WORLD TB DAY SYMPOSIUM- 21, 22 MARCH 2018
**“Wanted: Leaders for a TB free world,
you can make history, End TB”**

Dear Colleagues,

Tuberculosis Division, Department of Microbiology at All India Institute of Medical Sciences (AIIMS), New Delhi is organizing two day symposium on **“Wanted: Leaders for a TB free world, you can make history, End TB”** on March 21 & 22, 2018 from 9.00 am to 5.00 pm at Ramlingaswami Board Room, A.I.I.M.S, New Delhi 110029.

Every year 24th March is celebrated as World TB Day. Tuberculosis remains one of the top killer infectious disease. World TB Day is an opportunity for people everywhere to join this war against TB by helping to educate others about TB and by urging governments to take action. Now is the time to join the global movement in making a powerful statement and show solidarity. On this auspicious day, we aim to create awareness regarding the containment of TB, get experts to teach regarding latest knowledge regarding diagnosis and treatment of TB

You are requested to register as early as possible as only first 100 candidates will be registered on first come first serve basis with no registration fee.

The abstracts are invited for Oral and Poster presentation. Best presentations will be awarded prestigious

Dr. M H Ahuja Gold Medal and Dr. Pritam Singh Gold Medal

Abstracts for oral / poster presentation can be submitted by 15th March 2018 by email at stoptbsymposium@gmail.com. Follow the instructions provided in the guidelines attached
