Welcome Message

Dear Colleagues,

Greetings from AIIMS, New Delhi & AHA, Noida.

It gives us great pleasure to announce **“SASH 2020”**, the National Conference of Academy of Hospital Administration to be held on 21st to 23rd February 2020 at AIIMS, New Delhi. The theme of the conference is **“CONNECTING THE DOTS.....FOR BETTER MANAGEMENT OF HOSPITALS”**.

Healthcare sector in India is affected by different factors in modern times, notably, rising costs and increased requirement for finances, rapid technological advances in medical sciences including use of digital technology, artificial intelligence, regulatory reforms in terms of medical education, legal and ethical aspects of patient care, availability of trained manpower and more importantly quality of patient care in terms of patient safety and outcome. As these have different multi-sectoral linkages and generally work in silos, the 'end-result' is often sub-optimal. **SASH 2020** focuses on these aspects in such way that the healthcare administrators are able to connect the dots between leadership, people, processes, technology and organizational setup in order to make the delivery of healthcare in hospitals more Safe, Sustainable, Accessible & Affordable.

The conference is a highly focused event organized for hospital & healthcare administration professionals, hospital owners & entrepreneurs, hospital engineers, architects & IT professionals, procurement professionals, healthcare industry leaders & policy makers who are interested in updating themselves with the rapidly changing healthcare management scenario. The three-day conference programme will be weaved through the keynote speakers, plenary sessions, distinguished professionals and policy makers through multiple sessions & panel discussions, There will be sessions on Research Paper & Poster Presentations. In order to encourage presentation of high quality research work, AHA is introducing from SASH 2020 onwards, the “Prof. R.P. Sinha National Research Awards in Hospital & Healthcare Administration”.

On behalf of organising committee, we invite you to a great academic & research feast along with an celebrating social programme and look forward to welcoming you in New Delhi.

With warm regards,

Dr. Sidhartha Satpathy
Organising Chairperson

Dr. Anoop Daga
Organising Secretary

About the Organisers

Department of Hospital Administration, AIIMS

All-India Institute of Medical Sciences was established as an institution of national importance by an Act of Parliament in 1956 with the objects to develop patterns of teaching in Undergraduate and Post-graduate Medical Education in all its branches so as to demonstrate a high standard of Medical Education in India; to bring together in one place educational facilities of the highest order for the training of personnel in all important branches of health activity; and to attain self-sufficiency in Post-graduate Medical Education.

The Department of Hospital Administration, AIIMS is the pioneering department providing training to the country's hospital administrators in the science and art of hospital administration and management. The department introduced the specialty of Hospital Administration for the first time in the country in the year 1962, and has since evolved into a center of excellence for teaching, training and research in the field of Hospital Administration and Management.

Academy of Hospital Administration

Academy of Hospital Administration (AHA) is a professional body of qualified hospital administrators & managers, public health systems experts, hospital planners & consultants, academia & faculty members from India & abroad. AHA was conceptualised by Late Prof. R. P. Sinha, the then Professor and Head of Department of Hospital Administration along with Dr. A. N. Safaya, the then Medical Superintendent of All India Institute of Medical Sciences, New Delhi. Established on 16th February 1987 under the Society Registration Act 1860, AHA was initially located at Dept. of Hospital Administration, AIIMS, New Delhi and later shifted to its own building, AHA House, Institutional Area, Sector-62, Noida (U.P.).

Highlights of Scientific Programme
