LETTER OF APPRECIATION

Respected Sir

1. My wife, Mrs Lubna Aamir, is a patient of SLE, DLE and other associated disorders. She suffered a severe exacerbation some time back. Treatment at various hospitals/institutions by Rheumatologist did not help. As a final resort, we came to AIIMS. Dr (Prof) Uma kumar, HOD Rheumatology has been very kind in giving precious time in detailed understanding of the case and her professional/ qualified treatment, despite her busy schedule and over commitments. Her intense efforts have shown welcome results.

2. I would like to convey my heartfelt thanks, gratitude and appreciation for the Rheumatologist.

3. Sir, indeed, such wonderful doctor makes your hospital special to us. These are small words for an esteemed Rheumatologist, Dr (Prof) Uma Kumar.
