Fall Clause Undertaken

Dear Sir/Ma'am,

I/We hereby undertake that, during the currency of the contract, we have not supplied the goods/services at a price lower than the contract price specified in the reference order/tender technical specification/order/work document issued by the department to any central or state government, or any other government institution, at the same technical specification and terms and conditions of the tender.

In the event that it is found at any stage that we have supplied the goods/services at a price lower than the contract price on the same technical specification, we agree that the contract price shall automatically be reduced, effective from the date of such supply, for all subsequent deliveries under the contract.

In case of any query or clarification, please let us know.

Thanks & Regards

Date - 02.06.2026

Dear Sir/Ma,am,

We write this letter with reference to the submitted quote for the Philips Adult and Paediatric Disposable AED/Pacing Pads. We have already submitted the reference order copies to justify the price responsibility of Adult Pacing/AED pads, but unfortunately, we don't have any PO copy for the Paediatric Pacing/AED Pads.

We would like to confirm that the Pediatric AED/Pacing Disposable Pads are substantially similar to the Adult AED/Pacing Disposable Pads in terms of design, technology, functionality, operating principle, and manufacturing standards. The primary difference between the two pads is their intended patient population and electrode size, which are designed to suit paeadiatric patients.

In view of the above, we hereby undertake that the price of the Philips Paediatric AED/Pacing disposable Pads shall remain the same as the quoted price of the Philips Adult AED/Pacing disposable Pads submitted against this tender. Accordingly, the reference orders provided for the Adult AED/Pacing disposable Pads may kindly be considered for the price justification of the Paediatric AED/Pacing Disposable Pads as well.

We request you to kindly consider the above submission and accept the same for evaluation.

Thanks & Regards

Amit Gupta
