No.F-61/Swine Flu/2015-Estt. (H)

Dated: 04.11.2015

Subject: De-reserving earmarked beds for Dengue patients every inpatient ward in AIIMS Hospital.

Attention of Head(s) of all clinical departments/units in AIIMS hospital is drawn to this office memo No.F.25/Dengue/2015-Estt.(H.) dated 14.09.2015 whereby it was notified that 2 beds in every ward will be taken over for admission of seriously ill dengue patients.

In view of substantial decline in the number of dengue patients reporting to AIIMS, it has been decided to de-reserve these beds earmarked for dengue patients with immediate effect. However if any dengue patient is presently occupying any such bed in any ward, he/she will continue to occupy the same bed till he/she is either transferred by the admitting department/unit or discharged from the hospital.

(DR. D.K. SHARMA)
