Dear Colleague,

It gives us immense pleasure to inform you that we are organising the first ever **AIIMS-NCI Brachytherapy Course (ABC 2024)** from **9th to 13th December 2024 at NCI, Jhajjar, AIIMS, Delhi**. The prime objective of this teaching course is to provide the comprehensive knowledge and skill about the brachytherapy of all sites. This **5-day** course/workshop program is designed for *residents in training, postgraduates and early career consultants in Radiation Oncology and Medical Physics*.

This will cover all aspects of brachytherapy viz. basics principles, patient selection, procedures (videos), treatment planning and plan evaluation.

We look forward your active participation.

**Dr.D.N. Sharma
(Course Director)**

**Dr. Aman Sharma
(Organizing Secretary)**
