No.F-37/Circular/2025-Estt. (H.)

Dated: 23.10.2025

OFFICE MEMORANDUM

Subject: Introduction of new tests for patient care by CRIA Facility – Reg.

The undersigned is directed to inform that the Central RIA (CRIA) Facility, Department of Reproductive Biology, has introduced the following new tests for routine patient care:

1. **Total Bile Acids (TBA)**
2. **Thyroglobulin (Tg)**
3. **Erythropoietin (EPO)**

These tests have been optimized in the CRIA laboratory and will now be offered for routine patient care at '**no charges**', including for all categories of patients (EHS beneficiaries, JSSK, BPL, and AB-PMJAY scheme, etc.). These tests can be submitted by the treating doctor on the pre-existing requisition forms for CRIA facility (till the time updated forms are printed and available in the OPD/Wards). The reports of these tests shall be made available online on e-Hospital and ORS portals.

The sample collection for these tests will be carried out at the Central Collection Facility (CCF), New RAK OPD, as per the existing protocol for other CRIA lab tests. Blood samples are to be collected in plain serum vials (yellow or red top).

Accordingly, the following actions are to be ensured:

1. Officer In-charge, New R.A.K. – for necessary information and to coordinate logistics (vials/tubes).
2. PIC, Computer Facility – w.r.t. ensure that the reports of tests done in the Reproductive Biology Lab are available online to patients.
3. Officer In-charge, Stationary Store – to add the above mentioned tests in the investigation forms (in case they are not included at present).

(PROF. NIRUPAM MADAN)
MEDICAL SUPRINTENDENT
