

Scheduling an MRI

Appointment for the MRI scan is given by one of the three Radiology departments of the Institute, namely Radio Diagnosis, Neuro Radiology and Cardiac Radiology. The procedure to get an appointment is as follows:

- (i) Clinicians from AIIMS requesting MRI for their patients have to fill the MRI requisition form
- (ii) OPD patients should submit this form at the MRI reception counter for appointment
- (iii) The resident doctors of the concerned radiology department will then screen the form and give the appointment
- (iv) The forms of the in-patients on the other hand, should be submitted at the MRI reception counter and the patients will be called as per priority
