

ALL INDIA INSTITUTE OF MEDICAL SCIENCES
Department of Pediatrics, Mother & Child Block
ANSARI NAGAR, DELHI-110029

Date - 07 September 2026

Subject: Proposal for procurement of LabConnect Software for Biochemical Laboratory for Genetic Unit at Department of Pediatrics, Mother & Child Block, AIIMS, New Delhi-110029 on PAC basis and invitation of comments/objections against such consumables if any, thereof.

The Division of Pediatric Genetics at Department of Pediatrics, Mother & Child Block, AIIMS, New Delhi is in the process of procuring of **LabConnect Software for Biochemical Laboratory** for Genetics Division at Department of Pediatrics at Mother & Child Block, AIIMS, New Delhi.

Therefore, this document is being uploaded for open information to all principal manufacturers or their authorized distributor with the intention to invite comments and/or objections with regards to the proprietary nature of the aforesaid product if any.

The comments/objections if any should be received in the office of the Stores Office, Room no. 817, 8th Floor, Department of Pediatrics, Mother & Child Block, AIIMS, Ansari Nagar, New Delhi - 110029 on or before **30/09/2026 up to 05.00 PM** with contact details, failing which it will be presumed that no other bidder/ manufacturer/vendor is having any comments/objection against the proposition and the case will be decided purely on merit.

The matter pertains to the approval of the competent authority within the Department of Pediatrics at AIIMS.

TO WHOMSOEVER IT MAY CONCERN

Technical specifications of the LabConnect (Biochemical Laboratory) module:

S. No.	Specifications
1	Sample Registration • Sample Registration with custom fields • Clinical fields imported from Clinical Genetics Software (OPD) • Upload documents in pdf format • Register multiple samples for the same analysis in a single go to remove redundancy through automation • Ability to create sample templates that can be assigned to each new sample to remove redundancy through automation • Barcodes generation for samples in 7 different sizes • QR code generation (1 X 14mm X 39mm) • Advanced sample filtering and sorting • Detailed configuration of sample table • Sample rejection • Sample partitioning • Sample storage • Assign priority of each sample and color code samples in the sample table
2	Sample Management • Advanced sample filtering and sorting based on multiple parameters • Configurable sample table view (column selection, ordering, grouping) • Sample rejection workflow with reason capture and audit trail • Sample partitioning for multi-test or multi-machine processing • Assign priority levels to samples with color-coded visualization • Status tracking across workflow stages (Registered, Exported, Processed, Reported)

DMC Reg. No. 42435

3	Data Export (Machine Integration) • Batch-wise export of samples into machine-specific Excel templates • Support for multiple machine formats (Machine 1, Machine 2, Machine 3) • Field mapping configuration for each machine template • Data validation before export to ensure compatibility • Version-controlled templates for standardization
4	Machine Processing • Support manual upload/copy of Excel data into respective machines • Ensure compatibility with machine-specific input formats • Track batch-level processing status
5	Result Import and Parsing • Import results from multiple machines into LabConnect • Parsing engine for machine-specific result formats • Validation checks for completeness and correctness of imported data • Error handling and reporting for failed imports • Consolidation of results from multiple machines into a single view
6	Analysis Services • Create custom analysis services for each test parameter • Define analysis specifications and normal/reference ranges • Identify and flag results beyond defined specification values
7	Analysis Profiles • Group multiple analysis services into a single analysis profile (e.g., Newborn Screening as a profile with multiple parameters) • Categorize analysis services for easier navigation and management

Subject: Price reasonability undertaking.

Date: 21 August 2026

Dear ma'am,

This letter is an undertaking that the prices quoted are reasonable and meet market standards. Our product, **LabConnect**, is a specialized Laboratory Information Management System for genetic testing labs that are part of an integrated network of genetic clinic(s) and various genetic testing labs. LabConnect is very reasonably charged per laboratory with host of critical and productivity enhancing features while offering custom integration with our proprietary Clinical Genetics Software which is used in Outpatient Departments for patient consultation. Therefore, we believe that the price in our quotation is very reasonable for such specialized offerings.

Please feel to call +91-9599033045 or write to arjun@genetico.in for any query or concern.
