MESSAGE

Dear Colleagues, Scientists, Students & Research Staff.

On this 4th AIIMS Research Day on 30th January 2025, I want to personally thank each of you for your tireless dedication and relentless pursuit of excellence in advancing the boundaries of medical science as we know it. From making research inclusive to inventing new treatments and solving for the unique health challenges of our nation, your work is a testament to the profound difference that research can make in improving lives.

I deeply admire the innovative spirit, perseverance, and intellect you bring to tackling some of the greatest challenges of our time. Your efforts not only serve the greater good of humanity but also inspire the next generation to question, experiment, and find solutions-no matter how big or small the challenges may be.

Thank you for your unwavering commitment and for being the driving force behind AIIMS New Delhi's enduring legacy of excellence.
