

Dear Colleagues

With immense pleasure we invite you to the upcoming international conference- FERTICON 2017 to be held on 25th and 26th February 2017. This event is being organized by the department of Obstetrics & Gynaecology, AIIMS, New Delhi to mark the completion of a decade of IVF facility, AIIMS. It is one of the very few public sector hospitals offering economical and successful treatment to the infertile couples. We have been committed to offer best possible services to the needy patients in a cost effective manner.

It will be an excellent opportunity to meet national and international stalwarts of this field whose knowledge and expertise is invaluable. The keynote addresses will update the delegates with current trends in ART.

Looking forward to see you all.
