L B Medical College, Jhansi Uttar Pradesh
 - Doctor of Philosophy (PhD) from AIIMS New Delhi, in the Department of Neurosurgery
 - 25⁺ years of experience in teaching, research and practicing radiological physics and safety in various hospitals and medical colleges
 - Medical Physicist & RSO (2005-2020) in the Department of Neurosurgery AIIMS- New Delhi
 - Senior Medical Physicist & RSO (2020-2023) in the Department of Radiation Oncology, National Cancer institute - Jhajjar, AIIMS
 - **Field of interest:** modern radiotherapy techniques, SRS/SRT, IGRT/SBRT/VMAT, Brachytherapy, radiotherapy-dosimetry, Small field dosimetry, Gamma Knife, diagnostic radiology, dosimetry in radio-diagnostic procedures, designing and developing dosimetry models and radiological safety.
 - Various publications in JACMP, JMP, Medical physics, IJCTO, radiation measurements, Journal of radiotherapy in practice and Neurosurgery
 - Chapters on SRS and SRT and 3-D Gel dosimetry in “Modern practice in radiotherapy series”
 - Invited speaker and faculty in various national and international conferences
 - Involved in presenting radiation physics and radiation safety programmes for DNB and general public members on national network of Doordarshan, organized by national board of examinations (NBE)
 - Member of various scientific associations
 - Secretary, AMPI-NC (Largest AMPI Chapter) for session 2020-2021 and session 2021 – 2024.
 - **Vice Chairman, AMPI-NC current session 2024-2027**
-
