

**1<sup>st</sup> Annual Conference of the  
Pediatric Research and Education Society of India  
19-20 March 2016**

***Venue: All India Institute of Medical Sciences, New Delhi***

Website: ***preside-india.org***

**Pediatric Research and Education Society of India with the maxim, 'Defining Excellence' (PRESI-DE)** is a newly constituted registered Society. The aim of the Society is to make India a global leader in pediatric research, education and health care. The Society shall admit, as its members, pediatricians and child health academics with demonstrated credentials in pediatric research, education and public health.

Pediatric Research and Education Society of India will organize its first Annual Meeting at AIIMS, New Delhi, on 19-20 March 2016. The two day program is targeted at faculty of teaching institutions, residents and child health researchers

**Program highlights:** Preparing a research proposal (miniworkshop); Tuberculosis: a national emergency (epidemiology & changing profile, newer tools in diagnosis and therapy); Pediatric postgraduate education: changing paradigm; Childhood origins of adult disease; Antimicrobial resistance; Newer vaccines; Brain cooling: benefits & risks; Planning & implementing PG thesis; Opportunities for translational research; Shaping academic physician scientists.

Eminent faculty from India and abroad will grace the Conference.

Registration fees: Rs.1500 (early-bird Rs 1000 till 15<sup>th</sup> Feb 2016)
