11th AIIMS Cadaver Arthroplasty Course - 2019

Dear Friends,

The phenomenal success of AIIMS Cadaver Arthroplasty courses every year inspiring us once again to host 11th AIIMS Cadaver Arthroplasty Course on February 16th & 17th, 2019. This year the theme is **Total Knee Replacement**. The two day event will be aimed at providing an exhaustive knowledge platform on the basics, fundamental, recent advances and controversies in Knee Arthroplasty. The programme has been planned keeping in mind the needs of both experienced and the young Arthroplasty surgeons. The event will host eminent National & International Arthroplasty specialists who will share their knowledge and skills through panel discussions, didactic lectures, Live demonstration surgery & Hands on cadavers. **There will be an emphasis on practical aspect, interactive learning and the problems which are faced on day to day basis by Arthroplasty surgeons.**

Please mail your interesting case X-rays for discussion. Only first five delegates will be allowed to present their cases. Time allotted will be '10' Minutes.

There will be a prize distribution for top 3 candidates in quiz contest.

We hope this two day event (one day conference & one day workshop) will make you more confident for day to day practice in field of Knee Arthroplasty.

I welcome you all to a different kind of event of the country. Since we have limited seats for the event, registration will be exclusively on a first come first serve basis and discretion of organizing committee.

(C.S. Yadav)
